## Christmas Spirit, A Special Part Of The Season

It's an East Texas Christmas...once again. Gray and rainy, bright and sunny, the only thing that probably won't show up is snow. No white Christmas around here!

But who really needs it? The Christmas spirit is as pervasive and wonderful here without snow as in New England where Christmas-card pictures prevail.

The Christmas spirit...what is it? How does one get it?

To begin with, one doesn't GET it...it comes on its very own.

It usually arrives while folks are working towards "getting ready for Christmas" often complaining a little.

The Christmas spirit is that feeling which catches on and makes people smile a little bigger, a little easier than usual.

It is the tolerance that parents feel towards youngsters who are totally hyperactive in anticipation of Santa Claus.

It is that feeling (and what feels better) of pleasure while shopping for just the right gift, or watching the

delight on someone's face when they open that gift.

It is the tightness in the throat one feels upon hearing the soaring beauty of familiar Christmas Carols sung by choir or church.

It is the pleasure felt looking at Christmas decorations or parades, trees, lights and garlands.

It is something else too...the remembrance of what Christmas is really all about.

Gift giving is a reminder of the gifts brought to the infant Jesus by the wise

men.

Evergreens and garlands, wreaths and trees are a reminder of everlasting life.

And whether it is consciously acknowledged or not, the true meaning of Christmas sifts through all else, rekindling the faith that lurks within.

The familiar phrases never lose their meaning, never lose their hope. "Peace on Earth" is probably the most familiar and most sought after. Someday, perhaps the realization the

peace must be found within will reward us all with a perfect Christmas spirit.

But until then, the Christmas spirit comes in an imperfect, but still beautiful form. In snatches and bits, moments and memories, the Christmas spirit is one of the most precious parts of the holiday season.

Treasure it, cherish it, encourage it. And have a special Christmas and New Year.

### Holiday Traffic Death Toll Predicted

The Department of Public Safety is estimating that 41 traffic deaths will mar this year's peak holiday travel periods in Texas.

"Christmas and New Year's should be two of the best times of the year for everyone, but each holiday season, many traffic deaths that could have been prevented occur on our roads and highways," said DPS Director Jim Adams.

During the 54-hour Christmas holiday period, an estimated 23 persons may die in traffic accidents in the state, Adams said. The estimate for the New Year's period, which also is 54 hours, is 18 traffic deaths.

In 1985, because of the day of the week on which Christmas fell, the prime travel period was 30 hours long. During that time, 15 persons were killed in traffic mishaps. Two other persons later died of injuries suffered during the period, bringing the final 1985 Christmas death toll to 17.

Last year, 17 persons died in traffic accidents during the 54-hour New Year's period, with seven later deaths making a total of 24 fatalities associated with the period.

"The way to help make this year's estimates inaccurate is to refrain from drinking alcoholic beverages before driving or while behind the wheel and hold driving speeds down," Adams said. "Those two steps will go a long way toward keeping drivers from having a traffic accident. But, if worse comes to worse and you are in an accident due to the carelessness of another driver, your chances of survival will be greatly improved if you are wearing your safety belt."

This year, the DPS Operation Motorcade period will begin at 6 p.m. Tuesday, December 23 and continue until midnight Christmas Day. The New Year's counting period will begin at 6 p.m. Tuesday, December 30 and continue through midnight New Year's Day.

During both periods, as part of the Department's Operation Holiday effort, additional Highway Patrol Troopers will be out to assist motorists and enforce traffic laws, with particular emphasis on DWI arrests, speeding and safety belt violations.

## NOEL

At His birth, the angels sang: "Peace on earth to men of good will." May this peace, the gift from the Prince of Peace, be yours this Christmas!

### Prairiland Patriots Capture Fourth

The Lady Patriots met the Cooper Bulldogettes in the opening round. Unluckily, the girls were beaten by the Bulldogettes 56-50.

The first period, as well as the whole game, was very exciting, as the fems put together one of their most impressive games. The quarter, with Erin Morgan controlling the boards, ended with the fems down by only one point.

The second period was much the same pace as the first, but the girls lost more ground on the Bulldogettes, and it ended with the girls down by four at 27-23.

In the second half, the girls came out and exploded as they were able to come out and not only catch up to the Bulldogettes but end the third period with a bucket from Erin Morgan and a lead of two points.

The fourth period wasn't so nice as the fems seemed to fall stone cold, as they could only connect with three out of 11 shots.

The Patriot boys, after an impressive win Thursday over the Bulldogs, lost to the North Lamar Panthers 47-37 in the second round of action.

The boys were unable to get the upper hand, in the entirety of the game, in spite of knocking on the door all

night.

The first half ended with the boys behind by five and the score 20-15.

In the third period, the boys continued to catch up with the Panthers and the period ended with the Pats behind only one.

The fourth quarter was one of missed shots. The boys were only able to make four.

The Lady Pats played the North Lamar girls for the second time this week in the second round of the tournament. The girls were still unable to turn up a win as they were defeated 45-40.

The girls made a gallant effort as they never trailed by more than seven points.

The first half ended with the girls behind by three.

In the last period of the game, the girls were able to stop the Pantherettes from scoring, but were unable to score themselves. Coach Johnson stated "We are still improving. The only thing I am worried about is getting a losing attitude because of the many losses."

The Patriots in the last round of the tournament were to face the Chisum Mustangs. They were defeated 78-62.

The first half was very close as the Patriots were shooting well. The half

ended with the Patriots behind by four points.

The second half was one of turnovers and missed shots for the Patriots. The Pats were unable to keep up with the Mustangs.

Coach Dan Harris commented, "We are making progress. And right now, we are concentrating on getting ready for district."

NICHOLS' WORTH

By: Nanalee Nichols

Christmas Parades. They are a part of the season, in small towns, large towns and big cities.

They don't last too long, but the crowds love seeing the floats, cars, antique cars, fire trucks, hearing the bands and choirs, seeing kids have such a good time.

But how does it all happen? It isn't easy...it's time that all the dozens of folks who work so hard were recognized.

The organizers and executors of every parade are exhausted by parade day. They have ironed out problems, collected money, fielded phone calls, answered questions and generally accomplished a miracle of organization.

They frequently have a thankless job, for when anyone is dissatisfied, who gets jumped on? You guessed it...the organizers.

Without those who spent uncountable hours designing, building and assembling the floats and car decorations there wouldn't be much of a parade either.

Parents, relatives and friends band together to paint, cut, stuff and assemble various entires for school classes, church organizations, civic groups. They come up with some of the most original ideas around.

It's a shame that some of the designers who make such big money for the Rose Parade or Macy's Thanksgiving Parade can't come up with some of the very clever notions that local people do.

The ingenuity seems unlimited. Cardboard and plywood can transform a flat bed trailer into a wonderland of Christmas joys. It all takes work, work and more work.

And, sometimes, rain or snow or bitter cold makes it really hard to do that work. Hours or days of labor can be ripped up in high winds or soaking deluge. But the parades go on, and nothing stops them.

This year, when parade time is over...give a thought, and perhaps an expression of appreciation to anyone you see who has worked so hard to provide you with the spectacle.

A special thanks to the organizers, and the designers of all the parades around!

### Lady Pats Succumb To Panthers

By Eric Foster

The Lady Patriots lost again last Tuesday night, 53-47 to the North Lamar Pantherettes.

The girls came out with an air of authority as they, in the first period, outscored the Pantherettes 16-9.

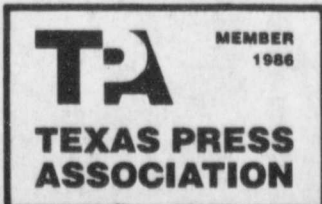

In the second quarter, in spite of great playing the girls were unable to defend against the Pantherettes. The Pantherettes then caught up with the fems at the end of the quarter had a one point advantage of 28-27.

The second half is where the fems began to fall again. In the third period, the fems committed more crucial mistakes and the Pantherettes capitalized and ended the period with the score 42-34.

In the fourth and final period, the fems started playing ball again. The ladies were able to hold the Pantherettes to eleven points while scoring 13 themselves, and that is with only playing with four people for over two minutes.

Player statistics are as follows:

Jenissa Baker	14	3	3
Erin Morgan	8	9	2
LeAnne Anderson	8	9	2
Tosha McCarty	8	1	1
Melissa LaRue	4	4	3
Jana Pomroy	4	1	1

**Presbyterians Hold Dinner**

Members of the Deport Presbyterian Church had a Christmas dinner at the church Sunday, December 14. The dinner followed the regular Sunday morning church service.

The tables were decorated with greenery, red candles in votive cups and red napkins.

Christmas carols were played during the meal. Following the meal a money tree was presented Rev. Rice and his wife, Margie. The Ladies Aid also presented a gift to Mrs. Rice. The gifts of money were tied to a potted Norfolk Pine, which was a gift to the couple.

The affair was arranged by LaNell Lane, Yvonne Gray and Lynn Nixon.

**O HOLY NIGHT**

Christmas today heralds the culmination of the holy season and the approaching new year. People have adopted the holy season as a time for exchanging gifts, family reunions and bountiful feasts in keeping with the great sacrifice the Master made for all—Too we have used this time to count our blessings—think of others—rededicate ourselves to principles for which the Master gave His all—for love, He gave His life for the sins of all—

No wonder that in every city and country today church steeples point to the sky continually teaching Christ's lesson of love.

May the joy of Christmas and the blessings of love be with you as you gather for the Christmas dinner with family and friends, and may this lesson of love permeate the hearts, minds and souls of all mankind—This is Deport Nursing Home's wish for you and our hope for the future.

Love for others will insure peace in the world—more powerful than armies, greater than kings, love is the present only friends will bring.

**Home Cable Sponsors Toys For Tots And Drawing**

Home Cable TV will make a donation to the Toys for Tots program of the Assisting Hands Outreach Center on behalf of each new subscriber to The Disney Channel between now and December 19, Jim Short, General Manager, announced today. The toys will be distributed to children of low-income families local-

ly who might otherwise not have any presents for Christmas. This is the second year Toys for Tots has been sponsored by the cable company through Assisting Hands Outreach Center. The Disney Channel and Home Cable TV will be donating popular Hasbro children's toys on behalf of new Disney Channel

subscribers. In this way, local residents can get the joy of Disney for their own family and help another family at the same time.

Highlights of the Disney Channel's December programming include the exclusive showings of "Mary Poppins," "My Fair Lady" and the television premiere of "The Making of Captain EO".

Home Cable TV also announced a special effort to help one local family which has faced devastating medical expenses in the past few months: A cuddly, three foot tall stuffed Mickey Mouse, currently on display in the Home Cable TV office, will be the prize in a drawing to be held on December 19. Brian Mabry, a 13 year old boy, the son of Bruce and Pam Bestul, has been hospitalized several times. He is still undergoing extensive outpatient care and expenses already have reached over \$50,000. Proceeds from donations made to enter the drawing will be used to cover medical expenses.

"We feel like this is something we would like to do to help," said Jim

Short. "Since cable reaches so many people in the area, we're in a good position to bring people together when there's a need." Becky Branum, office manager, continued "We hope everyone can find a way to help just a little, and the Mickey Mouse doll is the cutest thing you ever saw!" People can go to the Home Cable TV office at 4807 Lamar Street in Paris to enter, or call 784-0991 for more information. No purchase is necessary and there is no need to be present to win.

The Disney Channel is the nation's fastest growing pay cable service with more than 2.5 million subscribers. It airs high quality, non-commercial family programming, Disney classics, original movies, unique specials, and exclusive prime time series.

To subscribe to the Disney Channel, call 845-1902. Home Cable TV is offering to install the Disney Channel for only 99 cents until December 31.

New subscribers between now and December 31 will also receive a gift for themselves, a free "Captain EO" wrist watch, valued at \$17.95.

**Presbyterian Women Meet**

Presbyterian Women of the Deport Presbyterian Church held their Christmas meeting Saturday evening, December 13 in the home of Mrs. Carlos Denison. Mrs. John Denison, was co-hostess.

Mrs. Farris Read gave the opening prayer. Following this, a Christmas buffet was served from a decorated table. The focal point of the table was a tree made of lettuce and trimmed with cherry tomatoes, pineapple, black olives, green olives and other tidbits.

After the meal, the regular meeting was held. The group repeated the Lord's Prayer in unison.

Mrs. Sam Rice presented the program "Road to Bethlehem". She stated the road to Bethlehem was not an easy one for Mary and Joseph as

it was 70 miles from Nazareth to Bethlehem over a rocky terrain. Mrs. Rice said if Advent is to be meaningful for us, we have a spiritual journey to make in preparation for the celebration of Christ's birth. The preparations should be filled with spiritual thoughts and actions. Purple is the color of the Advent and should be used in some of our decorations as a symbol of our Christian faith.

The meeting was closed with the Mizpah benediction.

Special guests for the evening were Mrs. Dick Walker and Mrs. Fred Moore of Detroit and Mrs. Jack Guest of Deport.

Christmas favors of cook books and perfume were given each guest by the hostesses.
