If you see me, you'd better tell me I look thinner. That is the motto of almost all of us afflicted with a weight problem, and who are dieting.

The first month of the new year is over, and by now many of us who resolved to lose weight in 1996 have fallen from their lofty perch of good intentions. Then, there are those lucky folks who have lost in a single month what they needed to lose.

I began my quest for weight loss three months ago...and even made it through the holidays with a slight loss instead of gain. I've always struggled with my weight, and I've never worried about it too much because I'm not that vain about my physical appearance. Now, I'm faced with the fact that my poor old broken foot needs some relief from its burden. That puts a different light on things, and I'm working with great determination.

But, as everyone with a problem knows, it's not easy. Commercials, magazines, even books have lovingly shown and described delicacies to sell or talk about! Every time I sit down to visit with friends we turn the subject towards food. Someone has a new, delicious recipe or a new, delicious place to eat!

At my house my poor husband (who is losing too) is faced with a bare refrigerator, pantry and freezer. If it has more than 300 calories it's been banished.

But, what is the point of all my moaning and whining? Just this...don't tell me that it gets easier. Don't tell me the stomach shrinks up and doesn't want as much to feel full and don't tell me that the time comes when "you really don't miss it". I do miss it... "IT" being hot, fresh breads, baked potatoes with all the trimmings, desserts with more calories in a single serving than my caloric allowance for the whole week. After three months I still want that good stuff, and I don't like the low-cal frozen stuff I'm eating at all.

But, the results should be worth it. Talk to me in about nine more months, when I should have dropped the weight I've sworn to lose. Then, I'll be faced with the really hard part...trying to keep it off when the world will still be filled with delicious, fattening foods that I will never again be able to eat on a regular basis.

Now that I've managed to depress myself I repeat...if you see me, you'd BETTER tell me I look thinner!

**Country Cooking**  
 By Liz Irwin

This week I am going to share with you a Christmas gift that I received from my family. It is a bread machine and I love it.

The first week I made, I don't know how many loaves of bread. I experimented with just plain white bread and then I would go on to something else. The recipe for Banana Bread is delicious and the Raisin Bread is my favorite. You can make all types of breads, including French and Garlic. You can make Hot Rolls and even Doughnuts.

Several years ago, one of the teachers at school bought one. That was when they were so expensive and the bread came out dry and tough. I thought then that I would not like one, but modern technology has changed and they are great!

Just add all of the ingredients and boom...there it is...a complete loaf of bread and with lots of butter, you will soon look like the Pillsbury Doughboy! So, I have had to cut back and not make so much, although I am experimenting with whole wheat flour and ways to cut out the calories...IMPOSSIBLE! Because everyone knows that it doesn't taste near as good if it doesn't have the calories! Right?

Oh, by the way...this reminds me of one of my stories. This one is about a District 4-H Food Show. We always had to travel some distances to district food shows, so with three girls in the show, we tried to choose recipes that could be prepared as much in advance as possible.

Jamie, the oldest, decided to make homemade bread. She mixed it up as late as possible on Friday night and let it rise the first time. It rose to double in bulk. She punched it down, kneaded it and layed it out on the

**New Ground In The Bottom**

By Harley Scoggins  
(Continued from last week)  
I walk a short distance and now I stand at the foot of my grandmother and grandfather Scoggins graves, which I have done many times before. I see myself as a young child, running as fast as I can away from the old box house that was almost always too hot or too cold. I run toward mama's house that was the same. I loved to watch mama sit in a straight-back, cane bottom chair. Taking her braided hair from her head, I marveled as she unbraided her long hair, almost to the floor when she stood up, and pulled it into her lap, where she combed and brushed it many, many times.  
I remembered when she died. I told my dad, crying, I did not want to go to the funeral. He hugged me with tears in his eyes. It was the first time I had seen my dad cry, and the first time I can remember him hugging me. He said, "Son, you don't have to go if you don't want to. We can't help mama anymore now." I did not go, however, now I wish I had. Dad and I visited her grave almost every week for many months as his grief remained strong. Several years later dad and I were working on her grave, to remove every sprig of grass that came up every time it rained. I looked at my dad and tears were running down his cheeks. I looked down quickly so he would not see my tears too. We completed the task, loaded the theolites in the old pickup truck and drove several miles before either of us exchanged words. I now look north, a hundred yards or more, toward where my great-grandfather was laid to rest many years before my birth. I wondered if his life had been any different than my father or his father. I wish I could talk to him. I wish that I could ask questions of a man who must have had a hard time starting a new life in a land called Texas, a man I regret I never got to see.

Scoggins a name that originated 400A.D. descended originally from the Boemicians. The ancient race from the north were a mixture of Scottish Pecks and Anglos. Last year as I had several times before, I visited Europe. In the border country between Scotland and England, I wondered how my ancestors had lived in this beautiful countryside of rolling hills. An old Scotsman told me in a language I could hardly understand "Son" he said "Sheep were more important than people in the 16th and 17th centuries. The bloody English kings banished your ancestors to the colonies." From this area of the motherland came the Armstrongs, Grahams, Scots, Kerrs, Bells, Nixons, Dicksons, Rutherford and most names ending in "son". In 1246 A.D., six chiefs from the Scottish side of the border and six chiefs from the English side met at Carlisle and produced a set of laws for the border territories. These were unlike any laws in Scotland or England. For example, it was a great offense to refuse to help a neighbor recover his wife, sheep, cattle or horses. Refusal could get you hanged instantly without a trial. I think my dad could have fit into these clans, just as his ancestors had. I hope God in his infinite wisdom will cut out 50 acres of good bottomland in heaven, give four good mules to my dad and say "Homer, you can share crop this land for me if you want to."  
Although I think more like my mother there are streaks of Scoggins in me. There is only one way to do a job. It's my way, bear with me a few years so my dad can work for a landlord he has loved the last 57 years. I am sure he will, with God's help, build a golf course on the hill next to that fifty acre strip of bottomland. Dad can drive his mules up under the big tree between the bottomland and the golf course. I'll drive the golf cart over and mom will join us with a big box lunch as she used to do when I was very young. We can talk about the good days, not about the good old days, as we have many times before, where the weather never gets too old or too hot, the ground never gets too wet or too dry, where man or beast never gets tired, working the new ground in the bottom, of a new land.  
This tribute is from a son that loves his father very, very much.  
Harley Scoggins

## Rebel B team takes 38-34 win over Pats

The Rebel B team traveled to Prairiland Friday Jan. 26. The first quarter saw a good competition between the two teams, although the action seemed slow for the young Rebel team. Rebel shooting was not completely on target. Jody Nolen and Jody Gray had a good defensive quarter for the Rebels. Score 8-4 Pats.

In second quarter action, Rebel Cortney Huddleston was the only Rebel able to score, netting 6 points. The Rebels trailed 16-10 at the half. The final quarters saw Rebel im-

provement. Jody Nolen ripped the net with two treys. Cortney Huddleston added a trey of his own plus field goals and free shots. Michael Allen and Ryan Giles also added to Rebel scores. The Rebel press hemmed the Pats in and the lead changed into the hands of the Rebels 29-24.

In the final quarter with 1:02 left the score stood 35-33 Rebels. A Rebel foul sent the Pats to the free shot line where one point was made. The missed free shot was rebounded by Jody Gray and passed to Brian

Giles, who made the points. Score 37-34. As in the B girls game, the boys also had only one official making it impossible for either team to get an advantage. A Patriot foul sent the Rebs to the line to make one of two. Time ran out to the Pats and the Rebels took a 38-34 win.

Posting high score for the Rebels was Cortney Huddleston with 19 points. Also scoring were: Jody Nolen-6 points, Brian Giles-7 points, Ryan Giles, Michael Allen and Jody Gray-2 points each.

The Rivercrest Rebels defense completely dominated the game last Tuesday night against the Comopickton Eagles. The Rebels defeated the Eagles by a final score of 65-30. The Rebels held a 35-15 half time lead and a 51-17 lead after three quarters as the Eagles could only score two points the third quarter. The Rebels were paced offensively by Jeff Savage with 17 points. Alvin Savage had 8 rebounds and 8 assists for a great game overall. Eric Waller finished with 12 points, while Eric Martin had 9 points and 8 rebounds. Big Broderick Fulbright, the Rebs 6'3" Sophomore post also had a good game with 7 rebounds and 7 points. A.J. Lee had four steals and six points as he moved quickly and looked like he has completely recovered from his ankle injury. Other players that contributed to the Rebel victory were: Dru Denison, Mitch Ellis, Clint Gage, Sedrick Cuellar and Justin Smith. Smith came deep off the Rebel bench to net two treys.

Coach Wood said, "I thought our defense was better tonight. We set better traps and didn't make as many fouls as we have been. We were just quicker and much more alert than we had been in our three previous district games."

The win by the Rebs put them in sole possession of second place in district. The Chisum Mustangs continue to lead the district by one game over the Rebels. Chisum is 4-0 in district.

The Rebels took the win over Prairiland on Friday at Prairiland and were to face Honey Grove at Rebel stadium Tuesday Jan. 30 for a very important game.

## Rebels take 54-41 win over Patriots

The Rivercrest Rebels defeated Hwy. 271 rival Prairiland Friday to remain in contention for their fifth straight district title. The win gave Rivercrest sole possession of second place.

The game was low scoring as the patriots used ball control to slow the game down to their desired pace. The half time score was 19-16 in favor of Rivercrest.

Rivercrest changed defenses at half time as they put more pressure on with their man to man defense. The pace of the game quickened and with five different players hitting three pointers the second half for the Rebels,

their lead increased by 17 points. From there the game reverted back to a slow pace as the Rebels controlled the ball to assure another road victory.

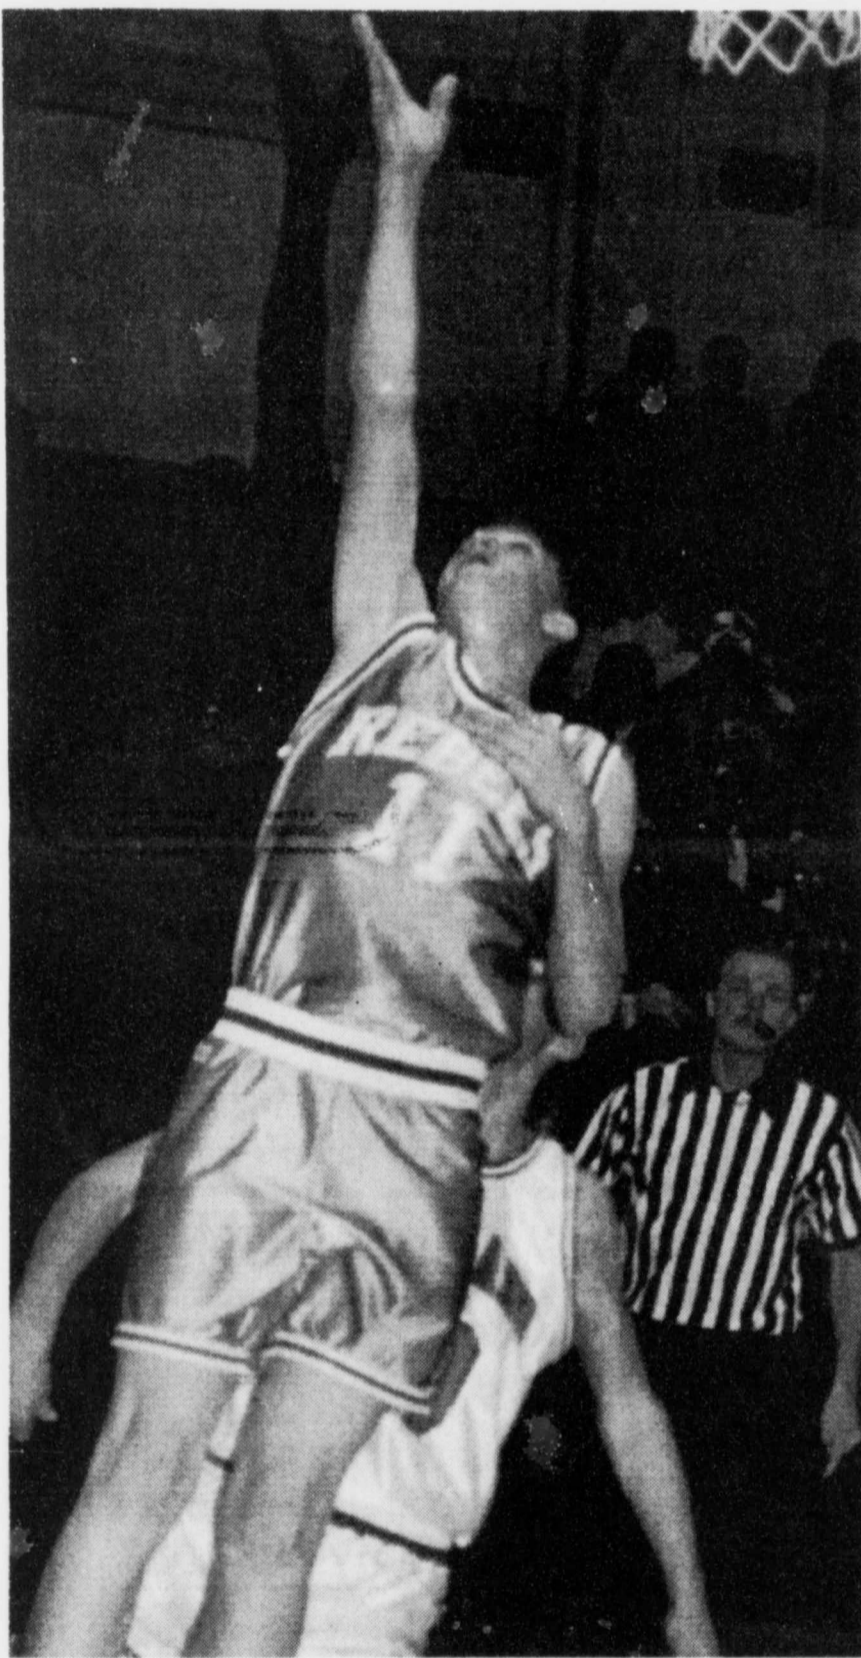

The Rebels were paced in the game by Junior Forward, Alvin Savage with 24 big points. Contributing 12 points was Senior Eric Waller. Jeff Savage turned in another great floor game to lead the play making for the Rebels. Erric Martin performed well again on defense, along with Sophomore post Broderick Fulbright. Dru Denison and A.J. Lee contributed offensively with both players hitting a crucial three pointer when it really counted. Clint

Gage and Mitch Ellis came off the bench and added a spark to the Rebels cause. Gage came up with two big rebounds and Ellis with one rebound, one assist and one steal.

"The win was a great win for us. It was a great team effort. We could have lost our composure at times but we didn't. We spread our offense the second half and we were able to get open for three pointers and we began to hit," said Coach Wood.

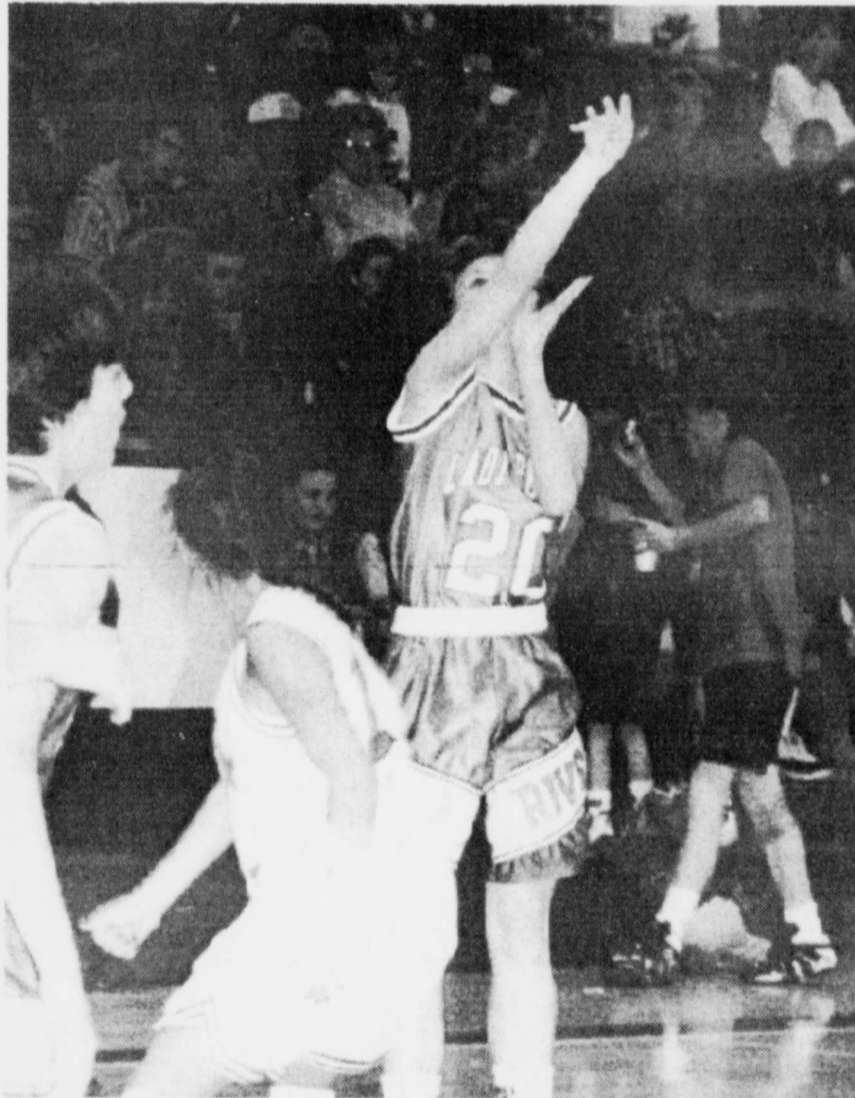

The win raised the Rebel season record to 18-8 and district record to 4-1, one game behind the league leaders Chisum Mustangs.

## Lady Rebel teams defeated by Lady Pats

The Lady Rebels and Rebels traveled to Prairiland Friday Jan. 26 for district play.

The Lady Rebel B team started off the nights play.

In the first half the Lady Pats fast break hurt the Lady Rebels and Lady Rebel bad passes and poor rebounding hurt themselves. Sara Stanley, Donna Harrison and Katie Hare showed good hustle for the team but the Lady Pats held a 24-12 lead at the half time buzzer.

The third quarter was a nightmare for the Lady Rebels. Shots would not go through the hoop and having only one official calling the game saw many missed penalties. The Lady Pats took complete control. Score 48-19.

The final quarter saw the Lady Rebel only able to score 5 points. Andrea Palmer was lost to foul trouble and the Lady Pats finished the Lady Rebels off. Final 56-24 Lady Pats.

High scorer for the Lady Rebels

was Donna Harrison with 7 points, followed by Maribel Prado with 6 points. Also scoring were Sara Stanley, Joanie Swarts, Andrea Palmer and Lisa Shirley.

The Varsity Lady Rebels took the court following the Rebel B team, who won 38-34 over the Pats.

In first quarter action, the Lady Rebels, walked, fouled, had the ball stolen and the goal was not open to Lady Rebel shots. The Lady Pats, however, fared little better than the Lady Rebels. Score 9-4 Lady Pats.

The second quarter saw the Lady Pats hold and add to their lead. The Lady Rebels were only able to score on free shots. It took the Lady Rebels 11 minutes of the first half to score 6 points. The Lady Pats went into a stall with three minutes left in the half and the two teams just stood for over two of the three minutes. With seconds left on the clock, the Lady Pats went in to score. The half time score was 19-8 Lady Pats.

The third quarter began with a Lady Rebel score from Freshman, Candias Nickerson. Jana Weatherall did a good job controlling the Lady Pat point guard. Sessums, Lady Rebel fouls gave Lady Pat points and the quarter ended 28-14 Prairiland.

The final quarter saw the Lady Rebs lose Candias Nickerson to foul trouble and have two players with four fouls. Karen Williams made her first scores of the evening. Amber Spencer came off the bench to add hustle to the team and Jana Weatherall gave an all out effort but the Lady Pats scoring 17 points in the fourth while the Lady Rebels scored 9 points finished the game for the Lady Rebs. Final 45-23.

Posting high score for the Lady Rebels was Kristi Hines with 6 points. Also scoring were: Jana Weatherall-4 points, Karen Williams-4 points, Norma Jasso-4 points, Candias Nickerson-3 points and Deidre Brown-2 points.

## Lady Rebels take big loss and big win

The Lady Rebel B team and Varsity hosted the Como-Pickton Eagles Tuesday Jan. 23.

The Lady Rebel B team began the evening action on a sour note. The first quarter saw the Lady Rebels trailing 16-7 and things had not improved for the team by the half. The score stood 29-15 Lady Eagles.

In the final two quarters nothing went in the Lady Rebels favor and the Lady Eagles dominated. The final score was 50-19 Como-Pickton. High scorer for the Lady Rebs was Maribel Prado with 8 points, followed by Sara Stanley with 5 points. Also scoring were: Joanie Swarts, Andrea Palmer and Debra Janes with 2 points each.

Following the B team Rebels win of 41-29 over the Eagles, the Varsity Lady Rebels took the court.

In the first meeting between the Como-Pickton Lady Eagles and the Lady Rebels at Como-Pickton, the

Lady Rebels took a huge win. History repeats itself and it did for the Lady Rebels.

In first quarter action the Lady Rebels played a relaxed game. Although their plays were not sharp the team took a 18-9 lead in the first quarter. Kristi Hines netted two treys plus a field goal and two free shots for the Lady Rebs. Karen Williams, Amber Spencer and Norma Jasso also scored.

The second quarter saw Hines and Jana Weatherall rip the net for treys, Williams and Freshman, Candias Nickerson also added points. Score 35-24 Lady Rebels.

The two teams returned following the half with the Lady Eagles ready to push the Lady Rebels for the lead. The Lady Rebs left their back door open and the Lady Eagles walked right in to score numerous times. Jana Weatherall had a good third

quarter of the team scoring 8 points and making good defensive plays. Deidre Brown came to life and netted 4 points while Williams added 4 and Nickerson 3. Score 54-36 Lady Rebels.

The wind was knocked out of the Lady Eagles in the final quarter and the Lady Rebels scored at will. Norma Jasso hit 3 of 7 free shots plus added 4 from the field. Jaime Swarts came off the bench to add 4 points. Kristi Hines hit her fourth trey of the evening while Williams and Spencer also went in to score. Final 72-52 Lady Rebels.

Posting high score for the Lady Rebels was Kristi Hines with 20 points. Also scoring were: Jana Weatherall-11 points, Karen Williams-12 points, Candias Nickerson-8 points, Deidre Brown, Amber Spencer and Jaime Swarts-4 points each, and Norma Jasso-9 points.

## Rebel B team win 41-29 over Eagles

The Rivercrest Rebel B team hosted the Como-Pickton Eagles Tuesday Jan. 23.

In first quarter play the two teams stayed within one point of each other. Both teams appeared to be having a slow start. The quarter ended with a score of 10-9, Rebels.

The second quarter was almost a carbon copy of the first. Both teams struggled to keep up. The quarter ended with the Rebels holding a two point lead, 20-18.

The third quarter saw the Rebels try to raise the tempo of the game. Tim Peoples had a good last half, scoring and playing good defense.

LACI TAYLOR, #53 for the Talco-Bogata seventh grade Lady Rebs, tried for a shot under pressure from the Chisum girls team in Monday's action. The Lady Rebs won the game 34-33 and are undefeated in District play. (Staff Photo by Nancy Brown)

**Talco-Bogata Lady Rebels blast Lady Mustangs**

The Talco-Bogata Junior High Lady Rebels played host to the Chisum Lady Mustangs Monday Jan. 29 at Rivercrest.

The seventh grade Lady Rebels started the evening play. They had previously beaten the Lady Mustangs in district play and in tournament play.

The first quarter saw Kim Ross feed the give and go pass to Valerie Morgan for scores and also going to the board for her own 4 points. Chrissy Wilson and Demetrice Threadgill also scored on the fast break. Cheryl Griffin and Bre'Ann Stroud did a good job on the Lady Rebel defense in the first quarter. Score 12-7 Lady Rebels.

The second quarter saw Morgan run away with scores. Kim Shirley, Threadgill and Stroud also scored to end the half with a 27-7 Lady Rebel lead.

The final quarters saw only 5 points scored by the Lady Rebels, while they held the Lady Mustangs to 11 points for the last half. The entire bench got playing time and the team went on to win 32-18. This team coached by Gerry Foos is undefeated in district play and have only one loss for the season. Posting high score was Valerie Morgan with 12 points. Also scoring were; Kim Ross, Cheryl Griffin, Bre'Ann Stroud, Chrissy Wilson, Demetrice Threadgill, Kim Shirley.

The eighth grade team took the court facing a taller Lady Mustang team who had defeated the Lady Rebels in earlier district play.

In first quarter play Lady Rebels Wendy Gentry and Erin Stansell were the offense, being the only Lady Rebel scorers. Cara Morgan and Carolina Prado played good defense for the team but the Lady Mustangs held a 9-6 lead at the quarters end.

The beginning of the second quarter saw the young Lady Rebs hurt themselves with bad passes. It seemed the Lady Mustangs might take over, but after a little over two minutes into the second quarter the Lady Rebs decided not to give up. Erin Stansell shot 99% from the free shot line in the quarter netting 7 of 8 from the line while adding a field goal. Missy Carroll and Ashlei Moles pulled down the rebounds for the team and Tiffany Prentice made Lady Rebel steals. Tiffany Prentice and Ashlei Moles also added field goals to give the Lady Rebs a half time lead of 19-16.

The third quarter saw Missy Carroll have a great defensive game along with Jill Foster and Carolina Prado. Erin Stansell went to the board to score as did Tiffany Prentice, who ripped the net for a three pointer along with 3 field goals. Score 30-22.

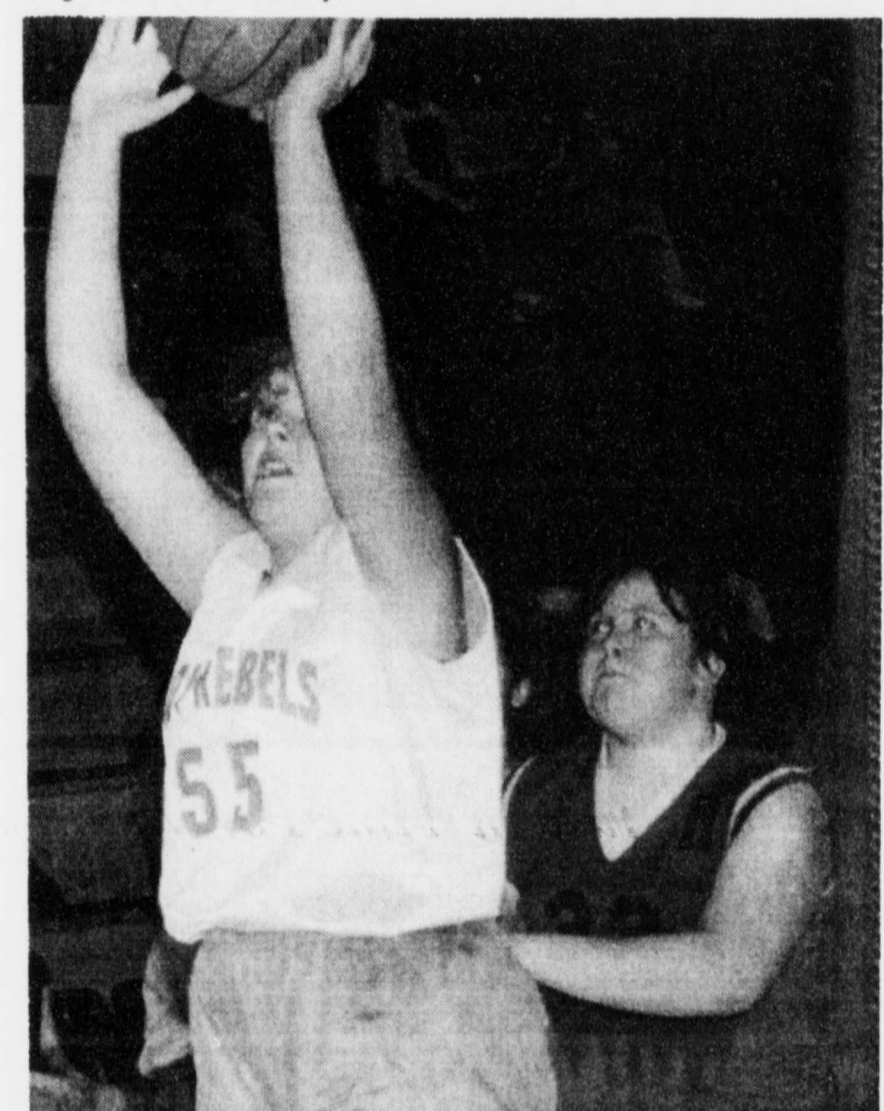

The final quarter was an exciting one. The Lady Mustangs did not give up and took advantage of every Lady Rebel slack off. Erin Stansell, Cara Morgan, Jill Foster and Missy Carroll

worked hard for the team defense. Carroll was pulled to the bench with 3:43 left on the clock due to 4 fouls. Score 30-23 Lady Rebels. The Lady Mustangs drove for the scores and moved within one point of the Lady Rebs. Missy Carroll reentered the game with 1:33 left on the clock to score on the fast break. Score 32-29.

The Lady Mustangs added another score and drew the foul. A miss was rebounded by the Lady Rebels, threw into the Lady Mustangs hands on a bad pass and was stolen back by Wendy Gentry. Ball control was lost down court and the Lady Mustangs took the fast break shot and the lead with 43:02 seconds left in regulation play. Score 33-32. The Lady Rebels had one chance left and the ball. The shot missed it's mark but was tied up between the Lady Rebels and Lady Mustangs on the rebound. The possession fell to the Lady Rebels. With :28 seconds on the clock, Lady Rebel Cara Morgan sunk the winning goal for the Lady Rebels. Final 34-33.

Posting high score for the Lady Rebels was Erin Stansell with 15 points. Also scoring were; Tiffany Prentice-11 points, Missy Carroll, Wendy Gentry, Ashlei Moles and Cara Morgan-2 points each.

This was the first district win for the young team. Congratulations Lady Rebels on a great team work played game.

ASHLEI MOLES, #55, goes up for two points for the Talco-Bogata eighth grade Lady Rebels against Chisum in Monday's game at Rivercrest. The Lady Rebs won the game 34-33. (Staff Photo by Nancy Brown)

**Free Income Tax Assistance Available For The Elderly**

Free income tax assistance will again be available for area residents starting Wednesday, Feb. 7, through

the Tax Counseling for the Elderly Program of the American Association of Retired Persons (AARP). Volunteer Tax-Aide counselors, trained in cooperation with the Internal Revenue Service, will operate this service at the Paris Public Library from noon until 4:00 p.m. each Wednesday through April 10.

Persons using this service should bring copies of their previous year's federal income tax return and forms

for the current tax year, including W-2s, 1099s and other relevant materials showing income for the year. The program is designed to assist persons of all ages with low to moderate incomes and is a community service of AARP. Taxpayers with more complicated returns will be referred to professional tax preparers.

Local tax counselors who have been certified by the Internal Revenue Service are: Eugene Thielman, James W. Ashmore Jr., Joan Powell and Dennis R. Lee.

**NEW SERVICE AVAILABLE**

Jan. 29, 1996

It just got easier to keep up with all the activities you and your family are involved with. Jackie Lynne and Raymond (Buck) Knight realized that most families now days are going in three or more directions at once, so their company, Rational Resources, is offering a service to help. It's called *Community Info Line*.

Imagine this scenario: Mom rushes home from work to meet the kids after school. Jr. has a ball practice and Sis has gymnastics class. Mom thinks she has time to pick up some groceries while the kids are occupied and still get home in time to make supper so Dad can eat before he leaves for his meeting. Dad can pick Jr. up on his way home from work. But Jr. says ball practice has been changed. To when? Jr. doesn't remember. Enter *Community Info Line*. From any touch-tone phone this family, or yours, could dial 632-4771 and find out the exact time and place of meetings and activities quickly and conveniently.

This computer generated system is easy to use. All you have to do is dial 632-4771 from any touch-tone phone, listen to a menu of groups, and press the extension number for the group you choose. Say you chose churches, you will hear a list of the participating area churches, press their extension number and listen to their announcements. Its that easy!

This is how it works, participating groups record, from their own phone, an announcement telling regular schedules, activities, and special events. Then, anyone can call the *Community Info Line* number 632-4771 and choose the announcements they want to hear. This service is ideal for churches, clubs, small communities, etc. And for the next three months the *Knights* are offering this service free of charge. Because this is an automated system, the fees can be kept to a nominal rate of \$4.00 per month. There are also options available. Perhaps a group needs more announcement space or a voice mail box so callers can leave messages. *Rational Resources* can provide those for a small additional cost.

Jackie Lynne and Raymond (Buck) are happy to be able to offer this new service. Their company, *Rational Resources* will also be providing these additional services and products in the near future: *Home Calling Service, Personalized Children's Books, Parent Teacher Hotline, BiWeekly Mortgage, Voice Mail, and Talking Classifieds.*

**Chad Martin exploring career options**

Chad Martin of Bogata is spending the month of January exploring career options firsthand through an independent study in economics at Wilson N. Jones Memorial Hospital in Sherman.

Austin Colleg's four-week January Term is designed to allow students opportunities for intensive study and exploration. Students take only one course and so are able to participate in full-time internship in an area of particular interest. This month nearly 90 students are involved in internships and independent projects ranging from medical studies to com-

munications to foreign culture to law. Students are in sites throughout Texas as well as Washington, D.C., New AYork, Alaska and nations world-wide.

On campus, students also study just one area, often outside their regular academic concentration. The January Term curriculum includes intensive academic exploration as well as special interest courses on topics such as Understanding Racism, Mozart and Fitness and Behavioral Change.

Many Austin College students are spending the month in travel courses to England, Mexico, Canada, South Africa and Japan.

**EQUAL HOUSING OPPORTUNITY**

The Housing Authority of the City of Bogata, Texas, located off Grayson Street, offers safe, affordable housing for low income families, elderly persons and handicapped or disabled persons.

The Authority shall not, on account of race, color, religion, sex, national origin, age or handicap deny any applicant the opportunity to make application or lease a dwelling unit suitable to its needs in its project.

A waiting list is made up of applicants determined by the Housing Authority to be eligible.

We furnish cook stove, refrigerator, heater, water and sewer and trash pickup.

We currently have units vacant. Applications are taken at the office. If you wish, you may make an appointment by phoning 903-632-5574 or 632-5999.

The Housing Authority of the City of Bogata is interested in you and your housing needs. Make an application today.
