## Base turns out for track and field meet

(Amn. José Alejandro)

A1C Ladrena Davis, 64th Logistics Squadron, unleashes a 21-foot shot put. Airman Davis placed third in the shot put at the intramural track and field meet Saturday. For meet results, see Page 9.

## Thirteen captains selected for major

Thirteen wing members were selected for major, Reese officials announced Thursday morning. Three of the selectees are inbound.

Selectees are:

□ Marie Charles, Harvey Hilliard and Suzanne Prileszky, 64th Medical Squadron.

□ Jane Coleman and Michael Neilan, 35th Flying Training Squadron.

□ David Britton, Det. 3, Aeronautical Systems Division.

□ James Gregory and Istvan Prileszky, 52nd Flying Training Squadron.

□ Danny Thomas, 64th Security Police Squadron.

□ Steven Waters, 64th Operations Support Squadron.

□ Regina Harris (inbound) and Michael Withers (inbound), Texas Tech AFROTC.

□ Melinda Edwards (inbound), 64th Logistics Squadron.

At Reese, three non-line captains were eligible. All three were selected for a rate of 100 percent. Ten line captains were eligible. Seven were selected for a 70 percent selection rate.

In Air Training Command, 324 line captains were eligible, and 224 were selected for a 74 percent selection rate.

Air Force wide, 4,137 line captains were eligible, with 3,083 selected for a 75 percent selection rate.

## Camp accomplishes goals

### Children benefit from week-long outing

With the help of 20 base agencies, 50 counselors and more than \$3,500 in contributions, Camp Blue Yonder was successful again.

This year, a group of 38 girls and 38 boys spent a week each at Reese, enjoying activities such as Texas Water Rampage, Putt-Putt Golf, Joyland Amusement Park and simulator rides just to name a few.

"I was lucky enough to see the camp from start to finish," said 1st Lt. Mitch Sibley-Jett, Camp Blue Yonder project officer. "Seeing the difference that the camp made in these kids' lives is something I wouldn't have missed."

According to Lieutenant Sibley-Jett, for many, this was the first opportunity to enjoy such activities. More important than the activities however, was the chance to experience warm, positive adult interaction. "There was not one of those

children present who would turn down a chance to attend Camp Blue Yonder again next year," he said. "Many of the children came from less privileged homes, and some had no parents at all. Our Camp Blue Yonder campers were all allowed to 'just be', without judgement or criticism. They did, and they flourished," he added.

"The look in many of the girls eyes said all that needed to be said," the lieutenant said. "They had the greatest time ever. Many did not want to go home."

Lieutenant Sibley-Jett would like to thank all wing members and organizations who participated in making Camp Blue Yonder a success. "Everyone's attitude and patience were vital in ensuring the camp ran smoothly and the campers had the best possible time," he said. "It was a most wonderful special camp!"

## From my perspective

by Lt. Col. Bob Futoran  
Site Activation Task Force commander

In less than five months the first T-1A "Jayhawk" will arrive at Reese to start a new era of undergraduate pilot training.

The T-1A will be the first new aircraft in Air Force pilot training in 30 years and will lead to the return of specialized undergraduate pilot training, which was used by the Air Force in the 1940s and 1950s.

In fact, the T-1 is "replacing" the TB-25 aircraft, one of which is now displayed on a pedestal next to the main gate. As you might guess, the T-1 is a long step from the TB-25.

The T-1 is a business jet produced by the Beech Aircraft Co. in Wichita, Kan. The jet has been modified to meet military requirements, but is essentially the same aircraft flown in the civilian world.

The first T-1 is currently flying at the factory with both civilian and military pilots on board.

By late fall, we expect to have the aircraft certified by the Federal Aviation Administration and ready to deliver to Reese. Once deliveries have started we can expect two or three aircraft per month for about the next year.

The aircraft, however, is not the only part of the T-1 system.

The T-1 simulator is currently operational and undergoing tests at the Quintron plant in Chantilly, Va.

The new simulator will be a full-up cockpit representation of the T-1 with a visual system, but no motion. You should see the first T-1 simulator activity in September when two of the T-38 simulators will be removed in preparation for the arrival of the new simulators.

Also, part of the T-1 project is the syllabus and courseware which are currently being developed in Denver by McDonnell-Douglas Training Systems. We expect these materials to arrive at Reese next spring.

The final part of the system is the maintenance and supply operation. Very soon, you should see construction begin on the contractor operated and managed base supply (COMBS) warehouse behind the temporary living facility.

This will be the first of three major logistics projects to support the Jayhawk.

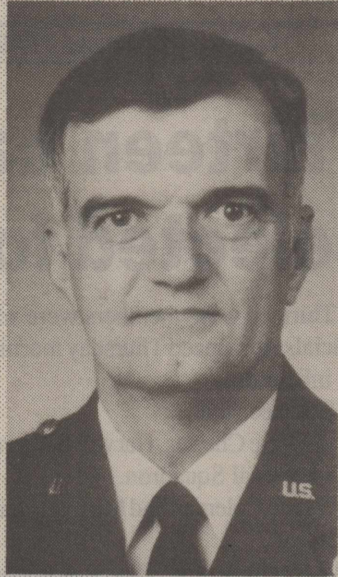

Also behind the TLF, a new T-1 hangar will be built and the north ramp will be torn up to modify aircraft parking.

All of these projects will increase congestion and activity in the north part of the base but will result in modern maintenance and supply facilities to support the new trainer.

For the last year and one-half, Reese has been getting ready for the T-1.

Most of the preparations have occurred at civil engineering drawing boards or in various offices in the operations group.

Soon you will see a trickle of tangible activity around base as small construction projects commence. That trickle will quickly change to a raging torrent as more construction starts, aircraft arrive, simulators are installed, local test flying starts and instructors begin training.

### Civic leaders tour installations

Coffee Conner, Dan Howard and Douglas Boren share a laugh prior to departing Reese Wednesday for Randolph AFB, Texas, and then Eglin AFB, Fla. More than 30 of Lubbock's civic leaders joined together for the tour, which is designed to give the public a better understanding of the Air Force's mission. Full details of the trip will appear in the Aug. 30 Roundup.

## From YOUR perspective

As wing commander, I need to hear things "from YOUR perspective." Your inputs and suggestions can help Reese remain the pacesetter in the command. If you see something good, call me. If you have a problem that you feel needs my attention, call me. First, however, consider using your chain of command.

You may remain anonymous if you wish, but those who leave their name and number can get a direct response to their call. Calls can be made to the Careline 24 hours a day at 3273.

### Is it clean?

My child attends activities at the youth center and I am concerned that the facility is not as clean as it should be.

We apologize if you found the center lacking in standards of cleanliness. We have investigated the situation, however, and, at the time of our inspection, found all to be in order. Further, we verified that our contract janitorial service is meeting its obligation of twice weekly cleaning and the center staff cleans the facility daily.

The center is inspected regularly on a no-notice basis by environmental health and has consistently received excellent ratings. Efforts are continually under way to improve the facility and our goal is a safe, clean, healthy environment for all children who use the services of the center. Thank you for your interest in our children.

### ITT needs sign

We recently bought some tickets at the community center to go see the play "Texas" at Palo Duro Canyon. The day we were supposed to leave we found out that we had an emergency at home. We called the first shirt and he said he would help us try to get our money back from MWR. MWR said they can't refund or exchange tickets. I think the information, ticket and tour office should post a sign stating that all ticket sales are final.

ITT apologizes for any confusion or inconvenience caused by our refund policy. It is posted on the

window at the ITT office in the community center. We are unable to refund the cost of tickets to the play because once we sell you the tickets and reserve your seat we are financially committed. "Texas" officials mark these seats "sold" and begin selling their standby seats.

If "Texas" officials had been informed of your parties' cancellation, they could have resold your tickets and authorized a refund. If the tour leader had then been informed, she could have picked up the refund at the "Texas" ticket window when she paid for the other tour members. Since no one was informed of your emergency situation, the tickets were not resold and cannot be refunded.

Once again, we apologize for the inconvenience to you and your party, but hope this will help to clear up any misunderstanding.

### Volunteer gets mileage

My wife (I'm retired Air Force) is a volunteer at the hospital. The coordinator for family services told me that they are paying mileage for one of the volunteers over there. I can't see why they would do this for one and not do it for all. How does my wife apply for the mileage?

Our Reese community could not continue its first-class support of our folks without the tremendous contributions our volunteers provide.

One of our star volunteers literally went the extra mile visiting spouses separated by Operation Desert Storm all over the South Plains. As you can imagine, this amounts to a considerable amount of driving and expense and special dispensation of non-appropriated funds was authorized for one gasoline fill-up per month to help defray a fraction of the cost incurred by this generous volunteer.

Even though not fully compensated, our volunteer expended out-of-pocket cash to provide a much needed service to this worthy cause during one of the most stressful periods in our history.

I salute all volunteers and ask all of our members to take time to say thanks to our superb volunteers.

Eight wing members honored at graduation

Eight permanent-party wing members were recognized for their work with Reese Undergraduate Pilot Training Class 91-13 during graduation ceremonies Aug. 16 in the Simler Theater.

Cpts. Todd Klevegard (T-37) and Mark Robertson (T-38) were selected as the outstanding academic instructor pilots; while 1st Lts. Christopher Long (T-37) and Dennis Wolf (T-38) were selected as the outstanding flightline IPs.

Morris Kelly (T-37) and Michael Dunn (T-38) of Lockheed were selected as outstanding crew chiefs.

First Lt. John Pletcher, accounting and finance branch chief, was selected as the outstanding mission maker. Michael Gordon was selected as the Lockheed outstanding maintainer.

During the graduation ceremony, five of the graduates were presented awards for their performance during the year of training.

Second Lt. Paul Fitzgerald won the commander's trophy, signifying the class's top graduate. He was also selected as distinguished graduate and won the flying training ("top stick") award.

Second Lt. Christopher O'Neil was also selected as a distinguished graduate.

Capt. Daniel Black captured the leadership award. He also earned the academic training award.

The outstanding second lieutenant award went to 2nd Lt. James Locke and the citizenship award was captured by 2nd Lt. Anthony Bukata.

Other graduates were: Cpts. Frank Effrece Jr. and David Schinkel; and 2nd Lts. Fayez Al-Harbi, Bruce Anderson, Jon Cooper, Todd Copeland, Joseph Deane, Russell Ellis, Michael Guminsky, Robin Hutchens, Thomas Kublie, Sanders Prescott, Glenn Rosett, Nathan Rought, Michel Shahid, Steve Smith, Jeffrey Tidwell, Wesley Tutt and Geoffrey Wade.

## Mission maker

This week's mission maker is A1C David Nuessle, 64th Security Police Squadron. As an installation patrolman, Airman Nuessle provides security and safety to the people at Reese.

"As a patrolman I make sure people don't break any of the rules set at Reese" he said. "Also we're (patrolmen) here to make sure people feel safe while on base."

The Great Fall, Mont., native has been in the Air Force since July 1989 and has been at Reese since December 1989.

"I joined the service then because I saw the job security and benefits," Airman Nuessle said. "At the time, I thought

the Air Force was the way to get started on a career and so far it has worked out."

The airman was deployed in support of Operation Desert Storm in September.

"The most interesting thing I learned while deployed to Saudi Arabia was to interact with people from different nations," the 20-year old said. "It didn't take us too long to learn how to work together as a team."

During his off-duty time, Airman Nuessle enjoys spending time with his wife, Tammy. He also enjoys skiing, hunting and fishing.

## Notes

### Gate closes

The main gate will be closed Saturday and Aug. 31 due to construction. Wing members should use the industrial gate by the golf course those days.

### T-shirt change

A policy change will prohibit the wear of crew-neck undershirts with the open-collared service dress shirts starting Jan. 1, Air Force officials announced.

Officials feel wear of the V-neck undershirt presents a more professional appearance.

V-neck undershirts will replace the crew-neck undershirts currently issued to Air Force people at basic training, beginning in October.

### Retirements set

The retirement ceremony for SMSgt. J.T. Washington has been rescheduled for Monday, 4:30 p.m., at the flagpole in front of Bldg. 800.

The retirement ceremony for MSgt. Danny Bergen, 64th Security Police Squadron, will be held Wednesday, 3 p.m., at Bldg. 500.

A reception ceremony will be held at the enlisted open mess following each ceremony.

### Cannon office closes

The Defense Reutilization and Marketing Offices at Cannon AFB, N.M., and Reese will be closed Sept. 9-13 for personnel training.

For more information, call Robert Burrell, DSN 681-2437.

### Construction set for Hangarline Road

Construction begins Monday on Hangarline Road between N Street and South

Reese Boulevard. This comprises the section between the bowling alley and Sea Breeze pool.

No parking will be allowed as the work is done in half-widths, allowing essential traffic to pass. Also, the parking lots on the west side of the road will be closed for storm drain construction.

Work is scheduled for 200 calendar days.

### Ceremony rescheduled

The wing monthly awards ceremony has been rescheduled for Thursday.

The ceremony will take place in the enlisted open mess at 3:30 p.m., according to wing officials.

### SPs issue advisory

The 64th Security Police Squadron would like to remind drivers that the speed limit in Reese Village is 15 mph. Also, drivers must wear seat belts and come to a complete stop at all stop signs.

The SPs are citing drivers who ignore these rules, and they ask that people remember that children are playing in the village. On a similar note, security police ask parents to keep their children from playing in the streets.

### Section changes name

The 64th Medical Squadron Environmental Health Branch has changed its name. It is now the 64th MS Military Public Health Branch. It's extension and stop number — 3534, stop 64 — are unchanged.

### Releases need okay

Only the public affairs division has the authority to "clear" information about the base for public release. One must submit material to public affairs for its review and possible submission to a higher level of review authority.

# Photo contest set for Sept. 9

The arts and crafts center will hold its 1991 photography contest Sept. 9.

Contest entries can be turned in to the center, Bldg. 340, Sept. 4 - 7.

The contest is open to all wing members and their families. However, only active-duty members' entries will be forwarded for Air Training Command competition to be held at Randolph AFB, Texas, in October.

Winners at the ATC level will be submitted for the Air Force-level competition to be held at Scott AFB,

Ill., in December.

The competition will feature three categories: monochrome (black and white) prints; color prints; and color transparencies (slides).

Contestants may submit a maximum of three entries in each category.

All prints must be mounted on illustration board with no borders or frames.

The center's frame shop will help all contestants prepare their photos.

For more information, call Terry Bozman, 3141.

# Life savers!

## Caregivers save 2-year-old boy

The day started out calm as usual for Debra Harris and Christi Shaffer, both Reese Child Development Center program assistants. It was the same routine they performed every day, as they prepared their room for the children they take care of.

That afternoon, Mrs. Harris, Mrs. Shaffer and Sharon Dorsey decided to take their children to play out to the tennis courts.

This afternoon brought unusually hot weather to the base. The tennis courts meant plenty of room for Gerard Emerson to run and play in. The two-year-old would run around

just as any other child would do.

All of a sudden, while Gerard was running he fell and didn't get up. Mrs. Harris checked on him. He was unconscious.

"I was so scared when I saw that he wasn't moving. I picked him up and took him to Mrs. Shaffer and Mrs. Dorsey," Mrs. Harris said. "When I got him to them, Mrs. Shaffer told Mrs. Dorsey to go back to the center and call 9-1-1."

Mrs. Shaffer put Gerard on the ground and started rescue breathing while Mrs. Harris checked for his pulse. "I couldn't find a pulse on him

so Mrs. Shaffer and I decided to switch places," Mrs. Harris said.

"After two to three minutes Gerard starting breathing on his own," Mrs. Shaffer said. "Shortly after the ambulance arrived and took him to the hospital. The doctor said he would be fine."

Mrs. Shaffer has been a program assistant since November 1988 and Mrs. Harris has worked for the center since April.

"This was the first time either of our skills have been tested," Mrs. Harris said. "We learned how to work as a team that afternoon."

# CES wins IM track meet

## Four Reese records broken as CES makes clean sweep of meet

A1C Marvin Tyler, 64th Logistics Squadron, strides out the final straight-away of the 800-meter race. Airman Tyler placed second with a time of 2:29.

Four records were broken, and one squadron stole the show last weekend during Reese's intramural track and field meet.

Members from five squadrons gathered at the track to compete in nine individual and team events. Points were awarded for first-through fourth-place (where applicable).

The 64th Civil Engineering Squadron captured 114 points, doubling the second place team's points, to win the meet.

The 64th Logistics Squadron finished second with 50 points.

The 54th Flying Training Squadron, 64th Security Police Squadron and 64th Operation Support Squadron rounded out the top five, respectively.

The morning's events started with one-mile run. TSgt. Joe Thompson, CES, took first with a time of 5:08. Second place went to OSS's Sgt. Raymond France, at 5:47, followed by A1C Zeke Mowery, LS, at 5:56.

Sylvia Almonte, CES, took first in the women's division with a time of 10:24.

With a time of 10:60, Sgt. William Carey captured the 100 meters for CES. LS's A1C Peter Adams finished second with a time of 11:08 and was followed by CES's A1C Vaughn Harvey at 11:27.

Theresa Simpson, CES, outran her competitors in the 200 meters at 36.84. With a time of 37.66 and 39.81, LS's A1C Tamika Long and 2nd Lt. Carol Chavez finished second and third, respectively.

Next up was the 400, where LS's A1C Craig Brown finished first at 1:02. CES's Amn. Ty Taylor and Sgt. Anthony Cohn finished second and third with a time of 1:05 and 1:06

(respectively).

First and second in the women's division were won by CES's A1C Tina Stotz at 1:45 and Linda Castaneda at 1:46.

CES took the sweep in the 200 meters as Sergeant Carey at 25.27, Airman Harvey at 26.7 and A1C Douglas Molette at 27.88 finished first, second and third, respectively.

The standings were the same in the women's division in the 100 as Ms. Simpson took first with a time of 36.84 and Airman Long at 37.66 and Lieutenant Chavez at 39.81 finished second and third.

The 800-meter run resulted in another win for the CES team as Amn. Keith Jones crossed the line at 2:21. A1C Marvin Tyler, LS, came in at 2:29 to take second and third went to Sergeant France of OSS at 2:34.

In the women's division Lisa Cervantes at 4:19 and Airman Stotz 4:35, both from CES, captured first and second, respectively.

The discus throw record was broken. The old record of 105 feet and 2 inches was surpassed by Sgt. L. Harper, SPS, who set the new record of 107 feet and 7 inches to take first. Capt. Daniel Black, 54th FTS, took second with 100 feet. Third place went to 1st Lt. Michael Oldenkamp, 54th, with a throw of 94 feet and 3 inches.

In the women's division, Airman Long captured first with a throw of 61 feet and 7 inches. Second place went to Amn. Kimberly Miliken, CES, with a toss of 46 feet and 11 inches and Ms. Simpson, CES, took third with a throw of 44 feet and 10 inches.

Sergeant Harper captured his second gold by winning the shot put

with another record breaking performance. His toss of 44 feet and 10 inches surpassed the old record of 40 feet and 8 inches.

Simpson won her third individual event by winning the shot put with a toss of 23 feet, 10 inches. Airman Miliken captured second with a throw of 22 feet and 5 inches and third place went to A1C Ladrena Davis, LS, with a toss of 21 feet.

The LS team of SSgt. J. C. Johnson, Amn. Thomas Duke, A1C Rico Dyer and Airman Adams set a new meet record in the 400-meter relay at 47.66. The old record stood at 47.94. Second place went to CES's Sergeant Carey, Airman Harvey, A1C Robert Mitchell and Airman Molette with a time of 48.07. The 54th's 1st Lt. Robert Work, 2nd Lt. Clinton Sigg, 2nd Lt. Timothy Lambert and Captain Black finished third at 50.81.

In the women's division CES's Airman Miliken, Ms. Cervantes, Ms. Simpson and Lisa Evans took first with a time of 1:13.01.

Sergeant Thompson, Airmen Jones, A1C Irvin Russel and Sergeant Cohn of CES set a new meet record in the mile relay with a time of 4:02. The old record stood at 4:03.6. Second place went to the 54th FTS team, consisting of Lieutenant Oldenkamp, Capt. Richard Denton, 2nd Lt. Quinn Gummel and 1st Lt. Matthew Miller, who combined for a time of 4:04. Third place went to Airmen Mowery, Tyler, Brown and A1C Marcel Joniauxmero of the LS with a time of 4:09.

The women's division was won by the CES team of Airman Stotz, Castaneda, Sheila Baxley and Almonte with a time of 7:39.
