Hale County - Abernathy, Texas - Lubbock County

THURSDAY, FEBRUARY 1, 1973

NUMBER 13

TEXAS MARKERS — Two historical markers in Abernathy are dedicated Sunday. At left, standing by the Struve Family Business marker are Rudolph Struve, son of Fritz W. Struve, who founded the store in 1912, Mrs. Struve, 96, widow of the founder, and Mrs. Orville Toler, a granddaughter. At right, by the marker commemorating the founding of Abernathy are Judge Henry Heck of Plainview, left, who made the dedicatory address, Owen Benn, longtime resident of Abernathy and member of Hale County Historical Society, and Mrs. J. W. Walker of Plainview, society president. (From Plainview Daily Herald, Jan. 29, 1973)

Abernathy Historical Markers Dedicated

By MARIE HARRIS Herald Regional Editor

ABERNATHY - "This is a momentous day in our history. I count it an honor to pay tribute to those who have given so much to this city," said Judge Henry Heck of Plainview in dedicating historical markers in Abernathy, one on the site of the Struve family business and one commemorating the founding of the town.

The markers were dedicated in a ceremony in Abernathy City Hall Sunday afternoon with Mrs. Orville Toler, granddaughter of Fritz W. Struve . who founded the Struve business in 1912, presiding at the event.

Judge Heck said it would not be easy to separate the history of Abernathy from the story of the Struve family. "As we speak of Fritz Struve, the first mayor of Abernathy, we also include those who stood with him and shared the hardships of that day," Judge Heck stated. He briefly outlined the town's

history from the time Col. Mackenzie drove away the last of the Indian tribes from the area, to be followed by the buffalo hunters and then the settlers, with Horatio Graves, the first settler in Hale County, up to the

birth of Abernathy in 1909. "The Struve family lives on maintaining the Struve tradition," the speaker concluded, saying that the future offers a continuing challenge to a city with a priceless heritage.

Accepts Marker

Rudolph Struve, son of the Struve Store founder, accepted the marker on behalf of the family. Mrs. Toler recognized Mrs. Fritz Struve, 96, widow of the founder.

Glenn Metcalf, city manager, accepted the Abernathy marker for the City of Abernathy.

Mrs. Toler introduced Mrs. J. W. Walker of Plainview, president of Hale County Historical survey committee and Hale County Historical Society, who discussed briefly the functions of the historical groups which sponsored the marking of

the two Abernathy sites. The 18 by 28 inch official Texas Historical Marker placed on the Struve building, 318 Main Street, reads: Fritz W. Struve (1877-1959) came here from Burnet County in 1912, 3 years after city was founded, started a grocery store: was joined by Brother Ben F. (1879-1947) in 1918. Family operated wide variety of businesses vital to the early economic success of the community; grocery (1912-1962), hardware (1913-), implements (1913-), dry goods (1918-), tin shop (?-1923), cheese factory (1929-1951). The cheese enterprise was unique to this region, producing an average of 1.800 pounds per day.

Fritz W. Strive was elected as first mayor in 1924, serving at The School Cafeteria. Everyone Welcome. Come.

BOOSTER CLUB MEETING, THURSDAY NIGHT, 7:30

KSEL "PINKS" MEET BOOSTERS IN CAGE GAME

The Abernathy Booster Club will play the KSEL Pink Raiders of Lubbock in the Antelope gym Saturday night, Feb. 15, 1973. The game will be held to raise money for the local Booster Club. Everyone is encouraged to attend the game which will be held to benefit our local basketball teams.

More detailed information on the game will be available in upcoming issues of the Re-

Judy Speer Earns Scholarship At W. T. State U.

(Written especially for The Abernathy Review)

CANYON, Tex. -- West Texas State University gradu-ate student Judy Speer, daughter of Mr. and Mrs. Brooks Speer of New Deal, is one of ten recipients of the L. F. Sheffy Scholarship in history.

The scholarships, in the a mount of \$250 each, are named for Prof. L. F. Sheffy, head of the WTSU history department from 1918 until he retired in 1957. He died five

In his will, Sheffy left the history department \$50,000 with interest from its investment to go for scholarships and history materials for the university library. The scholarship program was initiated last

The scholarships are awarded to history majors of at least CONDUCTED junior standing on the basis of past scholastic achievement and recommendations by members of the history faculty, said Dr. Duane Guy, chairman of the history department.

3 terms in that office.

The following is written on the marker to the City, placed in front of the modern City Hall: Town of Abernathy: Founded when Santa Fe Railroad was extended from Plainview to Lubbock, 1909, named for Monroe G. Abernathy (1868-1962), treasurer of South Plains Investment Co., firm which promoted the townsite. Community prospered becoming a major railhead for shipping of cattle. Several buildings from the defunct town of Bartonsite were moved here and new ones built. Center of civic activities was the old tabernacle (1918-1947) located on the city square in the early days before roads were built. Broad plowed furrows marked the way to house of town doctor. Economy

is agriculture based."

Former Area **Resident Dies**

Fred L. Exum Last rites for Fred L. Exum.

Rt. 5, Lubbock, formerly of County Line, were held Wed nesday in Central Baptist Church, Lubbock.

Officiating was the Rev. David Haladay, pastor of County Line Baptist Church, and the Rev. Wayne Williams of Parkway Drive Baptist Church, Lubbock. Burial was in Resthaven

Memorial Park, Lubbock. Exum was found dead in his backyard Monday. Justice of the Peace F. H. Bolen ruled death was due to natural

Born in Childress, Exum, 52, had farmed in the County Line area, and he and his wife owned and operated the County Line Store before selling their interest to Pete and Betty Price a few years ago. He currently was employed by the Lub-bock - Amarillo Armored Car

An Army veteran of World War II. Exum was a member of the Masonic Lodge in Shallowater and the County Line

Baptist Church. Survivors include his wife, Wilma; a son, Robin of the home; one daughter, Jan Pol-lard of San Angelo; four brothers, Ernest of 4404 14th St., Lubbock, Ewell of Roper, Elmer of New Deal and Joe of Lubbock; a sister, Mrs. Era Nor-man of New Deal; and three grandchildren.

JANNA HAMILTON MISS ECHOLS ON ON HONOR ROLL

Janna Hamilton was on the honor roll for the first semester at Tyler Junior College. She is a daughter of Mr. and Mrs. J. W. Hamilton of Abernathy.

ON DEAN'S ROLL AT TEXAS TECH

LUBBOCK -- A total of 951 students in the College of Education qualified for the dean's honor list for the 1972 fall semester, according to Interim Dean Donald McDonald.

To qualify for the honor list, a student must be enrolled in 12 hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0

grading system. The College of Education is one of six colleges and two schools at Texas Tech University, which will be observing its Fiftieth Anniversary 1973-75. The fall enrollment was

more than 21,490. Students recognized for their high academic achievement in the College of Educa tion are: ABERNATHY:

Anita M. Johnston, junior. Carolyn J. Foell, junior. Sandra D. Furgeson Klatt, ju-

Lions Club News

Linda D. McDougal, junior.

Woody Parker, program chairman, introduced Mr. Tom Linquist, who is the financial administrator for the Small Business Administration in Lubbock. He gave a fine program on what the SBA is involved in concerning this area of the

Country.

The Club honored nine men for their faithful and unselfish service to the community through the local Lions Club. They are: 25 year service --Andy Reid, Joe Thompson and J. P. Nystel; 15 year service --Lon Carmickle, John Hale and Leland Phillips; 10 year service -- Jim Bob Smith, Dan Ward and Owen Benn.

Don't forget your old glasses. -Sammy Hunley, reporter

M. O. Hood, local weather observer, reported an inch of snow and .23 of an inch of moisture for snow and rain Jan. 25-26. This brings snowfall to 7-1/2 inches and moisture from snow, sleet and rain to 1.39 of an inch for the year.

Mrs. Preston (Dorothy) Davis recently underwent surgery in a Lubbock hospital.

Raymond Owens underwent surgery Friday in University Hospital, Lubbock.

ROLL AT TECH Marilee Echols, daughter was on the Dean's Honor Roll work in the last semester.

DEAN'S HONOR

She is a senior, majoring in Social Welfare. Miss Echols plans to do

graduate work at the University of Houston after graduation from Texas Tech in May.

Appointed To Research Post

Florence Is

Larry Florence, a 1962 Abernathy High School gradu-ate, has been appointed a research assistant at Stephen F. Austin University, Nacogdo-ches, Texas, beginning with this spring semester. He will be completing his graduate work on a Master's Degree in the School of Forestry. Other honors he has been given this past semester are to be elected president of the Student Council in the School of Forestry, and to be appointed student representative to the Faculty, Club. He has also made the Dean's Honor List each semes-

Larry and his wife, Susan, were graduated from Texas Tech University in the spring of 1967; he as a major in Agronomy, and Susan as a major in Foods and Nutrition. That fall they went into training in Hawaii for the Peace Corps, where they were assigned to Western Samoa. There Larry managed a research station for tropical plants, and Susan taught English, Child Development and Nutrition, and established a library in the village of Poutassi. After their return to the states, a baby daughter, Malae,

was born. Larry began his graduate work at the University of Texas, also working with the State Department of Agriculture in the Division of Weights and Measures. Susan was employed in the Reading Research Laboratory of the University. Since no degree in forestry is offered at the University, Larry transferred to Stephen F. Austin University. Susan is employed there in the book research department of the Forestry School.

Their address is: Box 5540 S.F.A.U., Nacogdoches, Tex-as 75961.

C L VOLLEYBALL TOURNAMENT IS SCHEDULED HERE

Dates have been set for the annual volley ball tournement, sponsored by the County Line Community Club, as Feb. 26, 27, March I, 2 and 3. Games will be played in Abernathy old gym beginning at 6:30 each night. Trophies will be given

A \$2.50 entry fee per team is charged to pay for rent on the gym.
High school players are not

allowed, because this will affect their eligibility for high school sports and activities. For further information, or to enter a team, call:

Frances McGuire -- 757-2912 Marsha Shafer -- 757-2480 Joyce Connell--233-2753 Vada Shafer -- 757-2488 Deadline for entries is Feb.

SHUGART STUDIO **PHOTOGRAPHER** HERE FEB. 5th

Shugart Studios of Levelland will have an experienced photographer at Pinson Pharmacy in Abernathy during business hours Monday, Feb. 5, to

take color photographs.

Anyone of any age may have color photos made that

A judge for the show has been selected by Hale Co. agent, Ollie Liner, and Vo. Ag. teachers, Jerry Adams and Walter Cox. He is Mac Heald, Parmer Co. Ext. Agent.

Antelope Basketball Boys and Girls

(By Sammy Hunley)

The Antelopes have weathered out the first half of the District campaign on top of the heap. They are 5-0 in league play and 24-0 for the year. Every game seems to develop more and more pressure for them. They are unde-feated and leading the dis-trict. Every team, no matter what kind of record they have. will be aiming to knock off the undefeated Antelopes.

The Antelopes have managed to play with the kind of poise and hustle that every good team possesses. They have proven to themselves and the community that they want to win and have accepted the sacrifices necessary to be called winners.
DISTRICT GAMES

The Antelopes defeated a hustling Idalou team 81-60 last Tuesday night. Playing in-spired basketball, Idaloustay-ed right with the Antelopes for the first three quarters of the game. It wasn't until late in the fourth quarter that the Antelopes managed to pull away and secure the game, winning

by a 21 point margin.
Dick Rogers led the Antelopes with 22 points, Kent Snodgrass had 18, with Ray Martin and Joe Evans having 15 and 12, respectively.

The Antelopes had their hands full Friday night with the Lockney Longhorns. Lockney, looking for the upset of the year, made things tough for the Antelopes the entire game. It wasn't until the last few minutes of the game that the 'Lopes gained advantage and won their 24th game 88-77.

Dick Rogers again led the Antelopes with 20 points, Kent Suodgrass and Joe Evans had 18 points, while Ray Martin canned 16.

LADY 'LOPES The Lady 'Lopes found the Idalou girls too much to handle in the first half. By the time they could get it all together, the clock ran out and Idalou had won the game 50-46. Outstanding performers for the Antelopes were Lynn Riley, Karen Shipman, and Kathrina Allen as forwards. Outstanding guards were Marya Johnson and Jane

Goheen. The Lady 'Lopes had still another close game in Lockney Friday night. They fought the Lockney girls tooth and nail the entire game, but were not able to pull out a victory. Lockney won the game 53-46. Karen Shipman led the Antelope

scorers with 13 points.
SCHEDULE The Boys and Girls met Ralls at Abernathy Tuesday, Jan. 30. Floydada, Tulia, Idalou and Lockney will be played in that

order. The Tulia game will be the nighlight of the remaining District games. Tulia feels that they were shafted here in Abernathy, and they will be play-ing for blood Feb. 6th at Tulia.

COMPLETE WORK FOR DEGREES FROM TECH

LUBBOCK -- A total of 986 students in the six colleges and the Graduate School at Texas Tech University completed work for degrees at the conclusion of the fall semester.

Of that total, 174 were graduate students, 25 qualifyng for doctorates and 149 for masters degrees. Because no formal gradua-

tion exercises are conducted at the conclusion of the fall semester, students who qualify for their degrees are invited to participate in the spring commencement

Degree requirements were completed by 812 students at the undergraduate level. The College of Business Administration graduated 225 students; Arts Sciences, 190; Education, 151: Agricultural Sciences, 94; Enc.neering, 79; and Home

Economics, 73.

Candidates for degrees are: ABERNATHY --

Bachelor's Degree ARTS AND SCIENCES --Jeanne Floodberg Downs, English, Box 201

Olga Lucila Villegas, Elementary Education,

ENGINEERING --Harland Sanford Downs, Electrical Engineering.

REVIVAL SET AT ASSEMBLY OF GOD CHURCH HERE

Hager Recital

Held at NTSU

DENTON--Lawson Hager of

Abernathy was presented in a

graduate horn recital by the North Texas State University

School of Music at 6:30 p.m.

Monday (Jan. 15). Hager, a candidate for the

doctor of musical arts degree,

was assisted by pianist Leon Bugg of Fort Smith, Ark. Bugg

is also an NTSU graduate stu-

dent in the School of Music.

The program included three movements of Mozart's "Con-

certo, No. 3," Strauss' "Theme

and Variations, Opus 13,"
Richter's "Nocturne, Opus 15"
and Halsey Stevens' "Sonata
for Horn and Piano" in three

Hager is the son of Mr. and

Mrs. L. J. Hager, 908 14th St.,

NEW DEAL (Special)-

Junction, Texas Monday, Jan. 29, 1973

Dear Buford: We have been 'following our nose' since we left Midland Saturday afternoon. We stopped to see the Caverns of Sonora and found that to be more interesting than we had anticipated and, besides, it was good exercise. The up and down climb inside the cavern plus the mile walk underground caused us to work up a good sweat. The humidity is over go in the cavern (temperature, 70). We had to take off our heavy coats and carry them

most of the way.
We stopped in Junction to visit Sarah and Auvie Johnson and are parked on their country property eight miles west of Junction. They have a beauti-ful view of the North Llano River that we are enjoying right now. We are going to look at land today but it's doubtful that we'll find anything as pretty as

the Johnson place. The enclosed writing about Clyde "Fritz" Haden I thought might be of interest to many Abernathy people. Please feel free to add to or change it any

way you see fit. We'll probably be travelling on to see Ed and Lottie Struve as well as Deanie and

Doyle Smith when we leave Arno Struve

CLYDE HADEN Many Abernathy people will remember Clyde and Mary Frances Haden who lived there from 1948 to 1953. Clyde was the first high school band director when band music was instituted in the schools. He has lived in Tyler, in Hurst and now lives in Midland where he is manager of Trinity Towers, a retirement home.

Clyde has had heart trouble for some years, but recently his doctor had urged him to have a more thorough examination. It was discovered that the arteries supplying his heart muscles were severely blocked. On the recommenda? tion of his doctor he went to Houston to have surgery. Dr. George Morris of Houston did a triple bypass operation Friday, January 12. On Tuesday 16th, Clyde was up and able to take a shower by himself. They were at home in Midland by Tuesday, January 23rd. On the 25th a severe abdominal pain struck him and he was placed in intensive care in the Midland Hospital, Again on Saturday he experienced a similar pain. It was believed that the set-back was not directly

heart connected. Several hours after the Saturday morning pain, he was doing fine and the prognosis was very good.

Hospital last week. Michael Loyd of Petersburg received his degree of law from Texas Tech at the end of the fall semester. He received his Bachelor degree from Bethany Nazarene College in May 1969. He is the son of C. P. and the late Mrs. Orene Loyd and a grandson of Mr. and Mrs. O. D. Rhodes, now of Lubbock.

Chief Warns Double - Parkers **Around Schools**

It is CONSTANTLY brought to the attention of the Abernathy Police Department that a serious problem of double parking exists around the school grounds. This is especially true on 6th Street. During the after-

noons when grade school and high school are letting out, 6th Street, 8th Street and Ave. G are bottled up. We must ask for your cooperation in this matter.
There is a definite reason for the nece sity of stopping this problem; that reason is simply safety. Double parking, first of all, blocks the street for normal traffic and creates the possibility of a traffic accident. Sec-

ondly, it creates a hazard for children leaving school. I realize that there is a short-

age of parking places around the school, but this does not release us from the responsibility for

Another area of concern is in the parking of vehicles in the red zones (red curbs). Vehicles are not to be parked in these

Safety is everyone's responsibility. We must ask for your cooperation in these matters. City patrolmen have been advised to see that double parking and parking in red zone are

eliminated. With your cooperation we can eliminate these violations without problems, WITHOUT your cooperation we will be forced to issue citations

-- Frank D. Russell

to those found in violation. If you feel that you cannot voluntarily cooperate, and continue to violate these laws and should receive a traffic citation for such violations, don't blame the patrolman -- place the blame where it should be--on the Chief of Police.

MOSCOW TO MOSCOW

America's wheat is making a historic turnaround

1,000 additional, 100-ton covered hoppers are now being completed to give Santa Fe 11,000 of these giant cars to help move export wheat to Russia

moving wheat an

has the largest flee in the rail industry

The history of wheat on the Santa Fe started back in the 1870's. At that time, the railway sent representatives to Europe with a view in mind of winning settlers to Kansas. Through their efforts, the Mennonites emigrated from Russia in 1874 and brought with them a few sacks of wheat-red wheat-that thrived and transformed the Midwest and parts of the Southwest into the breadbasket of the world. Today, one of the cities not far from the center of the wheat

Now, the same type of wheat brought to America by the Mennonites from Russia is going back. It is part of the 400 million bushels of wheat being sold to the Soviet Union. Santa Fe's giant hopper cars are moving it. The company that helped bring wheat to this country is now moving it out, 100 years later.

belt on the Santa Fe, carries the name of Moscow, Kansas.

From Moscow and all across Kansas, Oklahoma and Texas to Moscow and the vast areas of Russia. Quite a

Moving huge volumes of wheat requires coordination and cooperation "Export movements require the greatest

teamwork between railroads, port authorities and exporters in the scheduling of railroad shipments to coordinate with the movement of sea-going vessels. The current wheat export program puts this teamwork to the test, and the Santa Fe is prepared to work closely with its customers to handle this transportation challenge successfully-

NEWS RELEASE

FUEL SHORTAGE RELIEF SOUGHT

AUSTIN-Greater oil and gas production to pare down Texas energy shortages is the aim of companion bills introduced in the Texas Legislature this week.

The measures would liberalize unitization requirements for oil and gas fields so as to increase production of oil and gas reserves, according to sponsors of the legislation, Sen. Jack Hightower of Vernon and Rep. Dave Finney of Ft. Worth.

They said the legislation would help accomplish one of Gov. Dolph Briscoe's goals: To get the maximum recovery from reserves as one of the means to solve the energy shortage.

A major obstacle, aside from technological aspects, preventing the tapping of part of the 98 billion barrels of Texas oil reserves has been an obsolete oil-gas unitization law that requires 100 per cent agreement from operators and royalty owners in a field to unitize, the lawmakers said. The requirement has been so restrictive that only one of every 10 Texas

fields now operates as a unit. Under terms of the Hightower-Finney proposal, a consent majority of 75 per cent of all

interests would be required. It is believed that several billion more barrels of fuel can be recovered by removing restrictions, the legislators said.

Both legislators warned that their proposal was not a cureall for energy shortages, but would be a step toward greater energy supplies.

electric heating estimate

makes molehills out of mountains

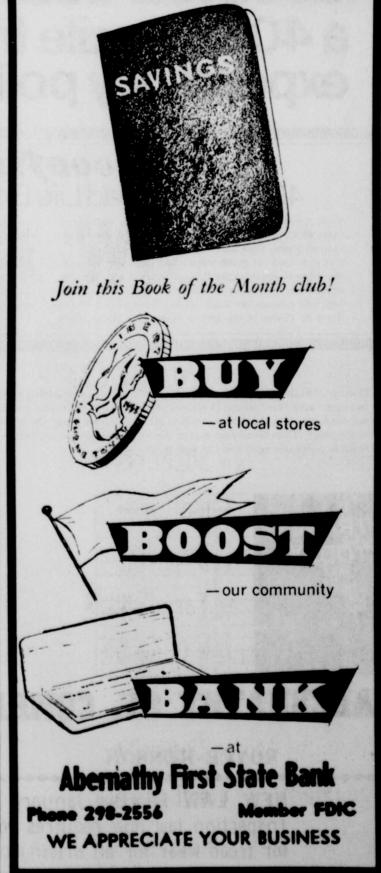

Why sift through a heap of information about heating? An accurate, easily understood estimate of what it would cost to heat the electric way makes the decision easy. It makes any ideas about electric heating costing too much come apart at the seams. It's the moment of truth when customers decide to switch to the total comfort of electric heat. Let us make a believer out of you. Call us. The estimate is free, accurate and a real eye-opener.

WATER SUPERINTENDENT (By Sammy Hunley)

MARVIN PATTERSON

RES:GNS POST AS

Marvin Patterson came to Abernathy in May of 1961 and went to work for the City as Assistant Water Superinten-

dent. The City maintenance facilities at that time were located at the City Hall and nearly everything was done with pick and shovel. Marvin remained as Assistant for a few years. In 1963 he was given the job of Water

Superintendent, which he holds

Over the past twelve years, Marvin has acquired his B Certificate license in both water and sewer. Along with these certificates and the knowledge that he has, Marvin is one of the finest water and sewer technicians in the state of Texas.

Marvin has done a lot to improve both the water and sewer systems of the City. He has worked hard and long to produce one of the best systems of any town on the South Plains

the size of Abernathy.

Marvin has had the opportunity to break in a number of city managers in his twelve years in Abernathy. Many of these men have moved on to bigger and better jobs. All have had a great deal of respect for him.

The Pattersons will be moving to Schertz, Texas, sometime in February where Marvin will be employed as Director of Public Works. Schertz is located east of San Antonio.

Marvin will be leaving behind many friends in Aberna-thy who have grown to love and respect him over the past twelve years. No matter where he goes, he will always be thought of, not only for what he did for the City, but for the kind of man he is.

Good luck and God bless you, Marvin.

FARM FACTS

Agriculture is the nation's biggest business, and three out of every 10 non-farm jobs are in some way related to farming.

Cotton's large net foreign exchange earnings are important to the nation's economic health.

Agriculture is far ahead of other industries in efforts to protect the natural environment. Long before other citizens became aware of the need to stop pollution, farmers were devoting much effort and expense to develop crop-care methods to protect the environment.

The U.S. cotton crop in 1971 covered more than 12 million acres in 18 states or almost 20,000 square miles.

High productivity of American farmers and low farm prices have kept consumers from paying higher food prices over the last 20 years. This year, consumers will pay less than 16 cents out of each take-home dollar for food as compared to 23 cents 20 years ago.

More than \$13 billion is invested in land and equipment to grow cotton.

Agriculture's productivity per man hour is increasing at twice the rate of manufacturing industries. Over the past 20 years, farm production efficiency went up 350% as compared to a 160% increase in factory production effi-

Salazar Is Cartoonist

Without the knowledge of fellow employees, Joe Salazar of Co-op Grain Co. was the one who drew a cartoon of a man and a goat on one of the scratchpads on the counter by the scales. His artistic ability became known after the cartoon appeared in The Review
