Money, money, money. Most people have to spend a lot of time worrying about it. Sometimes it's all too easy to get caught up in finding pleasure through purchase power!

When money seems to be the dominant factor in life, it never hurts to spend a little time thinking over the time-worn adage "The best things in life are free". Some of them are, truly, free or low cost at least!

What expensive sheets or cover ever felt as nice as waking up an hour early and being able to go back to sleep again?

Even better, what is more pleasant than waking thinking it's a work day...and realizing that it's the weekend, with no reason to get up right then!

When entertainment budgets are stretched thin, try a long walk, and be sure to keep the head up and the eyes open!

Whether in the city or the deepest country, walking will provide healthful relaxation, releasing a tranquilizing chemical in the brain. The sights, sounds and smells encountered provide a new outlook.

Few people return from walking without feeling relaxed, drowsy and content!

No, walking done in a shopping mall doesn't count. Tsk, Tsk! No money to eat out? Try eating in. Either ask good friends over, and serve "everyday" food...not company fare. Chili, hamburgers cooked on the grill, the pleasures of good conversation and good food outweigh even the finest restaurant.

Instead of going shopping for gifts...make something. It usually costs less and is appreciated more.

Plant flowers and seeds. For many people the sight of the first tender shoots peering up from the earth is a pleasure unmeasurable. Live in an apartment? Try a few pots on a sunny windowsill.

Not only are these things low-budget, they can help take away money worries, probably one of the most common worries in the world!

Money, money, money, it stays on a lot of people's minds.

But forget it for a little while, and just enjoy the little pleasures.

## Ice, Snow, Bitter Cold Inflict Hardship On Area

Near-record temperatures, a glaze of ice and fine snow combined to create havoc throughout the area when the much talked-about "Siberian Express" pulled into town last Friday.

After several days of eighty degree sunshinetemperatures plummeted Wednesday afternoon, and gray skies and rain moved in.

Thursday night turned into a winter nightmare as sleet and freezing rain began to pelt down, coating power lines, roads and sidewalks with a glaze of slippery ice.

Temperatures fell to 8 degrees, with wind chill factors to well below zero.

Accidents, falls and cold-related incidents kept hospitals and law enforcement agencies busy, with no relief in sight.

Temperatures have continued to stay between 10-18 degrees through-

out the weekend and early part of the week.

Strangely, the worst of the ice cut off between Deport and Bogata, and Prairiland schools were forced to turn out while Rivercrest remained in session Friday.

A Saturday night session of light snow however, caused Rivercrest, too, to turn out Monday.

With temperatures still low, water pipes began to succumb, and many households have found themselves without water, with broken pipes, or heating water on the stove.

Others listen to the steady drip drip as they leave faucets running to prevent freezing.

Houses without much insulation are almost impossible to heat, and local fire department officials urge caution for people using wood stoves

or kerosene heaters as supplemental heat.

Sunny skies Monday afternoon and Tuesday did much to reduce danger on area roads, but steps and areas in the shade were still slick and hazardous.

Up until this cold spell the winter has been extraordinarily mild.

Flies and even mosquitoes were still active. Pruning of fruit trees and roses was delayed because of a lack of suitable weather.

Unlike most snowy, icy spells in this part of the world, this one is likely to continue for a while.

Weather forecasters are predicting bitter cold at night, but there is a predicted chance of above freezing temperatures later in the week. After that, however, it's still "anybody's guess".

WINTER SCENE-Frozen ponds, glazed ground and icy trees created a winder wonder-

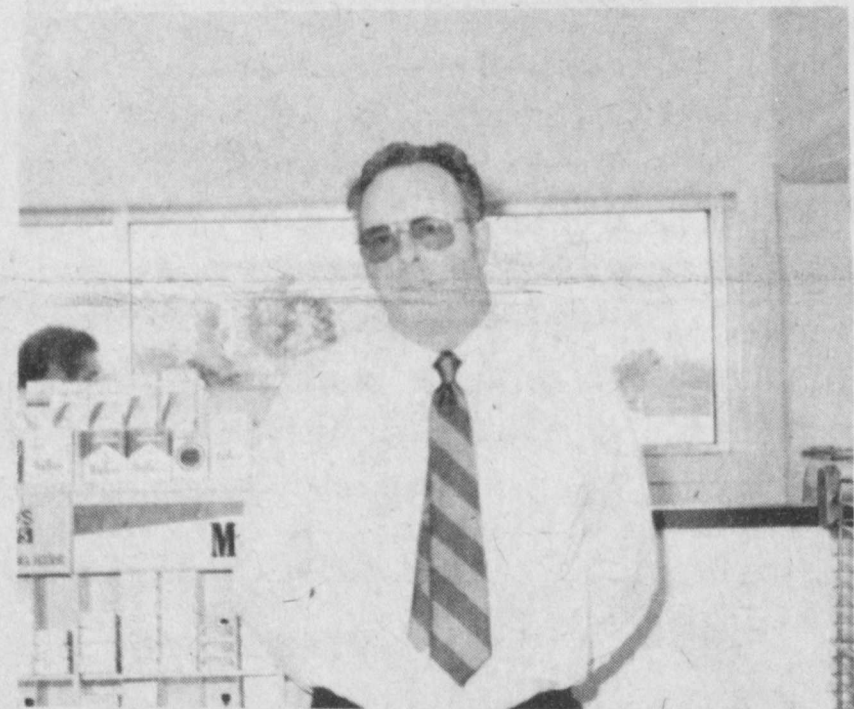

land over the weekend as a bitter spell of cold weather kept folks busy trying to slide around

on slick roads or stay warm. (Staff Photo by Nanalee Nichols)

KATHY WILLIAMS, left and Jennifer Belcher are shown with the new Red River Haven cookbooks. The books, called "Ducky Cooking" are available at Buckman Drug Store, Peoples National Bank and Red River

Haven. The price is \$5.00 and proceeds from the sales will go for the needs of Red River Haven residents who have no families. (Staff Photo by Keye Lee)

BILL SMITH of Daingerfield is the new manager of JE's Foods in Talco. He and his wife, Nancy, will be moving to Talco as soon as possible. The Smiths have four children. They hope to be active

in the First Baptist Church in Talco. Mrs. Smith is a member of the ladies choir, and has traveled far and wide singing with the group. (Staff Photo by Nancy Brown)

### People And Things

The volleyball tournament sponsored by the Talco Baseball Association was cancelled due to bad weather but has been rescheduled for February 18. For more information, contact Nancy Brown at 379-2111 or Tammie Case at 379-4891.

There will be a reception in honor of Mr. and Mrs. Paul Miller Sunday, February 12 from 2-4 p.m. at the Calvary Baptist Church in Talco. The Millers are celebrating their 50th wedding anniversary. Everyone is invited, no gifts please.

The Sunshine Club of the Calvary Baptist Church will meet Tuesday, February 21 at 10 a.m. Everyone is invited to attend.

Don't forget to attend the Chili Supper at Rivercrest on Friday, February 10. Sponsored by the Booster Club beginning at 5 p.m.

NEW OFFICERS-The Talco Fire Department has new officers. They are Wayne Binnion, assistant chief; Jimmy McGee,

first captain; Ricky Nolen, third captain and secretary-treasurer; Harvey Ross, second captain, training officer; Ron Parker, training officer; Brett

Castle, administration. The present and re-elected Fire Chief is Randy Carroll. (Staff Photo by Nancy Brown)

## Titus County Roadways To Be Resurfaced

Approximately 324 miles of North-east Texas roads will receive new surfaces during 1989 with a contract let this month by the State Department of Highways and Public Transportation.

The Texas Highway Commission approved a bid of \$2.9 million from Missouri Petroleum Products Company of St. Louis, MO to seal coat highways in nine counties located within the Atlanta District.

Seal coating a highway involves placing a layer of hot asphalt over the old pavement and then covering it with crushed stone, making the roadway surface watertight and improving its appearance.

The following highways are expected to be sealed during the summer of 1989: IH 30 from Franklin County Line to US 271; FM 1735 from SH 49 to SH 11; FM 1993 from IH 30 to US 67.

## Talco Junior Girls Begin End-Of-Year Tournament

The Junior High girls of the area began their end-of-year tournament at Sulphur Bluff on Tuesday, February 2.

Talco started off by playing Bogata at 5 p.m. Both teams got off to a slow start, ending the first quarter was a score of Talco 2, Bogata 4. The teams came alive in the third quarter, ending with a score of 16-11, Talco's game.

Talco's 17 team fouls hurt and two fine blocks by Bogata caught them

up. The game went down to the wire, with a final score of 21-20, Talco.

Ginger Hood led the Talco Rebellettes in scores followed by Laquita Norman and Chasity Hall.

Jennifer Bagley led the Bogata Rebellettes followed by Misty Taylor. When combined, these girls are bound to be winners.

The tourney was cancelled due to bad weather but will continue Friday, February 10, weather permitting.

## Subscriber Sends In Old Talco Reporter Newspaper

Jessie Thedford of Tarpon Springs, Florida, sent us a copy of the Talco Record, a tabloid newspaper published in 1931, shortly before the oil boom that resulted in the creation of Talco's growth spurt and the establishment of the Talco Times, still in existence today.

She subscribes to the Bogata News, and we truly appreciate her sharing this with us.

The paper consisted of a sheet of newsprint the size of today's paper folded into a half-size, resulting in four small pages.

It is dated April 3, 1931. On the front page are two obituaries, that of Mrs. Clyde Lovell and that of Mrs. Florence Tidwell.

Also included was school news reported by Marie Kelley and Mar-

gurite Cato. The rest of the page contained an ad for the Talco State Bank, and for Jones & Kelley Hardware, Feed and Grocery Store.

Inside was a list of daily Bible readings, a very small article on a Halesboro man striking oil in Oklahoma City, a story on the U.S. being a leader in the Mohair industry, ads for Hopwood and Jones, Pharmacists, J.B. Osburn, Blacksmith, A.A. Smith, Physician, the Talco Cafe with Mrs. Ed Price as proprietor.

The back page had an ad for Texas-Louisiana Power Company, providing electricity, gas and ice water, J.R. Westbrook and Sons, Grocers, the Lavada News, and the Talco State Bank's statement of condition. They reported a total of \$67,986.57.

Mr. and Mrs. Paul Miller

### Millers To Observe Fiftieth Anniversary

All friends and neighbors are invited to a reception honoring Paul and Rae Miller on their 50th wedding anniversary.

The reception will be held Sunday, February 12 from 2 to 4 p.m. in the Fellowship Hall of the Calvary Baptist Church in Talco. The reception will be hosted by their family.

The Millers were married February 14, 1939 at Selman City near Henderson in the home of his brother and wife, Mr. and Mrs. Gordon Miller. The Rev. Black officiated. His wife was also present.

Mrs. Miller is the former Rae Ann Williams of Louisville, AR. Mr. Miller is a native of Claremore, OK. The couple has three sons, Paul A. Miller, Jr. of Talco, Jerry Miller of Jacksonville and Billy Miller of Monticello. They have 10 grandchildren and four great-grandchildren. Mr. Miller retired from Exxon in 1975 after 32 years of service. Except for five years at New London, they have resided in Talco all of their married life.

### Rebecca Brooks On Distinguished Students List

Rebecca B. Brooks, a senior secondary education major from Bogata, has been named to the "Distinguished Students" list at Texas A&M University for the 1988 fall semester.

In order to be named a "Distinguished Student" a student must be registered for 15 or more semester hours and earn at least a 3.25 grade point ratio, out of a possible, 4.0 during the most recent grading period.

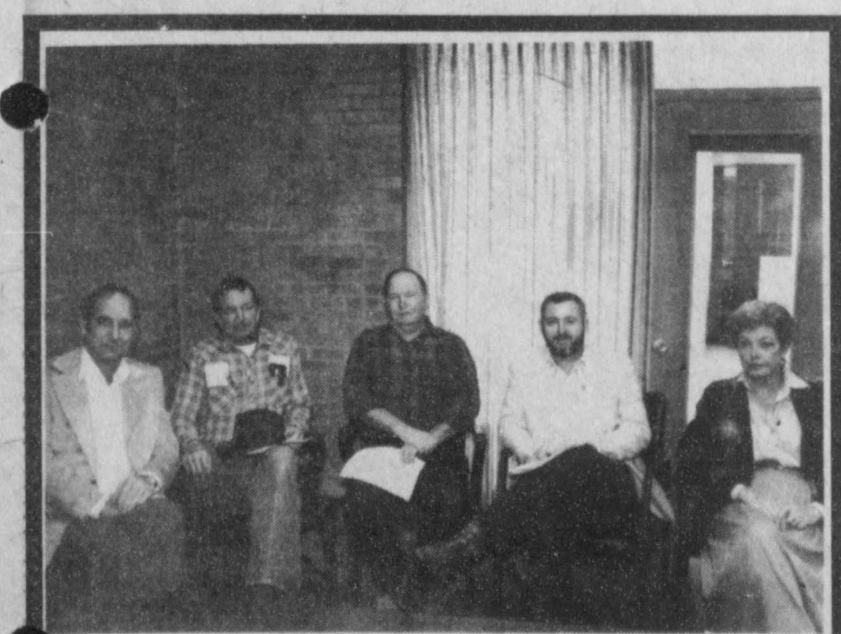

The guests were greeted by the honoree, Julie White, and the hostesses, Karin Frank of Nacogdoches and Shelly Dawson of Austin. The

### Housewarming To Be Given For Bill Proctor

### Garcia-Shelton To Wed

John Garcia of Farmersville and Sherryl Christopher of Glen Rose announce the engagement and approaching marriage of their daughter, Melinda Diane, to Billy Wayne Shelton.

The couple will be married in a semi-formal ceremony at Lake Chapel Church on Saturday, March 4 at 7 p.m. in the evening. Rev. Michael Shelton, brother of the groom, will officiate.

The bride-elect is a 1988 graduate of Rivercrest High School and is

currently a student at Aladdin Beauty College in Paris. She is the granddaughter of Mr. and Mrs. H.E. Christopher of Bogata and Mrs. Olivia Garcia of Farmersville.

The bridegroom is the son of Mr. and Mrs. Bobbie Shelton of Hagansport. He is a 1981 graduate of Mt. Vernon High School and is employed by Burney Valve Company in Sulphur Springs.

All friends and relatives of the couple are invited to attend.

### Lingerie Shower Honors Julie White

Julie White, bride-elect of Robert Cox, was honored with a lingerie shower on Saturday, January 28 from 3 to 5 p.m. at the home of Karin Frank in Nacogdoches.

The guests were greeted by the honoree, Julie White, and the hostesses, Karin Frank of Nacogdoches and Shelly Dawson of Austin. The

table was covered with a red cloth, held finger sandwiches, sweet confections on a "Best Wishes" cake. A red and white "We Luv You" balloon bouquet accented the decor. Several past roommates and friends attended and the bride-elect received many lovely gifts.

### Branch-Modesitt Announce Engagement

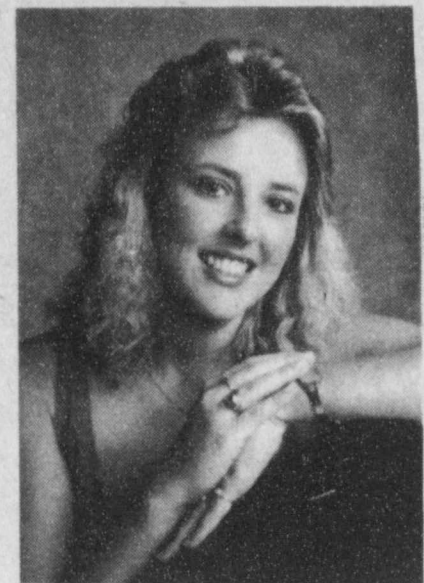

Jim and Barbara Branch of Bogata announce the engagement and approaching marriage of their daughter, Rhonda Gene of Richardson, to Randy Lee Modesitt of Dallas. He is the son of Phil and Donna Modesitt of Detroit.

Rhonda is a 1983 graduate of Rivercrest High School, 1985 graduate of Paris Junior College (RN degree), and presently attends the University of Texas at Arlington, studying toward her BS Degree in nursing. She is employed by HCA Medical Center of Plano in the Labor and Delivery Department. She is the granddaughter

of Truman and Elaine Baird of Cuthand and Doris Glover of Bogata. Albert Harville of Cuthand is her great-grandfather.

Randy is a 1983 graduate of Detroit High School, 1985 graduate of Paris Junior College, and a 1987 graduate of East Texas State University. He is employed by CNA Insurance of Dallas.

The couple will be married Saturday, February 25 at 2 p.m. at the Methodist Church in Cuthand. No formal invitations will be sent. All friends and relatives are invited to attend.

Rhonda Gene Branch

### Kidney Stones

It's hard to believe that something so small could cause such intense pain. Through a non-surgical procedure, shock waves crush kidney stones into sand-like particles that pass naturally from the body.

This state-of-the art technology, known as Lithotripsy, is now available at McCuistion Regional Medical Center. No longer

should a patient be required to travel great distances for this care.

Instead of a 5-6 week recovery time, lithotripsy enables you to be "back on the job" in 3-4 days saving you two precious elements, time off work and reduced medical expenses.

For more information on this alternative to kidney stone disease Call (214) 737-1143

### THOUGHT FOR FOOD

by GOULD CROOK

#### Knockwurst 'N Cabbage

- 4 knockwurst sausage
- 1 tbsp. vegetable oil
- 2 qts. Bud of California Shredded Cabbage
- 1 large onion, sliced
- 1 clove garlic, pressed
- 1 cup thinly sliced carrots
- 1 lb. small new potatoes, peeled and sliced
- 3/4 cup dry white wine
- 3/4 cup water
- 1 tsp. chicken stock base
- 1 tsp. pickling spice
- 1/2 tsp. salt

Make three slits in each knockwurst. In a large skillet, brown knockwurst in hot oil. Remove from skillet. In same skillet, saute cabbage, onion, garlic and carrots until onion is soft. Stir in potatoes, wine, water, chicken stock base, pickling spice and salt. Cover and simmer 20 min. Add knockwurst; cover and simmer 10 min. longer.

## Texans Talk To Gov. Clements' Office, Toll-Free

Last month, Governor Bill Clements' office helped 836 Texans cut

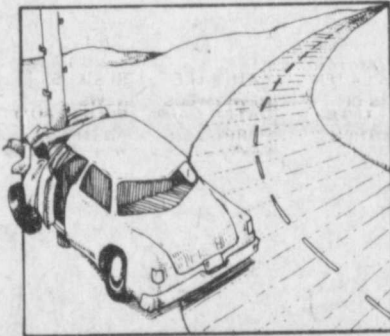

through the bureaucratic red tape with an innovative Citizens Assistance Hot line.

From 8 a.m. to 5 p.m. weekdays, hotline staff members provide information to anyone who calls 1-800-252-9600. The department helps people obtain information or assistance on a variety of topics ranging from obtaining the address of their state legislators to how to get a copy

of a birth certificate.

The hotline also serves as a liaison between the public and state agencies or programs.

During the legislative session, hotline workers expect to field thousands of telephone calls about pending legislation. A summary of the legislative queries will be presented to the governor for his consideration as he reviews bills sent to his office by lawmakers.

## Roundball Roundup

By Gary House

The bad weather has played havoc with the basketball schedule in recent days. The Rebels game with Cooper last Friday was postponed; it has been reset for Thursday (tonight) in the Rebel gym. On Friday night, February 10, the Rebels will face Honey Grove at home. These games are crucial in the District 17-AA race. The Rebelettes will wind up their season early next week.

In the only contest last week, the Rivercrest squads made the long trek to Leonard. The Rebelettes fourth quarter performance broke open a close contest and allowed them to gain a 45-30 victory over the Lady Tigers. The Rebelettes scored 22 fourth period points, just one point shy of their total in the other 24 minutes of the game.

The final quarter rally was led by point guard Tonya Hawkins, who scored two quick buckets within the first minute of the period to set the pace. Hawkins also looked sharp with her ball handling and play-making efforts. Rosie Norman came through with 10 points, while twin towers Kristie Stansell and Amy Gladden hit 9 and 8 respectively from the inside position. The Rebelettes were very cold from the floor, shooting only 33% (16 of 47) but shot 41% for

the free throw line, with the fourth quarter being the most accurate, as they shot 10 of 18 efforts.

In the boys contest, the Leonard Tigers upset the Rebels by a score of 55-49. The loss was the second in district play for the Rebels, giving them a 5-2 mark. Honey Grove now stands alone atop the district race, since Cooper upset Chisum to give both the Rebels and the Mustangs 5-2 marks.

The Rebels lost a first quarter lead, 16-9, when the Tigers began bombing from three-point territory in the second period. But it was the Rebels overall poor field goal shooting, and lack of team play that spelled the difference in the game.

The Rebels shot only 24% (18 of 75) for the game. Bradley Woods led all scorers with 17 points, while Jeremy Abshier added 14; however, the noamly productive trio of Jimmy Lewis, Jason Pogue and Scooter Brown combined for a total of nine points for the contest.

The Rebels knotted the score at 45 apiece with about three minutes to play, but they failed to score another field goal until the final buzzer sounded. In addition, the team hit only two of eight free throws in that

stretch.

Rebel mentor Wake Wood said, "The Rebels team stayed at home. We cannot win unless we play as a team, which we did not do tonight. We had only four or five assists which indicates poor team play."

The only other action of the week involved the Junior Varsity Boys, who beat Leonard 60-57 behind the 14-point performance of Jesse Woods and Donald Combs. Todd Duffer and Shane Beers added nine apiece for the high-flying youthful Rebels.

You are encouraged to support the Rebel/Rebelette Athletic Booster Club chili supper and pie auction this Friday night. Serving will be at 5 p.m., and will continue through the evening's game with Honey Grove. Chili will be served for \$3.00 for all you can eat; children under 12 may eat for half-price and may choose either chili or hot dog. Pie will be sold for 75¢ per slice, and whole desserts will be silently bid upon throughout the night, the highest bidder at the end of the night taking the delicacy home to enjoy. All proceeds benefit the Rebel athletic booster club, in support of the total athletic program in the Talco-Bogata School District.

Dear Editor:

First, I would like to answer a question I have been asked by voters on numerous occasions. What does a Constable do and what area will I cover? To best answer this question would be to say the duties and authority are basically the same as any law enforcement officer. Your duty is primarily in the precinct in which you were elected. But your authority covers the entire county.

Now! How much a constable can do is based on three things, salary, vehicle allowance and operating expenses. These three items are budgeted for and approved in the Commissioners Court. In the 1989 budget, the salary for Constable Pct. #2 is \$3,000.00 a year. (\$62.50 a week) The vehicle allowance is \$750.00 a year. The county pays 20 a mile for the use of your own vehicle, so if you worked a five day week this would allow you to drive 14 miles a day. There was nothing budgeted for operating expenses. I have been in contact with two members of the Commissioners Court to try and resolve this situation, but they have said nothing could be done until the next budget.

I have also searched for other ways of resolving the problem and will continue to do so. I hope this clarifies your questions and the questions other voters might have. Respectfully, Ted Byndas Constable, Red River Co. Pct. 2

### Glen Morgan Voted Into NAU Hall Of Fame

Glen Morgan was recently voted into the Northern Arizona University Hall of Fame.

Morgan played football at NAU from 1956-59 where he was a two-time All American tackle. Morgan is considered by many as one of the finest linemen to have ever played for the Lumberjacks. He starred back in the days before two platoon foot-

ball was widely used. His exploits helped NAU establish a 33-6 record in football from 1956-59. Morgan also won the award as the top NAU lineman and was Homecoming King.

Local relatives of Mr. Morgan are S.G. Morgan, Jim G. Garrett, Everett Garrett, Josie Fennell, Ola Bryson, Edith Swaim of Talco and Cleve Coffin of Rugby.

## Mrs. Jerri Tippit Named Conservation Homemaker

Mrs. Jerri Tippit of Clarksville has been named Conservation Homemaker of Red River County Soil and Water Conservation District for 1988. Mr. and Mrs. Tippit live about five miles southeast of Clarksville. The Red River County Board of Directors selected Mrs. Tippit for her outstanding work in conservation.

Mrs. Tippit was born in Mt. Pleasant in 1953 and reared in Talco, both in Titus County. She graduated from Rivercrest High School in 1971 in Red River County. In March of 1974, Jerri married Ronnie Tippit, who was born and reared in Clarksville, Red River County. They have the McCoy community their home since 1974. They have five children, Brad, who is in the Air Force in New Hampshire; Tonya, who is a junior in high school; Deanna, which is in the eighth grade; Kimberly, who is in the seventh grade; and Rocky, which is a four grade student. Mrs. Tippit and her family are members of the Lone Star Methodist Church in the Lone Star Community.

Mrs. Tippit is not only a very active person on the ranch, she also plays a large part within the Clarksville School System. Jerri has been on the selection committee for academically gifted and talented students for the past five years.

The Tippits have always lived on the ranch. They own a total of 200 acres and leases a total of 634 acres. "There are 107 grown head of cattle to take care of on this place," said Jerri, "and Ronnie works a full time job at Kimberly-Clark in Paris."

Mrs. Tippit gets involved with all aspects of the ranching operations.

She helps cut and rake the hay while Ronnie does the baling. She also provides some help when it is time for the pastures to be shredded for brush and or weed control. But when the cattle are calving or sick, she handles the problems.

Two of Mrs. Tippit's hobbies are planting ornamental, such as crepe myrtles, rose bushes and planting a garden each year. This year Jerri planted okra, purple hull peas, peppers, tomatoes, cucumbers and squash. She also has some Ranger peach trees that produces a great deal of fruit and a Fig bush which was very productive. Several different types of colors of rose bushes were planted. The colors ranged from white, pink and red.

Mrs. Tippit also enjoys cooking very much. She make her own hot tamales and cans many different foods as well. She also spends some of her time refinishing old furniture in their home. While busy with all of these different activities, Jerri still finds the time to sew. She said that she wasn't very good, but from the looks of the blouses and dresses that she made, her work is of very high quality.

When Ronnie and Jerri first bought this place, it was in bad shape. There were no fences on the farm, therefore, it took time and money to build new fences. They were told that the soils were poor because of the whit-crock material that was so close to the surface. The farm had no grass established to speak of. Nevertheless, a great deal of seeding and reseeding of grass had to be done. There were only two small ponds located on the place at the time of purchase. Now,

there are four good ponds on the place in which the Soil Conservation Service assisted with. Later, a new barn and corral was constructed to store farm equipment and to keep or work some of the animals. Some trees were bulldozed off the place to increase pastureland acreage. Several sizeable gullies were present on the place. But once again, the Soil Conservation Service provided assistance in shaping the eroded gullies. Even though many trees were bulldozed off, some were left for the use of wildlife, especially birds. The Tippits have been district cooperators since January, 1982.

Besides all the work that Jerri does with ranching operations, planting of ornamentals, planting a garden each year, sewing, cooking and refinishing furniture, she still found time to take courses in income tax last year. She plans to open her own income tax business very soon. "I am also responsible for keeping all of the books for the ranching operations on this place," said Jerri.

Mrs. Tippit has certainly done a great job with all of her different activities. She has definitely been an active person during this past year, and should be commended for a job well done.

Through all of these efforts and accomplishments, Mrs. Tippit has proven to be a great asset to her family and the ranching operations. The Red River County Soil and Water Conservation District Board of Directors is very pleased to announce Mrs. Tippit as the District's Outstanding Conservation Homemaker for 1988.

### Talco Locals

The Talco sixth grade students enjoyed shooting off rockets they recently made in Mr. Gable's Science class Wednesday. The children painted and put together their rockets with Mr. Gable's help.

Most local churches were closed Sunday due to bad weather.

Susan Tabb visited Kim Brown and family over the weekend.

The WMA of First Baptist Church canceled their meeting Monday due to the weather. They will meet at a later date.

### 4-H Record Book Workshop To Be Held

By Lynn Golden

The Red River County Extension Service will sponsor a 4-H Record Book Workshop for all 4-H members and other youth interested in 4-H on Saturday, February 11.

The workshop will begin at 9:30

a.m. for juniors and 1 p.m. for seniors at the Clarksville Chamber of Commerce.

Record keeping is an important life skill learned through 4-H. Additionally, over \$500,000 is given annually in the form of scholarships

to graduating senior 4-H'ers in Texas. Scholarship recipients are selected primarily by records they have kept on 4-H project work.

Parents and leaders are encouraged to attend. For more information, contact the County Extension Office at 427-3867 or 3868.

### Select The Best Tree For Landscape Need

By Paul D. Payne

The ideal landscape tree does not exist. All plants are suited to one or several particular purposes and should be used as such, according to Dwight Hall, Extension Landscape Horticulturist.

Hall told the group attending the Monday night session of the Shade Tree Seminar held in Chisum High School that trees which have desirable features also have those that are undesirable. He illustrated the point by pointing out trees with beautiful flowers in the spring but undesirable fruit or seed pods in the fall. Also, one must realize that most fast growing trees are also brittle and short lived.

The homeowner must carefully select the best tree to fit his particular

landscape need and situation. One must fully understand the tree's characteristics, growing habits and requirements, and its good and poor qualities before making a final selection. Hall summarized his part on the program by encouraging the audience to choose a tree which offers the best characteristics to fit their needs and one having the least undesirable features.

One should study their landscape so as to best determine the landscape needs. Determine where the tree is needed and for what purposes. How much growing room is available, as well as existing conditions such as walks and drives, existing overhead lines, water lines, drainage, etc., also must be considered.

Other than for shade, trees may also be selected or desired for screening as garden accents, win protection, for visual scale or balance, for children's play or simply to provide a pleasing environment for the home.

The Lamar County Fruit and Nut Committee will be conducting a Mini Fruit and Nut Meeting on Monday night, February 20 at 7 p.m. in the TU Electric Building in Paris. There will be four 30-minute presentations by members of the committee. Topics to be discussed will include peaches and plums, apples, pecans and small fruits such as blackberries and blueberries. Individuals attending will have the opportunity to learn from successful county producers. Hand-out material will be available.

**FOOT CARE**  
by  
Dr. Max Weinberg  
Podiatrist  
MYCOTIC NAILS  
It is mostly older patients who have mycotic toenails, or fungal nails. This fungal problem has not so much to do with age as it does with a lifetime of neglect of the feet that makes microbe, a fungus, that requires a dark, moist, fairly hot place in which to flourish. The foot fits the bill perfectly, particularly when one perspires freely and is wearing shoes for a long time. The added ingredient of a fresh blood supply brought to the surface of the nail bed by an injury to the toe enables the fungus to grow. The nail then develops a yellowish discoloration. This fungus can be treated with topical creams or surgery in more severe cases.  
This has been presented as a public service to promote a better awareness of the benefits of podiatry by the office of MAX R. WEINBERG, D.P.M., P.C.

### House To Vote On Pay Raise Proposal

U.S. Rep. Jim Chapman, D-Sulphur Springs announced today that he and his colleagues will vote on President Reagan's budget recommendation of a 51 percent congressional pay hike tomorrow. "I am pleased that Senator Jim Wright said that he would order a roll call vote on the issue before the raise can take effect," said Chapman. "I worked aggressively to bring this issue to a vote and to stop President Reagan's budget recommendation to raise the salaries of Congressmen and top federal officials," continued Chapman.

"Since I came to Congress, I have successfully fought two congressional pay hikes and I intend to defeat Reagan's pay raise proposal this time. By bringing the pay raise to a vote, we've won our first battle. I expect the House will repeal the pay raise proposal on Tuesday," stated Chapman. "As my record proves, I firmly believe that Congress should not receive large pay raises until we better demonstrate the fiscal responsibility that will lead to a balanced budget," concluded Chapman.
