COMPLETE NEWS AND ADVERTISING COVERAGE OF THE GREAT TALCO OIL FIELD

TWENTY-FIRST YEAR

TALCO, TITUS COUNTY, TEXAS, FRIDAY, JULY 20, 1956

NUMBER 23

Plan Livestock Exposition Oct. 12-13, Clarksville

Organizational plans for the Red River County Livestock Exposition, to be held at the American Legion Park in Clarksville, October 12-13, are being completed this week, according to Gavin D. Johnson, Jr., general chairman. Committee appointments will be made shortly and active work on the Exposition is expected to be well advanced by the end of July.

Plans for the two-day show now call for one of the largest livestock expositions in the county during recent years with cash prizes valued at more than \$1,500.00 to be awarded in the various classes. The Exposition will include entries in the following classes: calves, beef cattle, dairy cattle, horses, swine and sheep. The livestock judging will be held both Friday and Saturday afternoons with free entertainment both Friday and Saturday nights.

A number of exhibition booths are expected on the fair grounds by school, church, civic, service, youth, women's, manufacturing, and retail groups. The Exposition, financially underwritten by the Clarksville Chamber of Commerce, is planned as a county-wide activity and representatives of all communities will participate in the planning of the event.

The Exposition Livestock Committee under J. S. Summers and Paul D. Herschler has been actively working with the agricultural teachers of the county and a large number of entries in each class is expected.

30-Year Employee Honored at Talco

O. L. Hopkins, employe of the Humble Oil Company, was honored Thursday evening with a barbecue and lawn party at the home of Mr. and Mrs. J. L. Stone, celebrating his 30 years of service to the company. He was presented a gold watch by the superintendent, G. N. Anderson. Those attending the affair were Mr. and Mrs. C. C. McNeil, Mr. and Mrs. Frank Tietz, Mr. and Mrs. Riley Gibson, Mr. and Mrs. Odell Morrison, Mr. and Mrs. Dave Davenport, the honoree and his wife.

Three Inducted Armed Service

Red River County registrants of Clarksville Board No. 104 were forwarded to the recruiting and induction main station, Dallas, on July 11, for induction into the Armed Forces: James Edwin Perry, R4, Clarksville; Gerald Ben Shelby, Dallas; Bobby Joe Taylor, Clarksville.

Little League All-Stars Win Tuesday Over Pittsburg

Talco Little League All-Stars got off to a good start here Tuesday night by defeating Pittsburg All-Stars in an exhibition game, 5 to 0.

They will go to Pittsburg Thursday night for a return match. Game time 7:30.

This will be their final game before entering the National Little League playoff in Sulphur Springs. In this tournament they are scheduled to play Bonham on July 23.

On Thursday, Aug. 9, they will play Commerce here for their first game in the Northeast Texas play-offs. If they are victorious in this game they will play Mt. Pleasant here also. The managers urge all fans possible to attend these games.

HUMBLE MAKES SMALL WELL BARNARD LAND

The Christmas Day Paluxy sand pool northeast of Talco now has its second oil completion in a small pumper. Humble Oil & Refining No. 1 Maggie Barnard, J. W. Walker survey, was good for seven barrels per day from 4,711-17 feet. Location is west of the pool opener which made a flowing well from the Paluxy and gas distillate from the Rodessa. Other drilling in the area has ended in failure.

In Red River County another failure is reported for the I&L Paluxy sand pool southwest of Bagwell. Sam Buzbee No. 2 E. E. Morris, John Guest survey, failed to produce from 2,045 feet.

Pasture Burns At Mitchell Ranch

Deport and Bogata Volunteer Fire Departments answered calls to the Clyde Mitchell ranch east of Fulbright Monday afternoon to extinguish a grass fire in a pasture. Approximately 20 acres were burned over before the blaze was brought under control. Mitchell had recently cleared a 12 acre block of land and the brush windrowed. He was burning the brush and sparks set fire to the pasture about a half mile away.

At Talco Hospital

Admitted and dismissed: Mrs. J. H. Dickerson, David Lee Miller, Jessie Dean Smith, Mike Sloan, Vick McAfee. In hospital: Emma McAfee, Tommie Taylor, R. J. Rossion, Mrs. Mary King.

Miss Bettie Toups of Sheridan, is visiting Miss Dora Ann Gandy.

Mrs. W. M. Cagle Dies Saturday

Mrs. W. M. Cagle, nearly 102 years old, died late Saturday. A resident of McCoy community, five miles from Clarksville, since she was 19 years old, she was born at Alton, Mo., Sept. 19, 1854.

Funeral services were held Sunday at 5 p. m. at Lanes Chapel and burial was there.

The former Julia Ann Risenhoover, daughter of John and Julia Ann Risenhoover, she was married to "Uncle Billy" Cagle, at Clover Bend, Mo., shortly before coming to Texas.

She made her home with a daughter, Mrs. D. G. Mauldin, other children including Mrs. Tom Mathis, Detroit; Mrs. Mary Bartlett, Charlie Cagle, Adam Cagle and John Cagle, Clarksville, and Bill Cagle, Idabel, Ok.; more than 40 grandchildren, including two whom she reared: Raymond Cagle, Clarksville, and O. L. Cagle, Paris, and a large number of other descendants.

Mercury Soars To 103 Tuesday

Weatherman is still turning on the heat along with the dry weather. Tuesday the mercury reached the season high of 103 degrees, tying the mark set July 8. Tuesday's mercury was one degree higher than the reading of 102 Monday. Sunday the thermometer registered 100 degrees.

A few thunder clouds have appeared but produced no moisture in this section. A good general rain is needed on crops, grass, pastures, gardens and truck crops. Drouth conditions are beginning to show on ranch lands as some cattlemen have begun to feed cattle.

Total precipitation here this year is 20.29 inches, compared to 19.44 inches to this date last year. Low temperature Wednesday morning was 76 degrees.

Mr. and Mrs. Frank Sloan, Jimmie and Amelia, visited Mrs. Sloan's mother, Mrs. Hazel Bowen, in Tulsa, Ok., last week end.

Bagwells Man Dies in Highway Crash Sunday

Wylie E. (Pete) Glass, 31, Dallas, formerly of Bagwells, was killed in an automobile crash north of Greenville, Sunday. He was the son of Mr. and Mrs. Willie E. Glass of Bagwells.

Glass, who was assistant manager of the Dallas Transfer and Storage Company, and his wife were in their car, reported struck by another car which came onto the highway from a side road.

Mrs. Glass, the former Miss Elena Howle, was reported injured, but not in a serious condition.

Interment was in Old Shamrock Cemetery, pallbearers being Ewell Buzbee, Davis Buzbee, Henry Burton, Frank Coffman, Chester Linton and Roy Linton. Born at Caddo, Ok., October 13, 1924, Mr. Glass had lived in Red River County since 1927, until moving to Dallas. He was a graduate of Paris Junior College, and served in the Army two years during the Korean War.

He married Miss Howle in Texarkana, April 4, 1951.

Besides his wife and his parents here, survivors include his grandfather, John Glass, Bagwells, and these sisters and brothers: Mrs. Alice Brown, Arthur City; Miss Mildred Glass, Johnny Lee Glass, Claude Glass, Dale Glass, Bobby Glass and C. D. Glass, all of Bagwells.

WORSE AND MORE OF IT—More and more Texans have less and less water. In its monthly report, the State Water Board listed these gloomy details:

Texas reservoirs were down 17 per cent, and observation wells and springs were at all-time lows. Storage in Trinity River basin lakes was at 27 per cent of capacity; in Red River lakes, 55 per cent; in Lake Texoma, 51 per cent; in New Braunfels ceased to flow for the first time in history.

Ground water levels, below average in almost all areas, hit record lows in four areas. No general area of the state could claim normal rainfall. Statewide precipitation was 46 per cent of normal.

SHORT SNOOTS—Texans had approximately 7 million acres of cotton under cultivation as of July 1, reported the U. S. Dept. of Agriculture. This was one per cent less than 1955, 20 per cent less than the 10-year average. . . Though the primary election is not until July 28, thousands of Texans already have had their say on who goes into office next year. Absentee balloting began July 9, continues through July 24 . . . Texas will get a 22 per cent increase this year in funds for its public school lunch program, announced the U. S. Dept. of Agriculture . . . the state acted to make Duval and Jim Wells counties safer for voters on election day. Three rangers were stationed at Alice after boss George

By VERN SANFORD, Texas Press Association

Austin. — Reunions, rodeos, fishing trips. From now until school starts, vacationing Texans will take to the highways by the thousands. They are likely to find the roads more crowded than at any time in the state's history. From year to year, total traffic volume has climbed steadily, Highway Department surveys show. In addition, vacation months bring a steep jump.

August especially is a headache for the Department of Public Safety. Accident rates climb sharply. During the past five years August accident rates have been from 3 to 27 per cent higher than in July.

"People try to over-drive on a long vacation trip," says Asst. Chief C. G. Connor of the Texas Highway Patrol. "Fatigue is a particular problem. Speed is another." They can't do much about people who drive when they're too tired, Connor admits. But something can and has been done about speed.

"Installation of radar detection devices has had a tremendous impact on driving practices," said Connor. Studies made before and after radar use was begun on state and federal highways in November, 1954, show: (1) excessive speeding dropped from 21 to 15 per cent, (2) accidents dropped 3.4 per cent and (3) deaths dropped 1.9 per cent.

During the same period accidents on the non-radar-patrolled stretches—farm to market roads, city streets, etc.—climbed 13 per cent. A similar increase could have been expected on the state and federal highways, Connor believes, especially since total mileage increased also—nearly 5 per cent. Had normal trends continued, 181 more lives would have been lost in 1955.

OPERATION ALERT SCHEDULED—Would Texans know what to do if atomic bombs fell? To find out, a full-scale drill will be held July 20. Five key areas—Houston, El Paso, Austin, Waco and the Fort Worth-Dallas area—will be assumed hit by bombs between 11 a. m. and 1:30 p. m. that day.

Smaller towns and rural areas also will participate in Operation Alert. Many have been designated as reception centers for evacuees from cities. State Civil Defense and Disaster Relief Headquarters in Austin has asked all mayors, county judges and other local civil defense officials to cooperate.

Strategic industrial centers, such as Beaumont-Port Arthur, will practice vacating plants and schools. Military bases will test their full-scale emergency measures.

Purpose of the drill is to show up any flaws in the plan where federal, state and local officials and trained volunteers would cooperate to cope with a major catastrophe.

Nationally, Operation Alert will presume 52 cities bombed. FCC has ordered all radio and TV stations off the air at 3:10 p. m. July 20. Special civil defense frequencies, 640 and 1240, will be used for test broadcasts of disaster instructions.

PHYSICAL ED TEACHERS REASSURED—Physical education teachers won't be out of jobs if proposed new high school graduation requirements are adopted. Commissioner of Education J. W. Edgar clarified the plan for alarmed teachers. Physical education and health courses still are required by state law, he said. A State Board of Education study committee recommended they no longer be counted among the 16 units required for graduation. Committee suggestions were part of an overall effort to strengthen high school curricula academically, especially in scientific studies.

VACCINE FOR ADULTS SEEN SOON—Texans over 20 may be able to get polio vaccinations within "a month or two." But, said State Health Department officials, this is still "purely speculative." Actual timing will depend on when the vaccine supply exceeds that needed for youngsters and expectant mothers.

In Texas, polio takes its heaviest toll among tots under four years old. They have 51.2 per cent of all cases, 69.1 per cent of paralytic cases. Persons over 20 account for only 17.4 per cent of total incidence, 6.8 per cent of paralytic cases. Forty-one new cases were reported in the state last week, bringing the '56 total to 440.

SAMPLE BALLOT STATE TICKET DEMOCRATIC PRIMARY JULY 28

Names of candidates without opposition are not listed below:

For Governor—
REUBEN SENTERFITT
San Saba County.
PRICE DANIEL
Liberty County.
W. LEE O'DANIEL

KENNETH W. SIMMONS
Cass County.
WRIGHT PATMAN
Bowie County.

Additional listings may be found in The Times announcement column for district, county and precinct offices:

Lone Star Steel Earnings High

Lone Star Steel Company earned \$1.82 per share in the first six months of 1956 to surpass its earnings per share for all of 1955, President E. B. Germany revealed Tuesday as he released the interim financial report for the period ended June 30, 1956. "It was the best six months record ever established by the Texas steel mill which specializes in the manufacture of line pipe, casing and tubing. Earnings first six months last year were .87c per share.

Southern Titus Gets Wildcat

A new 8,000-foot Travis Peak exploration in Titus County is slated by F. R. Jackson and J. Z. Werby, working out of Longview. Their No. 1 Ruby French is 5 1/2 miles southeast of Mount Pleasant on a 68-4-acre tract with site falling 600 from the south and 393 from the west lines of W. K. D. Spain survey, A-524.

Parr stormed into the Duval Co. courthouse, armed with a rifle, in search of his political foe Tom Molina. He was disarmed and faces a misdemeanor charge.

Change Deer Season Red River, Bowie

State Game and Fish Commission, at the request of Red River County deer hunters, has changed the five-day deer season in Red River and Bowie counties to Nov. 23 to Dec. 2.

This was done to give hunters advantage of the dark of the moon. Deer feed on moonlight nights and lay up in thick cover in day time.

Antlerless deer may also be shot on special commission permits.

TIMBER FIRE ON WHITE OAK CREEK

Burning of timber on the John D. Wright place on White Oak last Sunday started a fire that spread across U. S. Highway 271 and called the Talco Volunteer Fire Department to help check the fire, before it reached the Whitten sawmill.

Mr. and Mrs. Joe B. Nelson left Tuesday for a visit with Mrs. Nelson's mother, Mrs. W. J. Tranel of Karens; his mother, Mrs. S. E. Nelson of Corsicana; their son, W. E. Nelson and family of Texas City and their daughter, Mrs. G. D. Pownell and Mr. Pownell of Houston.

THE MARK OF A REALLY SMART PERSON

The mark of a really smart person is not necessarily a college diploma or a Phi Beta Kappa key. It might be simply a record of carefully-considered actions.

To "know it all" would be wonderful - if we humans could absorb that much knowledge in a lifetime. Next best is to seek and accept the advice of experts, particularly your Doctor.

Visit him frequently. Follow his directions carefully. Bring your prescriptions to us to be filled, and take the medicine he prescribes regularly.

Such cooperation is the best course possible for preservation of your health, and it marks you as a really smart person.

City of Texarkana runs out of
money, says a newspaper head-
line. That is not news. We have
done that many times—and it
wasn't in a poker game.

This week a year ago this news-
paper reported that the area had
received a big rain. There were
5.34 inches by the government
gauge at Deport, 7.50 inches at
Bogata and 6.95 inches at River-
crest. We have use for a similar
amount of rainfall now.

Mr. and Mrs. Russell K. Bryant,
publishers of the Italy News-
Herald, were week end guests in
the Holloway home. They are
friends of many years' standing.
Bryant is immediate past-presi-
dent of the Texas Press Associa-
tion and did an outstanding job
as such. We missed the Amarillo
meeting of the Association this
year and they brought us up-to-
date on happenings in Texas pub-
licizing circles the past year. The
Bryants publish a prize-winning
weekly newspaper at Italy and we
enjoyed their visit very much.

Correction

There was an error in the ad
of Waddell's Grocery and Mar-
ket last week in which a quart
of Morton's Salad Dressing was
quoted at 59 cents. The price
should have been 39 cents. Talco
food shoppers keep up with gro-
cery prices, and doubtless recog-
nized it as a typographical error,
which it was. Our apologies to
the popular Talco grocery who
lets the people know what he has
to sell and the price every week
in The Talco Times.

Mr. and Mrs. J. A. Scarborough
and children, Jim and Marilyn of
Lynn, Mass., Mrs. Viola Scarbor-
ough of Irving and Mr. and Mrs.
Pat O'Keefe of Talco, were Sun-
day visitors of Mr. and Mrs. Rob-
ert Mitchell and Mr. and Mrs.
Luther Wright and Bobby at De-
port.

DON'T WORRY

As a couple were leaving a hospi-
tal room, wife assures patient:
"Don't worry about a thing at
the office, Mr. Bedford. If Har-
ry's told me once he's told me a
thousand times he can handle
your job a lot better than you
can yourself!"

Announcements

The Talco Times is authorized
to make the following announce-
ments, subject to the action of
voters in the July Democratic
primary:

HUBERT MARTIN

Read Carefully Before Voting

Voters should not permit three
propositions submitted to them
at the foot of their ballots to con-
fuse. If you don't want your
child to be compelled to go to a
school attended by both whites
and blacks, scratch out AGAINST
paragraph.

If you want more stringent
laws against inter-marriage of
whites and blacks, scratch out
AGAINST paragraph.

If you want to vote against
Federal encroachment in state
affairs scratch the paragraph be-
ginning AGAINST.

Scratch all three againsts if
you favor the three propositions
above. Vote directly opposite if
you are for them. Not many, if
any, will be.

FOR specific legislation exempt-
ing child from compulsory at-
tendance at integrated schools at-
tended by white persons and
negroes.

AGAINST specific legislation ex-
empting any child from compul-
sory attendance at integrated
schools attended by white per-
sons and negroes.

FOR specific legislation perfect-
ing State laws against intermar-
riage between white persons and
negroes.

AGAINST specific legislation
perfecting State laws against in-
termarriage between white per-
sons and negroes.

FOR the use of Interposition to
halt illegal Federal encroach-
ment.

AGAINST the use of Interposition
to halt illegal Federal encroach-
ment.

Mrs. T. E. Brown is visiting
her daughter, Mrs. Don Spruell,
who is making her home with
Mr. and Mrs. M. J. Spruell, until
August, when her husband will
return from Germany, where he
is now serving with the Armed
Forces.

Bridal Shower in Honor Mrs. Bobby Medlin Saturday

A bridal shower was held Sat-
urday evening from 2:00 to 4:00
at the home of Mrs. G. W. Bel-
cher, honoring the former Miss
Willie Mae Black, bride of Pfc.
Bobby Medlin.

The refreshment table was cov-
ered with a lovely white em-
brodered cloth with a center
piece of red and white carnations.
White cake squares, cookies and
soft drinks were served to 31
guests. Three large white bells
were hung in the archway.

The following registered in the
bride's wedding book, a gift from
Mrs. Lavon McGee: Mmes. Rose
Gartman, C. W. Belcher; Vera
Smith, Gordon Simmons, Ellen
White, O. F. Medlin, Tom Adcox,
Ois Swaim, Jessie Richerson,
Callie Faulkner, Iza Medlin,
Claud Abernathy, Cliff Fitch,

enheimer and Tessie Harper and
Ira Rollins, Pfc. Bobby Medlin.

Hostesses were Mmes. Ruth
Belcher, Jim Morris, Dick Hood,
Tex Lee, Eunice Harris, Lavon
Harper, J. B. Lee and J. C. Fall.
Many beautiful and useful gifts
were on display.

Sullivan is Fined \$1,000 By Jury

Raymond Sullivan, tried in
102nd District Court at Clark-
sville on a charge of assaulting
Earl Franklin, sheriff of Harrison
County, was assessed a fine of
\$1,000.

The assault for which Sullivan
was indicted occurred at Annona
May 12. Others were involved
in the altercation. Sheriff Frank-
lin was hospitalized at Clark-
sville and later at Marshall.

Trial of Sullivan drew one of
the largest crowds at a court
action in Clarksville in several
years.

Fambro Named School Supt.

R. L. Fambro has been named
superintendent of the Clarksville
school system. He succeeds E. V.
Hufstutler, who resigned to ac-
cept the superintendency of the
Belton Schools.

Fambro, 32, is a graduate of
A. & M. He has done graduate
work at TCU. He came to the
Clarksville system two years ago
from Glen Rose where he had
been for five years. Prior to that
time he was vocational agricul-
ture teacher at Millsap. He was
Clarksville High School principal.

Additional Locals

Mrs. O. D. Welch and Mrs. G.
G. Ryan left Monday for Austin,
where they will visit Mrs. Welch's
sister, Mrs. Herbert Smith and
Mr. Smith and Mrs. Ryan's
daughter and husband, Mr. and
Mrs. Jerry Worden.

Mr. and Mrs. W. T. Calloway
and Tommie Jean returned from
a visit to Mrs. Calloway's sister,
Mrs. W. Washam and family in
Lilly. On the return trip they
came through Natchitoches, La.,
and brought Mrs. Calloway's sis-
ter, Mrs. P. O. Gwenn, Ross and
Ronnie, home with them for a
visit. On Tuesday a third sister,
Mrs. C. L. Stephens of Neder-
land and her niece, Miss Marilyn
Russell of Waldo, Ark., arrived.

Mr. and Mrs. Roy Lilley and
Kay, Mr. and Mrs. Robert Gar-
ner, Linda and Robert Jr. of El
Dorado, Ark., have just returned
from a two weeks' vacation. They
visited Pikes Peak, the Black
Hills and Bad Lands of North
Dakota, also their son, Mr. and
Mrs. Roy Lilley Jr. of Sidney,
Montana, accompanied them to
Crystal Lake, Mont., for some
fishing before returning home.

Mrs. Kenneth Westbrook and
Miss Linda Haynes are leaving
Tuesday for Glorieta, N. M., to
attend the Southern Baptist Mu-
sic Leadership Conference from
July 19 to 25. They will have
classes each day at the music
clinic, also there will be a wor-
ship service morning and even-
ing. The conference will be cli-
maxed by a concert, Tuesday
evening, July 24, in which a
choir of 700 voices will present
the Messiah. Mrs. Westbrook and
Linda will take part in this con-
cert. The Calvary Baptist
Church is sponsoring Mrs. West-
brook's trip.

MAPLE SPRINGS

By VIRGIE GRAF
Mrs. Betty Jo Winkle and
Charles spent last week end with
Mr. and Mrs. W. Winkle at
Clarksville.

Mrs. Bill Via of Talco and Mrs.
W. A. Hawthorne and Charles
spent Wednesday and Thursday
with Mrs. Hawthorne's mother,
Mrs. Melton, at Vernon.

Calvin Carter of Houston, spent
the week end with Mr. and Mrs.
Charlie Smith. Mrs. Carter re-
turned home with him after
spending a week with her par-
ents.

Mr. and Mrs. T. G. Temples and
Donna of Huntsville, Mr. and
Mrs. Bert Temples of Texarkana
and Mrs. Cattie Temples spent
Sunday with Mr. and Mrs. Tom
Temples.

Bob Randles has returned home
from Houston, where he went for
a check-up.

Mrs. Will Randles of Mt. Pleas-
ant, is visiting Mr. and Mrs. Man-
uel Blalock and Betty.

A2c and Mrs. Billie Joe Ran-
dles and son are visiting Mrs.
Georgie Randles and children.

Mr. and Mrs. D. J. Smelley Jr.
attended a family reunion of Mr.
Smelley's family at Glenfawn,
Thursday, then went to Grape-
land to visit Mrs. Smelley's sis-
ter, Mrs. S. W. Boykin and Mr.
Boykin; also her nephew, Mr. and
Mrs. L. N. McGuire and family,
who recently returned from Ja-
pan.

Golden Esso Extra GASOLINE

has the **HIGHEST OCTANE RATING**
in Texas...highest by far!

Humble research provides the first gaso-
line specially made for cars with very high
compression engines and cars that tend to
ping or knock on "premium" gasoline.

This gasoline, Golden Esso Extra, has
the highest octane rating in town—highest
by far.

But octane rating is only one perform-
ance quality. In Golden Esso Extra this
improvement paces other quality improve-
ments that will assure you:

Quickest starting and warm-up; maxi-
mum power; fastest acceleration; increased

protection against vapor-lock; minimum
engine deposits; and best gasoline mileage.

Golden Esso Extra is the world's finest
automotive gasoline. Its performance rates
it "premium over premium." If your car
has a very high compression engine, if it
tends to knock or ping on "premium" gaso-
line, use Golden Esso Extra.

You will save the extra cost through
performance, operating economy, and added
gasoline mileage. Dispensed from the
golden pump under the Humble sign.

Pay only for the gasoline quality
your car requires

**PREMIUM
over
PREMIUM**

Golden Esso Extra is first of three great
Humble gasolines. It costs more to make,
and those whose cars require its quality
will profit by paying more for it. Others
will not.

PREMIUM

Famous Esso Extra Gasoline is No. 1 in
Texas, first in sales among "premium"
gasolines because it's first in quality. Esso
Extra gives peak performance to most cars
with high compression engines. This fa-
mous gasoline will continue to be the
quality leader in its field.

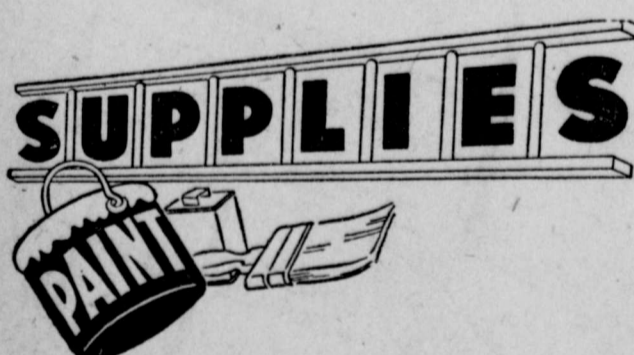

REGULAR

Humble Motor Fuel is for cars that
perform well on regular gasoline. It
sets the pace for performance and
mileage among the "regulars." It is
the only regular gasoline in Texas
that contains a patented solvent oil
to keep engines clean.

HUMBLE CAMP

By MARTHA CHAPMAN
Phone DRexel 9-3261

Mrs. J. H. Dickerson entered Talco Clinic Monday.

Mrs. R. F. Parker and Joy were in Paris on business Tuesday.

Mr. and Mrs. Bill Seabaugh, Kay and Chuck were in Dallas on Sunday.

Susan Means of Houston, is here for a visit with her aunt, Mrs. Frank Tietz.

Mr. and Mrs. I. A. Carter left Wednesday for Sunset to visit Mrs. Carter's father.

A visitor to Dallas last Tuesday was Mrs. Rudy Warnell. She returned home Friday.

Eddie Griggs has returned home after visiting Harry Stracener in Gladewater.

Mrs. G. G. Ryan left Monday for a week's visit with Carolyn and Jerry Worden in Austin.

Mr. and Mrs. Joe Nelson left Tuesday to vacation in Kerens, Monahans, Corsicana and Texas City.

Mr. and Mrs. T. G. Temples and Donna visited in the home of Mrs. Temples' parents, Mr. and Mrs. Jess Cox.

Mrs. Jack Brewer visited her sister, Mrs. Sadie Zoller, in Tyler, Tuesday, where a family reunion was held Wednesday.

Mr. and Mrs. G. M. Burnham and Bobby Gale, visited Mr. Burnham's parents in Homer, La., Saturday and Sunday.

Mrs. A. Dyson left Monday to visit her sister, Mrs. Charles Roberts in Winnsboro. They will then go to Dallas, where Mrs. Roberts will enter a hospital for treatment.

We have a new family in our midst—Mr. and Mrs. M. L. Hambric and three sons, who came here from Palestine. Mr. Hambric is replacing A. W. Compton as chief clerk.

Mr. and Mrs. Milton Pearson and Kelley of Cisco, visited in the homes of their parents, Mr. and Mrs. H. M. Pearson and Mr. and Mrs. Harold Trimble, over the week end.

Mr. and Mrs. Dale Cross and Mr. and Mrs. Forrest Gunter of Cumby, met Mr. and Mrs. Ervin Hooks at Glass Lake for the week end.

Mr. and Mrs. Odell Morrison and Jerene visited in the home of Dr. and Mrs. Bob Hardiman and children in Mt. Pleasant on Sunday.

Mr. and Mrs. Pierce Hendrix Jr. and son of Longview, visited in the home of Mr. Hendrix's parents, Mr. and Mrs. P. P. Hendrix, over the week end.

Mr. and Mrs. J. W. League and boys of Gladewater, visited in the home of Mr. and Mrs. Billy Carter. They all spent the week end fishing at Beavers Bend.

Mr. and Mrs. Mason Denton of Bagwell, and Mr. and Mrs. Andrew Connally of Ft. Worth, were guests of Mr. and Mrs. R. F. Parker and Joy on Saturday.

Visitors in the Joe Nelson home during the week were Mr. and Mrs. J. H. Nelson of Pickett, Mr. and Mrs. G. G. Nelson of Dallas and Mr. and Mrs. G. D. Pownell of Houston.

Mr. and Mrs. A. A. Spivey, Mary, Sherry and Dorothy visited in the home of Mr. and Mrs. W. C. Fowler in Mexia over the week end. Mr. and Mrs. M. A. Denton of Hawkins, joined them on Sunday.

Mr. and Mrs. Harold Trimble, Mr. and Mrs. Milton Pearson and Kelley and Mr. and Mrs. H. M. Pearson spent Saturday at Narrows Lake in Arkansas, joining Mr. and Mrs. Pendleton for lunch.

Mr. and Mrs. R. E. Cain, Judy and Douglas visited in Graham with Mrs. Cain's parents, Mr. and Mrs. Harold Smith, over the week end. Judy remained for an extended visit with her aunt, Mrs. Tanner of Winters.

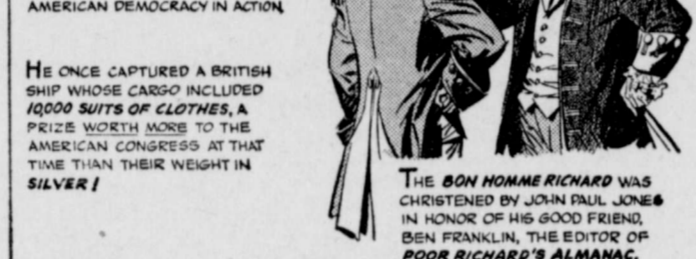

Mr. and Mrs. W. E. Chapman, Mr. and Mrs. Alford Flanagan, Billy Wayne and Alford Lee attended an open house in Tyler at the home of the Jimmy Arnold honoring Mrs. Arnold's father, Hardy Hazzard on his 50th birthday.

Mr. and Mrs. Sidney Frugia had as guests Mr. Frugia's nieces, Miss Elsie Frugia, Mr. and Mrs. Dewey Balfa and daughters, Nelda, Roberta and Norma of Basile, La. Ray Frugia, who had been visiting in the Frugia home for some time, returned home with them.

It's Your AMERICA

MORE TREASURED THAN SILVER
AMERICA'S GREATEST VICTORIES AT SEA, LED BY JOHN PAUL JONES, A SCOTSMAN, AND HIS BOLD CREW OF FRENCH, IRISH, SCOTCH, PORTUGUESE AND MALAY SEA FIGHTERS ARE A GLORIOUS SWING OF AMERICAN DEMOCRACY IN ACTION.

HE ONCE CAPTURED A BRITISH SHIP WHOSE CARGO INCLUDED 10000 SUITS OF CLOTHES, A PRIZE WORTH MORE TO THE AMERICAN CONGRESS AT THAT TIME THAN THEIR WEIGHT IN SILVER!

AN OLDTIMER

Jack Parr tells of a tourist in the Far West who complained to the hotel proprietor about the dirty roller towel in the men's washroom. "I thought," he snapped, "that roller towels were outlawed in this state many years ago!" "That there towel," answered the hotel keeper indignantly, "was put up long before that law was passed!"

NOT COURAGE, JUST HABIT

"Madam," remarked the sheriff, "I'm amazed that you had the courage to attack a burglar—and in the dark at that." "Oh," replied the woman, a little embarrassed, "I thought he was my husband."

and the peach is soft to thumb pressure. Peaches of this type have built up natural sugar and will freeze into a quality product. Under no condition should peaches be placed in frozen packages until they are full ripe.

Handling Peaches For Deep Freezing Should Be Ripe

This week Burbank July Elberta, Halehaven and Early Fair's Beauty peach varieties will move into market channels, says J. F. Rosborough, Extension Horticultural Marketing Specialist. These are all yellow fleshed freestone peaches suitable for freezing. It is best to wait for the Elberta movement in July for canning peaches. There has been a wide variation in price. Small sized peaches in bushel lots have sold as low as \$2.50; medium sized peaches have mostly been packed in half-bushels selling at \$3.25 to \$3.75. Extra large sizes packed in lugs with cups have sold from \$3.75 to \$4.25 — weighing 23 pounds net.

Talco Activities 10-20 Yrs. Ago

Week of July 17, 1936

Talco's producing wells numbered 20, with several more to be brought in any time.

Machinery was being assembled at Hagansport for drilling of three wells.

Workmen had started clearing ground for Humble's second camp. About 50 acres were to be cleared, making this one of the largest camps in any oil field.

Humble had started work of laying the 9,000 barrel pipeline from Talco to Longview.

Dr. R. A. Tate had leased a town lot for \$2,500. E. E. Combs, East Texas oil operator, held the lease.

Mrs. E. E. Kelley and Mrs. C. E. Jones had drawn matches to see who would have an oil well drilled in their yard first. Mrs. Kelley won the decision.

Two new business firms had located in Talco, the Christian and Rannels cafe and the R. M. Giles Co., gent's furnishing store.

Mrs. C. G. Hughes had been honored with a birthday dinner on her 71st birthday at the home of her son, W. H. Hughes.

Mr. and Mrs. Kenneth Westbrook and daughter, Wanda of Conroe, were spending their vacation with relatives at Talco and Depart.

Talco school well No. 2 was producing.

School per capita had been set a new high of \$19.

An oil well had been brought in at Sulphur Bluff, extending the Talco field.

Jesse Cato, 18 year old Bogata boy, who had been injured while swimming when he dove into shallow water, had died.

Week of July 19, 1946

Marriages: Miss Charline Swedeen and Grady Richeson; Odia L. Storey and Miss Lucille Wilkinson; Leon Clark and Lois Edward; Ollie B. Allgood and Bunn A. Jeffus; Billy Jean Carter and Cecil Lewis.

Bruce Jennings, Humble employee, had been seriously injured when he fell from a 16-foot storage tank and was struck across the chest by a length of two inch pipe.

J. L. Shaw, 52, Humble employee, had been taken to a Gilmer hospital suffering with poliomyelitis.

Texas public schools were to receive \$41 per student in state aid.

WSCS had honored Mrs. M. G. Smith with a pink and blue shower at the Humble Recreation Hall.

Selected for publication in "Sermons in Poetry" were these three poems: "Forget to Fight" by Tommie Joy Clark; "The Moon" by Patsy Bond and "Gay and Sad" by Duane Welch.

Mr. and Mrs. P. P. Hendrix had announced the engagement and approaching marriage of their daughter, Vera, to Gerald Dee Lightsey, son of Mr. and Mrs. H. D. Lightsey.

Mrs. J. L. Cato had honored her daughter, Mrs. Jerry Dismukes, with a birthday dinner.

Mr. and Mrs. Hubert Horn had moved into their new home south of Johnstown.

Four men had been fined for operating a 50-gallon still, 18 miles northeast of Clarksville.

World War II was officially over for R. H. Bryson, 75-year-

REAL THOUGHT

The new "find" was about to be starred in a picture. One scene was where the girl was to jump from a high cliff into the water. Upon examining the jumping point and the landing place, the girl ran to the director and said: "I won't make that jump, I absolutely refuse to do it. There's only a foot of water at the bottom of that cliff." "That's all right," answered the director. "Do you think we want you to drown?"

old Deport man. His full beard, dating back to our entrance into the war, and which he declared he would let grow until Germany and Japan were licked, had been bared to a barber.

ALCORN FAVORS WATER PIPED OVER LAND FROM THE SEA

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, apparently has water on his mind, or brain, as you prefer, his letter this week indicates.

Dear Editor: While coming back from town the other day I found a newspaper some roadside picnicker had used to wrap his lunch in, newspapers are a lot better and a far cry from the models we used to get 25 years ago even if they aren't any more ant-proof now than they were then, and I brushed the crumbs and the ants off and brought it on home with me and headed straight for a shade tree in the pasture without going by the house, women have no sense of intellectual values and consider household chores like patching the floor or emptying the garbage as important as mental nourishment.

I hadn't been reading long when I ran across an article that got my mind off the international situation and down to common ordinary living.

According to it, the time may come when man will whip the water shortage situation, not by producing rain but by figuring out a cheap way to eliminate salt from sea water and piping the stuff inland to wherever a dry spot shows up. Have a network

of pipe lines running all over the country.

According to the expert making this prediction, it may be around 1990 or the year 2000 before this takes place, and while I don't believe my crops can hold out that long, still I think somebody ought to be giving some thought to the matter and while I'm waiting on a rain and don't have anything else to do, that's what I've been doing.

As I see it, say they get the thing perfected and there's a 12-inch water pipe running by my farm ready to turn on and make the present crop surplus look like the sixth year of seven years of want in Egypt. This will be fine, except that some bureaucrat will come along and put in a water meter just ahead of my hydrant, with the result that all the fun will be taken out of turning it on and financially I'll be broke with green crops instead of broke with dry ones.

Before this pipe line network gets started, while it's still in the talking stage, is the time to get Congress to outlaw the water meter. Freedom of the seas has got to be brought inland, all the way to my farm. I think you ought to get our Congressman to working on this right now. Time is short. You've got to consider how long it takes Congress to thresh out a problem.

Yours faithfully, A. A.

Auto Accidents Picture Grim in District No. 12

Captain Guy Smith, commanding officer of the Texas Highway Patrol District No. 12, released the first six months summary of the accident experience for the district.

In comparison with the first six months in 1955, the accident picture for this District is grim. The first six months of 1956 showed 62 people killed, compared to 95 killed in 1955.

Captain Smith urges the motorist to slow down, and obey the "Signs of Life," because no motorist can afford the cost of an accident, regardless of who he may be.

There were 1305 accidents in the 19 county area, 95 killed, 745 hurt and property damage of \$802,631.00.

In Red River County there were 12 accidents, one death, six injured and property damage of \$25,542.00.

In Titus County there were 26 accidents, two deaths, 20 injured and property damage of \$22,855.00.

Franklin County had 8 accidents, three deaths, five injured and \$6,090.00 property damage.

Catch Alligator in Cheatwood Lake

Last week, O. D. Clark and Seaborn Coggins, both of Cuthand, caught an alligator in the net they were using to take fish from Cheatwood Lake on the Sam Bernard property near Sulphur River.

The alligator, second such reptile to be taken from the lake, is four feet long and has been harnessed and lariatied out in the water. The first alligator was crushed to death when it fell from the back of a pick-up into the path of another car.

Former Humble Supt. Retires

L. O. Holloway, superintendent of Production for Humble's Talco district in the early days of the field, has reached that 65th birthday and is retiring.

A retirement party for him was held at Longview last week, attended by many of his friends and well-wishers.

MORE LIKE IT
Sometimes we wonder why the season isn't called summer instead of summer.—Davenport Times.

Soil Conservation Work Red River County Underway

O. C. Owens of Detroit, has become a new District cooperation on a 440 acre farm on Cuthand creek, south of Detroit, he recently purchased from Arthur Nobles of Deport. The Soil Conservation Service assisted Mr. Owens in working out a conservation plan on this farm. This plan called for the plowing down of some old terraces and constructing new ones in their place. Mr. Owens, using a large motor grader, has smoothed the old terraces down and is now building 4400 feet of new field terraces in their place. The terraces empty onto a wide sodded pasture strip. The conservation plan also called for the rebuilding of a diversion terrace, of some 2000 linear feet in length, to divert hill water from cultivated land. In addition the conservation plan called for the construction of a new farm pond for livestock water. The Soil Conservation Service has also staked this pond that Mr. Owens plans to build within the next few days. Also according to the plan Mr. Owens will do some pasture improving work on the farm within the near future.

Additional District Cooperators reported as mowing their pastures for weed and brush control include: George Puckett, Dick Walker, O. B. Parchman, Bruce Bland, J. A. Meals, Cecil Jackson, Lloyd Stires and Roy Garland.

E. E. Morris, who has a ranch at Catonville, recently brought in 400 goats from south Texas and now has them on his ranch. These goats will help control brush and sprouts on a 400 acre tract of land that Mr. Morris cleared of timber three years ago. When the land was cleared the trees were piled in large windrows. After burning the windrows Mr. Morris seeded the burned areas this past spring with Bermuda grass seed. He has a good stand of Bermuda grass on all of these burned windrow areas. Mr. Morris also prepared a good seedbed, by flatbreaking and discing another 40 acre tract of land during the spring. He had planned on sodding Bermuda grass on this 40 acres but due to dry weather he decided to use Bermuda grass seed. He seeded hulled Bermuda seed on this 40 acre tract and obtained a good stand of grass.

On farm pond construction 12 new ponds have recently been checked for completion by the Soil Conservation Service assisting the District. These completed ponds were on the farms of Morris Wooley, Clarence Burkett, Bill Ingram, W. L. Coker, J. V. Baird Tom DeBerry E. G. Lum Jr., Sam Jones, J. C. Scales, I. O. Morris, and Charles T. Brooks. The Soil Conservation Service has also staked five more ponds for construction on the farms of O. C. Owens, E. E. Morris, S. T. Spears, J. J. Roden and W. E. Vetto.

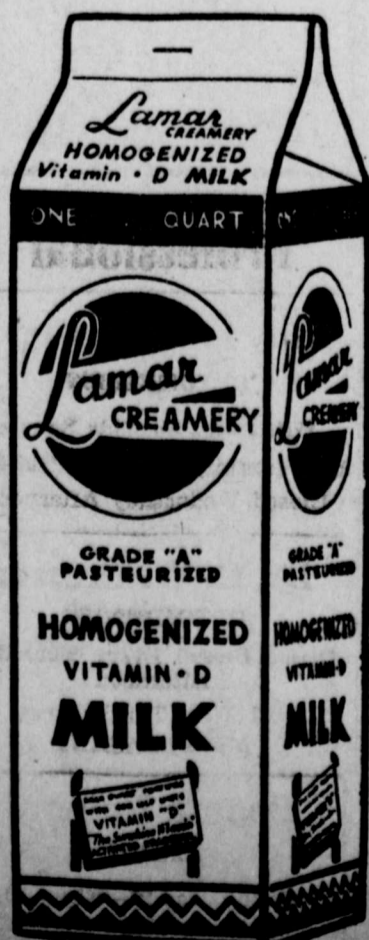

Doctor Says Mate Should Be Ticklish

London.—This is the time of year when everyone has advice for young couples.

A London physician says that prospective husbands and wives should make certain their partner is ticklish. Non-ticklish people, he says, make sad life-long companions.

The tickling tests must, of course, be carried on with moderation. A fellow named Tobias Hackner tickled eight brides so thoroughly that, one after the other, they had hysteria and died. (He lived in the 15th century.)

DEFINED
Pedestrian—A driver who has found a parking space. — Dope Sheet, Norfolk, Va.

TWO START STUDY TO FIND CAUSES OF U. S. SUICIDES

Los Angeles.—Two Los Angeles psychologists have begun a three-year study to find out the answer to a little known question: Why do people kill themselves?

The U. S. Public Health Service is financing the research because of an alarming jump in the suicide rate. It's officially reported at 20,000 yearly in the United States, with at least twice that number estimated to be unreported.

The scientists are Dr. Edwin S. Schneidman of the Veterans Administration Neuropsychiatric Hospital and a faculty member of the University of Southern California, and Dr. Norman L. Faberow of the VA's Mental Hygiene Clinic and a UCLA faculty member.

The two experts said they hope to find out why more men—nearly three to one—commit suicide than women, and why the West Coast leads the nation in self-destruction. San Francisco is the No. 1 city.

Man-Made Diamonds Produced By GE

Washington.—Man-made diamonds are being produced on a pilot-plant basis and may be available for industrial and defense use "in the not-too-distant future," the General Electric Co. has said.

A company official predicted that there's a good chance that the man-made variety eventually will prove superior to the natural product for industrial use.

The announcement that GE's "laboratory achievement" of a year ago in making the world's first synthetic diamonds has been translated into successful pilot-plant operation was made as the company presented to the Smithsonian Institution a cluster of the first laboratory-made specimens. The company is not trying for gem quality and size.

HOW TRUE
Heard from a speaker before a group of business men: "The human brain is a wonderful mechanism. It starts working the moment you are born into this world and never stops until you stand up to make a speech."

They will return to Glorieta for the concert Tuesday, July 24, and bring Mrs. Westbrook and Linda, home.

(This is in answer to a political advertisement which appeared in this newspaper on July 13, 1956, entitled "The People have a Right to Know the Truth." This ad was paid for by friends of Wright Patman in Titus County. They, however, did not write this slanderous piece of political propaganda. It was written by "the man who always runs on his own merits and never on the demerits of an opponent," Congressman Wright Patman. Congressman Patman in April mailed out approximately 1,500 letters to all life insurance agents in this district containing a more detailed report of the same false charges presented in the above mentioned ad.)

THIS IS THE TRUTH

The Congressman's political advertisement claims that Kenneth Simmons, Bud Felker, and our associates organized the insurance company we formerly worked for. This is absolutely untrue. Neither Bud Felker, our partner, Dewey Moore, nor I had anything to do with organization of the American Protective Life Insurance Company or any other life insurance company. In the fall of 1954 we were **EMPLOYED AS AGENTS.**

The ad went on to say that Simmons and his agents, will pocket \$274,398. The Congressman undoubtedly used the same formula in arriving at this figure as he uses in estimating the crowds at his barbecues and rallies. I testified under oath in Washington that I made approximately \$550.00 per month in advances and commissions during the fourteen months I was in the insurance business. My partners did not make enough to pay their own expenses. I had my books and records on hand in Washington to back up my statements. Mr. Patman was claiming at that time that I was making \$100,000.00 per year. I wish this were true but the correct figure is approximately \$6,500.00 per year.

Up until the time I announced for Congress on January 19, 1956, the Congressman's political leaders tried on many occasion to discourage me from running against him.

Also, prior to this time, Mr. Patman had obtained from high military authorities a list of some 20,000 names of R. O. T. C. college graduates covering a five state area to be used as prospects for my agency to sell life insurance.

Shortly before I announced for Congress, he had this list and was preparing to turn it over as further inducement to keep me out of the race. As soon as Congressman Patman learned of my intention to run, he put out a letter stating that the list was restricted and confidential and could not be turned over to me for any reason. In this letter of January 16, 1956 he stated that the the list "was furnished to me (Patman) recently for official use only." At this point I would like to ask Congressman Patman two questions:

1. What possible "official use" could Congressman Patman have for 20,000 names of R.O.T.C. graduates covering a five state area?
2. What did Congressman Patman allege to high military authorities as his reason for wanting this restricted list of 20,000 names and addresses, and did he tell these high authorities that he intended to turn this list over to my agency as a prospect list to sell insurance?

I have been asking Congressman Patman these questions since March of this year and as yet he has given no answer whatsoever.

As soon as I announced for Congress on January 19, 1956, Mr. Patman and his political leaders started an investigation of my activities as a life insurance salesman. They obtained many names of men I had sold and tried to get statements of misrepresentations from them. The Congressman prepared vast reports and statements himself, and submitted a documental file to the House Armed Services Investigating Committee, Washington, D. C. Considering the fact that he is a member of Congress with 28 long years of service, I was immediately subpoenaed by the Committee for possible violations of the Universal Military Training Act., Selective Service Regulations, and to testify about insurance procedures and sales methods.

When Congressman Patman submitted all of this evidence against me he **FAILED TO TELL THE CHAIRMAN OF THE COMMITTEE**, or members of Congress, that I was his opponent, knowing that unless he could scandalize me, he stood a good chance of losing his job. This was an unpardonable breach of Congressional etiquette.

I was tried before the House Armed Services Investigating Committee composed of seven members of Congress. I was on the witness stand for two hours and twenty minutes and I answered several hundred questions. I submitted two brief cases full of proof that every piece of evidence against me was false, inaccurate and untrue.

All of Mr. Patman's evidence and statements he now makes were in the hands of the Committee's prosecuting attorneys.

Everything Mr. Patman had prepared and all of his witnesses back-fired in his face. I disproved every charge made, and I was cleared in **TOTAL** by all members of the committee. I might add that four members were Democrats and three were Republicans. Even Mr. Patman's colleagues acquitted me on **ALL CHARGES.**

The Congressman would lead you to believe that my agency sold this policy only to men who qualified under the Soldiers and Sailors Act. We did sell a small per cent of these policies to men who qualified under this Act, and it was done according to the provisions and regulations of the law. Each policy sold in this manner was approved by the Veterans Administration, Washington, D. C. We sold many policies in which the premiums were withheld from the man's pay under government allotment. We sold others which were paid on a monthly basis, semi-annual, or annual basis by the policy holders. We sold approximately 500 policies and 99.5% of these men seem to be perfectly happy.

The ad stated that I have been complaining about being investigated. This is also false. I appeared on television and made a complete report to the people, quoting the main contents of the hearing. This was certainly my duty and my privilege since I was tried and acquitted. The people were entitled to know the truth. I actually consider the hearing the best thing that could have happened to me. It has helped me more than I can tell you. I am complaining to this extent: Now that the hearing is over, he has taken excerpts out of context from the transcript of the hearing in his desperate attempt to discredit me. This is a trick which I do not believe the people will fall for. I have also said that he should be working at the job you and I are paying him \$22,500.00 a year to do rather than spending most of his time digging up evidence against his opponent. I think I have every right to complain about that.

In summary, I want you to be the jury. Mr. Patman submitted these same charges contained in the above mentioned political ad to the Investigating Committee in Washington. These men had the opportunity of hearing the whole proceedings and not just the part Mr. Patman wants you to hear. I was tried and acquitted on every charge by this Committee. The Committee was appointed by the Congress and its decision was **NOT GUILTY** by unanimous vote.

I have resolved from the beginning to run a clean campaign and to run on my own merits. I have tried my very best to do this, but when such fantastic false statements are made against me, I must answer and defend myself. Any decision you make considering the above matter is good enough for me.

Respectfully submitted,

KENNETH W. SIMMONS

Benham-Logan Rites Saturday

Miss Gay Lee Benham, daughter of Mr. and Mrs. H. E. Benham of Bogata, and Kenneth Logan, son of Mr. and Mrs. Everett Logan of Talco, were married Saturday evening at the home of the bride's grandparents, Mr. and Mrs. J. F. Hood, in Bogata.

A large mirror, decorated with white carnations and ivy, formed a backdrop for the wedding ceremony, with Rev. Hoyt Brinlee, Baptist pastor, officiating. The bride wore a navy dress, with white accessories and carried white carnations on a white Bible.

Following the ceremony, a reception was held in the Hood home. Reba Robinson registered the guests in the bride's book, made by Mary Alice Reep. Mrs. Cullen Benson and Mrs. J. R. Bird served punch and the two tiered wedding cake, decorated with tiny bride and groom, from a table laid with a white lace cloth and centered with white carnations. Mrs. Joe Carr was also a member of the house party.

The bride is a '56 graduate of Bogata High School. The groom graduated from Talco schools and

Lives Eight Days On Raw Lizards, Cactus

Moab, Utah.—When a boat carrying two uranium prospectors capsized in the raging Colorado River, one of the men took "over the rim" to the west.

The other, 43-year-old Charles L. Robinson of Hot Springs, Ark., elected to work along the river and eat berries and stay alive.

Robinson was rescued exactly eight days after the mishap. Instead of berries, he ate raw lizards and cactus, and he lost 42 pounds during his ordeal.

"Lizards taste a lot like sardines or tuna when a guy is good and hungry," he said as he recuperated in a Moab hospital.

Of his adventure, he commented: "This was a stupid, idiotic thing . . . I was rescued alive only by a divine act of God."

has served two years with the S. Army. Upon their return from a short wedding trip to Oklahoma, they will be at home in Mt. Pleasant.

It is said that fish bite better between new moon and the first quarter.
