NITE-LITER

WIDE-AREA PROTECTIVE LIGHTING

One of the most effective ways of protecting your property from theft and vandalism is with the Nite-Liter. It floods your yard or business property with brilliant mercury vapor light, discouraging would-be prowlers. Turns itself on at dusk and off at dawn, too, for automatic protection.

The cost of Nite-Liter outdoor lighting is only \$4 a month. This low rate includes everything... the Nite-Liter, installation on a tall wooden pole, maintenance and electricity. So don't leave your property in the dark just because it's night. Call us for more information before another sun sets.
