

# Lady Pats Head To Regional Competition

By James VanDeaver

The Prairiland Patriot feds kept their hopes of a state playoff berth alive Monday night as they beat Quinlan Ford 39-35 in area competition at Sulphur Springs.

Although Quinlan had some tall, talented players, the Patriots showed in the early going that they were not going to be denied of a victory. What Quinlan had in size was not hardly as potent as the speed of Tonya Burdine, Donna Vaughn and Deana Watson. After trailing throughout the majority of the first quarter, Vaughn made a shot with 14 seconds left to tie the game up at eight which was the score after the first quarter.

Tanya Burdine made a shot early in the second quarter to put Prairiland ahead 10-8 from which Prairiland never trailed for the next two quarters. Prairiland also dominated the boards from the second quarter on as Nita Jaynes

and Kristi Bankhead kept no prisoners in their quest for rebounds. Bankhead played perhaps her finest game of the year as she stole balls, grabbed rebounds and scored points. Although no stats were kept on the subject of dribbling, her display of dribbling kept Quinlan from accomplishing much with their press. The half ended after successive steals by Jaynes, Watson and then Jaynes again in the final minute. Bankhead made the final two Prairiland baskets of the half inside the last sixteen seconds as Prairiland led 28-23.

The third quarter, like all quarters of the game, was fast paced, although only a few points were scored. Deana Watson made a basket with 6:56 left in the quarter to put Prairiland ahead 24-17. After six consecutive Quinlan points, Tanya Burdine made the final four points of the quarter with her patented long-

range jumpers to put Prairiland ahead 28-23 after three quarters.

The final quarter could have gone either way as both teams played with great intensity. Sandwiched between two Nita Jaynes rebounds, Donna Vaughn made two freeshots with 7:14 left in the game to give Prairiland a 30-25 lead. Quinlan finally took the lead again with 5:12 left in the game to go ahead 31-30. The lead was shortlived however as Burdine made another bomb with 4:31 left in the game to give Prairiland a never-trailing 32-31 lead. Burdine increased the lead a minute later to 34-31 as she proved again that her range extends past twenty feet. With Quinlan forced to foul with 1:48 left in the game, Deana Watson made two high-pressure freeshots to give Prairiland a 37-33 lead. Quinlan tried to make a run at the lead in the last minute but Nita Jaynes forced them with her rebounding to just shoot one shot

which continually went in vain.

Donna Vaughn insured a Patriot victory with 14 left in the game as she made a freeshot to put Prairiland ahead 38-35. After a Jaynes rebound, Burdine made the final point of the game on a freeshot with seven seconds remaining to put the game at the eventual score of 39-35.

Coach Ronnie Baker was happy of the "super win" that the Patriots pulled off and commented, "Our kids got a lot of heart and don't ever quit." The next Patriot game will be Friday afternoon at North Texas State in Denton as they play Gladewater in the first game of the Regional Tournament. Tipoff for the game is 3:30 p.m.

The Prairiland Patriot feds won their Bi-District game with Hooks on Thursday night, 62-44 in Mt. Pleasant to advance to area competition.

All was not smooth sailing early in

the game for the Patriots, as Hooks exploited their lack of height. Deana Watson was the first Lady Patriot to get on the board as she made a shot with 4:14 left in the first quarter to make the game 6-2, Mt. Pleasant. Although Prairiland started out slow, Nita Jaynes made a jumper with 20 seconds left in the quarter to give Prairiland 9-8 lead. The lead was shortlived, however, as Hooks made a basket at the buzzer to go ahead 10-9.

The second quarter was a different story as Prairiland finally picked up steam. Every starter for the Patriots scored points in the quarter and Nita Jaynes made two freeshots with 2:02 left in the second quarter to give Prairiland a 21-19 lead which the Patriots never relinquished. Deana Watson made the final basket of the quarter as Prairiland led at the half 25-21.

Prairiland made sure of a victory

in the third quarter as they ran away from Hooks. An integral part of the rapid turnaround was a defensive maneuver by the Patriots which shook up Hooks. With the Patriots sagging back on eh tall Hooks girls, the Hooks guards were left with the nonscoring play of playing catch. Donna Vaughn made a basket to end the scoring in the third quarter as Prairiland led 43-36.

The final quarter was a great one for the Patriots as all nervousness was gone from their game. Donna Vaughn was the offensive hero for the Patriots in the quarter as she used her uncanny quickness to score at will. With Vaughn pouring in 12 points in the final quarter, Prairiland went on to win 62-44.

Leading rebounder in the game for Prairiland was Kristi Bankhead with fifteen.

Talent...according to author James Michener, it may be one of the most wasted commodities in the world today.

Truly, indeed, it may be. Talent is so often unrecognized, so often unrewarded.

For talent does not necessarily mean the ability to achieve great deeds, or be recognized as a great author, artist or scientist.

Talent comes in many forms, and the fact that some of them are not earth-shaking doesn't make them less of an ability.

I have a friend who can cook anything in the world...make anyone feel at home and at ease...can make special cookies and desserts fit for an embassy dinner. She thinks she has absolutely no talent because she doesn't paint, or design original handwork.

But the fact is that her talent is just as much a real achievement as anyone else's.

Everyone knows people like this. One of the greatest talents in the world may be the ability to make people feel good. Don't you know someone like that? Just a few minutes of their time and you feel better. They make a point of congratulating everyone on their latest achievements, they make a point of noting weight losses, new clothes, or something else. It is, beyond a doubt, a talent.

What community doesn't have someone, usually retired, who carries groceries, mail or prescriptions to the elderly during nasty weather? What community lacks that very special person who will do anything, anytime for anyone?

These things are a TALENT. So many of us cruise right on through life, so involved in our own world we don't see the needs of others around us.

Sewing, something which is totally beyond my grasp, is yet another talent. The ability to create an attractive, servicable garment from a few length of cloth and some thread seems a wonderful accomplishment to me. Yet those who do it, seldom see it as a skill.

The facility to fix anything is yet another blessing. There are those people to whom a machine is sheer mystery...and those to whom it is merely a set of gears and cogs to be checked over and fixed.

Those who are mechanically minded don't often see it as anything remarkable.

The list is endless. But I believe that each and every one of us has some special ability...sometimes unused, sometimes unrecognized.

Talents shouldn't be wasted. So, help someone you know, even if it's yourself, recognize and utilize their own special skills. It would have to make the world a better place!

## FHA Provides Many Skills

Academics take priority and should; however, every day life skills are also considered valuable in maturing. Most of the time outstanding homemaking students are those who excel in eh academic courses.

Not all students are going to be computer operators, scientists, engineers, doctors or lawyers, but one thing for certain is they are all going to make some sort of a home. Through homemaking and the FHA organization, young men and women have the chance to learn and improve their skills as homemakers and wage earners.

The 102 enrolled in Vocational Homemaking at Prairiland this school year have the opportunity to learn life skills that are not taught in any other areas, such as cake decorating, nutrition, table setting, good manners, etiquette, parenting,

child development, family living, housing, home management, interior decorating, clothing and consumer education. Also all seniors at Prairiland enrolled in homemaking participate in the I CAN Positive Thinking Program designed to help each student reach his highest potential. Twice a year each student plans, carries out, and evaluates a six weeks home experience that is related to skills taught in the regular class. These projects are planned and evaluated by the student, parent and homemaking teacher.

Through FHA, which is an important part of the homemaking program, students have a chance to learn leadership and occupational skills by participating in proficiency events, holding offices, using parliamentary procedure and participating in club programs and

projects. Each month the Prairiland chapter has a planned educational program conducted by the Prairiland officers, members, and a resource person. Such programs as SADD (Students Against Drinking and Driving), microwave cooking, fashions, Emergency Medical Service, child abuse and careers. Projects sponsored through FHA this year are homecoming reception for ex-students, incoming eight grade reception, faculty Christmas Party, gifts to nursing homes, Great American Smoke Out and Youth Against Cancer.

Prairiland Homemaking Department has a local advisory committee to help plan, supervise and evaluate the local program. Frances Anderson, June Burdine, Jerry Leverett, Gary Ballard, Leslie Taylor, Jay Ingram and Shirlene Harrell make up this advisory committee.

## Prairiland Boys Lose Bid For Bi

By James VanDeaver

The Prairiland Patriots season came to a close Friday night in Mt. Pleasant as they lost to the Clarksville Tigers in a game deciding the first half of district

championship.

The first quarter of the game was a quarter to forget as the Patriots opened the game cold from the field. The only Patriot scores in the quarter were a pair of freeshots from

Calvin Williams and Joel Ballard. Clarksville led after the first quarter 13-4.

The second quarter was a little better for the Patriots. Mike Connot made the first Patriot field goal with 3:38 left in the half and Prairiland got rolling. Scott Scudder made the final score of the half as Prairiland got back in the ballgame trailing by a mere 22-17 score.

Prairiland played even better ball in the third quarter. Joel Ballard put the Patriots within a point of the lead with 3:17 left in the quarter with the score 24-23. Mike Connot then tied the game up with 2:13 left at 25-25. This would be the closest the Patriots would get to taking the lead however as Clarksville got rolling. The score

after three quarters of play was 27-25, Clarksville.

The final quarter was a valliant comeback attempt for the Patriots although they fell short. Scott Scudder scored eight points in the quarter, but Clarksville answered every Prairiland basket. Calvin Williams made the final shot of the game but Clarksville went on to win 46-39.

## About Your Safety

Before you put yourself in harms way, always think about your safety. Never put any metal object in any operating electrical appliance. Be sure to unplug any appliance before attempting to service it even if it is turned off. Never use an electrical appliance around bathtubs or sinks filled with water because water, just like metal objects, also conducts electricity.

Enjoy the benefits of your electric service, but be sure to keep your safety in mind.

### JV Finishes Season With OT Victory

By Jeff Morrison  
The Prairiland JV finished their season in high fashion Tuesday night with a come-from-behind victory in overtime against the Clarksville Tigers.

The game was close all the way, with the visiting Tigers taking an early 10-9 first quarter lead and extending it to 28-21 at the half. The Patriots then decided to get tough and go out strong. The Patriots casually chipped away at the Tiger lead and finally, mid-way through the third quarter, Craig Burns and Joseph Wheelchel teamed up on two consecutive fast breaks to push the Pats ahead for the first time in the game. The Patriots outscored the Tigers 22-9 in the third quarter to take a 43-37 lead.

Clarksville, feeling that they were in trouble, came back in the fourth quarter and battled hard for a win. The Tigers held the Patriots to only five points, all on free throws, while scoring 11 of their own to tie the

game and send it into overtime. The Patriots had a chance to win in regulation time but Robbie Fults stepped up to the line and tied the game with a free throw at 48 apiece.

The Pats got back on track in overtime and allowed the Tigers only two points, both on free throws. The Patriots led 54-50 when David Jackson stepped up to the line and put the game on ice with two free throws giving the Patriots a 56-50 win.

Burns led the Patriots with 20 points followed by Wheelchel and Alan Dale Huddleston with 9 and 7 points respectively. Clarksville's Stacy Dillard led all scorers with 21 points. Mike Nicholson also hit for 13 points in the Tigers losing effort.

**WINNERS**—These youngsters and their parents captured trophies at the annual Deport Cub Scout Pine Wood Derby. From left to right are, front row, Brad Allen, Duane Good, Gearl Keys, Chris Holt and John David Good. Back row, James Keys, Tommy Good and Pam Good. (Staff Photo)

By Dorthea McDowra and Mary Westbrook

Our sympathy is with three of our friends families who passed away last week. Some of our people in the housing authority attended the funerals of Curtis Hoover, Edna Keener of Pattonville and Travis Soloman of Wake Village in Bogata, Deport and Pattonville Baptist Churches.

To The Editor:

I wanted to thank each individual that came to our chili supper and made it a success.

Words cannot express my thanks to all who helped in their own way. To the TAFE who worked and made their delicious desserts. The parents who were willing to spend the money for these desserts. Our principal, who has encouraged and help support it in so many ways. Our administration, Mr. Taylor and Dr. Nash, who not only allowed the use of the cafeteria but did little extras to help. The faculty that is willing to share ideas and do all they can for the students. The lunchroom ladies, who were so patient in helping me to get an idea of what to do and expect. My aide, Mrs. Pat Rees, who came and worked over and beyond the call of duty. I wouldn't have done any of this without her assistance, both in the classroom and at the supper. Carl Rollins, who came out of concern and stayed to clean up not just a little while, but until all was done. My sixth period class, who was willing to volunteer. My family who allowed me the time to plan and to do this project.

Thanks again. I have worked in other school districts, and I can say that the parents of Prairiland High School have a right to be proud of the student body, faculty and the administration. I have never seen such a positive, well-behaved, respectful student body.

May the Lord continue to bless each of you.
