STORM REPORT

As Reported by...
Stormie Meriwether,

Dearest Friends, Congratulations to the Mustang Homecoming King and Queen and all of WHS for a great Homecoming.

Pop stayed in OKC last week. Baba and I beat my mom and dad at cards.

My mom is bragging about getting a very expensive birthday present from my dad! It's just a joke. We had to replace the roof on the OKC house. We took her to her favorite restaurant on her birthday.

The road construction between OKC and Hinton is horrible! If you drive there, please be careful! Sometimes

Ted Atwood Rites Are Held In Pampa

Teddy Joe “Ted” Atwood, Sr., 95, of Pampa passed away into the arms of Jesus on September 26, 2023, in Pampa.

Services were 10:00 AM, Monday, October 2, 2023, at the First Baptist Church, with Rev. Byron Williamson, pastor, officiating. Burial followed in Memory Gardens Cemetery under the direction of Carmichael-Whatley Funeral Directors and Crematory.

Ted was available for viewing from 2:00 PM – 8:00 PM on Saturday and 1:00 PM – 8:00 PM on Sunday.

The family received friends from 4:00 PM to 5:00 PM on Sunday at the funeral home.

Ted, the son of Thomas Manuel and Florence Armenda Atwood, was born August 21, 1928, at home on the Britt Ranch, outside of Wheeler. He attended the Rock School on the Britt Ranch. Growing up on the Ranch, Ted and his brothers Charles Thomas “Dick”, Walter J. “Sox” and Jack Wallis and his sister Wilma Louise “Cricket” Durham helped his parents do ranch work and pick cotton.

Ted was a devoted husband to his wife LaDell. They were married August 23, 1947, in Wheeler. Ted and LaDell celebrated their 71st wedding anniversary in 2018. He often said there was no one ever

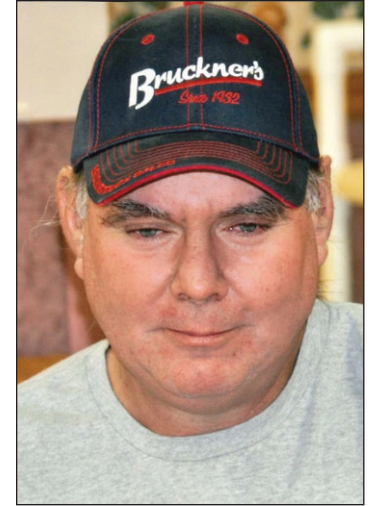

like her and after her death, he missed her every day.

Ted was a wonderful father who lived the example he wanted his children Phyllis, Teddy, Jr. and Regina to follow. He was a soft-spoken man but when he disciplined, he had only to “give-you-the eye” and you knew you better behave. He taught his children honesty and the value of working hard.

Ted loved the Lord in his quiet and faithful way. He was a longtime, devoted member of First Baptist Church. Ted was a Charter member of the Parlor class.

Ted was a hard worker and said the Lord always provided a job for him. As well as farming, He was a mechanic, de-

livered milk for the Sunshine Dairy in Shamrock, worked for the Dr. Pepper Bottling Co. in Pampa and then was a well-respected employee of Cabot Corporation for 36 years.

Ted and LaDell were both leaders in the Gray County 4-H Club. He always loved farm and ranch animals; horses, cattle and sheep and would make pets out of them in no time at all. When he drove up to his "horse lot", the animals would come running to him for a treat.

He loved woodworking and made trivets and quilt racks out of either ash or pine for family and friends.

Ted had an incredible memory, without having to write things down. He enjoyed cars

and attending car shows. He especially loved his 1973 Ford Bronco. He liked going to farm auctions and to car lots on Sundays.

Ted and LaDell's favorite place to vacation was Cabot Ranch in Colorado. He loved fishing with his wife and teaching others how to bait a hook and fish. Evenings around the fire with friends was a favorite pastime.

He was PaPaw and Grandpa to his 6 grandchildren, 16 great-grandchildren and 3 great-great-grandchildren.

Survivors are his children, Phyllis Stuckey (Schuyler) of Frisco, Teddy Atwood, Jr. (Rhonda) of Pampa, and Regina Sandefur (John) of Borger. Ted created wonderful memories with his six grandchildren, Shawn (Allison) Stuckey of Dallas, Brandon (Michelle) Stuckey of Gainesville, Georgia, Jimmy Atwood of Pampa, Carmen Parker of Nederland, Caren Garrard of Skellytown and Zachary (Bertha) Sandefur of

Scott City, Kansas. He had 16 great-grandchildren, Jackson and Drew Stuckey, Jonathan, Joshua, Jaina and Juliana Stuckey, Eric (Charity) Cook, Kiley Fite, Devin and Holly

working as a mechanic for Turner Transportation, and later D.E. Chase, before his battle with Multiple Myeloma finally forced him to retire.

Wade was a fix-it-all and do-it-yourself kind of man. If anything was wrong, he would try to make it right. He spent a lot of the time he wasn't working repairing vehicles for friends, building mini wind generators and creating his own bio-diesel, along with working on dozens of other projects. In his free time, Wade enjoyed finding a lake that didn't have any cell reception to fish at. After Wade retired, he put every ounce of strength he had into fighting his cancer. He underwent years of chemotherapy and kidney dialysis. He even lost the lower portion of one of his legs, but even then, he didn't back down from the fight.

Wade is preceded in death by his father, James Darrell Garner; and his sister, Lenna Lear.

He is survived by his mother, Wanda (Vick) Garner; his wife, Michelle (Lumpkin) Garner of Wheeler; his daughter, Sarah and husband, Jair Tintori, with children Khloe Faye and Americo Wade all of Wheeler; his son, Allen Lumpkin of Wheeler; daughter, Kristen Garner of Okemah, OK; and daughter, Tammye and husband, Steven, Taylor of Frisco, TX.

Emergency Livestock Relief Program

This week, FSA will issue more than \$581 million in 2021 and 2022 drought and wildfire emergency relief to eligible ranchers.

FSA is closing out the Emergency Livestock Relief Program (ELRP) for losses suffered in 2021. ELRP Phase Two payments are estimated at \$115.7 million. Ranchers who lost grazing acres due to drought and wildfire and received assistance through ELRP Phase One will soon receive an additional payment through ELRP Phase Two. This second payment will be equal to 20% of the 2021 gross ELRP Phase One payment. ELRP Phase Two payments to producers will be automatic with no application required. In April 2022, FSA staff processed more than 100,000 payments through ELRP Phase One and paid eligible ranchers more than \$600 million for 2021 grazing losses.

In 2022, ranchers continued to experience significant loss of grazing acres due to drought and wildfire. To help mitigate these losses, eligible ranchers will receive ELRP disaster assistance payments for increases in supplemental feed costs. To expedite payments, determine producer eligibility and calculate the ELRP 2022 payment, FSA is using livestock inventories and drought-affected forage

you go over a hill and all the traffic is completely stopped. It is very difficult for big trucks to stop quickly. Use flashers, tap your breaks, and leave space when you can. They have had very bad accidents in that area. Also, allow extra time to get where you are going.

We enjoyed church at Hinton with family. We had soup and salad lunch after church. It was a fund raiser for the Youth. They are redoing their meeting and activity room.

POWER OF PRAYER

Someone has said that if Christians really understood the full extent of the power we have available through prayer, we might me speechless. Did you know that during World War II there was an advisor to Churchill who organized a group of people who dropped what they were doing every day at the prescribed hour for one minute to collectively pray for the safety of England, its people and peace?

There is now a group of people organizing the same thing here in America. If you would like to participate:

Every evening at 8 PM Central, stop what you are doing and spend one minute praying for the safety of the United States, our troops, our citizens and for the return to a Godly nation. If you have a smart phone, set an alarm to pray from 8-8:01 PM.
