Thieves, burglary...it's a timely subject as local thefts are on the increase.

The whole situation is difficult. The if you own something, somewhere wants to steal it. In fact, sooner or later, someone

most likely will steal it! Very few people can say that they have never had anything stolen.

Lately, thefts have ranged from \$10,000 hauls of cattle and equipment to shoplifting to the theft of a small lock and chain.

Tallied up alongside the monetary loss and the damage thieves so often do breaking into things is the frustration and outrage of the victim.

What can be done about it? Well, on a local level, we are all going to have to become a little bit of a busy body. Watching out for our neighbor's property and having them watch ours can help. There is a fine line we all walk, the line between being nosy and n" and conscientiously takof what may be happening near us.

But the way things are right now, most people would appreciate a few unnecessary phone calls rather than finding they had lost something and their neighbor had not wanted to

Neighborhood watches and Crime Prevention Programs are being set up all over the area...and the more participation they have, the better they will work.

That is about all we can do on a local level. Now, personally, I would like to see the major portions of our government do something.

This is strictly an editorial opinion...but if the law were strict enough that a thief had something to worry about ... perhaps that thief might not be quite as anxious to steal!

Oh sure, there has always been and always would be, but when first offenders usually receive probation, the element of risk is substantially lowered.

Let's encourage law-makers to tighten up, and to make the laws more easily enforcable. Let's keep watch on one another's property, and let's make it as difficult as possible for burglaries to happen by locking up what we have.

It seems the only way we can protect ourselves now-a-days!!

# Pattonville Meeting Saturday

The Pattonville Community Center will hold a business meeting on Satur-

day, Sept. 26 beginning at 7 p.m. A covered dish supper will begin at 6:30 p.m. prior to the meeting.

There are some important business items on the agenda, so Pattonville members are urged to attend.

# Army Worms Showing Up

By Herb Brevard

With recent rains, armyworms will be showing up, especially in winter pastures, says Dr. James Robinson, entomologist for the Texas Agricultural Extensin Service. Armyworm infestations have no set pattern and may be general or very scattered. Small worms generally appear about two weeks after a rain. Either Sevin or Dylox may be used for control with no waiting period.

September is the best time to spray for control of peach tree borers. Commercial producers may use Lorsban while home owners or noncommercial producers should use Thiodan or Lindane. The trees should be sprayed to saturation from the scaffold limbs down to the ground.

As cooler weather approaches, insects will be entering the home for overwintering. Precautions such as caulking and keeping firewood away from the house will help. Spraying around the foundation with a residual insecticide such as diazinon or dursban is also recommended. Do not use chlordane for this purpose.

# Two Burglaries Occur On Same Night

Two burglaries occurred on the same night last week, at two different

locations in the Deport area. Isbell's Service Station was broken into when thieves cut the chain either

late Thursday, September 17 or early in the morning on Friday,

THE RESERVE OF THE PARTY OF THE

September 18. The burglars took several batteries, stole the change maker off the coke machine, took the money out of the coke machine and made off with

some miscellaneous items This was the second time the station has been burglarized this month.

Glover Farms of Deport suffered a loss of an estimated \$10,000 on the

same evening when thieves stole 20

weaned heifers, one pure-bred

Longhorn bull and a large assortment of shop equipment and tools. Among the missing items were kerosene cans, trash cans, ropes, hot

wire, water hoses, tools, filters for Ford tractors, the burglars leaving behind filters for a Massey-Ferguson tractor, brooms, log chains, chicken wire, mounted new tires, grease guns, hoes, shovels and axes, a Briggs & Stratton engine, bolts and nuts, air compressor, bench grinder and a

variety of other items, including 15 bales of hay.

A special investigator has been assigned to the case by Lamar County Sheriff's deputies

Heavy rains obliterated tracks made by the vehicles used in the theft, but it is estimated that two trailers must have been used, at least one of them being a gooseneck type rig.

# Sales Tax Change To Take Place

State Comptroller Bob Bullock today said changes in the state sales tax law will bring Texas into compliance with federal regulations on food

stamp purchases Bullock said that Texas law exempts all food stamp purchases from the state's sales tax starting Octobr

The exemption will cost the state

about \$5 million in lost revenue in 1988 but will prevent the federal government from withholding a projected \$808 million in annual assistance to 1.4 million Texans

Last year's reauthorization of the federal food stamp program added new language that prohibits states from receiving food stamps if they collect taxes on food stamp

Although most food items are exempt in Texas, the state does collect tax on candy, soft drinks, diluted juices and other foods.

#### THOUGHT FOR FOOD By GOULD CROOK

Kentucky Scramble

Great with biscuits or corn muffins.

8 slices bacon

2 cups sliced Dole Fresh Mushrooms

1 cup frozen whole kernel corn, thawed

1/2 cup sliced green bell pepper

1/4 cup diced pimento 1/2 tsp. salt, optional

1/4 cup water

6 eggs 3 tbsp. butter

In a large skillet, fry bacon until crisp and brown. Drain bacon on paper towels. Drain all pan drippings, except 3 tablespoons. Saute' mushrooms and corn in drippings. Add green pepper, pimento and salt, if desired; saute' until green pepper is soft. Meanwhile, beat eggs with water. Melt butter in skillet with vegetables. Pour in eggs and scramble to desired doneness. Serve with bacon. Makes 4 servings.

#### **COFFEE ICE CREAM PIE**

1 package Duncan Hines Almond Fudge Chocolate Chip Cookies 2 tablespoons almond

extract 1/2 gallon coffee ice cream, partially thawed 1/4 cup slivered almonds,

blanched or toasted 2 cups whipped cream, optional

In food processor or blender, crumble one package Duncan Hines Almond Fudge Chocolate Chip Cookies. Transfer to large bowl, moisten with almond extract. Press mixture into 9-inch pie plate. Fill with softened ice cream. Sprinkle almonds on top. Cover. Refreeze. Serve with whipped cream, if desired.

# Checklist For MICROWAVE OVEN Safety

The benefits of microwave ovens are almost endless. Microwave ovens are the most energy efficient ovens ever invented. They cook food quickly, they enhance the nutritional value of food, and they're safe when used properly. To make sure you're using your microwave oven safely, follow these simple rules.

Use only microwave-safe utensils. Don't use metal in the micro-· wave. TNP has a free brochure that contains a test for determining if a utensil is microwave safe.

Use adequate electrical current. Your microwave does not re-2. quire additional wiring. However, your unit should be on a separate circuit and have nothing else operating on that line. Avoid using an extension cord with a microwave.

Don't use a microwave to can fresh foods. However, it is great 3. for blanching fresh vegetables for freezing and for making jellies and jams. It also is good for drying herbs.

The safe use of a microwave oven is one more way that electricity makes your life a little easier. For more information about microwave ovens contact our office today.

# **Patriots Lose** Heartbreaker To Bulldogs

"You win some, you lose some" was all there was for Coach Chambers to say last Friday night, after his Prairiland Patriots lost a heartbreaker to the Cooper Bulldogs

The Bulldogs picked up the first sure in a fifty-five yard sprint from Bryan Morris halfway through the

The Patriots came right back taking the Bulldogs kick-off on their own 40-yard line. Patriot Steven Johnson mustered a 20-yard run, and a frustrated Bulldog drew the wrath of an official when he stopped Johnson by his face mask, giving the Patriots a first and ten inside the Cooper 20-yard line.

Patriot teammate Craig Ladd wasted no time on the very next play, picking up the Patriots' only touchdown of the evening.

Unfortunately for the Patriots, the point after was bad and the Bulldogs led the contest by one point. The Patriots controlled the ball to inside the Cooper 5-yard line three times during the contest but just unable to take it across for points.

The Bulldogs put forth a valliant effort early in the second quarter with a ground attack led by Byron Morris, stopped close to mid-field by Joseph Whelchel, then Jack Kindle made Morris pay dearly for short yardage. Jeff Fendley also got in on the act with P.G. Morrison making a touchdown saving tackle on Morris inside the Patriot 5-yard line.

The entire Patriot defense did a commendable job on the Dogs by refusing to give up any more yards, and took the ball over on downs from that point.

Two plays later, the Patriots moved from inside their own 5-yard line to the Cooper 15-yard line on the legs of Craig Ladd. P.G. Morrison picked up seven yards, giving the Patriots a second down on the Dogs' 8-yard line with only 26 seconds left to play in the first half.

Quarterback Martin Babb ran off 13 seconds on the next lay for short yardage, but the Dogs were played stopping the clock, moving the ball half the distance to the goal line, and gave the Patriots a first and goal.

Unfortunately for the Patriots, the clock didn't cooperate and the half ended with the score still seven to six in favor of the Dogs.

By the end of the first half, Patriot Craig Ladd led the Patriot offense with 122 yards rushing.

Both teams were held in check through the third quarter and midway

With 6 minutes and 15 seconds left to battle, Bulldog Bryon Morris returned a Patriot punt 94 yards for the final score in the game. The point after was no good and the

score stood 13-6.

The Patriots put together an awesome attack on the Bulldogs in the final three minutes of the contest, starting when Patriot Jeff Fendley

recovered a Cooper fumble deep on their own turf. The Bulldogs were penalized for unsportsmanlike conduct and the Patriots had their last chance to win the contest with a touchdown and a two point conversion, but just came up short.
