Worth

By Nanalee Nichols

Be careful what you wish for...you might get it! Several years ago I wrote a column on that very thing...and it still holds true today.

We are all so prone to wish our lives away-and often don't really want exactly what we think we want.

As a prime example: during the just-passed holiday season I had a world of things to do. For the first time I had two large family meals to co-ordinate, as well as usual entertaining. Since it's our busiest time of the year anyway, I didn't even have all my Christmas shopping done three days before Christmas.

And during all of this I kept trying to come down with the infamous "cold" that has stricken so many.

Mentally I kept repeating "just let me get through Christmas, and I won't complain a bit", or "please, all I'm asking is to get past Christmas day...I can't be sick right now. After that it won't matter".

Of course, you've guessed the rest. I did make it right through Christmas day.

And the day after Christmas woke up with ringing ears, miserably sore throat, fever and all the rest.

And, of course, it did matter. And, of course, I complained.

I'm still complaining, as a matter of fact. As if to rub it in, we had to turn down a weekend invitation to go down to the coast because I was too sick. (do you KNOW how sick I have to be not to travel?)

So, obviously, what I wished for came true...and I didn't like it one little bit.

What I really wanted, of course, was to not get sick at all.

But, like almost everybody, some sub-conscious level tells us that we shouldn't ask for so much and we set up little deadlines and conditions. None of those matter in the least, naturally.

But, one more time, I've been reminded that we really should be careful for what we wish...because all too often that's exactly what we get... and we don't like it!

"Rehabilitation" Of Hwy. 271 Begins

For the 3,500 motorists who drive along US 271 between Deport and Bogata every day, the wait is finally over. Rehabilitation along the roadway is expected to begin this month. In December, the Texas Transportation Commission awarded a \$2.5 million contract to Jordan Paving Construction of Irving to resurface the 7.2 miles of highway between the two cities.

"For the past five years, we've had to do a lot of patch work on 271 because the money simply wasn't there to do the full reconstruction. At

the same time, motorists still drove the road and the condition worsened with traffic. This contract will put a new face on that section of the highway," Paris District Design Engineer Ken Jones said.

Although Red River and Lamar County residents have been waiting for the good news, the construction does not come without a cost, in time. Lamar County Resident Engineer Jim Hall, who will oversee the project for the department, does expect some traffic slowdowns dur-

ing construction.

Hall added that motorists should exercise caution through the construction areas and observe warning signs.

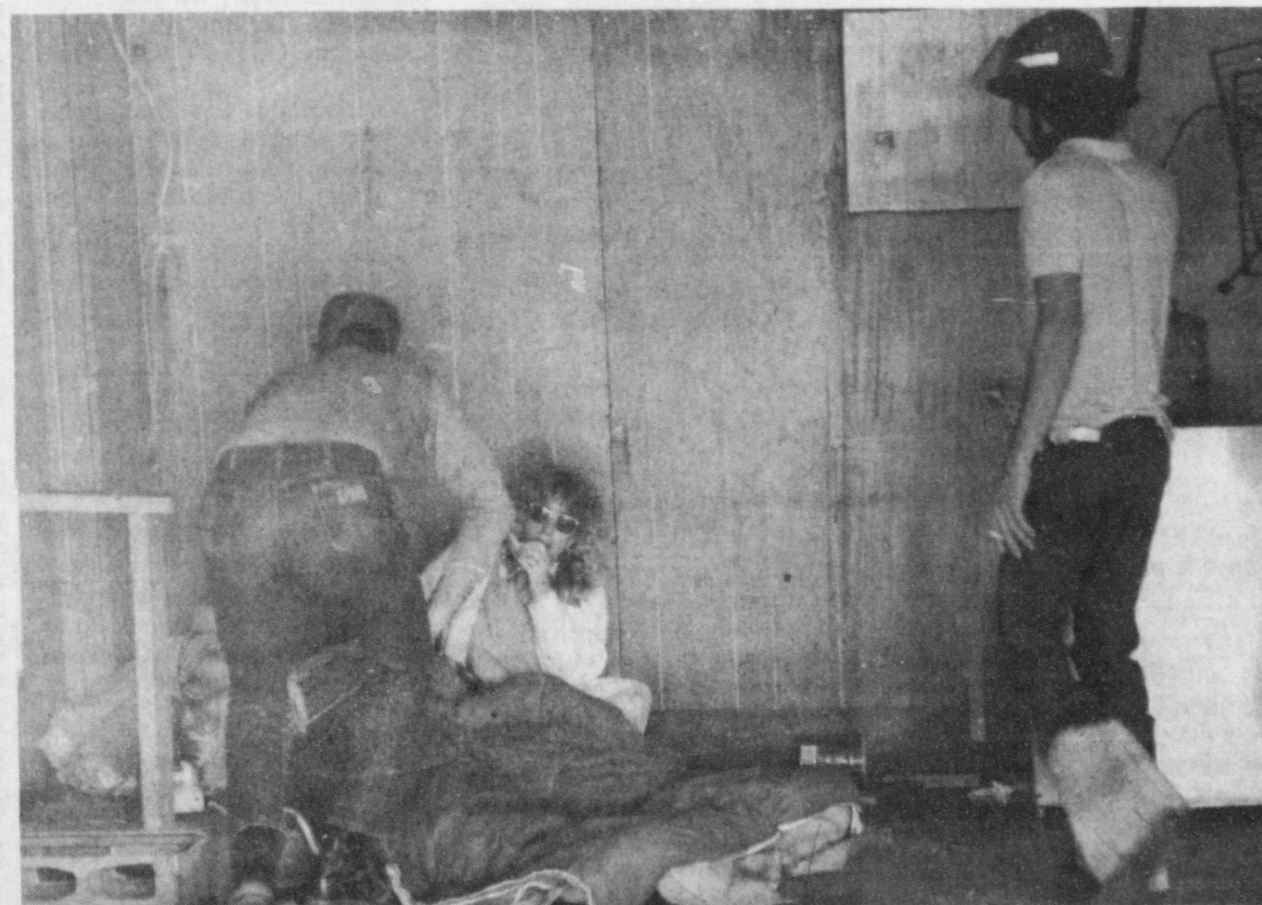

Reconstruction on the remaining 13 mile stretch of the highway from Deport to Paris is still in the planning process. The Transportation Commission and Texas Department of Transportation must approve funding for the second stage of the reconstruction plan which may cost an additional \$6.5 million.

ACCIDENT-Deport Volunteer Fire Department responded to this accident at the intersection of Hwy. 271 and FM 1503 Tuesday afternoon. A compact sized-

pickup truck driven by Chad Figueroa and a compact car driven by Patricia Dawson came into collision. Passenger Angie Dawson sustained injuries in the

accident, but no other people were injured. She was seriously injured. (Staff Photo by Nanalee Nichols)

ATTENTION-Deport Volunteer Firemen rendered aid to Jim Middleton of Deport Monday after he fell with an ice box

on top of him. Firemen wrapped him in blankets and kept him still until the ambulance arrived.

Middleton was treated and released from the hospital. (Staff Photo by Nanalee Nichols)

Letter To The Editor

Nanalee,
I'm sending you a "letter to the editor" that was published in the Longview News Journal today. Longview is Dr. Clements' hometown and her mother is a friend of mine. She is recognized world-wide as one of the outstanding infectious diseases specialists. You can take what she says as a fact! I thought you might like to read what she has to say about AIDS.

Congratulations on the outstanding Christmas issue of The Deport Times. I still think of it as "The" even though you are not allowed to print it.

Sincerely,
Mary R. Marshall

Note: MaryLou Clements, M.D., M.P.H., Professor at Johns Hopkins University Schools of Medicine and Public Health, Baltimore, MD wrote a recent letter to the editor of the Longview News-Journal concerning AIDS, dismayed by a letter in the December 22 issue which the writer stated "no public and/or congressional funding should be forthcoming

for AIDS research." Clements points out a few foibles in the letter in question, namely that AIDS is not caused by promiscuity, rather by a virus, the Human Immunodeficiency Virus, that is transmitted to humans by three routes of contact: via infected blood, sexual intercourse and perinatally. She goes on to point out that last week the World Health Organization announced that over 10 million people are now infected with HIV, and by the year 2000, over 30 million people will be infected worldwide. No country in the world has been spared.

Clements further stated that "if the epidemic continues at the current rate, we will have to add the teenage populations to the groups at risk for AIDS because of the occupation of the mate(s) they chose. Public funding for AIDS vaccine research has already paid off, in that we now anticipate having the vaccines to prevent AIDS by the year 2000. But the only way to assure that we succeed is to continue to obtain sufficient research funding globally for this purpose from all sectors, public and private."

Troy Owens Running For Precinct One Commissioner

Troy Owens has announced his candidacy for the office of Precinct One as County Commissioner.

"I am very pleased to have had the opportunity to serve the people of Precinct One and Lamar County as Commissioner of Precinct One for the past three years.

I know that Lamar County is headed in the right direction of becoming a better place to live.

Over the past three years some of the changes which have taken place have been a new Lamar County Jail, which will be completed sometime in the spring of 1992.

To answer your question concerning the cost of the new jail, yes, it did cost a lot of money, but so does housing inmates in other counties. For example, in the last three years we have paid other counties \$257,250 for housing inmates. This money does not include transportation cost.

A one-half cent sales tax which has helped lower your property taxes, for example, when I took office in 1989 your tax rate was .4013 per \$100.00 valuation, and for 1991-92 the tax rate is .3335. This is a substantial savings for property owners.

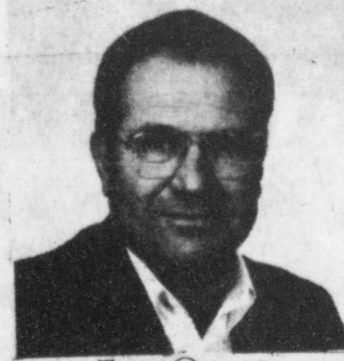

Within the last six months we have implemented 911 which is now in use in Lamar County. We have also just completed a new redistricting plan for Lamar County and we are waiting for the Justice Departments approval. A new map of Lamar County with numbers for all county roads which is now complete and ready for the new road signs to be installed.

One of our goals for Precinct One is the replacement of all wooded bridges. This goal is about 50% complete. These are just some of the things that have taken place in Lamar County in the past three years.

In 1989-90 Lamar County was declared a flood disaster. Due to flood damage we have completed seven projects with Lamar soil and water conservation. Federal Government funding has paid 80% of the cost. They have also provided Rif Raff which we have installed in different locations to prevent erosions of county roads.

With all there is that still needs to be done, I would like to have the opportunity to continue working for you for another term as commissioner of Precinct One."

Owens and his wife, Betty, a teacher at Paris High School, reside at Route 3, Paris in the Marvin Community.

Anti-Drug Book Came From Cannon's Idea

David Cannon is the nephew of Bocky Norman and Regina Webb, both of Deport, and the grandson of Edna Bell of Deport. His father is former Deport resident Tommy Cannon.

David has begun something very unusual, in an attempt to help fight problems with drug abuse, juvenile gangs and other problems.

He is the executive director of the Community Justice Foundation of Texas, which presents "a very pro-law enforcement, anti-drug message".

Articles on these books and the foundation have appeared in the Dallas Times Herald and the Dallas Morning News.

The first book is "A Hero Named George" a true story of an Undercover Police Officer by writer Carlton Stowers.

The book is a condensed version for children based on Stowers' "Innocence Lost" about undercover police officer George Raffield who was killed in 1987 while posing as a Midlothian High School student to investigate drug activity at the school. Three students were charged with his death.

The series of books will be aimed at fourth and fifth graders. They certainly aren't "kids stuff", though, since they deal with the harsh realities of urban life: drugs, gangs, abuse and

gangs.

Cannon says that "I'm tired of dealing with criminals after the fact. Maybe these books will plant a few positive seeds at an early age to prevent these horrible things from happening to children."

Librarians, teachers and child psychologists have all been consulted to make sure the language was right and the message was right.

Writer Stowers is working on the second book, which is on juvenile gangs.

Cannon is a former parole and probation officer who now teaches criminal justice courses at the University of Texas-Arlington, and North

Lake College.

The book is different. The response is very positive from students at schools where programs have been done.

The fact that it is a true story with photographs of real people makes it more credible in the minds of young readers.

Proceeds from the sale of the book goes to criminal justicescholarships and the George Raffield Memorial Scholarship Fund.

Cannon has donated a copy of the book to the Deport Grade School Library, and is donating copy of the adult book to the Paris Public Library.

People 'N Things

Commodities will be given out at Cunningham at the Cunningham Community Center from 9 a.m. until twelve noon on Tuesday, January 14.

Country Cooking

By Gerrie Bankhead

Well, the holidays have swiftly come and gone and a lot of food was cooked and enjoyed. I'm sure a lot of the readers have said, "I'm not cooking or eating for 'X' number of days again." However, go ahead and read this article, cut out the recipes, because like most all resolutions, you will want to eat again.

Since this article is the first article published in 1992, I thought it appropriate to interview the editor of our paper. So, this week the Country Cooking Column is coming to you from the dining room of Thomas and Nanalee Nichols of Deport.

Thomas and Nanalee have been married for 22 years and both were born and reared in the Deport area. Both attend the First Presbyterian Church of Deport. Nanalee has been an employee of the Thunder Prairie paper for 15 years and has been the publisher since December of 1982. She also has a part time job at Paris Travel Consultants in Paris, she has worked there for the past six years. This job finances all their trips to far away places which is Nanalee's number one hobby. She also enjoys gardening, cooking, reading, crafts, color photography, woodcrafting and painting. Nanalee enjoys competing in color photography contests. She has come away with many ribbons for her outstanding artwork. Of all the traveling, Nanalee enjoys Europe most of all. She also enjoys reading science fiction books most of all.

Both Thomas and Nanalee enjoy entertaining family and friends on special occasions. Thomas helps a lot in the kitchen when expecting guests. She says he also gets the urge some-

times to make fudge which is delicious.

Nanalee also enjoys growing beautiful yard flowers in the spring and summer.

She has chosen some special recipes that they have enjoyed around the world and have made many times for guests in their own home. She is sharing two separate recipes and then a complete Indian dinner which they serve and enjoy a lot. The first recipe is called Roast Beef and Yorkshire Pudding. This is not a dessert. It is an English Pudding which is not sweet. She compares these two items to our Pinto beans and Cornbread. They are almost inseparable.

Nanalee has served this recipe for the past six years every Christmas. She got the recipe from a friend in Yorkshire, England.

The Spaghetti Sauce is an authentic type of sauce. She got this recipe about 21 years ago. Nanalee says this is the best sauce she has ever eaten anywhere. She ordered spaghetti during the past summer in Italy and it was this very recipe. This has made Nanalee like it even more.

The East Indian dinner, which includes Tandoori Chicken, Curried Rice and Poori recipes all go together to make a complete meal. This recipe came from a cookbook. They had eaten East Indian food in Dallas once, looked for a recipe for it, and finally found one about three years ago. This is a very spicy dinner.

If you have enjoyed the article this week, want to make a request, or a suggestion, please call at 652-6032 or write to Rt. 1, Box 56C, Deport, TX 75435.

Roast Beef and Yorkshire Pudding

By Nanalee Nichols

Remember, English pudding is not a sweet!!

- 1 rib roast or other good roast
- 2 eggs
- 1 cup milk
- 1/2 tsp. salt
- 1 cup flour

(Yorkshire pudding can be doubled or tripled easily.)

Cook roast to desired stage. Preferably a little pink in center. 30 minutes before roast is done, beat eggs in bowl until foaming. Gradually beat in salt and flour with whisk until smooth. Let stand at room temperature. Remove roast to platter. Set oven up to 400. Generously grease a muffin pan (12 muffin cups). Heat muffin pan for 5 minutes. Fill cups to 1/2 full and bake 30 minutes or until golden brown. Loosen puddings immediately. They will be rather hollow. Make gravy with pan drippings and serve roast, pudding and gravy.

Authentic Italian Spaghetti Sauce

- 3/4 cup chopped onion
- 2 cloves fresh garlic or 3/4 tsp. garlic powder
- 2 cans stewed tomatoes
- 12 oz. can tomato paste
- 2 cans tomato sauce
- 1 1/2 tsp. salt
- 1 1/2 tsp. oregano
- 1 tsp. sugar

large pinch of Italian seasonings

1 lb. good hamburger meat
fresh mushrooms if desired
Cook onions, garlic and meat until brown. Drain well. Add all other ingredients, except mushrooms, stirring well. Add about 2 cups water. Simmer at least 30 minutes, but the more it simmers, the better it will get! Add chopped mushrooms about 15 minutes before finished simmering. Serve over spaghetti with grated cheese.

Indian Dinner

Tandoori Chicken:

- 1 diced onion
- 1 clove garlic
- 3 Tbl. salad oil
- 2 Tbl. lemon juice
- 1 Tbl. curry powder
- 1/4 tsp. cayenne pepper (if you like it spicy)
- 1 cut up chicken or chicken breasts
- 1/2 cup plain yogurt.

Combine all ingredients except chicken and yogurt in blender. Blend until pureed. Pour into glass casserole dish, stir until blended. Make shallow, diagonal slashes in chicken. Add chicken to yogurt mix, coat well and refrigerate overnight. Grill until done on outdoor barbeque grill OR broil in oven until done. Baste often with yogurt mix. Serve with curried rice and poori bread.

Curried Rice:
Saute chopped onion in a little butter. When tender mix with 1/2 cup frozen green peas. Cook your favorite rice, long-cooking or "minute" rice. Stir in from 1 tsp. to 3 tsp. curry powder and onion-pea mix. Amount of curry powder depends on how spicy you like it.

Poori:
1 cup all purpose flour
1 cup whole wheat flour
1 tsp. salt
1/2 cup water
oil

In medium bowl, stir flours, water and salt and 1 1/2 tsp. salad oil until well blended. Mixture will be very dry. Knead until it holds together and is smooth (about 10 minutes). Shape into ball, place in greased bowl and grease top. Cover in plastic wrap, let rest 10 minutes. Heat 1" salad oil in electric skillet to 400 or use a medium saucpan. Meanwhile roll dough into 20 small balls. On lightly floured board, roll each ball into paper thin circle. Edges will be ragged. Drop circle one at a time into oil. With slotted spoon, gently hold circle under surface until it puffs, about 10 seconds. Fry 20 seconds more, turn once, remove and drain on paper

Deport High School Class Of 1946 Reunion - 1991

THE DEPORT High School Class of 1946 held a reunion recently with fifty attending, including students and teachers.

45 Year Deport Class Reunion Held

The Deport High School class of 1946 held its 45-year class reunion Saturday, November 30 at 5:30 p.m. at the Holiday Inn in Paris. Marquee greetings to the record attendance of 50 read "Welcome Deport Class of 1946". Class members returning for their first reunion since graduation were Frances Upchurch Davis, Harvey Bell, James E. Mazy and Dwight Oldham.

Katy Skidmore Allred and Doris Gibson Parks served as co-chairmen and Geneva Rogers Jenkins presided at the registry table. Name tags for the graduates depicted the 1946 graduation picture, along with a gold graduate's cap emblem.

After a period of renewing friendships, at 6 p.m. W.T. Hughes, superintendent of Deport High School from 1942-1948, rang the bell and summoned to order former teachers, friends and former members of the class, spouses of the graduates and 25 of the remaining 33 graduates. Mrs. Parks and Mrs. Allred welcomed the group. Prentice Crawford gave the invocation prior to the buffet style dinner. School colors of white and maroon were used on table decorations.

A display table contained high school memorabilia, the 1946 class graduation picture, and group pictures of the reunions held in 1956, 1976, 1981 and 1986.

The cover of the souvenir program depicted the high school diploma handed to the graduates on May 17, 1946, signed by W.T. Hughes, superintendent; R.L. Maddox, principal; J.M. Grant, president, Board of Education; and C.B. Glover, secretary, Board of Education.

After dinner the group picture was made and Charles Nobles, vice-president of the class, presided throughout the evening. As a class assignment, instructions were given for each member of the class to write a summary of their lives from the day of graduation to the present time. Individual pictures of the class members were made and Charles Nobles is presently compiling the pictures and summaries into a permanent booklet.

Special guests included W.T. Hughes, Miss Ina Sparks and Mrs. Clara Mae Reeder Storey. Mr. Hughes stated that in his early teaching career his salary was \$160 per month. He retired after a 57-year teaching career, probably a Texas longevity record. He presently lives in Angleton and is in the process of writing a book to be published in 1992. He was accompanied to the reunion by his daughter, Mrs. Suzy Kelsey of Deport.

Miss Sparks recalled she was employed by the Deport school system in 1943 to teach typing, shorthand and bookkeeping, and several years later she was assigned to teach English. Employed in the Deport school system during her entire tenure, she retired in 1989 after teaching for 46 years. She presently resides in Deport with her sister, Miss Nina Sparks, who accompanied her to the reunion.

Miss Clara Mae Reeder began her professional career as a homemaking teacher at Deport High School in 1943 at the age of 18. She was co-sponsor of the senior class of 1946. In April 1946 she married a Deport native, Kelley Storey. She taught in the Deport school system for four years. In 1953 she accepted a teaching position in the home economics department at Paris High School, where she retired in 1984. Mrs. Storey, a widow, is presently living in Paris.

Mrs. Parks and Mrs. Allred relayed messages from former teachers who were unable to attend: Mrs. L.E. Hayes, Mrs. Marijo Oliver Coleman and Mrs. Margaritha DeWeese. A segment entitled "This Is Our Life" permitted class members to introduce themselves, their guests and share events in their lives during the past 45 years.

As a tribute to Principal R.L. Maddox (1908-87) and two deceased classmates, Glen Ssaler (1926-71) and Patsy Westbrook Linden (1929-85) their pictures were bordered in black and enclosed in a gold frame containing the poem "Crossing the Bar", by Alfred Tennyson. A maroon carnation, the class flower, was placed at the base of the picture. Personal comments were made by various classmates regarding Mr. Maddox' popularity as the basketball/football coach, senior class sponsor, teaching Katy Skidmore at Deport and later teaching her children in the 1970's at North Lamar High School, and the high honor of the football field on that campus being named "R.L. Maddox Stadium". Several classmates recalled Patsy Westbrook's zeal for learning, artistic talents, studious characteristics which contributed to becoming a school teacher, and the uniqueness of

being her special friend. Glen Salter was fondly remembered as a very quiet, mature, gentle young man who played aggressive basketball.

A short business meeting was conducted and plans were made to celebrate the 50-year reunion in 1996. Permanent class officers responsible for the reunion are: Billye Hulett Evans, president; Charles N. Nobles, vice-president; Patricia Barnard Farmer, secretary; Elizabeth Wright Chargois, treasurer; and Talma Powers, reporter.

A question and answer session was held to relive hilarious happenings during high school. Mrs. Suzy Hughes Kelsey, a 1947 graduate, recalled many memorable incidents.

Prentice Crawford gave the benediction.

Those attending from out of state were Charles and Ann Nobles, Edmond, OK; Ben and Mildred Gann Williamson, Sacramento, CA; Tom and Nancy Norrell Walker, Highlands Ranch, CO; and Wayne Williams, Tucson, AZ.

From Dallas/Ft. Worth were James and Nona Kuykendall Overbey and John and Patricia Barnard Farmer of Dallas; Donald Bell and Fred and Frances Cheatham Skidmore, Mesquite; Maxine Butler Lee, Duncanville; Frances Upchurch Davis, J.D. and Emogene Jeffrey Lee, Shelby and Virginia Ingram Stevens, Prentice and Jo Crawford, all of Ft. Worth; Lyndell and Helen Lee Jeffery, Arlington; and Dwight Oldham, Weatherford.

Others attending were Jerry and Tommie Brevna of Sherman; Wesley and Genevra Rogers Jenkins, Emory; Harvey and Jean Bell, Sulphur Springs; James E. and Billie Mazy and Floyd and Peggy Whitney, Pattonville; Hishon Anderson Northam, Glenville; Helen Trapp, Gerald and Doris Gibson Parks and Bill and Katy Skidmore Allred, all of Paris.

Graduates not attending were Billye Frank Hulett Evans, Tucker, GA; Roy Rodgers, Hobbs, NM; Elizabeth Wright Chargois, Orange; Talma D. Powers, Amarillo; Billie Jo Burks Stewart, Ft. Worth; Kenneth Thoam's Deport; Vivian Pettit Day, Pattonville; and Curtis Gifford, Paris.

Three former class members attending were James (Sonny) McDowra, Lubbock; D.L. Wilson, Paris; and Hubert Hadaway and his wife, Katherine, of Paris.

"There is no man so friendless but what he can find a friend sincere enough to tell him disagreeable truths."

Sen. Bill Ratliff Working To Save Highway Dept. Offices
State Senator Bill Ratliff of Mt. Pleasant joined with Senator Bill Haley of Center and Senator Kenneth Armbrister of Victoria in filing a Senate bill which would increase the number of district highway offices of the Texas Department of Transportation to the original number of twenty-four.
Senator Ratliff agreed to co-sponsor the bill after new information from the Texas Department of Transportation implied that the closing of the six offices as a result of legislation passed during the regular session may not be the cost saving tool that the Department originally assumed.
"Should the state verify that the closing of the highways offices in Atlanta and Paris would not actually save the state of Texas additional revenue, I would naturally want to see to it that those offices are restored. It is important to keep these offices open and operating to serve the people of Northeast Texas", said Ratliff.
The bill has been filed with the hopes that Governor Richards will include it in her call during his third called special session of the Legislature.
"There has been much concern from the citizens of Northeast Texas about the closing of the Prist and Atlanta offices. I certainly hope the Governor's office will include this subject in the call during the current special session in order that we may have the time to determine the reality of alleged cost savings," said Ratliff.

Have A Nice Weekend!

BROCK BLASSINGAME prepares to pass down court in a

Holiday game during Prairiland Junior Varsity's schedule. (Staff Photo by David Singleton)

Lady Pats Sweep Prairiland Classic

By David Singleton

The Lady Patriots hosted Cooper for the first of two games scheduled to play in the Classic.

In the first quarter, the Patriots were ready to play as they opened the game with a 9-2 lead. The Lady Pats tough defensive play held the Lady Bears to only few points. Then the Pats headed a mini-charge to put the score at 19-10 at the break.

As play resumed, the Pats let their defense slip and the Lady Bears hit from the field. Finally, Jan Scudder

took charge and hit 10 points in the fourth quarter. The score was 49-33 at the buzzer.

Jan Scudder led the Patriots with 18; followed by Dana Monday with 11.

In the second night and game, the Lady Pats played the Cooper Lady Bulldogs. The Patriots won their 65-63 in overtime.

Both teams had a good game in the offensive and defensive fields, but

only one could win. This was all decided at the end, when Cooper scored a last second basket that tied the game at 57 and overtime was in order.

As play resumed, Dana Monday broke away for a basket, followed by Jan Scudder's four points. Cooper didn't score anymore, and the Lady Patriots won by two.

Scudder led the board with 22; followed by Monday with 20.

Patriots Win Two At Prairiland Classic

By David Singleton

The Prairiland Patriot boys faced a scrappy Sulphur Bluff Bear squad on Friday night in the recent Prairiland Classic. The Bears opened a quick 7-2 lead before Jimmy Little tipped in a basket off the glass to cut the lead to three. But Sulphur Bluff scored the final 9 points of the quarter, and took a 16-4 lead to the bench.

The second quarter opened with David Singleton and Cody Bowen hitting a bucket apiece inside and Swede Ladd closed the deficit to seven, 21-14. Sophomore Brock Blassingame buried two from the outside, followed by a Ladd deuce, to tie the game at 21 all. But the Bears converted on the last shot of the half for a 23-21 advantage.

Justin Withers opened the third with a 10 foot jumper and Bowen converted one from the charity stripe to give the Pats their first lead at 24-23. Both teams traded baskets before

Blassingame hit at the buzzer for a 33-431 Patriot lead.

The fourth quarter belonged to the home team as Blassingame, Bowen, Jordan and postman Wes Rhoades connected for a 41-33 advantage. The Pats held their ground for the balance of the quarter and took a 52-46 win.

Bowen had 11; followed by Blassingame and Singleton with eight each.

In Saturday night's game, the Patriots tipped off against the Cooper Bulldogs. Ladd opened the game with a trey from the top of the circle, followed by Toby Dockray's jumper to open a 5-2 lead. Rhoades forced back to back buckets off the glass to up the advantage to seven. At this point the Pats took charge and never looked back.

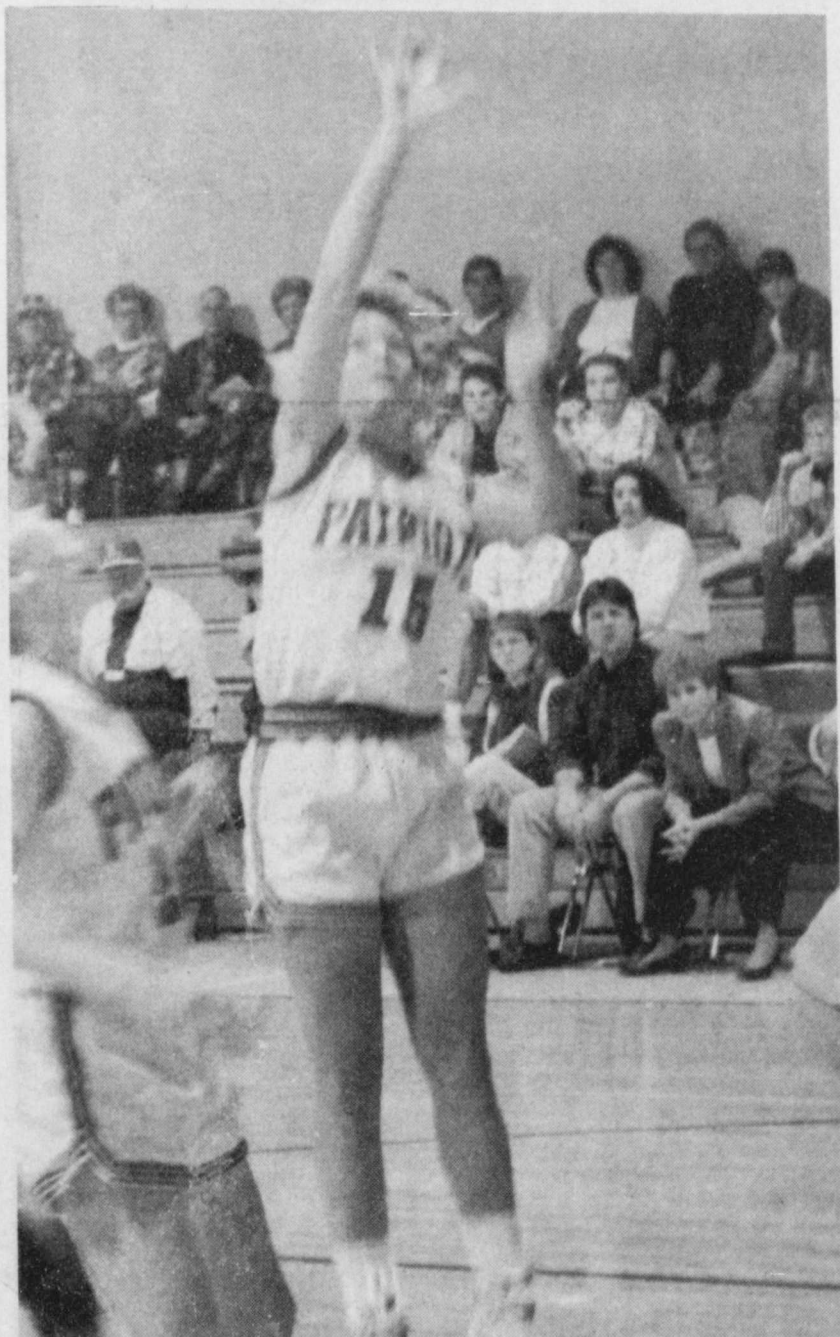

The second quarter found the Patriots up 23-11. Dockray, Gordon and

Singleton pushed the lead to 29-13 with 4:50 left until the half. Rhoades completed a three point play to give the Pats a clear 35-19 advantage at halftime.

The third stanza saw Cooper responding with 15 points, but the Patriots managed 10 of their own. And when Ladd sank a 15 foot jumper, the quarter ended 45-34 Pats in control.

Dockray and Bowen combined to up the lead to 50-38 with 5:10 left in the fourth quarter. And though Cooper did not fold, they could get no closer than 10 points for the remainder of the game.

The final score was 64-54, Pats on top. Ladd scored 15 and was supported by Dockray and Rhoades with 11 each. The victory gives the Varsity Patriots a 5-10 record on the year thus far.

DANA MONDAY shoots for two points as the Prairiland Lady Patriots swept the Prairiland

tournament over the holiday's. (Staff Photo by David Singleton)

Girl Scout Cookie Sale Begins

It's time to ask yourself that very important question: Where and how do I get my Girl Scout cookies this year? First, you will have to find a Girl Scout.

Between January 10-24, Girl Scouts in this area will take orders, with delivery dates set for February 21 through March 5.

A new cookie, the Praline Royale, is making its debut this year. "This cookie is soft and chewy with a melt in your mouth praline middle," said Kristie Mills, volunteer council coordinator for the sale.

Other varieties include the old favorites, Caramel DeLites, Thin Mints, Peanut Butter Sandwiches, Shortbread, Lemon Pastry Cremes and Peanut Butter Patties. The seven varieties will again be offered at \$2.25 per box.

Girl Scout cookies are made with 100% vegetable shortening, baked with no artificial colors or added preservatives, and are cholesterol free. "They are also delicious," said Mills.

Each Girl Scout will be selling cookies to help raise funds for activities such as camping, council wide events, and badge workshops, said Mills. Proceeds of the annual cookie sale help individual members and the local council meet their goals.

In addition, she said, this sale offers young girls valuable communication and sales experience, and an

opportunity to develop their self-confidence. Before selling cookies, the girls practice safety procedures and discuss sales techniques. It also helps them learn about money management, budgeting, goal setting and planning; all valuable business skills that can be useful to them in later life.

If you are not contacted by a Girl Scout for your order, phone the local cookie chairman, Irene Bryant, at 982-6176. Or call the council office in Paris at 784-0803.

Blossom Neighborhood Council has 25 Scouts in two troops. There are presently no Scouts in Deport.

Lady Pats Drop Two At Rotary Shootout

By David Singleton

The Prairiland Lady Patriots found the going tough at last weekend's Paris Rotary Shootout. The Pats chalked up a quick 4-0 lead over the North Lamar Pantherettes and when Dana Monday banked one off the glass the scoreboard read 6-3, Patriots. Jan Scudder added a jumper from the wing, but the Pantherettes pulled to within one at the quarter's end, 8-7.

The second quarter saw both teams exchanging shots. Darilyn Daugherty closed the half with a North Lamar bucket and the lead 19-15.

The second half started with the Pantherettes opening a six point lead, but Laura Hayes, Mandy Babb and Scudder responded with baskets of their own.

At this point, North Lamar went on a scoring rampage and it took a Crystal Ericsson free throw to bring the Pats to within eleven at 35-24.

Scudder opened the fourth quarter with an 18 foot jumper to bring the Patriots to within nine at 35-26, but the Pantherettes proved to be too tough inside. Increasing full court

defensive pressure, forced several Patriot turnovers late, and North Lamar closed out the contest on top 47-33. Scudder led the Pats with 18, followed by Monday with six and Hayes with four.

Saturday night's game matched the Lady Pats against the Paris Lady Cats. The Pats were pushed out of a win with the score of 55-50.

In the first quarter, Jan Scudder and Melissa Miller both had four, but not enough to hang with the Lady Cats. The quarter ended 15-12.

Surprising everyone, the Pats resumed play with one thing in mind; score! Hayes hit for four points, Dana Monday hit for two and Katie Mowery scored two. This brought the score to 22-15, Patriots.

In the last half, the Patriots drew cold and Paris came back to take the lead. The Patriots tied the game at 38 with the help of Scudder, Hayes, Mandy Babb and Monday. The Patriots regained the lead, but Paris' sharp shooting helped pull them to a 55-50 win over the Patriots.

**Good neighbors
with good advice
for saving energy**

Set your thermostat on 78° in the summer and 68° in the winter to save energy. If your home is empty during the day, raise the air conditioning thermostat by five degrees when you leave in the summer.

To learn about more ways to reduce the amount of energy you use, call or visit the neighbors at your local TNP office and ask for the free booklet, "Energy Management Guide."

Lorine Benavente, a clerk in Texas-New Mexico Power Company's Fort Stockton, Texas, office, can help customers with their energy questions. Employees in all of the communities TNP serves are a good source of advice for using energy wisely.
