The subject, while not one of world wide importance, probably affects everyone who ever owned a corner. The subject is spiders.

Whether a housewife who cleans, or a farmer who finds his tools covered up with spiderwebs, or a businessman who notices that keeping the cobwebs off his business frontage seems impossible, the pesky things affect us all!

Now it isn't the big spiders that are the problem.

No, big spiders with big webs are usually to be found out in the wild, trapping big insects to eat! In fact, the big spiders actually are beneficial, catching lots of flies and grasshoppers.

But the almost invisible, super teeny little spiders that have decided indoor living beats outdoor living...well, those absolutely are a pain...usually in the shoulders, since that what gets utilised for sweeping them down!

They build in every corner, on every ceiling, at the edge of every window, behind every piece of furniture.

They create tangles over toolbenches, over bolt containers, in file cabinets, and under desks.

Everyone who has tried to keep them cleaned away has felt the frustration that within days, even hours, they are rebuilt.

It doesn't seem to matter how much of a war is mounted against them... it doesn't seem possible to kill enough to make a dent in the population.

Even fumigation doesn't kill the eggs. That means only a few days of freedom before a whole new generation of the eight legged little boogers are scurrying around, madly building webs. Why do they want to build all those dirt and dust catching little traps anyway?

For whatever reasons they build 'em, they do.

And there they hang, perpetually a problem.

Brooms do pretty good at removing them...but brooms leave behind broomstraws.

Dusters leave behind feathers. Rags leave behind strings.

And if the culprit gets smashed in the cleaning process then a nasty colored smear of dead spider gets wiped on the wall or ceiling.

In short, spiders and the webs they create are a problem.

True, not one of life's big problems, but certainly a little one.

And so far, short of nuclear war, nothing has been found that will "fix" the problem.

## Rivercrest High School Broken In To, Copy Machine Stolen

Rivercrest High School was broken in to sometime during the night of Monday, October 2 and a Sharp copier was stolen.

According to high school principal, James Smith, nothing else was

taken from the premises.

Entry into the building was gained by breaking the front glass door. The glass leading into the main school office was also broken out.

Witnesses claim to have heard car

noises at the front of the campus at approximately 2:30 a.m.

The case is under investigation by the Red River County Sheriff's Department.

game ceremonies at Rebel Stadium. She was escorted by Joe Dellis. (Staff Photo by Mollie Williams)

## Booster Club Meeting Held

The Rivercrest Booster Club met Monday, September 25 for their regular meeting at 7 p.m. in the home-making room at Rivercrest.

President Gary House called the meeting to order. Dr. James Smith gave the club's financial report. Mrs. Zoenetta Hawkins gave a report on the mascot uniform. After calling six places, only one had a Rebel uniform. Rental would be \$40.00 per night and the size was undetermined. The group decided to drop the idea until a uniform can be drawn up and made. The old Rebel mascot will be taken to the field for homecoming by Wayne Binion, Dr. James Smith and Jerry Beers.

A committee was formed to judge the window decorations in local businesses in Talco and Bogata. First place winners will be chosen Thursday, Sept. 28 at 5 p.m.

Motion was made, seconded and passed to have a one-night sale on the Rebel cushions. Friday, September 29, the price will be \$3.50. Ex-cheerleaders and Booster Club members will lead a cheer at the Pep Rally Friday, Sept. 29 at 3 p.m. Motion was made, seconded and passed to request permission to run the concession stand for all basketball tournaments.

Discussion was held whether or not to make spirit posters for the

## Talco Bike-A-Thon Will Be October 14

Talco and area residents are asked to join the St. Jude Childrens Research Hospital "Wheels for Life" Bike-A-Thon slated for Saturday, October 14 at 10 a.m. The Bike-A-Thon will take place at the Talco Junior High track.

This ride honors Ellen Marie, a solid tumor patient at St. Jude. With every turn of the wheel, riders become 'spokes' men for all the kids with cancer, like Ellen Marie. This ride is a vital part of the fight against childhood cancer at St. Jude. Riders are really needed.

Riders sign up sponsors who prom-

ise to make a donation based on each mile completed. All riders turning in money will receive a certificate. Those who raise \$25.00 receive a certificate and St. Jude T-shirt. When \$75.00 is raised, the rider receives a barrel tote bag, a T-shirt and a certificate. Pick up sponsor forms at school, the Game Room, JE's Grocery or Vick Well Service.

The plan is to have a good time while helping a wonderful group of children counting on your support. Contact Johnny Jones at 379-2571 or Laura Wright at 379-3341 for details.

## School Counts!!

It is that critical time again when all students are asked to attend school every day. This is the School Attendance Counting Period provided by the State of Texas. The Texas Legislature enacted a law in 1984 basing the Average Daily Attendance on the best four of eight weeks of student attendance. The first four weeks will begin October 2.

Students should be in school since research clearly reveals that low and failing grades are directly related to school non-attendance. Dropouts and potential dropouts exhibit a poorer attendance record than their classmates who continue and graduate from public schools.

A system of public schools is the cornerstone if a free society and educating is an art. The public schools in Texas belong to the citizens of this state. Although the public schools are not perfect, everyone should be proud of the school system. There are outstanding students and supportive parents, talented, caring teachers and administrators who are dedicated to educating all young citizens, and the community has elected members to the Board of Trustees who are recognized for their concern and leadership.

As a result the cooperative efforts of these individuals, Talco-Bogata students are learning and achieving at high plateau. Creative teaching is the norm in the Talco-Bogata schools. It is unique in that it attracts quality applicants and when teachers are hired, their capabilities are looked at to teach the course, but also the type of relationship they might have with the students is looked at, whether they will be child or student oriented and whether they have a real desire to be in the teaching profession.

In Talco-Bogata schools, all students are winners and teachers know beyond a shadow of a doubt that they are making a difference in the lives of the children they touch.

From a financial standpoint, approximately \$3,719 per child will be spent during this school year. The State of Texas assists the district by allotting \$1,827 per child. This does not mean the school enrollment can be multiplied by \$1,827 to arrive at allotted funding. It means the \$1,827 per child is paid according to the Average Daily Attendance. This \$1,827 allotted for each child averages \$91.35 per day per child during this critical 20-day counting period. This means each day a child is absent during the counting period, the Talco-Bogata I.S.D. will lose \$91.35. If our attendance is low, this cost will ultimately be reflected back to the taxpayer or less school programs.

You can stop energy efficiency  
from going up in smoke

A fireplace can add to the beauty of your home, but it can also add to your heating cost. To prevent this heating energy from being wasted, remember to close the damper tightly to keep warm air from being pulled up the chimney when the fireplace is not in use.

A glass screen and a circulating system are other ways you can prevent energy waste.

For more ways to save energy with more common sense than dollars and cents, call or visit your local TNP office today.

Lorry Dockray and fiancé Mark Richeson

### Dockray-Richeson Engagement Announced

Jerry Marie Smith of Cuthand announces the engagement and approaching marriage of her daughter, Lorry Dockray, to Mark Richeson of Bogata, son of L.D. and Frances Richeson of Talco. Lorry is the daughter of Larry Dockray of Sumner.

The couple will exchange their vows on Saturday, October 14 at 6:30 p.m. at the Johntown Missionary Baptist Church. The Rev. Billy Daniels will officiate.

Friends and relatives are invited to attend the ceremony. No formal invitations will be sent.

## Arigo Riders Perform

The Arigo Riders Drill Team performed their floor drill at the ranch rodeo Saturday night, September 30.

The members riding were Brandon Williams, Jeff Marris, Marty Gray, Danny Tabb, Carla Bishop, Michael Tabb, Shayne Black, Tammie Gibson, Dee Tabb and Alan Hudson.

## Genealogical Society To Meet

Everyone is invited to attend the regular monthly meeting of the Red River Genealogical Society on Monday, October 9 at 7:30 in the Red River County Library.

The program will be presented by Mrs. Helen M. Lu of Dallas, and the subject will be denominational newspaper research. She has published several volumes of Tex-Methodist news abstracts.

All interested are invited to attend and hear the program.

# Rebel Sports

By Gary House

## Rivercrest Wins Homecoming 21-7

"This one's for you." Those words of dedication from quarterback Shane Beers to senior Clint Tidwell during the Friday pep rally gave a greater emphasis to the Rebels '89 homecoming tussle with the Maud Cardinals. The Rebel squad played the game in honor of their injured teammate, Tidwell underwent knee surgery on Tuesday, following a season ending blow in last week's game. The Rebel squad made good on their pledge, with a dominating 21-7 win, their first of the year.

The Rebel seniors showed they meant business, as they led the total team effort. Senior fullback Marcus Savage and tailback Jeremy Abshier rushed for 173 of the team's 189 yards. Savage gained 103 yards on 20 calls, with another run of 74 yards erased by penalty, while Abshier moved to the tailback slot vacated by Tidwell, compiled 70 yards on 10 carries. Abshier was also on the receiving end of the only major completed pass of the game, a 65-yarder from quarterback Shane Beers late in the first half.

The play of the seniors in the trenches proved the difference in the contest. Senior center/linebacker Kevin Binion played the best game of his life as he recovered two Maud fumbles in the first four minutes of the encounter. The second came at the Maud 1-yard line, and followed a 41-yard coffin corner kick by freshman Tony Sanders.

With 8:19 to play in the quarter, Shane Beers took the quarterback back the goal line on a quarterback keeper. Joshua Abshier added the PAT. Instant replay of that vignette unfolded

five minutes later in the period. Sanders caught a 35-yarder which brushed the pylon near the goal line. Beers again dove into the endzone. The younger Abshier missed his first PAT attempt in two games, but with 3:19 to play in the quarter, the Rebels held a 13-0 lead.

The Rebel defense so controlled the game, that Maud did not make a first down until the third quarter, and netted only three for the entire game. The bulk of Maud's 132 yards total offense came against the senior Rebels, junior varsity squadmen who were seeing their first action of the year.

The Rebels mounted an eleven play, 95-yard march to their final touchdown late in the third quarter. Due to heavy fog, the march was all on the ground, with Abshier and Savage alternating in carrying the ball. On the first play of the fourth quarter, Savage scored from the 1-yard line. The offensive line led by seniors Chad Ingram and Joey Webb, along with Binion and junior Jesse Woods, played havoc with the Maud front four, allowing substantial gains through the holes they created.

Maud lost six fumbles on the night, due not to the wet conditions, but to the hard hitting of the Rebel defense. Junior Eric Cabell and David Davidson, together with linebacker Shane Beers and senior Jeremy Abshier simply shut down the Cardinal attack.

The Cardinal score came with 1:24 left to play as Aaron Slider ran around left end for two yards, then added the extra point.

It was an emotional scene for

Rebel players, coaches and fans, when upon game's end, the game ball was presented by Jeremy Abshier to Tidwell, who had come to midfield on crutches.

Rivercrest Coach Terry Giddens evaluated the Rebel playing as a total team victory. "We made some mistakes, resulting in some penalties, but all of those were due to the hustle of the players. A coach can never fault hustle and hard play."

Concerning this week's foe, Winsboro, who was trounced last week by Cooper 46-6, Giddens said "They run an option from the I set, which is led by their quarterback, who does an excellent job. However, he was reportedly injured in last week's game and his status for us is questionable." Giddens added that the Red Raiders ran primarily an outside game. The Rebels will continue to make adjustments in their offensive scheme. "We plan to move Jeremy Abshier back to split end," said Giddens. "He does well at tailback at the split end he is a six-point threat every time he touches the ball. We plan to use Marcus Savage as a primary runner, while senior Marc Teel and sophomores Joe Dellis and John Smith will see action at tailback.

"Because this is the final tune-up before District play, we have to have a good game. We have a good chance to win this one, if we play as well as we did against either Mt. Vernon or Prairiland, since Winsboro is not nearly as strong as the Purple Tigers, and about equal to the Patriots."

The game will be at Winsboro at 8 p.m.

### Ladies Auxiliary Attends Reception

Five members of the Ladies Auxiliary to the Bogata V.F.W. Post 8187 was in Arlington Saturday, Sept. 30 to attend the homecoming reception honoring Barbara Gulick the State President of the Ladies Auxiliary to the V.F.W. held in the banquet room at the Rodeway Inn. Registration began at 10 a.m. with a buffet lunch at noon. The introduction and program started at 1. During the program

each district president presented their monies for Cancer-Aid and research and their membership quota thus far to the state president, and the Bogata Post 8187 Ladies Auxiliary was recognized for being the first and only auxiliary in the district 12 to have a 110% plus in membership. Later in the evening they danced to the music of "Texas Country". Those attending from Bogata were Georgia Hudson, Wanza Sheffield, Jetty Minshew, Betty Mullins and Annie Moore.

Nine of our states got their names from the rivers that flow through them—Minnesota, Colorado, Connecticut, Illinois, Mississippi, Nebraska, Ohio, Oregon and Wisconsin.

### Talco First Baptist WMA Meets

The First Baptist Church WMA met Monday, October 2 at 7 p.m. at the Fellowship Hall of the church.

Geneva Kelsoc gave the invocation before the covered dish supper. President Jo Coil called the meeting to order and prayer requests were made by Mrs. Marvie Goates.

The group discussed buying a church van. Motion was made and seconded to buy a 1/4 or 1/2 page ad in the New Georgian Homecoming

program in Newnan, GA. A date was set for a shower for Amy Stock Branch. It will be Sunday, October 15, from 2 to 4 p.m. Vivian Westbrook gave the devotional "Friendship a Ministry of Love" from Col., Romans and I Samuel.

Next month's devotional will be brought by Mrs. Jo Coil with Mrs. Eula Mae Hall as hostess. The meeting was dismissed with prayer by Mrs. Nancy Keck.
