Assets Up Over 3 Million In 1972

Total assets of Haskell County's two banks increased more than \$3,852,000.00 during the 1972 business year, according to statements of condition at the close of the business year of 1972. 1972 assets of the two banks — Haskell National and Farmers National of Rule—were almost 18 million, as compared with just over 14 million for 1971.

HASKELL NATIONAL BANK
Total assets of Haskell National Bank were up over three million dollars from last year. 1971 assets reported were \$11,372,048.05, as compared to 1972 assets of \$14,759,096.17.

Liabilities reported at the close of business Dec. 31, 1972 were \$13,855,270.35, as compared with \$10,572,976.26 for 1971. Total reserves on loans and securities last year were \$91,298.34, while 1971's report showed \$101,295.51.

Chamber Banquet Slated Feb. 23

The date for Haskell's annual Chamber of Commerce banquet has been set for February 23, according to information released by George Fouts, president.

The banquet will be held in the Elementary School lunchroom and will begin promptly at 7:30 p.m.

"This year's annual banquet," according to president Fouts, "will differ from those in the past due to the fact that special entertainment will be featured instead of a guest speaker. We are planning an outstanding program of entertainment to be presented by out-of-town artists, an excellent meal and a short business session," he stated.

A new slate of officers to head the civic organization for the ensuing year, plus four new directors to serve on the board, will be installed at the meeting.

Also, the Chamber of Commerce member who has been voted to have done the most work for the Chamber and the community during the past year, will be honored.

The meal will be prepared by the ladies of the lunchroom and served by the girls of the Home Economic Department, under the supervision of Mrs. E. T. Jeter.

This year's banquet is being planned by the Executive Board of the chamber of commerce, with director Pat Hale in charge of the special entertainment.

Banquet tickets will go on sale in the near future for \$3.50 each.

"We are looking forward to having at least 300 members and guests present for this year's banquet," Mr. Fouts stated.

In a board of directors meeting of Haskell National Bank Tuesday night, R. W. Herren was elected Chairman of the Board, Dr. T. W. Williams vice chairman, and board members remained the same—Royce Adkins, R. C. Couch Jr., H. T. Fillingim Jr., Abe Turner and Royce Williams.

Bank officers also remained the same—Abe Turner, president; H. T. Fillingim Jr., senior vice president; Royce Williams, vice president; David Conner, cashier, and Carolyn Everett and Pauline Couch, assistant cashiers.

FARMERS NATIONAL BANK
Farmers National Bank of Rule, in a report of condition at the close of business on Dec. 31, 1972, listed \$3,170,059.79 total assets, as compared with \$2,724,732.91 for 1971, a healthy increase of over \$446,000.00.

Total 1972 liabilities were \$2,928,517.53, as compared with \$2,497,419.86 reported in 1971.

The Rule bank listed \$9,073,60 total reserves on loans and securities, and \$232,468.96 total capital accounts.

In a recent meeting, Mrs. W. D. Payne was elected chairman of the Board of Directors of Farmers National Bank. Other Board members are: R. O. Carothers, Morris Neal, Henry Townsend, and Jack McAdoo. Officers elected include: Morris Neal, president; Henry Townsend, executive vice president and cashier; R. O. Carothers, vice president; Mrs. Pearl Rinehart, assistant cashier, and Mrs. Polly Cox, assistant cashier.

GOVERNOR AND MRS. Dolph Briscoe led the inaugural parade Tuesday in Austin and at the end of the parade route, mounted the reviewing platform to watch the hour long parade. Dozens of college and high school bands, military floats, precision marching groups, and festival floats represented Texas' many regions in the parade. Also on the reviewing platform were Lt. Governor and Mrs. Hobby and both officials' families. (See story on Page 3) (Staff Photo)

Livestock Show Plans Finalized

Plans for the 1973 edition of the Haskell County Junior Livestock Show have been finalized and the show is scheduled to get underway Friday at 9:00 a. m. with the judging of poultry and rabbits.

Swine will be judged at 10:00 a. m. Saturday and will be followed by the heifer show.

All livestock should be at the show barn by 8:00 p. m. today.

The premium sale will begin at approximately 4:00 p. m. at Haskell Livestock Auction.

The membership drive is well underway and all County residents are urged to join the association. Revenue received from memberships is the only means supporting the association and the money is used to pay premiums at the show and for up-keep and expansion of the County Show Barn.

Memberships may be purchased from members of the board of directors which include: Wallace Allison, Russ Hobbs, Cecil Lewis, A. D. May, Tom Kutch, Mike Wilcox, Gen-

elle Miller, J. D. Kupatt, and Sonny Denson, all of Rule; Bill Comedy, Duane Gilly, C. A. Thomas, Bud Lane, Ted Elliott,

and Max Stapleton, all of Haskell; George Mullins, R. B. Townsend, and Lowell Freeman, all of Rochester; Thurman Therwanger of Weimert; and Tommy Connelly of Paint Creek.

Livestock buyers will bid on the 'floor' and the highest bidder will pay a set price per pound for each animal that goes through the auction ring. Local buyers may bid on the animals and the highest bidder may pay the full price and keep the animal or pay only the difference between the 'floor' price and the price he bid. This difference is a donation to the individual who showed the animal and is about the only way that a profit can be shown on record books kept by the individual.

Livestock prices were high when the show animals were purchased and without the

support of buyers, most of the individuals showing animals will lose money on their project. Purchase money is the only compensation 4-H and FFA members receive for their animals if they do not receive prize money in their class.

Councilmen Pass WTU Rate Increase

Members of the Haskell City Council met Tuesday night with Mayor Belton Duncan presiding.

Jimmy Browning gave the opening prayer and the minutes of the previous meeting were read and approved.

Bob Beauchamp and Holman King of West Texas Utilities met with the council in regard to a requested rate increase. David Roberson met opposing the increase, which councilmen passed.

A State resolution on law enforcement, radio communications, was adopted by the council. The city will pay 25 percent of the total cost of the communications network for the county. The equipment, two mobile radios and one base station, will cost \$3,074.50.

Joe Culpepper, of Plains Machinery, met with the council and presented specifications for a 31,000 pound loader with 130 hp diesel engine. Specifications are available at the City Secretary's office.

The council voted to place \$18,000.00, revenue sharing money, in 90 renewable certificates of deposit.

Discussion was held on buying another truck for a garbage paker.

Prior to adjournment, bills from 12-29-72 to 1-10-73 were presented and approved.

Super Bowl Trip
Congratulations to Mr. and Mrs. J. B. Gipson! J. B., manager of Bill Wilson Ford Motor Company, won a Ford Sales contest recently, and the prize was an all-expense paid trip to the Super Bowl.

The Gipsons left Dallas Friday morning by plane—after an icy drive from Haskell—and arrived at Los Angeles at noon. They watched Miami win over the Washington team by a 14-7 score, and got back to Dallas at 8 p. m. Monday, after all the ice had melted.

IH Tour Planned February 1, and 2

Area farmers have been invited to tour the International Harvester Company plant in Rock Island, Ill., according to A. C. Richardson Jr., of Richardson Truck and Tractor.

The tour will leave February 1st and fly from Dallas to Rock Island. That evening, farmers will be entertained with a dinner and reception by International Harvester factory people and the next day, after breakfast, will tour Farmall Works where International Harvester 966, 1066, and 1466 tractors are being built.

Highlight of the tour will be the privilege of viewing a 1468, V-8 tractor that Bud Lane of Haskell has purchased, being built. The tractor will be built and presented to Lane while at the factory.

After a tour of East Moline works where Harvester combines are built, the group will

fly back to Dallas. Members of the tour should be back in Haskell Friday evening.

All area farmers are invited to attend and the cost of the entire trip including transportation, meals, and accommodations will be \$115.00. Reservation deadline will be Saturday, January 20, at 12:00 noon.

The tour will be open to any farmer in Texas and six jets have been chartered. The tour will include a complete tour through the automated assembly line, engine testing, and engineering departments of the 40 acre building where Farmall tractors are assembled.

The East Moline works is in a 35-acre building where combines, forage harvesters, corn-heads and cyclo planters are assembled.

Tour information can be obtained from Richardson or any employee of Richardson Truck and Tractor.

\$277.00 Stolen From Jones-Cox

\$277.00 in cash, five guns, and possibly a coffee pot were taken from Jones-Cox sometime last Saturday night or Sunday morning, according to Wallace Cox Jr.

Entry was made through a hole in the ceiling and the robbery was not discovered until Sunday afternoon. Sheriff G. T. Garrett, Texas Ranger H. T. Melton and Chief of Police T. P. Barnett investigated the robbery.

According to Garrett, the officers have filed charges against an out-of-town man.

The money was taken from the cash register and safe. The door of the 6 1/2 foot tall safe was pried open and all paper and records were scattered on the floor. Remnants of several cigarettes were found on the floor next to a reclining chair as if the burglar took an extended rest while in the store.

BSPW MEETING

The Haskell Business and Professional Women's Club will meet January 23, at 7:30 in the Community Room of the Haskell National Bank. Mrs. W. S. Chambers of Rochester, chairman of Area IV Home Economics Instruction, will address the club on 'Consumer Awareness.' Mrs. Mildred Bennett and Mrs. Artie Mae Burkett will present the program. The membership committee, Mrs. Jeffie Adams and Mrs. W. A. Lyles, will serve as hostesses for the meeting.

Three Killed In Plane Crash

Jack Handley, 26, and ten-month-old son, Eric, were killed December 28, in a plane crash near Mena, Ark. Mrs. Handley, 24, died January 2, in a Fort Smith hospital. The couple's other son, Keith, 5, was not injured in the crash.

Funeral services for Mr. Handley and Eric were held January 2, and funeral services for Mrs. Handley were held January 7. Burial was in Clinton, Texas.

The family was flying from Temple to their home in St. Louis, and did not land at Fort Smith where they were supposed to stop for fuel.

Mrs. Handley is the daughter of Mr. and Mrs. Bill Bryant of Temple and the niece of Mr. and Mrs. F. A. Bryant of Haskell.

Commissioners Court Begins A New Year

The Commissioners Court convened in their first meeting of the new year with all members present.

Motion was made to place all County Officers on a salary basis for the year of 1973. Motion was seconded with vote being all ayes. The bonds of newly elected officials were approved and the Auditor's and Treasurer's monthly and quarterly reports were reviewed and accepted as submitted.

A transfer of \$250.00 from the General Fund to the Law Library fund was approved. The Court authorized the Auditor to destroy all old bills paid by County prior to Jan. 1, 1968. Holidays for Courthouse employees for the year of 1973 are as follows: May 28, July 4, Sept. 3, Oct. 22, Nov. 22, Dec. 25 and 26, 1973.

E. C. Collins, Commissioner, Prec. No. 4, was elected County Judge Pro Tem for the year of 1973. Motion was made to advertise for bids for County Depository and School Depository. Motion was seconded with all ayes.

Salaries for County employees were set as per schedule recorded in Commissioners Court Minutes, and a Salary Grievance Committee was formed and the persons whose names were drawn will be notified. Court recessed until January 23.

Richardson Gives Farm Program To Haskell Lions

Haskell Lions met in regular session during lunch Tuesday at Haskell Steak House to hear A. C. Richardson, International Harvester dealer, give a program on "New Innovations in Modern Farm Equipment." Richardson was accompanied by his foreman, Roy Trussell. They had an IH tractor on display outside the meeting room, and after the program, invited everyone out to see it and participate in a question-and-answer period.

Abbey Headstream gave the prayer before the meal; Gene Long presided over the meeting in the absence of Lion president Joe Williams; George Fouts led the singing, accompanied by Lion Sweetheart Ellen Walling at the piano.

Beard members held a short meeting after the program, in which to authorize the club to buy an animal at the annual Haskell County Junior Livestock Show to be held this weekend.

Another Room Furnished At Haskell Hospital

Mr. and Mrs. Marvin Wheatley have donated furniture for one of the new patient rooms at Haskell Memorial Hospital. This furnishes two of the four new rooms that were redone in the hospital's building plan.

The first room was furnished by Mr. and Mrs. Alfred Turnbow earlier, in honor of their parents, Mr. and Mrs. G. A. Turnbow, and Mr. and Mrs. W. A. Brown, all deceased. Mr. Turnbow is administrator of the hospital.

The two other rooms are not furnished at this time. Anyone wishing to do so may contact Mr. Turnbow, who can give details of the furnishings, and also show them brochures picturing the furnishings needed. The donations will be entirely tax deductible, and can be made to honor friends or loved ones.

Weinert HD Club Holds Meeting

The Weinert Home Demonstration Club met in the home of Mrs. M. W. Phemister, Jan. 2, with Mrs. C. C. Campbell, presiding.

Minutes of the previous meeting were read and approved and the roll call was answered by eight members, two visitors and the County Home Demonstration Agent.

Council report was given by Mrs. Henry Smith. There will be a leader training meeting at the kitchen in the County Courthouse January 31 at 2:00 p. m.

Mrs. Barbara Elliott gave the program on 'fitting patterns.' Refreshments were served by Mrs. Phemister and Mrs. Rueffer. The next meeting will be Feb. 6, at 2:00 p. m. at the community center in Weinert. The program will be on 'Spring Fashions.' Visitors are welcome.

Commandery To Host Westbrook

Sir Knight Charles W. Westbrook, Eminent Grand Standard Bearer of the Grand Com-

mandery Knights Templar of Texas, will be in Haskell January 27, for his visitation and inspection of Haskell Commandery No. 49, Knights Templar. The meeting will be held in the Masonic Hall and all Knights Templar are invited to attend.

Sir Knight Westbrook is a civil engineer with the Texas Highway Department in Abilene. He is a graduate of Burknett High School and received his B. A. Degree from Hardin-Simmons University. He served in the United States Navy in World War II and again in 1950-52. He and his wife, Mildred, are members of Brookhollow Christian Church. He is a member of the Society of Professional Engineers.

He became a Master Mason in 1955 and is presently serving as Master of Stamford Lodge No. 833. He is a Past High Priest of Stamford Chapter No. 257, Royal Arch Masons, and a Past Thrice Illustrious Master of Stamford Council No. 192, Royal and Select Masters. He was Commander of Abilene Commandery No. 27, Knights Templar in 1965. He is a member of Waco Scottish Rite Bodies and a member of the Holy Royal Arch Knight Templar Priests.

New Past Assembly

J. C. Amburn moved here from the First Assembly of Jack County, Texas, in which he has been a member for two years. He has pastored Winters, Ham Granbury, and looks forward to here. Mrs. Amburn cited about the ministry, expression for the ready received in Haskell. The oldest is a senior and a grader.

Inauguration Day In Austin

By Don Comedy
Editor

AUSTIN—Almost before the final echos of a 19-gun salute had died Tuesday, Dolph Briscoe and William P. (Bill) Hobby had taken the oath of office and were officially Governor and Lieutenant Governor of the State of Texas.

The ceremony took place on the south steps of the Capitol on a special platform built for the occasion. Overcast skies and gusty winds threatened rain and played havoc with carefully planned hair-dos. Honor guests on the platform were former President and Mrs. Lyndon B. Johnson.

Immediately following the invocation, Chief Justice Joe Greenhill of the Texas Supreme Court administered the oaths. Hobby took the oath first and spoke briefly about writing a new State Constitution before Briscoe addressed the 3,000 spectators.

Only two interruptions were seen during the entire 30-minute ritual, the first came immediately after Briscoe finished taking the oath when wife, Janey, smiling and clapping, jumped from her seat and kissed the Governor on the cheek. The second came as Briscoe said, "It is my firm belief that our present tax resources are sufficient to operate an effective, efficient government that meets its responsibilities without choking the initiative out of the working people and the businesses of Texas by constantly demanding more and more taxes. Our goal must be no new taxes in 1973."

Briscoe also pledged a "Clear Code of Ethics for those who hold public office." He concluded saying, "The future is in our hands. The kind of Texas, the way of life, that we pass from our hands to our children's in not too many years depends upon what you and I do in the immediate future. This is our challenge. This is our opportunity."

Shortly after the inaugural ceremony the parade began down South Congress Avenue. Governor Briscoe and Lt. Gov. Hobby led the "parade" and mounted the reviewing stand across the street from the Capitol to view the long string of bands and floats.

SAGERTON NEWS

The sunshine and spring-like weather brought people out in the community doing things they could not get done last week with the ice and snow. It gave farmers the opportunity to see about errands in town that needed doing before they can get back in the fields, and housewives a chance to clean house without having husbands and children around.

Mr. and Mrs. Bob Clark and children, Evangelyn and Kyle, were here last weekend visiting with the Charles Clarks. They are moving to Abilene from Houston. Bob has accepted a position with Tippet G. Construction Engineering firm in Abilene. They are looking forward to being out of the "Big City" and closer to home.

Mr. and Mrs. Mike Summers of San Angelo spent the weekend with Mr. and Mrs. Zenor Summers.

Get well wishes go to Buster Tredemeyer, who was hospitalized at the Stamford Hospital with a chest cold last week.

And to Harvie Jordan, who is in Presbyterian Hospital in Dallas where he will have eye surgery this week.

And to Maxey Thompson, son-

in-law of Mrs. John L. Brooks, who was burned badly when there was an explosion in a plane he was refueling at Love Field in Dallas last week. The explosion blew him out of the plane, so that he might have been burned more severely if he had not been away from the plane. His wife is the former Judy Guinn.

Mr. and Mrs. Tullie Herring of Amarillo spent last weekend here with Mrs. Alice Lewis.

Mr. and Mrs. Glyn Quade hosted a birthday supper in honor of Reece Clark Saturday night. Guests were the Reece Clarks and Pastor and Mrs. Joe Aalbue.

The Altar Guild of Faith Lutheran Church will meet on January 18 at 3 p. m. The meeting was postponed last week because of the weather.

Student News

The Dean's List and the Honor Roll for the fall semester of 1972 at Hardin-Simmons University has been released by the H-SU registrar's office.

The Dean's List is made up of students carrying a minimum course load of 12 semester hours who make A's in all courses.

Stevan Livengood of Haskell is one of the Dean's List achievers.

Haskell Maidens Win Two Games

The Haskell Maidens added a second district win to their credit, Jan. 12, as they downed the Stamford Bulldogs, 65-27. Score at halftime was 32-17. Fonda Horn and Margie Kretschmer tied for scoring honors with 17 points each. Mary Elliott followed with 12, and Pam Klose with 7.

Saturday, Jan. 13, the Maidens met the Anson Tigerettes in a make-up game. Icy roads had caused the game, originally scheduled for Jan. 9, to be cancelled and re-scheduled.

Both teams were slow to begin action and halftime score

Burleson-Fisher Ask For Project Sanguine In Texas

WASHINGTON, D. C.—Congressman Omar Burleson and O. C. Fisher issued a joint announcement today that the Secretary of Defense has approved a request from the Secretary of the Navy to proceed with further research and development on Project Sanguine. In announcing this decision it was stated that while a final decision on whether to build this operational system will not be made until about 1976, it has been directed that the Navy concentrate on Texas for their planning for initial construction.

Foursquare Gospel To Hold Revival

Rev. Robert L. Crawley, pastor of Haskell Foursquare Gospel Church, has announced a revival, scheduled for January 21 through 28.

The Rev. John Wheeler, pastor of the San Angelo Foursquare Gospel Church, will bring the messages, each evening at 7 p. m.

Everyone is invited to attend the evening service revival at Foursquare Gospel Church, S. Second and Avenue F.

Dear Area Farmer:

Many of you have expressed at one time or another a desire to see just how International Harvester farm equipment is built. We are now in a position to offer you the opportunity to tour International Harvester Company combine and tractor plants in Rock Island and East Moline, Illinois.

The tour will depart by jet airliner from Dallas Thursday, Feb. 1st, at approximately 12:30 noon, and will arrive in Rock Island, Illinois early that afternoon. That evening you will be entertained at a dinner and reception by International Harvester factory people and you will have an opportunity to visit first hand with the people that build International Harvester tractors and combines. The next day, after breakfast, you will tour Farmall Works where International Harvester 966, 1066, 1466, 1468 V8 Engine and 4166 model tractors are being built—you will see first hand the people of International Harvester at work building the machinery that you use in your farming operation. That afternoon you will tour the International Harvester East Moline Works where Harvester combines are built and you will see them built right before your eyes. After the tour of the East Moline Works you will fly back to Dallas and should be back home that night.

The trip will be interesting for everyone who uses farm machinery; however, the most important aspect is that it will give you a better understanding of the complex processes which take place in building your farm machinery. We feel that a more thorough understanding of the sophisticated operation of which our firm is a part will result from this trip.

Your transportation, meals, and accommodations will be furnished as a part of the tour package.

Dealers in some areas have elected to send a few selected customers on the tour and have picked up the entire tab for a select few. We are offering this tour to you at a total cost of \$115.00. In this manner we will be able to send anyone who wishes to go. We are extending invitations to every farmer in our trade territory.

I feel that this trip will have a personal touch for many of us in that Mr. Buddy Lane of Haskell has just agreed to purchase a new 1468, which is our big V8 tractor, that so many of you have been asking about. We will have the privilege of seeing Buddy's tractor being built and it will be presented to him while you are all at the factory that day.

If you wish to go on this tour, please make your reservation with me, prior to this Saturday, January 20th at 12:00 Noon. We will be unable to take any reservations after that date.

If you have any questions regarding this trip, please contact either myself or any employee, and they will be glad to answer them. I think now we will need to leave Haskell at 7:30 a. m. Feb. 1.

We hope you will take advantage of this opportunity, and we will have a large group attending from this area.

Farmers Union To Meet In Anson

A meeting of Farmers Union leadership in this area has been called for Tuesday, Jan. 23, at 8:00 p. m. at the Elgin 66 Cafe in Anson by Foy Mitchell, District III Director of Texas Farmers Union. The purpose of the meeting is to discuss state and national legislative issues.
 Jay Naman of Waco, Texas Farmers Union President, Joe Rankin of Ralls, Vice President Kenneth Moss of Lubbock, Director of Field Operations will be in charge of the meeting.

Naman stated, "We are calling this planning session at this time to get the grass roots view point of our county leadership. We want to get firsthand the reactions of farmers and ranchers to the recent announcements by the Administration trimming 1.5 billion dollars from an already "slim" agricultural budget."
 Foy Mitchell, District III Director, states the strategy meeting is for county officers, members, Boards of Directors, and their wives.

Britt, Lees Repeat Vows

Miss Kathy Lees became the bride of Sgt. William Ross Britt in a double ring ceremony January 4 at Pinkerton Baptist Church with the Rev. Richard M. Babb officiating.

The bride is the daughter of Mr. and Mrs. Nolan Lees of Haskell, and the bridegroom's parents are Mr. and Mrs. Charles R. Britt of Gridley, Calif.

The candlelight ceremony was performed before an archway of greenery decorated with white church bells. White gladiolus and candelabras with yellow candles also decorated the church.

The bride, given in marriage by her father, wore a formal empire gown of white satin overlay with candle-light lace. Starlight sequins and seed pearls also accented the gown. She had a chapel train and chapel length veil of silk illusion held by a headpiece of lace and pearls. She carried a bouquet of white mums with a center of yellow roses atop a lace covered white Bible.

The bride's sister, Mrs. Quincy LeFevre of Bay City, served as matron of honor. Bridesmaid was Donna White of Abilene. Flower girl was Fran Flemming of Roswell, N. M. Candlelighter was Debra Carlock of Fort Worth.

The attendants wore empire gowns of yellow velvet trimmed with white velvet ribbon. They

MR. AND MRS. WILLIAM ROSS BRITT ... formerly Miss Kathy Lees

carried baskets of white baby chrysanthemums with yellow ribbons.

Engagement Announced

Mr. and Mrs. Billy Bryan Scott of Sweetwater announce the engagement and approaching marriage of their daughter, Kelli LaRue, to Martin Randall Arend, son of Mr. and Mrs. Al Arend.

She is a graduate of Sweetwater High School and Texas State Technical Institute of Sweetwater. She is employed by Lincoln Properties of Dallas. The prospective groom is a graduate of Paint Creek High School and TSTI. He is employed by the Atchison, Topeka and Santa Fe Railway Co. of Cleburne.

The couple plan a February 16 wedding in Sweetwater.

LOOK WHO'S NEW

Mr. and Mrs. John Gunn of Athens announce the birth of twin girls born Jan. 12 in Corsicana Memorial Hospital. Kelly Renae was born at 10:07 a. m. and weighed 4 lbs., 4 ozs. Shelly Menae was born at 10:16 a. m. and weighed 4 lbs., 13 ozs. Paternal grandparents are Mr. and Mrs. Willie D. Gunn of Corsicana and Maternal grandparents are Mr. and Mrs. Maurice Mahoney of Haskell. At last report, mother, babies, and 'shocked' father, were doing nicely.

following the ceremony. Janis George of Abilene registered guests. Cake and punch was served by Barbara Harrell of Rule.

The couple will reside in Ogden, Utah after a wedding trip to California.

The bride, a graduate of Haskell High School, attended Midwestern University in Wichita Falls. The bridegroom is a graduate of Torrance High School, Torrance, Calif., and attended the University of Maryland. He is presently serving in the U. S. Air Force.

Franklin, Titus Vows Solemnized

Miss Linda Vonne Titus and Charles Franklin were married January 5 in St. Paul Baptist Church in San Angelo with the Rev. Frank Phillips, pastor, officiating.

Parents of the couple are Mr. and Mrs. Albert Titus of San Angelo and Mrs. Lorene Henson of Haskell.

The bride wore a gown of voile designed with a demi-bell silhouette, bodice of Venice lace, scooped neckline, Camelot sleeves, rows of lace on the hemline and chapel length veil. Gail Parker was maid of honor, and bridesmaids were Vanessa Smith of Houston, Jane Franklin, sister of the bridegroom of Abilene, Paulette

Black of Wichita Falls, Jessel Smith, Nettie Titus, Babs Henderson and Vashti White.

Wedding music was presented by Duida Butler, organist, and Richard Henderson and Thomas McClinton, soloists.

A reception in the fellowship hall of the church followed the ceremony.

The bride is a graduate of San Angelo Central High School and is on the dean's list at Angelo State University. The bridegroom is a 1971 graduate of Haskell High School where he was named to the top 100 high school football players in America. He is currently attending ASU.

Following a wedding trip to Dallas the couple will reside at 2512 Jade, Apt. 7, San Angelo.

The rehearsal dinner in the fellowship hall of the church was hosted by the bridegroom's mother and sister, Mrs. Queen Ester White.

Morning Coffee Honors Bride-Elect

Miss Sue Carey, bride-elect of Bill Fouts, was honored with a gift coffee Saturday morning, January 13, in the home of Dr. and Mrs. J. F. Cadenhead. Guests were greeted by Mrs. Cadenhead, Mrs. George Fouts, Mrs. John Fouts, and the honorees, Sue Carey and Bill Fouts.

The serving table was covered with a lace cloth embroidered with sequins and pearls, and was centered with an arrangement of daisies, chrysanthemums, pink carnations and babies breath, to carry out the bride-elect's chosen colors of purple and white.

Mrs. Sam Herren registered guests.

Hostesses rotated in serving coffee and hot spiced tea. They included Mesdames C. G. Burson Jr., J. E. Crawford, Buster Ghosian, Clinton Herren, Sam Herren, C. O. Holt, Frank Martin, J. L. Mullins, Lynn Pace, Jr., Hugh Ratliff, W. P. Ratliff, Harold Spain, R. N. Watson, and Mrs. Cadenhead.

land use policy legislation, and enactment of state sediment control laws will be major concerns of the 3,019 conservation districts throughout the country.

The governing boards of the California Creek and Wichita-Brazos Soil and Water Conservation Districts invite you to meet with them at any time to discuss your conservation problems. And especially, they would appreciate your viewpoints concerning land use policy legislation.

The California Creek SWCD Board meets at 2:00 p. m. the fourth Monday afternoon each month at the Stamford City Hall, while the Wichita-Brazos SWCD Board meets at 9:30 a. m. the fourth Friday morning each month at the Soil Conservation Service office in Knox City. They invite your attendance.

Currently, both Boards are busy selecting their nominees for outstanding farmer or rancher to the Texas Conservation Awards Program, sponsored by the Fort Worth Chamber of Commerce.

The California Creek District will nominate one resident farmer or rancher and one absentee farmer or rancher. A professional or business man or woman will also be nominated this year.

Both districts will sponsor and conduct Grass and Land Judging Contests this year, in March. The California Creek District has initiated another contest this year, the Conservation Poster contest. This contest is open to all students, grades 1 through 6, in all schools within the District. The Poster Contest is being co-sponsored by the Stamford Electric Co-op. School principals in each school have received copies of the rules for this contest.

The Wichita-Brazos Grass and Land Judging Contest will be limited to teams from the schools of the District and the Miller-Brazos SWCD. This area includes the northern half of Haskell County, and all of Knox, Baylor and Throckmorton Counties.

Support your District and its governing body in their activities for 1973. Tell them about your needs and problems in the field of conservation.

Record Year For Land Bank

Joe Harper, Manager of the Federal Land Bank Association in Haskell, announced recently that The Federal Land Bank of Houston closed 3,701 loans for more than 164 million dollars during 1972. "1972 was a record year for new loan business and represents an increase of more than 60 percent over 1971 which was the largest year

in the bank's 54-year history," Mr. Harper stated.

"A number of factors account for this substantial increase in volume of new loans", he said. "Probably the greatest factor was the new lending authorities made possible by the Farm Credit Act of 1971, which was implemented in 1972," he said. He also reported that the interest in buying farm and ranch land sharply increased during the year. "This interest covered all facets of Texas agriculture, the part-time farm and the farm and ranch units,

both large and small," he stated.

The Federal Land Bank Association of Haskell, which serves Baylor, Knox, Haskell and Jones counties, closed 85 loans for \$2,014,300.00 during 1972.

The Federal Land Bank of Houston makes farm and ranch real estate loans throughout Texas and on December 31 had more than 675 million dollars in loans outstanding to over 35,000 farmers and ranchers.

Officers and directors of the local association are: O. G.

Lewis, E. H. Burnett, Weldon Walker, J. E. Nix, Ralph Howe, and J. P. Jones.

December Fines Total \$1,818.75

Justice of the Peace Hubert Bledsoe reported 88 convictions in his Court for the month of December. These convictions were both traffic and criminal violations.

The following law enforcement agencies filed a total of 88 cases which resulted in fines totaling \$1,818.75.

Game Dept., 1 case, \$100.00; Texas Highway Patrol, 86 cases, \$1,818.75; Sheriff's Dept., 1 case, \$100.00.

Service, reports that cotton prices were increased by 50 to 150 points during the past week. Prices for premium micronaire, grade 42 cotton with staple 32 ranged from 24.20 to 26.00 cents per pound. Grade 5232 ranged in price from 21.00 to 22.50 cents per pound.

The grade distribution of samples classed is as follows: Grade 42 was 36 percent of the total, grade 52 was 23 percent, grade 51 was 21 percent, and 41's comprised 11 percent. 44 percent of the samples were reduced in grade because of bark. Staple lengths were 51 percent staple 32, 23 percent staple 31, and 21 percent staple 33.

Micronaire readings were 3 percent high, 26 percent low, and 71 percent in the premium range. The low micronaire readings were 2 percent 2.6 or less, 3 percent 2.7 to 2.9, 10 percent 3.0 to 3.2, and 11 percent in the 3.3 to 3.4 range.

Pressley fiber strength tests conducted at the USDA spinning laboratory at College Station showed 75,000 pounds per square inch to be the average reading of samples tested. 82 percent were in the 70,000 to 79,000 psi range.

Quality statistics for the week ending Jan. 12, 1973, remained about the same as the previous week. 17% of the cotton was classed as Strict Low Middling (41) compared to 27% a week ago. 13% was Low Middling (51), 40% was Strict Low Middling Light Spotted (42), and 17% was Low Middling Light Spotted (52). 25% of the cotton classed was reduced in grade due to bark or grass, compared to 17% the previous week. The staple length showed 21% staple 30, 46% staple 31, and 29% staple 32.

The micronaire readings continue to be reasonably good with 78% reading in the desirable range of 3.5-4.9. 21% read 5.0 and above. The Pressley fiber strength tests conducted by the USDA's fiber laboratory at College Station shows that the average strength for the week was 7,000 pounds per square inch. Cotton markets continue to be fairly active with farmers offering freely. 79 to 26.50 cents per pound was paid for most grades offered with staple lengths of staple 30 through staple 33.

The Munday Office classed 11,741 samples this week, bringing the season's total to 86,792.

Hog Numbers Decline - Wheat Seeding Increases - Citrus Blackfly Survey Continues - March 1 Is Deadline . . .

Fewer hogs and pigs are reported in Texas compared to a year ago, the Texas Crop and Livestock Reporting Service notes. In Texas, the number of hogs and pigs total 1,264,000. This is a decrease of 10 percent from a year earlier.

Reports based on farmers' intentions indicate that during the period now through May, 124,000 sows will farrow in Texas, 4 percent above a year earlier. The average value of all hogs in Texas is \$35 per head, giving a total inventory of \$44,240,000. Nationwide, hogs and pigs total 61,500,000, two percent less than a year ago. Hogs and pigs kept for breeding are estimated at 9,000,000, an increase of 6 percent.

WINTER wheat seeding for harvest is estimated at 4,400,000 acres which is a 9 percent increase over a year ago and is a fourth larger than 1971.

A crop of 70,400,000 bushels is now expected in Texas. This compared with 44,000,000 bushels produced in 1972.

Wheat seeding for all practical purposes is completed with bad weather causing some delays.

Nationwide, the 1973 prospective winter wheat crop is a record 1,278,000,000 bushels. This would be 8 percent more than the 1972 crop and 12 percent more than in 1971.

Generally, condition of the crop is mostly good to excellent. Estimated yield is 29.9 bushels per acre, just slightly below the 1971 record yield per acre. Indications are now that 88 percent of the seeded acreage will be harvested for grain. If realized, this would be the highest percentage since 1966 when 90.3 percent was harvested.

SURVEYS of the citrus blackfly continue in the Rio Grande Valley. A new infestation has been found in the San Benito and Harlingen areas. The blackfly can cause great economic damage in commercial citrus. Even infestations of short duration may reduce crop yields by as much as 50 percent.

Personnel of the Texas Department of Agriculture are cooperating with U. S. Department of Agriculture specialists in combating the fly. The survey will provide a specific picture of the extent of the problem.

Federal-state crews will survey the Valley once each month for six months, examining more than 100,000 points. Entomologists said the survey is sensitive enough to detect infestations as low as one infested tree in 33,000.

After the survey is complete, federal and state officials will decide on appropriate courses of action.

MARCH 1 is deadline for submitting your ideas on proposed changes in the Packers and

Rule Telephone Changes Slated

PAINT CREEK MEETING
 A community meeting for the members of Stamford Electric Cooperative, Inc., is to be held January 18, 1973, at 7:00 p. m. in the Paint Creek High School Cafeteria. All members of SEC living in the Paint Creek community are urged to attend this meeting.

Rule's new telephone facilities will become operational June 24, 1973, it was announced today by Jerry Kehoe, division manager for General Telephone Company. All telephone numbers will change at that time.
 The new expanded facilities are a part of the company's

service improvement program for Rule which includes a new central office building to house new custom-design switching equipment.
 Construction of the new building has been completed and installation of new equipment is presently being made.
 Features of the new equipment permit customers to move from one section of town to another or to change from party lines to straight lines without changing telephone numbers. Full service on party lines. For the best dialing all area numbers are being changed to 24. Kehoe stated that long distance calls also should be placing long distance numbers by dialing 1-800-...
 New telephone numbers will be mailed to customers by January 11. Advertising...
