

Nichols Worth

By Nanalee Nichols
The Season Changed Right On Time!

It's November. And doesn't it feel like it? The last two days of October being gloriously sunny, November swept in gray, cooler and with a wind and rain that turned the world autumn in an instant.

Trees are going golden, or brown, each according to their nature.

I saw a little squirrel trying to carry a wizened bois 'd arc apple to a hiding place Sunday, and couldn't help but laugh at him. Instant hernia...that poor squirrel was having a hard time wrestling with the big apple.

The woods are alive with birds, and sitting on our porch it didn't take long to come to the realization that we were going to need some warmer clothing.

If one listens closely the sounds of geese wending southwards comes to ear, and the hummingbirds, always my barometer of fall, are gone. The feeders are washed and stored away until next year now.

It's time to bring out the bird feeders and fill them with seeds.

The grass has come to a near-halt in its growth spurt, and it's time to move outdoor potted plants inside.

The signs are there, it's all clear, it's autumn.

Like every season, it has its own rewards.

This winter, however, may be hard on those creatures that are dependant upon nature's bounty. The severe drought will mean that berries, seed heads and other wild foods may be more scarce than usual.

So, be a little charitable, put out some corn or scraps out for the raccoons, even the opossums, fill the bird feeders and generally help them through what may be a rather long, hungry winter!

Bogata's October Police Report

One case cleared by arrest.

A word of thanks for everyone's effort in making this a safe Halloween.

Until next month, be safe.

Incumbents generally returned to offices in election

As expected, Governor George W. Bush was returned to office with no problem against challenger Gary Mauro in Tuesday's election.

Republicans defeated a number of state-wide Democrats, including Rick Perry for Lieutenant Governor over John Sharp; Republican John Cormyn edged out incumbent Jim Mattox and challenger Mike Angwin.

L.P. (Pete) Patterson lost his bid for Commissioner of Agriculture to Republican Susan Combs, the first woman ever elected to the post.

Tony Garza captured the Railroad Commissioner's post with a wide margin over Joe B. Henderson and Jim Spurlock.

Democratic incumbent Tom Ramsey was easily returned to his seat over Republican challenger Debe McGuire.

Mark Homer -Democrat, defeated Sue Fancher.

In a strictly local race in Lamar County incumbent Jackie Wheeler was returned to his seat as County Commissioner, Pct. 4.

Joe Rose of Guaranty Bank-Bogata presented Randy Kennedy of Bogata Fire and Rescue Department with a check toward the purchase of the automated external defibrillator. Also pictured are Fire and Rescue department members Rick Holeman, Leslie Allen, Teresa Smith and Larry Evans.

TNMP customer connection contributes \$1000 to Bogata Fire & Rescue Department

Texas-New Mexico Power Company presented a \$1,000.00 check today to Bogata Fire and Rescue Department in conjunction with the company's Customer Connection program.

"We congratulate Bogata Fire and Rescue Department. This project is certainly deserving of Customer Connection funding," said Gary Petty, Customer Relations Co-ordinator. "The dollars contributed by TNMP and its customers will be specifically used for an Automated External Defibrillator."

Customer Connection allows TNMP to match up to \$75,000 for worthy causes in the communities it serves. The company is willing to fund up to \$5,000 per project for qualifying community-based initiatives. Customer Connection funds come from money that customers voluntarily contribute to the program when they pay their bills. It is pooled together by geographic region and matched dollar for dollar. Customer

Advisory Groups then help select which of the customer-nominated projects receive the funding each year.

TNMP has another type of matching program called Hometown Challenge. When a project nominated by an employee or customer is approved for this type of funding, community groups are responsible for raising half of the funding, up to \$5,000. TNMP then will match the money the group raises.

"There's no limit to the amount of money concerned citizens can raise when the outcome will benefit the entire community," said Petty. "And with Customer Connection or Hometown Challenge funding, we're able to put in place projects that otherwise might be impossible."

To learn more about the Customer Connection or Hometown Challenge programs, the variety of projects funded or how to receive matching dollars, contact Gary Petty at 1-800-962-7895, or call 1-800-435-2822 ext. 323.

John Brooks of Texas-New Mexico Power Company presented a \$1,000.00 check to Randy Kennedy with the Bogata Fire and Rescue Department to pay on the automated external defibrillator. Bogata Methodist

annual bazaar coming November 14

Saturday, November 14, is the date for the annual Bazaar held by the local Methodist Church. The doors open at 9:00 a.m. and close at 3:00 p.m. The meal of Hearty Vegetable/Beef Stew, with trimmings will be served from 11:00 a.m. until 1:00 p.m.

The silent auction items include two quilts pieced by Anna Belle Patton. Also, a tree skirt pieced and quilted by Anna Belle Patton. The quilting on the other items was done by ladies from the quilting group. The donation quilt was made from a kit donated by the daughter of Betty and Jeff Puckett. Edith Swaim did all of the cross stitching, and the ladies quilted it. The donations are still being

taken. This quilt is in pale blue and beige. See any of the women's group for a ticket. The silent auction ends at 2:00 p.m. and the ticket for the lovely quilt will be drawn at that time.

Many Christmas items, for the home and as gifts, are available. The handwork department has items to interest all ages, especially children's toys, stuffed animals, balls and quilts. The baked goods will be available and you can stock up for the holidays. The kitchen area will have aprons, place mats, knives and cook books.

The money earned from this Bazaar stays in the community, and is used for church support, as well as support of community activities.

ST. JOSEPH'S GIFT: Joseph P. Emmite, M.D., medical director of Bogata Family Clinic, and Ron Ragan, executive director of business development for St. Joseph's Hospital and Health Center, from left, presented a check for \$1,000 to members of the Bogata Fire Department and Rescue Squad for the purchase of a portable defibrillator and heart monitor. Accepting the hospital donation were Randy Kennedy, Teresa Smith, Larry Evans and Leslie Allen.

Talco-Bogata CISD tax statements delayed

It is once again time to receive property tax statements, however, those who own property in the Talco-Bogata School District will not receive statements for school taxes for another few weeks.

As everyone is aware, the school district's bond election which passed on June 6, 1998 has been challenged in district court. A hearing date has been set for November 18, 1998. As

soon as this matter is settled, the school district can mail tax statements. Most taxpayers have already received statements for county taxes and city taxes and some have wondered about the school taxes. The school is asking for everyone to be patient and understand that the delay is caused by circumstances beyond the district's control.

This week's column is a fun column dedicated to the nation's number one, aggravation... **DIETING!** This time of the year sees most of us over just a slight amount on the scales and trying to fight the bulge before the holidays so that we can fit into those favorite holiday clothes and apparel.

I have come up with the ultimate diet plan. I have been on many. The most bizarre has to be the Mushroom Diet. This is tea that you drink each morning. As it makes it way through your body, you are released of your

anxieties and your body relaxes and no cravings... yea! Right!

Then there was the Cabbage Soup Diet! I have never been that hungry in my life. Sure, you could eat all of the soup you wanted, but after the second day... who wanted any!

There are many, many more. All types of canned drinks, packages, plans and any type you can imagine. But the **Dream Diet** is one for everyone. Take a look at it, have a laugh and then hit the fridge! We will see you next week with real recipes! I just had to pass this along!

The Dream Diet

Breakfast

1/2 fresh grapefruit
6 ounces skim milk
one slice whole wheat toast
Chill grapefruit juice and milk. Remember... think thin!

Lunch

5 ounces lean chicken
one cup steamed vegetables
one OreO cookie
herb tea

Grill chicken or broil. Steamed vegetables retain all of the valuable nutrients and remember... No Pain! No Gain!

Mid Afternoon Snack

rest of the package of OreO cookies
one quart of Rocky Road ice cream
1 jar of hot fudge

Maybe we are a little off track here... Remember, taper off the caffeine the first week!

Dinner

loaf of garlic bread
large pepperoni and mushroom pizza
2 litre Coke or Dr. Pepper
4 Milky Way candy bars
entire frozen cheese cake-eaten directly from freezer

When the light headedness hits, you will be prepared for it! Remember... it is the cheesecake that does the trick!

Additional Tips

- 1) If no one sees you eat it--it has no calories!
- 2) If you drink a diet soda when you eat a candy bar--they cancel out each other!
- 3) When eating with someone else--calories don't count if you both eat the same amount!
- 4) Food used for medicinal purposes NEVER count--such as Hot Chocolate, French Toast or Sara Lee Cake.
- 5) If you fatten up everybody else around you--you WILL look thinner!
- 6) Cookie pieces contain no calories--the process of breakage causes calorie reduction.

Rebel junior high and JV host Paul Pewitt

The Talco-Bogata 7th and 8th grade Rebels and the Rivercrest Junior Varsity played host to the Paul Pewitt Brahman on Thursday, Oct. 29 at Rebel stadium.

The 7th grade team played possibly the best game of the season even though they were defeated 12-8. In the first quarter neither team scored but the highlight of the quarter for the Rebels was an interception by Calan Wilcox. Wilcox returned the ball to the Pewitt 30 yard line but the Rebels were unable to score. The teams exchanged the ball throughout the 2nd quarter and the half ended with a 0-0 score.

In the 3rd Justin Tucker, Joe Stewart, Keith Perry, Chance Belcher and Cody Cheatwood did an excellent job on the defense and the 0-0 score held into the 4th.

Justin Tucker and Chance Belcher drove for Rebel first downs but the Brahman were the first to score. The extra point was short and with 3:52 left in the game the score was 6-0 Pewitt. On the kick off the Brahman regained control of the ball. They went to the air and scored on a 19 yd pass. Again the Rebels held off the extra point drive. Score 12-0. With :41 seconds left in the game Chance Belcher took the kick off and made a good Rebel return. On 1st and 10 Justin Tucker broke free and ran 53 yards to put the Rebels on the board. The Rebel extra points were good and the score stood 12-8. Although the Rebels tried the on-side kick the Brahman were able to cover the ball the kill the few seconds left for the win 12-8.

The 8th grade took the field to face

a large Pewitt team. In the first quarter highlights for the Rebels was a recovered Brahman fumble made by Josh Cabell. Justin Exum also played excellent defense for the team. With 4:08 left in the first the Rebels were caught in the end zone for a 2 pt. safety. The Brahman scored a TD and split the up rights for the extra point and scored again with the extra point failing. The quarter ended with the Rebel down 0-15.

Early in the 3rd quarter the Brahman used a flea flicker to score yet again which set the pace for the final quarters. The Rebels were able to score and add the extra points but the Brahman won the contest 47-8.

The Rebel JV like their 8th grade counterparts faced a large and quick Pewitt team. The Rebels and the Cooper Bulldogs are the only JV teams in the district who played the Brahman. The other district teams canceled their games with the team. In the first quarter Pewitt scored quickly and continued to score at will throughout the game. The Rebels did not give up but were simply over powered in the game. J.C. King, Chance Wolfe and Jimmy Forsyth made extra effort on the defense for the Rebels and a drive late in the game saw the Rebels score but the Brahman stopped the extra points and the game ended 36-6.

Although all three teams lost their final home games they are to be commended for the efforts they gave against such odds in these games and throughout the year. The final games of the season will be held Thursday, Nov. 5 when the teams travel to Chisum. Go Rebels!!!!

PAUL PEWITT BRAHMAN- #49 Kenneth Johnson stops Rebel running back, J. C. King as the two Junior Varsity teams met at Rivercrest Thursday night. The Rebels lost the contest but did score on the larger Pewitt team. (Staff Photo Nancy Brown)

SPIRIT LINE-The Rebel Junior High parents, fans and cheerleaders formed a spirit line for the 8th grade team at the last home game of the season Thursday, Oct. 29. The group also honored the 7th grade team as they came off the field. Both teams suffered a loss to Paul Pewitt and will play their last game of the season on the road at Chisum Thursday, Nov. 5. Go Rebels!!! (Staff Photo Nancy Brown)

DR. PEPPER PLAY OF THE GAME-this week goes to Rebel Keith Hines for his fourth quarter TD. The Rebels were defeated by the Paul Pewitt Brahman 46-6 but their playoff hopes are still alive. A defeat this week over Chisum will send the Rebs to the Bi-District games. Keith and the Rebel team will be prepared. (Staff Photo Nancy Brown)

BAND STUDENT OF THE WEEK-from the Rebel Band is Cassie Perry. Cassie is the daughter of Mr. and Mrs. Jerry Perry of Bogata. Cassie, a freshman at RHS, is a member of the Rebel Flag Corp. and has been in the band since her 5th grade year. (Staff Photo Nancy Brown)

*If you missed the recent cook out at the VFW, you surely missed a good meal. Rabbit Wisinger and Dale House furnished the meat. Rabbit did an outstanding job of cooking. He cooked the meat, beans, hobo potatoes and chicken and rice. The ladies auxiliary added good vegetables and desserts, coffee and tea. We appreciate the effort of everyone who brought food and attended. Niki O'Donnell drew the winning number for the WalMart gift certificate and Phyllis Duffer was the winner.

*Happy Birthday to Margaret Bean and Amos Spencer.

Guaranty Bancshares, Inc. reports 3rd quarter earnings

Guaranty Bancshares, Inc. (NASDAQ:GNTY) the parent company of Guaranty Bank, today reported a third quarter profit of \$753,000 or \$.26 per share of common stock a change from \$683,000 or \$.27 per share in the same quarter one year ago. This represents a 10.2% increase due, in part, to a continued strong load demand.

As of September 30, 1998, loans increased 17.8% to \$177.3 million, from \$150.5 million a year ago. Assets increased 8.2% to \$253.2 million, from \$234.0 million at the end of the third quarter of 1997. Nonperforming assets to total loans and other real estate totaled .62% at September 30, 1998, as compared to 1.96% at September 30, 1997. The Company added \$359,000 to allowance for loan losses primarily as a result of the significant increase in loans.

Year to date net income available to common shareholders was \$1.9 million or \$.69 per share for the nine months ended September 30, 1998, compared to \$1.7 million or \$.67 per common share for the same period through September 30, 1997, an increase of 11.2%. Art Scharlach, president, stated, "Guaranty Bank is fortunate to have strong loan demand, but competition and economic factors are dictating tighter margins. The strong loan demand enables the bank to book higher yielding assets over today's securities market and also lends itself to Guaranty Bank's philosophy of reinvestment in the communities it serves. Underwriting standards are firm and will remain so. The loan demand is primarily

from cured customers supported by proper equity margins, collateral and programs. The demographics of our expansion program provide the opportunity to serve a much larger and more comprehensive market."

The interest expense component increased to \$6.7 million for the nine months ended September 30, 1998, a 12.7% increase from \$6.0 million for the nine months ended September 30, 1997. This increase was due mainly to an increase in interest bearing liabilities, specifically certificates of deposits. Interest bearing liabilities increased to \$182.8 million as of September 30, 1998. Average rates paid on interest bearing liabilities increased eight basis points for the first nine months of 1998 compared to the same time period in 1997. The net interest margin was 4.07% for 1998 compared to 4.19% for the same period in 1997.

Non-interest income increased to \$2.2 million as of September 1998, an 82.2% increase from \$1.2 million as of September, 1997. In March, 1998, the company recorded a gain on sale of loans of \$674,000 when it sold \$2.0 million of loans originally purchased at a discount in June, 1991 from RTC. Other recurring non-interest income was generated from additional service charges and fee income as well as a realized gain on the sale of securities over calendar year 1997 of \$62,000 (\$81,000 in 1998 versus \$19,000 in 1997).

Non-interest expense increased \$867,000 or 15.8% for the nine months ended September 30, 1998, over the same period of 1997. Salary and benefits expense increased

\$518,000 (18.8%) mostly due to increased staff in the new bank in Texarkana, the Paris bank and the main office support staff to handle increased volume. Other operating expenses increased \$303,000 or 16.1%. Some of the increases were in the provision OREO property valuations, losses sustained and insurance costs.

Year to date 1998, on an annualized basis, the Company realized a return on assets of 1.04% and a return on equity of 12.35% versus 1.05% and 14.11% for the first nine months of 1997.

The efficiency ratio was 69.22% for the first nine months of 1998 compared to 72.67% for the same period in 1997. "As Guaranty Bank continues to add de novo locations, we realize that it will take time for the Company to achieve the desired economies of scale and thus an efficiency ratio that is acceptable for the long term. However, we are now staffed and equipped to handle significant acquisitions and mergers which should accelerate the reduction in the efficiency ratio," Scharlach explained.

Guaranty Bancshares, Inc. is a bank holding company headquartered in Mt. Pleasant, Texas which is located in Northeast Texas. The Company derives substantially all of its revenue and income from the operation of its bank subsidiary, Guaranty Bank, a Texas state bank with seven banking offices located in the Texas communities of Mt. Pleasant (two offices) Bogata, Deport, Paris, Talco and Texarkana.

LOCAL CAR DEALER SHOCKS COMMUNITY:

"WE'RE SELLING USED CARS FOR \$399."

LOCAL CAR BUYERS EXPRESS DISBELIEF BUT DEALER REMAINS OPTIMISTIC AS

THURSDAY, NOVEMBER 5TH SALE DATE APPROACHES

PARIS, TX-

TERRY INGRAM, USED CAR SALES MANAGER OF KENNEDY FORD LINCOLN MERCURY, ANNOUNCED PLANS TODAY FOR A ONE-DAY SALES EVENT THAT WILL FEATURE USED CARS FOR AS LOW AS \$399. THE EVENT, NAMED THE "SLASHER SALE" FOR THE FACT THAT SEVERAL "SLASHERS" WILL BE LITERALLY SLASHING PRICES ON USED CARS RIGHT BEFORE BUYERS' EYES, IS SCHEDULED FOR THIS THURSDAY, NOVEMBER 5TH, RAIN OR SHINE.

INGRAM OFFERS A SIMPLE EXPLANATION FOR THIS UNPRECEDENTED SALE: "WE'VE HAD RECORD SALES SO FAR THIS YEAR AND WE'RE OVERSTOCKED WITH TRADE-INS. ITS THAT SIMPLE." INGRAM ADDS, "OUR ONLY GOAL IS TO REDUCE THE NUMBER OF USED CARS, TRUCKS & VANS ON OUR LOT TO A MORE MANAGEABLE NUMBER. WE'RE CONFIDENT THAT REDUCING THE COST OF THESE VEHICLES BY THOUSANDS OF DOLLARS WILL HELP US DO THAT."

INGRAM ALSO POINTS OUT THAT THESE PRICES WILL BE "AS LOW AS WHOLE-SALE AUCTIONS IN MANY CASES. THE PROBLEM WITH AUCTIONS IS THE BIDDING OFTEN LEADS TO INFLATED PRICES, OCCASIONALLY DEFEATING THE PURPOSE OF THE SALE." DURING THE SLASHER SALE, EVERY KENNEDY USED CAR, TRUCK AND VAN WILL BE ON SALE. SALES ARE ON A FIRST COME, FIRST SERVE BASIS AND THERE WILL BE NO BIDDING, THUS AFFORDING BIDDERS THE PERFECT OPPORTUNITY TO PURCHASE A QUALITY USED CAR AT THE LOWEST POSSIBLE PRICE, INCLUDING SOME VEHICLES VALUED AS HIGH AS \$5000 FOR AS LITTLE AS \$399. ALL VEHICLES WILL BE ON DISPLAY AT KENNEDY FORD, 3411 N.E. LOOP 286 IN PARIS, BEGINNING AT 4:00 P.M. ON THURSDAY, NOVEMBER 5TH. AT 6:00 P.M. PROSPECTIVE BUYERS WILL BE GIVEN A PERSONALIZED PASS ALLOWING THEM TO INSPECT THE VEHICLES THAT INTEREST THEM BETWEEN 6:00 AND 7:00 P.M. AT WHICH TIME THE SLASHER SALE ACTUALLY BEGINS. REPRESENTATIVES WILL THEN BEGIN POSTING PRICES ON THE VEHICLES. WHOEVER IS SITTING BEHIND THE WHEEL OF THE VEHICLE WHEN THE PRICE IS SLASHED WILL BE GIVEN THE OPPORTUNITY TO PURCHASE THE VEHICLE AT THAT PRICE.

"WE BELIEVE THAT PEOPLE WILL NOT ONLY ENJOY GETTING A GREAT DEAL BUT THEY'LL ALSO HAVE FUN DOING IT," SAYS INGRAM. FOUR TO FIVE BUSINESS MANAGERS WILL BE ON HAND TO ARRANGE LOW-COST FINANCING ON THE SPOT. "MOST OF ALL, WE'VE GOT BETWEEN ONE AND TWO MILLION DOLLARS WORTH OF INVENTORY-THAT'S OVER 100 CARS, TRUCKS AND VANS TO CHOOSE FROM. IT COULDN'T GET ANY BETTER FOR THE SERIOUS BUYER."

INGRAM REMINDS PROSPECTIVE BUYERS TO ACT QUICKLY IF THEY WANT TO TAKE ADVANTAGE OF THESE INCREDIBLE SAVINGS. "I CAN'T STRESS ENOUGH THAT THIS IS A ONE-DAY-ONLY SALES EVENT. ONCE OUR INVENTORY IS REDUCED, THE SLASHER PRICES COME OFF AND IT'S BACK TO BUSINESS AS USUAL. IT'S ALSO FIRST COME FIRST SERVED, SO IT'S CRITICAL TO COME EARLY IF YOU EXPECT TO HAVE ANY CHANCE OF GETTING WHAT YOU WANT."

OF COURSE, THERE'S MORE TO THIS SALE THAN JUST REDUCING INVENTORY. INGRAM EXPLAINS: "SINCE WE'RE A LOCAL BUSINESS, WE'RE ALWAYS LOOKING FOR A WAY TO GIVE BACK TO THE COMMUNITY THAT'S GIVEN SO MUCH TO US FOR ALL THESE YEARS."

INGRAM FELT THAT GIVING HIS FRIENDS AND NEIGHBORS IN THE PARIS AREA A CHANCE TO SAVE ON THESE VEHICLES WAS FAR MORE DESIRABLE THAN WHOLE-SALING THEM TO TOTAL STRANGERS AT AN AUCTION.

ANYONE NEEDING FURTHER INFORMATION IS INVITED TO CALL KENNEDY FORD LINCOLN MERCURY AT (903)784-2566 OR 1-888-222-5885.

RHS band students attend drills

Twenty-two Rivercrest band students and sponsors attended the National Association of Military marching Bands at Stephen F. Austin University in Nacogdoches, Texas Saturday, Oct. 31, 1998. The students observed schools such as Ore City, Hughes Springs, New Diana, Pittsburg and New Boston march in precision military style drills.

An educational and fun experience was had by all who attended. Mr. Richard Davis, Rivercrest Band Director said, "Hopefully next year the Rivercrest Band will participate in such a contest".

Advice is like snow; the softer it falls, the longer it dwells upon, and the deeper it sinks into, the mind.

TNSA has 42 members

The Paris Junior College Chapter of the Texas Nursing Students' Association (TNSA) saw its local membership increase to 42 members at a recent membership drive.

Chapter President Desiree' White and instructor advisor Doris Helm invited students from the Paris and Greenville campus Licensed Vocation Nursing programs and Associate Degree Nursing Program students in Paris to participate in the association.

At a meeting to conclude the drive, Ms. White and Ms. Helm pointed out that TNSA and the National Student Nurses' Association give nursing students the opportunity to receive career counseling, assists students in job searches, aids students in preparation for state nursing board exams and gives students the opportunity to purchase health and accident insurance and malpractice insurance.

FOOT NOTES

WHEN A WOUND WON'T HEAL
The feet and lower legs are particularly at risk from sores that seemingly refuse to heal. Such ulcerations are often related to pressure and circulation problems. What should you do if you or someone you know is nursing a foot sore that just doesn't get better? See a podiatrist immediately—going without proper treatment can lead to loss of limb or even death. One new technique that may offer hope for some cases is called "topical hyperbaric oxygen therapy" (THBO), in which oxygen is administered at higher-than normal pressure. IN other cases, more traditional treatments, including medications and removal of damaged tissue, may be best. Your podiatrist can help find the optimal path toward health for you.

While some foot conditions are annoyingly painful and require little more than routine professional care, others are deadly serious and demand close podiatric attention. Foot sores that won't heal are the top of the list of this second category. If you are new in town and don't have a podiatrist, or if you are looking for a second opinion about a foot condition, DOCTORS FOOT CLINIC welcomes your call at 784-5585. Our state of the art foot care facility is located at 3605 NO Loop 286, Suite 1800, Paris.

Methodist Youth news

November 1, Bogata United Methodist Youth met in the fellowship hall from 6:30 until 8:00 p.m.

Brother Don Shovan brought a devotional on living a Christian life while in school. He gave his personal testimony on salvation.

Hot dogs with all the trimming and drinks were provided by Sherry Williams, MYF member Jason Thomas's mother.

Next week the group will work on special projects. Fourteen youth and four adults attended the meeting.

The meeting closed with a joining of hands to say The Lord's Prayer

Kids Under Construction meet Oct. 26

The Kids Under Construction group met on Oct. 26, 1998 at Bogata United Methodist Church with 28 children and 4 adults present.

The children heard a story, "Soul Disobeys God" and made a monster hand before breaking for refreshments of graham crackers with peanut butter and a Sprite drink. The group enjoyed coloring a Soul activity sheet before dismissing.

The Kids Under Construction group meets every Monday at the Bogata United Methodist Church from 5:00 p.m. to 6:00 p.m. Everyone is invited to attend.

A letter to the citizens of Bogata

Dear Editor and Fellow Citizens:

We are about to complete our sixth month in office since being elected. It has been very busy and sometimes frustrating, but very productive six months.

The City Council, the employers, and my self have worked extremely hard to fulfill the duties of our office, and to accomplish the promises made to you when we were elected.

I would like to take this opportunity to inform all citizens of Bogata of what has been done to benefit our community.

The city now has an animal control ordinance and an animal control officer, Wyatt Bush, assisted by Robert Lewis and Joel Jeans. They have removed over 70 stray dogs from our city. This will deter the chances of an adult or child being bitten, which has happened in the past, and will help in the prevention of rabies in our community. Hopefully, people will be able to work in our town without the fear of being attacked by one of these dogs.

The Mayor and City Council have passed a junk vehicle ordinance, which the city has never had before. These cars and trucks with no current registration or inspection are a fire & health hazard to this city, they breed rats & mosquitoes, are dangerous to children who could get hurt playing in or around them. They are an eye sore to the city, and do not promote a clean and healthy environment. In the last few weeks we have started enforcing this ordinance. We have removed several old cars with the assistance of City employee Wendell Davis and Skaggs Wrecker Service, who has been most co-operative. There have been several citizens who have removed their cars on their own. If you have a car or truck that does not comply with city ordinance, Charles Skaggs will remove it FREE of charge as long as it is not to be moved to another location of your choice. In short, Skaggs will not charge a wrecker fee, but will own the vehicle to sell as junk iron or

whatever he chooses.

If the city notifies you of a junked vehicle and you do not remove it in ten days, the city will have it removed.

If you want it returned or reclaimed you will be obligated to pay wrecker fees and storage fees. If you have any questions concerning this or any ordinance, please call me at City Hall at 632-5315.

The overgrown and unsightly lots ordinance is being enforced as well as the ordinance for the removal or repair of old or partially burned buildings and houses. City crews have been busy cleaning up some of these lots and structures, and some citizens have done the same. We continue to have far too many of these lots and buildings, but we are making efforts to contract these people to get this resolved. If the owners do not correct the problem the city will and then liens will be placed on the property for the cost of clean up.

I ask these citizens to PLEASE help to clean up our city.

I, as your mayor, nor the city council wish to impose any hardship upon anyone, we just want your and our city clean and to show respect for the town and it's citizens.

In the recent past for law enforcement we had one certified part time, 20 hours per week police officer and myself as a night watchman. As night watchman for this city I personally witness the absolute necessity for this city to have a certified, experienced police officer patrolling 24 hours a day. I ask you, can anyone tell me the time of day or night we don't need police presence? I do realize that until a citizen is directly involved in a crime situation, whether it be a home burglary, them being assaulted, a child being abused or to see first hand, drugs being distributed, they may not understand why Bogata needs police and a police officer who will be on duty any time, night or day to come to the aid of a person who needs help. There has been a lot of controversy

over the last few months concerning the issues of a grant from the Federal Government to pay for the salary of police officers. A grant does not mean a loan!! The money is given to the city for three years to help the city get started. That is the purpose of the grant. The government knows small cities like ours need assistance in starting new programs. This three year program will enable the governing body of this city to determine and develop the means to continue the salaries of these police officers after the three year grant has ended. The city council and myself have discussed this and are working towards resolving the situation. The city council of Bogata and your mayor will not jeopardize the safety and health of it's citizens, nor will we put any financial hardships on our people.

I want to ask all of the citizens of Bogata, to look around this town. Do you like what you are seeing being started, by the council and mayor? And I say STARTED because we have a long way to go yet. But we have and are making progress in a short amount of time. But your mayor and the city council need your support. Not just a pat on the back, which is great, but verbal support to friends and neighbors, articles of support in our home town paper. Far too often the council and myself only hear from those people who do not want change and are unhappy because we are making changes to make the city a cleaner and better place to live. So again, if you are pleased with what the council and I are accomplishing, express your gratitude to them. This is all the reward they will receive for the long hours of decision making.

If you have questions, please call anytime to city hall. 632-5315.

Thank you
Sincerely,
Michael Garretson, Mayor
P.S. The next city council meeting will be November 9th, at 7:00 p.m. Monday at City Hall, anyone who wishes may attend.

Letter To The Editor

To the Editor:

First of all let me say that our local government in Red River County does not listen to nor have feelings for the people that elected them to office. My son and his wife recently had a baby, and she was still in the hospital after having minor surgery. My son had been called to jury duty the day after the baby was born. With his wife and baby still in the hospital, he explained to the court that he needed to be with his family, but this fell upon deaf ears. He was asked if this would impair his judgement on the case, and his reply was that it would not. To make a long story short, he was picked for this jury. This was a misdemeanor trial over a very small amount of money. My son has no insurance and worked seven days a

week at times to make ends meet. The trial cost him three days of lost wages that were dearly needed. I know that every citizen needs to do their part in the county when it comes to jury duty, but the circumstances in this situation should have and could have been avoided. Lost wages are to be expected, but taking a man away from his family when he is needed is another. It is my opinion that J.R. Lewis and the misdemeanor court have no morals or feelings for the people they serve in this county!. Maybe in the coming years, we the voters, can make a difference in this little backwards place in which we live.

Sincerely,
Ray Tabb
Cuthand, Texas
