Large Crowd on Hand to Celebrate County's 99th Birthday

A large crowd congregated on the courthouse lawn Saturday morning to help celebrate Briscoe County's 99th birthday, and most of them remained throughout the day and until after the barbecue was served. And they weren't disappointed; the meal was excellent, very much worth waiting for!

Arts, crafts and game booths were set up around the courthouse early Saturday, and most were open for business by 9:00 a.m. The offering included turquoise and silver jewelry, knives, handmade key chains, crocheted dolls, T-shirts, visors and paint-your-own visors, and other items. To eat, you could get homemade Mexican food, ice cream, lemonade and

dessert delicacies.

Games of nickel pitch, washer pitching, ring toss, fishing, dunking, roping and others amused those of all ages.

While all this was going on, an outstanding program of entertainment was taking place under the shelter, where there was everything from line dancing by Amarillo senior citizens, who truly seemed to enjoy themselves while they were here, to square dancing by Briscoe County 4-H'ers. Twelve-year-old Mandy Rampley, granddaughter of O. C. and Faye Rampley, entertained with several selections, including one she sang especially to her granddad. There were numbers sung by Maebelle

Francis, Connie Smith, Janice Hill and Jimmy Burson, and numerous selections played by bands.

In addition, the Cow-Cow Boogie was being played at intervals underneath the shelter. This was played similar to a cake walk, with lots of tasty-looking homemade cakes going as the prizes.

Mr. and Mrs. Paul Ledbetter were honored as Pioneers of the Day, and received an appropriately engraved plaque. This selection was made by the Briscoe County Historical Committee

Weather Remains Rainy, Cloudy, Cool

Weather as the paper was being prepared for printing Tuesday was cloudy and cool, the noon temperature being 73°, and it looked as if it would be raining soon.

Rainfall received so far in August is .81 of an inch in Silverton, even though much heavier amounts have fallen south of town. South Plains received heavy rainfall, as much as four to five inches in places, while Silverton measured .16 of an inch in the 24-hour period ending at 6:00 a.m. Monday.

Normal for Silverton in August is 2.64 inches.

Cotton farmers appreciate the rain showers, but need a swift return to hot dry weather if their crop is to be a good one.

Lori Brannon is Miss Briscoe County 1991

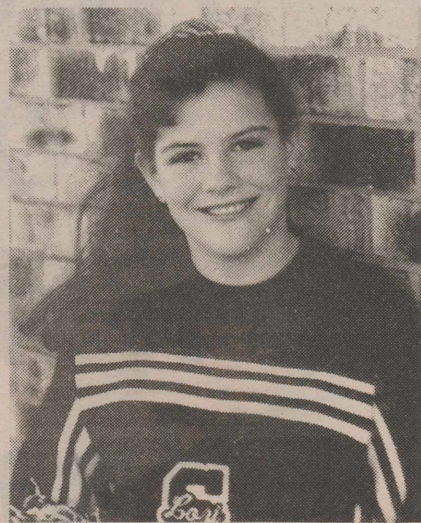

Lori Brannon was presented as Miss Briscoe County 1991 at Saturday night's performance of the rodeo, and the first runner-up was Katy Browning. Both the girls did an excellent job of modeling and answering how they would change themselves physically if they could, as well as selling tickets for the Briscoe County Activities Association.

Miss Brannon will be an eighth grade student in Silverton Junior High this fall. Daughter of Wade and Mary Jo Brannon, she answered her question by saying that the thing she would change, if she could, was to have straight rather than crooked teeth.

Miss Browning is the daughter of Sam and Linda Browning, and will be a senior at Valley High School this fall. She answered the question by saying that she enjoys playing basketball and would like to be tall enough to slam-dunk the ball.

Miss Briscoe County 1991 received over \$800 worth of gift certificates, cash prizes, merchandise and a college scholarship.

The prizes were donated by First State Bank in Silverton, \$50 savings bond; First National Bank in Quitaque, \$50 savings bond; Clarendon College, \$300 scholarship; R Photography, sitting and photograph; Jeans and More Things, Inc., choice of jeans; Tiffin's Dept. Store, gift certificate; Farley's Flowers & Gifts, gift certificate; Roye's, dinner for two; Merrell Food Store, cash prize; Hutsell Jewelry, gift; Silverton Auto Parts, cash prize; Amy's, gift certificate for services/products; Jack's, cash prize; Tulia Wheat Growers, gift certificate; Karol's Kountry Korner, gift; Mary John's

Lori Brannon

Flowers & Gifts, cash prize.

In addition, Briscoe County Activities Association presented a gift certificate to the first runner-up and participants' gift certificates, and the Rodeo Committee presented Miss Brannon with a bouquet of red roses and her crown. Each of the contestants received a long-stemmed red rose.

The other contestants were Carrie Baird, daughter of Hand and Vici Baird; Christa Tucker, daughter of Garner and Dorcas Garrison; Mandy Adams, daughter of Rhonda Cochran and Jim Adams; Vanessa Martin, daughter of Gary and Ramona Martin, and Krisse Pigg, daughter of Donna and Clayton Pigg.

All the contestants did a very good job, represented the celebration well, and were deserving of being Miss Briscoe County 1991.

Silverton Voters Reject Questions

In Saturday's state constitutional amendment election and County Education District election, a handful of Silverton voters went to the polls and rejected all questions.

Across the state, voters approved Proposition 1, which gave the education districts the authority to hold the elections, and rejected Proposition 2 which would have given money to the state's student loan fund.

Silverton's school is the only one in the Briscoe County Education District, and the voters here turned down Proposition 1, 95-36, and Proposition 2, 88-50.

In the matter of granting certain tax exemptions, local voters turned down the homestead exemption question, 95-21, the exemption for disabled and elderly, 99-22, and the personal

property tax question, 78-36.

A small turnout of voters was seen all over the area, but in Silverton the light vote was attributed partially to the Briscoe County Birthday Celebration being held the same day which was attended by a large number of present and former residents.

The Turkey-Quitaque school is a part of the Hall County Education District, and voters in the Valley school portion of that CED approved the exemptions, voting 22-18 for the homestead exemption; 32-11 for the disabled, elderly exemption, and turning down the personal property tax question 38-4. The overall vote in Hall County followed the same trend as was established in the Valley school portion of the CED.

and the award is sponsored by L. O. A. Junior Study Club.

The modeling and judging portion of the Miss Briscoe County Contest was held, and the judges for this were RaDonna Willingham of Amarillo, Leslie Schaffer of Clarendon and Danna Bell of Plainview. Each of the seven contestants modeled dressy outfits and sportswear and answered a question about how she would change herself physically if she were able to do so.

Members of the Miss Briscoe County committee who did an excellent job of carrying out this contest were Donna Pigg, Nancy Wood, Tammy Brannon and Betty Nan Tiffin.

A fall style show was presented by Tiffin's Dept. Store underneath the shelter, and some very pretty garments were shown by models Cheryl Tiffin Roberts, Stephanie and Chad Roberts, Genie, Lisa and Nikki Pat Lavy, Daphne Ferne McGavock, LaVern Kingery, Beverly Bowman and Molly Sarchet. Nikki is just 11 months old, but did a pretty neat job of modeling her dress.

The parade was bigger and better than usual, and seemed to be enjoyed by all present. Progressive Homemakers won first prize and \$100 with their entry in the floats division, and this prize was donated by First State Bank of Silverton. Second place went to the Swisher Electric Cooperative entry, which received \$75 donated by Briscoe Implement. Third place went to the Tulia Floral entry. This was accompanied by \$50 donated by Brown-McMurtry Implement.

In the division for riding clubs, the 4-H Horse Club won first and a trophy donated by Lavy's Pump Service. The Lamb County Riding Club won second place and a trophy donated by Silverton Oil Company.

A large crowd attended the two rodeo performances and dances at the show barn, where Briscoe County Activities Association, Silverton Little League and the Silverton Volunteer Fire Department added money to their treasuries through sponsorship of activities and concession stands.

It was a really big show, and those who planned and directed the events this year will have a hard time topping it for the county's 100th birthday next year!

Our 99th County Birthday Celebration is over and there are so many people and businesses to thank. It takes a community pulling together to put it together and pull it off.

The Rodeo Committee would like to start by apologizing for cancelling the Youth Rodeo and Merchants' Roping, but not for the rain. You may pick up your refund and prize money at the John Deere from Twila Baldwin.

Thanks to Ted Daugherty for the calves and Katy Bomar for the goats. We appreciate everyone for coming to help at the chutes, with the timing, books, etc.; Harvey McJimsey, our flag man; the Extension office and Martha Cavitt for the flags and artwork; and to Anthony Kingery for the use of his building to prepare the float.

The Rodeo Committee Chairman would like to thank the Rodeo Committee for helping him get it all together and being there working the Rodeo. Also, the BCAA for concession stand and gate workers; Loyd and Laverne Stephens for the use of their motor home for an office, and Lee Clay for the electrical work.

The Miss Briscoe County Committee expresses appreciation to everyone who helped make this a huge success: Doug Forbes, for the use of his wagon, and Elaine Forbes and Sandi Tomlin for decorating the wagon; to all the

businesses who donated the prizes to make it one of the largest in the country. We have a lot to be proud of. Everyone, too numerous to list, is appreciated for the help and assistance.

Last, but not least, thanks to the Miss Briscoe County contestants who worked so hard and helped so much. You are all winners!

Bicycle Rodeo To Be Held Here on Monday, Aug. 19

A bicycle safety course and Bicycle Rodeo will be held in front of Silverton High School from 19:00 a.m. until 12:00 noon on Monday, August 19. This event is sponsored by the Texas Department of Public Safety and Briscoe County 4-H. A representative of the Texas Department of Public Safety will be on hand to show a film on bicycle safety and conduct the Bicycle Rodeo. This involves competition and games for all age children who ride bicycles.

Parents are encouraged to bring your children and their bikes to this informative and fun program. Since school will be starting soon, this program will help provide rules and regulations to travel safely on the bicycle and a fun morning of activities. School-age children as well as pre-

school age are encouraged to attend.

Bicycling provides healthy fun and breezy transportation, but accident statistics reveal many potential dangers.

The U. S. Consumer Product Safety Commission estimates that over 460,000 bicycle-related injuries were serious enough to require hospital emergency room treatment last year. Children 14 years and younger suffered over 75 percent of these injuries. Bicycle-motor vehicle accidents claim the lives of an estimated 1,100 bicyclists each year. 32-2nc

Minyard-Haertling Vows Exchanged Recently

Miss Lorrie Minyard became the bride of Donnie Haertling in a double-ring ceremony performed by Dr. Dennis Hochgraber at two o'clock in the afternoon on July 20, 1991, at Parkside Baptist Church in Denison, Texas.

The bride is the daughter of Harrell and Sheila Minyard of Denison, and the bridegroom is the son of Mrs. Margaret Haertling of Colbert, Oklahoma.

Heart-shaped candelabra decorated with roses and carnations in the bride's colors and accented with greenery, bows and balloons held seven tapers and flanked an archway decorated with the same flowers and greenery. Royal blue and crystal balloons marked the aisles.

Escorted and given in marriage by her father, the bride wore a gown of Mori Lee design accented with pearls and sequins. Her veil of illusion fell to waist length from a cluster of white silk roses accented with pearls and sequins. She carried a bouquet of roses and carnations in shades of royal blue, light blue and white.

To carry out bridal tradition, she placed pennies minted in the year of birth of the bridegroom and herself in her shoes, borrowed earrings and added a blue garter.

Lisa Wilkins of Denison attended her friend as maid of honor. She wore a gown of royal blue and carried a bouquet of royal and light blue roses.

Jennie Haertling of Colbert, Oklahoma, niece of the groom, was bridesmaid. Her gown was royal blue like that of the maid of honor, and her flowers were royal and light blue roses.

Candles were lighted and guests were seated by Brant Minyard of Denison, cousin of the bride, and Dyrle Maples of Refugio, uncle of the bride. Groomsman was Jason Minyard of Denison, brother of the bride.

Best man was Tommy Earnhart, nephew of the groom.

Karen Ferrier was organist, and taped wedding selections included "Don't Know Much" and "Everything I Do, I do It For You."

The bride's mother wore a dress of royal blue and added a royal blue rose corsage.

The bridegroom's mother also wore a royal blue dress and added a royal blue rose corsage.

RECEPTION

A reception was held in the church fellowship hall following the ceremony. The bride's table was covered with a white lace double-tiered cloth accented with royal blue bows. The bridal bouquet was used as the centerpiece, and crystal punch bowl and serving dishes were used.

Donna Williston was assisted by Reba Tipton and Virginia Maples in serving the three-tiered white wedding cake iced with white and accented with blue fresh flowers. Kim Minyard was in charge of securing the guests' signatures in the wedding book.

The groom's table was covered with a white lace double-tiered cloth accented with royal blue bows. A silver coffee service and crystal serving dishes were used. The groom's cake was decorated to resemble a '68 Chevelle, and Charity Meek served refreshments at his table.

Following a wedding trip to Galveston, the couple is at home in Colbert, Oklahoma.

She is a graduate of Denison High School and is employed by the Burlington Coat Factory.

Her husband is a graduate of Colbert High School, and is employed by Alcoa Building Products.

REHEARSAL PARTY

An outdoor barbecue at the home of

the bride's parents was hosted by Margaret Haertling, mother of the bridegroom, following the wedding rehearsal.

Public Notice

On July 22, Southwestern Bell Telephone Company filed an application with the Public Utility Commission of Texas for approval of two new optional services, Exchange Connection Service and Customer Alerting Enablement. Exchange Connection Service will permit a customer of the Telephone Company to provide voice messaging service, telephone answering service, or other services to itself or to patrons of the customer. Customer Alerting Enablement will permit residence and business lines to receive an alerting tone (intermittent dial tone) transmitted by an Exchange Connection Service customer. The proposed effective date for this offering is September 23, and will be available statewide where facilities permit.

The calling party's telephone number and other originating network call information will be delivered to the Exchange Connection Service customer when the calling number and the called number are served by the same switch. Additionally, the caller's telephone number and other originating network call information may be recorded and stored by the Exchange Connection Service customer. Customers may be able to identify the caller before the call is answered. All Exchange Connection Service customers will be required to sign a non-disclosure agreement prior to being provided service. In the agreement the customer agrees not to disclose the calling party's telephone number unless the customer has written permission from the calling party.

The Telephone Company estimates these new services will increase its annual revenues during the first year by approximately \$1.2 million. Providers of voice messaging service and telephone answering services and their subscribers are the types of customers likely to be affected by approval of these services.

Exchange Connection Service is provided to customers in two parts: Local Serving Arrangement, which provides access to the exchange network; and Optional Service Features. The proposed rates, for both Exchange Connection Service and Customer Alerting Enablement, including installation charges, are as follows:

Time Nearing For Kids To Go Back to School

State law requires drivers on the same roadway as a school bus that has stopped to load or unload school children, to stop and remain stopped until one of three things happen. The bus driver signals you to go on by, they turn off the flashing red lights, or the bus itself resumes motion. This law

applies whether you are meeting the bus or whether you are going in the same direction; with the only exception being drivers on the other side of a divided highway (roadways separated by a physical median). These drivers are not required to stop when meeting the bus.

Motorists who must back their vehicles into the path of pedestrians or bicyclists should use extreme caution.

Birthdays "99" . . . Meeting friends who have wandered far, with apologies sweet we mend the space, by simply saying, "Don't know your name but I recall your face" . . . Acquaintances new we proudly make, with a gentle smile and a firm handshake; "I am so very glad you came", with a twinge of pain, "I hope we meet again."

The celebration moved smoothly, and as I ponder the many and varied activities, I congratulate the ones who spent so much energy and time (and expense) in putting together the activities that were designed to remind us of passing time and all the countless blessings that are ours because our forebears settled here and had the foresight that brought our wonderful "Briscoe County". Roses to everyone involved in making the "celebration such a success".

I submit some thought provoking poems that I trust will help as we move on. I'll not turn back to past mistakes . . . and dwell on them again . . . but press on to future tasks . . . with strength renewed and sane . . . No matter what the past has held . . . the future days are mine . . . to plan, to work, to build anew . . . with guidance more divine . . . A larger life . . . a deeper faith . . . a purer

love . . . a nobler goal . . . shall be the aim of my desire . . . the earnest purpose of my soul . . .

Seek to be pleasant . . . seek to be winning . . . rudeness and sourness are kin to sinning . . . seek to bring sunshine wherever you go . . . have faith in a bright word more than a blow . . . Seek to be "careful" for nothing at all . . . receiving bouyantly whatever befall . . . seek still to know he healeth your scars . . . that trials bring joy as night brings stars . . .

Live and let live was the call of the old . . . the call of the world when the world was cold . . . the call of men when they pulled apart . . . the call of race with a chill on the heart . . . But "live and help live" is the cry of the new . . . the cry of the world with the dream shining through . . . the cry of the brother world rising to birth . . . the cry of the Christ for a comrade-like earth . . .

A little face to look at . . . a little face to kiss . . . is there anything, I wonder, half so weete as this? . . . A little cheek so dimpled . . . when smiles begin to grow . . . a little mouth betraying . . . which way the kisses go . . . a slender little ringlet . . . a rosy little ear . . . a little chin to quiver . . . when falls the little tear . . . A little hand so fragile . . . all through the night to hold . . . two little feet so tender . . . to tuck in from the cold . . . Two eyes to watch the sunbeams . . . that with the shadows play . . . a darling little baby to kiss and love always.

Go Owls!

Public Notice

On April 9, 1991, Southwestern Bell Telephone Company filed an application with the Public Utility Commission of Texas to request that the optional feature "Call Transfer Disconnect" be available to all PLEXAR I customers by including the feature in Southwestern Bell's PLEXAR I tariff. Currently, this optional feature is available only on a customer requested basis.

Call Transfer Disconnect (CTD) is an optional feature that allows PLEXAR I customers the ability to transfer a call to another telephone number within or outside their PLEXAR I system, hang up, and permit the two remaining parties to continue with the call. The PLEXAR I user is then free to place or accept another call. CTD is not intended to be used to avoid toll charges. Therefore, CTD will not be available to PLEXAR I customers subscribing to optional Extended Metropolitan Service or Extended Area Calling Service.

If the company's application is approved, the monthly rate for CTD will be \$4.00 for each PLEXAR I station line. Prior to the June 19, 1991, interim rate approval, Southwestern Bell was billing customers who receive the service \$1.50 for each station line equipped with this feature. In addition, under Southwestern Bell's proposed tariff, every line within the PLEXAR I system must be equipped with this feature. The nonrecurring charge for the additional lines which must be equipped with CTD will be waived for existing CTD customers. The tariffed monthly rate will apply to all existing and future CTD customers.

Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0256, or (512) 458-0221, teletypewriter for the deaf.

CARDS OF THANKS

Thanks to each and every one who helped in any way to make the quilt show a success, for each table, quilt stand and quilt frame brought and especially for the wire that was put up. Special thanks for the beautiful quilts and afghans that were shown! Thanks again to all, Ruby McWaters

We would like to thank everyone for all the hard work done by everyone. Whether BCAA member or not, you all pulled together and made this year's county celebration a huge success! It makes us proud to be a part of and raise our family in such a wonderful community. If we don't stand united, we will fall. Thanks again to everyone. Brent and Tammy Brannon

The Senior Class of '93 would like to thank those who bought or helped buy the new lights for the baseball field, the Fire Department for the new fence, Leo Fleming for the sand, Leon Lavy and Jerry Miller for the use of the trucks, to Juan Barraza, Johnny Tiffin and all the fathers who helped work on and at the ball park. We hope now our ball park is as nice as the others.

We hope we didn't forget anyone, but if we did, a thanks is in store for you, too.

Thanks to all the teams who played in our tournament to make it a success. Senior Class of '93

Thank you for all the prayers, phone calls and visits since I broke my arm. Special thanks to Betty for the gift, cards and coming to the aid of a one-armed dishwasher, and to Juanita for getting me to the doctor. May God bless you. Irene Loyd

I just wanted to thank each and every one of you for all you did for me while I was in the hospital and recovering. Thanks so much for all the prayers, gifts, flowers, cards, food and thoughts. They really meant a lot to me. I'm so lucky to have so many kind friends. Thanks again, Holly

Happy 99th Birthday to residents and former residents. My family moved there in a covered wagon in 1911. I started and finished high school in 1924. My parents were Mr. and Mrs. J. T. Burson.

I have so many happy and beautiful memories of Briscoe County and its people.

Enjoy the Briscoe County News and "Looking Back"! I'm 85 years YOUNG. Sincerely, Bonnie Burson Brooks

We want to say thank-you to everyone who was so nice to us while I was in the hospital and since I have been home, for the prayers, calls, food, visits and every act of kindness. May God richly bless you. Rev. and Mrs. Wesley Clark and family

I would like to thank BCAA for sponsoring the Miss Briscoe County contest; all the businesses that donated gifts, money, certificates and bonds; Doug and Elaine Forbes and Sandi Tomlin for the wagon and decorations; everyone who supported me by buying tickets; to the three judges who came to judge the pageant.

A special thanks to Tammy Brannon and Nancy Wood for the hard work and many hours spent organizing and making this contest so rewarding. I will proudly represent Briscoe County to the best of my ability.

Thank you, Lori Brannon

We would like to thank all of the people for their many acts of kindness while I was in the hospital and since I have been home. We truly appreciate the cards, flowers, phone calls, visits and especially the prayers. Thanks to the ambulance crew for picking me up and taking me to Lockney.

We are so fortunate to live in such a loving and caring community. Sincerely, Billy and Bette Cogdell
