Alcorn Glad to Put Off Any New **Construction for Defense Effort**

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, is misinterpreting the latest word from Washington, his letter this week reveals.

Dear Editar: I took a copy of the Bogata News away from one of my steers yesterday, they must gate but what ought to be torn be usin a saltier brand of paper these days or it may be the ink. and sat down on the sunny side of the barn and read where Wash- do, somebody who ain't used to it ington has put a stop to lots of kinds of construction, to save materials for the defense effort.

Teenager Gets Appetite Back; Thanks Hadacol

HADACOL Supplies Vitamins Bi, Ba, Niacin and Iron Which Her System Lacked.

According to Sara Loraine Beck, Box 253, Coker, Alabama, when a person is only 15 years old and feels terrible, can't eat or sleep the way they should, it's mighty bad. That is the way Loraine says she used to feel, but that was,

of course, be-fore she start-ed taking HAD-ACOL. Loraine found that tak-ing HADACOL helped her system overcome deficiencies in Vitamins B1, B2, Niacin and Iron, which HADACOL contains.

Here is Loraine Beck's own statement: "I was run-down, sick and skinny, and weighed only 90 pounds before I used HADACOL. I would not eat be-cause I had no appetite. Now I weigh 123 pounds and have an weigh 123 pounds and have an appetite. I feel a lot better. I have been taking HADACOL 10 months and am still taking it. I am 15 years old. HADACOL has done me lots of good.
