I suppose it's been a while since I crawled up on the old soap box and really began a lecture. (My grandma always said I should have been a lawyer or a preacher, I liked to talk so much).

Over the years I've heard a lot of lectures that we shouldn't fly...not only in big commercial airliners, but most especially in those little bitty two seater planes.

I've been painted pictures of gloom and doom when we flew gliders, and when we took up white water rafting...well! Going down in caves, up in balloons, out on the ocean, all seem to be things that are considered dangerous.

On insurance policies they ask questions about "hazardous" hobbies or pursuits such as roдеоing, hang gliding, scuba diving, all those things that most of us think of as dangerous, and life threatening. And they are, there's no doubt about it, the chances of getting hurt or killed doing these things DOES exist. It's more dangerous than sitting home watching television...that's a fact.

But the single most dangerous thing ANY of us do is go out onto the highways in an automobile!

Now, I know lots of folks are going to disagree with me.

But each and every one of us has lost a friend or family in an auto accident. Each and every one of us knows people who have been badly injured in wrecks.

I counted it up the other day...between Blossom, Pattonville, Deport, Bogata and Talco in the past five years I have been to accidents that claimed the lives of fifteen people. Several of those were children or teenagers.

We long ago lost count of the number of wrecks that tore vehicles up without seriously injuring the occupants, or even lost count of the accidents in which people were badly hurt, but survived.

Every day, across this nation more people die in auto accidents than in a massive plane crash! But because the body count isn't presented all at once, and we never hear a national total, the impact isn't so great.

I know that driving is a necessary, and pleasurable part of life. I know we have to do it...and on't have to indulge in dangerous hobbies...but the odds are still in favor of car accidents getting us instead of one of those other pursuits!

Lots of folks aren't going to agree with me that seat belts help. But I've never seen a dead person in a seat belt...and I've never seen but one live one that was hurled out of their vehicle. Yes, I know that seat belts can't save everyone...but they do help...especially in preventing injuries in less serious accidents.

But even more helpful is responsible driving. And that's what my whole point is... that we ALL need to drive more carefully.

Check twice before passing, make sure there's enough room. Look very, very well before pulling out. Don't turn off or onto roads without making sure there's enough room, or that it's clear...we all know the rules. We just don't always follow them as carefully as we should.

Defensive driving is important too. There an old line about "here lies Joe, he was right, but he's just as dead as if he were wrong"...that's the whole idea behind defensive driving, watching out for the other fellow.

Please folks, don't add to the horrendous statistics about car wrecks...drive carefully, courteously, defensively...and lets all stay alive!

## Intense Storms Dump 4.5 Inches Of Rain On Area Tuesday Night

In a year noted for severe thunder storms, the area suffered one of the worst so far Tuesday night. According to an official rain gauge 4 and one half inches of rain fell in Deport, four of those inches in one hour. Similar amounts were measured at Bogata with Talco coming out a little lighter, and Blossom about the same.

Lightning had power out for as little a time and thirty minutes in

some places, but out for six hours in others, and Texas New Mexico Power Company had linemen working as fast as they could replacing burned out transformers, lines and resetting thrown switches, all the results of a tremendous electrical display.

Several large trees succumbed to high winds, and water was over roads in places that it doesn't normally get over, prompting the highway depart-

ment to be out directing motorists through or around the deeper areas.

Damage to gravel roads and drive-ways was severe as the runoff carved new paths through them, and fields suffered some damage from the pounding rains.

Speculation as to whether this trend towards an extremely abnormal summer continue, but only time will tell whether more of these intense thunder storms are in store.

YEARS OF PERFECT ATTENDANCE! The Charles Roberts Family has almost 75 years of perfect attendance at

First Baptist Church of Talco. Charles Roberts has 20 years of perfect attendance, Jay has 18

years, Ann one absence in 21 years, Monda has been fifteen years without missing Sunday

## Roberts Family Has Nearly 75 Years Of Perfect Attendance!

The First Baptist Church of Talco Honored a unique family in worship services July 16.

The Charles Roberts family, long-time residents of Talco, have a record of nearly seventy-five years of combined perfect Sunday School attendance!

Charles received a plaque from the church in recognition of 20 years perfect attendance in Sunday school from 1969 until June of 1989. He

commented "The last time I missed Sunday School, the church burned!" Bro. Roberts is a deacon, Sunday School Superintendent and Young Adult Class teacher.

He is employed by Uarco in Paris. The tendency to perfect attendance runs in the Roberts family. Jay, a student at Baylor, received a pin for

18 years without an absence. Jay has maintained his attendance record through college. Ann Roberts has had only one absence in 21 years, and daughter Mona Roberts Pith has missed only two Sundays in 19 years, both due to illness.

The faithfulness of this family serves as an example to the entire community.

## Talco Sunshine Club Meets

The Calvary Baptist Sunshine Club met Tuesday, July 18 at 10:30 a.m. This month the group was sponsored by the fellowship class. Mrs. Jan Presley of the Alzheimers support group from Mt. Pleasant spoke to the group about Alzheimers disease.

Celebrating July birthdays were Brett Castle Sr., Brett Castle Jr. and Wallace Fry.

Mr. Leonard Rawlings was the door prize winner.

The group enjoyed Mrs. Presley's speech and a covered dish luncheon.

## Local Sales Tax Shows Upward Swing

State Comptroller Bob Bullock said Monday that local sale tax rebates across the state continued to climb this month, increasing by 12% over last year's July payments.

"National economic indicators seem to be showing a slowdown, but the trend in Texas remains upward," Bullock said. "Our diversifying economic base should ensure that we continue to do well."

Bullock added that Texas' economic growth is becoming apparent in almost every sector of the economy.

"Oil and gas, construction, banking and real estate appear to have bottomed out. And some of the areas in Texas that lagged behind in economic growth are beginning to show

signs of improvement," Bullock said. Rebate checks totaling \$68.7 million were sent Monday to 939 cities that impose local sales tax at either one or one and one-half percent, Bullock said.

Houston's allocation of \$11.2 million was the largest in the state. Dallas' check was the second-largest, with a payment of \$7.6 million, Bullock said.

The state's six metropolitan transit authorities and one city transit department received \$34.5 million, an increase of 16.1%, according to Bullock.

Blossom received \$706.85 for this period, for a 19.69% increase over last year's payment for the same date. Deport received \$635.52 for this

payment for a 21.91% increase over last July's payment.

Paris received \$158,391.97 for a 7.27% increase.

Bogata received \$1,412.58 for a 9.28% increase over last July's payment while Clarksville received \$4,001.70 for a 2.19% decrease.

Detroit received \$688.60 for this period, marking a 34.38% decrease from last year's payments to date.

Talco received \$1,347.24 for a 19.96% decrease. Mt. Pleasant received \$83,998.29 for a 10.31% increase.

July's checks represent taxes collected by monthly filers in May and reported to the Comptroller's office by June 20, Bullock said.

## Immunization Clinic Scheduled

The Texas Department of Health, Public Region 7 office, announced plans today for the continuation of a series of monthly immunization clinics for all children needing immunizations.

The clinic will be conducted at 210 S. Johnson St., Mt. Pleasant, Texas. The next clinic will be held August 2.

Clinic hours will be from 8:30 a.m. til 11:30 a.m. and 1:00 to 3:00 p.m.

Future clinics will be held on the first and third Wednesday of each month. The Health Department emphasizes that this clinic is available to all preschool and school age children, beginning at 2 months of age.

Immunizations to be offered include Measles/Mumps/Rubella MMR, Oral Polio, Diphtheria/Tetanus/Pertussis DTP and Tetanus/diphtheria. The Haemophilus Influenzae type b vaccine is also available to medically eligible children between the ages of 18 months and 60 months. All children must be accompanied by a parent or legal guardian. Parents are reminded to bring the child's immunization record and Social Security Number if it is available. The Tetanus diphtheria vaccine is available to medically eligible adults. Should the parent or legal guardian have any questions, please contact the above listed field office staff.

## Softball Tourney Raises Funds For Two

A softball tournament was held at Johtown on July 6, 7 and 8 to raise funds for Jared Huddlestone of Bogata and Mike Gandy of Mt. Pleasant.

Jared is the son of Rex and Sherry Huddlestone of Bogata and is undergoing treatments for leukemia.

Mike Gandy lives in Mt. Pleasant with his wife and two sons. He is suffering from Lou Garrigs disease and is taking treatments in Houston. According to reports, Gandy is one in a million to be stricken with the disease at his age of 26.

Mark and Jerry Beers and Don Shovan of the Lone Star Methodist Church were the organizers of the tournament.

Thirteen teams (5 teams were made up of men who are employed by Texas Utilities) participated in the event. Men from Bogata, Talco and the surrounding areas played on the teams.

Barbecue and fish were sold through the concession stand and about \$3,500 was raised to help the two families.

## People And Things

There was a confirmed case of Rabies, a cat, in the Maple Springs area last week. Everyone should be on the alert for other animals. If you live in the City Limits of Talco and a skunk us seen, you should call the Talco Fire Department.

The Calvary Baptist Youth first-sixth grade will have a swimming party Thursday July 20 at the Mt. Vernon swimming pool. The group wil meet at the church at 5:30 p.m. and the party will be from 6-8 p.m. For more information contact Bro. Brett Castle at 379-3981.

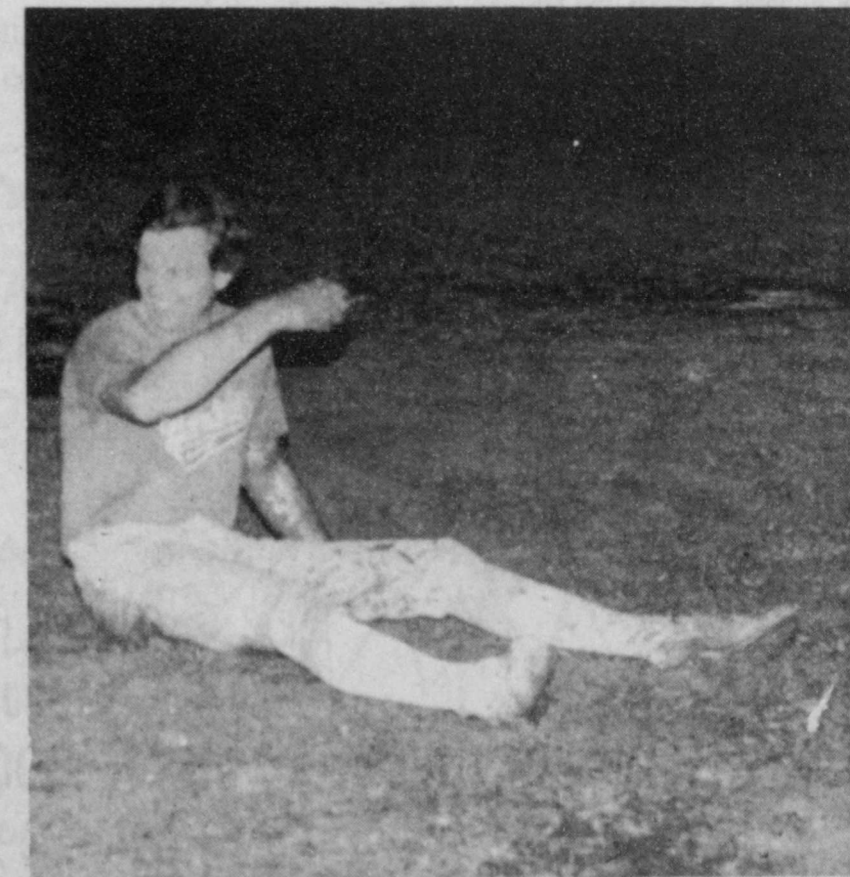

The First Baptist Church of Talco will have a Water Carnival Friday, July 21 beginning at 6:30 p.m....everyone is invited to bring their water guns and join the fun!

Friday, July 21 will be FAMILY NIGHT at Calvary Baptist Church. Everyone is invited to bring sandwiches or snacks for a sandwich supper and enjoy fellowship, food and games....

## Talco Church of Christ To Hold VBS

The Talco Church of Christ will hold their Vacation Bible School Monday through Friday on July 24-28 from 9:30 a.m. to 11 a.m. daily.

Ages two years through sixth grade will have classes, and everyone is invited to attend.

MUDDY, MUDDY-Mud didn't stop the fun, or the funds when softball teams played ball to help raise funds for Jared Huddles, leukemia victim, and Mike Gandy, a victim of Lou Gerrig's disease recently. The men playing just wiped the mud from their faces, laughed and went on! (Staff Photo by Nancy Brown)

## Shed new light on crime prevention at your home

The Nite-Liter from Texas-New Mexico Power Company can help make your home less attractive to burglars. The 100-yard diameter of usable light will also help prevent accidental falls caused by poor outdoor lighting.

The Nite-Liter can even work to prevent crime when you're not home since it automatically turns itself on at dusk and off at dawn.

Learn more about having a Nite-Liter installed by calling your local TNP office today.
