COMPLETE NEWS AND ADVERTISING COVERAGE OF THE GREAT TALCO OIL FIELD

TWENTY-EIGHTH YEAR

TALCO, TITUS COUNTY, TEXAS, THURSDAY, FEBRUARY 27, 1964

NUMBER 3

Housing Authority City Of Talco

After a long period of time, the Housing Authority is proud to announce the contract has been signed, sealed and delivered to Bogata Lumber Co., Bogata, Texas, by the Housing Authority of Talco, and the ground work will begin Monday morning, March 2, and not later. If weather permits the project should be completed approximately in six months.

To the applicants that I now have on file at this time I will be making a survey check with you in the near future. I would ask you at this time to have or make an average of your lights, gas and rent only that you are now paying.

And in the near future I will be taking more applications, including out of town applicants. Will appreciate your cooperation.

Signed:

J. H. Dickerson
Executive Director
Housing Authority,
City of Talco

School Trustee Election April 4

Voters will go to the polls on Saturday, April 4 to name trustees for their respective school districts.

The law provides that any qualified voter desiring to have his name placed on the original ballot as a candidate for the position of trustee of a Common School District, or an Independent School District, must file his name in writing with the secretary of the Board of Trustees at the superintendent's office not later than 30 days prior to the election date.

To have their names on the official ballot, candidates for school trustees must sign a loyalty affidavit to be notarized and filed with the officer with whom the petition or application for a place on the ballot is filed—before filing deadline, which is March 4.

SCHOOL NEWS

FTA had their regular meeting Thursday at Talco High School. The meeting was called to order by vice president Martha Neugent. The social committee conducted games in which everyone participated and enjoyed. The next meeting will be March 19.

On Thursday, members of the FTA who are seniors received experience by teaching the math classes in high school. Seniors teaching these classes were Ronnie Holloway, Barbara Morse, Jan Hargrove, Medrith Brown.

Alcorn Sees Little Promise in New Type Cow That Produces 2 Calves

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur starts out on one subject and winds up on another this week.

Dear Editor: A while back I read an article about a farmer who discovered one of his cows was violating the rules of nature, she was having two calves a year instead of one. Not twins, but a calf every six months.

A neighbor of mine said he was very interested in this, if he could raise twice as many calves a year with the same amount of feed and cows, he could clean up. He hoped some of the stock would be available soon.

I'm afraid it won't work out that way. I mean, while it's true for example that man has perfected hybrid grain where he can grow two ears of corn where one grew before, what this has resulted in is not richer corn growers but two government storage warehouses where one stood before.

It might be possible to develop a breed of cow that'd produce two calves a year, but she'd be doing a mighty lot of extra work for nothing, because the two wouldn't bring any more than the one, after all the ranchers

Bogata Girl Dies Of Gunshot Wound

Miss Vivian Mauldin, 18, of Bogata, carried by Bogata Funeral Home ambulance to Red River County Hospital Thursday night, died at 1:25 a. m. Friday, her death being attributed to an accidental gunshot wound.

Red River County Sheriff Slim Hulien said the shooting apparently was accidental. The victim and a 17-year-old cousin, Leon Eyrum were at the residence together when the shooting occurred about 11 p. m.

Sheriff Hulien said Barnes told him the girl had a .22 revolver when he came in, that they had unloaded it and she later placed two shells back in the gun.

Barnes told officers they were starting to play cards when the girl twirled the gun around her finger, one shell accidentally discharged and struck her in the head. The sheriff said a routine investigation continued.

Services were held at First Baptist Church in Bogata, where Miss Mauldin was a member. Interment was made in Cuthand Cemetery.

Daughter of Herman and Lorene Mauldin, Vivian Mauldin was born at Bogata, Oct. 14, 1945.

Surviving are her mother, living at Bogata, and these sisters and brothers: Mrs. Ruth Davidson, Bogata; Mrs. Clara Hays, Brownwood; Orvis Mauldin, Lubbock; Arlin Mauldin in Korea, and Raymond Mauldin, Bogata.

Talco PTA Meeting Set For March 5

March meeting of the Talco PTA will be one week earlier than usual, March 5, because of the emphasis on Public School Week, March 2-6. Everyone is urged to attend, because a project that will benefit the school will be voted upon.

Talco PTA voted at its last meeting to have a light bulb sale for its annual fund-raising project. The second week in March is date set for the sale. Income from this sale will be used by the PTA for the benefit of the Talco School, and no part of it will be used otherwise. Anyone desiring commercial bulbs, order them in advance by contacting Rev. C. H. Paxton, Johnnie Cook, Jack Allen or Joe B. Morse, who comprise the sale committee.

TALCO TROJANS WIN BI-DIST. GAME FROM WILLS POINT 71-61

Talco Trojans trekked to Commerce Tuesday night for bi-district action against Wills Point in East Texas State College fieldhouse. When the final buzzer sounded Talco was 71 and Wills Point 61.

The Trojans captured District 17-A and Wills Point last week won the District 18-A title.

The Trojans overcame an early touch of cold shooting in the first quarter to assure themselves a place in the regional tournament this week at College Station.

Outmanned and short on height, the Trojans quickly found themselves eight points behind midway through the first quarter, but a late scoring spurt by Gary Buchanan and Shelby Johnson pulled Talco within one point at the end of the first quarter.

After that it was get and give for the Trojans as the two teams fought fiercely in the second quarter. When the lead was exchanged seven times and tied on four other occasions. With six quick points in the final minute and a half, Talco took a 37-36 advantage at halftime.

The third quarter was controlled by Talco as the Trojans pulled into an eleven point lead. However Wills Point scored eight straight points at the beginning

of the final quarter to pull within one point of the Trojans.

The score was 62-61 with three minutes left in the game, but Talco went into a stall and hit nine straight free shots, five by Ronnie Logan as Wills Point fouled while trying to gain control of the ball.

Talco started the game in a man for man defense, but Trojan Coach Larry Tucker switched to a zone in the second quarter and the move paid off especially in the rebound department.

Wills Point's starting five averaged six foot one, but the shorter Trojans out hustled and out maneuvered the taller Tigers to control both boards during most of the game.

Talco's scoring was well balanced as four players scored in double figures. Butch Perdue and Johnson were the high scorers with 18 points each, but Buchanan pitched in 17 and Logan 12.

Four Wills Point players also hit double figures. Bobby Cannefax led the group with 21, followed by L. W. Smith with 16, Charles Cannefax with 12, and John Shepard with 10.

Talco, the champion of 17-A, has now built a 30-4 season record. Wills Point was the champion of 18-A and the Tigers ended the season with a 25-7 mark.

Johntown Boys Are First In Tourney

Johntown boys defeated three teams in the Pee-wee division of the week-long basketball tournament at South Franklin School at Scroggins to go into the finals Saturday night. Scores for the preliminary games were 35-12 over Quitman, 29-6 over Como and 37-15 over South Franklin. In the finals Saturday night they downed Mt. Vernon 33-8 to bring home a first place trophy.

Dale Rhodes, son of Mr. and Mrs. B. F. Rhodes, was high point man with a total of 75 points and only 3 fouls for the four games played. Rhodes placed on the all tournament team and received a gold basketball for this honor.

Others players and their points were: Shannon Rhodes, 24; Eugene Cox, 10; Gene Duffie, 10; Wayne Stringfellow, 7; Sammy Hervey, 4; Roger Horn, 2; Randedell Lawson, 2; Nathan Hinson, 2.

Mr. and Mrs. Donnie Eberts and Karen of Plano, visited Mrs. Mattie Eberts during week end.

Edd Hall Feted At Birthday Dinner

Edd Hall was surprised with a birthday dinner Sunday honoring him on his 88th birthday, Feb. 25. The dinner was given at the home of his daughter, Mrs. J. D. Harris.

Those attending from out of town were Mr. and Mrs. J. C. Cooper and children, Patricia, Janice, Connie and Timmy of Irving, Mr. and Mrs. Lewis Banks and children, Rodney and Pam of Arlington, Mr. and Mrs. Elva Hall of Mt. Pleasant, Miss Janie Caudle and Ottis Harris of Dallas. Those attending from Talco were Mr. and Mrs. Elmer Harris, Mr. and Mrs. William Harris, Carol and Deborah Hall.

Attending the Student Council Area meeting in Daingerfield Tuesday, Feb. 21 were the following students from Talco High School: Berenda Alexander, Beverly Alexander, Clifton Duncan, Carol Hall, Jerry Hearnon, Judy Jagger, Marilyn Parker, Skippy Randle, Butch Walker and David Whitaker, the Student Council sponsor.

Austin. — Congressional redistricting is the prime topic of conversation at the state capitol.

U. S. Supreme Court shook up officials with a landmark ruling in Georgia's apportionment case. Court proclaimed that congressional districts must be as nearly equal in population as is feasible.

On October 19 a federal court in Houston held essentially the same thing in a Texas case. It declared that unless the state Legislature straightens out present unequal districts immediately, all Texas congressmen must run at large (statewide).

Texas congressmen, state legislators and top state officials are keeping their fingers crossed, as they await the Supreme Court's final decision in the Texas appeal. Main hope is that the court will delay the requirement of at-large elections this year and leave present districts intact since the election process already is underway. This would give the Legislature a chance to draft a redistricting bill in regular session next year.

These principal developments followed the Georgia case decision:

1. Attorney General Waggoner Carr filed a new brief asking a full hearing of the Texas appeal. He argued that "indescribable chaos and confusion" would result from statewide election of congressmen this year.

2. Gov. John Connally requested a study of redistricting by Texas Legislative Council. Such a study would necessarily include drafting of model bills. (Equal population for Texas' 23 districts would call for 416,000 in each.)

3. Texas congressmen themselves launched plans for special federal legislation to preserve present districts until the regular legislative session in 1965.

Governor Connally has made clear that if the Supreme Court affirms the Houston court ruling, he will call a special session immediately to try and bring some order out of the "indescribable chaos" referred to in Carr's brief.

Whether the Legislature would pass a suitable redistricting bill in a special session is a serious question.

Redistricting issue definitely is going to figure in the governor's race. Connally already has been criticized for not calling the legislators in to work on the problem months ago. Issue also will be raised in some district contests as challengers charge incumbent legislators with failure to handle the matter in the regular session last year.

NEW HIGHWAY MAPS OUT

—Brand new colorful 1964 official Texas highway maps now are available on request.

Texas Highway Department made every effort to produce a more readable and convenient map. Type faces are bolder, and the national standard system of highway symbols has been followed in nearly all instances. Almost 7,000 miles of farm-to-market roads were deleted because of increasing complexity of the Texas highway system. Communities of less than 250 are not shown.

New map includes Ranch Road No. 1. It's the four-mile loop in Gillespie County leading from U. S. 290 to the ranch home of President Lyndon Johnson.

Free maps may be obtained from the Travel and Information Division of the Highway Department in Austin.

OIL ALLOWABLE — Railroad Commission ordered prorated oil wells to continue on a 25 per cent of capacity allowable in March. But even though February production at 29 per cent averaged an estimated 2,557,662 daily production, and although March will contain two more days than the 29-day February, production will be less.

Commission's staff predicted production will be down about 6,000 barrels a day. Reason, according to some members of the oil industry, is that increased production from new wells is more than offset by under production from old wells.

GARNER PARK SAFE — Executive Director J. Weldon Watson of the State Parks and Wildlife Department dispelled the rumors that Garner State Park at Uvalde will be closed. He said Garner is the most-used in the state parks system, and there is no thought of closing it.

HIGHER EDUCATION — Governor Connally's Committee on Education Beyond the High School held the first of a series of closed-door sessions in which it hopes to produce a policy recommendation on higher education by August 31.

Chairman H. B. Zachary of San Antonio said the most debated issue at this meeting was the need for a single strong coordinating authority for all public higher education in Texas.

DISTRIBUTIVE EDUCATION

—Texas Education Agency said it expects more than 800 high school students from around the state to gather in San Antonio on February 28-29 for the 18th Annual Youth Leadership Conference of Distributive Education Clubs.

"Distributive Education" is a plan wherein high school students attend class in the morning, and put their knowledge to practice in afternoon jobs.

LIQUOR - BY - DRINK VOTE SOUGHT — A San Antonio lawmaker, Rep. Jake Johnson, has called on executive committees of both Democratic and Republican parties to submit to a May 2 vote whether sale of mixed drinks should be legalized.

Come what may with the referendum (which would have no binding effect). Johnson plans to try again in the Legislature next year—if he is re-elected—to pass a local option bill permitting open sale of liquor over the bar.

Party spokesmen had little comment to make on the referendum proposal beyond noting that both executive committees are due to meet here on March 9. A horse race betting vote was taken on petition in 1962—and the issue defeated.

SHORT SNORTS — Texas Independent Producers and Royalty Owners Association President E. Bruce Street announced a special drafting subcommittee is developing a preliminary outline on a pooling bill which protects interests of the small operator and royalty and mineral owners in forming drilling units.

Parks and Wildlife Commission announced that plans and specifications are being developed for extensive improvements at Davis Mountains State Park.

LINDA SHAW BECOMES BRIDE OF JIMMIE CHARLES WEISINGER

Miss Linda Katherine Shaw became the bride of Jimmie Charles Weisinger, both of Talco, Saturday evening at 7 o'clock. Rev. Vincent Spina officiated at the formal rites at St. Michaels Catholic Church in Mt. Pleasant, before the candle trees flanked altar.

Parents of the couple are Mr. and Mrs. Wilson Richard Shaw of Talco and Mr. and Mrs. Reginald W. Weisinger of Bogata.

Music was by Mrs. Sam Hatcher, organist and Mr. and Mrs. Kenneth Shaw of Hawkins, who sang "On This Day" and "The Lord's Prayer." Flower girl was Ceil Jordon of Kilgore, niece of the bride. Ring bearer was Rich Jordon, nephew of the bride. Candelighters were Richard Shaw, brother of the bride, and Roger Bates of Silsbee. Ushers were Tommy Neugent of Honey Grove and Jerry Clemmons.

The bride, given in marriage by her father, wore a floor length gown of gardenia white banquet taffeta, fashioned with a modified bateau neckline, edged with Aleneon lace, fitted bodice and long sleeves ending in points over the hands. The full skirt was accented in the back with a de-

tachable train. Lace applique accented the train and front of the skirt. Her shoulder length veil of silk illusion fell from a tiara which was accented with three lace points over the forehead. She carried a bouquet of stephanotis and carnations centered with an orchid.

Miss Rita Shaw of St. Louis, Mo., sister of the bride, was maid of honor. She was attired in a floor length gown of gold peau taffeta, which featured a round neck and bell skirt, and carried a matching nosegay. Skipper Cole of Talco was bestman.

A reception was held at Hotel Stephens in Mt. Pleasant. An all white theme was carried out in decorations. Mrs. A. L. Jordon of Kilgore, sister of the bride, was at the guest register. Mrs. Connie Nearron served punch and Mrs. Jimmy Sloan of Commerce, the three-tiered cake.

When the couple left on a short wedding trip the bride was wearing an American Beauty colored silk suit with matching flowers, hat and accessories.

The couple are graduates of Talco High School and will make their home in Mt. Pleasant.
