Talco - Bogata Sch. Board News

The Board of Trustees of the Talco-Bogata Schools met in regular session on Tuesday, July 7, 1970 at 8:00 p. m. at Rivercrest. Four members were present. Alvis Tabor, representative of the Vibra-Whirl Company, met with the Board to discuss building an all-weather track on the Rivercrest campus. Mr. Tabor stated that a complete track with all facilities could be constructed for approximately \$36,000. The Board decided that final action on the matter would be postponed until all dirt work was completed on the track site.

Larry Tucker, high school principal, met with the Board to discuss the track as well as other matters pertaining to the assignment of teachers at Rivercrest for the coming school year.

The Board accepted the resignation of M. L. Barron who has been employed as high school principal with the Redwater Schools; Eva Watkins who has been employed as librarian with the Clarksville Schools; and Kay Webb who resigned because of personal reasons.

Ray Miller was employed as junior high coach and teacher in the Talco School. Mr. Miller is a graduate of Talco and is presently attending East Texas State University. Jerry Russell was approved as a bus driver replacing B. B. Rindman who is moving from the district.

Approval was given by the Board to incorporate the new sick leave policy for teachers as passed by the 61st Legislature with the present sick leave policy of the district. The superintendent is to present the new plan for Board consideration at a future meeting.

The Board approved the administering of a test for the purpose of establishing eligibility for the Foundation Kindergarten Program to all students who will be at least 5 years and 5 months of age as of September 1, 1970. Beginning with the 1970-71 school year, each school district must offer a Kindergarten Program to students meeting this age requirement provided they come from families whose annual income is \$3,000 or less and/or the child is educationally handicapped. Superintendent Talmadge Morgan stated that the test to determine eligibility for the program would be given on July 13 and 14 from 8:30 to 11:30 at Rivercrest. (Other details of the program are explained in another article to be found in this paper.)

The Board approved August 8, 1970 as the date for the Public Hearing on the adoption of the official school budget for 1970-71. The meeting will be held at Rivercrest at 8:00 p. m. with the general public invited.

Superintendent Talmadge Morgan stated that the Bogata campus had been graded and leveled and that bids were being taken for the building of a drive thru the campus which will serve to load and unload bus students and as a service entrance for the new cafeteria. Plans also call for building covered walk ways to the various buildings on the campus.

Another improvement to the facilities of the district has been the painting of the hallway and many of the classrooms on the Talco campus.

The Board approved the bills to be paid and the various reports as presented. The next meeting of the Board will be on August 4, 1970 at 8:00 p. m.

Mrs. Tom Harvey Rites Wednesday

Mrs. Tom Harvey, 88, of 654 Lamar Ave., Paris, died Monday night at Pleasant Grove Nursing Home, where she had been since suffering a hip fracture. The former Lora Walker, daughter of Douglas and Molly (Hoover) Walker, Mrs. Harvey was born in Milton community, Feb. 11, 1882. The funeral, Wednesday at 4 p. m. was held at Gene Roden & Sons Funeral Home, Paris, and interment made in Milton Cemetery.

Mrs. Harvey was married Feb. 12, 1899, to Thomas Andres Harvey, who died Oct. 29, 1948. She had attended school at Milton and was a member of First United Methodist Church in Paris.

Surviving are seven children: Roy Harvey of Longview, Raymond Harvey of Port Neches, Mrs. Stella Terry, who made her home with her mother, Mrs. Tommie Thompson of Wichita Falls. Mrs. Morris Lawler of Milton, Mrs. William Upchurch of Albu-

Austin. — A blue-ribbon insurance study committee has recommended exploring Texas' compulsory auto liability coverage and a careful look at allegations that garages charge more for policy-covered repairs.

Report went to Gov. Preston Smith prior to the State Insurance Board hearing July 14-15 on inclusion of insurance company investment income in the auto rate-making formula.

Smith indicated that the Board may not be ready this soon to evaluate the full effect of the formula change which also is backed by the study committee he named last summer after an auto policy rate hike was recommended.

Most observers think motorists are in for another increase in their premiums after the main August rate hearing, regardless of whether the Board determines that investments should be figured in the base.

Study committee, headed by former Gov. Price Daniel, noted that North Carolina rates appear to be consistently low, although it also has mandatory liability coverage. Massachusetts and New York, other mandatory auto liability insurance states, have higher rates.

Committee recommended that the Legislature look into ways to stop "excessive charges being made on repairs of insured automobiles" which, in turn, lead to escalating rates year after year.

Insurance industry is expected to ask new increases as high as 15 to 20 per cent at the August hearing.

Smith may ask Daniels committee to examine the Board's recommendation, as they did in 1969 (when rate adjustment was 9.9 per cent upward instead of 11.4 as originally recommended by the Board). However, the majority of the committee is cool toward going into more extended hearings like those required by their study last year.

CAPITOL ADDITION ASKED — An important part of state government may be going underground if a Building Commission proposal is approved.

Commission, in new budget requests, laid out plan for a 45,000-square-foot, \$2.5 million underground addition to the capitol building, providing office space for legislators. Enlargement would be in a natural depression to the west of the present historic structure.

Commission also proposed these new projects.

- \$1.26 million revamping of the north approaches to the capitol.
- \$3 million parking facility for 320 cars.
- \$215,000 renovation of the old Highway building for use by the Parks and Wildlife Department when Highway Department's new headquarters is completed.
- \$250,000 face-lifting of old Parks and Wildlife offices in the virtually new John Reagan State Office Building — for use by the Welfare Department when P&W moves.
- \$25,000 in repairs to the Governor's mansion.

PrairieLand School Assigned Dist. 15AA

Official notification has been received that the new PrairieLand High School will be assigned to District 15AA in girls and boys basketball for the 1970-71 and the 1971-72 assignment period.

PrairieLand will not participate in football in 1970-71. They will join area schools: Rivercrest, Cooper and North Lamar in boys and girls basketball competition.

Mrs. Trixie Dickson of Dallas visited her brother, E. W. Duncan and family the week end. Mrs. Duncan's nieces, Angella Dixon and Joycelyn and Tammy Davis of Longview are here for a visit.

Mr. and Mrs. R. W. Sanford hosted a barbecue at their Caney Creek ranch on the 4th. Attending were Mr. and Mrs. Ronnie Logan, Mr. and Mrs. Tommy Barton, Mr. and Mrs. Handy Stansell and Amy, Mrs. Louise Mitchell and Mrs. Richard Sistrunk and Paul.

county of his residence, Attorney General Martin says. Martin held that county attorneys can, but don't have to, represent the state in such proceedings.

In other new opinions, Martin ruled that:

- Special option purchase agreement between the State Department of Agriculture and International Business Machines Corporation on data-processing equipment is constitutional, since there is no obligation to spend money beyond revenues available at the time the debt is due.
- Legislature left to Commissioners Court determination as to whether office space should be furnished by the county for its home demonstration agent and county farm agent. In the absence of contractual obligation, says the AG, the Court isn't required to provide offices but has authorization to do so.

GAS RATE HIKE — State Railroad Commission granted Pioneer Natural Gas Company, serving 61 West Texas communities, a new rate of 32 cents per 1,000 cubic feet on its gas.

That amounts to four cents of the 6.43 cent increase the company requested.

Rate is still subject to approval by individual city governing bodies before it finally goes into effect.

CHARTERS FORFEITED — Secretary of State Martin Dies Jr. announced that his office is forfeiting charters of 10,907 corporations for failure to pay state franchise taxes.

Figure, said Dies, is almost double last year's and indicates to him "this is a barometer reflecting general economic decline throughout the nation."

GRANTS APPROVED — A large range of new federal grants were approved for Texas agencies and programs. They include: \$531,286 for child development (Head Start) in Cameron County; \$709,415 for emergency food and medical services; \$150,605 for family planning programs; \$50,135 for police tactical squad experiment; \$42,000 for youth opportunity development program; and \$30,000 to establish uniform procedures for recording and reporting criminal justice information.

Valley Girls On All-Star Team

Two area high school girls basketball players will be members of the North team that does battle with the South team on Saturday night, July 18 at 8:15 in the Brownwood Civic Coliseum.

Selected as a guard from Rivercrest is Joyce Brown. She has been a member of a Rebelette team that has participated in the state meet the last four years. Joyce will attend Ranger Jr. College on a basketball scholarship. Her high school coach is Bobby Dobbis.

Selected as a forward from Deport is Marilyn Glover. Marilyn has been named to the Class B All-State Team for two consecutive years. One of the few girls to achieve this honor. Her high school coach is Lloyd Simmons.

The valley area has produced several outstanding all-stars the past few years. Girls basketball in this area and in the state is continually growing in participation.

Players selected for 1970 Girls North All-Star Team are:

Forwards — Marilyn Glover, Deport; Marilyn Davis, Slaton; Judy Matthews, Petrolia; Vicki Gregory, Springlake-Earth; Cindy Ward, Floydada; Linda Cheatum, Quitique; Karen Hewitt, Roby; Sandra Shufeldt, Spearman.

Guards — Joyce Brown, Rivercrest; Pam Tackel, Bridgeport; Carol Brown, Brownsboro; Marsha Mahaffey, Bowie; Roxann Minter, Klondike; Cheryl Davis Canyon; Rhonda Garth, Friona; Brenda Brzozowski, Wylie (Abilene).

Stanley Whisenant of Abilene Wylie and Charles Skeen of Follett will coach the North with Burl Plunkett, formerly of Valliant, Okla., and now of Tuloos Midway, and Bill Bradley of Robinson, the South.

Check Underway For Those Missed In Census Count

One of the final steps in the 1970 census in rural and small city areas of the southern States — a check by mailmen — is now under way, according to the U. S. Department of Commerce's Bureau of the Census.

The '70 census was taken by two methods: by mail-out and mail-back of questionnaires in most major metropolitan areas and by census takers in the rest of the United States. The latter procedure entailed the mailing out of questionnaires and subsequent visits by census takers who would pick up filled-out forms or, lacking this, interview families while following a house-to-house route.

"Canvassing in the metropolitan areas required checking of addresses by postal employees before the mailout. A similar step is now being taken by mailmen following the visits by census takers.

This is the procedure: When census district offices completed their preliminary counts, they turned over to the post office a set of white cards listing every address canvassed. The mailmen, in turn, check these addresses against the households on their routes. If the mailman discovers what he considers a "missed" address, he fills out a blue card noting this fact. The blue cards are referred to the Census Bureau, which will check them against the census records.

The Census Bureau has found from experience that many households for which such cards are filled out have already been enumerated. This can happen for a number of reasons. For instance, some people get mail at two or more addresses, or there may be differences in the way a rural address is described.

The Census Bureau will check the blue cards turned in by mailmen and then take appropriate steps to provide a complete census count.

Mr. and Mrs. Dan Cotten and daughter, Lisa of Midland and Miss Janice Davis of Dallas, visited over the week end with their parents, Mr. and Mrs. J. A. Davis. Sunday guests were Mr. and Mrs. Floyd Whitby of Houston and Mrs. Willie Cotten of Mt. Pleasant.

Mrs. Vera Fry and George Sned and son, Gary of Smackover, Ark., visited Saturday with Mrs. Jewell Butler. They attended the McConal homecoming at the Community Center at Bogata. Mrs. Butler visited her aunt, Mrs. Ben Hill at Clarksville Saturday afternoon.

Kindergarten Program

All local school districts subject to the Minimum Foundation Program, which includes the Talco-Bogata Schools, must offer the kindergarten program provided in House Bill No. 240, Acts of the Sixty-first Legislature, to eligible children beginning with the 1970-71 school year. Attendance of eligible children is voluntary and may not be required by the local school district.

The qualifying age limits for the 1970-71 school year will be children who are at least 5 years and 5 months of age as of September 1, 1970.

Superintendent Talmadge Morgan stated that the kindergarten program for the 1970-71, 1971-72, and 1972-73 years is limited to students who are classified as "educationally handicapped." An "educationally handicapped" child for the purposes of the kindergarten program is defined as either/or:

1. A child who cannot speak, read and comprehend the English language to the extent that he is not familiar with the common English language words that are necessary for normal progress in the first grade.
2. A child who is from a family whose annual income is \$3,000 or less.

Mr. Morgan said that letters had been mailed to all parents who had children who would be at least 5 years and 5 months of age as of September 1, 1970 stating that a test would be given on July 13th and 14th from 8:30 to 11:30 a. m. at Rivercrest High School to determine eligibility of students. He further stated that the school could exercise considerable latitude in qualifying students under the "educationally handicapped" provision.

Superintendent Morgan said that he felt that if the district could not qualify enough students to justify the employing of a teacher that he would encourage those parents who do have

Rev. Geo. Thompson Talco Meth. Pastor
