Worth**

By Nanalee Nichols

They slip their little hands into yours and place all their trust in you. They have never seen you before...but you're a grownup, and that's what matters.

Thomas and I have never had much contact with children that weren't ours...ours by virtue of belonging to family or close friends.

These children knew "Aunt Nanalee & Uncle Thomas" well from the beginning.

The other night though, we had contact with three very small children who placed all their faith in us yet had never met us before.

The occasion was a "haunted house" at a harvest festival.

We were matched up at the door to the spooky place with two little girls and a stalwart little boy.

As we all stepped inside the dark, strobe-lit room strewn with "bodies", "blood and gore" the two little girls took a death grip on Thomas' hands. Hiding behind his legs they peeked around him in genuine fear, and from that moment on he had to go first, protecting them from all the horrors, defending them from their fears. It was obvious that he was their knight in shining armor!

My young gentleman, however, had no need of me at all.

Sturdy and fearless, he strolled on past the bubbling cauldrons and witches into the next section.

Here a high pitched, maddening whine filled the air, figures supposedly dead came to life and suddenly made a grab for him.

Instantly he attached himself to MY leg, burying his face against my hip and saying, in genuine horror "I'm SCARED".

I put my arms around him and assured him that all was well...it was just make believe.

From then on he kept one sweaty little hand firmly in mine, and we bravely forged onward.

As we went further into the maze everyone made it fine, in spite of "spider webs" tunnel "monsters" and the like.

At the very end there was a low cardboard corridor made from cardboard boxes and floored with semi-inflated air mattresses.

I was making it just fine until the last section. My young friend, still with a tight grip on my hand, was startled by a boar's head lurching out into the tunnel and squealing loudly.

My friend left...I mean to tell you, he bolted.

The only thing was, he forgot to let go of my hand. As tiny as he was he jerked me off my feet and literally dragged me clear of the tunnel!

I don't know where his strength came from. The three youngsters left the haunted house with winged feet, already laughing and boasting about the terrors they had faced. They didn't need us anymore.

Thomas and I, and the adults in the haunted house, were laughing so hard that for a few moments we were helpless.

Finally I picked myself up off the floor and we left too.

We haven't enjoyed anything so much in years!

But, aside from the pleasure, it was touching the automatic trust these kids were willing to place in us. I suppose parents are used to that responsibility and pleasure.

It was a delightful new experience for us, and insight into a child's world.

Two-Vehicle Accident Sends Cunningham Resident To Hospital

A grinding two vehicle accident at the intersection of Highway 37 and FM 71 in Hagansport Monday afternoon, October 19, sent Wayne Crafton of Cunningham to East Texas Medical Center in Mt. Vernon.

Crafton was in stable condition Tuesday morning at East Texas Medical Center in Tyler, and had been scheduled for surgery. Medical authorities said that he had a broken leg, dislocated jaw, numerous lacerations and undetermined internal injuries.

The accident occurred as Crafton pulled out of B&E Grocery onto Highway 37. A Hart Lumber Company truck from Shreveport, LA was headed north on Hwy. 37. The bumper

of the 18-wheeler hit the right front door of the Chrysler, crushing the inside compartment of the vehicle to 26 1/2 inches wide before the two were pulled apart.

Crafton was pinned in the vehicle and had to be freed by the Mt. Vernon Volunteer Fire Department Rescue Unit with the Jaws of Life.

The North Franklin Volunteer Fire Department was on the scene almost immediately and was attempting to remove the door from Crafton's car so that medical personnel could start working on the victim when the ambulance arrived. Other North Franklin firemen stood by in case there was a fire.

Due to the serious condition of

Crafton, a CareFlite helicopter from East Texas Medical Center in Tyler was enroute before the ambulance reached the hospital in Mt. Vernon.

The driver of the truck said "he just pulled out in the road in front of me and I couldn't get it stopped before we hit". The truck skidded some 155 feet after impact and before coming to rest on the north side of FM 71 and on the east side of Hwy. 37. The intersection of Hwy. 37 and FM 71 was partially blocked for several hours before Department of Public Safety Trooper Scott Lee completed his investigation.

The driver of the truck was not injured in the accident.

SERIOUS-Wayne Crafton of Cunningham was listed in stable condition Tuesday, Oct. 20, after being involved in this accident on Hwy. 37 at Hagansport.

Larry Malone Joins Chorale

Larry Malone, former Cunningham resident, is now singing with the world-renowned 200-member Turtle Creek Chorale of Dallas. The chorale opened the season October 18 and 21 in downtown Dallas in Myerson Center. The chorale will sing in Car-

negie Hall in New York City in May, 1993.

Larry attended Cunningham High School and was a member of the Cunningham High School Choir in 1965 and 1966.

Only Social Security cards issued by the federal Social Security Administration will be accepted, License

COKIE & JENNY Roach are the featured cooks this week in the Country Cooking Column and are sharing some of their favorite recipes with readers. (Staff Photo by Judy Screws)

Country Cooking

By Judy Screws

When we arrived at the Deport home of Cokie and John Roach this week, we were greeted by Gremlin, the dog. Bless his poor little heart. At least he is a likable little fellow as long as beauty isn't top priority with you.

We visited with Cokie, Jenny, and Jenny's friend, Lorie. The only animal Jenny brought in the house for us to meet was a white rabbit. I assumed that the Barbedoes were still out in the backyard.

Cokie was crocheting something pink and pretty. She crochets everything, including Christmas decorations. Actually, I had promised her I would wait until later in the year to feature her and Jenny in this column. I had my sights on The Christmas Season, but my plans had to be changed and once again Cokie came to my rescue.

John and Cokie's son, Michael lives in Deport and works for D&D Drilling. They lost their younger son, Casey, in an accident in 1989. Sixteen year old Jenny is a sophomore at Prairiland High. She is president of the FFA Parliamentary team, FFA reporter, runs cross country on the track team, and plays softball. Jenny also works at Granny Mac's Cafe and either works at or visits The Deport Times Office often. Cokie runs The Deport Florist Shop, and John Lee works for Hawk Installations.

Cokie graduated from Robert E

Lee High School in Tyler. Before she and John moved their family to Deport, she was an office manager for the Levi Strauss Manufacturing facility in Tyler for many years.

Cokie loves to cook sweets. Jenny likes Mexican food, and enjoys trying out new recipes. John and Jenny fry the fish, hushpuppies, and french fries when it is time for a fish fry. They are all into fishing bigtime. Cokie loves to read, and enjoys working in her yard, and with her houseplants.

Jenny and Cokie are active in the Methodist Church, and John is a Baptist. Somehow this difference works just fine for them, and they go about it matter-of-factly the same way they always seem to be behind the scenes, unobtrusively involved with all of the activities that take place in Deport.

My driver kept rushing me, or we could have visited longer. I'm so glad Cokie included her peanut patties in the recipes. They are delicious. I didn't see her divinity recipe in the bunch. Maybe we can get that later on.

I never had a sister. I always wanted one. I have five sisters-in-law. I am very fortunate. They are all the next best thing to a sister as I picture one. Thanks again, Cokie.

You all are falling down on your suggestions and recipe submissions. I'd appreciate it if you could be a little more help.

Have a good week.

WE'VE GOT SPIRIT-the Prairiland Varsity Volleyball girls crash through a "We've Got Spirit" banner onto the volleyball court at a recent home game. They certainly do have spirit, too, as they remain undefeated so far this season.

Pat JV Victorious Over Mt. Vernon

By James Taylor
The Patriot Junior Varsity ran their record up to 5-2 for the year with a 14-0 victory over Mt. Vernon Thursday night.
The defense got things started with a safety, making the score Patriots 2-Mt. Vernon 0.
The second quarter was all Patriots when Jerry McClure scored a 47-yard touchdown.

The Patriot defense played tough all night, holding the Tigers scoreless.
The Patriots scored a TD on a seven yard run by Chris Bramlett in the fourth quarter to put the game in the Patriots hands.
The JV will play Thursday at Honey Grove at 7 p.m.

Patriots Fall To Chisum 26-12

By James Taylor
Chisum's first drive took over seven minutes to score, but the two point conversion failed, when the Prairiland Patriots took on the Chisum Mustangs last Friday night and lost 26-12.
After two Patriot drives failed, Chisum again scored. Now the scoreboard read 12-0, Chisum. The PAT was intercepted by Jason Whitley but only got as far as the 25-yard line.
Chisum then tried an onside kick, and succeeded. But when the Mustang quarterback passed on the very next play, Chad Whitley snatched it

down and ran to the Patriot 29.
Cody Bowen got that in five plays to cut the lead 12-6. The PAT by Stephen Swaim went wide to the right.
After halftime, the Mustangs came out fist-and-fire, scoring again. The two point conversion was good.
This had the Patriots speechless, and with the Pats failing to score from their own 4-yard line, Chisum got the ball back. This time Chisum needed only one play for 96 yards to score.

However, with only eight seconds left, reserve quarterback Gary Lester handed the ball off to James Taylor for a 53-yard touchdown.
The two point conversion failed and the final score read Chisum 26-Patriots 12.
All in all, it was a night for Bowen, again rushing for over 100 yards. And on defense, Brandon Johnson pulled down two interceptions of his own.
Prairiland will meet Honey Grove at home this Friday night at 7:30.

VOLLEYBALL ACTION-The Prairiland Freshman volleyball

team has had an excellent record this year. The girls, like the

varsity and junior varsity have been showing 'em how to play!

A few words about responsibility.

It is our "business," simply put, to serve people! We do this by providing the world with technological solutions to communications problems. But, our "responsibility" is helping to find solutions for the complex issues and concerns facing the cities and towns which we call home. We're proud of our partnership with those communities and accept our responsibility to help make them even better places to live.

The Dallas Morning News tried to find the top 10 legislators in the state. It could only find 7.

And Bill Ratliff was one of them.

“Ask any member of the Texas Senate to name the colleague who comes closest to being a model senator, and almost every one will say Bill Ratliff,” the Morning News wrote. In four short years, Bill Ratliff has achieved more than most senators do in an entire career. According to the Morning News, he “served on virtually every conference committee of significance. . .He never failed to improve bad bills.”

Bill Ratliff is the kind of senator every Texan deserves. Let's return Bill Ratliff to the Texas Senate and keep him hard at work for all of us.

Turn on the Nite-Liter and turn off crime

The bright light of the Nite-Liter welcomes family and friends to your home while sending an unwelcome signal to crime. You'll also brighten your home's safety outlook since its 100-yard diameter of usable light helps prevent nighttime accidents.

To learn more about having a Nite-Liter from Texas-New Mexico Power Company installed at your home — or floodlighting installed at your business — call or visit your local TNP office today.

Women Meet**

Deport Presbyterian Women's Circle met October 13 in the home of Mrs. Robert Temple. Eight women attended.

The moderator, Mrs. Robert Temple, opened the meeting with prayer. She reported that Mrs. Gene Norwood will be the speaker at the annual Christmas buffet to be held in the home of Mrs. Ray Woodard, assisted by Mrs. John Moore. November meeting will be in the home of Mrs. Thurman Singleton.

The offering for the "Least Coin" was collected and dedicated.

Mrs. Tom Foley directed the lesson, "Study War No More". Members assisted by reading scriptures taken from Exodus, Romans and First Peter. We learned that there are no clear answers as we study the Bible; but through the study process the Bible guides and nurtures believers as they attempt to do justice, love mercy and walk humbly with God.

In closing, the hymn "God of Grace and God of Glory" was read in unison.
