NICHOLS' WORTH
By: Nanalee Nichols

On Saturday, a friend commented that the pools on our hill were low. On Sunday morning, they were overflowing.

It has, to put it mildly, rained. It has rained, rained, then decided to rain some more. It does this every fall. This fall it actually waited until later before it started in.

Cotton and beans were harvested, lots of land laid by. It hasn't been too cold either. By the time this is read, it probably will be cold...if those weather predictors are correct.

And that cold snap is going to find various little things in bloom or bud that shouldn't be. Because Mother Nature has been caught "out" this time.

First it got cold, then it slowly warmed up until things were around eighty degrees last week. That and the abundant spring-like moisture has prompted pansies, iris, nasturtiums and various other plants to begin to bloom. Some bois d'arc trees are actually trying to bud out a little. Some fruit trees are putting buds on.

Folks report daffodils and narcissus putting out their pre-bloom narcissus. And when that cold spell hits, the poor things are going to think it was the shortest darned summer they ever experienced!

And what of poor human-kind during all this? Naturally, he is trying hard to adjust, too. His blood, thickening for winter, thinned back down during hot weather. The temptation to get out proved hard to resist. Now that mankind is all set with some deep internal knowledge that spring feels imminent, it will turn cold. And we won't be a bit ready. Although we had partially adjusted earlier this fall, it will take a complete overhaul again. Most of us will be colder than usual, bodies acclimatizes to warmer weather, than stricken with an icy blast.

And we, like the flowers, are likely to think it was the shortest darned summer ever!

Straight Talk

from Texas-New Mexico Power Company

Why did TNP Employee Sammie Redwine inspect her Christmas lights?

Now that the holiday season is fast approaching, make sure you have done everything possible to have a safe holiday by inspecting all of your Christmas tree and holiday lighting. It is quite common to save holiday lighting from one year to the next, so rather than assume that everything is always alright, make it a standard practice to inspect all holiday lighting each year.

TNP Employee Sammie Redwine carefully inspects all of her holiday lighting for worn or decayed insulation, cracked or broken bulbs and receptacles. She even inspects the electrical connections. When it comes to holiday lighting, if in doubt—throw it out. It is much better to replace old or worn out holiday lighting than to take a chance of spoiling the holiday season with an accident.

For more information on holiday lighting safety, be sure to call our office. Helping you have a safe holiday season is just one more way we are...

TNP Employee Sammie Redwine knows inspecting her holiday lighting will help prevent electrical accidents during the holiday season. For more information on holiday lighting safety, call our office.

America's first railroad timetable was advertised in Baltimore's newspaper "The American" in 1830 by the Baltimore and Ohio Railroad Company. Trips were established between Baltimore and Ellicott's Mills, MD, a 26-mile journey that cost 75 cents. Passengers had to book round-trip passage because of a shortage of cars.

Presbyterian Women Meet

Presbyterian Women met Tuesday evening, November 12 in the home of Mrs. John Moore.

Mrs. Farris Read, president, opened the meeting with the Mission Year-book of Prayer. She discussed the radio ministry, open door, sponsored by the Synod of the Pacific. This ministry is heard on 80 radio stations nationwide, as well as 500 outlets of the Armed Forces radio service overseas. The audiences that are hardest to reach, those who are 16 to 34 years old, are touched with the affirming, positive good news that we are never alone. God is here. For fourteen years, this outreach ministry has gone out to hundreds of thousands of young adults, most of whom are outside the church.

During the business meeting, the group voted to send an extra gift of \$100 to the Presbyterian Children's Home in Waxahachie.

The devotion of the Least Coin was given by Miss Edith Fuller and this offering was collected. Mrs. Read directed the Thank Offering program which is observed each year in November. She told of the beginning of the Thank Offering 97 years ago. In 1888 the wife of a Presbyterian minister, Eliza Clokey, made an appeal to the women's missionary society for an offering over and above the regular giving. It was to be used to fill the needs of women and their families during a time of national depression. That first offering amounted to \$6,000 and has grown steadily through the years. These gifts are a visible sign of God's indwelling grace.

The offering was collected and dedicated by Mrs. Read. The members repeated Jon 3:16 in unison. The meeting was closed with the Mizpah benediction.

Following the program, Mrs. Moore served refreshments to the ten members present.

RENO VRF POST 3990 recently presented the Deport Nursing Home with a new flag. Mrs. Natalie Ray and Mrs. June Roddy made the presentation to Roy Castlebury and about 30 residents. These ladies and other volunteers from Post 3990 help with bingo the first Monday of each month. They also donate a variety of gifts for bingo prizes.

Deport OES Meets

Deport Eastern Star Chapter No. 1045 met recently with Mrs. Booker McGee, Worthy Matron and Richard Ward, Worthy Patron, calling the meeting to order with the Pledge of Allegiance led by the Worthy Patron.

Protem for the evening were Mrs. Hazel Cheatham as Ruth and Mrs. Beulah Shipp as Warder.

Mrs. Yuba Sparks, secretary, read the minutes, bulletin and all other correspondence. Special guest was the Deputy Grand Matron, Mrs. Nelda Gurley, Grand Chapter of Texas Order of Eastern Star. She brought a message entitled "Voyage of Discovery" from the Worthy Grand Matron, Mrs. Elsie Paladino, Grand Chapter of Texas Order of Eastern Star. She also announced the School of Instruction will be February 11 at Sulphur Springs. Other Grand Distinguished members included Mrs. Murlene Carr, Sharing the Quest Committee; Mrs. Earline Daves, Stars in Service Committee and Buford Cleveland, Founders Day Committee. Other guests were Bill Gurley, Saltillo Chapter 173 and Elwyn Carr, Mt. Vernon Chapter 956.

Mrs. McGee, Worthy Matron, thanked her clean up committee for their work. They were Mrs. Betty Puckett, Mrs. Virginia Barber, Mrs. Virginia Cleveland and Mrs. McGee. It was announced that Deport Eastern Star Chapter 1045 was well represented at Grand Chapter last month. Those present were Mrs. Dorcaus McGee, Mrs. Virginia Barber, Mrs. Virginia Cleveland, Buford Cleveland, Mrs. Earline Daves, Mrs. Yuba Sparks, Jimmie Sparks, Mrs. Hazel Cheatham and Mrs. Mary Ericsson. Chapter is 100% in Humanitarian, Chapter certificates were voted for the Grand Officers to be given at the School of Instruction. Thank you notes were read from the J.E. Johnston family for the memorial given in honor of Mrs. Johnston.

Past Matron and Past Patron Club meeting will be Saturday, November 23 at 7 p.m., covered dish dinner to follow the business meeting.

Chapter closed in regular form. A salad supper was served in the dining hall.

Daisy Troop Has Investiture

The Daisy Troop 81 had their investiture ceremony this past Friday night at the Pattonville Community Center at 7 p.m.
The Daisies had a candlelighting service as each one said her promise. The girls mothers pinned their Daisy pins on them. Also each girl received her Beginning Certificate which can be put in her scrapbook.
Afterwards, the Daisies, mothers, fathers, brothers, sisters, grandparents, aunts and uncles enjoyed refreshments. The refreshments were made and served by the Daisies mothers.
The Daisies receiving their pins and Beginning Certificates were: Tonya Brown, Kimberly Gibson, Amanda LaRue, Chasitie Moody, Christie Moody, Shandi Sawyer and Beckie Talley.
A thank you is extended to the mothers for all their time and effort.

Cross-Country
The first person to drive from San Francisco to New York City in an automobile were H. Nelson Jackson and Sewall K. Crocker, says National Geographic World. The trip, which they made in 1903, took 63 days.
