

Nichols

Worth

By Nanalee Nichols  
Well, I've done it again...managed to show up somewhere and have a camera not work.

It seems truly amazing just how much expensive equipment we own here at these papers, not to ever have a camera that works.

Of course, the camera equipment is quite literally spread out over three counties, trusted to our reliable employees, who seem better able to keep things working than I do.

So when I headed for Cunningham Saturday night, and found the strobe cord wasn't functioning, I quickly went to Bogata to find Diana Eudy, the nearest camera available.

Of course, I couldn't find her house, having heard her mention where she lived, but never really going looking for it. After asking directions (do you know how embarrassing it is to say you are lost in one of your own small communities?) we found Diana's house...but Diana wasn't in!

There wasn't time to go all the way to Talco or Blossom to find another camera...the night's events would be over before that. So we went back to Cunningham and attempted to take pictures in the dim light there, with the lens wide open.

Hopefully the pictures will come out. At least we tried.

But the thing that frustrates me is that it always seems to be my equipment that malfunctions. My batteries run down, my lens sticks, my strobe, well, even a saint would probably utter a few choice words about my strobe.

It seems to be me, not the equipment. I actually traded an entire camera outfit with one of the other gals, and IT promptly went on the blink.

The only one that seems reliable is my own camera, which I jealously preserve for color use, my hobby. But it invariably, as now, ends up loaded with black and white and working diligently at Thunder Prairie Publishing! Poor camera, it seems to be the only one that can hold up to my "camera destroying vibes"...perhaps it's because I am the one and only person to ever take a picture with it and it doesn't know what it is missing.

## Baby Contest Winners Announced

The winners in the Beautiful Baby Contest sponsored by this paper were selected recently by an impartial, out of town judge, and they appear, along with all other children who had their photographs taken, in this issue.

The first place winner was April Miller, daughter of Mr. and Mrs. Gary Miller. The Miller's selected \$30 worth of free photographs in living color of April as their prize.

Second place went to Cliff Adams, young son of Mr. and Mrs. Billy Adams. The

Adam's received \$15 worth of free photos of Cliff.

Third place winner was Kenneth Slyter, son of Mr.

and Mrs. John Wooten. The Wooten's have received \$10 worth of enlargements for Kenneth's cute pose.

Bob Long Studio in Paris did the photography this year, and the pictures are of exceptionally good quality.

The pictures were taken locally back in February, and all children are in the paper, either sponsored in

an ad, or appearing in a gallery of pictures.

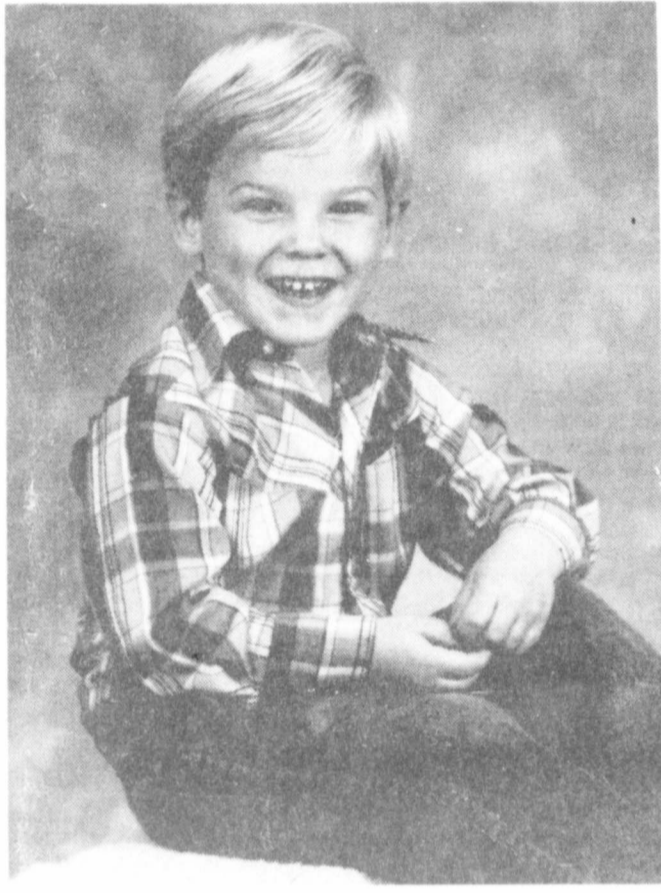

The response to the contest was gratifying. A

bigger, even better edition of the Beautiful Contest is already in the planning stages for next year.

PRAIRILAND'S ANNUALS were handed out Tuesday afternoon, and much AUTOGRAPHING took place....

HIGHEST AWARD—Casey Bailey received the Sam Weiss Award from PJC President Williams

recently, Bailey, a graduate of Prairiland High School, is the son of Mr. and Mrs. Boyd Bailey of Deport. The

Weiss Award is the highest student service award presented by Paris Junior College.

## Bailey Wins Weiss Award

Casey Bailey of Deport, graduating sophomore at Paris Junior College, received the Sam Weiss Distinguished Service Award at the Awards Night Program Tuesday, April 19 at PJC. The college's highest student service award is presented annually in memory of the late Sam Weiss by the first recipient, PJC President Louis B. Williams and Mrs. Williams.

After nomination and selection by PJC faculty and staff, a sophomore is presented the award each year at Awards Night by President Williams. Others nominated this year were Stacie Bush, Keiko Kinugawa, Ricky Mackey, Vincent McGill, Sharon Simpsen, Robert White of Bogata and Clyde'ette Wright.

Bailey, who is president of the Student Association at PJC this year, has been sports editor for "The Bat", a reporter for the

"Galleon," and a service club representative. A business major, he is an active member of the Baptist Student Union and is a 1981 graduate of Prairiland High School. He is the son of Mr. and Mrs. Boyd Bailey of Deport.

Included in the scholarships were Dana Blackburn, John Harris and Shelley

Vaughn of Blossom and Barry Ballard and Charlotte VanDeaver of Deport. Glenda Vaughn of Talco, Dusty Damon, Charles Earley, Robert Martin, Linda Speir, Nina Stewart and Richard Damon Ward, all of Bogata also received scholarships.

Area high school students receiving scholarships included Wyatt Bush of Bogata.

## Cunningham Draws Huge Crowd

Cunningham (Texas, where else) was the scene of one of the biggest musical events held recently.

Five local bands performed in the old Cunningham Gym, before a crowd of over 450 people.

As one man said "there haven't been this many folks in this old gym since back when Cunningham battled it out on the basketball court with Deport, or Bogata, or East Lamar, or..." well, you get the picture.

People from all the above-mentioned towns were

present, as well as lots of folks from Blossom, Talco, Paris and other parts of the country.

Performing a wide selection of songs was the Prairiland FFA Talent Team, who will be competing at State in the summer.

Next in line was Texas Tradition, a group from Bogata featuring a fiddler that can "mortally shell down the corn".

Also appearing were "Stardust", featuring two vocalists, The Derricks, a

group from Talco who played extremely well, and Stacey Musgrove and Friends.

Frankie Norwood, Neva Jean Oats and others sang or played during that time.

The audience frequently broke into wholehearted applause as old favorites appeared on the agenda.

That the evening was a success was evident. The funds raised at the event will go towards the Cunningham Community Center.

## Blossom Auxiliary Sponsors Sticker

Karen Cato, president of the Blossom Volunteer Fire Department Ladies

Auxiliary, has announced that all area residents will be receiving a special

sticker in this month's telephone bill.

The auxiliary is sponsoring

stickers to be attached to all telephones in the Blossom area with the Fire Department's telephone number on it. The stickers are approximately 2x3 inches in size, a bright orange fluorescent color and read "To Report A Fire, 982-5300. Give Name, Location and Type of Fire, Blossom Volunteer Fire Department".

There is also a suggestion that people reporting fires give their name, location and the type of fire whenever they call a fire in to the fire department.

The auxiliary would like to encourage anyone interested in fire prevention or becoming a member of their organization to contact Mrs. Cato at 982-5501 for more information.

Go Band and Fidgets.

In between numbers, Mr. Clark explained each of the instruments being played and gave the audience a solo demonstration of each.

The band was well

received by students and faculty alike. Everyone was pleased and approved of what these students have accomplished in just a few short months.

GETTING READY—The Prairiland Junior High School Band performed for both the Deport and

Blossom schools last week. They played a variety of selections, which were received well

by the entire student body and faculty of both schools. Their band

### INSIGHT INTO EYESIGHT

Dr. Harry Evans  
OPTOMETRIST

#### JOHNNY WON'T TELL YOU

If your child has a vision problem, chances are he won't tell you or even be aware of it himself. More than likely he's been seeing the same way ever since he was born. Even if his vision is blurred, if he's seeing a double image, or only seeing well through one eye, he may be too young to be aware that anything is wrong. How does a parent explain to a child what his eyes should be seeing?

You may have noticed him rubbing his eyes more than normal or holding some toy or other object unusually close to his eyes. Or he may stumble over things he should have seen. You may think it's all part of growing up. You can't be sure unless you have your child's eyes examined.

Many vision specialists recommend that a child's eyes be examined shortly after birth and again by the time he is four years old. After that, he should have yearly eye examinations as part of his annual health checkup.

If your child hasn't had an eye examination recently, maybe he should. This is particularly important if you think there may be a vision problem.

which could be "May I help you" or "I love you" or "Let me be your friend". These words create a golden apple in a sitting of silver for someone. Mrs. Virgie Hoover voiced the prayer. Roll call was answered with care of carpets. Mrs. Russell gave a report on the district meet she had attended in Gilmer.

Mrs. Eudy gave a report on the last council meeting. She also asked club if they would like a program on making chimes. Mrs. L.P. Chapman will give the program on July 27 in the home of Mrs. Russell.

Mrs. Virgie Hoover had the 10 minute program. She showed an afghan she is making and other things she had made. Mrs. Brenda Currin gave the program on carpeting; selecting, family need, texture and color.

## Freaky Food Factory Facts

Everyone is counting the days until school will be out. It will be just three more Mondays. It will be sad to see our eighth graders leave but they are all grown up to be fine young men and women. We are real proud of each and every one of them and Prairiland will be richer in a lot of ways to be getting these young people next year because they are very special in every way.

## Presbyterian Women Meet

The Presbyterian Women met Monday afternoon at the church with six present. Mrs. Farris Read opened the meeting, leading the Lord's Prayer.

After a treasurer's report and discussions, Mrs. Read reviewed Chapter 8, "Peace at Home and Work" from the Bible Study "Christ the Peacemaker" by Albert C. Winn and conducted open discussion.

Names and places were ready by Mrs. Rena Nobles and Miss Edith Fuller offered prayer. The group dismissed with Mizpah benediction.

We all would like to say a special "thank you" to Mr. and Mrs. Bob Allen for bringing us an autographed picture of the Oak Ridge Boys to go on our autographed picture wall. The children sure have enjoyed that wall after we began to put up different movie stars pictures. We also have the Davidson Sister picture on the wall.

We also found a lot of school pictures of children that still go to Blossom and some that are out of school and they are on the wall. The one that we are real pleased with is Bill Geer. He had to leave school before we could get a picture of him.

Mrs. Dora Stidham fourth grade class is very talented in art so they have made special pictures to hang on the wall. They are all great pieces of art, I sure would hate to try to judge the best one.

This is National Secretary Week and Blossom School has the best in our book. Mrs. Frankie Young, she is more than a secretary, nurse, bookkeeper, lunch counter, money taker and most of all a very special person and friend.

have a nice weekend...
