It's autumn. The feel, and taste, sight and smell are everywhere. The leaves are still mostly green, but they are thinning fast, and turning to those flaming colors that signal the end of summer.

Roses and wildflowers are putting on a last display, and the mornings are cool.

Airconditioners have been turned off, and that short, sweet period when windows can be left open day and night and everyone still feel comfortable has passed.

Now, it requires cover and closed windows to keep from waking up with cold feet.

Most people have been expressing feelings of mild irritability, melancholy or depression.

It's only natural. Because even though the blazing heat of summer is gone and the world is at it's loveliest, even if lots of folks love cold weather, the knowledge that everything is going to be barren and gray soon affects us.

Probably it harks back to a time when many would not survive winter time. For with autumn upon us, winter cannot be far behind.

And winter was once the time of terror. In medieval times, or in the villages of native Indians, winter was a season of desperation.

In winter the elderly the weak or the very young frequently starved to death. Even the healthy became pale and sickly as inadequate diet took it's toll.

Winter was a time when sickness stalked populations, and when being truly warm was only a dream left over from summer!

No, winter was not always friendly to humans, just as it is not always friendly now to the wild creatures.

In our background we once had to search for fuel, shelter and food just as today the squirrels and coyotes must.

Ancient peoples, even before medieval times, struggled to survive in primitive shelters that could not have furnished much comfort.

Of course, it hasn't been that long since heated homes were unknown.

Most people over fifty can recall a time when a fire place or wood stove provided only the barest heat. A summer of canning and provisioning kept hunger at bay, but pneumonia and other illness ran rampant.

It's no wonder that lodged somewhere in our instincts is a certain amount of dread that the cold season is approaching!

But our winters are mild, our food adequate, and about the only dread of the cold most of us need to worry about now is paying for the gas or electric bill...so relax, enjoy autumn and ignore those thoughts of depression.

After all, it's a lovely, lovely time of year!

Local Sales Tax Rebates Down, Statewide Growth Up

State Comptroller Bob Bullock said Friday that a surge in sales tax rebates to several large metropolitan areas in Texas reflects increasing statewide economic growth and stability.

"The state's metropolitan areas are doing even better than originally forecast. I'm glad to see Texas is sitting on solid economic ground again," Bullock said.

However, locally, rebates were down, as Blossom received no payment this period for a .68% decrease over the same period from last year.

Deport received no payment this

period, for a 1.21% decrease over the same period last year.

Paris received \$144,914.56 this period, for a 6.27% increase.

Bogata received \$1,238.72 for this period, for an 8.61% decrease over last year's payments to date while Clarksville received \$12,869.76 for this period for a 7.31% increase.

Talco received \$1,437.19 for this period, for a 33.08% decrease over last year's payments to date while Mt. Pleasant received \$77,639.15 for a 7.82% decrease.

In the larger metropolitan areas,

such as Ft. Worth, whose payment showed a 27.4% increase and Houston, whose payment grew 22.4% for the same period, other cities showed large increases as well.

Checks totaling \$64.8 million were mailed to 914 Texas cities that collect an optional local sales tax at either one percent or one and one-half percent, showing a growth of 17% in sales tax rebates this month over October 1987, Bullock said.

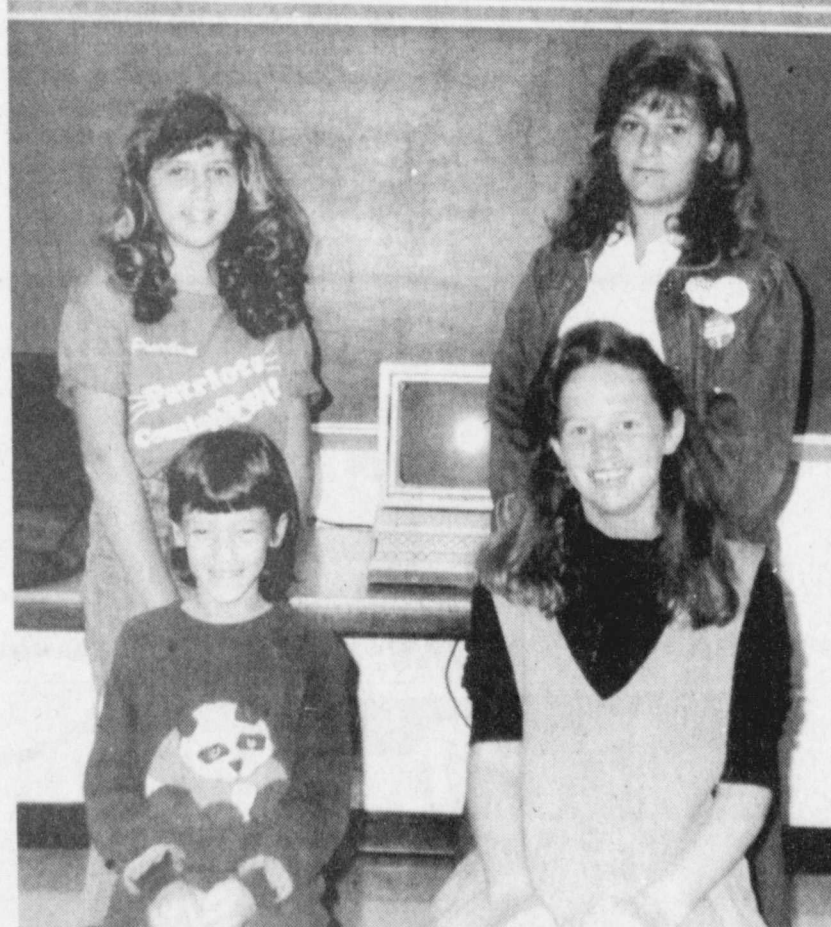

The checks represent taxes collected in August and reported by Sept. 20.

Deport Council Accepts Bids For Street Work

The Deport City Council met in regular session Monday night. Under new business, the council passed a resolution number 005 which changes the fiscal year for Lamar County Appraisal District and heard a presentation by Mike Donnan from Hayter Engineering on the Community Development Block Grant on Depot, Dewey and a portion of Nobles Street, and the unnamed street to the north of the city limits. A discussion on the bids received from five companies was held.

H.E. Spann & Co., of Mt. Pleasant was the low bidder for the Option I part of the project.

A motion was made and passed to accept the bid of H.E. Spann & Co. for the sum of \$57,144.65, pending qualifications of the company prove satisfactory with the Texas Department of Commerce and the City of Deport.

A discussion took place on preventing cracking on Dewey Street. Mike Donnan discussed the use of amoisure barrier to prevent this problem. The council authorized checking on the cost of such a procedure.

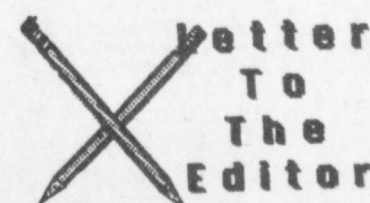

Minutes were read and approved and financial report was approved.

FHA Feeds School Board

The Prairiland Future Homemakers fed the Prairiland School Board prior to the board's regular meeting Monday night. Baked chicken, rice, vegetable medley, rolls and dessert were served.

After the meal, the board voted to change their fiscal year to September 1 in accordance with Lamar County Appraisal District.

They also paid bills, heard minute and approved the finanal report.

Dar Parents & Teachers,

There will be a meeting for concerned parents and teachers of all Deport students, kindergarten through eighth grade. The purpose of this meeting is to discuss the re-enactment of a Parent-Teacher Organization for our school.

The meeting will be October 18 (Tuesday), at the Deport School Library from 7 to 8 p.m.

This meeting is vital to the success of the organization to receive your input, suggestions and enthusiasm in order to re-establish a constructive program for our children and their school.

Your attendance will be greatly appreciated. We need us!! Sincerely, Concerned and Enthusiastic Deport Parents

Without weatherstripping, money may be slipping out the door

If you don't have weatherstripping, you're probably losing heated and cooled air through the cracks around your windows and doors.

Since you paid for that heated and cooled air, you're losing money — by paying for more electricity than you need.

Weatherstripping is fairly inexpensive, and you can weatherstrip your home in a weekend.

Continuing Education Courses Offered At PJC

Several courses are being offered during the last two weeks of October through the continuing education department at Paris Junior College. The courses offered are for personal enjoyment or professional enrichment and are open to the public. Persons do not have to be enrolled as students at Paris Junior College to enroll for these courses. Registration for these courses can be completed at the Continuing Education office located in the Alford Center on the PJC Campus. Early registration at this time is suggested. A Cash Flow/Cash Management course will begin October 18. A CPR recertification course is being offered Wednesday, October 19. Fee is \$15. A Business Women's Coffee will be held at 9:30 a.m. October 19. The event is free and will be held in the Alford Center. A seminar on international business will be offered Thursday, October 20. Fee is \$5.00. A defensive driving course will be offered Saturday, October 22. Fee is \$25.00. A Q and A Database computer course will be offered Saturday, October 22. The class will meet for four weeks. Fee is \$75.00. A Computer Level I course will begin October 25 for five weeks. The instructor is Tommy Eads and the fee is \$60.00. A seminar on Schedules C and 1040ES will begin October 27. The fee is \$10. A painting course titled The Harmony of Contrast will be Friday and Saturday, October 28-29 for beginning and experienced painters. Registration is requested by October 21, and the fee is \$55 for two days and \$30 for one day. A management seminar titled Strategic Planning: A New Management Tool, will begin October 14. The seminar will cover definitions of strategic planning and mission statements. The participants in the seminar will better understand the concept of strategic planning, understand the rationale for using strategic planning instead of long-range planning, identify the major components, apply the concept to part or all of their own organizations, discuss the process with administrative executives and identify uses and misuses of strategic planning. Dr. Laurence McNamee, author of A Few Words, will speak about his book and discuss the elements of language during a book signing on Monday, October 24.

Prairiland Sports Report

Pats Lose To Mt. Vernon Tigers

By Britt Barnard

The Prairiland Patriots invited the only other team in 13AAA with a winning record to their homecoming Friday night and by the end of this chilly evening the Mt. Vernon Tigers were the ones dancing, posting a 19-3 victory over the cold Patriots.

The Tigers went right to work with their ground game which was stifled by a stubborn Patriot defense led by Randy Barker. After forcing h Tigers to punt, the Patriots went on a 60-yard jaunt to their opponents' eight yard line, highlighted by a 22-yard run by quick-footed P.G. Morrison.

That's where the Tiger defense showed up and the Patriots found themselves facing fourth and goal from the four yard line. The field goal unit then came on and Jack Kindle booted it through the uprights for a quick 3-0 lead.

But the Tigers came right back marching downfield to the Patriot 32. From there, southpaw QB Doyle Preston threw his first pass of the night right into the endzone, where a waiting Wade Sparks played it perfectly d came up with the interception and the touchback.

Starting at their own 20, the Patriots could muster but one first down, before the quarter ended.

The second quarter opened with the Patriots punting the ball back to the Tigers. This time the Tigers didn't give it back so easily. After three straight handoffs to Noel Dunlap, quarterback Preston kept the ball for himself and raced 24 yards for the score. The two point conversion was good and the Tigers led 8-3.

After the kick, the Patriots ran four plays and gave the ball back to the guests on downs. The Tigers ground game warmed up again and marched downfield to the Patriot 10, where the red and blue defense rose to the occasion once again and forced a fumble by Preston. Randy Barker alertly jumped on the ball and killed the Tiger drive.

At halftime, Tiffany Klein was crowned homecoming queen by reigning queen Sheila Speir Evans, n front of a packed stadium. Tiffany is the daughter of Richard and Mary Klein of Blossom.

Following halftime, the Patriot offense still could not get untracked and the Tigers mounted a hard earned 53 yard drive to the Patriot one, where Preston barely slipped in for the score. The two point conversion was good on another keeper by Preston and the

score stood at 16-3.

The next series saw the Patriots advance to the Tiger 18 only to be turned away once more.

But the Patriot defense continued to show signs of brilliance and forced another fumble by quarterback Preston. The Patriot offense once again came up empty and Mt. Vernon took over at the end of the third period.

On third and fourteen, Preston's end zone pass was batted down by Barber and the Tigers were forced to settle for the field goal, making the score 19-3.

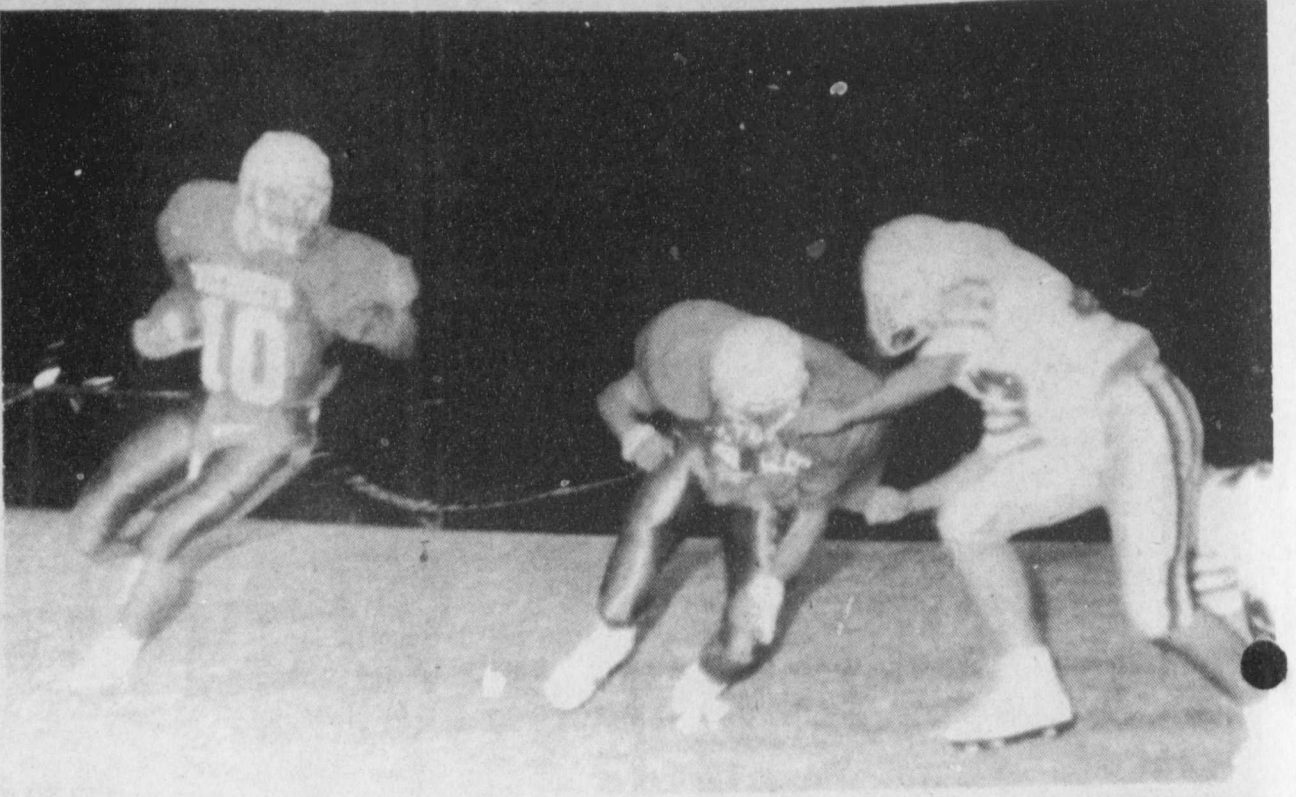

The Patriot offense could manage only one first down before giving the ball back to the Tigers.

The Tigers went to work on what clock was left and got down to the Patriot one, where the tough Patriot defense dug in and forced yet another fumble, with time running out.

Giovanni Scarano was the rushing leader for the Patriots, with 48 yards on eight carries, Morrison with 42 on seven carries, Trevor Upchurch was held for 46 on 15 carries and Martin Babb finished the night with 42 on nine carries and one complete pass for 16 yards to Upchurch.

Correction:

In last week's paper, the cutline below the picture of the Prairiland Junior Varsity Cross Country team misidentified the team members. It should have read DeeDee Watson, Melissa Miller, Tonya McNabb and Shonda Anderson. We regret the error.

Prairiland JV Defeated 29-26 In Close Contest

By Jeff Wilcoxen

Only a field goal difference stood between Prairiland's JV and Mt. Vernon last Thursday as the opponents held off a Patriot fourth quarter rally 29-26. The first half was dominated by Mt. Vernon with a 13-6 lead. However, the second half belonged to the Pats as they outscored the Tigers 19-16.

First quarter action turned sour early as the Tiger recovered a fumble on the Pats 25 yard line. Five plays later, the Tigers had a 7-0 lead. The Patriots were held and the opponent again capitalized on good field position to score another six points. The Pats were not to be denied much

longer as Richard Rockey scored to bring the half-time score to 13-6.

After intermission, Prairiland recovered the on-side kick but could not capitalize and gave back the ball.

The Patriot defense held the Tigers to take control for another score. Jon Nelson bolted in for another Patriot score, closing the gap to 13-12. However, the Tigers answered back with a 60-yard run to pull away again with a 21-12 lead.

The fourth quarter opened with another Tiger score and widening the gap to 29-12. The Patriots did not

give up and pushed in two more scoring touchdowns by Richard Rockey making the final score 29-26.

Offensively, the Patriots were led by Rockey with 55 yards and three touchdowns; Nelson with 72 yards and one touchdown; and Chris McCarty with 186 yards rushing. The defense unit was led by Dexter Baker, Mickey Boyer and David Brown along with linebackers Rockey and McCarty.

The Patriots will host Mineola JV this Thursday at 5:30 at Prairiland High School.

Band Boosters Meet

The Prairiland Band Boosters met Monday night, October 3, for a covered dish supper. Entertainment was by the band, directed by Frank Garza. A short business meeting followed

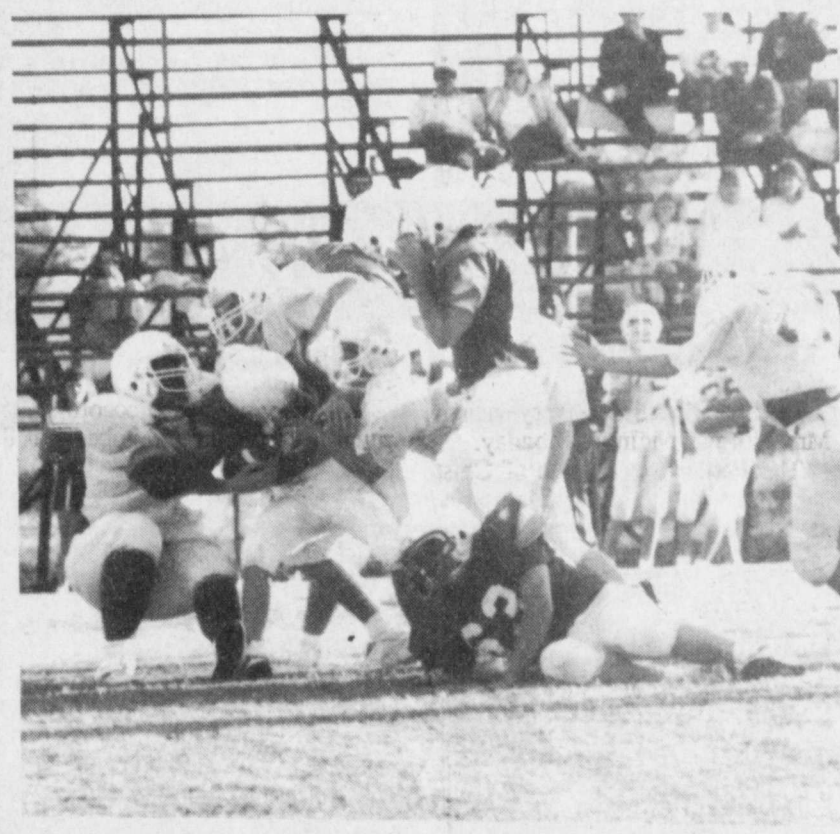

the meal. A pancake supper is scheduled for October 22 in the school cafeteria. Proceeds will go towards the band's needs.

Junior High Pats Lose To Mt. Vernon Tigers

By Gayla Babb and Gayle Anderson

Chad Whitley broke up a third down pass by Mt. Vernon to end the first quarter with both teams scoreless as Prairiland's junior high lost to the Mt. Vernon Tigers 14-8 last week.

Brandon Johnson and Chris Whitney had key blocks during the second quarter. Then with 58 seconds left, James Taylor took a handoff from quarterback David Singleton and ran it 42 yards before being brought down on the Tigers 16. Taylor was unable to get up and was carried to the hospital with a compound fracture of his left arm. When play resumed, Jacky Crawford and the Pats adrenalin flowing for their teammate, carried the ball for 16 yards on one play for the Pats' only touchdown.

On the two point conversion with 51 seconds left, Crawford handed off to Eric St. John to make the half-time score 8-0.

Everything went downhill for the Pats after the half.

A fumble accounted for the Tigers first touchdown from the Pat 10-yard line. The conversion failed due to Tony Head. B.A. Sessums and Crawford holding true. With 58 seconds left in the third quarter, the score was 8-6, Patriots.

With another Pat fumble that left the Tigers on the Pats 25, it only took seven seconds into the fourth quarter for the lead to change hands. This time the Tigers conversion attempt was good and the final score read Mt. Vernon 14, Prairiland 8.

With 24 seconds left, the Tigers fumbled giving the Pats one futile try

left. Crawford led the rushers with 15 carries for 66 yards, including the 16 yard touchdown.

Chris Whitney led the defense with eight tackles and three knocked down passes. Followed by Crawford and Scotty Babb, six tackles each, along with Sessums and St. John getting five each.

The Pats play at Mineola this week.

SPEEDY-Melissa Miller, an eighth grade student at Deport Junior High, won the Bob Sandlin Junior Varsity Cross Country meet held Saturday with a time of 13.22. Coach Ronnie Baker says Melissa has had some excellent runs lately. (Staff Photo by Nanalee Nichols)
