Be careful what you wish for...you might get it! Several years ago I wrote a column on that very thing...and it still holds true today.

We are all so prone to wish our lives away-and often don't really want exactly what we think we want.

As a prime example: during the just-passed holiday season I had a world of things to do. For the first time I had two large family meals to co-ordinate, as well as usual entertaining. Since it's our busiest time of the year anyway, I didn't even have all my Christmas shopping done three days before Christmas.

And during all of this I kept trying to come down with the infamous "cold" that has stricken so many.

Mentally I kept repeating "just let me get through Christmas, and I won't complain a bit", or "please, all I'm asking is to get past Christmas day...I can't be sick right now. After that it won't matter".

Of course, you've guessed the rest. I did make it right through Christmas day.

And the day after Christmas woke up with ringing ears, miserably sore throat, fever and all the rest.

And, of course, it did matter. And, of course, I complained.

I'm still complaining, as a matter of fact.

As if to rub it in, we had to turn down a weekend invitation to go down to the coast because I was too sick. (do you KNOW how sick I have to be not to travel?)

So, obviously, what I wished for came true...and I didn't like it one little bit.

What I really wanted, of course, was to not get sick at all.

But, like almost everybody, some sub-conscious level tells us that we shouldn't ask for so much and we set up little deadlines and conditions. None of those matter in the least, naturally.

But, one more time, I've been reminded that we really should be careful for what we wish...because all too often that's exactly what we get... and we don't like it!

## "Rehabilitation" Of Hwy. 271 Begins

For the 3,500 motorists who drive along US 271 between Deport and Bogata every day, the wait is finally over. Rehabilitation along the roadway is expected to begin this month. In December, the Texas Transportation Commission awarded a \$2.5 million contract to Jordan Paving Construction of Irving to resurface the 7.2 miles of highway between the two cities.

"For the past five years, we've had to do a lot of patch work on 271 because the money simply wasn't there to do the full reconstruction. At

the same time, motorists still drove the road and the condition worsened with traffic. This contract will put a new face on that section of the highway," Paris District Design Engineer Ken Jones said.

Although Red River and Lamar County residents have been waiting for the good news, the construction does not come without a cost, in time. Lamar County Resident Engineer Jim Hall, who will oversee the project for the department, does

expect some traffic slowdowns during construction.

Hall added that motorists should exercise caution through the construction areas and observe warning signs.

Reconstruction on the remaining 13 mile stretch of the highway from Deport to Paris is still in the planning process. The Transportation Commission and Texas Department of Transportation must approve funding for the second stage of the reconstruction plan which may cost an additional \$6.5 million.

## D-Fy-It Sponsors New Year's Eve Party

The Rivercrest-Talco-Bogata D-Fy-It group sponsored a New Year's Eve party at Rivercrest, along with the area churches from Talco and Bogata.

The junior high students enjoyed volleyball, ping pong and dancing from 7 to 9 p.m.

High school students arrived at 10 p.m. to 4 a.m. with a fireworks display at 12 midnight.

Parents and teachers helping with

the group made the New Year arrive in a safe and fun way for the students. Breakfast was served to the group at 2 a.m. Providing refreshments and breakfast foods were the Bogata Methodist Church, the Talco Calvary Baptist Church, the Bogata First Baptist Church, the Talco First Baptist Church, Talco Bethel Church and the Assembly of God Church in Talco.

## Titus County Sheriff's Department To Sponsor Concert

The Titus County Sheriff's Department will present the Braschler Music Show from Branson, MO, in concert on Friday, January 17 at the Civic Center in Mt. Pleasant.

The Braschler Music Show is not your typical country show. With its wide variety, there is something of enjoyment for everyone. There are Country and Gospel Tunes featuring solos from nearly every member of the group, beautiful duets, a quartet, and even some five-part harmony. The Braschlers have been featured on the Nashville Now, and are considered one of the top attractions in Branson, MO.

The band backs up the group on drums, piano, guitar, fiddle, steel guitar and banjo, but a fast-paced instrumental features the somewhat unique additions of harmonica, trum-

pet, saxophone and even the kazoo. Homer Lee, the comedian of the Braschler Music Show, has appeared on the nationally syndicated television show, Hee Haw. An avid people watcher, Homer Lee is a bumbling, but lovable character whose pre-show monologue is guaranteed to tickle

Nanalee,

I'm sending you a "letter to the editor" that was published in the Longview News Journal today. Longview is Dr. Clements' hometown and her mother is a friend of mine. She is recognized world-wide as one of the outstanding infectious diseases specialists. You can take what she says as a fact! I thought you might like to read what she has to say about AIDS.

Sincerely,  
Mary R. Marshall

Note: MaryLou Clements, M.D., M.P.H., Professor at Johns Hopkins University Schools of Medicine and Public Health, Baltimore, MD wrote a recent letter to the editor of the Longview News-Journal concerning AIDS, dismayed by a letter in the December 22 issue which the writer stated "no public and/or congressional funding should be forthcoming for AIDS research." Clements points out a few foibles in the letter in question, namely that AIDS is not caused by promiscuity, rather by a virus, the Human Immunodeficiency Virus, that is transmitted to humans by three routes of contact: via infected blood, sexual intercourse and perinatally. She goes on to point out that last week the World Health Organization announced that over 10 million people are now infected with HIV, and by the year 2000, over 30 million people will be infected worldwide. No country in the world has been spared.

Clements further stated that "if the epidemic continues at the current rate, we will have to add the teenage populations to the groups at risk for AIDS because of the occupation of the mate(s) they chose. Public funding for AIDS vaccine research has already paid off, in that we now anticipate having the vaccines to prevent AIDS by the year 2000. But the only way to assure that we succeed is to continue to obtain sufficient research funding globally for this purpose from all sectors, public and private."

PEGGY BENFIELD and Kathy Townes helped to cook breakfast for the high school students attending the D-FY-IT and area churches sponsored New Years Eve party held at Rivercrest.

High School students played volleyball, ping pong and dancing. A fire works display was held at midnight and breakfast was served at 2 a.m.

## Organizational Meeting Scheduled For Little Dribblers

The Talco-Bogata Little Dribbler officials will meet Thursday, January 9 at Rivercrest at 7 p.m.

All coaches, parents and persons interested in coaching are encouraged to attend.

Officers for the coming year will be elected and plans for the coming year will be made.

Everyone is invited to attend and help make this year's Little Dribblers basketball a success.

## Talco Grocery Robbed

On Thursday, January 2, unknown person or persons broke into Waldrum's Grocery, east of Talco.

All snuff, chewing tobacco and etc. were taken in the robbery, along with cigarette lighters, lunch meat

and sliced cheese.

Entry into the store was gained through the back door.

At the present time, the burglary is under investigation by the Mt. Pleasant Police Department.

The Martha Laird Chapter of the DAR will meet Saturday, January 11 at 1:30 p.m. at the Temple Masonic Lodge in Mt. Pleasant for its annual business meeting and all officers and committee chairmen will give their reports and election of delegates to the State Conference and Continental Congress will be held.

The Calvary Baptist Church Sunshine Club will meet January 14 at 10:30 a.m. Everyone is invited to attend.

The Calvary Baptist Brotherhood will meet every first Sunday of the month at 7:30 a.m. All men are invited to attend.

The Calvary Baptist Church WMU will meet the first Tuesday of the month at 2 p.m. All ladies are invited to attend.

# Country Cooking

By Gerrie Bankhead

Well, the holidays have swiftly come and gone and a lot of food was cooked and enjoyed. I'm sure a lot of the readers have said, "I'm not cooking or eating for 'X' number of days again." However, go ahead and read this article, cut out the recipes, because like most all resolutions, you will want to eat again.

Since this article is the first article published in 1992, I thought it appropriate to interview the editor of our paper. So, this week the Country Cooking Column is coming to you from the dining room of Thomas and Nanalee Nichols of Deport.

Thomas and Nanalee have been married for 22 years and both were born and reared in the Deport area. Both attend the First Presbyterian Church of Deport. Nanalee has been an employee of the Thunder Prairie paper for 15 years and has been the publisher since December of 1982. She also has a part time job at Paris Travel Consultants in Paris, she has worked there for the past six years. This job finances all their trips to far away places which is Nanalee's number one hobby. She also enjoys gardening, cooking, reading, crafts, color photography, woodcrafting and painting. Nanalee enjoys competing in color photography contests. She has come away with many ribbons for her outstanding artwork. Of all the traveling, Nanalee enjoys Europe most of all. She also enjoys reading science fiction books most of all.

Both Thomas and Nanalee enjoy entertaining family and friends on special occasions. Thomas helps a lot in the kitchen when expecting guests. She says he also gets the urge some-

times to make fudge which is delicious.

Nanalee also enjoys growing beautiful yard flowers in the spring and summer.

She has chosen some special recipes that they have enjoyed around the world and have made many times for guests in their own home. She is sharing two separate recipes and then a complete Indian dinner which they serve and enjoy a lot. The first recipe is called Roast Beef and Yorkshire Pudding. This is not a dessert. It is an English Pudding which is not sweet. She compares these two items to our Pinto beans and Cornbread. They are almost inseparable.

Nanalee has served this recipe for the past six years every Christmas. She got the recipe from a friend in Yorkshire, England.

The Spaghetti Sauce is an authentic type of sauce. She got this recipe about 21 years ago. Nanalee says this is the best sauce she has ever eaten anywhere. She ordered spaghetti during the past summer in Italy and it was this very recipe. This has made Nanalee like it even more.

The East Indian dinner, which includes Tandoori Chicken, Curried Rice and Poori recipes all go together to make a complete meal. This recipe came from a cookbook. They had eaten East Indian food in Dallas once, looked for a recipe for it, and finally found one about three years ago. This is a very spicy dinner.

If you have enjoyed the article this week, want to make a request, or a suggestion, please call at 652-6032 or write to Rt. 1, Box 56C, Deport, TX 75435.

## Roast Beef and Yorkshire Pudding

By Nanalee Nichols

Remember, English pudding is not a sweet!

- 1 rib roast or other good roast
- 2 eggs
- 1 cup milk
- 1/2 tsp. salt
- 1 cup flour

(Yorkshire pudding can be doubled or tripled easily.)

Cook roast to desired stage. Preferably a little pink in center. 30 minutes before roast is done, beat eggs in bowl until foaming. Gradually beat in salt and flour with whisk until smooth. Let stand at room temperature. Remove roast to platter. Set oven up to 400. Generously grease a muffin pan (12 muffin cups). Heat muffin pan for 5 minutes. Fill cups with 1/2 full and bake 30 minutes or until golden brown. Loosen puddings immediately. They will be rather hollow. Make gravy with pan drippings and serve roast, pudding and gravy.

## Authentic Italian Spaghetti Sauce

- 3/4 cup chopped onion
- 2 cloves fresh garlic or 3/4 tsp. garlic powder
- 2 cans stewed tomatoes
- 12 oz. can tomato paste
- 2 cans tomato sauce
- 1 1/2 tsp. salt
- 1 1/2 tsp. oregano
- 1 tsp. sugar

large pinch of Italian seasonings  
1 lb. good hamburger meat  
fresh mushrooms if desired  
Cook onions, garlic and meat until brown. Drain well. Add all other ingredients, except mushrooms, stirring well. Add about 2 cups water. Simmer at least 30 minutes, but the more it simmers, the better it will get! Add chopped mushrooms about 15 minutes before finished simmering. Serve over spaghetti with grated cheese.

## Indian Dinner

Tandoori Chicken:

- 1 diced onion
- 1 clove garlic
- 3 Tbl. salad oil
- 2 Tbl. lemon juice
- 1 Tbl. curry powder
- 1/4 tsp. cayenne pepper (if you like it spicy)
- 1 cut up chicken or chicken breasts
- 1/2 cup plain yogurt.

Combine all ingredients except chicken and yogurt in blender. Blend until pureed. Pour into glass casserole dish, stir until blended. Make shallow, diagonal slashes in chicken. Add chicken to yogurt mix, coat well and refrigerate overnight. Grill until done on outdoor barbecue grill OR broil in oven until done. Baste often with yogurt mix. Serve with curried rice and poori bread.

Curried Rice:  
Saute chopped onion in a little butter. When tender mix with 1/2 cup frozen green peas. Cook your favorite rice, long-cooking or "minute" rice. Stir in from 1 tsp. to 3 tsp. curry powder and onion-pea mix. Amount of curry powder depends on how spicy you like it.

Poori:  
1 cup all purpose flour  
1 cup whole wheat flour  
1 tsp. salt  
1/2 cup water  
oil

In medium bowl, stir flours, water and salt and 1 1/2 tsp. salad oil until well blended. Mixture will be very dry. Knead until it holds together and is smooth (about 10 minutes). Shape into ball, place in greased bowl and grease top. Cover in plastic wrap, let rest 10 minutes. Heat 1" salad oil in electric skillet to 400 or use a medium saucepan. Meanwhile roll dough into 20 small balls. On lightly floured board, roll each ball into paper thin circle. Edges will be ragged. Drop circle one at a time into oil. With slotted spoon, gently hold circle under surface until it puffs, about 10 seconds. Fry 20 seconds more, turn once, remove and drain on paper

Rebel Sports Report

Tigers Squeeze By Struggling Rebels, 40-35

By Rosie Jasso

The Rivercrest Lady Rebels were given a break last Friday as the Rebel men were the only ones scheduled for basketball action.

In varsity play, Rivercrest dominated the first period with an 11-4 lead over Mt. Vernon. Junior guard Dean Tiffie connected on two consecutive three-pointers followed by senior forward, Eric Curties addition of an 18-foot jumper for 2.

Strong defense and pressure by the Rebs prevented Mt. Vernon's scoring until the clock read 2:34 in the first.

At this point, the Tigers busted their first two of the night. A Rebel foul then gained Mt. Vernon possession, making it good for two more. Tiffie again met this play with another three.

The second quarter saw a slower pace of play for the Rebs. However, the Tigers came back in a rage as they knotted the score at 14-14 with 2:11 remaining in the second.

Senior post Corey Gable controlled the second period with 5 points for the Rebel side, ending it 18-14 in Rebel favor.

Straight from the halftime intermission, the Tigers were determined to make a crowd-pleasing comeback, and so they did.

Assists by Curties and Eddie Williams contributed only eight Rebel points for the third stanza.

Moreover, the Rebels did benefit from the last 2:00 of the third.

Two 3-point shots as well as 2 free

shots put the Mt. Vernon Tigers 28-26 over the Rebels going into the final stanza.

The final eight minutes were filled with Rebel foul trouble in addition to various missed shots.

The Tigers stayed on top of the situation as they ripped 10 of 14 free throws in the final quarter.

The final score on the board read 40-35, with the visiting Mt. Vernon Tigers victorious.

Overall scorer for the night was Tiger Dustin Carr with 16, followed by Rebel Tiffie with 12. Jason Reynolds added 11 to Tiger efforts.

In JV ball, the Rebels eased by with a 44-42 victory. Mike McGee was the leading scorer with 14 points.

Immunization Clinic Scheduled

The Texas Department of Health, Public Health Region 7 office, announced plans today for the continuation of a series of monthly immunization clinics for all children needing immunizations, who meet the required family income determination guidelines.

The clinic will be conducted at the Texas Department of Health, 1300 Hwy 37 North in Clarksville. The next clinic will be held January 9 from 9 until 11:30 a.m. and from 1 to 2:30 p.m. Future clinics will be held on the first Wednesday, second Thursday and fourth Monday of each month.

The Health Department emphasizes that this clinic is available to all preschool and school age children who meet the family income guide-

lines, beginning at two months of age. Immunizations offered include Measles/Mumps/Rubella, Oral Polio, Diphtheria/Tetanus/Pertussis and Tetanus/diphtheria. The Haemophilus Influenzae type b vaccine is also available to medically eligible children between the ages of 2 months and 60 months. The pneumonia vaccine is available to all high risk patients meeting income guidelines. All children must be accompanied by a parent or legal guardian. Parents are reminded to bring the child's immunization record and Social Security number if available. The Tetanus/diphtheria vaccine is available to medically eligible adults. Should the parent or legal guardian have questions, please contact the above noted field office staff.

## Good neighbors with good advice for saving energy

Set your thermostat on 78° in the summer and 68° in the winter to save energy. If your home is empty during the day, raise the air conditioning thermostat by five degrees when you leave in the summer.

Lorine Banavente, a clerk in Texas-New Mexico Power Company's Fort Stockton, Texas, office, can help customers with their energy questions. Employees in all of the communities TNP serves are a good source of advice for using energy wisely.

To learn about more ways to reduce the amount of energy you use, call or visit the neighbors at your local TNP office and ask for the free booklet, "Energy Management Guide."

## Keeping Healthy

### Fear Dental Problems, Not Treatment

Dental anxiety stems from a variety of reasons. For some, it's bad childhood experience. Others may be influenced by family and friends who have poor attitudes toward dentists.

One way to treat dental anxiety is for the patient to realize that dental health is important. Simple dental problems that go untreated, such as cavities, can lead to bigger problems, such as periodontal (gum-related) disease.

Patients can also deal with their anxiety on an emotional level. Visiting a dentist's waiting room without an appointment can help anxious patients see others being treated pain-free without the pressure of having dental treatment themselves.

During the construction of the Hoover Dam, concrete had to be poured continually for two years.

**Tips For Cutting Calories**  
 You can have your cake and diet too, if you follow these basic tips:

Reducing the amount of sugar in your diet may be easier than you realize.

- Eat three meals a day. Skipping meals can lead to hunger that's out of control.
- Drink six to eight glasses of water a day. This helps you feel full and promotes better health.
- Use a sugar substitute, such as Sweet One™, when sweetening foods and beverages. It can also be used to replace sugar in cooking and baking.
- Eat more vegetables. Steamed or microwaved vegetables are quick to prepare and chock full of nutrients.
- Plan in-between-meal snacks to curb hunger. Healthful low-calorie ideas include reduced-calorie pudding, yogurt and fresh fruit.

A new guide to calorie-cutting has recently been developed. It includes easy-to-follow dieting tips, guidelines for taking calories out of recipes, tips for cooking with less sugar and several low calorie dessert recipes. The guide is free from: Sunette, 1-800-344-5807 or 114 Mayfield Avenue, Box 3053, Edison, New Jersey 08818-3053.

**Keeping Healthy**

**Sciatica**  
 Approximately 80% of Americans suffer from lower back pain and for half of them, the pain is accompanied by sciatica. Sciatica describes pain anywhere along the sciatic nerve which originates from the lower back then divides down the backs of both legs.  
 Sciatica generally occurs from a sprain or strain of the lower back and in most cases the resulting pain will subside within 2-6 weeks. The best treatment for sciatica is rest, restriction of strenuous activity, and application of either heat or cold. A careful program of exercise is also important.  
 Non-prescription, anti-inflammatory medications are helpful but pain killers that contain narcotics or muscle relaxers can actually be harmful. While surgery is occasionally recommended, activity modifications, proper exercise and correct medication will usually relieve sciatica.

**Encouraging Progress Against Parkinson's Disease**

Here's good news for a change: People with Parkinson's disease—a disorder of the nervous system that leads to loss of muscular control—have a better chance of living longer and better, thanks to progress in medical research. Some of the latest developments:

New medications, some delivered through skin patches, are improving life for many with Parkinson's disease.

• Scientists can now measure the extent of nerve damage to the dopamine-producing neurons in the brain through a process called PET scan.

• A new medication called Eldepryl appears to slow the progression of the illness in the early stages.

• Scientists are working to develop improved methods of diagnosis. If diagnosed early, treatment for the disease could begin much earlier and could be much more successful.

• Scientists are working on different methods of delivering anti-Parkinson medication—injection pumps, transdermal skin patches and slow-release forms of Sinemet, which contains levodopa. For more information about PD, write: Parkinson's Disease Foundation at Columbia-Presbyterian Medical Center, 650 West 168th St., New York, NY 10032 or call 1-800-457-6676. In New York, call (212) 923-4700.

**Sen. Bill Ratliff Working To Save Highway Dept. Offices**

State Senator Bill Ratliff of Mt. Pleasant joined with Senator Bill Haley of Center and Senator Kenneth Armbrister of Victoria in filing a Senate bill which would increase the number of district highway offices of the Texas Department of Transportation to the original number of twenty-four.

Senator Ratliff agreed to co-sponsor the bill after new information from the Texas Department of Transportation implied that the closing of the six offices as a result of legislation passed during the regular session may not be the cost saving tool that the Department originally assumed.

"Should the state verify that the closing of the highways offices in Atlanta and Paris would not actually save the state of Texas additional revenue, I would naturally want to see to it that those offices are restored. It is important to keep these offices open and operating to serve the people of Northeast Texas", said Ratliff.

The bill has been filed with the hopes that Governor Richards will include it in her call during his third called special session of the Legislature.

There has been much concern from the citizens of Northeast Texas about the closing of the Paris and Atlanta offices. I certainly hope the Governor's office will include this subject in the call during the current special session in order that we may have the time to determine the reality of alleged cost savings," said Ratliff.

ADVERTISEMENT AND INVITATION FOR BIDS  
 The City of Bogata, Texas will receive bids for 1990 TCDP Project No. 700029 Wastewater Collection System Improvements until 2 p.m. on Friday, January 31, 1992 at the City of Bogata, P.O. Box 426, Bogata, TX 75417.  
 Bids are invited for the several items and quantities of work as follows:  
 1. Approximately 400 Linear Feet of 12-inch Sanitary Sewer  
 2. Approximately 1,700 Linear Feet of 8-inch Sanitary Sewer  
 3. Approximately 3,100 Linear Feet of 6-inch Sanitary Sewer  
 4. Approximately 2,000 Linear Feet of 4-inch Service Line  
 5. One Grinder Lift Station  
 6. Manholes and other Appurtenances.  
 Bid/Contract Documents, including Drawings and Technical Specifications are on file at KSA Engineers, Inc., P.O. Box 1552, 140 E. Tyler, Suite 160, Longview, TX 75606.  
 Copies of the Bid/Contract Documents may be obtained by depositing \$40.00 with KSA Engineers, Inc. for each set of documents obtained. The deposit will be refunded to bidders if the documents and drawings are returned in good condition within 5 days following the bid opening. A bid bond in the amount of 5% of the bid issued by an acceptable surety shall be submitted with each bid. A certified check or bank draft payable to the City of Bogata or negotiable U.S. Government Bonds (as par value) may be submitted in lieu of the Bid Bond.  
 Attention is called to the fact that not less than the federally determined prevailing (Davis-Bacon) wage rate, as issued by the Texas Department of Commerce and contained in the contract documents must be paid on this project. In addition, the successful bidder must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex or national origin.  
 Attention is called to General Condition 141 "Restrictions on Public Buildings and Public Works Projects". The Bidder certifies by the submission of its bid that it:  
 1. Is not a Contractor of a foreign country included on the USTR list.  
 2. Has not and will not enter into any subcontract with a subcontractor of a foreign country included on the USTR list.  
 3. Will not provide any product of a foreign country included on the USTR list.  
 The City of Bogata reserves the right to reject any or all bids or to waive any informalities in the bidding.  
 Bids may be held by the City of Bogata for a period not to exceed 30 days from the date of the bid opening for the purpose of reviewing the bids and investigating the bidders qualifications prior to the contract award.
