I have very seldom had a bigger response to a column than the one I wrote last week about sayings. A lot of people said I set them to thinking.

Bucky Norman of Deport told me the origin of two sayings.

Have you ever wondered why we go the "whole nine yards"? I suppose I thought it referred to some obscure sports things. Not so, Bucky says. It seems that it used to take exactly nine yards of fabric to make a new, full sized cotton sack! The strap came off the end and the fabric left made a "regulation" 100 pound sack. Hence, going the "whole nine yards", or not scimping on something.

Along the same lines, Bucky also reports that going "whole hog" results from many years ago when there was a gold coin called, in slang terms "a hog". Therefore, if someone asked how much something cost, or if it was expensive, the reply "I had to go whole hog" or it "took the whole hog".

No one has come up with an explanation as to why one quits something "cold turkey", though. A friend of mine came up with one I had never heard... "nuttier than a peach orchard bore". Then there is "Can't ride Betsy to the gate" to refer to a poor horseman, and we can all figure out "rode hard and put up wet".

Self-explanatory is "I've got bigger fish to fry".

I haven't encountered a single person that knows Cooter Brown, drunk or sober.

I did learn that we "beat around the bush" as a way of avoiding something because "beaters" used to skirt the edges of woods, bushes and brambles driving game out to hunters.

Apparently we "thank our lucky stars" due to a time when astrology was given more credibility than it is these days.

The amazing thing were the wicked little grins from a few folks who wondered why I hadn't mentioned several pretty common cliches that just aren't...well, appropriate" to this publication. Sorry folks, I know there are a lot of them but we aren't quite ready to publish THOSE sayings, even though I have to confess that some of them did occur to me at the time!

Talco-Bogata board meets

The Talco-Bogata CISD Board of Trustees met in special session on Monday, April 22, 1996 at Rivercrest High School.

The Board discussed the Rivercrest Sewer Plant project with representative of KSA Engineers of Longview.

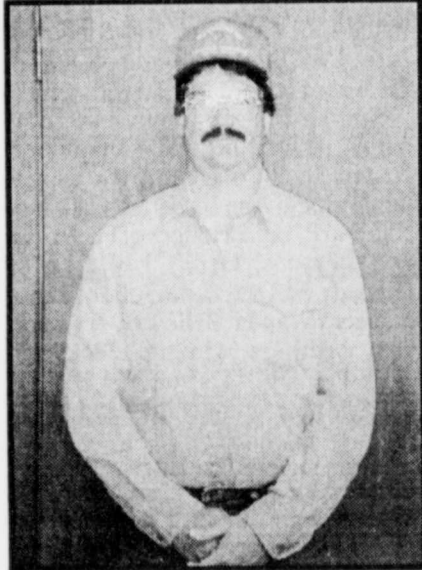

The district has been cited by the State due to their inadequate sewer plant. The current plant was constructed in the late sixties when Rivercrest High School was built. The campus is exceeding the plant's flow capacity and the district must update the plant to meet requirements of the State.

The Trustees voted to enter into a

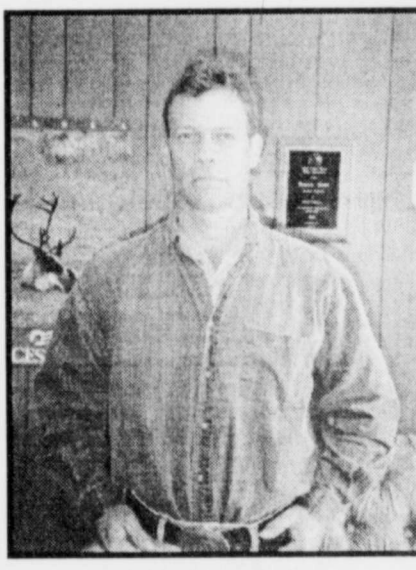

contract with KSA Engineers to design and install a larger package plant and secure approval of the plant from the state and acquire a license to release waste water. KSA will receive bids from contractors and advise the Board during the construction phase.

The total estimated cost of the improvements will be approximately \$200,000. Work should be completed by August 1, 1997. Work on the new plant will not interfere with activities during the regular school year.

The Board set the May meeting on the 6th at 7:00 PM. The meeting adjourned at 9:20 PM.

COOKS of the WEEK- for this week is the champion stew cooking team at the Prairiland Livestock Show for the fifth year in a row! They are all employees of the Guaranty Bank of Deport. Virgil Jones, Jane Swint, Laura Wright, Carolyn Davidson, Ruth Ann Allen and Floy Williams are pictured here in front of the bank. They keep their secret recipe well guarded, but are sharing some of their favorites for us this week. (Staff Photo)

Well, they did it again! The stew cooking team for the Guaranty Bank of Deport held on to their Champion Stew Cooking title for the 5th year in a row at the Prairiland Livestock Show, Pig Wrestling and Stew Cook off of Saturday, April 13. The team has consistently defeated everyone that has gone up against them for the past several years, brewing up a concoction that has pleased the palette of many a judge. They will not give out their recipe for this pot of stew and keeps it well guarded.

They have, however shared some of their favorite recipes that they use at home and prepare for family and friends.

Carolyn Davidson shares her Peach Cobbler with us. Ruth Ann Allen includes a Banana Pudding recipe. Laura Wright let us have her recipe for Chicken Spaghetti. Floy Williams gave us a Fried Pie Crust. "Mama's" Pound Cake comes from bank president Virgil Jones and Jane Swint gives us a Lemon Meringue Pie.

Everyone will be on the lookout next year and be ready to try their hand at out-cooking this bunch from Guaranty Bank in Deport. So dig out your secret recipes and see if you can come up with one better than theirs. See you in the kitchen!

Fulbright Community holds egg hunt

The Fulbright Community Activity committee held an egg hunt on Good Friday.

On Thursday night, the "teens" gathered at the community center for their part in the egg hunt. They dyed and decorated 14 dozen eggs, prepared the candy filled eggs and made other preparations.

They were given a coke party with refreshments and played a grab bag game. The teen bunnies were very creative in their egg dying. Those attending were Wendy Peek, Jennifer Beaty, Cy Guthrie, Jamie Beaty, Angie Gardner, Lisa Beaty, Betty Rogers, Marla Crump and Kay Peek. Ed Johnson dropped in and tried his hand at decorating.

On Friday morning, the group returned to hide the eggs. The youngsters played a game and then set off to hunt eggs. They had a very good turnout despite the weather. Children sloshed through water puddles to find their bounty. Some had a time

deciding whether to play in the mud or gather eggs. There were also prize eggs for everyone in both age groups.

After the hunt the children enjoyed playing with their prizes and everyone enjoyed refreshments. The teens were surprised with a money grab bag.

Thanks goes to everyone who donated eggs, prizes and time. Everyone had a great time and they look forward to next year.

Dear Editor:

On Wednesday, April 17, I attended the senior citizens' activities at the Bogata Community Center. I was standing across the table from a lady and talking with her. When I told her that my name was Thelma Shelby, she told me that she had gone to school with an E.J. Shelby. I told her that E.J. Shelby was my husband. We did not continue the conversation, but I would like to. I failed to get her name or even to ask her where she lived. I hope that if that lady reads this she will call me.

Thanks so much,
Thelma Shelby

Dear Editor:

Just a few words of thanks to the class of 1954 for all the planning and hard work that they did to make our Homecoming the success that it was. It was a real success. Thank all of you.

I have never seen the gymn look as pretty as it did that night. The meal was very good as usual. The program was outstanding. The refreshments were a very good idea.

I believe that our homecoming gets bigger and better each year.

The class of '41 would like to thank the people of the Assembly of God Church for allowing us to use their Fellowship Hall for our class reunion. We had a very nice meeting with fourteen class members, nine spouses and several visitors present. Our fourth grade teacher, Mrs. Frances Griffin, was there.

We, the class members, spouses and visitors would like to thank the Rosalie Store management and staff for a very good meal at noon.

National Pride begins with civic pride

By B.G. Bowden, President
Rosalie Community Center

Believing that "National Pride Begins with Civic Pride," the community of Rosalie has designated April 22- May 10 as CLEAN UP ROSALIE DAYS. Our goal is to clean up, haul off, cut down, mow and trim and as a last resort drown anything that takes away from the beauty and wholesomeness of our community. Unsightly trash, junk and litter in our community indicate lack of character, and this is certainly not what we are all about.

We are thankful to God for the vision to bring Rosalie back to a vitality she hasn't known in several years. For everyone who has had the remotest part in this we do thank you.

We couldn't have done without you. All the kind remarks, cooperation and compliments that have been paid our community have made us more determined than ever to make it a place in which we can all be genuinely proud.

There will be a trailer parked on the Community Center parking lot. Please feel free to put bags of trash or items too large to bag in it. If you have trash and are unable to take it to the trailer and would like some assistance, you may call 632-5425, Bowden's or 632-4835, The Rosalie Store. Leave your message and name and someone will get to you just as soon as is possible. Our plans are to clean 909 from the city limits of Bogata to Jim's Country Corner.

Lady Rebels defeated 11-6 in bi-district play

The Lady Rebels traveled to North Lamar on Thursday, April 18 to compete with Community for the bi-district championship.

The Lady Rebs were the visiting team and at their first turn at bat were able to score one run and leave two runners on base. Joanie Swarts was the runner who scored, getting on base on the bunt. Base hits by Jaime Swarts and Candias Nickerson brought Swarts in but the Lady Rebels were unable to get Swarts and Nickerson in.

The Lady Rebels held Community's Lady Braves scoreless through the second inning but were also unable to drive in their own scores. Joanie Swarts and Jaime Swarts were left on base in third inning and the Lady Braves came in

to begin a drive that would be hard to overcome for the Lady Rebels.

In the bottom of the third, the Lady Braves scored five runs on three base hits and three Lady Rebel errors. In the fourth the Lady Rebels put up four batters and made no score while the Lady Braves scored four more runs on three Lady Rebel errors and two basehits.

The fifth inning saw no score from either team and in the top of the sixth, the Lady Rebels came back with new life. Candias Nickerson started the team off with a basehit. Crystal Bell got on base through a Lady Brave error. Tasha Brown took the walk. Andrea Palmer got on through a fielders choice and Katie Hare and Jana Weatherall got basehits. Hare, Bell, brown and Palmer all scored bring-

ing the Lady Rebels to a score of 5-9.

In the bottom of the sixth the Lady Braves were able to bring in two runs on Lady Rebel errors. Score 11-5.

In the final inning, the Lady Rebels gave all they had but the first two batters were thrown out at first. Crystal Bell came up to hit a line drive to right field. Tasha Brown took the walk and Andrea Palmer made it to base through a Lady Brave error on a good hit and scored Bell. A fly to left field ended the Lady Rebels drive and the Lady Braves took the win 11-6.

The Lady Rebels have had a good season and are the first Rivercrest girls softball team to be Co-District Champs. Congratulations Lady Rebels, we expect to see you back in the play-offs for several years to come.

Child Abuse Awareness month closing

Child Abuse Awareness month is coming to a close, however, our community should not wait until next April to focus on it again. Prevention education should be an ongoing process. One way for individuals to get involved is to take part in the Family Pride Project sponsored by the Children's Trust Fund of Texas. This means joining the effort to build alliances and make a plan to prevent abuse in Red River County.

The Children's Trust Fund (CTF) is a state agency created by the Texas Legislature to Address the growing problem of child abuse and neglect. The Family Pride communities are chosen based on service needs indicators including child poverty, infant mortality, births to teens, incidence of child abuse, child population and demographic location.

Money is available from CTF to fund educational programming for the prevention of child abuse and neglect. Groups, clubs, churches, schools, etc. are needed to work on this grant with any other interested parties to set things in motion. If your group is not a state agency and has been in existence for 2 years or more, you are eligible to participate. The Red River County CTF, Family Pride Council is working to get people involved so programs can be offered to those who need it.

Time is running out, so please get involved today! You may call (512) 370-9566 to receive a Request for Proposal (RFP) that outlines the process of requesting these funds.

Several people have made requests and are looking for collaboration. A Respondents Meeting has been rescheduled for Monday, April 29, at 6:30 PM to be held at the Courthouse Annex Courtroom of the Children's Trust Fund of Austin will be present

to answer questions and explain information.

If you need further details, please contact me at (903)427-3867 or visit with one of the council members. Members are Earnestine Lee, Clarence Nix, Judge L.D. Williamson, T.J. Higgins, Barbara Mitchell, bob Edrington, Ivas Robinson, Bob Bush, Connie Kay Brooks, Eva Bagby, Andrea Parris and Vicki Beers.

PLAQUE HONORING JEANIE SPENCER- Was presented to her husband, Art Spen-

cer by Dr. Patrick Thomas, Trinity Mother Frances Chief Medical Officer.

Jeanie Spencer honored posthumously

A nurse who lost her battle against cancer was honored by medical professionals recently during the dedication of the Cancer Rehabilitation Program at Trinity Mother Frances Regional Wellness Center. Fifty people attended the ceremony.

Jeanie Halverson Spencer, M.S., R.N., who was instrumental in developing the rehabilitation program for cancer patients, died April 24, 1995.

She had designed a complete plan for a cancer rehabilitation program after she learned she had developed breast cancer. She was 52 when she died.

Mrs. Spencer was a nurse at Titus County Memorial Hospital in Mount Pleasant, and her personal interest in exercise and sports led her to pursue a masters degree in Clinical Exercise Physiology, which she completed in 1992 at the University of Texas Tyler.

She learned she had breast cancer in 1990. Shortly thereafter, she combined her drive to fight cancer, her knowledge as a nurse and her skills as an exercise physiologist to write the clinical protocol for a cancer rehabilitation program. She believed exercise and rehabilitation would benefit cancer survivors just as individuals with heart and pulmonary disease benefit from similar programs.

Mrs. Spencer had been working closely with members of the Regional Wellness Center staff to offer the cancer rehab program when she died.

Her husband, Art, her three sons—Marc, Danny and Andrew, other family members and friends were present as Dr. Patrick Thomas, Trinity Mother Frances Chief Medical Officer, presented a plaque honoring Spencer.

The Cancer Rehabilitation Program is designed for people diagnosed with cancer. The three phase program includes: exercise, support, nutrition counseling, medical supervision, stress management, smoking cessation and education. Dr. Thomas said.

"The rehab program may benefit participants through increased functional capacity, improved quality of life, enhanced ability to perform daily activities, reduced medical risk and reduced anxiety and depression," he added.

Ken Oliver, rehabilitation coordinator, explained the program and gave the tribute to Mrs. Spencer, while Freda Harder of Tyler, a recovering cancer patient, explained how the rehabilitation center helped her, while Dr. Gary Kimmel explained the benefits to cancer patients.

Talco girls travel to Winnsboro

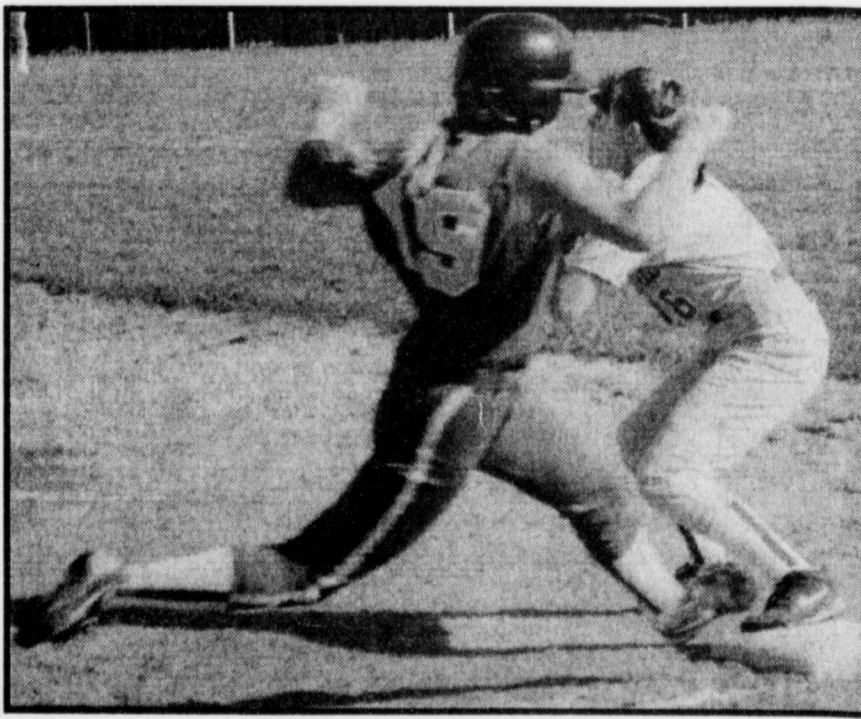

The Talco girls softball team ages 13-15 traveled to Winnsboro for a double header on Friday April 19. The girls first opponent was the Winnsboro Diamondbacks. The Talco Magic team was first at bat and first to score in this first game of the season but the Diamondbacks came back and took a 12-6 lead in the fourth inning. The Magic team was unwilling to give up and bashed by Courtney Jones, Tiffany Prentice, Missy Carroll, Joanie Plunkett and Valerie Morgan put the team right back in the game. Also getting on base for the team were Ashley Cabell, Shelly Hollis, Bre'Ann Stroud and Jessica Forsyth. Pitching for the team were; Valerie Morgan, Missy Carroll and Joanie Plunkett, who all

did a fine job on the mound. The team also did a good job in the field. In the top of the sixth inning the score stood 14-12. Talco and Winnsboro came in to take their last bat. The Magic team got the first Diamondback batter out and then the Winnsboro siren went off for bad weather. The game was called giving Talco the win 14-12. The missed second game will be played at a later date. The team is coached by Randy Hollis. The girls will play their first league game of the season vs Clarksville at Clarksville on Friday, April 26 beginning at 6:00 p.m. Everyone is encouraged to come out and support all the boys and girls summer league teams at home and away games.

Third grades compete in reading

Recently, Mrs. Clemmons's Talco third grade class and Mrs. Via's Talco third grade class have been in an accelerated reading competition. The contest started on March 25 and ended April 12. The winners were announced on Monday April 15. Mrs. Clemmons's class won the contest by accumulating 71.8 points, averaging 6 points per student. Mrs.

Via's class accumulated 44.2 points, averaging 4 points per student. The winners were determined by points per student due to the fact that each class contains a different number of students. Mrs. Clemmons's class was awarded free movie passes to Cinema IV in Mt. Pleasant.
