TALCO STATE OBSERVING 50TH BIRTHDAY WITH OPEN HOUSE

Talco State Bank is observing its fiftieth business birthday this month, and open house is scheduled on Saturday, Aug. 4 from 2 until 5 p. m.

A gallon of money is now on display in the lobby and a prize will be awarded to the person guessing the correct amount. Another feature of the celebration is the currency display, compliments of Federal Reserve Bank of Dallas. The public is cordially invited to visit the bank and officials at any time, especially at the open house event.

A history of the bank from the date of its organization to the present time has been compiled by Executive Vice-President Jerry Jones. It reveals the growth of the institution during the half century.

Talco State Bank opened for business in Goolsboro, which was about 2 1/2 miles east of the present location on FM Road 71, on July 6, 1912 with a capital of \$12,000.00. After nearly six months in that location it was moved to a frame building at the corner of Broad & Fourth St., in Talco in December 1912, and to its present location in 1913. The building was remodeled and modern fixtures installed a few years ago, keeping in step with the bank's rapid growth the past decade.

The original stockholders were: From Talco—G. C. Glass, T. R. McLean, F. A. Loveless, Ben Clark, Dr. A. A. Smith, T. L. Leake;

From Mt. Pleasant—Morris Liliestern, R. F. Lindsey, J. M. Burford, George Liliestern, Oscar Liliestern;

From Lavada—D. Warner and George Moyer;

From Cookeville—Oscar Keith. The original Board of Directors and the dates each served: Morris Liliestern, 1912 to 1916; Oscar Keith, 1912 to 1917; R. F. Lindsey, 1912 to 1916; George Moyer, 1912 to 1916; T. R. McLean, 1912 to 1915; J. M. Burford, 1912 to 1922; Dr. A. A. Smith, 1912 to 1950.

The following have served on the Board of Directors, and years of service:

E. S. Liliestern, 1916 - 1945; Aug Eichoff, 1917 - 1922; Lee Bridges, 1917 - 1918; D. Warner, 1915 - 1929; Nellie Warner, 1929-

1945; J. O. Franklin, 1947 - 1962; A. C. Hoffman Jr. 1950-1960.

The present Board of Directors and the year each became associated with the bank:

Felix Jones, 1920; Mrs. Felix Jones, 1945; Mrs. Madge Brown, 1945; Bird Old Jr., 1949; Jerry Jones, 1952, and Bill Jones, 1961. Executive officers of the bank and tenure of office:

Morris Liliestern, president, 1912 to 1916; E. S. Liliestern, president, 1916 to 1945; Felix Jones, president since 1945.

Felix Jones began his duties with the bank on September 1, 1917 as Assistant Cashier. He was elected Cashier and Active Manager of the Bank June 6, 1918, Vice President January 12, 1937, and President February 20, 1945. On September 1, 1962, Felix Jones will complete 45 years of devoted service to The Talco State Bank and its stockholders.

Jerry Jones was elected Executive Vice President of the Talco State Bank in June, 1951 and has been the active manager of the bank since that date. However, Felix Jones has continued as the President and in a semi-retired position with the bank.

Capital increased from \$12,000.00 in 1912 to \$20,000.00 in March 1920; from \$20,000.00 to \$25,000.00 in January 1941; from \$25,000.00 to \$30,000.00 in July 1961; from \$30,000.00 to \$35,000.00 in January 1962.

Capital and surpluses have grown from \$12,000.00 in 1912 to \$127,000.00 at present time.

Deposit growth follows:

1912—\$ 3,020.31
1922— 45,426.42
1932— 36,376.42
1942— 118,110.28
1952— 480,410.06
1962— 913,855.66

Stockholders in The Talco State Bank now number 19 of which eight reside in Talco, and own 76% of the outstanding stock.

Present Officers and Employees of Bank and date of employment are:

Felix Jones, President, 1917; Jerry Jones, Executive Vice President, 1961; Bill Jones, Vice President (In-Active), 1961; Cato Jones, Cashier, 1960; Christelle Cato, Ass't Cashier, 1945; and Betty Smith, Bookkeeper, 1961.

Pearl Hyndman Vernon Smith Wed

The living room in the home of Mr. and Mrs. Felix Jones was the setting for the wedding of Vernon Smith and Miss Pearl Hyndman, Friday night at 9:30 o'clock. Lon Jones of Cisco was the officiating minister.

Mrs. Smith is the daughter of Albert Hyndman and late Mrs. Hyndman of Edinburgh, Scotland. She had been living in Arlington with a sister and brother-in-law, Mr. and Mrs. Raymond E. Martin, for the past five years.

Mr. Smith is the son of Mr. and Mrs. D. F. Smith of Talco and is a graduate of Talco High School, where he was an outstanding athlete. Both Mr. and Mrs. Smith are employed at the First National Bank in Dallas.

Mr. and Mrs. Jerry Fain of Dallas, were the couple's only attendants.

Following the ceremony a reception was held in the home of Mr. and Mrs. Jones. The dining table was covered with a white linen cloth centered with an arrangement of white mums and stock. A two-tiered wedding cake, topped with a miniature bride and groom, was cut by the bride and groom. Refreshments of wedding cake, punch and toasted nuts were served guests. Mrs. Woody Sanford poured punch and Mrs. Jerry Jones and Mrs. Cato Jones served the cake.

Guests were Mrs. Lucy Walls, Mrs. Jerry Jones and Tracy Lynn, Mr. and Mrs. Cato Jones, Debbie, Stan, Lorrie and Sharla, Mr. and Mrs. Felix Jones, Virgil Jones, Mr. and Mrs. Jerry Fain and the groom's parents, Mr. and Mrs. D. F. Smith.

Mr. and Mrs. Smith left immediately following for their home at 921 Brighton, Dallas.

Karen Cox Bride Of Jerry Welch

Miss Karen Melinda Cox became the bride of Jerry Ray Welch, son of Mr. and Mrs. Orvis R. Welch, Fort Worth, formerly of Talco, in First Methodist Church of Alvarado, Saturday.

The bride is the daughter of Rev. and Mrs. Homer S. Cox, Alvarado. Her father assisted in the marriage ceremony performed by Rev. Bruce Cox of Luling.

Attendants were Mrs. John Brown of Baird, Mrs. Jack Russell of Dallas, Miss Judy Ralston of Midlothian and Miss Belle Gomez of Denton, Morris Outlaw of Bridgeport, Charles Porter of San Angelo, Robert Lansford of Fort Worth and Adrian, Joseph, Paul and Jerry Cox, brother of the bride, and Jerry Hall of Fort Worth.

After a trip the couple will live in Fort Worth. She will be an August graduate of NTSU and is a member of Phi Upsilon Omicron. Welch is a TCU graduate.

Hayes Johnson Jr. Postmaster At Mt. Pleasant

Hayes Johnson Jr. was sworn in as Mt. Pleasant postmaster in ceremonies on the post office steps Friday afternoon.

Official word of his appointment was received Thursday from J. Allen Dupree, assistant to the regional director of the postal service.

Johnson succeeds W. D. Culver, who served as acting postmaster for 15 months, beginning his duties April 1, 1961. Johnson is married and has three children and was associated with a motor company in Mt. Pleasant prior to his appointment.

Talco Youths Attend State FFA Meet

By JERRY L. SWARTS

Jerry Swarts, teacher of Vocational Agriculture at the new agriculture department at Talco High School, along with Jacky Dixon, C. W. Frye and Eddie Brown were in Fort Worth Wednesday until Friday of last week to attend the 34th state FFA convention. FFA is a national organization for boys age 14 thru 21 who are interested in agriculture.

The boys learn leadership, thrift and how to be good citizens as well as something about the many phases of today's agriculture and agricultural businesses. The Texas Association of FFA numbers about 38,000 boys at present.

Each summer the state association has a state wide convention. Next year the convention will be in Lubbock. Attendance at the convention this year numbered over 4,600 boys and teachers of Vocational Agriculture. Some of the events at state FFA conventions are: election of state officers for coming year, presentation of awards for state contest winners, presentation of Lone Star Farmer degrees, which is the highest award a boy can achieve in the state in FFA work, hold finals in FFA public speaking and talent contests. State FFA Sweetheart is also elected by the boys for the

Coaches Name Little League All-Star Team

Coach of the Paluxy Little League baseball teams met Friday night at Bogata and named the all-star team. Fifteen Little Leagues from seven teams in the conference at Deport, Bogata, Talco and Detroit were named to the all-star list.

Selected from Deport Pirates were Jimmy Isbell and Richard Westbrook. The latter an alternate.

Bogata had two teams this year and named to the all-star team were: Green Sox — John Lee Roach, Herman Guess, Gary Guess; Red Sox—Bernie Huddleston, Mike White and Danny Eudy. Selected from the three teams at Talco and one team at Detroit were Howard, Slaughter, G. Moore, Jones, Duncan, Presley, Wright, two alternates, Bullard and Boyd.

Rev. and Mrs. Howard Seago and Larry visited relatives in Dallas Monday and Tuesday. They were accompanied to Dallas by Dan Wilson, who has been visiting in the Seago home.

Besides the business sessions time was set aside for fun and recreation. The Talco group visited the zoo, which is one of the biggest and best in the state and nation. The convention was a success. The boys are looking forward to other trips and contests scheduled throughout the year.

Austin. — In an effort to "prevent confusion to occupants, mailmen and the public" when the second of two sleek, pink marble State Office Buildings on the Capitol grounds is completed, the State Building Commission re-named them after famous Texas patriots.

First State Office Building — generally referred to as "S. O. B. No. 1"—now is designated as the Sam Houston Office Building; the second, called "S. O. B. No. 2," was named after John H. Reagan, first chairman of the Texas Railroad Commission and Postmaster General of the Confederacy.

LICENSING STUDY SCHEDULED — House Speaker James A. Turman named Rep. Will Smith of Beaumont chairman of a new committee to study operations of Texas' Examining and Licensing Boards.

Reps. Sam Collins of Newton, Ben Atwell of Dallas, Don Gladden of Fort Worth and Travis Peeler of Corpus Christi will serve on the committee.

Study group was set up to effect "an even greater understanding between the licensing boards and the Legislature," Turman said.

Objects of their research will be the 23 State examining and licensing boards organized for the purpose of testing every practitioner of plumbing, law, cosmetology, medicine, barbering or hairdressing and 18 other professions and trades in Texas.

TEXTBOOKS PUBLISHED — State Commissioner of Education J. W. Edgar sent a list of 203 textbooks, offered for adoption by Texas schools, to all county and independent school district super-

intendents, and recommended that the list be publicized so the public will know it's available. Textbooks are those which the State Textbook Committee is studying for the 1963-64 school year. Number must be sifted down to 82 by October. This approved list then will be turned to the State Board of Education.

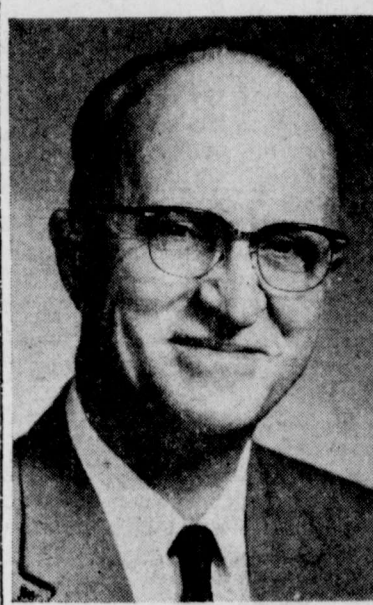

Between Sept. 1 and 15, the committee will hear any objections private citizens may have to the books. Last fall, there were plenty of protests. Major complaint was that the objectors didn't know which books were being considered in time to examine them fully.

STRONG VOICE SILENT — When the Texas Railroad Commission held its monthly hearing to determine the August oil allowable, representatives from the major companies and independents were heard, but the strong voice of Commissioner Gen. Ernest O. Thompson was missing. As one oilman after the other went up to urge a low eight-day allowable, no member of the Railroad Commission challenged them. If "the General" had been there, he might have done so, but he was seriously ill in his home in Amarillo.

PROPERTY TAX STILL LOW — The State's Automatic Tax Board kept to the lowest legal minimum when it set the State ad valorem tax rate for next year at 42 cents on each \$100 valuation.

Tax boards have kept the State's property "tax take" down to the minimum for several years now. It was up to 77 cents per \$100 valuation before a 30-cent general revenue tax was abol-

Church of Christ Gospel Meeting July 30-Aug. 5

C. E. MCGAUGHEY

C. E. McGaughey of Oklahoma City, will do the preaching at a gospel meeting at the Talco Church of Christ. The series of services will begin on Monday, July 30 and continue thru Sunday night, Aug. 5. Two services are set daily. The first is from 7:00 p. m. to 7:45 p. m. and from 8 p. m. to 9 p. m.

The public is cordially invited to attend these services.

Robert Braden Gets Promotion

Promotion of Robert Braden to the position of instrument supervisor at Monsanto Chemical Co. in Texas City was announced by John Chamberlin, plant manager. Braden came to Monsanto at Texas City in 1951 as an instrument man. He became a journeyman in 1952, and was promoted to chief instrumentman in 1956.

Born in Avery, Braden finished high school in Talco and then entered the service. He served three years with the U. S. Navy during World War II. After his discharge Braden worked with Western Electric before joining Monsanto. Braden is the son of Mr. and Mrs. V. J. (Jack) Braden of Talco.

Wright Patman's Weekly Letter

1st Congressional Dist. of Texas "Heart of the Gulf Southwest"

Projects create new jobs. Over 30,000 new jobs will be created by Area Redevelopment Administration projects approved during the past fiscal year. These projects are located in 44 states, American Samoa, and Puerto Rico. Coming up are 284 more projects. It is estimated that these projects will generate approximately 50,000 direct jobs and additionally, will provide some 35,000 jobs indirectly. The Area Redevelopment Administration has also approved 141 training programs to fit unemployed workers for new jobs. These programs will train 9,576 people who are presently unemployed. Our District is fortunate in having been successful in obtaining both projects and training programs under this program.

Medicare Bill defeated. The Senate by a vote of 52 to 48 defeated the Administration's proposal for medical care for the aged under the Social Security system. This disposes of the proposed legislation for this Congress and insures that the Kerr-Mills Bill will have sufficient time for a fair trial.

Wrong City. Paris constituents object to Peace Corps volunteer Marion H. Ford being erroneously referred to in the July 12 Weekly Letter as being from Marshall instead of Paris.

New Secretary of Health, Education, and Welfare. Anthony J. Celebrezze of Cleveland, Ohio, has been appointed Secretary of Health, Education, and Welfare. He is the five-term Mayor of Cleveland—a middle-of-the-road Democrat—and has been noted as a hard-hitting, effective administrator. Mayor Celebrezze, a one-time newsboy, is the current President of the United States Conference of Mayors and a former President of the American Municipal Association.

Defense Department cuts foreign spending. Defense Secretary Robert S. McNamara has ordered United States military forces abroad to buy their supplies from American firms—even if the United States prices are 50% higher than foreign bids. This is the first step under the Defense Secretary's campaign to cut U. S. military spending abroad in this fiscal year by \$1-billion under the 1961 level.

A "Martin Depression?" In hearings July 17 before the Banking and Currency Committee at which I presided, I warned Chairman Martin of the Federal Reserve Board that if something is not done about high interest rates, we may be in for a real "Martin Depression." I pointed out that the recessions of 1953-1954, 1955-1956, 1957 - 1958, and 1960-1961 were all caused by the tight-money, high-interest policy for which Mr. Martin was responsible as our leading monetary authority. A man-made recession every two years represents irresponsible leadership in monetary affairs by the Federal Reserve System—and Chairman Martin in particular.

New TV sets to have 82 channels. On July 11 the President signed a bill into law requiring that all TV sets sold be equipped for reception of the 70 ultra high frequency (UHF) channels, as well as the 12 very high frequency (VHF) channels previously included.

Biological satellites next. The Space Administration plans soon to send a number of huge plastic balloons to a height of 65,000 feet. These will then be brought down to earth to study micro-organisms captured in the stratosphere. Later satellites will go to higher altitudes and will contain experiments involving monkeys, plants, bacteria, and other forms of life.

Talco Hospital And Clinic Is Registered AOA

Chicago. — Talco Hospital and Clinic of Talco was granted registration by the American Osteopathic Association at the annual meeting of its Board of Trustees, July 11-14 at the Drake Hotel here.

Throughout the nation 59 osteopathic hospitals were registered and 11 others were approved for intern or residency training by the AOA. The trustees acted on the hospital inspection report and the recommendation of the AOA Committee on Hospitals.

The AOA's annual hospital inspection program is designed to guarantee acceptable standards of facilities, patient care and procedures in all registered and approved hospitals.

Those Employed May Apply for SS

Are you among the many workers past retirement age who have not yet applied for social security benefits because you are still employed. If so, you may be losing benefits to which you are entitled.

A recent change in the law now makes it possible for many more older people to work and still be paid some social security benefits. You don't have to retire completely to get benefits.

Under the law as it stands now, you can earn up to \$1200 a year and still collect benefits for every month. If you earn over \$1200 in a year, you will lose some benefits. One dollar of social security benefits is withheld for each \$2 earned between \$1200 and \$1700. For every \$1 earned over \$1700, \$1 of benefits will be withheld.

For example, if you earned \$2100 in a year, \$650 in benefits would be held back (one-half of the \$500 between \$1200 and \$1700, plus the \$400 in excess of \$1700.) If your monthly benefit rate amounted to \$120, your yearly benefit amount of \$1440 would be reduced by \$650, permitting you to get \$790 in benefits for the year.

If you have reached retirement age but are still working, check with your local social security office. A delay in filing could result in loss of benefits.

William C. Hall, Field Representative, will be in Clarksville on Monday, July 30, 9:00 a. m. to 12:00 noon in the basement of the Post Office should you desire further information.

MRS. L. G. ADAMS ENTERTAINS WSCS

Mrs. L. G. Adams entertained the WSCS members and their guests at her lake house near Dangerfield all day Monday. The group enjoyed barbecued chicken and each guest brought a covered dish. The program was presented in the afternoon with Mrs. A. E. Foster as program chairman. The guests enjoyed swimming also.

Those attending were: Mmes. Mary Sloan, Loreta Foster, Florence Richardson, Tip Waddell, Beatrice Brown, Nila Sloan and Amelia Bolen and Mary Ann Brown.

Harvest crisis in Russia. The Soviets, after only a fair crop in 1961 and a drought in 1960, badly need all the grain produced by their farms this year. The machinery required to harvest the crops has not been overhauled or repaired. The Communists have gone into an emergency program to gather together the 70,000 needed mechanics to send to the farm areas. They will attempt to get the farm machinery into working order in time to save the crops.

ABUNDANT LIFE

by **ORAL ROBERTS**

GOD WILL MEET YOUR NEEDS

I was deeply impressed by
 the story of a little boy who
 wanted to buy his mother a
 birthday gift. The present that
 he liked cost exactly \$9.98.

So he saved and saved until
 he had 998 pennies in his piggy
 bank. When he started to pay
 for the gift, he just turned his
 niggly bank upside down and
 998 pennies came tumbling out.
 All the pennies that the little
 boy had were poured out in one
 single act.

To receive what you need
 from God, your faith has to
 come pouring out of your heart
 in one single act of faith. Do
 you want to be healed? Then
 all your faith must be loosed in
 one single act of believing God
 for the healing of your body.

In Mark 9:14-29 we read of
 a man who had a dreadfully af-
 flicted son. We might diagnose
 his condition today as epilepsy.
 But it was something that would
 seize the boy and throw him vi-
 olently into fire and water. The
 father brought his son to Jesus
 to be healed. But when he ar-
 rived, Jesus was on the Mount
 of Transfiguration.

When Jesus came down from
 the mount, He found a sorry
 state of affairs. The apostles had
 prayed for the boy, but he still

was not healed. The father of
 the boy was very discouraged.
 When Jesus came, this man was
 ready to give up and go home.

The father said to Jesus, "I
 brought my son to Your disci-
 ples that they should cast out
 the evil spirit, but they could
 not." Then he cried in despera-
 tion, "Lord, if You can do any-
 thing, have compassion on us
 and help us." He was so dis-
 couraged that he wondered if
 even Christ could do anything.

Jesus said to him, "If thou
 canst believe, all things are
 possible to him that believeth."

The answer of this man is
 most significant: "Lord, I be-
 lieve. Help Thou mine unbelief."

Jesus reached out His hand
 and touched the boy, command-
 ing the evil spirit to leave his
 body. As Jesus touched the boy,
 the father released his faith.
 The foul spirit left immediately.
 The young boy was completely
 healed!

God will meet your needs
 just as He met the boy's. Whether
 you need salvation, healing
 for your body, financial help or
 spiritual help, He will supply
 your every need if you will re-
 lease your faith and believe on
 Him.

Memo for the Boss:

Big Thinking Pays Off IN ANY SMALL BUSINESS

Managers of small businesses sometimes feel that statistics, efficiency and long-range planning are peculiarities of the jobs of big business executives, and have little or nothing to do with their small stores or shops. Yet very few ideas can be as wrong as this one!

About eight out of every ten businesses in America employ less than ten people. These companies operate on a narrow margin of capital—and every year thousands of them go out of business because their managers make mistakes their budgets can't afford. For a mistake is much more expensive when you can't afford it than when you're part of an industrial giant with rich financial reserves.

ADVERTISING AS AN EXAMPLE

To illustrate the point, marketing executives in large organizations keep records and dig up formulas to determine how much they must spend in advertising to maintain a certain volume of business. Yet many small organizations which may literally be forced out of business if a certain volume isn't maintained never bother with establishing the ratios necessary to tell them how much advertising they need to survive.

THINK BIG -- AND GROW BIG

Every big business was once a small business. In almost every case, it grew big because its management thought big.

See actual money used through stirring phases of our country's history!

Memorable events of history and drama in the lives of our predecessors in America are recalled as we view the display of currency used in various periods, being shown in this Bank's lobby from August 1 thru August 4.

History is replete with deeds of daring, valor, intrigue, and in nearly all of these, somewhere or other, the money of those periods entered into each picture to play its vital and important part. With a little imagination, the display at this Bank might well be titled: "The Romance of Money."

This educational and interesting presentation is offered as a service to the community by Talco State Bank. It is hoped that among the resultant emotions produced in viewing this display will be an appreciation on YOUR part of the importance of the proper handling of YOUR funds, today! We feel that making Talco State YOUR Bank is an important step in the proper regulation of your financial affairs.

Hall-Wilson Rites At Bogata July 14

Miss Paula Jean Wilson and Billy Wayne Hall, both of Dallas, were married July 14 at 5:30 in the afternoon at First Baptist Church in Bogata.

The bride is the daughter of Mr. and Mrs. Paul T. Wilson of Bogata and the groom's parents are Mr. and Mrs. Joe Hall of Temple.

The informal, double-ring vows were read by the Rev. Blake Dunagan before the altar decorated with three baskets of white gladioli, candles and greenery.

James Rodgers of Talco, organist, played wedding music and accompanied Miss Carol Hawkins of Bogata, who sang "The Lord's Prayer" and "I Love You Truly."

Given in marriage by her father, the bride wore a gown of Peau de soie designed with bouffant skirt, lace bodice with scooped neckline and three-quarter length sleeves. The neckline in back was V-shaped with the train attached with a bow. Her shoulder length off-the-face veil was attached to a tiara of pearls. She carried a prayer book topped with a white orchid tied with white streamers.

Pat Jones of Hugo, Okla., was maid of honor. She wore a pink sheath with lace overskirt and a carnation corsage.

Clarence Hall, brother of the groom of Temple was bestman.

Jan Lambright, Don Craft and Bill Craft, all of Temple, were ushers. Altar tapers were lighted by Mrs. Johnny Shoulders of Sherman and Mrs. L. R. Randolph of Bogata.

Following a trip to Hot Springs, Ark., the couple will make their home in Dallas.

The bride is a graduate of Bogata High School, Paris Junior College and East Texas State College and is employed in Dallas as secretary for Veterans Affairs Administration.

The groom attended Paris Junior College and is employed as accountant at Illinois Glass Co.

The reception was held at the home of the bride's parents. The refreshment table held the bride's bouquet on a mirror flanked by silver candleholders and white candles. The three-tiered cake, decorated with pink rose buds, was served with pink punch by Mrs. Bethel Holmes, aunt of the bride of Paris, and Mrs. Jimmy Williams of Bogata. Mrs. Ronald Mankins registered the guests.

Attending the rites were people from Dallas, Whitman, Deport, Paris and Temple.

A rehearsal supper was held July 13 at home of Mrs. E. L. Huddleston. Refreshments were

Detroit Water Bond Are Sold

Red River County Industrial Foundation won the bid Monday for \$175,000 in bonds for the construction of a water and sewage system at Detroit.

The bonds were sold for three and three-eighths per cent interest. Technically, the bonds cannot be sold until the transaction is approved by the attorney-general of Texas. Approval is expected City Secretary-Treasurer Hermon Phillely said the program seems to be in A-1 shape now. He said the attorney-general, by law, cannot approve the bonds' sale until a month after the election. The election carried 153-0 on July 7, thus approval could be made as early as Aug. 7.

Contract for digging a well to supply the City of Detroit with water has been let to J. L. Meyers & Son of Denton. The contract calls for a guaranteed ample water supply.

Meyers will begin work on the well as soon as the bonds are approved.

Alcorn Finds Himself at Mid-Summer With Everything Done He'd Planned

Editor's note: Achin Alcorn Philosopher on his Johnson grass farm on Sulphur takes stock of himself at mid-summer, his letter this week reveals. What the inventory amounts to is another matter.

Dear Editor: I walked down to my mail box the other morning mostly out of habit and discovered a neighbor of mine had a flat tire right in front of it and was working furiously to fix it.

"Worst time on earth to have a flat," he said. "Got a thousand things to do today. Here it is the middle of summer and I haven't done a fourth of the things I'd planned."

I helped him change tires, that is, I told him he was turning his lug wrench the wrong way if he expected to get the lugs off, and I waited around and advised him to turn it the other way when he was putting his spare on. Nobody should get so busy he can't help a neighbor out.

At any rate, after he left, I came on back to my house and sat down on the front porch and got to thinking. Here it is indeed the middle of summer and I have done everything I planned to do.

You take my front gate. It's still off its hinges and propped up against the fence like it was last year, but the difference between me and my neighbor is I hadn't planned to do anything about it. I never promised myself anything in regard to it. I see no use in coming to the end of the summer with not only a broken gate but a broken promise also. No use straining yourself trying to keep both your fences and your character intact, and if you can't do both, put your character first.

A lot of people over the years have asked me why I don't fix that gate and I'll tell you why. To live satisfactorily in this world a man has got to learn to put up with imperfections. If you're going to have a compulsion to fix everything that's wrong in this world, you'll be swinging a hammer right and left from now on, and the way to avoid this, to steel yourself against the imperfections in the rest of the world, is to get used to ignoring some right in front of you, like a sagging front gate. You need something close at hand to practice on.

In some respects, this may not be considered sound, but it's comfortable.

Yours faithfully A. A.
