TALCO DEFEATS HONEY GROVE BY LOPSIDE SCORE OF 42 TO 0

By GENE RICHESON

On Friday night at Warrior Stadium, Honey Grove, Talco Trojans won their third game of the season. It was their first win with a previous loss and a tie.

The Trojans made a good showing and from the beginning, the game seemed to be under complete control of Trojan Quarterback Gerald Morris. The Trojans won the toss and elected to receive. Johnny Thurman, Warrior tackle, kicked off and Trojan Halfback Jerry Russell then Morris returned to the 19 yard line. After two plays which moved the ball down to the 32 yard line, Trojan Halfback Russell on a right end sweep, galloped 68 yards for the first Trojan score. Fullback Clark failed in an attempt to run the extra point.

A series of strong offensive drives and a 15 yard holding penalty brought the ball down to the 3 yard line where Trojan Fullback Clark on a left-end sweep added another touchdown. Russell ran the extra point to make the score at the end of the first quarter, 13 to 0.

In the second quarter Hood intercepted a Warrior pass and returned the ball to the 47 yard line but the Trojans were unable to scrouge a good offensive play and the ball went over on downs. In the second period neither team could move offensively and only three first downs were gained during the quarter.

In the fading seconds of the first half, Halfback Jackie Martin intercepted a Warrior pass intended for End Don Hoffman and returned the ball 12 yards to the 45 yard line, where time ran out and the score remained after 24 minutes of play, 13 to 0.

In the third quarter the Warriors came back with Larry Dobbs returning the kickoff by Russell to the 25 yard line. The Warriors completed a pass to Gene Thurman, end, and another pass to Thurman which brought the ball down to the Trojan 18 yard line, where the Trojans set up an iron tight defense and the ball went over on downs to the Trojans, who on the next play fumbled and it was recovered by the Warriors on the 10 yard line, but again the Trojan's defense held and the ball went over on downs to the Trojans at their own 5 yard line. Powerful end sweeps by Hood, Loftin and Russell for 86 yards brought the ball down to the Warrior 9, where the Trojan backfield fumbled and a brave Warrior ventured back to recover to end the Trojan scoring threat and also the third quarter.

Early in the 4th quarter in which the Trojans proved red hot on offense, Trojan linebacker Martin tackled halfback Dobbs behind the goal line for a safety

and an additional 2 points. The Warriors kicked off from their 20 and halfback Russell returned the ball 20 yards to the Warrior 45. From there, fullback Hood ran 31 yards to the 14 yard line and on the next play off left tackle for the third Trojan touchdown. Halfback Martin on a left end sweep made the extra point.

Russell kicked off and, being unable to move the ball, the Warriors were forced to punt. The Trojans again started a drive but lost the ball on a fumble. Needing to score very badly, the Warriors took to the air only to have their first pass intercepted by Loftin who returned 45 yards for the fourth Trojan touchdown. Hood failed to run the extra point.

Next came a most spectacular and unusual play when Russell kicked off and the ball rolled into the end zone. Since on the kickoff the ball is free and belongs to the first team who takes possession of it, Martin raced to the ball and recovered it for another Trojan touchdown. This play seemed very much to astonish the Warriors who had plenty of opportunity to recover the ball but failed to do so. Hood ran the extra point which brought the score to 35-0.

Russell kicked off and again the Warriors went to the air only to have another pass intercepted by Leon Rodgers who returned the ball to the Warrior 21 yard line, where the Trojans lost the ball on downs to the Warriors, who after three successive plays, had to punt and the Trojan B Team offensive pushed their way to the 16 yard line where a pass from Quarterback Jere Parrish to End Dale Funderburk made the final touchdown and Parrish ran the extra point over to conclude the scoring and also the game.

Starting line-up for the Trojans was:

E—Leon Rodgers
E—Mickey Via
T—Charles Graf
T—Frankie Stevenson
G—Jimmy Sloan
G—Wayne Blackburn
C—Jerry Clemmons
QB—Gerald Morris
HB—Jackie Martin
HB—Jerry Russell
FB—Joe Clark

Heavy Rain Ends Summer As Fall Brings Cool Wave

Summer season ended Monday morning, with one of the heaviest rains of the year falling Saturday and Sunday. As thunderstorms and cooler weather moved across this section Saturday night, heavy downpours drenched the area.

Saturday night and Sunday, Talco had 4.1 inches rainfall. There was some wind and very severe lightning and thunder, but no damage to property was reported. It was a much needed and welcome rain.

The government rain gauge in Deport showed 4.86 inches during the 24 hour period. The Cox Field gauge measured 4.36 inches, bringing Paris' official measurement to 55.37 inches for the year. Over six inches was gauged at several points in Paris.

It brought the months' total rainfall to 7.57 inches, four inches above normal for September. The near 5 inches of rain left less than 10 inches below the record annual rainfall figure of 65 inches in 1946.

Accompanied by a sizzling electrical storm, four inches of rain fell at Bogata Saturday night, with an additional .3 of an inch Sunday. Texas Power and Light Company's Rivercrest plant reported 3.66 inches for the same period of time.

As the cool front pushed its way across the area the mercury dipped to 49 degrees Tuesday morning.

Talco Lions View Football Films

Talco Lions Club met in the school cafeteria Tuesday at 7:30 p. m. for a delicious steak supper served by the cafeteria staff. President Frank Sloan directed the group to the school auditorium where they met the local football team. Here they viewed films of the highlights of Southwestern Conference football games of 1956. Also films of some of the local team's games. These films were made possible through the courtesy of Humble Oil Company and secured by Humble Agent E. W. Smith.

Fifteen members and three visitors were in attendance. The next meeting will be Oct. 8 with a Scouting program which was a postponement of this meeting. All Lions are urged to attend in the interest of the local Scout troop.

Mr. and Mrs. Wayman Alexander and girls were recent visitors of her grandfather, Sam Garretson and Mrs. Garretson of Mt. Vernon.

Squirrel Season Opens Red River County October 1

Squirrel season opens in Red River County on October 1 and in Lamar on October 15. Game wardens report a large crop of squirrels this year.

Red River and Bowie Counties will have a nine-day deer season, running November 16-24. Lamar and Fannin Counties will have five-day seasons, November 16-20.

Delta, Franklin and Hopkins Counties will follow with a five-day season: November 21-25. There is no deer season in Titus County this year.

Calvary Baptist Plans Revival

Calvary Baptist Church of Talco, with Rev. C. M. Fields as pastor, is planning a series of revival services beginning Oct. 4 and continuing through Oct. 13.

Evangelist for the services is to be Rev. James B. Thompson, present pastor of the First Baptist Church of Robstown. Rev. Thompson is a graduate of Sabine High School of Gladewater, and Baylor University of Waco and Southwestern Baptist Seminary of Ft. Worth. He is married to Miss Betty Geanne Clark, daughter of Mr. and Mrs. C. B. Clark, formerly of Talco, Mrs. Clark being a charter member of Calvary church. Rev. Thompson was chosen rural pastor of the year for 1955 by Baptist General Convention of Texas.

Mount Pleasant Man Charged in Shooting

A 52-year-old Mount Pleasant carpenter was charged with attempted murder in the shooting of another Mount Pleasant man.

Charged was Henry Hughes. Clarence Spann was treated for minor injuries and released from a hospital. Hughes surrendered to Highway Patrolman Jay Mays after barricading himself in a drive-in where his wife was employed.

C. N. Housh Sells Talco Holdings

C. N. Housh has sold his holdings in the Talco oil field to Tennessee Natural Gas and Distributors. The new owners will take over operations on Oct. 1. The change in management, if any, is not known here, but the company has asked they retain present employees.

James Shumache of Mt. Pleasant, was a guest of Miss Sue Gaddis on Sunday.

Mr. and Mrs. Wayman Alexander and girls were recent visitors of her grandfather, Sam Garretson and Mrs. Garretson of Mt. Vernon.

Davis Buys Texaco Service Station From Hooper

M. J. Davis has purchased the interest of L. M. Hooper in the Texaco station at the corner of Broad street and U. S. Highway 271, and has assumed charge of the business. See his announcement elsewhere in this edition.

Davis has been with the Texas Company for 19 years, ten of which have been spent in Talco. He will continue his work with the company and spend as much time at his station as possible.

A formal opening will be held soon, and readers of The Times are asked to watch for it.

Davis married the former Elizabeth Bailey at Luverne, Ala., and they lived several years in Louisiana before coming to Talco. They have four children: Barbara, 15; Kenneth, 13; Louise, 11, and Danny, 4.

Father of Talco Man is Dead

Charlie R. Howard, 52, passed away Tuesday after a lingering illness of several months, at his home in Forest Grove community. He was the father of Ned Howard and brother of Dewey Howard, both of Talco.

Howard was born in Fannin County Feb. 17, 1885, son of Eugene G. and Matilda (Morgan) Howard. He was married to Miss Nealey Kelley in 1918 in Titus County. Two sons preceded him in death.

Survivors include his wife, five sons, Charles Howard Jr. of Stockton, Calif., John G. Howard of Henderson, Ky., Fred Howard of Pampa, Ned Howard of Talco and C. S. Howard of Mt. Pleasant; two daughters, Mrs. Nell Scarborough, Mt. Pleasant, and Mrs. Minnie Lee Dunn of Spain; one brother, Dewey Howard of Talco and several grandchildren.

Services will be held at Bridges Chapel Methodist Church, time at press time was pending arrival of the children.

James Shumache of Mt. Pleasant, was a guest of Miss Sue Gaddis on Sunday.

State Income 100 Million More Than Spent For Year

Austin.—The State of Texas took in about 100 million dollars more than it spent during the fiscal year ending Aug. 31. State Comptroller Robert S. Calvert reports.

The comptroller made his annual report of receipts and disbursements of state funds to Gov. Price Daniel.

Revenue receipts totaled \$964,908,705 with production tax, including the tax on crude oil, bringing the biggest amount, \$215,551,105. The gasoline tax accounted for \$181,458,807. County, federal and other governmental aid totaled \$209,952,344.

Expenditures totaled \$872,680,661 with the public schools taking a bite of \$271,587,148 and highways and road outlays totaling \$242,786,460. The public welfare tab was \$159,036,424.

Total receipts, including non-revenue transactions and cash in the state treasury, put the overall balance figure at \$1,327,712,319.

Other leading revenue receipts included ad valorem tax, 32 millions; inheritance tax, 9 millions; poll tax, 2 millions; insurance companies occupation tax, 24 millions; cigarette tax, 45 millions; liquor, wine, beer tax, 30 millions; franchise tax, 35 millions; auto sales tax, 20 millions; auto licenses, 56 millions; fees and permits, 18 millions; land sales, rentals and royalties, 56 millions; and interest and penalties, 22 millions.

SENIORS TO RECEIVE BAND JACKETS

Each year the Band Boosters Club, made up of parents of children in the band, honor the seniors in the band by buying band jackets for each. There are nine seniors receiving jackets this year. They are: Annette Lewis, Carolyn Lewis, Jean Calloway, Marilyn Kirl, Barbara Watson, Barbara Richardson, Starlyn O'Keefe, Jimmy Matlock, and Tilman Clark. The jackets selected are navy with red and white trim.

Money for the jackets is earned by the parents, working on

Rangers, Patrol Guard Lone Star Steel Plant

Seven Texas Rangers and fifty State Highway Patrolmen guarded the entrance to the sprawling Lone Star Steel plant Tuesday as striking steel workers shouted taunts at employees who refused to take part in the walkout.

Though an estimated 500 strikers were gathered around four entrances, there was no violence.

Officers kept traffic moving and Ranger Capt. E. J. Banks of Dallas said congregation of striking groups on grassy parkways along Highway 26 did not constitute a violation of the court orders against picketing.

Captain Banks said Rangers would remain on duty as long as needed and gave assurance that working employees could enter and leave the plant grounds without being molested.

"We have come prepared, however, to meet any emergency."

The strike, which both the management and the local union say is unauthorized, started Saturday at midnight. The first serious threat of disorder came Monday at midnight when an estimated 1,000 strikers gathered around entrances and allegedly prevented working employees from entering the plant.

Federal Troops At Little Rock

News of Eisenhower's use of
federal troops at Little Rock, was
a great shock to the people of
this area. He has repeatedly em-
phasized that he would not do so.
It would appear he has no respect
for a sovereign state, nor of that
portion of the constitution which
authorizes such. He is by such
action, tearing down the peace
and good will between whites
and blacks, that southern people
have been three-quarters of a
century in building. Soldiers,
guns and bayonets can't operate
schools, and the president, by
such action, has destroyed the
confidence and respect the peo-
ple had in his advocacy of pati-
ence and good will, along with
his assurance 60 days ago that he
would never use force and fed-
eral troops in the school segrega-
tion problem.

Some of our subscribers think

RECKLESS SPENDING NO CAUSE FOR INFLATION, SAYS ALCORN

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, considers another angle of inflation in his letter this week, but we doubt if it'll have any effect on the problem, one way or the other.

Dear Editor: I was reading the other night in a copy of a maga-

zine which some company sent me in the hope I'd subscribe, which on a small scale is about like sending a million dollars to Europe in the hope somebody'll re-pay it, where an expert in Washington has been studying the problem of inflation and has come up with the notion that the cure for it is to stop reckless spending.

According to him, the more willing we are to spend, the more willing somebody is to take our money, and this keeps the price of things edging up.

Now I have been giving considerable thought to this idea for the past few days, letting a lot of my farm work slide in the belief whipping inflation is more important to the nation than whipping Johnson grass on my farm, and I'll admit that while I have come to several different conclusions, I'm still just as puzzled as I was when I started.

For example, as far as I know, reckless spending does cause inflation, however, on the other hand, I know of a lot of cases where reckless spending resulted in a depression, at least for the people doing the spending.

And also, if everybody stopped spending, stores would stop selling, manufacturing plants would stop producing, then stop hiring, and while this would sure whip inflation, it'd result in a depression, and whipping good times by substituting hard times is not exactly what me and that expert in Washington had in mind.

To tell the truth, reckless spending is probably what put this country where it is. That is, if the average housewife spent her money 100 per cent carefully and for essentials only, most supermarkets could cut their size in half and stock mostly salt, pepper, stew-meat, potatoes and molasses. Drygoods stores would be cut down to work pants and gingham dresses, the air-conditioning industry would switch over to palmetto fans, and drug stores would disappear. And you know right off what the eliminating of reckless spending would

"That," mumbled a business man who didn't advertise, "is not where business has gone."

FACTS OF LIFE ARE TAUGHT BY LADIES

Madison, Wis. — The ladies of the Wisconsin Farm Bureau have discovered that too many children think milk comes from bottles. The organization is distributing posters of a "Good Health Giant," who explains it really comes from cows. And besides the children who do the best coloring job on the posters will be eligible for prizes at county fairs next summer.
