

By Nanalee Nichols

Almost everyone loves springtime. There are obvious reasons for this, the perfect weather, the beautiful flowers, all coming after

But there is another reason that perhaps isn't so obvious, and that's the awareness of life, spelled with a capital "L" is so much in the forefront. And a brief look at a typical spring morning reveals so much life!

Children don't stand huddled in heavy clothing waiting for school buses...they are running, jumping, pedalling bikes, whirling in the spring sunshine like cavorting colts.

Older people step out into the glowing green-gold world with a brisk step and well-being.

People going to work regret having to go inside. Those lucky enough to not be going to work sit savoring cups of coffee in the outdoors, or simply stand look-

ing over their yards and lawns. Laughter comes easy in spring abundance, friendly hellos

In the non-human world all is busy and productice too. Rabbits nibble at dew-covered grasses, birds are incredibly busy going to and fro feeding young or building nests. Everywhere the sounds of bird song, from the cheeping of the sparrows to the liquid songs of more musical birds can be heard.

Cattle graze hungrily at the variety of pasture available after the boredom of winter hay, and horses with foals at their side trot contentedly across velvet fields.

The crops grow so fast that almost daily progress can be observed in their height, and of course weeds gain equally!

Art fairs, flea markets, garage sales, cookouts, softball and baseball...all sorts of outdoor activities bear testimony to the human desire to be out into the fresh air.

Life, burgeoning and abundant, is everywhere. Unplanned, frequently unconsciously recognized, it is so free, so pleasant that a simple walk or drive down a street lelaves a smile on the face and an uplifted heart.

> Along with successfully completing a major part of her education in a short period of time, Kristi also has held a job for much of that time. She worked most of 1988 for A&R Short Stop in Deport and is presently employed with Huddleston's Grocery in Bogata. She is an active member of the First Assembly of God Church in Bogata where sings, plays the piano and teaches a Sunday School class.

> While Kristi does not believe college graduation at 17 is for everyone, she says she feel sthe experience has been a positive one for her and will give her the advantage of beginning her career much earlier than most people. When asked about the disadvantages of an early graduation, Kristi laughingly said that she got a lot of funny looks from college friends who don't realize she's only 17 when she has to call home for permission to stay out late.

> Although Kristi admits there were times of discouragement she never gave a thought to giving up. She gives credit for her perserverance to Robert Thomas, principal of Bogata Christian Academy. "He encouraged me to accept challenges and to try and become the most I could possi-

### PHYSICIAN APPOINTMENT SERVICE

In an effort to better assist the people of the northeast Texas and southeast Oklahoma area in securing quality medical care, McCuistion Regional Medical Center has implemented STAT-CARE Physician Appointment Service, the first of this type of ser-

How it works: AT HOME

Whether you are new to this area or just have never established yourself with a physician or dentist, STAT-CARE can help. If you need prompt medical attention, we will have you in the doctor's office within 24 hours, simply by calling 737-1100. If you need a routine check-up, you will be in the office within seven to ten

AT THE HOSPITAL

When you call the STAT-CARE line, you can leave your name and telephone number and nature of illness requiring attention. When your appointment has been made, in only a matter of minutes, you will receive a call of the scheduled time, doctor and direction to their office without having to wait on the telephone

#### AT THE DOCTOR'S OFFICE

You are greeted by a member of the doctor's staff, given instructions about your new found doctor. Doctors in this program present 17 different medical specialities to meet all your

At McCuistion Regional Medical Center, we are prepared to care for all of your emergencies. From birth, through life ....

A flooded diamond forced postponement of the RHS-Cooper game from Friday until Monday night. The Bulldogs, a perennial power in Baseball, are fighting for their lives in District 17AA, currently standing in third place behind Leonard and Como-Pickton. Cooper wasted little time in jumping to a 4-0 lead in the opening stanza, as Allen hit a grandslam homer off Rebel pitcher David

With the score 6-0, the Rebels caught fire in the home half of the second inning. Sophomore Kevin House singled, deftly stole second base, and on the overthrow into centerfield, scampered home with the initial Rebel score.

Cooper failed to score in the third, althugh they stranded runner on third

### Rivercrest Girls Softball Results

In high school girls softball action, the Rivercrest Rebelettes met Chisum Monday at Bogata. The Rebelettes took control of the game early.

Pitcher Starla Howard struck out 11 batters and every girl on the team scored one or more times. Rivercrest won teh game 22-4.

The Rebelettes met Sulphur Bluff May 8 in Johntown. Sulphur Bluff came into the game with a 3-1 record but the strong pitching and fielding game of the Rebelettes was too much

for them. Pitcher Starla Howard struck out nine batters in three innings. Pitcher Jerilyn Russell struck out four batters in two innings. Home runs were hit by Tonya Hawkins and Starla Howard. Final score was Rivercrest 17-Sulphur Bluff 2.

The girls will enter their end-ofyear tournament play Friday and Saturday at Mt. Vemon. Coach Terry Giddens encourages everyone to come out and support the team.

base as Davidson recorded a strikeout to end the inning.

The Rebels made the game close for a while in the home half of the

stanza. With two outs, senior catcher Craig Easley bounced a triple off the centerfield fence.

Easley then scored on Kevin Binion's grounder to short, which was bobbled, making everyone safe. After Binion stole second, Kevin House lined a hard hit single to centerfield, which scored Binion. House went two for two at the plate, collecting half of the Rebel hits.

The fourth inning spelled doom for Rivercrest. With one out, the Bulldogs began to pound Davidson to all fields. With the score 8-3, the Rebel pitcher went to his knees to field a

rocket, then scrambled to throw the Bulldog runner out at first. However, Davidson was injured on the play and was later forced to relinquish pitching duties to Jeremy Abshire. The spunky junior was promptly greeted by Allen's second round triple of the contest. Two Rebel erros, a hit batsman loaded the bases for Cooper, and before the third out was registered, Cooper held a commanding 12-3 lead.

Cooper scored five more runs in the fifth inning, which was mercifully ended on an outstanding unassisted double-play by Rebel first baseman, Kevin House. Final score

The Rebels close their first season of baseball this week against Wolfe City and Como-Pickton.
