

Prairiland Ag Talent Team Wins State

They said they were going to do it, they worked hard towards the goal, and they did it!

The Prairiland Ag Talent team, against nine other competitors, took the state title last Wednesday night.

A capacity crowd at the Astro Arena Hall in Houston, seating between five and six thousand, came to their feet in applause as the Prairiland FFA group launched into "God Bless The U.S.A.", flags flying and colors showing.

The group performed three songs in the first level of competition, "Danc-

ing Your Memory Away", "Operator, Operator", and "God Bless The U.S.A."

In a run-off against Brazos-Wood they performed "Fire in the Night" to capture the state of Texas' FFA Talent Title.

It hasn't been an easy climb to the top. The group started out three years ago. Along the way they lost two or three, and gained two or three performers.

The first year the freshmen group won fourth in state. The second year they won third. This year they went

to the top, exactly as they had said, over and over.

But getting there has meant a tremendous amount of hard work. Hours, hours and more hours were spent practicing. More hours were spent performing before audiences. They played at homecomings, school functions, Lamar County Electric Co-Op banquets, Art Fairs, fund raisers. Frontier Days in Bogata saw them in high ninety degree heat playing with all they had to give. Deport and Cunningham saw them a week later do-

ing the same thing. In between performances they have gotten together at least twice a week to practice.

Frankie Norwood, a Prairiland Ag teacher who has been with the group, and Jenita Baker, who had directed them, express their pride. "They deserved it...we're just proud of them. They worked hard for this honor," Norwood grinned.

Another astonishing thing was the faithfulness of their "Fan Club". All the way to Houston a huge group of

parents, relatives and just plain admirers trekked to be there to applaud the youngsters on their big night.

They hope to go to Kansas City, Missouri next November to perform in the Nationals. That isn't a competition, but they entertain during the National FFA Convention.

The group consists of Tony Duncan, Lela Hines, Aubrey Allen, John Allen, Staci Risinger, Darren Mowery, Allen Dale Huddleston, Robert Nichols, Deana Watson and Robby Connot.

Bobby Winters and Buddy Freeman, Prairiland ag teachers, also accompanied the group.

While in Houston, seven Prairiland FFA members received their Lone Star Farmer Degrees. They are: John Allen, Travis Vaughn, Bryan Compton, Kenda Allen, Patt Swaim, Grant Ballard and Wendy Milford.

Wendy Milford also served on the courtesy corps as an officer, and the entire Prairiland FFA chapter received a National Chapter Rating Award.

Nichols Worth

This week is going to be a little bit of a vacation for me. I'm going to snitch a little column from another publication. It's title "The Joys Of Being An Editor".

Getting out these papers is no picnic. If we print jokes, people say we are silly.

If we don't, they say we are too serious.

If we don't print contributions, we don't appreciate genius.

If we do print them, the paper is filled with junk!

If we edit the other fellow's write-up, we're too critical!

If we don't, we're asleep.

If we clip things from other papers, we are too lazy to write them ourselves.

If we don't, we are stuck on our own work.

Now, like as not, somebody will say we swiped this from some other publication, which we did!

A friend showed this to me, and it brought home the universal aspect of the problems that pertain to the paper business. It's fun to hear about others and how they look at their daily problems.

Check Contractors Carefully

It has been brought to the attention of these newspapers that there have been some people going door to door, especially to the elderly, wanting to do work for them.

The elderly are urged to ask for references whenever anyone is wanting to do work for which money is asked. Check the reference out, or have some family member help.

Be sure that a contract stating exactly what is to be done and at what price exists, and have a family member check the contract.

Apparently there have been some people who feel they have been taken advantage of, and by being careful this can be avoided.

STATE CHAMPS-The Prairiland Talent Team captured the coveted state title last week at the state FFA convention in Houston. The group has performed throughout

the area this year, and Tony Duncan, Allen Dale Huddleston, Staci Risinger, Robert Nichols, Deana Watson, Lela Hines, John Allen, Aubrey Allen, Darren Mowery and

Robby Connot make up the team. Jenita Baker and Frankie Norwood have sponsored the group. (Staff Photo)

BETTY CHAPMAN, accompanied by local Chapman supporter Mary Leonard of Blossom, and her

driver and friend, were at the Deport Nursing Home Tuesday morning. Charlene Borders

welcomed the group, who visited with residents and ate lunch with them. (Staff Photo)

Chapman, Hargett In Full Swing

State Rep. Sam Russell announced that he is endorsing Democrat Jim Chapman in his bid to be the next representative for the First Congressional District.

Chapman is running against Republican Edd Hargett in a special election set for August 3.

Russell had come in third in an eight-man ballot on the June 29 election.

In other action, Texas State Senator Ed Howard announced that he was counting himself completely out of the race.

He announced that "I am, and intend to remain, a Democrat. I have no intention of endorsing the Republican candidate in the race. Neither do I intend to endorse his opponent, but will remain out of the race

altogether." The runoff election is necessary because neither Chapman nor Hargett polled a majority in the first election held when Rep. Sam Hall resigned to accept a Federal Judgeship.

The campaign is heating up between Chapman and Hargett, with Republican Hargett expressing the

Deport Classes

1949-50-51 To Hold Reunion

Deport High School classes of 1949-50-51 are having a reunion on Saturday, August 3, 1985 at the American Legion Building in Deport. Registration will be at 1:30 p.m. The afternoon will be spent visiting

with other graduates and the old high school. Visitors are welcome.

The evening dinner will be held at the Best Western Restaurant in Paris. If you have not made reservations, you can do so when the registration starts at 1:30.

Ballard, Stout Named To New Positions

The Prairiland School Board made several changes in administration positions in a recent meeting.

Max Ballard was moved from principal at Blossom Elementary and Junior High to Business Manager at Prairiland.

L.C. Stout was placed as principal at Blossom. Stout has been teaching at Prairiland High School for a number of years.

An All-School Music Program was established, with Rhonda Robbins working with kindergarten through fifth grades at both schools.

Frank Garza was hired as band director, replacing Dave Clark, who

resigned earlier this summer. No work has begun on the new cafeteria at Prairiland High School. There have been some hold-ups in materials.

The science lab which will be constructed at Blossom is scheduled to begin as soon as blueprints are received.

It is hoped that work on that lab can begin this week.

All construction at all campuses is scheduled to be completed in August except that of the cafeteria and science lab.

Kidnapper Caught In Blossom

Blossom was the scene of much activity last week as law enforcement officers received a tip that James Wesley Foote was hiding in a house in Blossom, 150 miles from the Johnson County Jail in Cleburne where he had escaped.

He was captured Thursday, July 11, and an ex-convict collected the \$2000 reward offered by the father of the kidnap victim.

Foote had been sentenced to life in prison for his part in the January kidnaping of a 13 year old girl.

Foote's parents live in Blossom, and it is believed that he was trying to get to them.

He was returned to Cleburne last Thursday afternoon and transferred to the Texas State Department of Corrections on Friday.

Methodists-Presbyterians To Hold VBS Parade

A bicycle parade and pre-registration for the Methodist and Presbyterian Church Vacation Bible School in Deport will be held July 20 at 9:30 a.m. at the Presbyterian

Church in Deport. Bible school will be July 22-27 at the Presbyterian Church from 6:30 to 8:30. Everyone is invited.

Paris Rodeo Set For July 31

Paris Rodeo and Horse Club will sponsor their 26th annual rodeo starting July 31-August 3. The rodeo is being produced by Wing Rodeo of Bogata.

The activities start July 10 July 22, 6:30 p.m. orientation and

practice; July 24, 6:30 p.m. dinner for the contestants; July 27, 6 p.m., horse show and playday; July 28, 2 p.m. contest and ride off; July 31, 4 p.m.

parade; 8 p.m. grand entry, introductions and coronation.

PJC Tuition Increase Is Minimal

A slight increase in tuition was approved during the June 24 meeting of the Paris Junior College Board of Regents, according to Dr. Eric Priest, vice president of student services.

Since PJC was not required to triple tuition this fall, costs are up only slightly, Priest explained. Starting with fall semester registration, tuition for in-district students will increase \$2 per credit hour. Tuition for out of district residents will increase \$8 per credit hour but the out of district fee will no longer be charged, so the increase will not actually amount to that much. No college fees will be increased.

An in district student enrolled for 15 credit hours will pay \$205 for tuition and fees, only a \$30 increase from last year. For 15 semester hours, an out of district student will be charged \$295 rather than the \$225 charged last year. In district residents are those who live inside the Paris city limits or the Cunningham school district and pay PJC taxes, while out of district residents are those living elsewhere in Texas and Oklahoma.

The average age of PJC students is 26, and about 30 percent of the students work full time to help pay for their education. "It's the pay offs in better career opportunities and lifetime earnings that make college a good investment," Priest said.

Fulbright Community Club Meets

The Fulbright Community Club met last Monday night at the center for regular business. The meeting opened with Jimmie King giving report of council meeting with these announcements: ice cream supper for August 12, everyone invited to bring freezer of ice cream and join the fun. Extension Homemakers Arts and Crafts Workshop August 14 at Dimple Center.

Extension Homemakers fall tour to Hot Springs, AR. Bus will be chartered and non-club members may go.

The meeting adjourned with prayer by Jimmie King.

"The successful people are the ones who can think up things for the rest of the world to keep busy at."

Straight Talk

from Texas-New Mexico Power Company

How did TNP Employee Tim Gerdes help prevent energy loss in his home?

The areas around your windows and doors may not be cracked or broken, but unless they are properly sealed, you may be letting valuable energy be lost to the outside. TNP Employee Tim Gerdes of Dickinson, Texas, found he could seal the areas around all his windows and doors quickly and easily with inexpensive caulking and weatherstripping.

You can find all types of caulking and weatherstripping at your local hardware store. The installation of the material is so simple you can do it yourself in only a matter of minutes.

Find out more ways you can prevent energy loss in your home by calling our office today!

TNP Employee Tim Gerdes knows the use of caulk and weatherstripping helps prevent energy loss in summer, as well as in winter.

Dr. Salzman Joins Pediatric Clinic

July 1 marked the addition of Eric E. Salzman, M.D. to the medical community of Paris and the staff of the Pediatric Clinic of Paris. He comes to Paris from Edwards Air Force Base, California.

The son of a Firestone Tire and Rubber executive, Salzman is a much traveled individual having been born in Indianapolis, Indiana and attended high school in Akron, Ohio, San Antonio's McArthur and Nido de Aguillas in Santiago, Chile.

A graduate of the University of Dallas with a bachelor of arts degree in biology, Salzman received his

medical degree from St. Louis University. He completed his pediatric internship and residency at Baylor College of Medicine, Houston, where he met G. Edward Clark, M.D. who had a great deal to do with his selection of Paris as a home.

Salzman's new found home is very similar to many people who choose Paris as home, the right size town, location in East Texas, and the proximity to Dallas. In fact, Salzman did not even consider any big cities.

Currently he is a junior fellow to the American Academy of Pediatrics and has applied for full fellowship.

Salzman leaves the military service with the rank of Major after serving as Chief of Pediatrics at Edwards AFB Hospital.

He and his wife Nancee have one son, Nicholas, two and are expecting a second child in February. Salzman lists his interests as first, his family with diversification in gardening, science fiction novels, tennis and computers. In fact, he is working on implementing a new computer system for the Pediatric Clinic of Paris.

Local Girls At Camp Gambill

Sleeping under the stars, hiking new or familiar trails, cooking campfire stew, and swimming on hot summer days, were just a few of the activities enjoyed by approximately 400 campers who attended Camp Gambill this summer from June 3 through July 9.

Camp Gambill is northwest of Paris, and is operated by the Red River Valley Girl Scout Council. Girls from the local council and from Cross Timers Girl Scout Council in Denton took advantage of the outdoor living experience offered by the camp.

To live in, and experience, the wonders of the outdoors is one of the things that attract girls to the camp, according to camp director, Linda Woolston. Very few leave the camp without a deeper appreciation of nature and its wonders.

The girls had the opportunity to earn trail feathers, which focus on increasing knowledge and skills in building campfires, knot-tying, hiking, camping equipment, maps, cooking and the environment. More advanced campers also took canoeing and sailing. Although most of the ac-

tivities were designed for the out of doors, other interest groups were available to the girls, including photography and music.

Troop camping with the resident camp staff was also available for local troops. Taking advantage of this was Troop 112 with the leaders, Doris Dykes and Bobbi Gifford.

Girls attending the regular session were Gina Lane and Edie Loven of Deport and Nichole Dykes and Loretta Emmons of Pattonville.

Girls attending the regular session from Blossom were Adrienne Bailey, Geri Bridges, Marleena Bryant, Krista Chapman, Becky Hunt,

Stephane Janeway, Daphney Mayes, Alicia McDowell, Dana Monday, Kelly Pilip, Tammy Smith, Brandy Wilson and Kelli Worthy. Attending from Detroit were Brandi Bass, Karen Carpenter, Leslie Clarkson, Jo Funderburg, Tina Funderburg, Wendy Peek, Shawonna Rhodes and Mollie Smith.
