Almost everyone loves spring-time. There are obvious reasons for this, the perfect weather, the beautiful flowers, all coming after winter.

But there is another reason that perhaps isn't so obvious, and that's the awareness of life, spelled with a capital "L" is so much in the forefront. And a brief look at a typical spring morning reveals so much life!

Children don't stand huddled in heavy clothing waiting for school buses...they are running, jumping, pedalling bikes, whirling in the spring sunshine like cavorting colts.

Older people step out into the glowing green-gold world with a brisk step and well-being.

People going to work regret having to go inside. Those lucky enough to not be going to work sit savoring cups of coffee in the outdoors, or simply stand looking over their yards and lawns.

Laughter comes easy in spring abundance, friendly hellos abound.

In the non-human world all is busy and productive too. Rabbits nibble at dew-covered grasses, birds are incredibly busy going to and fro feeding young or building nests. Everywhere the sounds of bird song, from the cheeping of the sparrows to the liquid songs of more musical birds can be heard.

Cattle graze hungrily at the variety of pasture available after the boredom of winter hay, and horses with foals at their side trot contentedly across velvet fields.

The crops grow so fast that almost daily progress can be observed in their height, and of course weeds gain equally!

Art fairs, flea markets, garage sales, cookouts, softball and baseball...all sorts of outdoor activities bear testimony to the human desire to be out into the fresh air.

Life, burgeoning and abundant, is everywhere. Unplanned, frequently unconsciously recognized, it is so free, so pleasant that a simple walk or drive down a street relieves a smile on the face and an uplifted heart.

## Sales Tax, Jail Bonds Okayed, Unit Road System Nixed

In Saturday election results in Lamar County the voters cast ballots heavily in favor of building a new county jail, and to initiate a half cent county sales tax, and voted against beginning a unit road system.

On the jail issue a total of 6,254 votes were cast, with 4,382 in favor.

In Precinct 1 1104 were in favor, 470 against. In Precinct 4 1456 were in favor, 626 against. Precinct 2 voted 636 for, 359 against and Precinct 3 voted 723 for, 317 against.

On the half cent sales tax a total of

4,524 for, 1,712 against voted throughout the county.

Precinct 1 voted 1174 for, 400 against; Precinct 2 667 to 339 against; Precinct 3 709 for, 312 against and Precinct 4 voted 1540 in favor, 550 against.

Concerning the unit road system the county cast 3,497 against the system while 2,734 voted for the proposition.

Precinct one voters cast 952 votes against the proposition, and 626 for it. Precinct 2 voted 297 for and 703 against

it, Precinct 3 248 for and 775 against. Precinct 4 voted 1,249 for and 845 against the issue.

Voter turnout was generally light in spite of the controversy which had surrounded the adoption of the unit road system.

In city and school board elections voters turned out, again in light numbers, since there were no contested elections.

## Deport To Get House Numbers

The Deport City Council appointed Johnny Denison to work and plan the house numbering system for the city. House numbers will be necessary for the 911 emergency system, and will also be of assistance to city government, and to strangers seeking a specific house.

Also during the regular meeting a motion was made and passed for the maintenance, control, supervision and regulation of exit Highway 271.

A motion was made and carried to table the one-way street on Church Street, in front of Deport School.

Payment and participation in the

Sulphur River Basin Water and Wastewater Management Planning Study was authorized by the council, the financial report was approved as presented, the election votes were canvassed and the Mayor swore in all new council persons.

Minutes were approved as read.

## Prairiland Board Accepts Retirements

The Prairiland School Board accepted the resignations of several people who have given many years of dedicated service to the school systems on Monday night.

Superintendent Leslie Taylor will retire as of June 30, after 37 years in the field of education.

Ina Sparks will retire June 5, after 46 years as a teacher, first with the Deport School, then Prairiland.

Joyce Allen, after 24 years of service, will retire June 30 as secretary.

Also submitting their resignation was Pam Houser, a Blossom teacher.

Taylor said that applications for the superintendent's position will be accepted from within the school district. No outside applications will be accepted.

The board also canvassed election returns, confirming Steve Dunagan,

Place 1 with 217 votes, and Dana Norman, Place 4, with 225 votes.

The purchase of an ice machine for the Deport Cafeteria was okayed, as was the purchase of a 47-passenger school bus.

Dr. Richard Nash gave the board a report on the TEAMS tests results.

Minutes were heard and approved as was payment of bills and the financial report.

## Deport VFD To Sponsor CPR Training

The Deport Volunteer Fire Department will sponsor a CPR training seminar on Saturday, May 20 from 1 p.m. until 9 p.m. at the Deport Volunteer Fire Station.

This life-saving skill is invaluable in an emergency situation, and any

one interested in obtaining the training from certified instructors can come by during the designated hours.

Everyone is encouraged to learn this skill and take advantage of this free service.

## PTO Meeting Set For May 15

The Deport PTO has scheduled their next meeting for Monday, May 15 at 7 p.m. in the Deport school library.

The discussion and vote for the purchase of needed equipment for the school is one of the major topics

of discussion at the meeting, along with the election of new PTO officers for the 1989-90 school year.

All interested parents are encouraged to support the PTO and attend this very important meeting.

## "Big Fish" Contest Being Held

There will be a "Big Fish" contest sponsored by Figueroa's Taxidermy in Deport.

Three divisions, Bass, Crappie and Hybrid Stripers will each have a winner.

Winners of each division will receive a free mount from Figueroa's Taxidermy. Frozen fish will be accepted. For more information, call anytime, 652-4551.

CURRENT FIRST LADY, Barbara Bush, visited the Trinity campus during the summer to talk with students and learn

about the Department of Education's innovative programs. Dr. John Moore, chairman of Trinity's Department of Educa-

tion, is pictured at left. Dr. Moore is the son of Helen Moore and the late John H. Moore of Deport.

DOWNED by the high winds, trees were damaged or destroyed throughout the area. Also damaged were roofs and

metal barns as winds of up to 70 mph were clocked when the thunderstorms swept through last week. (Staff Photo)

## Insects Are Extremely Active

By Herb Brevard  
Many insects are becoming active as spring welcomes warmer weather. "Even though many peaches and plums have lost their crop, producers should keep the leaves on the trees by controlling defoliating insects and diseases," said Dr. James Robinson, entomologist for the Texas Agricultural Extension Service. "If fruit remains on the trees, insect and disease control should be continued according to Extension Service guidelines."

June beetles are actively flying. Robinson said to not get excited, but to wait until June to treat the grub stage. By mid-June, chinch bugs should also be active and at that time, one treatment can be used to control

both pests. "Several insects, including imported fire ants, carpenter ants and termites are swarming," Robinson said. "Before beginning control measures, be sure of proper identification."

Since fire ants are forming new colonies, this is an excellent time to spread baits and use direct mound treatment to obtain extended control. "Fleas and ticks will become active in May," Robinson said. "It is an advantage to get the jump on control before high populations develop. Flea controls need to be a complete job with treatment of the pet, yard and house."

## Burglary Is Crime Of Week

This week Crime Stoppers is offering up to \$1,000.00 in cash rewards for information that leads to the arrest and indictment of the person or persons responsible for the burglary of the BC Tool Company in Blossom. Several thousand dollars worth of metal working machine tools and precision measuring devices were taken. Entry was gained by removing

metal cover over a north side window then breaking the window.

Persons calling Crime Stoppers do not have to identify themselves to collect the reward.

Crime Stoppers pays cash rewards for information on other felony crimes. Call Crime Stoppers at 785-TIPS.

## LOOK UP

### Before you cut down

You can prevent an accident by making sure there are no power lines nearby before you cut down or prune trees.

Pruning tools, saws or branches contacting a line could turn you into a conductor of electricity and cause serious injury.

If you have branches that are close to power lines, call your local TNP office to report the problem.

If the branches are too close, we'll trim them away from the line for you.

# Patriot Sports Report

## Patriots Drop One, Win One

A good crowd showed up here Saturday afternoon to see the Prairiland Patriots sew up the district title but Mt. Vernon's Tigers spoiled the party by beating the Pats 7-3.

Jack Kindle had a tough day on the mound as he had trouble throwing strikes. Everyone who has watched Kindle pitch over the past eight years will know that he is of the better control pitchers around.

Shannon Baker and Wade Sparks led off the first inning with singles and with Babb, Kindle and Scarano coming to the plate, Pat fans sensed an early inning explosion. But the explosion never came as all three were retired with the Patriots failing to score.

"That first inning really set the tone for the game today," said Patriot coach Bill Scudder.

Steve Gadlin led off the second inning with a blast over the center-field fence and Mt. Vernon had the lead for good.

They added three more in the third as Kindle had a very hard time locating the plate. He hit one batter and the second reached first on a strike-out and passed ball.

Doyle Preston blasted a long drive over the right centerfield wall and the Tigers led 4-0.

Wade Sparks and Shannon

Osborne both blasted solo homeruns for Prairiland but Mt. Vernon countered with two more runs to make the score 6-2.

Sparks singled to lead off the Pat fifth and scored on a long double to left center by Kindle.

Mt. Vernon added one more run in the top of the sixth and held Prairiland for the win.

Prairiland dropped to 10-2 for district play while Mt. Vernon improved to 8-4. The Pats are 16-5 overall.

Kevin Mowry and Jack Kindle each blasted a homerun here Friday evening as Prairiland bounced Mineola's Yellowjackets.

Mowry also added a single and triple as he continued his hot hitting.

Martin Babb spaced five hits and K'd eleven batters to record the win for the Pats.

Prairiland drew first blood as Shannon Baker led off with a single to center and moved to second when Wade Sparks was hit by a pitch. Both men scored when Martin Babb singled to left centerfield.

Mineola took advantage of a Pat error and took base hits to tie the score in the bottom half of the first. This would be all the runs Mineola got because Babb really toughened up for the remainder of the game.

Mowry blasted a long, towering home run over the left field fence in the top of the third and this would prove to be the winning run.

No one scored again until the top of the fifth when Prairiland notched three more runs to put the game away.

Babb drew a walk and moved to second on a single by Kindle. Gio Scarano popped a double to right center which scored Babb. Mowry then drove both men in with his third hit of the day.

Mineola posed a threat in the bottom of the fifth inning as Mineola advanced runners to second and third with two outs but Sparks ended the threat with a great running catch to the alley in left centerfield.

Prairiland scored twice more in the sixth inning to make the final count 8-2.

Sparks reached base on an error and after Babb flew out to center, Kindle ripped a line drive over the right centerfield fence for a two run homer.

Babb shut Mineola down in the sixth and seventh innings, thanks to a very good throw from left fielder, David Miller, to nab a Yellowjacket runner at the plate.

With the win, the Pats improve to 10-1 in district play and 16-4 overall.

## LaVeda Farris-Howell Obtains Degree

LaVeda Farris-Howell, formerly of Deport, will obtain a Master of Social Work degree from the University of Alabama in Tuscaloosa during commencement exercises on May 13.

LaVeda holds a Bachelor of Science in Psychology from Athens State College in Athens, Alabama. She obtained this degree in June, 1987, where she graduated Magna Cum Laude. Mrs. Farris-Howell also has an associate of Science degree from Wallace State College in Hanceville, Alabama.

Mrs. Farris-Howell attended East Texas State University and The University of Alabama in Huntsville,

Alabama as a Speech/Drama major. She graduated from Prairiland High School in 1983 and is a member of the National Association of Social Workers and Psi Chi Honor Society. She will take the Alabama State Board of Social Work license exam in July.

LaVeda is the daughter of Mr. and Mrs. Robert Farris of Deport. She is married to Barry Howell of Cullman, Alabama where he is employed as a jeweler. She has been an employee for the State of Alabama Department of Human Resources as a social worker the past year. She practiced her residency at Cullman Counseling Center, where she specialized in services to the seriously mentally ill. She participated as a co-therapist in group, family and individual psychotherapy sessions.

LaVeda's plans for the future include beginning work on a Doctorate Degree, as well as teaching undergraduate psychology classes at Athens State College. At this time, she plans to remain an employee of the State of Alabama. Eventually, LaVeda would like to go into private practice in psychotherapy.

## STAT-CARE PHYSICIAN APPOINTMENT SERVICE

In an effort to better assist the people of the northeast Texas and southeast Oklahoma area in securing quality medical care, McCuistion Regional Medical Center has implemented STAT-CARE Physician Appointment Service, the first of this type of service in this area.

How it works: AT HOME

Whether you are new to this area or just have never established yourself with a physician or dentist, STAT-CARE can help. If you need prompt medical attention, we will have you in the doctor's office within 24 hours, simply by calling 737-1100. If you need a routine check-up, you will be in the office within seven to ten days.

AT THE HOSPITAL

When you call the STAT-CARE line, you can leave your name and telephone number and nature of illness requiring attention. When your appointment has been made, in only a matter of minutes, you will receive a call of the scheduled time, doctor and direction to their office without having to wait on the telephone!

AT THE DOCTOR'S OFFICE

You are greeted by a member of the doctor's staff, given instructions about your new found doctor. Doctors in this program present 17 different medical specialties to meet all your needs.

At McCuistion Regional Medical Center, we are prepared to care for all of your emergencies. From birth, through life....

## Camp Gambill Resident Camp Accepting Registrations

Camp Gambill, a summer resident camp for girls ages 6-17, is currently accepting registrations for sessions in June and July. Openings in three-day, one-week and two-week sessions are still available, according to camp director Linda Christian.

The three-day sessions, scheduled for June 25-28 and June 28-July 1, July 2-8 and July 9-15. This session is for girls who are comfortable with being away from home and enjoy the outdoor life. It includes more advanced outdoor skills and pioneer living activities, gardening, conservation projects and Red Cross certified swimming and boating lessons.

The fee for this session is \$90.

Two-week sessions offer extended opportunities in campcraft and aquatic skills. They are scheduled for June 11-24 and July 2-15. The fee is \$135.

Camp Gambill is located five miles northwest of Paris and is operated by the Red River Valley Girl Scout Council. It is open to all girls regardless of race, creed, handicap or national origin.

### THOUGHT FOR FOOD

**Pork Sausage-Bean Casserole**

3/4 lb. bulk pork sausage  
1 can (21 oz.) baked beans  
1/2 cup catsup or chili sauce  
1/2 tsp. pepper  
1 red apple, thinly sliced  
2 to 4 tbsp. packed brown sugar

Cook and stir sausage in 10-inch skillet until light brown; drain. Stir in beans, catsup and pepper. Pour into ungreased 1 1/2-quart casserole or 10x6x1 1/2-inch baking dish. Arrange apple slices on top; sprinkle with brown sugar. Cook uncovered in 400° oven until hot and bubbly, 25 to 30 minutes. 4 or 5 servings.

## Bereaved Parents Will Hear Mrs. Rheudine Calk

Mrs. Rheudine Calk of Lone Oak will be the featured speaker at The Bereaved Parents Support Group when it holds its May 11 meeting.

Mrs. Calk has five deceased sons and will be sharing how she coped with her grief during these multiple tragedies. Mrs. Calk is the widow of the late Rev. A.W. Calk. She ministered with her husband as they pastored churches for 30 years.

There are six surviving children

from this family; two of them, Reverents Tom and Sam Calk reside in Paris. One granddaughter, Mrs. David McCarthy also resides in Paris.

The meeting is open to the public and begins at 7 p.m. at PJC, Alford Center, room 106. The group meets the second Thursday of each month. A 24-hour crisis line is available at 785-1457. For additional information, call 785-7781.

### ASCS News

By James B. Allcorn

Folks living in the farm sector of this country generally accept farm subsidy programs as a way of life. After all, they have been around longer than a majority of the population. We saw programs change shape back in the early 1970's with direct cash payments being phased out and the flexible system of "target prices" coming into vogue. Both systems cost money, but the target price concept coupled with high loan prices and the embargoes of the late 1970's cost the taxpayer and the American farmer dearly. Subsidy costs went through the roof which hurt everyone, but the farmer lost a considerable portion of his export markets. Prices for farm

products sunk to levels not seen in decades and agriculture then took a double whammy as oil prices dropped. The bottom fell out of an already inflated real estate market wiping out banks and whatever equity was in land. A lot of farmers down the drain too.

Now we are almost in the 1990's and the subject of cutting crop subsidies keeps coming up. It is probably just a matter of time until we see farm programs pared further. Few will disagree that a reduction in government spending will benefit the US taxpayer. Lower subsidies means lower taxes for everyone. It also means fewer dollars in farmer's pockets and local communities as a whole.
