Okay, so I'm not civilized. My husband says it's due to my Scots ancestors, which were known as "oatmeal savages".

Personally, I say it's because I simply want to do what needs to be done as quickly and directly as possible.

But at any rate, my fastidious spouse thinks that I'm totally uncivilized and really disgusting at times.

Most people probably will agree with him.

The whole conversation began Sunday night during a visit at some friends. The family cat had a terrible abscess on his front shoulder. The cat didn't like them fooling with it.

So I gathered aforementioned cat into my lap, soaked the shoulder down in warm water, trimmed back the hair and worked at draining the pus out of the wound, then packed it with antibiotic powder.

Voila, cat was taken care of!

During that time, however, my hostess had fled to the bedroom in horror and my husband had moved to another chair...one very far away.

After my impromptu veterinary treatment I did go wash my hands, then proceeded to eat some snack or another.

Hostess exclaimed "How can you EAT after that". Anyone who knows me should be able to tell that I can ALWAYS eat!

My husband preceded at that point to say he was surprised I bothered to wash my hands at all.

He told off on me. Saturday morning, when we were at the pasture, Thomas got a large splinter in his hand. Of course, we were off in the middle of nowhere with no needle, not even a knife with us.

He gouged around with the sharp (sort of) edge of a screw driver and got one end of the splinter poking up.

We couldn't get a grip on it, so I suggested that I'd use my teeth.

He looked at me in horror. "I've been handling that cow," he exclaimed. "My hand is DIRTY".

He dug some more.

Then he rummaged on the dash board for something else and I grabbed his hand, clamped the splinter between my teeth and drew it out.

He looked at me in disgust and shock.

I informed him that the splinter was out, wasn't it?

So now he's running around telling everyone that I'm uncivilized. He uses these instances, and a number of more, to illustrate his point.

Well, I don't care. If I'm not very "couth" at least I get results.

I have a strong stomach and very few qualms in this world. It may not be sweet, but it's efficient!

## Monthly Rebates Are Second Highest In State's History

State Comptroller Bob Bullock said Friday that his office sent checks totaling \$156 million in local sales tax rebates to cities and counties in Texas.

This month's total is the second highest monthly rebate in the state's history with last February's payments of \$157 million to cities and counties setting the state's record.

Total payments last February were \$1.2 million higher than this month because a number of large audit payments were credited to the books last February, Bullock said.

This February's payments to cities totaled \$143 million.

Payments to counties totaled \$13 million this month, compared to \$12 million last February.

Blossom received \$3,422.62 for this period, compared to \$3,739.59 last year for an 8.48% decrease while Paris increased their payment by 6.85%.

Deport received \$2,884.30, compared to \$2,873.25 last year, or a .38% increase.

Bogata received \$3,921.98, compared to \$4,080.67 for last year's payment, marking a 3.89% decrease.

Clarksville received \$28,443.52, for a 15.88% decrease from last year's payment.

Detroit received \$2,234.92, compared to \$1,559.14, marking a 43.34% increase.

Talco received \$2,977.28, compared to \$2,648.37 from last year, for a 12.42% decrease while Mt. Pleasant received \$147,936.71 for a 2.81% increase over their payment for the

same period in 1989.

Houston received the largest payment in the state, \$24 million. Dallas received the second largest payment of \$15 million and San Antonio received \$8 million while Austin received \$6 million.

Merchants collect the state, city and county taxes and send them to the Comptroller's office with their tax returns. The state keeps its 6% share and each month sends cities and counties their portion of the sales tax.

This month's checks reflect taxes collected on December sales and reported in January by businesses filing monthly tax returns. Also included in this month's payments are sales tax collections reported by quarterly and yearly filers.

# Service isn't something you just switch on or off!

Some banks never see the light. They'll advertise services to draw in customers, and then once you're hooked, the services start to disappear. That doesn't happen here. We have a commitment to our customers first, and we keep it: To offer the type of service our customers want and need. To be friendly, helpful and courteous. To make banking with us convenient, efficient and fast. Anything less would just be a turnoff.

## Region III FHA/HERO Meeting Held in Tyler

"FHA/HERO Decade of Opportunity" was the theme of the Region III FHA/HERO meeting held in Tyler, February 2-3.

For Prairiland High School, one of the highlights of the meeting was during the House of Delegates meeting when Holley Kent was elected Region III President of FHA/HERO.

Holley will be representing Prairiland High School and Region III throughout the year at FHA/HERO state meeting, national meeting and will be assisting in conducting vari-

ous leadership training workshops in the state.

An impressive installation ceremony concluded the Region III meeting where Holley gave her acceptance speech. In keeping with the theme of the meeting, Miss Kent closed by stating that "FHA/HERO will provide me the opportunity to build a home where truth, love, security and faith will be realities and not dreams. It also has provided the opportunity to face the future with warm courage and high hope."

### Presbyterian Women Meet

February meeting of the Presbyterian Women of the Deport Presbyterian Church met in the home of Mrs. Murray Franklin on February 13 with seven members present.  
Mrs. Robert Temple, moderator, gave the opening prayer.  
Following the business meeting, Mrs. Temple read a most inspiring letter submitted to the "Innovator" publication for Presbyterian Women in Grace Presbytery, entitled "Faith Journey" from Mrs. Anna Beth Tums.  
Mrs. Temple announced that the Northeast District Spring Workshop will be held in Sulphur Springs on Saturday, April 7.  
Devotion of the Least Coin was presented by Miss Edith Fuller, subject being "A Cry for Freedom" using the scripture Galatians 5:1. She related the story of the exploitation of

the black race by the whites in South America and their fight for liberty and freedom.  
Mrs. Myrtle Singleton directed the lesson on "A Living Hope" from I Kings 1:3-12 from the Bible Study "Faith More Precious Than Gold".  
Though it is not certain by whom the letters were written, it is known that they were written to the Exiles, who were the Christians in Babylon.  
As Christian women, the group was reminded in the text that in living their lives they always have "Living Hope". This is not to say that they don't have trials and tribulations, but with "Living Hope", which is an inheritance, everyone can rejoice.  
The meeting was closed with the Mizpah benediction.  
A refreshment plate was served by the hostess.

## A Texan's Travels

By Connie Sherley, Austin Author

**TEXAS GIFT IDEA:** "Texas Highways," the official travel magazine for the Lone Star State, makes a great gift for relatives, friends, business associates and former Texas residents. Each issue of the beautiful magazine, noted for its articles and its splendid photos, provides a wealth of pleasure and information.

Cost of a year's subscription is only \$12.50. Send a check or money order to Texas Highways, Circulation Office, Box 5016, Austin, TX 78763 for a gift copy for yourself or for someone else. Critics tell me it's the best state magazine published in the U.S., which is just what Texas deserves!

\*\*\*

**RIDING THE RAILS:** The Eurailpass was my ticket for almost 3,000 miles of European train travel last fall. Combining a 15-day Eurailpass with a 4-day Swiss Pass provided a bonus of unlimited travel on the public transportation systems in Zurich, Lugano and St. Moritz, the Swiss cities I visited, plus the scenic coach trip between Lugano and St. Moritz on the Palm Express.

Combined with trips via the high speed Pendolino from Milan to Rome and a holiday near Cortina in Northern Italy, travel by train was an exhilarating way to see a lot of Europe in a leisurely manner.

Ask your travel agent about the Eurailpass or the Youthpass when you plan your next trip to Europe, and ask, too, about the Swiss Pass. The Swiss Tourist Office locations are at 608 Fifth Ave., New York, NY 10020, and 150 N. Michigan Ave., Chicago, IL 60611.

\*\*\*

**TIP FOR HONOLULU:** The lei shops along Mauna Kea St. in the heart of Honolulu's Chinatown were my last stop before my recent return flight to Texas on American Airlines, which whisked me to Dallas/Ft. Worth and then to home in Austin.

Vanda orchid leis may look fragile, but they travel well and are unique souvenirs and gifts for less than \$5. Shop around a bit, picking out the shop with the best selection and price.

## Deport VFD Meets

The Deport Volunteer Fire Department met in regular session Monday night. Secretary Charles Foster reported that work is progressing favorably on the new fire truck for the department.

Delivery date is tentatively set for May 7.

Also plans for the chili cook-off were discussed and assignments were issued.

A base radio unit has been installed in the City Office to assist the fire chief while on call. Secretary Foster reported that at the last quarterly meeting, Deport Fire Department had made 46 calls, Blossom 81, Cunningham 22, Pattonville 18, Fought 36 and Taylortown 15.

With the list of departments above, and the total of the rest of the departments in Lamar County, the county paid a quarterly payment of

\$7,100.00.

The department voted to install smoke alarms in area homes for a minimum donation of \$15.00. For the minimum donation of \$15.00, residents can arrange for members of the Deport Volunteer Fire Department to come to their home and install two smoke alarms. Persons interested can call the Deport Times at 652-4205 or the Deport City Office at 652-3875.

The date set for installation of the smoke alarms will be March 17.

All a person has to do is call the above numbers during business hours and state your name and where you live if you would like to have the smoke alarms installed. All donations of over \$15.00 will be greatly appreciated.

This fund-raiser is scheduled to raise money for the new truck fund.

Have A Nice Weekend!!

In a little over a month the voters of Lamar County will be given an opportunity to choose the people they prefer, to supervise the operations of your county government. Many things should be considered when making your choice.

Some of the reasons I think I should be your choice for County Judge are:

Experience-I served twelve years as a County Commissioner. During this time I worked with three different County Judges and nine different County commissioners. I learned some things from each and everyone. I have attended many training sessions and seminars pertaining to the operation of county government.

I am a fifth generation native Lamar Countian. My wife, Mori, and I have two grown sons and three grandchildren. I understand the feelings and wishes of the average Lamar County citizen, also the special concerns & needs of the teenagers and senior citizens. Pride in one's home city and county will naturally be a motivating factor and have a positive influence on the way people are treated and business is transacted.

My record on the Commissioners Court shows that I have always been, and will continue to be, fair to all people regardless of their race, color, age or sex.

I am not a lawyer. I am a business man, with the necessary training and skills required, to manage your county government in such a way that you can once again be proud of your Lamar County Government.

Please vote for
