VOLUME 83

NUMBER 40

Proposition to Address Legislative Pay Issue

The November 5 election will give voters a chance to determine how much say the Texas Ethics Commission will have on legislative pay issues.

Proposition 6 on the ballot would create a constitutional commission to serve as a watchdog over public officials' ethics.

It also empowers the eight-member commission to recommend increases in lawmakers' \$7,200 annual pay and to raise—without voter approval—the \$30-a-day constitutional supplement that lawmakers receive during a legislative session.

Voters are likely to experience *deja vu* when they get to the last amendment on the ballot.

Proposition 13 authorizes the sale of \$300 million more in bonds to finance college loans. A similar proposal failed by a narrow margin in August.

Sen. Gonzalo Barrientos, D-Austin, said a low voter turnout and misunderstanding about the proposal caused its earlier failure.

"Our young people need it," said Barrientos, who plans to campaign for passage of the amendment.

The loan program, administered by the Texas Higher Education Coordinating Board, serves about 26,000 students a year. The board has estimated it will run out of loan funds by next April.

Other amendments on the ballot are:

- Proposition 1, to allow home-rule cities whose population has dropped below 5,000 to amend the city charter by popular vote.

- Proposition 2, to let the Texas Department of Highways and Public Transportation spend state and federal money to build toll roads and bridges if tolls are used to repay the agency.

- Proposition 3, to enable the Veterans Land Board to put money into investments other than federally guaranteed securities.

- Proposition 5, to let cities, counties or junior college districts exempt freepoint goods from property taxes in

economically distressed areas.

- Proposition 7, to give trustees of state retirement funds the flexibility to invest the systems' money in a way they consider prudent.

- Proposition 8, to allow voters to consider bond issues without amending the constitution. The ballot would have to specify the amount of debt, the purpose for which it would be incurred and the method of repayment.

- Proposition 9, to allow the General Land Office to issue clear title to people who have held and paid taxes on public free school land for 50 years.

- Proposition 10, to let the Legislature exempt from taxation property owned by nonprofit water or sewer corporations.

- Proposition 11, to expand the amount of voter-approved water bond money available for projects in the colonias, located along the Texas-Mexico border.

4-H Clubs to Sponsor Team Roping Oct. 13

The Briscoe County 4-H Clubs will sponsor a team roping on Sunday, October 13, at Wood Memorial Arena in Silverton.

The books will open at 1:00 p.m., and roping will begin at 2:00 p.m. There will be a #4 roping, three for \$20; a #5 roping, three for \$20, and an open roping, three for \$20. Cattle will be furnished by Linguish Roping Club.

The 4-H Clubs will have a concession stand, and will be open and serving lunch and snacks throughout the ropings.

All proceeds go to the Briscoe County 4-H Clubs.

Transportation Is Available Here

Panhandle Transit's services are available to all Silverton resident who need transportation locally or out of town to attend to business, shop for things not available locally or for medical or other appointments.

When you make appointments, you need to go ahead and schedule your transportation by calling 423-1100 in Turkey. You will reach Betty Farley's answering machine, and she asks that you leave a message and she will return your call. A 24-hour notice is required because the service usually is booked every day.

If you need transportation, Panhandle Transit can provide it for you. Don't hesitate to call Mrs. Farley. This is available for everyone.

Another Big Caprock Jamboree Coming Here Saturday Night

Entertainment for the Saturday, October 5, Caprock Jamboree will include Shana Van Winkle, The Hesters, The Cloggers, Hunter Jones, Greg Mainus from Oklahoma, Brad Carter and the New Southern Draw.

A word of thanks to all who donated door prizes for the September Jamboree. These include Vivian and Betty Nan Tiffin, Pascal Garrison, Buck and Virginia Hardin, Fish Wilson, Leroy Stone, Nance's Food Store, Tiffin's Dept. Store, Jerry's Malt Shop,

Jerry Miller/Ziegler Pump. We apologize if anyone was omitted from this list; if so, your contribution is appreciated also! The participation of all who help is appreciated very much.

A special thank-you to Tulia Wheat Growers for the new Peavy microphone recently purchased.

Don't forget Saturday, October 5!
 The Hamburger Supper begins at 6:00 p.m., then at 7:00 p.m. the entertainment will begin. Bring your lawn chairs.

Requests Being Taken For Appraisals and Bin Measurements

Several bills have been introduced into Congress which authorize disaster payments for participating and non-participating farms. Producers may request appraisals on disaster-affected acreage and bin measurements for production from disaster-affected acreage.

The producer will be charged for this service.

Producers who wish to do this should request the service before harvesting, grazing, destroying the crop, or using any grain or beans for livestock feed. An ASCS-574 should be filed for all requests.

MAINTENANCE OF CROPS

Producers' crops that have grown up in weeds, where measures have not

been taken to control weeds, can be subject to possible payment yield reductions.

Program crops should be farmed in a workmanlike manner to avoid yield reduction.

HAYING AND GRAZING

If you plan to hay or graze your ACR (set-aside) or CU/PAY acres, you need to go by the ASCS office and sign the register.

MAINTENANCE

Remember to apply appropriate weed control measures to your ACR, CU/PAY acres, and CRP land.

REMINDER

If you are buying or leasing new land, check with the Soil Conservation Service to make sure the land is in compliance with the Conservation Plan of Operations. The plan agreed to by the previous owner or operator stays with the farm regardless of who farms it. Farms not in compliance with the CPO will be ineligible for all federal programs.

You are asked to notify the ASCS office of any changes you make in operating or owning a farm for 1992, as well as address changes, so the records can be kept up to date.

HOLIDAY

The ASCS office will be closed Monday, October 14, for Columbus Day.

Concession Stand to Serve Special Items

The football field concession stand will be serving baked potatoes with all the trimmings during the Junior High and Junior Varsity games here Thursday.

The Junior High game begins at 5:00 with Amherst, and the Junior Varsity will play Alamo Catholic beginning at 6:30 p.m.

Mesquite-grilled hamburgers will be served at the concession stand Friday during the Homecoming varsity football game.

Plan now to come out to the games and eat with the Booster Club!

PTA To Host Area Workshop

October 5, Silverton PTA will be hosting one of several area workshops in the school cafeteria from 9:00 a.m. until 12:00 noon.

Presentations will include Effective Communications Between PTA, Parents, School Boards and Administration, AIDS/HIV Update, and Discussion on How Schools are Affected by New Legislative Funding.

The public is invited to attend.

The next regular PTA meeting will be held October 8 at 7:00 p.m. with a discussion of the upcoming (state-mandated) testing.

• OBITUARIES •

DURWARD L. BROWN

Funeral services for Durward L. Brown, 75, were conducted at 10:00 a.m. Friday at Steed-Todd Funeral Home Chapel in Clovis, New Mexico. Officiating were the Rev. Royce Denton and the Rev. Douglas Brooks. Burial was in the Silverton Cemetery

at 4:00 p.m. Friday by Steed-Todd Funeral Home.

Mr. Brown died at his home in Clovis Wednesday, September 25, following a lengthy illness.

Born August 21, 1916, in Floyd County, he was the middle child of H. Roy and Mary J. (Higgins) Brown, who moved to Cedar Hill in 1889. The family moved to Silverton in 1922 and he completed his schooling here. He married the former Edith Davis on July 3, 1938 in Silverton.

He owned and operated an auto parts store for many years and worked as a supervisor for Motel 6. He was a member of Parkland Baptist Church.

After moving away from Silverton, he was in business in Plainview for many years before moving to Clovis. He retired there in 1979.

He was preceded in death by a sister, Zeldia Dudley, and a brother, Arnold (Colonel) Brown.

Survivors include his wife; two daughters, Betty Wilmeth of Plainview and Jeanette Wise of Seattle, Washington; a son, John L. Brown of Denver, Colorado; eight grandchildren and three great-grandchildren. He was the uncle of Mrs. Carol (Mary) Davis of Silverton.

If you need work done on your vehicle, just call **995-3565** during the day, or call **823-2039 (Joe)** or **823-2498 (Dale)** after 7:00 p.m.

They will pick up your vehicle in the morning, drive it to Tulia, make the repairs needed, and return it to you in the evening.

Remember, we're just a phone call away!

Cheerleaders Taking Orders For Corsages

Silverton's varsity cheerleaders are taking orders for Homecoming mum corsages and garters. There are several different prices of these items, depending on how many extras are included. The mums are either fresh or silk flowers, in either red or white.

Contact Jennifer Grimland, Kami Martin, Christa Tucker, Holly Nance, Leslee Weeks and Christine Casillas for prices and to order items. The mums and garters will be delivered to those who have purchased them Thursday afternoon at the Pep Rally, or afterward.

Homecoming Bash Planned After the Game

All Homecoming alumni and high school students with dates or stag are invited to a Homecoming dance in the school gym Friday, October 4, from 10:00 until 12:00 p.m. Cover charge is one decorated sock per person or couple.

There will be a variety of music played by the D.J.'s. Food and drinks will be served at the concession stand, free of charge! There also will be a cake cut by the 1991 Football Queen, served to all.

Included in the night's activities will be a dance contest. A Hastings Books & Records gift certificate will be awarded to the best girl and guy dancer (couple or stag).

No parents allowed.

Once you are admitted into the Homecoming Bash, you can leave, but cannot return. Be there! Don't miss it!

Free Hot Dogs Are Offered at Bonfire Rally

Free hot dogs and hot chocolate will be served at the Homecoming bonfire Thursday night. The bonfire and pep rally will begin after the Junior Varsity game is over—about 8:45 p.m. Everyone is invited.

Pep Squad Beau To Be Presented

The Pep Squad Beau will be presented at the Pep Rally Friday, beginning at 3:00 p.m. in the school gym. Everyone is invited to come and help cheer the Owls to another victory!

The candidates for Pep Squad Beau, as nominated last week by the Pep Squad members, are Michael Hill, freshman; Matt Francis, sophomore; Stan Gamble, junior, and Bryan Breedlove, senior.

Be there!

Go Owls!

Reye's Syndrome Alert is Issued Again

Reye's Syndrome is a very serious disease that you should know about. Some people develop Reye's Syndrome as they are getting over a viral illness like the flu or chickenpox. Reye's Syndrome usually affects people from infancy through young adulthood; however, no age group is immune. It can develop three to five days after the onset of chickenpox, upper respiratory infection, or other fever-causing illness. It affects the liver and brain, is non-contagious, and is often mis-diagnosed as encephalitis, meningitis, diabetes, poisoning, drug overdose or sudden infant death.

Typically, Reye's occurs when someone is recovering from a viral illness and begins to feel better. A person's life can depend on early diagnosis. Watch for these symptoms, usually occurring in this order.

- Relentless or continuous vomiting
- Listlessness (loss of pep and energy with little interest in their environment)
- Drowsiness (excessive sleepiness)
- Personality change (such as irritability, slurred speech, sensitivity to touch)
- Disorientation or confusion (unable to identify whereabouts, family members or answer questions)
- Combativeness (striking out at those trying to help)
- Delirium, convulsions or loss of consciousness

Reye's Syndrome should be suspected in anyone who vomits repeatedly. Phone your doctor immediately if these symptoms develop. Voice your concern about Reye's Syndrome. If your physician is unavailable, take the person to an emergency room promptly. Two liver function tests (SGOT, SGPT) can be done to determine the possibility of Reye's Syndrome. There is a 90% chance of recovery when the syndrome is treated in its earliest stages by physicians and nurses experienced in the treatment of Reye's.

Studies have shown that using aspirin or aspirin-containing medications to treat the symptoms of viral illnesses increases the chance of

New Arrival

Master Skyler Chase Beesinger arrived at Coronado Community Hospital in Pampa on September 22, 1991. The baby weighed six pounds and measured 17 1/4 inches.

Proud parents, Jana and Rick, will be making their home in Hereford.

Proud grandparents are Mr. and Mrs. Joe Kitchens of Pampa, and Mr. and Mrs. Richard Leon Beesinger of El Paso.

Great-grandparents are Mr. and Mrs. Louie Kitchens, and great-great-grandmother is Mrs. Wade Steele, all of Silverton.

Silverton School Lunchroom Menu

Monday—Fish, Coleslaw, French Fries, Cornbread, Brownie, Milk

Tuesday—Fajitas, Salad, Hot Sauce, Chips, Fruit, Milk

Wednesday—Vegetable Soup, Grilled Cheese Sandwiches, Fruit, Milk

Thursday—Fried Chicken, Gravy, Mashed Potatoes, Green Beans, Hot Rolls, Syrup and Butter, Milk

Friday—Hamburger or Cheeseburger, Salad, French Fries, Cookie, Milk

developing Reye's Syndrome. If you or a member of your family have a flu-like illness, do not use aspirin or aspirin-containing medications. In fact, you should consult your physician before you take any drugs to treat the flu or chickenpox, particularly aspirin or anti-nausea medicines. Anti-nausea medicines may mask the symptoms of Reye's Syndrome.

Mr. and Mrs. Gordon Lourey are announcing the engagement and approaching marriage of their daughter, Nancy Shavonne, to Mr. Jeffrey Bryan George, son of Mr. and Mrs. Ronnie George of Tulia. The couple will be married December 7, 1991, at the First Baptist Church in Silverton. The bride-elect is a graduate of Silverton High School and attended Texas Tech University and Amarillo College. She is currently working as an orthodontics assistant with Orthodontics of Amarillo. Her fiance is a graduate of Tulia High School, attended Texas Tech University, and is currently engaged in farming near Kress.

Owls Take Big 32-15 Victory Over Guthrie Jaguars

Last year the Jaguars came to Silverton and spoiled the homecoming here, and this year the Owls went to Guthrie and returned the favor by handing them a 32-16 defeat before a rather small homecoming crowd.

The Owls have a season-long agreement which states that the word *can't* not be used on the football field. "If the kids say it during practice we make them run," Coach Clyde Parham said.

Parham might have had to loosen his legs in Monday's workout since he severely battered the rule during Friday's halftime at Guthrie.

"I told them that I was going to use the word just this once, and then I told them that we *can't* keep making mistakes once we get inside their 20-yard line."

After failing to score on two occasions inside Guthrie's 10-yard line before intermission when Silverton trailed 15-14, the Owls got the job done with three second half touchdowns while holding Guthrie pointless.

"We needed to execute once we got inside the 20 and we weren't doing it," said Coach Parham, adding that the Owls finished with eight penetrations.

Coach Parham praised senior quarterback Josh Brooks. "We put in six new pass plays, and Josh did an excellent job of executing them. Our passing game has been slim, nil and none, and our quarterbacks aren't very big, so we had to design some plays (rollouts) where he could see over our linemen."

Silverton, now 3-1, hopes to have Frank Ramirez (pulled hip muscle) and Bryan Breedlove (sprained back) back in time for the Homecoming game this week against Follett, which improved to 2-2 after downing Higgins last week, 32-30. The Owls open district the following week against Three Way.

The Owls kicked off to Guthrie, the ball going into the endzone for a touchback. (The Owl kicking game was just great!) Defense by Langdon Reagan and Lyndell Ivory held the Jags to a two-yard gain on their first play, and they moved to the 27 where defense by Reagan stopped the play on their second attempt. An incomplete pass on third down was the result of pressure on the quarterback by Lance Holt, and Brian Martin carried the fourth-down punt back to the Jag 38.

Brooks passed complete to Casey Frizzell for a first down on the Groom 12 before Ivory moved the ball to the

Langdon Reagan has been a big play-maker on defense for the Owls, and is pictured stopping one of the Guthrie Jaguars for no gain last Friday night. He also is the offensive center for the team.

Briscoe County News Photo

three-yard line. Ivory scored with 7:17 remaining in the first quarter and Brian West kicked the PAT to give the Owls an 8-0 lead.

When the Owls kicked off, the Jags carried out to their 11, but on first down went to the 34, and marched downfield in spite of defense by Holt, Frizzell, Reagan, Brooks and Ivory to score with 3:43 remaining in the first quarter. They kicked the PAT, and tied the score at 8-8.

Guthrie's onside kick was taken by Ivory on the Silverton 30, and on the first play West ran for a first down on the Jag 22. Martin moved the ball to the 15, but the Owls lost the ball via the fumble route on the Guthrie six on their third-down play.

The Owl defense, provided by Reagan and Ivory, allowed a first down, but then forced a punt which was downed by Frizzell on the Silverton 29.

West carried to the 34, and a pass from Brooks to Frizzell was good for a first down (after major penalty) on the Guthrie 20. Another Brooks to Frizzell aerial was good for a first down, and Ivory scored with 6:41 remaining in the second quarter. West's PAT kick was blocked, and the Owls led 14-8.

West kicked into the endzone again,

and the Jags started by running for a first down on their 37. Then up popped Holt, Reagan, Brooks and Frizzell and started throwing them for losses. Ivory performed a quarterback sack which lost 10 yards, and the Jags punted to the Silverton 27.

This time the offense was unable to move the ball, and the Owls punted to the Guthrie 32 with 2:27 remaining in the first half.

Guthrie moved for a first down on the Silverton 11, and scored with 1:01 remaining on the clock. Their PAT pass was complete, and the Jags moved into a 15-14 halftime lead.

The Jags kicked off to open the second half of play, and Martin moved the ball to near midfield. West picked up a first down on the 30, and West and Martin moved the ball to the 20. Martin made a first down on the three, after which the offense lost back to the 10. Brooks passed complete to Frizzell to move back to the three, but the ball

went over on downs to the Jags at their one-yard line.

Guthrie went for a first down on their 20, before a third-down pass was broken up by Martin. On fourth down they punted.

Martin ran for a first down to the Guthrie 10, after which Ivory picked up about three yards. Martin went in for the score with 54 seconds remaining in the third quarter. The kick failed, and the Owls moved into a 20-15 lead.

Guthrie passed complete for a short gain, with defense by Reagan, and a quarterback sack by Ivory and Stan Gamble moved the Jags back to their 20. As the fourth quarter began, Gamble and Ivory executed another quarterback sack, moving the ball back to about the five, and the Jags punted to their own 29.

The Owl offense was unable to move the ball in spite of a completed pass from Brooks to Gamble. The Jags also were unable to move the ball, and the Owls got the ball back on the Guthrie 31. Martin carried for a 10-yard gain, the Owls fumbled and Gamble recovered. West carried for a first down on the five, after which a razzle-dazzle handoff from Brooks to Frizzell and a pass to Martin went all the way for a touchdown with 2:53 remaining in the game. The PAT kick failed, and the Owls moved into a 26-16 lead.

The Owls kicked off, and on first down Guthrie fumbled, and the ball was recovered by Ivory on the Silverton 32 with 2:33 remaining in the game.

West and Ivory carried for some yardage and Ivory made a first down by inches on the Guthrie 33. A pass from Brooks to Frizzell moved the ball for a first down on the 15, after which Martin scored with 34 seconds remaining in the game. There was no PAT, and the Owls enjoyed their final 32-16 lead.

The Owls successfully executed an onside kick which was taken by Martin, and Silverton proceeded to kill the clock.

Silverton made 15 first downs as compared with 10 for Guthrie. The Owls rushed for 194 yards and passed for 102 for a total offense of 296 yards. The Jags rushed for 157 yards, passed for -2 yards and gained a total of 155 yards.

Brooks hit six of eight passes for 79 yards, and Frizzell hit one of one for 23

See OWLS TAKE VICTORY — Continued on Page Nine

Brian West is shown picking up yardage for the Owls at Guthrie last Friday night. West picked up a number of first downs for Silverton, rushing for 72 yards on 13 carries and also doing a good job on kickoffs and kicking two PATs.

Jeremiah Brooks has scored several touchdowns for the Junior High Owls this season, and was pictured as he eluded tacklers enroute to the endzone against the Groom Tiger Cubs here last Thursday afternoon. Brooks also quarterbacked the team part of the game.

Briscoe County News Photo

Junior High Owls Score First But Lose to Groom

In their second meeting of the season, the Junior High Owls scored first but went on to lose the game to the Groom Tiger Cubs.

Groom kicked off to the Owls, and the ball was taken on the Silverton 19. Anthony Gamble went to the 32 on first down, and Jeremiah Brooks carried for a first down on the Groom 34 the next play. Gamble then went to the 17 for another first down, and Zach Baldwin completed a pass to Zeb Holt for a first down on the one-yard line. Brooks scored with 1:46 remaining in the first quarter. Gamble carried the PAT into the end zone, and the Owls enjoyed a 7-0 lead.

After the kickoff, Gamble prevented Groom from going all the way for a touchdown, but the Cubs carried to the 13 on their first play. Gamble stopped the Cubs short on their next play, and

on third down they went into the end zone for a touchdown that was called back for a five-yard penalty against the Cubs. They scored on the next play, carried the PAT, and with 17 seconds remaining in the first period, the score was knotted at 7-7.

When the Cubs kicked off, the Owls didn't down the ball or even attempt to take it, and Groom recovered. The Cubs went to the Silverton 17 on their first play, and the second play of the second quarter they scored again on sort of a gift from the Owls. They carried the PAT, and with 5:25 remaining before halftime, the Cubs led 14-7.

When Groom kicked off again, Arnold Garza carried out to the Silverton 33, where the Owls consistently lost yardage except on a play where Brooks carried the ball for a four-yard gain. Brooks killed Silverton's punt on the Groom 23, and the Cubs were back on offense again.

They passed on their first play, with Holt stopping the play on the Groom 27. They made a first down on the next play in spite of defense by Brooks, and Cy Comer stopped the next play on the 35. They scored on the next play with 50 seconds remaining in the first half, but this was called back due to a penalty against Groom which moved the ball back to midfield. Holt and Brooks stopped the next play on the Silverton 27, and Brooks and Holt stopped the next play which netted the Cubs a first down on the 15. They scored on the next play with five seconds remaining in the second quarter, carried the PAT, and moved ahead 21-7.

The Owls got off only one play before the first half ended.

When the Owls kicked off to open the second half, Groom took it all the way for a touchdown. They ran the conversion in, and held a 28-7 lead with

Junior Varsity Owls Drop Close Match to Groom

Silverton's Junior Varsity Owls hosted the Groom Tiger JV last Thursday, playing with only six players.

They took the kickoff which opened the game out to the 15, after which Lance Bradford moved the team to the

5:49 still remaining on the third-quarter clock.

Once again Groom kicked off to the Owls, and Gamble carried out to the Silverton 32. This series ended in a punt to the Groom 22.

It took Groom just three plays to go into the endzone again, and with 2:01 remaining in the third quarter, the Tiger Cubs moved out front 34-7.

When Groom kicked off to the Owls again, the Owls fumbled and Groom recovered on the Silverton 30. This time only three plays were required to get the ball into the endzone. There was no conversion, and with 36 seconds remaining to be played in the third period, the Cubs led 40-7.

Groom kicked off once again, and Brooks brought the ball out to the Silverton 33. A personal foul against Groom moved the ball to the Cub 33. Brooks carried for a first down on the 16 as the third quarter ended. Gamble carried a touchdown on the next play, there was no PAT, and with 5:52 remaining to be played in the game, the Owls narrowed the lead to 40-13.

The Owls kicked off to Groom and Baldwin provided the defense on the first play. Gamble defended successfully on their next play, but on third down they went into the endzone again. There was no conversion, and with 3:38 left on the clock, the Cubs led 46-13.

After Groom kicked off to the Owls and Brooks took the ball out to the 32, Gamble carried to the 37. Garza carried the touchdown, taking the handoff from Brooks. Brandon Sarchet carried the conversion, and with 2:22 remaining to be played in the game, the Owls trailed 46-20.

The Owls kicked off, the onside kick was taken by Groom on the 33, and after a first-down penalty, the Cubs fumbled and recovered their own fumble on the Silverton 22. They made a first down on the 10, and the Owls prevented a touchdown on the last play of the game.

The Junior High Owls are hosting Amherst at 5:00 p.m. today (Thursday). Pep rally is at 12:20 p.m. Be there!

27 and Michael Hill went for a first down on the 37. The Owls fumbled and lost the ball on their own 35.

The Tigers moved through a first down on the Silverton 18 to score on a pass play with 4:57 remaining in the first quarter. There was no conversion, and the Tiger JV led 6-0.

The Owls took the kickoff and made a few yards on runs by Hill, but on fourth down an incomplete pass caused the ball to go back to the Tigers. Groom lost three yards on first down, compliments of Matt Francis, and their quarterback was sacked by Francis on the Groom 15. Hill took Groom's punt back to the Groom 34, from where he carried twice to gain a first down on the 15 as the first quarter ended.

Bradford carried to the 10, and the ball went over on downs to Groom after the offense was unable to gain enough yardage to overcome a clipping penalty.

This time defense by Francis, Braden Towe and Lance Smith threw Groom for losses and on fourth down they punted to the Silverton 35. With 4:36 remaining in the first half, Hill carried for a first down on the 28, before the team saw a quarterback sack and the ball go back to Groom on the 37.

This time the Owl defense held, and on fourth down the ball went back over to the hometown boys. This time carries by Hill carried into the endzone, but a penalty brought the play back to a first down for the Owls on the Groom 35. A pass from Towe to Smith and a lateral to Hill moved the ball to the Groom 35, Bradford carried to the 25, and there the first half ended.

The Owls kicked off to open the second half, and the Tigers wasted no time in scoring. They carried the conversion, and with 6:20 remaining in the third quarter, led 13-0.

This time Bradford carried the kickoff back to the 38, and Hill carried

See JUNIOR VARSITY OWLS — Continued on Page Ten

Owls Take Big Victory — Continued From Page Eight

yards. Frizzell caught five passes for a gain of 74 yards, Martin caught one for 23 yards and Gamble caught one for 15 yards.

Martin carried the ball 14 times for a gain of 103 yards, West gained 72 yards on 13 carries and Ivory gained 45 yards on 11 tries.

This is Homecoming week for the Owls. Kickoff is at 7:30 p.m., but pregame activities will start about 7:00 p.m. Plan now to be there!

Blood Pressure Clinics Held Every Monday

Blood pressure clinics are held from 3:00 until 5:00 p.m. every Monday at the Senior Citizens Center.

If you need to have your blood pressure checked, be there at that time.

to the Groom 35, where he was hit out of bounds and penalty yardage against Groom moved the ball for a first down on the 20. Bradford carried to the 12 and Hill went in for the score with 4:55 remaining in the period. There was no conversion, and the Owls had narrowed their deficit to 13-6.

When the Owls kicked off, it went into the endzone for a touchback, and defense by Bradford and Francis threw the Tigers back until they were on the 18 on third down. They punted short to the 18, but the Owls were unable to move the ball. Groom was back on offense as the fourth quarter began, but the Owl defense prevented a first down and the ball went over at the 38. From there Hill carried to the 34, Bradford moved the ball two yards closer, and Smith went over for the touchdown with 6:55 remaining in the period. There was no PAT, and the Owls trailed 13-12.

There was another touchback on the kickoff, and the Tigers moved for a first down on the Silverton 37. They gained another on the 15, but after a couple of

incomplete passes, the ball went over to the Owls on the Silverton 25 with 2:19 remaining in the game.

Hill carried for a first down at midfield, and Bradford took it to the 33. Smith took it to the Groom 35, and

Hill moved to the 25, but the ball went over on downs with 1:24 remaining to be played.

Groom received a penalty on their first down, and carried a touchdown on their next play. With 51 seconds

remaining and their PAT attempt having been an incomplete pass, the final 19-12 score was made.

The JV team is scheduled to host Alamo Catholic at 6:30 p.m. today (Thursday). Be there!

Parents Are Reminded About Shoe Purchases

Parents of Junior High and High School basketball boys need to be aware that shoes can be bought through Coach Bob Libby for \$62.00 per pair, or they may go through The Foot Locker (price not known) for your basketball shoes.

4-H Rifle Club to Meet October 6

Any 4-H'er interested in the shooting sports or riflery is invited to attend the first project meeting Sunday, October 6, at 2:30 p.m.

This first meeting will be at the Bryan Burson residence.

David Reagan and John Burson will be leaders for this project.

If you have any questions, please call the Extension office, 823-2131, Mr. Reagan or Mr. Burson.

Caprock 4-H to Have Pet Show

Caprock 4-H Club will sponsor a Pet Show on Tuesday, October 8, at the Silverton Showbarn. Registration begins at 4:00 and the show begins at 4:30 p.m.

This is for all Elementary and Junior High students. You do not have to be a member of 4-H to enter. The show is open to dogs, cats, birds, fish, hamsters, snakes, rabbits, chickens, grasshoppers, goats or any other pet that can be held, placed on a leash, caged or controlled by the student.

Categories for competition are Biggest Feet, Shortest Legs, Best Costume, Longest Ears, Most Spots, Saddest Face/Eyes, Roly-Poly Pet, Most Unusual, Bushiest Tail, Master-Pet Look-Alike, Clumsiest Pet and Happiest Face. Students may enter a pet in up to four categories with a fee of 25c per category.

Parents, grandparents, friends and neighbors are invited to attend this fun event. There is no charge to attend.

Antique Tractor Enthusiasts Organize Two-Cylinder Club

Texas Panhandle-area antique tractor enthusiasts met earlier this month in Abernathy to organize the Two-Cylinder Club, Area 16, which is open to anyone interested in vintage tractors or tractor engines.

Don Sarchet of Amarillo was elected

president of the club. Vice president is Jimmie Davis, Abernathy; secretary is Eddie Earnest, Plains; treasurer is Phil Gunderman, 5716 93rd Street, Lubbock, Texas 79424, and reporter is Gail Davis, Abernathy.

Sarchet said 42 member families

joined the club at the initial meeting, and there are now 54 members.

"We will be associated with the Two-Cylinder Club International, sanctioned by Deer & Company of Waterloo, Iowa, with 20,000 members internationally," Sarchet said.

"Old tractors are becoming quite popular and the value is increasing all the time. People are restoring them to original condition," he said.

"Most members of the club in our area have from one to 15 or 20 old tractors they have collected and are restoring or trading," Sarchet said, adding that the club anticipates ultimately having about 90 member couples.

Area 16, assigned by the international club, includes the 79- zip code area, covering the Texas Panhandle, South Plains and Permian Basin areas.

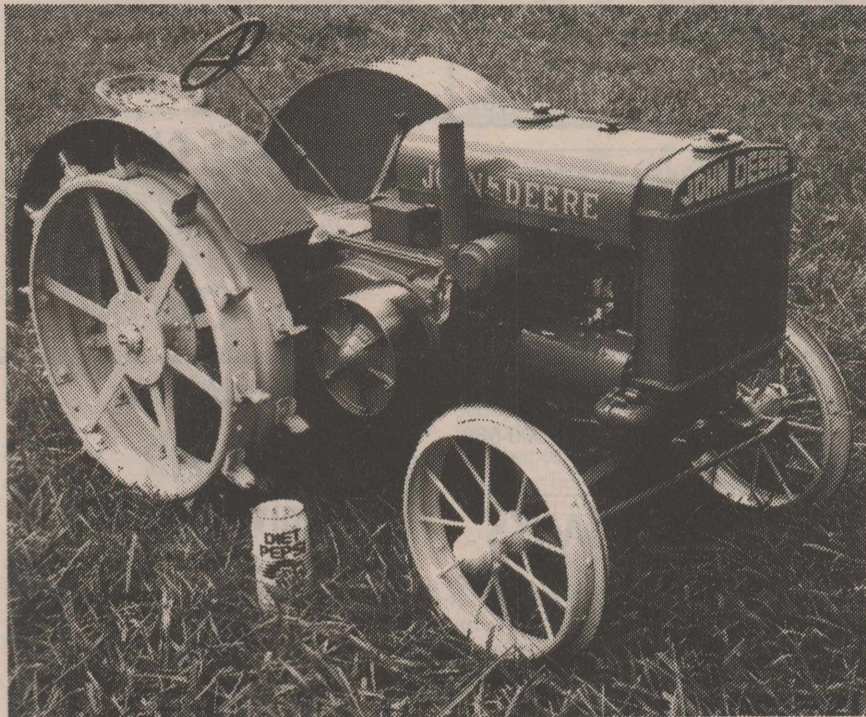

Sarchet said the group plans a private "get-acquainted" meeting and show next month for club members only.

"Later on we will have activities open to the public, including shows at different locations," he said. The club's focus will include all types of farm machinery and all makes of equipment.

It is possible that the club will have a show in Silverton during the celebration of Briscoe County's centennial.

Anyone wanting more information on the Two-Cylinder Club can call Sarchet at (806) 358-3433 or the Davises at (806) 298-2169.

New memberships can be mailed to Gunderman.

1925 John Deere D in 3/8 Scale That Runs—After completely disassembling an original tractor, measuring and reducing each component part, Dennis Franz of Newton, Kansas, completely handmade the mini D. Franz started in 1990 and finished in 1991. He worked approximately 2,500 hours on the tractor. The mini D's spark plugs, magneto, carburetor, governor, oil pump, priming cups, grease cups and all gears (which were heat treated), were completely hand built by Franz. The only castings consist of the flywheel, transmission, quills, radiator cap, fuel cap and front hub caps. Lettering was cut out of brass with a jeweler's saw and soldered to the substrait. The following were fabricated out of steel: crank case, transmission case, front and rear axles, water-cooled cylinders with cast-iron liners, water-cooled cylinder head with cast-iron valve seats, seat, steering wheel, etc. Pistons were made from solid bar stock. Crankshaft was fabricated out of seven pieces of steel, then ground and balanced. Specifications: weight: 254 lbs.; stroke: 3"; bore: 2 7/16", 2 28 cid, full-pressure oiling, 400-900 rpm, approx. 1.5 hp; height at radiator cap: approx. 21"; length excluding seat: approx. 41"; width: approx. 23". The tractor was on display at the Perryton Antique Tractor Show two weeks ago.

CARDS OF THANKS

I want to thank everyone that had a part in making my birthday special, for the dinner that was prepared for me at my church, the cards, gifts and prayers for my continued good health; also the refreshments in of homemade ice cream and cake in the afternoon at my daughter's home with the family of Leon and Pat Lavy.
May God bless everyone that took part. We love you.
Mae Booth

My family and I would like to thank you for the cards, phone calls, visits and every expression of concern since my surgery and return home.
All expressions of your friendship and offers of assistance have been deeply appreciated.
Becky Dunn

I want to thank each and every one for your prayers, visits and words of encouragement after the death of my brother. I knew you were praying for me when I walked out the door to go across the canyons.
Thanks again,
Blanche Copelin
