Next Sunday is Easter. Thinking about Easter invariably brings back memories of "Easter Dresses" in childhood.

Do youngsters today still get that special spring outfit that they wear for the first time to church that day?

I recall going with my mother and grandmother to look for that Easter dress. It seems to me now that it usually took a whole afternoon.

There were colors to be considered, sizes to be tried on, and styles to ponder over.

That was back in the fifties, when little girl's clothing had athered skirts and dozens of stiff etticoats. Just getting into and out of those dresses took time!

At last the dress would be found that was the right color, size and price.

Lest you think the shopping trip was over though, just reconsider.

That shopping trip had just begun!

Along with the dress had to go new shoes. And for me, at least, that could be a royal battle.

Shoes feel good first, look good second in my book. The female members of my family felt that my priorities were mixed. Also, those shoes had to last for a while as "Sunday, dress up shoes".

So it was try on, fuss, walk around the shoe store, and finally, after lengthy debate, purchase a pair of little patent leather shoes. Still, however, the shopping spree wasn't finished.

Now came accessories. First a hat, or at least a little flowerbedecked comb or headband.

Again with the try ons and look-

# Local Sales Tax **Reports Show Ups, Downs**

State Comptroller Bob Bullock on Monday sent a late Christmas present to Texas cities, counties and MTA's by way of checks totaling nearly \$225 million in local sales tax allocations.

"The cities alone got a 12% increase over last year's checks, and 8%, more than half, is due to higher sales during the holidays," Bullock said.

Bullock added that about \$670 million was deposited in th estate's coffers because of the strong returns, and state lawmakers could put the unexpected extra \$150 million towards planning the 1990-91 budget.

"The growth in collections from the broadened tax base has evened out now. That means these increases are a direct result of a stronger economy and greater consumer confidence," Bullock said.

Checks totaling \$145.1 million were sent MOnday to 1048 cities that collect local sales tax at either one or one and one-half percent.

The state's six metropolitan transit

Blossom reported a 31.41% increase with a check for \$3,739.59, compared to \$3,978.21 for the same period, with a total to date of \$5,227.70.

Deport received \$2,873.25, compared to \$2,672.45 over last year for an 8.64% increase.

Paris received \$317,455.85 showing a 6% increase over the payment in 1988.

Bogata received \$4,080.67, for an 8.16% decrease over a \$4,644.86 payment in 1988

Clarksville received \$33,811.37 for a 13.42% increase while Detroit received \$1,559.14 for an 11.33% increase over 1988 payments.

Talco received \$2,648.37, marking a 29.33% decrease over last year's payment of \$3,312.17 with a 1989 payment to date total of \$3,734.93, compared to \$5,285.31 for last year. Mt. Pleasant received \$143,892.17 for a 5.44% increase over 1988.

Comptroller Bullock said Friday that March's city sales tax rebates, which reflect sales made in January, were up by an average of 27% statewide. "Although consumers usually slow down their spending in January, this is a good sign that the state's economic engine is running strong and steady," Bullock said.

Checks totaling \$61.7 million were sent Friday to 888 cities that collect local sales tax at either one or one and one-half percent. Bullock said that's an impressive gain over last year's March payments to cities, which was just \$48.6 million statewide

Bullock added that 26 cities that began collecting an optional halfpercent local sales tax in January received their first payments wiht this month's allocation.

Bogata received \$1,611.49 for a 20.37% increase, compared to no payment for the same period last year.

Clarksville received \$12,979.88 for a 10.77% increase. Detroit received no payment for this period,

and no payment for the period in

1988. Blossom received \$983.23 for a 37.54% increase over last year's payment of \$537.48.

Deport received \$771.67 for a 2.58% increase over no payment last year while Paris received \$134,404.37 for a 10.28% increase. Mt. Pleasant received \$64,802.88 for a 5.26% increase. Talco received \$763.59 for this period, for a 29.61% decrease over last year's payment of \$1,105.91.

ing! Of course, selecting the hat was more difficult than the dress, because it had to color coordinate with the dress.

Finally I would find something that caught my fancy, that mother considered appropriate, and that grandmother didn't find too radical.

That only left gloves, socks with lace or a tiny flower, and sometimes, a little patent leather purse!

It's taken me years to realise that being the only girl with three older brothers meant that I received more attention about Easter outfits than other youngsters with sisters may have.

But I did realise that Easter Sunday, when I went into the church in my brand new dress vith all the little touches, that I felt so good! Each year I felt a little more grownup.

I heard all the lectures about pride, and how Easter wasn't just for new clothes. And somehow those new clothes just seemed to compliment the season, as if they, too, marked a new beginning.

It was a special time, and I hope today's kids can feel just as special.

Guest speaker at the Deport Kiwanis Club meeting on Saturday morning was Ginger Haan, Executive Director of CHANCE (Citizens Helping Abused, Neglected Children Effectively).

Chance helps parents who are usually stressed or unemployed to cope with their problems and learn to control their anger and frustrations, thereby not taking it out on the chilren.

Ms. Haan said that sometimes parents need to be taught the difference in spankin a child and beating a child. CHANCE also helps these people obtain a GED high school equivalent, and enters them in a training program so that they can become productive, and in some cases can get off of welfare rolls.

Haan stated that the organization deals with abused children who are form infants to eighteen years old. Lamar County, she says, ha sthe highest rate of sexual abuse.

Most of the time, she reports, a chil will be abused in the home, usually a father abusing his daughter, and the

mother is afraid to report the offense because she stands to lose her family and her home.

In such cases, CHANCE works with the entire family to help them get out of the abuse cycle.

Parents Anonymous is a courtordered program that parents who abuse their children are required to attend regular meetings of as part of the program.

Mothers must be taught that they should report sexual abuse. The chil has to be convinced that they have done nothing wrong. Surveys show that abused children are more likely to commit crimes, use drugs, alcohol and are more likely to commit suicide.

Only one percent of sexual abuse is attributed to women. Women are charged with 40% of physical abuse case with men receiving the highest marks in both categories.

Teenage mothers are more likely to abuse their children than mothers over 20 years.

**Report On Truck Fund** The Deport Volunteer Fire Department heard a report from Fire Chief Duane Glover on donations to the firetruck fund. During the regular meeting on

Monday night, Glover reported that the donations have trailed off and they are still about \$1,000 from the goal of \$35,000.00.

However, the truck which the city really needs, he said, runs closer to \$50,000. The new truck needs to be equipped with a 250-350 6 pm pump so that if the big truck breaks down

(the big truck is already over 20 years old), the smaller truck could serve as a back -up for major fires.

Also, and very importantly, Glover said, the more expensive truck with the 250-350 6 pm pump would keep the key rate in Deport down at 4-5% for insurance.

A committee from the department was elected to look into the final details of purchsing a new truck. On the committee are Duane Glover, Charles Foster and Dana Norman.

### Herd Bull Performance Is Predictable

**By Herb Brevard** Cattlemen with an eye to the future want to eliminate potential mistakes in herd bull selection, says a live- on performance records of individual stock specialist for the Texas Agri- animals for traits such as birth weight, cultural Extension Service. By utilizing sires from parents of known Expected Progeny Differences, producers can improve the production efficiency of their herd and consumers can benefit from more economically produced beef," said Dr. Randall Grooms. ## Patriots Take Third In Tournament

The Prairiland Patriots captured third place in the Paris High School Baseball Tournament last week. They faced three quality teams and were able to win two of the three games.

On Thrusday, they defeated the Commerce Tigers by a score of 1-0. The game was scoreless until the top of the fourth inning. Giovanni Scarano drew a walk to lead off the inning. He was able to steal second, and reach third on a passed ball. Kevin Mowery, hit a long sacrifice fly to left field, enabling Giovanni to score.

Martin Babb shut down the Tigers for the rest of the game, facing four batters in the fifth and three in the sixth innings.

The game was a pitcher's duel, a sCommerce's Duane Miller pitched a no-hitter whil Babb allowed only two hits. Babb struck out 11 batters and alloed one walk.

Friday afternoon, Prairiland was defeated 5-0 by a good Hugo Buffalo team.

Wade Sparks started on the mound for the Pats, and despite pitching a very good game, was saddled with the loss.

The Patriots, who have been struggling at the plate, could manage only four hits off winning pitcher Jason Payne

Hugo jumped to a 2-0 lead in the first inning and added singleruns in the third, fifth and sixth to gain the win.

The Buffs' record moved to 3-0 on the year, while the Patriots' record evened at 3-3.

Prairiland faced an old "ex" satuarday night, as they went up against former Patriot Paul Allen's Corsicana Tigers.

With the third place trophy on the line, the Pats slammed out nine base hits enroute to a thrilling 5-4 victory in eight innings.

This was a good quality win," Patriot coach Bill Scudder said. "We had been struggling. We've had some games where we hit but couldn't score. Saturday we played with a lot of enthusiasm."

Corsicana started the game as if they might make it a long afternoon for Prairiland. They turned three Pat errors and two base hits off Jack

Kindle into a 2-0 lead. They buil the lead to 3-0 and then to 4-2 before Prairiland began their comeback.

In the bottom fo the seventh, Trevor Upchurch blasted a triple to the base of the 390 foot sign in right centerfield. Shannon Baker then lind a single to centerfield to score Upchurch and tie the game at 4-4.

Prairiland dodged a bullet in the top half of the eighth. The Tigers put runners on second and third base with only one out, but winning pitch Martin Babb, who had started inning in relief of Kindle, retired Brad Reynolds with a strike-out, D.D. Hicks hit a fly ball to David Miller in rightfield.

The Pats scored the winning run in much the same way they scored against Commerce on Thursday.

Scarano once again opened the inning with a walk. P.G. Morrison was at the plate when a balk moved Scarano to second. He stole third base and Morrison drove him in with his second run batted in of the game. Prairiland improved to 4-3 with the win Babb's reord moved to 3-1.

SYMBOL of the season-Dogwood is an age-old symbol of the Easter season. Legend says that the dogwood tree used to be a large, strong tree, and that the wood of the cross was made from it. Because of the

tree's distress over this, it was made to grow too small for such a use ever again, and the cross-shaped blooms are touched with "blood" to serve as a reminder to all. (Staff Photo)
