NICHOLS' WORTH

By: Nanalee Nichols

It is Christmas this week. Last minute shopping, decorating and entertaining generally keep everyone busy at this, the end of the year, the culmination of the holiday season.

Few people ever achieve all they intend to for Christmas...but it is truly a time of the year when it is the thought that counts.

Christmas eve is, in many ways, as special as the day itself.

Christmas eve is a time when many people have all or part of their family get-together, opening gifts and exchanging greetings and sharing together.

It is a time for family, and the closest of friends to visit, and a time when children are so anxious for morning that it drags on interminably.

Santa Claus is "out there somewhere" and every youngster wonders if he carries in his famous sleigh that special gift that he or she has written to ask for.

It is a time read the Christmas story, to listen to Christmas music on the radio, to go carolling.

Christmas eve is a time to remember too, perhaps with sadness those who are not here this holiday, or perhaps with smiles to recall Christmas of the past, when we were children.

Christmas is a holiday that comes down through generation after generation. Customs and faces change but the joy and pleasure remains undiminished.

Christmas eve should also be a time for recalling the origin of the season...the miracle of the Christmas story that has endured for two thousand years now.

Far away from here, in a land little city and from what it was so long ago, the town of Bethlehem will dream through Christmas eve night...exactly as it did 1986 years ago when the startling events that set the world on the path to Christianity began.

This Christmas eve...remember the reason for the season.
Merry Christmas to all.

Papers Will Publish Early Next Week

Due to the holiday next week, all news advertising and correspondence must be in on Monday, December 29, so that the paper can be published a day early.

This is necessary to get the papers in the mail system in time for before New Year's delivery.

Sales Tax Level About The Same As '85

State Comptroller Bob Bullock Friday sent checks totaling \$54.3 million in local sales tax to 1,033 cities that levy the one-percent sales tax. Bullock said 1986 payments to date were down almost two percent as compared to the payments to date in December of last year.

Houston's check for \$8.4 million was the largest, bringing total payments this year to \$141.3 million, down six percent over last year.

Locally, Bogata received \$1,604.86, bringing 1986 payments to date totaling \$31,697.07, for a 31.76 percent increase over the 1985 payments.

Mt. Pleasant received \$73,400.45 for

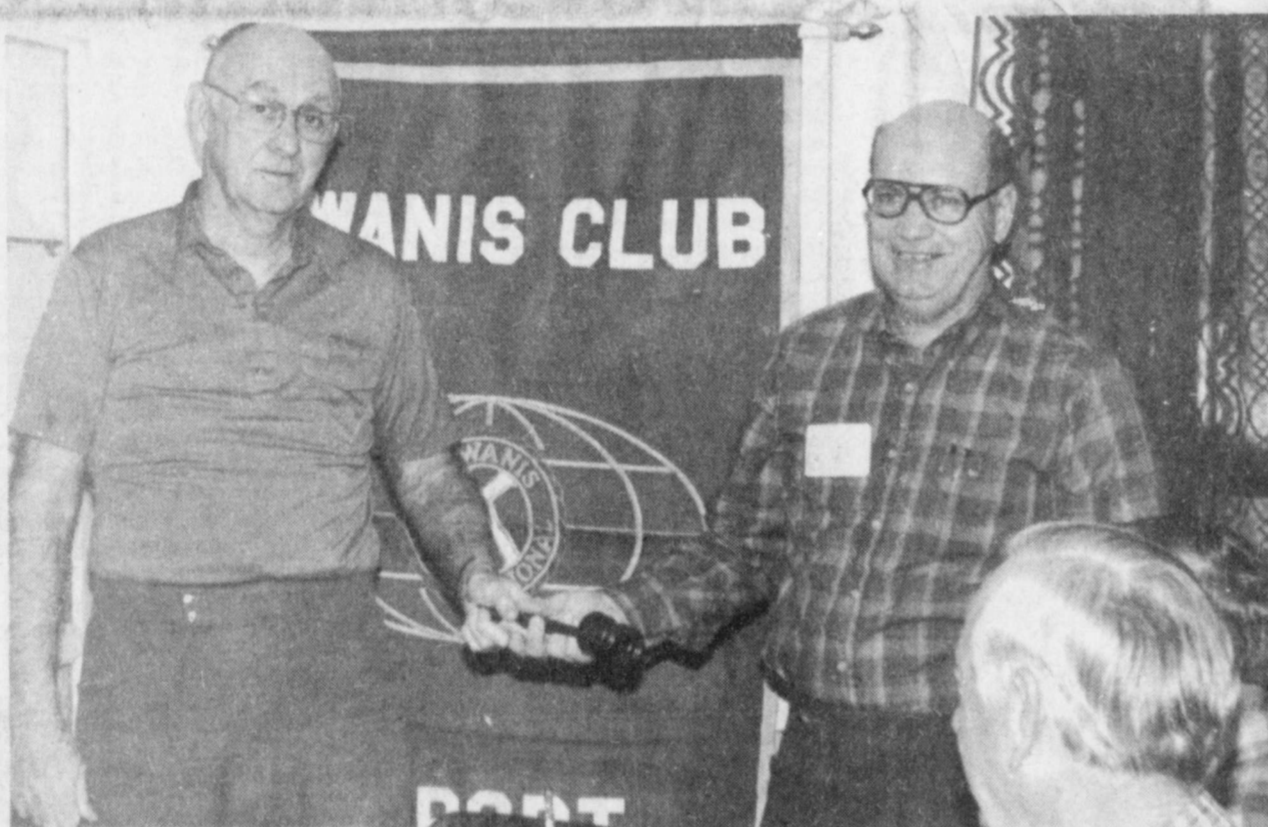

this period, an increase of 1.13 percent over last year. Talco received \$1,038.05 for this period, compared to \$2,111.01 for the same period in 1985, marking a 22.48 percent decrease.

Blossom received \$899.76 for this period, compared to \$862.62 for the 1985 payment, for a 2.45 percent increase over last year.

Deport received no payment this period, marking a 0.99 percent decrease over last year's payment for the same period. Total payments to date are \$9,605.42, compared to \$9,701.85 for 1985.

Paris received \$148,629.03, for a 3.97 percent increase over the 1985 payment of \$130,841.52.

December checks represent taxes collected on sales made in October and reported to the Comptroller by November 20.

Deport Kiwanis Make Plans

The Deport Kiwanis Club met in regular session at Granny Mc's Cafe Saturday morning.

Lt. Gov. W.C. Phillips, Division 32 from Paris, presented John Allen the banner and Carlos Ladd the gavel, going to the Deport Chapter.

John Allen and John Denison were elected as committeemen to organize soccer teams from Deport. A practice area is planned to be developed behind the American Legion Hall.

After the new year, the Club plans to claim two miles of Highway 271 to keep cleaned. The planned area will start at the county line east of town

and extend west two miles. After the meeting, members met at the Deport Nursing Home to help Santa Claus hand out gifts to all residents of the home.

Last Week To Win Cash, Save Money On Subscriptions

This is the last week to renew subscriptions to the paper and save money, plus have a chance to win cash.

The sale will go off December 31, as will the contest.

The paper is on sale for \$2 off the usual yearly rate. A whole year of the paper only costs \$8 in Lamar, Red River and Titus Counties, \$10.50 in the state but outside those counties, and \$12.50 out of the state.

There has been no price increase in the paper rate for three years, in spite of increases in postage and supplies.

Anyone renewing their subscription or a subscription for someone will automatically be entered in a drawing for \$50, \$30 or \$20 in cash.

Local news, photos, public information, savings and entertainment are all available through the

paper...which is truly your local paper...plus a television schedule, and now with that renewal you have the chance to win money.

If no renewal is desired simply mail the coupon on the ad appearing in the paper in marked "I do not wish to renew" and you can be entered without any purchase.

The cash will be presented during first week in January.

Renewal notices for December have not been sent out due to the column, so its a good idea to check on your subscription.

Blossom subscribers, the majority of whose subscriptions are due in January, are urged to subscribe in December to take advantage of the savings.

'87 Should Be A Little Better For Texas Farmers

Texas farmers and ranchers should see somewhat better times in the year ahead.

"Agricultural income next year may rise moderately over 1986 levels," said Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, the Texas A&M University system. "Higher cattle prices and better cotton markets are the main reasons for the improved prospects."

Although grain prices will remain under pressure from too many supplies, government payments will support income, notes Anderson. Production expenses will be held in check by low rates of inflation.

Even though demand for grain will benefit from higher livestock prices, total feed usage is expected to decline, says the economist. As a result, combined domestic and export demand for feed grains and soybeans will be below production levels. However, stocks of wheat, rice and cotton are expected to decrease as use exceeds production.

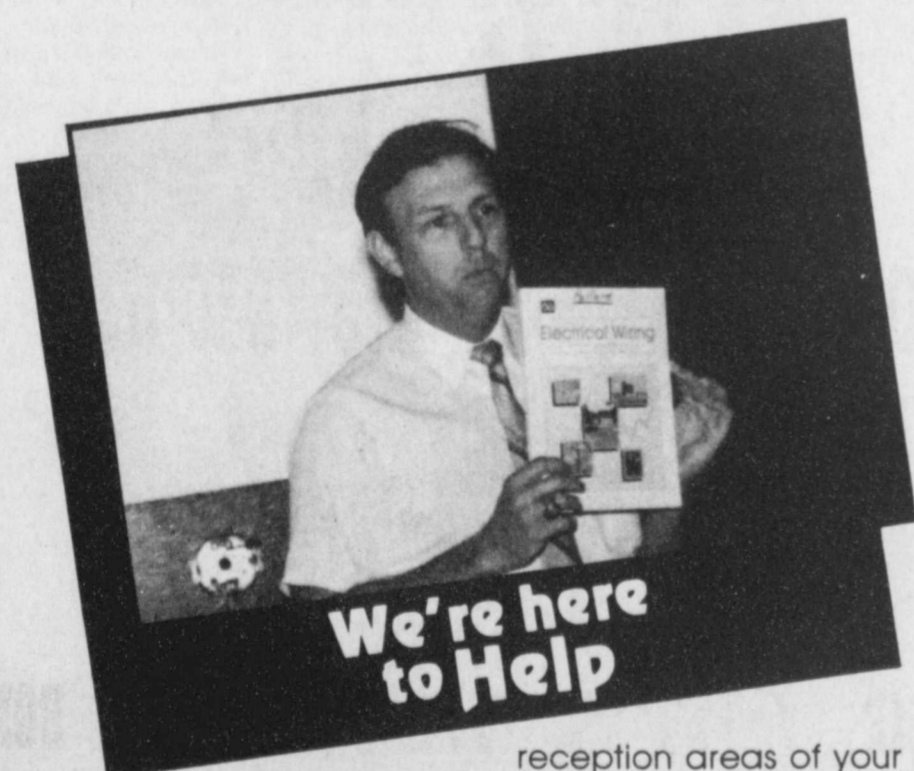

The number of Texas farmers forced out of agriculture in 1986 due to financial reasons beyond their control is expected to exceed 2,800, says the economist. That number is up moderately from the year before and about twice the number two years ago. Heavy debt loads, low prices and low yields are the main causes forcing farmers to quit.

The largest number of farmers forced out are in the intensified farming areas of the Panhandle, Southern High Plains and Rolling Plains. Anderson estimates that more than 100 farmers will leave farming in each of three West Texas counties where crop yields have been extremely low for several years.

Agricultural prosperity will be slow in coming during the rest of the 1980's. U.S. farm exports should expand gradually while heavy government income support will continue for crop farmers, says Anderson.

Lady Pats Get First Win

By Eric Foster

The Patriots were unable to pick up a win last Thursday and Friday in the Commerce Tournament. They were defeated by Kaufman and in the second round by the Commerce Lions 46-43.

Against the Commerce Lions, the Patriots didn't play one of their prettiest games, however, they were able to stay close and never trailed by more than five points.

The first period was hard fought as neither team was able to get the upper hand. In spite of this, the Patriots were able to get out of the period with a one point lead.

The Patriots got lucky in the second period as the Lions were unable to capitalize on the seven turnovers by the Patriots. The boys were able to stay close by controlling the boards. The half ended with the Pats behind by two and the score 24-22.

In the third period, neither team was again able to get an upper hand on the game. Both teams went up and down the court answering each other's scores and each other's mistakes. The quarter ended with the Pats down by three.

With 3:20 left in the game, the Pats were able to go ahead by two, but one of the Pats fouled a Lion and they tied up the game at 37.

In the final minute of the game, the boys were unable to hit any of their shots and were called for two walking penalties, which enabled the Lions to pull ahead and end the game on top.

The Lady Patriots were able to get a win out of this tournament. On Thursday, they lost to the Kaufman Lions but on Friday they beat the Commerce Lions, who had beaten the girls earlier this year and Saturday they lost to Denison.

The girls, led by Jana Pomroy, were able to control the defensive

backboards, even though they lacked the height the Lions had. With the rebounding of the girls, they were able to stay within reach of the Lionettes in the first half. However, the girls did come out on bottom in the first half by two points.

The third quarter was very close. The girls with 2:00 left, were able to tie it up at 28, but with :16 left, Melissa LaRue fouled an opponent which gave them the lead to end the third period, 29-28.

The final period was one of great defense by the ladies as they again stole the ball and continuously controlled the boards. With 6:40 left in the period, the girls were leading by three, but at the 5:48 mark, the Lionettes tied up the ballgame. The Lionettes, however, were not to get any closer as the fems pulled away from the Lionettes and ended the game victoriously with a score of 45-37.

The stats for these games are as follows:

Pats Unable To Get Win

By Eric Foster

The Patriots, last Tuesday, were defeated by the North Lamar Panthers, 41-37.

The first half was all Prairiland as they outscored the Panthers 26-12. The Patriot defense was also in synchronicity as they, during the half, held the Panthers scoreless for nearly nine minutes.

In the third period, the Patriots began where they left off. The boys again controlled the boards. The period ended with Prairiland on top 35-22.

The game looked as if it was going to be an easy win, until, in the fourth

period, the Patriots started to stall. Then came some costly turnovers that the Panthers capitalized on.

In the final period, the Patriots were outscored 19-2, and the game ended with the boys on bottom 41-37.

The Patriot stats are:

Name	Pts.	Rb.	S.
Robbie Fults	12	1	3

Crime Stoppers

On December 4 at 8 p.m., a white male robbed Dominoe's Pizza at 1704 Lamar Avenue in Paris.

The suspect was wearing a dark colored cowboy hat, a blue print bandana on the face, a long dark plaid jacket, blue jeans and carried a double barrel shotgun. The suspect entered the store, demanded the money, then left in a mid-1970's light colored vehicle said to be a Ford T-bird vehicle.

Crime Stoppers will pay up to \$1,000 for information leading to the arrest and indictment of persons involved in this crime. Crime Stoppers will pay a cash reward for information on other felony crimes. You do not have to give your name. Call Crime Stoppers at 785-TIPS.

On November 11 between 8 p.m. and midnight, burglars broke out the front glass of Paris Implement on 2240 NE Loop 286 and stole several chain saws.

On November 22, burglars broke out the front glass of the Eckerd Drug Store in the Mirabeau Square Shopping

Center at 3514 Lamar in Paris. Taken were some filled prescriptions and several new Casio watches.

A black male suspect entered the Dollar Store at 1505 Clarksville Street in Paris. He exited the building at the rear after taking a large sum of money.

In November, the Lamar County Crime Stoppers in association with the Paris Police Department and the Lamar County Sheriff's Office cleared two felony cases, made four felony arrests, seized \$14,000 worth of illegal drugs, and approved \$600 in rewards.

Acting on a Crime Stoppers tip, investigators at the Paris Police Department arrested three suspects in a strong arm robbery that occurred near the Casa Bonita Apartments. In addition, the Lamar County Sheriff's Office received a Crime Stoppers Tip that led Lamar County investigators to serve a search warrant that led to one arrest and the recovery of some \$14,000 in illegal drugs.
