It happened overnight. If anyone had asked me whether the leaves were still on the trees I probably would have said "yes". But they aren't still on the trees.

I'm not quite sure when, but sometime over the past week they have all disappeared. They lie now in piles of quiet communion in the tall grass and fence rows, tucked away for the winter.

It heralds the end of autumn...but where is winter?

I repeat...where is winter? Hey, it took me long enough to get adjusted to the idea of winter this season..now it hasn't shown

In spite of barren trees the temperatures feel more like spring than winter.

Wood piles sit unused, flowers continue to bloom. The mosquitoes and flys think they wil live forever..buzzing and biting and whizzing around. Honey bees are feeding on the flowers.

Somnolent squirrals wonder why they worked so hard storing food.

Deer hunters look at the warm days and shake their fists in frus-

Animals consume very little hay and folks don't have any cause to wear those new ...or old...coats.

Winter is on hold and the first of December is only a day or so What's going on here? We ac-

tually have had thunder storms...with more predicted. Doesn't Mother Nature know that you aren't supposed to do this sort It's not as if we expected mounds

of the fluffy white stuff (I think it's called snow)...no, but who ever heard of weather like this so late in

All right elements. Listen up Mom Nature. Pay attentions weather men.

I spent several dreary weeks working myself into a winter frame of mind. I'm not the only one, either. Lots of other folks had to make an effort to get ready for that shivering season.

Now, after all our work, you don't follow through!

Here we all sit, much like a patient in the dentist's office. We know what's coming..and we just want to get in the chair and get it over with.

Come on...winter, bring us some cold winds and let's be able to do our Christmas shopping with a coat on instead of shorts!

Wrote This On Monday Morning...and someone out there evidently heard...winter's here!

Talco JH Sports Report

Talco Junior High began their basketball season Monday, November

19 at Talco vs. Chapel Hill. A very nervous girls team took the court and played under their ability. Half time saw the Chapel Hill Red Devils with a 23-5 lead. The Talco girls never relaxed during the game and made errors that cost. Julie Nolan was high scorer with Tawala Padgett

holding a close second. Final 41-14. The Talco boys took the court with only two weeks and played a much better game than expected. This years team holds no highth, but post payers Clint Franks and Brett Castle did a fine job. Half time score was 14-2 chapel hill. The third quarter was the young Rebs downfall and the strong come back in the fourth quarter was too late. Final 47-36 Chapel Hill. High scorer for Talco was Jeremy Loggins followed by Clint Franks by

one point. The Jr. High teams met Deport on Monday, November26 at Talco. A very different Talco girls team took ther court. The nerves of last week were gone and the girls played a much more confident game. Half time score with Talco leading was 12-11.

Only two points seperated the two teams at the end of the third with 1:28 on the clock and Deport with a one point lead, the game became very exciting. With only:41 left 7th grader Karen Williams tied the game up by sinking 2 free shots. Deport turned the ball over on a walk and eight grader Julie Nolan took the ball in fot two. The score was the 25-23. High scorer was Julie Nolan followed closely by Shaunda Jones and Jennifer Bond.

The Talco boys took the floor and made a good first half stand. Ending with a with a 14-20 half time score, Deport leading. But like the girls of last week errors took over in the last half of the game. The boys walked, threw the ball away and fouled. One mistake led to another, as the gave the game away. Post player Brett Castle fouled out after playing an excellent agme and holding the hihg scoring position for the young Rebs. Deports free shot total greatly added to their score. Final 38-26. The teams will travel to Winfield on December 3 at 6p.m. Everyone is invited to come out and support our local teams

Talco Thanksgiving Service Held

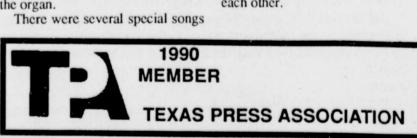

The Talco Thanksgiving community service was held at the Assembly of God Church Wednesday night.

Bro. Bret Castle was master of ceremonies and Bro. Randy Pitts was song leader. Mrs. Mona Pitts was pianist and Mrs. Ann Roberts played

sung and an offering taken for the needy of the community for Christ-Bro. Eric Lynch, pastor of the

church, brought the message. There

was a good attendance anda lot of good fellowship and love shown to each other.

HOLIDAY BAKING, It's Here!! Mrs. Odell Harvey is sharing reci-

pes this week that could be used for your holiday baking.

Mutt and Odell Harvey. Odell is sharing with us some of her favorite recipes she has accumulated and used during a lifetime of cooking. And for the next two weeks, the recipes she has shared with us will be listed in the Country Cooking column.

Mutt and Odell have been married for 57 years. They have two children, a daughter, Sue, and her husband, Buddy; a son, Charles and is wife. Scarlett, five grandchildren and four great-grandchildren. They have lived around the Pattonville and Milton area most of their lives. As a matter of fact, Mutt still lives on the same spot of ground where he was born 77 years ago.

Both Mutt and Odell are active members of the First United Methodist Church of Deport.

Odell's biggest hobby is cooking. She loves to collect and try new recipes. Her grandchildren are always asking her if a dish is new and most of the time they enjoy the new recipes. Odell says that turkey and dressing, cranberry sauce, green beans, candied yams, cole slaw, pecan pie, hot

'Country Cooking" comes from rolls and their traditional Big Ben cake makes up their old fashioned traditional Christmas menu. These are the basics, however, and anyone could add any other dishes to complete the meal.

The Big Ben Cake has been served at her family Christmas dinners for as long as she can remember, she knows it has been handed down for at least 75 years.

She insists on cooking the entire Christmas dinner and all her family has to do is come and eat. She does most of the cooking in her house and the only thing Mutt cooks is toast and he makes the coffee. He's not much on cooking but he does help with the cleaning. When I arrived at their home the other night, he had just cleaned the oven, so he does do his share.

All the desserts shown are the ones Odell baked and donated to the church bazaar held a couple of weeks ago. She sent a chocolate pound loaf home with me and it was delicious.

We hope you enjoy the recipes this week. If you have a feature suggestion, please call 652-6032 or write to Rt. 1, Box 67A, Deport.

Big Ben Cake 1 cup Crisco 2 cups sugar

3 cups sifted flour 1/2 tsp salt 3 tsp baking powder 1 T. vanilla 1 cup milk

The full skirt featured a Mesquite with Dr. Tom Wilbanks large bow and a bustle with lace and pearl cutouts which continued down the cathedral train. The headpiece, made by the bride's mother, featured a satin bow with a fingertip veil adorned with ivory beads and sequins. The bride carried a bouquet of white roses accented with burgundy floweers and greenery.

The bridesmaids' dresses were of burgundy file, with off the shoulder sleeves puffed to the elbow, the fitted bodice had a dropped waist with a floor length skirt accented with a waistline bow.

The groomsmen wore Christian Dior black Parasian tuxedos with candlelight pleated shirts and blank vests. The groom wore black tails.

The sanctuary was decorated with candles in the windows, and candelabras at the front were centered with a basket of burgundy and whie flowers. Pews were adorned with satin bows and greenery.

Following the ceremony a reception was held at Westlake House. The house was decorated with flowers and candles in the bride's chosen colors of burgundy and ivory. Music was provided by guitarist Enrique Madrigueras. The bride's cake was a three tiered confection decorated with ivory and pink porcelain sugar flowers. It was topped with an heirloom porcelain bre and groom handed drom the bride's great-gndparents.

The grooms cake was chocolate with chocolate icing decorated with dipped strawberries and chocolate shavings. The cakes were made by Cretia's Flour and Flowers of Duncanville. All ceremony and reception arrangements were coordinated and designed by Janie Jameson and Melba Jeffus of Details Unlimited. Flowers were from Town East Flo-

Mission Statement:

The Talco-Bogata Consolidated Independent School District shares with the home and community the task of preparing students to take a responsible place

The district recognizes its responsibility for helping each student to strive to reach the limit of his/her academic potential insofar as the means are available to us. Additionally, students must be encouraged to accept responsibility for learning so that they will be flexible enough to acquire new skills, techniques and ideas in keeping with our changing economic and social environment.

Courses must be provided so that those students with the ability and desire to continue their education may be adequately prepared to do so. In addition, for other students, courses must be offered which expand skills and attitudes needed for entry into the job market.

DISTRICT OVERVIEW

Talco-Bogata CISD schools are dynamic learning environments providing a quality curriculum, co-curricular activities and special services to meet the needs of approximately 700 individual students. These students attend classes at Bogata Elementary School and Talco Elementary School for grades K-8 and at Rivercrest High School for grades 9-12. Students with severe and profound learning disabilities are transported each school day to special education classes in Clarksville, Texas as part of the district's membership in the Red River County Special Education Co-op.

The business office and the office of the superintendent of schools are located in the Rivercrest High School Building.

The staff on each campus sets and works to accomplish yearly goals and objectives aimed at continually improving the various areas of the educational program.

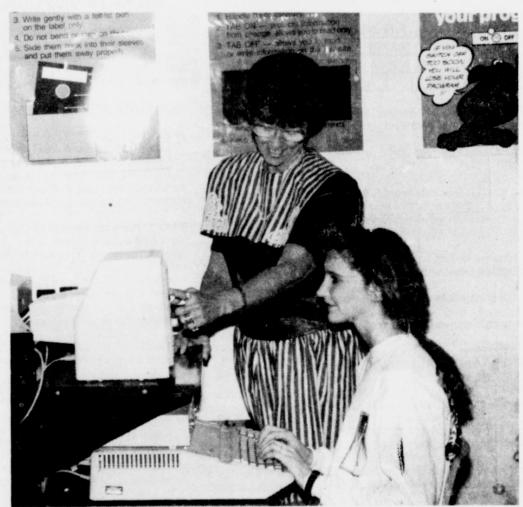

ANNUAL PERFORMANCE REPORT KEEPS PUBLIC INFORMED

THE ANNUAL PERFORMANCE REPORT describes planning, actions and programs developed and followed during the 1989-90 SCHOOL YEAR. The complete report is divided into three sections: SECTION I - THE DISTRICT NARRATIVE, SECTION II - TEXAS EDUCATION AGENCY SUPPLIED STATISTICAL SUPPLEMENT, and SECTION III - DISTRICT SUPPLIED STATISTICAL SUPPLEMENT.

Portions of SECTION I, which describes the district's educational programs as they address the LONG-RANGE GOALS developed the STATE BOARD OF EDUCATION, appear here. The complete report is available for review in the office of each campus principal.

Quality Teachers Are A Strength of Talco-Bogata CISD

The 1989-90 School Year Continued A Proud Tradition of Excellence in Education

SUMMER LIBRARY PROGRAM: The summer library program was continued on both elementary campuses. The libraries were open for two hours once a week for one month, approximately ten hours each. The program encourages children to use the summer vacation to improve their reading skills.

At Bogata Elementary School, the library program was assisted by the Red River County Public Library which provided bookmarks and certificates for participants. The theme, "The Secret Code is READ" was carried out through a variety of activities by guest presenters including a puppet show, a mime, a program of folk songs accompanied by a chromaharp, and a bee-keeper's demonstration. The participants also enjoyed flannel board stories and videos and on the final day, a field trip to the Red River County Library in Clarksville. Eighty-nine different children participated with an average attendance of 55. A total of 754 books, periodicals and tapes were checked out.

At Talco Elementary School, the summer library theme used was "Exploring The World Through Books". Coloring and activity books were given to the participants. There were special presentations by guest speakers on dinosaurs and ocean shells and a puppet show. Participants made puppets and used them to present a play. They also enjoyed special listening and reading times and videos. The sessions closed with a "We've Had a Great Time" party. Seventy different children remained at thelibrary for the full two hours. More than 300 books were read and checked out.

GOAL3: TEACHERS AND TEACHING: QUALIFIED AND EFFECTIVE TEACHERS WILL BE ATTRACTED AND RETAINED.

NUMBER: Twenty teachers, one counselor and one principal were assigned to the Bogata campus; twelve teachers and one principal to the Talco campus; eighteen teachers, one principal, and one counselor (who also served the Talco campus) to the Rivercrest campus. In addition, a music teacher worked one-half day each on the Bogata and Talco campuses four days a week. The high school band director also served the elementary schools, grades 6-8. All teachers were certified in their subject areas with no emergency permits required.

EDUCATION/EXPERIENCE. A strength of the Talco-Bogata CISD is its exceptionally well qualified staff. Of the fifty-seven professional staff members employed, 60% have advanced degrees - 33 masters degrees and one doctorate. Teachers in the district had an average of 15.7 years experience with 32.4% having more than twenty years. The stability of the staff is indicated by a low turnover rate.

CAREER LADDER. All teachers received a rating of "Exceeding Expectations" or above on the 1989-90 Texas Teacher Appraisal System (TTAS) with forty-three (88%) being rated "Clearly Outstanding". Five teachers were placed on Level III of the Career Ladder, receiving a salary supplement of \$3,000.00; thirty-two were placed on Level II with a salary supplement of \$1500.00.

Thirty-one teachers attended workshops or enrolled in college courses related to their teaching assignment receiving 516 hours of Advanced Academic Training (AAT) credit. All teachers are encouraged to participate in professional development programs.

SALARY INCENTIVES: In order to attract and retain quality educators, the district paid \$1400.00 above the state minimum salary schedule and also contributed \$32,40 per month toward insurance premiums. Making available affordable group health insurance continues to be a problem for the district.

Efforts were continued to afford equal opportunity and to attract minority staff. One minority staff member was added as an instructional aide.

RECOGNITION. Teachers and staff were given recognition for their effort and dedication through two annual events, a luncheon and a breakfast provided by the district and school board. Service awards in the form of plaques were presented for each five years

After reviewing the previous year's Annual Performance Report, the School Board adopted a resolution commending the district staff and students for an outstanding year and pledging their continued support and cooperation.

The Bogata campus recognized a Teacher/Employee of the Month wiht an article and picture in the newspaper each month.

Two professional organizations, Texas State Teachers Association (TSTA) and Associa-

tion of Texas Professional Educators (ATPE) were active in the district. A Rivercrest teacher served as a Region VIII director of ATPE.

One high school math teacher served on the state committee which evaluated the mathematics measurement specifications for the new TAAS test which replaces TEAMS.

The high school business teacher, who serves as sponsor of the school yearbook staff, was presented an award from Taylor Publishing Co. in appreciation for 25 years of yearbook

GOAL 4: ORGANIZATION AND MANAGEMENT: THE ORGANIZATION AND MANAGEMENT OF ALL LEVELS OF THE EDUCATIONAL SYSTEM WILL BE PRODUCTIVE, EFFICIENT AND ACCOUNTABLE,

MANAGING RESOURCES: District and Campus Improvement Plans developed by educators, board members, students and community members provide basic direction.

FACILITIES: Talco-Bogata CISD operates three campuses and strives to keep all facilities in good condition

The high school building, which is almost 24 years old, has been maintained so well that it appears to be much newer. Buildings at the two elementary campuses are very old and repairs continue to be expensive. The need for additional space is a problem on the Bogata

To comply with state regulations, underground gasoline storage tanks on the elementary campuses were removed and replaced with overhead tanks.

A burglar alarm system was installed on the Rivercrest campus.

A more efficient telephone system, including additional lines, was installed on the Rivercrest campus.

One additional telephone line was installed on the Bogata campus.

MANAGING PAPERWORK: The district strives to keep paperwork to a minimum, requiring teachers to complete only that which is in keeping with board policy and state requirements.

The increasing use of computers for many reports helps to eliminate some paperwork.

Administrative paperwork required to comply with Texas Education Agency mandates requires a great deal of time. One part-time staff member is employed to complete much

COST-SAVING EFFORTS. Through participation in a cooperative purchasing plan with other schools in Region VIII, the district was able to secure supplies at reduced

A central purchasing agent is used for all three cafeterias.

Competitive bidding is used for all items costing \$10,000.00 or more.

The production and distribution of a newsletter was discontinued due to cost.

Three tgeaching positions, one instructional aide, and one special education aide position were eliminated

The expense of operating copy machines is reduced by using two types; a high-speed copier which copies only 8 1/2x11" masters for multiple copies and a more sophisticated copier for enlarging, reducing, making single copies, etc.

STAFF RECOGNITION. The high school principal was selected to participate in the 1989-90 Texas School Improvement Initiative Program sponsored by the Texas Education Agency. As part of this project, he served on accreditation teams for several school

SUPPORT SERVICES are provided on each campus in relation to the number of students THE ATHLETIC BOOSTER CLUB sponsored money-making projects and helped to Copies of the complete Annual Performance Report were placed in the principal's office, and their needs. Services include counselors, librarian, library aides, instructional aides, and special education aides.

BOARD LEADERSHIP. All members of the Talco-Bogata CISD Board of Trustees participate in inservice training as recommended by the Texas Education Agency. Members attended meetings at local, regional and state leve to become better informed and more effective members.

All school board members worked diligently in order to employ well-qualified administrators. A large number of applications were reviewed and applicants interviewed for the positions of superintendent and one elementary principal who were retiring and the high school principal who had accepted a job as superintendent in another district.

GOAL 5: FINANCE: THE FINANCING OF PUBLIC EDUCATION WILL BE EQUITABLE TO ALL STUDENTS IN THE STATE.

LOCAL TAX. There was no increase in the local tax rate for 1989. Although there has been a decrease in taxable value of 40% from 1985 to 1989, there has been only an 11

GOAL 6: PARENT AND COMMUNITY INVOLVEMENT: COMMUNITY WILL BE PARTNERS IN THE IMPROVEMENT OF SCHOOLS.

The district believes that parent and community involvement is an essential ingredient of a strong and well rounded program. Parents are encouraged to visit the schools and to have conferences with their child's teacher and/or counselor. All patrons are encouraged to participate in activities of the district and in turn the district strives to participate in community activities. Increased parent and community participation is a current need.

ACTIVITIES WHICH ARE EVIDENCE OF PARTICIPATION include the following:

BOGATA PARENT TEACHER ORGANIZATION (PTO) raised funds by selling sweatsuits and bags and Avon products. The library received \$300.00 to purchase books and materials; the remainder was used for playground improvement. See-saws were repaired and some new ones purchased; four tether balls on poles were installed; two basketballs and a goal were purchased. Present playground equipment was painted and a number of tractor tires filled with sand were installed on the grounds to provide play areas.

"GRANDPARENTS DAY" was observed on each elementary campus during Publi School Week. Grandparents were invited to have lunch with their grandchildren. Atter dance was very good for this event.

The district provided SENIOR CITIZEN PASSES for all district residents who were 6 and over. These passes entitled them to free admission to all local athletic events.

Most of the entries in the local Christmas parades were provided by school organizations

GOAL 7: INNOVATION: THE INSTRUCTIONAL PROGRAM WILL BE CONTINUALLY IMPROVED BY THE DEVELOPMENT AND USE OF MORE EFFECTIVE **METHODS**

Teachers are encouraged to use individual ideas for improving their programs and promoting the learning process. Many used unique field trips and/or projects to increase interest. Some of those included are given below.

Fifth grade music classes in Bogata and Talco presented musical programs in the downtown areas on Memorial Day. They were able to exhibit their talents before community members.

Talco Elementary School third and fourth grade students dressed as Indians and pilgrir shared a Thanksgiving feast. Invitations were exchanged and several art projects pr ceeded the festivities. GOAL 8: COMMUNICATION: COMMUNICATION AMONG ALL PUBLIC EDUCATION INTERESTS WILL BE CONSISTENT, TIMELY AND EFFECTIVE,

The district strives to foster a cooperative spirit among all staff members as well as between school and community. Good communication helps to achieve this spirit and includes a wide variety of methods and activities, some of which follow.

Communication with parents about their children is considered very important. In THE MARTHA LAIRD CHAPTER, DAUGHTERS OF THE AMERICAN REVOLU- addition to six-weeks grade reports, parents are notified at the middle of each reporting period if their child is not making satisfactory progress. Parent-teacher conferences are requested and are conducted throughout the district when deemed necessary. Twenty-six Rivercrest students received a total of thirty-four departmental awards for exhibiting outstanding achievement during the year.

Rivercrest High School students won first and second places as well as three Honorable Mentions in the Red River County Soil and Water Conservation Essay

One Rivercrest student was named runner-up in the Washington, D.C. Rural Electric Youth Tour Contest Finals. He competed against students from ten other school districts.

Two Rivercrest students received Honorable Mention in the District All-Star Cast of the One-Act Play.

Thirteen Rivercrest High School students participated in the Voice of Democracy contest sponsored by the VFW. The three winning students received monetary awards; others high school and college courses at the same time may receive permission from theprinreceived participation awards.

Rivercrest FFA members won first place in the Dairy Cattle Judging, first place in Plant Identification, and third place in Dairy Judging in Area VI competition

A Rivercrest Band student was selected to participate in the A-AA Honor Band. She was selected third chair from trumpet players in twenty schools.

Two Rivercrest High School juniors were selected to participate in the Texas Farm Bureau Citizenship Seminar held on the campus of Angelo State University, June 11-15. The purpose of the seminar is to produce not only better informed citizens but leaders with a purpose. Each county is allowed three participants.

At Rivercrest High School, outstanding students are nominated by faculty members each month; then one boy and one girl are selected by the Student Council as "Students of the

At Bogata and Talco Elementary Schools, "Outstanding Citizens" were selected in each grade for each six weeks period. These students were recognized through announcements and newspaper articles.

In the Red River County Soil and Water Conservation Poster Contest, Talco Elementary students won first and third places and two Honorable mentions; Bogata Elementary students won second place and one Honorable Mention.

Two fourth grade students at Talco Elementary School were given recognition by the State Department of Highways and Public Transportation for their contributions to the Texas Drug Awareness Campaign. The boys wrote lyrics to a drug rap that was used in TV commercials

PASS/FAIL RATES:		
Bogata Elementary School	6 failures of 332=	98.1% passing
Talco Elementary SChool	6 failures of 170=	96.5% passing
Rivercrest High School	8 failures of 195=	95.9% passing
Riverciest High School	o failures of 195=	95.9% passing

It was generally felt that the impact of the No Pass/No Play regulation on academic performance was positive. The majority of students involved in co-curricular activities, including athletics, UIL literary events, band, cheerleading, FFA contests, etc., are concerned about passing all courses in order to participate and many are outstanding students. However, the rule has not solved all problems and some of these students still fail. Also, some students insist on being placed in easier courses rather than working harder to achieve a passing grade and many parents seem more concerned with the child's eligibility for athletic competition than with the importance of gaining the best academic education possible.

COMPENSATORY EDUCATION:

Compensatory education was provided to eligible students in Bogata Elementary and Talco Elementary Schools through participation in Chapter 1 programs for reading/language arts and/or mathematics, study skills classes and/or required tutorials. Students who scored two or more years below grade level in reading or mathematics were also given additional intensive study time through computer assisted instruction.

A total of 167 different students in grades 2-8 received help through the Chapter 1 program, with 140 participants in reading and 102 in mathematics. Students receive help which is in addition to that provided to other students. Eight instructional aides assisted in the various classrooms. These students also received computer assisted instruction.

A four-week summer school for eligible Chapter 1 students in the district was held on the Bogata campus. The extra instructional time gives these students an opportunity to do some "catching up" in math and/or reading.

Eligibility for the Chapter 1 program is determined by achievement test scores.

At Rivercrest High School (grades 9-12) remedial classes were provided as follows: Prealgebra, Fundamentals of Mathematics, Informal, Geometry, Introductory Biology, Correlated Language Arts, II, III, and IV. The student per teacher ratio is lower in these classes than in regular classes so that students may receive more individual help. These classes however do not prepare students for college entry and are designed for those students who do not have the ability to master the essential elements of regular classes. Seventy students were enrolled, some in more than one class, for a total enrollment of

ACADEMICALLY GIFTED STUDENTS:

The Horizons program for students identified as academically gifted was expanded to include students in grades K-8, and a change was made in the instructional format. Instruction was provided by the regular classroom teacher through accelerated projects and activities rather than in a "pull-out" program. Twenty-eight students at Bogata Elementary School and twenty students at Talco Elementary School were enrolled in the

Work was begun on curriculum development and plans were made for including the program in grades 9-12 for the 1990-91 school year.

DYSLEXIA PROGRAM:

Plans were made and materials were purchased for the Dyslexia Program to be implemented in the elementary schools for the 1990-91 school year. Teachers of grades K-5 as well as language arts teachers in grades 6-8, counselors and special education teachers received inservice training through a workshop entitled "Dyslexia: Screening, Identification and Instructional Modification".

"AT-RISK" Program: A program was continued to meet the needs of students at risk of not completing their high school education. Objectives of the program are to identify these "at-risk" students, monitor and improve their academic performance and encourage higher attendance. Support/alternative programs include special education classes, Chapter 1 assistance, tutorials, remedial classes, vocational classes, counseling, drug abuse education, and referral to other service agencies. A total of 136 students were identified and provided with one or more types of assistance. These included 44 students at Bogata, 35 at Talco, and 57 at Rivercrest.

The time required for record-keeping for the At-Risk program presents a problem for the district's limited personnel.

COLLEGE/POST SECONDARY PLANS OF STUDENTS:

Three Rivercrest High School juniors participated in the UPWARD BOUND program sponsored by Paris Junior College and administered through the U.S. Department of Education. Students are selected from those in the tenth and eleventh grades who may need academic enrichment to pursue post-secondary education.

Three senior students earned college credit through night courses at Paris Junior College during the regular school year. Students who are academically capable of handling both cipal to do so.

Parent and Community Involvement Is An Essential Ingredient Of A

Strong and Well-Rounded Program.

GOAL 2: CURRICULUM: A WELL BALANCED CUR-RICULUM WILL BE TAUGHT SO THAT ALL STUDENTS MAY REALIZE THEIR LEARNING POTENTIAL AND PREPARE FOR PRODUCTIVE LIVES.

BASIC CURRICULUM-State curriculum requirements were met at all grade levels, K-12. The REGULAR HIGH SCHOOL PROGRAM included 15 required courses and 7 electives for a total of 22 units. The ADVANCED HIGH SCHOOL PROGRAM included 20 required courses and 5 electives for a total of 25 units.

COMPUTER EDUCATION:

One year of Computer Literacy was taught to all students in grade 7 and to any student in grade 8 who had not previously completed the course.

All elementary classes had access to use of the computer lab on a rotating basis. Computer assisted instruction was used as a part of the program for assisting eligible Chapter 1 students and "at-risk" students.

Data Processing and Computer Programming were taught in high school. In addition, computers were available for use by other students.

Keyboarding Instruction was introduced in grades 3-5 and work was begun on a computer usage curriculum for grades K-6. The curriculum is to be completed and fully implemented by September, 1992.

DRUG FREE SCHOOLS AND COMMUNITIES:

The district continued participation in the Region VIII Education Service Center Drug Free Schools and Communities Cooperative.

Programs and activities which clearly and consistently teach that illicit drug use is wrong and harmful were included at all levels, grades K-12.

The possibility of implementing a drug-education and testing program called "D-Fy-It" was discussed by the administration and school board.

STAFF. A certified librarian worked full time on the high school campus and also supervised thework of a full-time library aide on each of the elementary campuses.

CIRCULATION. During the school year, a total of 4,574 books/periodicals were checked out of the Rivercrest High School library for an average of 23.45 per student. Bogata Elementary School reported a circulation of 6,670, an averag eof 20.27 per student, and Talco Elementary School, 3,811, an average of 22.41 per student.

ACQUISITIONS: To keep the library materials current, books and other materials which are worn and/or out-of-date are removed periodically. New materials are added each year according to priority and availability of funds. NEW BOOKS/PERIODICALS ADDED during 1989-90 included:

Bogata Elementary School Talco Elementary School Rivercrest High School

132 149 (including 7 sets of reference books)

The addition of back issues of periodicals to the microfiche collection at Rivercrest High School was continued. Ten video cassettes were added.

EQUIPMENT. Additional equipment added included two overhead projectors with carts and one VCR player with monitor and stand for the high school, and two overhead projectors with carts for Talco Elementary School.

SPECIAL EVENTS: Events sponsored by the libraries during the school year included: Bogata Elementary School sponsored a "Red Ribbon" anti-drug campaign as part of the National Federation of Parents and the Texas War on Drugs project. In addition to wearing red ribbons, all classes saw videos from the State Department of Education related to "saying no to drugs".

A Book Fair netted a profit of \$288.50 which was used to purchase books for the library and one book for each classroom, grades K-4.

The importance of protecting the environment was emphasized during Earth Day

Talco Elementary School sponsored the A.M. Aikin Reading Awards Program, the Blue Bonnet Awards, made Christmas cards for a contest in Mt. Pleasant, and sponsored & Halloween poster contest.

TIPS ON STAYING SAFE AND SOUND WITH NATURAL GAS.

or more than 80 years, Lone Star Gas has been providing safe, dependable energy to Texans. Our customers trust gas and take comfort in the impressive safety record we've compiled. By following a few simple rules, you can help keep that record intact.

Always have qualified service people install and maintain all gas appliances, following the manufacturer's instructions for installation and operation. And always use a gas appliance only for its intended purpose. An oven, for example, should not be used to heat a room.

Natural gas itself is odorless. Its strong smell is added for your protection. If you ever smell gas in your home, follow these rules: Do not switch anything electrical on or off. Do not use your own telephone (telephones use small

amounts of electricity). Do not strike a match, and do not do anything that might cause a spark. 2 Have everyone leave the house immediately

leaving the doors open for ventilation. 3 Go to the nearest telephone and call Lone Star Gas Company. Wait until we have found the cause of the gas leak before returning to your home.

Since gas lines run underground, you should also take precautions against disrupting

these lines, particularly if you plan to: ■ Put in a new fence. 2 Install an underground sprinkler system. 3 Perform any major landscape renovation.

efore you dig, local Lone Star Gas Office. If you smell gas while you're outside, contact Lone Star Gas immediately.

In our continuing effort to provide better, safer service, local Lone Star Gas offices are ready to answer any questions that contractors may have concerning the location of gas lines in

Our safety record proves that when you follow these simple guidelines, you and your family can stay safe and sound with natural gas. Energy you can trust.

Don't Compromise. Demand Gas.

Rebel **Sports Report**

Rebels Play Prairiland-Mt. Pleasant

Prairiland last Friday as they split

The Lady Rebels trailed the Lady atriots in the first quarter of play. he lead changed hands when junior Krista Weatherall sank a basket for three points, giving the Lady Rebels a one point advantage at the quarter's

Lady Pat Shawonna Rhoades stole the ball from the Lady Rebels scoring a lay-up and two free throws by Katie Mowery, earning the Lady Pats a halftime lead of 28-25.

The last half found Star Ruckman of Prairiland dropping one in for three points, being quickly answered by Krista Weatherall for the Lady Rebels with two long one sfor six points. The third quarter found each team scoring a total of 12 points, which still gave the Lady Patriots a lead of

Beginning the fourth quarter, Jerilyn Russell contributed two points for the Lady Rebels, only to have the Patriots prevail against the shorter Lady Rebs 58-49. Lady Rebel Krista Weatherall was high pointer with 15, followed by Jerilyn Russell with 13, Pirtle, Eudy and Thompson each with

took both wins home. The first eight minutes of play for the Rebels was dominated by them and the second quarter was evenly matched as Justin Gordon hit one from the three spot and the Rebels refused the Pats any scoring before time elapsed. The Rebels were up by eight points at th ehalf.

Rebel Galen Logan hit a trey early in the fourth quarter adding to the Rebel's score, they spent most of the quarter at the foul line as the Patriot defense couldn't disrupt the offense of the Rebels. Three of the Rebels were in double figures, led by senio Kevin House with 12, Galen Logan and Ronald Simmons with 10 each. Jim Purviance, Jesse Wood and Tony Sanders also scored.

Prairiland's David Perry carried 18 points, Michael Madewell made six andfour other Patriots contributed to the score.

The final score was Rivercrest 46-Patriots 36.

The Rebels and Lady Rebels traveled to Mt. Pleasant for a 2A-4 battle November 20. First jump of the ball came off the tip from Tiffany Parrish into the waiting hands of Krista Weatherall. Senior Katy Ross scored

athe first two points to start an early lead for the Lady Rebels. The halftime score saw the girls with a 21-14 edge over the Tigers. Third quarter action turned toward Mt. Pleasant and ended with the Lady Tigers on top 28-25. Rivercrest wasn't willing to take the loss and made a great last quarter comback. Ross fouled out with :31 left, but the Reb bench held. Krista Weatherall played an outstanding game and was high scorer sinking 15 points. Kristie Eudy and Katy Ross held eight points, Jerilyn Russell added nine points, while Lana Pirtle had seven and Patches Raines and Tiffany Parrish had two. The Lady Rebels made 22 team fouls but did an excellent job of overcoming the high odds against them.

The Rebels were less evenly matched. Halftime saw the Tigers with a slight lead 13-8. The Rebs post Cory Gable and Reggie Alford did a good job for the Rebs under the goal. Senior Ronald Simmons was held down while seniors Kevin House, Jim Purviance, Eric Curtiss and Galen Logan couldn't pull the team together.

The Rebels played a good game, but could not take the win, with the final score 56-35, Mt. Pleasant.

Moving-Tell Us, Please! If you are moving, or have moved, please remember to send

this paper your address change. Many people may not realize that the paper has to pay 30cents each time the Post Office has to send us an address change, after a forwarding order expires.

This can mount up into several dollars worth of payment, as they continue sending these changes weekly, and we must accept them.

Please, don't wait to tell us you have a new address...send it to us. We'll be able to get your paper to you quicker, easier, and with much less expense and trouble!

MRS. JAN Grissom's fifth grade class prepared packages to send to the men the class received letter from who are stationed in Saudi Arabia. The children sent a variety of things, including six copies of the Talco paper which had their picture and writeup about their efforts.

THE CALVARY Baptist Sunshine Club met Tuesday Nov. 20 for a Mexican Food luncheon sponsored by the Fidelis Class. Celebrating a November Birthday was Charlotte Brumbalow.
