TALCO, TITUS COUNTY, TEXAS, FRIDAY, MARCH 5, 1954

NUMBER 4

Seek to Organize Little League Baseball Club Here

Men who are interested in boys and their problems are attempting to promote a Little League Baseball Club at Talco.

About 25 men held a meeting on Thursday evening of last week and named Frank Tietz chairman, R. J. Rosson, co-chairman and Jerry Jones, publicity man.

Another meeting is scheduled for Thursday night, March 11, at 7:30 p. m. at the city hall. Everyone interested is invited to be present and any individual or business firm who will sponsor

Talco Boy Coaches Training Marines

The 1st Infantry Training Regiment of Marine Corps Base, Camp Pendleton, Calif., rolled to a decisive win in the inter-base track meet on Friday, Feb. 26. The regiment taking nearly every event won by a total of 42 points to the next closest rival with 21 points. The 1st Infantry Training Regiment team was coached by Corporal Robert S. Welborn Jr. Corporal Welborn is the son of Mr. and Mrs. R. S. Welborn of Talco, and is a former Talco Trojan and graduate of East Texas State.

one of these clubs is asked to contact one of the chairmen.

It is hoped that similar teams will be organized at Bogata to help form a league.

Yeggs Knock Knob From Lumber Co. Safe at Bogata

What is believed to be amateur yeggs, hammered the combination knob from a safe in the office of the Bogata Lumber Co. on Monday night, but failed to open it. The attempted robbery was discovered Tuesday morning when employees opened for business.

Constable Corbell and Sheriff Beville were notified and some finger prints were obtained.

Sam Fuqua of Paris, safe and lock expert, was called and opened the safe after 20 minutes work.

About \$2.25 in nickels and pennies were taken from a cash drawer and two small radios were found on the loading platform at the rear of the building. Entrance was effected by the thieves smashing a back door.

"We believe the work was that of amateurs, and they would have obtained very little money had they been able to get the safe open, because we don't keep much on hand," James Castleman told this reporter.

He believes something frightened them away in a hurry, since they did not take the small radios they had removed from the store.

Getting Acquainted With Hearing Aids

Miss Fern Van Zandt of Austin, Educational Consultant of the State Department of Health, was in the Talco schools Tuesday and Wednesday teaching Supt. S. O. Loving, High School Principal P. C. McPherin, Grade School Principal C. W. Hawkins and first grade teacher Mrs. Thelma Jones, to use the new machine for testing hearing of the Talco school children. Paris public school nurse was here Tuesday for the course.

About one-half of the children in elementary school had been examined Wednesday and they will be examined regularly. Mrs. McWilliams took care of Mrs. Jones' room during the school.

Status of Men For Armed Service Is Reported

Registrants who were forwarded for induction into the armed service on Feb. 26 by the Mt. Pleasant Board and who volunteered for service are:

From Titus County—Milton Hartfield, Claudie J. Jeffery, Oscie L. Askew. From Franklin—Travis Evans, Eldon R. Davis, From Camp—Leon Wilson, Robert E. L. Cromer, George T. Whately. From Morris—Donald J. Vaughn.

Those who volunteered but were rejected are: Godfrey Whitestone, Morris; Buddy M. Lohry, Calvin Bolton, Camp.

Physical examination rejections who were forwarded on Jan. 25 are:

Chester D. Capehart, Gene E. Pinkston and James T. Brents, Titus; Thomas R. Freeman, Morris; Grady H. Edge, Franklin.

One other registrant who was forwarded on Jan. 25 is to be returned for further physical examination so as to determine acceptability. This registrant is a resident of Franklin County.

Cold Front Drops Mercury to 27

A cold front out of Canada and the northwest sent a mass of cold air into this section Tuesday sending the mercury down to an unofficial low of 27 degrees Wednesday morning. By 7 o'clock the mercury had climbed back up to 31 degrees.

Winds Tuesday night kept frost from forming which was in favor of the fruit crop in this section. The past few weeks of high temperatures caused many plum, peach and pear trees to be in full bloom. It is too early to determine the extent of the damage to the crop.

Young and tender plants in gardens were damaged and it is feared some will have to replant early vegetables that were up.

A cold front Saturday dropped temperatures early Sunday and Monday morning below the freezing mark.

Fire Destroys Home of Mrs. John Smith

Fire of undetermined origin destroyed the home and its contents of Mrs. John E. Smith at Halesboro Saturday night. Mrs. Smith was away from home visiting Justice of the Peace and Mrs. Jim A. Womack in Deport and the loss was not discovered until Sunday morning. There was no insurance on the structure, consisting of four rooms and two porches. Mr. Smith died about a month ago.

Atchley Candidate Associate Justice

Otto Atchley, a Texarkana attorney, is a candidate for the office of Associate Justice of the Court of Civil Appeals, Sixth Supreme Judicial District.

Mr. Atchley has been engaged in the general practice of law in Northeast Texas for more than twenty-five years. He is running to succeed Judge I. N. Williams, who has announced he will not be a candidate for re-election.

PAST MATRONS CLUB WITH MRS. BURNHAM

The Past Matrons Club met in the home of Mrs. G. M. Burnham with six members present. The meeting was opened with prayer by Mrs. Burnham. The roll call, the duty of an officer, was given. After the business the work was reviewed.

The social hour was under the direction of Mrs. Frugia. Delicious refreshments were served by the hostess to Jessie Frugia, Ivy Smith, Beulah Smith, Wilma Ryan and Thelma Rosson.

Title Number is Necessary When Registering Cars

Owners of motor vehicles who have traded or bought cars or trucks since receiving their 1953 registration receipts, or who registered last on their applications for title, must bring their photostatic copies of certificate of title received from Austin when applying for license plates for 1954, according to the tax assessor and collector. This is required because the office does not have the title numbers of vehicles involved in trades or sales made since registering for 1953.

It is essential that the number of a certificate of title be given at the time the receipt for a license fee is prepared. The best and surest way to have this number available is to present at the registration window the photostatic copy of the title to the car or truck about to be registered. Then there will be no question about the validity of ownership and no delay in obtaining new license plates.

Another requirement is that registration plates be issued in the county of their official residence. One who registers a vehicle in another county is subject to a fine of as much as \$200.

Between now and April 1 several thousand automobile registration receipts will be issued. The job is a big one and the collector's office will handle the assignment without extra help. Delays occasioned by motor vehicle owners not having the proper papers will make the work harder on the collector's staff and mean extra trips for those who

Agency Proposes North Texas Area Milk Price Change

Washington.—The Agriculture Department Tuesday proposed lower prices for manufacturing milk in the North Texas marketing area.

The present formula price for this class of milk would be reduced 16c per 100 pounds during July through March each year. The butterfat differential also would be lowered to provide prices for skim milk and butterfat used for ice cream and other processed products in closer alignment with unregulated fats and solids from outside the marketing order area.

The proposal would permit transfer of ungraded fluid or skim milk to food processing plants as manufacturing milk during all months of the year.

The department denied a proposal to eliminate present administrative assessments on diverted milk.

Interested parties will have until March 11 to submit views and comments on the proposed changes.

Mrs. Lucille Perkins was released from a Paris hospital Sunday after a week's stay.

neglect to have the necessary credentials.

It is required that all registration receipts be typed, which takes more time. Motor vehicle owners who wait until the closing days of the grace period may find themselves waiting longer because of the slower handling of patrons by the typing method.

SAVE 5 WAYS

BY GOING ALL THE WAY WITH ONE FEED

EVERGREEN

Startgrolay

STARTING... GROWING... LAYING

- 1 No Setbacks! Feed All Ages from the Same Bag!**
Startgrolay is scientifically formulated to meet National Research Council's requirements for ALL ages of chickens. It's never out of season. There's never a worry about over-purchase. With 3 feeds in ONE bag there's never a setback and never a cup of waste... from starting through laying.
- 2 New Digestive Aid Unlocks More Growing Power!**
Startgrolay has sensational digestive enzymes that unlock more growing power... convert feed to QUICK growth. With Startgrolay you avoid unnecessary non-profitable feeding before egg profits begin to roll in.
- 3 Takes Less Feed To Satisfy!**
Startgrolay is so richly packed with nutrients that your chickens won't stand and eat hour after hour to get satisfied. You notice right away that it takes less feed to balance the nutritional needs of your growing flock and egg-producers.
- 4 Feed 1/3 Home Grains By 4 1/2 Months!**
Start adding scratch grains and grits at six weeks. Gradually increase grain so that by 4 1/2 months your pullets are eating 1/3 Startgrolay and 2/3 grain and grits. This means you can save by using home grains or by buying grains when the market is most favorable to you.
- 5 Save By Getting More Eggs Per Hen!**
Save as much as \$50.00 on the cost of raising each 100 pullets. Then, continue saving as much as 1/2 by getting all the eggs your hens were bred to produce... at the lowest feed cost for each egg.

HERE'S WHAT FEEDERS SAY:

"The Parkin Hatchery and Farm, Shawnee, Oklahoma, is now in its 24th year of hatching and breeding. All of our 6,000 breeders and 4,000 young pullets are fed Evergreen Startgrolay. We started 3,200 pullets 20 days ago and livability has been better than 98%. The new vitamin E supplement (alpha-tocopherol) in Evergreen Startgrolay is important to Parkin chick buyers because it increases the stamina and ability to live."

Paul Silvey, President and Manager

SAVE ON YOUR FEED EXPENSE

"On March 16th, I bought 449 baby chicks. Out of that lot I raised 435... 257 of which were pullets. I had 60 old hens, which made a total of 317 layers. The pullets started laying at 5 months, and gradually increased in production so that by November 15th, I got 133 dozen eggs per week. This 133 dozen eggs sold at 53c doz., making a total of \$70.49. I used \$33.24 worth of Evergreen Startgrolay and scratch, which leaves a net labor profit of \$37.25."

Leonard Elliott, Rt. 1, Purcell, Okla.

Special Election Called March 6

A special election will be held in Red River, Titus and Camp counties on March 6 to elect a Representative to the Legislature from District No. 3. Four names will appear on the ballot: Phene C. (Cap) Williams and C. T. Neugent of Titus County and George D. Ford of Red River County.

There is another candidate from Titus County, but since he ignored this newspaper with his announcement for office, we do not feel called upon to announce it free.

The election is to fill out the unexpired term of Representative Phil Brooks, who resigned several months ago.

Humble Teaching First Aid Course

The Humble Company has arranged to give all employees and their families a first aid training course. Ed H. Lancaster of the Safety division, from Houston, is conducting the course, consisting of four sessions. Classes were held both afternoon and night for the first week. They began March 1.

The second week, beginning March 7 will have only night sessions, both men and women and children to 12 years of age. Classes begin at 6 and close at 8 p. m. Four sessions complete the first aid course, Monday through Thursday night.

FARM PRICES DIP SLIGHTLY

Washington.—The Agriculture Department reported Monday that prices received by farmers for their products declined four-tenths of 1 per cent between mid-January and mid-February.

This decline halted a two-month advance. The mid-February prices were 2 per cent less than a year earlier and 17.6 per cent below the record high reached in February, 1951.

Declines in prices of commercial vegetables, dairy products, fruits, poultry and eggs more than offset increases during the month in prices of meat animals, cotton and wheat.

Annual Red Cross membership
drive opened Monday. Everyone
knows about the Red Cross and
the splendid work it does. Its
ability to aid suffering humanity
depends entirely upon the money
it has available when disaster
strikes. Join the Red Cross, even
if you can't afford to give more
than the dollar annual member-
ship fee. Make it more if you
can afford to do so.

This week is Texas Public
School week and most schools
have planned and are conducting
special observances. If you
haven't visited your school re-
cently, do so this week. Meet the
teachers who are trying to teach
your offspring to think and to
instill into him the lessons of
good citizenship. Teachers will
welcome you and a manifestation
of your interest in the school will
help you, your child and the
teachers.

FRANKLIN FORTUNE GROWS WITH YEARS

Boston, Mass.—A trust fund es-
tablished under the will of Ben
Franklin, who died in 1790, now
totals \$1,137,136. In 1991 the
fund will be divided equally be-
tween the city of Boston, where
Franklin was born, and the Com-
monwealth of Massachusetts. The
original amount was \$5,000.

Blossom Youth is Attacked by Wolf

A wolf which a 12-year-old
boy reported had attacked him
Thursday, had not been captured,
though a party of men searched
until late in the day.

The boy, Arlie Ebbs, son of
Mrs. Ethel Ebbs, Rt. 3, Blossom,
was taken to a Paris physician
for treatment of cuts and bites
on the arm, and was to begin
anti-rabies inoculations Friday.

He said the wolf sprang out of
underbrush and knocked him
down, as he was trying to release
one of his dogs caught in a wolf
trap. With another dog along
with him, the boy said he beat off
the wolf, which had a trap on one
forefoot.

Sin comes so high that some
men can't afford anything else.

BIRTHDAY PARTY FOR BILLY GENE MILLER

Billy Gene Miller was honored on Tuesday afternoon with a birthday party at the home of his parents, Mr. and Mrs. P. A. Miller. Billy Gene was celebrating his second birthday. Mrs. Stue Miller registered each guest in his baby book, as they came and presented each with a paper party hat and balloon. Flash photographs were made of all the children and at refreshment time plate favors, consisting of animal cookies pulling marshmallow carts. A lovely birthday cake with ice cream and cocoa was served to Larry Don and Lynn David Elkins, Kay Drummond, Robert Turner, Nelda Kay McGill, Nancy Hawkins, Danny, Louise, Barbara and Kenneth Davis, Sherry and Jerry Miller, Lydia and Gay Orr, Don Gibson and 12 parents. Party hours were from 2:30 to 4 p. m.

BETHANY CLASS MEETS

Bethany Class of the Calvary Baptist Church met Thursday afternoon in the educational building for its regular business and social meeting, with nine members present. Prayer was led by Mrs. Welborn. The devotional was read by Mrs. Gandy. The minutes of previous meeting were given by Mrs. McMasters. Mrs. Welborn entertained with games. Mrs. Prestige and Mrs. Parsons were co-hostess for the occasion. Decorations and refreshments were in keeping with Washington's birthday. The serving table was laid with lace cloth, the centerpiece being a bouquet of azaleas. Closing prayer was by Mrs. Campbell.

Mrs. Clyde Perry and little daughter of Ontario, Calif., returned home Wednesday after a visit here with her parents, Mr. and Mrs. Drue Matlock.

Army Sgt. Johnnie B. Winkle, 24, whose wife, Betty, lives in Talco, is now undergoing training at Camp Polk, La., in preparation for Exercise Flash Burn. Sgt. Winkle, son of Geo. B. Winkle, Rt. 2, Clarksville, is an ordnance supply specialist in the 122nd Ordnance Company which will move to Fort Bragg in April to provide continuous support of weapons, combat vehicles and instruments used in the training maneuvers.

Pears to me there are three kinds of people. The few who make things happen; the many who watch things happen, and then the big majority who have no idea what has happened.

BAPTIST WMA MEETS WITH MRS. BLACKBURN

The WMA of the First Baptist Church had their monthly meeting in the home of Mrs. Ney Blackburn Tuesday at 7 p. m. with 16 members present. The meeting was called to order by the president, Mrs. M. D. McAfee. Opening prayer by Mrs. C. E. Smith. Song by group. The program chairman, Mrs. D. E. Howard, had charge of the program which was I Bring Praise from My Store of Memories. For the manner of my salvation—Mrs. W. E. Welch; for the word of God—Mrs. Wayman Alexander; for Christian friends—Mrs. Morris; for God's mercies—Mrs. Guy Pinkston; for Heavenly home—Mrs. D. E. Howard; for answered prayers—Mrs. Ney Blackburn. After the program a fellowship hour was enjoyed and secret pal gifts were exchanged. Refreshments of cherry pie and ice cream were served. The next monthly meeting will be with Mrs. Lorrain McFerrin March 30. All ladies are invited to attend WMA each Thursday at 1:30 p. m. at the church.

JUNIOR GA'S MEET

Junior GA's of Calvary Baptist Church met Monday for their weekly prayer program, "Freedom's Holy Light." Present were Barbara Davis, Shirley Whitney, Martha Easterling, Jimmie Sue Gandy, Carolyn Rodgers, Carolyn Wilbanks, Nelda Wilbanks, Diana Cook, Janet Williams, Charlotte Dittmore, Geraldine Fail. Mrs. R. A. Henderson, their counselor, served refreshments to the group. All GA's are urged to attend each Monday.

Alcorn Scores Political Expert for Worrying Over Candidate Shortage

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, has now taken to worrying over other people's worries, his letter this week reveals.

Dear Editor: I was out here the other afternoon watchin a couple of baby calves play around, there's nothing happier than a frisky calf on a warm sunny afternoon this time of the year, unless it's a politician who has just been no-billed, and I pulled a paper out of my pocket I'd been carrying around for several days and straightened out the wrinkles and spread it out on the ground and stretched out and looked it over.

Over on the editorial page I ran into an article by a political expert who reported there is considerable worry among the Republicans in some states in trying to find a candidate to run against the Democrats, particularly in states that are Democratic strongholds.

Personally, I believe the expert was having a hard time that day to find something to write about. I have never seen an office somebody wasn't willin to run for or a piece of land somebody wasn't willin to work or a man some woman wasn't willin to marry. I don't care how hard the race might be and how little the pay, or how sorry the land or the man either, there's always somebody willin to give it a try.

Coffee may be scarce, as well as uranium and plutonium, but I don't believe there will ever come a time when there's a scarcity of candidates or workable land layin out or when a bachelor can't get married. Of course you understand there is some land that ought to lay out, the same as there are some offices, but hope in the Spring will never play out, and neither will the supply of candidates.

I have worked land that ought to lay out, but I've also voted for candidates that should have too, and while it's true you don't get any more out of a piece of land

than you put into it, at least that's the saying although I doubt if it's true or I wouldn't be livin, the same is not necessarily true with a candidate. I've known lots of officeholders who got a lot more out of an office than they put in it, and on occasion more than the law intended.

Tha political expert ought to rest his mind. Whenever there's a vacancy on a ballot, candidates flow into it like air into a vacuum.

With all the things we got to worry about, worryin about not finding somebody to run for any office ought to come last.

Yours faithfully, A. A.

Officers Capture Moonshine Liquor

Another big haul of Oklahoma corn whisky was taken by officers in Paris Friday.

They confiscated 43 half-gallons, two quarts and a portion of another quart of wildcat whisky.

Deputy Loyd Mathews of the Lamar County Sheriff's Department and inspectors Delbert Pearson and Clyde Shelton of the Texas Liquor Control Board swooped down on the East Cherry Street home of Doris Elliott, Paris negro.

Inspector Pearson said they found the two quarts and part of a third hidden in Elliott's built-in cabinet.

Remainder of the moonshine was located in a vacant house nearby. Pearson said Elliott produced the key to a lock on the house and gave it to the raiding officers.

Charges of possessing unstamped liquor were filed in Lamar County Court against Elliott.

The haul was the biggest catch of moonshine whisky in Paris since the confiscation of 60 half-gallons last August.

Recent guests of Mr. and Mrs. J. W. Garner and Mr. and Mrs. J. J. Nelson were Mmes. Garner's and Nelson's brother, Clarence Nowlin and family of Smackover, Ark.

Dennis and Nicky Downey of El Dorado, Ark., Mrs. P. F. Williams and Carol Terral of Mt. Pleasant, visited Mr. and Mrs. A. T. Blalock and other friends Monday.

Elect Phene C. (Cap) Williams Your State Representative

I had hoped to see each of you personally before the special election on March 6th, but time is so short I am compelled to use this method of asking you to elect me your State Representative. I lost the last election by less than twenty votes to the man who recently resigned.

I am an experienced business man. My character and reputation cannot be questioned. I welcome investigation. I have no pet peeves and am obligated to no one man or organization. My obligation will be to my entire District.

I will be happy to answer all correspondence and invite you to write, phone or see me any time pertaining to our District. I am available now, and when elected will welcome your help and suggestions.

I will appreciate your vote. Sincerely,
PHENE C. (Cap) WILLIAMS.
(Pol. Adv.)

Mt. Pleasant Pastor To Get Doctorate

The Rev. L. L. Morriss, pastor of the First Baptist Church of Mt. Pleasant, will be awarded the degree of Doctor of Divinity at the June commencement exercises of East Texas Baptist College, Marshall.

Mr. Morriss attended the Tyler public schools and is a graduate of Baylor University and Southwestern Seminary. A chaplain during World War II, he went to Mt. Pleasant four years ago after having served churches in Cameron, New London and Baytown.

Fine Arts Members Visit Hogg Memorial

Members of the Fine Arts Club observed Texas Independence day with a pilgrimage to the Hogg Memorial Shrine at Quitman. By an act of the Texas Legislature in 1941, this former home of Gov. James Stephen Hogg was declared a shrine, and a few years later it was transferred to the management of the Texas State Parks Board, by which it is now administered.

This house which was the first home of James Stephen Hogg and his bride was originally located on the Gilmer road, but has now been moved to an 18-acre tract at Quitman. It is being restored by the Parks Board, and is being refurbished by Miss Irma Hogg of Houston, only daughter of Governor Hogg.

Miss Hogg is returning to the three rooms of the home, which are now open to the public, such original furnishings as are still preserved, and contemporaneous furnishings to complete the restoration of each room. Facsimiles and originals of many of Gov. Hogg's important state papers are on display in one room.

Miss Hogg has had the wallpaper imported from France, the window curtains made to order in New York, and the carpets hand-woven by an elderly Texas woman to duplicate as nearly as possible those used in the period in which the house was originally furnished. Some of the furnishings have been found in New Orleans antique shops. Pictures, photographs, art needlework, hand painted china and old glass add beauty and historical significance to the rooms.

The next regular scheduled meeting of the Fine Arts Club will be at Humble hall, Tuesday, March 30, at which time the local Girl Scouts, their leaders and mothers will be guests of the club for a special Friendship tea and program. The program will be given by the Scouts under the direction of their leader, Mrs. R. E. Cain. Club members will meet at the hall at 2 p. m. for a regularly scheduled business meeting, with guests arriving at 3 o'clock for the special program and tea.

Big Truck Overtakes At Talco Sunday

A large trailer-type truck overturned on Highway 271, just south of Talco about 5:30 o'clock Sunday afternoon, but according to Highway Patrolman Charles Faircloth, who investigated the accident, the driver and owner of the truck, Jack Robert Reaves, Oklahoma City, was not seriously injured.

The big vehicle, Faircloth said, overturned when a left front tire blew out.

SUNDAY SCHOOL CLASS MONTHLY SOCIAL

The TEL Sunday School class of Calvary Baptist Church held its monthly social and business meeting Thursday afternoon in the home of Mrs. Fred Coker with Mrs. Kenneth Westbrook as co-hostess.

The entertaining rooms were tastefully arranged with early spring flowers. Mrs. J. B. Nelson, class president, presided at the business session. The opening prayer was led by Mrs. Fred Swope, with Mrs. Westbrook bringing an inspiring devotional. During the social hour interesting games were directed by Mrs. P. P. Hendrix. The hostesses served a dainty salad plate carrying out the St. Patrick motif, to fourteen members, Mmes. Davis Calloway, P. P. Hendrix, J. B. Nelson, Ed Nugent, D. J. Smalley, Joe Denton, E. W. Smith, Roy Beasley, R. A. Henderson, Travis Gann, Fred Swope and Lena Nelson.

Miss Louella Clay's sister, Mrs. Minnie Findley of Daingerfield, visited her during the week end.

Texas Utilities Will Sell Stock

Texas Utilities Company has authorized the sale of 250,000 shares of common stock. Texas Power & Light Co. is a Texas Utilities subsidiary. The authorized stock would be sold at competitive bidding to underwriters for resale to the public. It will be available to investors about April 13.

The stock sales is part of Texas Utilities' plans for an expansion program calling for expenditures of \$70,000,000 this year and another \$50,000,000 in 1955.

The companies three major subsidiaries provide electric power for a 72,700-square mile area in North, East, Central and West Texas.

New equipment scheduled for operation this spring will increase the power system's net generating capability 370,000 kilowatts, and will provide it with a reasonable reserve capacity for the first time since World War II.

A portion of that new generating capacity includes the new Rivercrest plant with 80,000 kilowatts now building at Jolietown.

Four years ago the stock was quoted at \$21 a share. Later it moved up to around \$48 and was placed on the big New York board.

Northeast Texas Has New Marshal

Northeast Texas has a new United States Marshal. He is Charles Peyton McKnight Jr. of Quitman, and will succeed Sanford C. Stiles of Detroit, whose term expired Feb. 28.

Stiles is a nephew of former Vice-President John Garner and has held the office for 20 years. President Eisenhower also appointed Hobart Kelliston McDowell of San Angelo United States marshal for the northern district of Texas.

McDowell was named to succeed James R. (Red) Wright of Fort Worth, who has been marshal for many years.

Both men were recommended by H. J. Jack Porter, Texas Republican national committeeman. McKnight, 29, has been executive assistant to Porter since 1952. He is a former member of the Texas Legislature.

One Man Killed Another Hurt

A pick-up truck accident on Highway 271, three miles north of Pittsburg, brought death Sunday afternoon to one resident of Greggton and sent another to the hospital at Pittsburg, with critical injuries.

The pick-up occupied by Buster Bogie and B. F. Vanderslice, both of Greggton, struck a bridge abutment while going at high speed and overturned.

Bogie sustained a broken neck and lived only a few minutes. Vanderslice suffered multiple injuries.

New Highway Travel Map is Published

Austin.—One of the state's most popular publications—the Highway Department's road map—is now available in a 1954 edition.

State Highway Engineer D. C. Greer said about 500,000 copies of the map are given away annually. Copies are available at district highway offices, travel information offices, and the Texas Highway Department, Austin 14, Tex.

The new map is printed to show better the land contours of the state as well as highways and distances. More than 1,300 towns and cities are named on the map. There are thirteen insets showing road systems of metropolitan areas, including Dallas.

INSPECTORS CAPTURE FIVE ILLICIT STILL

Texas Liquor Control Board inspectors in January reported the seizure of five illicit stills. With the stills, which had a cubic capacity of 275 gallons, inspectors captured 435 gallons of mash.

Three stills were taken in Titus County, one in Morris and one in Marion.

R. H. (Bob) Cargile Buried Monday

Funeral services were held at Mt. Vernon Monday for R. H. (Bob) Cargile, 75, a resident of Franklin County all his life. Cargile, a retired farmer and stockman, was a member of the Baptist church.

He is survived by six daughters, Mrs. B. O. Brewer, Bryan; Mrs. J. R. Hill, Mt. Vernon; Mrs. Kyle Gray, Grand Prairie; Mrs. Morton Brooks, San Antonio, and Mrs. Dick Fielder and Mrs. J. B. Lamb, both of Big Spring; four sons, Howard Cargile, Ralph Cargile, Bill Cargile and Dan Cargile, all of Mt. Vernon; three brothers, D. H. Cargile and G. C. Cargile, Mt. Vernon, and W. H. Cargile of California, and a sister, Mrs. Eula Petty, Mt. Vernon.

Fire Razes Part Of Daingerfield

Fire trucks from four nearby towns helped fight a blaze that devastated part of the business section of the western end of Webb street at 3 a. m. Sunday in Daingerfield.

The fire destroyed Ayers Cleaners, Dr. E. B. Wheat's office and the Western Auto Store, and the K. P. Pearson Drug Store was badly damaged by fire and water.

Cause of the fire and amount of damage has not been determined. Joining Daingerfield firemen in putting out the blaze were men and fire equipment from Lone Star, Hughes Springs, Pittsburg and Mount Pleasant.

No more washday weather worries

The sun always shines in my **ELECTRIC DRYER**

See the new Electric Clothes Dryers at your dealer's or our office. Ask for a demonstration!

You can wash any time you choose — even at night — when Reddy Kilowatt does the drying in an Electric Clothes Dryer. No more weather worries, no more postponed washdays, no more clothesline calisthenics. You simply put wet clothes in the Dryer, set the timer and Reddy does the rest. It's as easy as that — and electrically-dried clothes are cleaner, sweeter, fluffier, with no deep-set, hard-to-iron-out wrinkles.
