We have become NON-PEOPLE. That's just about the only word for it. We count for nothing...we don't exist, and we can't be called on the telephone except by a select number of people...namely those who know our home phone number or keep very old phone books.

We now have the distinction of being left out of the Contel telephone book and (for the third straight year) the "Paris Area" phone book.

It all started when the Paris Area book failed to list our phone number back in 1987. We politely called these folks and were assured that the error would be corrected. Of course, there was nothing that could be done about it in that issue.

We were still in Contel's book, so we didn't worry about it too much.

Then the next issue came out. Once more we called and were told that it was probably the fault of the phone company. It seems that the Paris Area book consists of listings purchased from Southwestern Bell, Contel, etc. The listings are therefore one year old before they come out in the Paris Area book!

But, I said, we are listed in the phone company book, how come we got left out of your book?

She didn't know.

Then the Contel telephone book came out for this year. Guess what? No listing for Thomas Nichols!

I called Contel and a very nice man apologized and looked up our number. He told me we didn't exist! I told him that was funny, because they managed to find us once a month at billing time!

He said that our "data base" showed only that we had had a phone installed back in 1972...and he didn't blame us for being upset at not existing.

Very carefully he restructured the data base to reflect our existence. Of course, we'll have to wait for a year to see if we really do!

Then Monday morning arrived, and with it the new Paris Area phone books. No listing for Thomas Nichols.

I called. The girl listened to my tale of woe and transferred me to someone else.

The someone else informed me in lengthy tones that we didn't exist...the data base they had purchased didn't include us. I explained the whole thing.

She said "we cannot correct...if you aren't in the data base we purchase you aren't in the data base...there is absolutely nothing we can do about it".

To say I was irritated puts it mildly. The people at the phone company were helpful, rational and apologetic. This woman made me feel as if we had done something wrong!

So here we are, we aren't in the data base...we aren't in the phone books, we don't exist.

It feels funny...this not existing. I feel real, I look in the mirror and every excess pound of me looks back! We walk, talk and pay bills...even phone bills...yet we don't exist. Somewhere out there the big wasteland of computers we aren't in the data base.

Oh woe is us! In the meantime, if you need to call our number is 652-5823. (I wonder if OUR computer will manage to print this number out...surely we're in IT'S data base!)

Texas Jobless Rate Lowest Since 1984

The number of unemployed Texans has not been this low in the last four years according to Mary Scott Nabers, Commissioner at the Texas Employment Commission. "We have seen a continuous decline in recent months and our latest statistics place the state rate at 6.2% in mid-December. That's the lowest rate Texans have seen since December of 1984," Nabers said.

By way of comparison the September rate was 7.1%; October statistics indicated 6.8%; November's rate was 6.6% and in December a decline to 6.2%. The last time the rate was below 6.2% was in December 1984 when it was 5.6%.

The total number of jobless Texans dropped by just over 33,000 in December, to a level of 518,900. The

over-the-month decrease was encouraging, but unemployment has been gradually declining throughout most of 1988. Total employment decreased moderately over the month but was still almost 100,000 above the year-ago estimate.

The majority of the 27 Metropolitan Statistical Areas in Texas for which statistics were currently available mirrored the Statewide pattern, with unemployment decreasing in December. Only four major areas had rates which rose over the month, while one MSA's jobless rate remained unchanged. The current rates for four MSA's were slightly above their December 1987 rates, and one area's rate was the same as the year-ago rate. All other MSA's had lower rates this December than they re-

ported a year earlier.

Areas with the lowest unemployment rates included: Bryan-College Station, with a 3.9% rate in December; the Dallas PMSA, at 4.8%; and Austin, with a 5.0% rate. Three areas tied for fourth-lowest rate: Amarillo, Ft. Worth-Arlington and Lubbock all had December rates of 5.2%.

Only three MSA's had rates in December 1988 above 10%-McAllen-Edinburg-Mission's current rate was 16.4%, the highest among the MSA's. Laredo's December rate was 12.6% and the Brownsville-Harlingen MSA's rate was 10.8%. Rates in these border areas generally tend to be higher than average, and unemployment normally increases in the winter months due to migrant workers returning to their homes there.

High Speed Chase Tears Through Three Counties

What began as a theft of services in Mt. Vernon on Sunday night quickly escalated into a high speed chase that lasted 45 minutes and involved 20 law enforcement officers from four counties. Four roadblocks were run before the chase ended in arrest.

The chase began when a Mt. Vernon store called the police to report that two white males in an orange Firebird bearing Florida license tags, had filled the vehicle with gas an driven off without paying for it.

When the police officer attempted to stop the pair, they fled northward on Highway 37, and he began to call in help.

The Texas Department of Public Safety asked for a roadblock at the intersection of Highway 7 and Highway 271 in Bogata, but the fleeing subjects ran through the intersection without even hitting their brakes.

Constable Randy Boren of Pct. 1, Lamar County, was behind the Mt. Vernon officer and Lamar County and Red River County deputies were pouring in.

Speeds were clocked up to 110 mph, and never dropped below 70 or 80 mph during the entire chase, according to reports.

Roadblocks at Clarksville and DeKalb failed to halt the vehicle. The DeKalb roadblock had been set up with a trailer truck across the roadway, but a tiny space between the trailer and a culvert offered just

enough space for the car to get through.

Law enforcement officials report it was like a movie, with a line of flashing lights following the suspect as it drove cars off the road, passed and generally created havoc.

At one point, the driver of the Firebird actually rammed DeKalb's Chief of Police Carroll Dubson's car. Franklin, Lamar, Red River and Bowie County officers continued the chase which ended at a roadblock just outside of New Boston.

Mt. Vernon Chief of Police Franklin Perry stated, "I could see them tossing things out of the car towards the end, but there was no way to mark the locations, and it wouldn't be usable evidence anyway, since we wouldn't be able to prove it belonged to them."

Gary Lee Kirkland, 17, and a 14-year old white male companion, both of Pensacola, Florida, were arrested and charged with aggravated assault on a Peace Officer, after ramming the side of DeKalb's Chief of Police's car.

Kirkland has since charged with theft of services, reckless driving and fleeing by city police authorities in Mt. Vernon.

Kirkland is believed to be wanted on charges in Florida but no official confirmation had been received as of Wednesday morning.

After trailing 41-38 with less than 2:00 left in the game, Jack Kindle, who scored a game-high 16 points, hit a three-pointer and two pressure free throws at the :03 mark to give the Patriots a 44-43 win over Mineola Friday night in the Patriot gym.

The Yellowjackets, led by David Sinches' 13 points, jumped out to an early 4-0 lead. Randy Huddleston got the Patriots started at the 5:00 mark as he hit one of his three baskets of the quarter. Kevin Mowery and Huddleston combined for six unanswered points to give Prairiland a 10-6 lead after one quarter of play.

After Huddleston hit a baseline jumper at the beginning of the second quarter, Mineola rallied for six straight points to even the game at 12-12. Sinches nailed a three-pointer at the 3:00 mark to give the visitors a

15-14 lead. Mineola went on to lead 18-17 at the half.

Sinches helped the Yellowjackets to a 21-17 lead early in the third period; however, Rydell Minter led the Pats on an 8-2 run to give them a 27-23 lead. Shannon Bake and Kindle dropped in a couple of free throws late in the quarter to give the Patriots a 31-29 lead.

Throughout the first three quarters, Mineola managed to hold Kindle to six points, two free throws per quarter. Kindle put on a show in the fourth period as he canned two three-pointers and four free shots, including the game winner. Aron London kept Mineola in the game with a couple of baskets and a couple of free throws.

Kyle Slayton gave the Yellowjackets a 41-38 lead at the 1:50 mark.

Then Kindle answered with his second three-pointer of the quarter to even the game at 41-41. Bill Whiteley gave the Yellowjackets a 43-42 lead after a Huddleston free throw. The Patriots had 11 seconds to win the game, and Kindle did just that. His two free throws gave the Patriots a 44-43 victory.

Kindle led all scorers with 16 points while Huddleston followed with 15. Sinches led Mineola with 13 while Whiteley added eight points.

The Patriots now have a 5-2 record in District 13-3A play due to a 62-54 loss to Mt. Vernon last Tuesday night. Kindle was the high scorer with 28 points.

The Patriots travel to Winnsboro Friday night to take on the Red Raiders. Game time is scheduled at approximately 7:30 p.m.

Lady Patriots Deal Mineola 40-31 Loss

By Wade Sparks

Behind Mendy Norwood, who scored eight of her 13 points in the final period, Prairiland outscored the Mineola Lady Yellowjackets, 14-6, in the fourth to give the Lady Patriots a convincing 40-31 victory Friday night at home.

Both teams were ice cold in the first period. Neither team scored a point until the middle of the quarter. After Amy Scudder gave the Lady Patriots a 2-1 lead at the 3:45 mark, Sherry Warner led Mineola on an 8-2 run, which gave them a five point

lead. Norwood hit a three-pointer in the closing seconds of the quarter to pull the Lady Patriots within two points, 9-7.

Dana Bradford tied the game up at the start of the second period with a jumper in the lane. Rhonda Eatherly went on to lead the Lady Pats on a 7-1 rally. Prairiland led 16-14 at the half.

The score remained close throughout the third quarter. Bradford scattered six points, including four free throws, for the Lady Patriots, while

Amy Green and Kim Wheat each scored four points for the Lady Yellowjackets. The Lady Patriots still kept a slim 26-25 lead at the end of the period.

Norwood helped the Lady Patriots outscore their opponent 14-6 in the final period. The Prairiland girls also made 10 out of 12 free throws in this quarter. The Lady Patriots went on to defeat Mineola, 40-31.

Bradford scored a game-high 14 points, and Norwood had 13.

Green and Warner led the Lady Yellowjackets with nine points each, while Wheat scored seven.

The Lady Patriots now stand at 4-3 in district play. The Prairiland girls lost to Mt. Vernon last Tuesday, 45-41. Bradford led Prairiland with 17 points, while Scudder followed with 12.

The Lady Patriots will take on the Winnsboro Lady Raiders at Winnsboro Friday night, beginning at 6:30 p.m.

Everybody Wins!

Are you ready for some good news? If so, we encourage you to continue reading, because Contel has some news that could make you stand up and cheer!

Beginning in January 1989, Contel will kick off an ambitious program designed to improve service and lower rates.

It's a program that's made possible through 1986 Tax Reform Act. And the savings that Contel received are being passed on directly to you. It's a win-win situation and here's what we're going to do...

● Offer total one party service. One party service will be available in all areas within three years. If you're currently a multi-line customer, you can soon receive one-party service at a lower rate than what you would currently pay. You'll be notified when your area is about to convert to one party service.

● Lower your monthly phone bill. In your November and December bills, you should have received a decrease in your access line charge and a toll credit.

● Establish new flat rates. Once your area converts to one-party, mileage charges will be eliminated and a uniform flat rate for telephone service will be established. If you're a customer living outside the base rate area, your savings could be substantial.

● Establish a lifeline program. If you're a head of household customer with an income below the federally mandated poverty level, you may qualify for a credit on your Subscriber Line Charge. Look for details in your phone bill.

So that's the good news! And it's a situation in which everyone wins. For you, our customer, it means lower rates, better service and improved equipment.

Look for further information on this new program in your phone bill and get ready to celebrate. Because with our new service plan, everybody wins!

Wicks-Vaughn Exchange Vows

Marla Gene Vaughn and Douglas Trace Wicks exchanged double-ring wedding vows in a formal ceremony at 7 p.m. Saturday, January 28 in the Fellowship Baptist Church at Blossom. The Rev. Mike Black, pastor of East Post Oak Baptist Church, officiated.

The bride is the daughter of Mr. and Mrs. Verlon Vaughn of Blossom. The bridegroom is the son of Mr. and Mrs. Gerald Wicks of Lake Creek.

Wedding music was provided by Mike and Anita Black and Teresa Johnston of Blossom, vocalists.

The bride was given in marriage by her parents. She wore a gown of pearlized organza fashioned with a sweetheart neckline and fitted basque waistline. The bodice was outlined in

imported Venice lace detailed with handsewn pearls and sequins. The puffed sleeves of pearlized crystal organza were accented with the imported lace. The full skirt featured medallion insets of the jeweled lace and extended to form a semi-cathedral length train bordered with a double cascading ruffle.

Mrs. Mike Williams of Finley, OK, aunt of the bride, was matron of honor. Bridesmaids were Anita Jaynes and Frances Fodge, both of Blossom.

Travis Vaughn, brother of the bride, and Mike Lawson of Lake Creek were candle lighters, Jami Bryan of Sumner was flower girl and Colton Wick, nephew of the bridegroom, was ringbearer.

Curtis Blagburn of Emory served as best man. Groomsmen were Darryl Blakeley of Lake Creek and Shane Carrington of Dike.

Ushers were Travis Vaughn and Mike Lawson.

A reception was held in fellowship hall of the church following the ceremony.

Members of the houseparty were Mrs. Steve Phifer, Mrs. Donald Vaughn, Mrs. Kathy Storie, Mrs. Randy Wright, Mrs. Randy Wicks, Ms. Wanda Whitaker and Ms. Brenda Lee.

The bride is a graduate of Prairiland High School and Paris Junior College. She is employed at Bealls Department Store.

The bridegroom is a graduate of Cooper High School and East Texas State University. He is employed at Chism High School and Gregg Animal Clinic.

Following a wedding trip to San Antonio, the couple will make their home in Paris.

INGROWN PROBLEMS

Ingrown nails, or nails that begin to cut or grow into the skin, are one of the most common foot problems among older people. Ingrown toenail occurs most often in the large toe, but other toes can also be afflicted. Sometimes, ingrown toenails are so painful that a person cannot wear shoes. Untreated, an ingrown nail can break through the skin, leaving a toe vulnerable to infection. Any infection should be treated by the podiatrist immediately because infection can spread into the rest of the body. Left untreated, ingrown toenails can also cause the tissue around the nail to thicken and become painful. A nail that is C-shaped when viewed from the front should be looked at by the podiatrist before attempting to trim it.

Any chronic symptom can be a sign of a more serious health problem. In the case of fungus nail, it can be an early sign of diabetes. If you notice any nail discoloration without having bruised the area, it is best to have it checked. As in any case, it is best to begin a treatment of a problem in the early stages of its development.

This has been presented as a public service to promote a better awareness of the benefits of podiatry by the office of MAX R. WEINBERG, D.P.M., PC.

The Deport Lady B team traveled to Chapel Hill Saturday, January 28 to participate in their tournament. They lost their first game of the tournament to the Chapel Hill Devils, 28-16. Tonya McNabb and Angie Dawson both scored five points and Andra Allen and Jeniece Perry scored three points each. The prize winner came that evening when the Deport Lady B's really put in on Paul Pewitt, 35-18, to come back home with the third place trophy. Two of the Deport Ladies hit double figures, they were Tonya McNabb with 12 and Andra Allen with 11. Others contributing to the win were Becky McNabb and Jeniece Perry with four each, Angie Dawson with three points, Marti Gifford with one point and Edie Loven with good defense. They all played an excellent game.
