SOME OF THOSE RESPONSIBLE for the many hours of time and work that went into the construction of a new "noise wagon" are shown here with the newest addition to Greyhound football games. The specially constructed trailer comes complete with nitrogen powered air horns identical to those used on train locomotives and a cast iron bell. Both will be used to loudly announce Knox City touchdowns at high school football games. Completed as a Booster Club project, those who helped with the project were Todd Lewis with construction, painting and furnishing the tires, Tommy Guy Waldrip with the artwork, Charles Pierce with obtaining the horns and bell, Darrell Marion with the nitrogen gas system and supplies, Anthony Logsdon and Walter Rauch. The Booster Club also expressed their appreciation to Sterling Lewis for the paint and use of his body shop for construction and painting, and to Superintendent Clead Cheek and Principal Don Fritsche for school support of the project. Greyhounds Win Opener Against Seymour, 20-14

Travel To Aspermont Friday

By Dave Thompson

The Knox City Greyhounds opened their 1989 football season on the road last Friday evening as both the teams and a caravan of supporters traveled east to take on the Seymour Panthers for a hard hitting game that was full of action.

Seymour won the opening toss and elected to receive and start offensive action. Even with the advantage of having first possession, the Panthers seemed to falter as they faced an awesome Greyhound defense. With Seymour soon turning the ball over to the Knox City offense, those in the bleachers did not have to wait long for scoring action. Knox City quarterback Billy Large put on quite a show as he crossed the goal line twice in the first quarter with quarterback option runs for long yardage and 12 points on the scoreboard. Extra point kicks added two more points and midway through the first quarter, Knox City led 14 to 0 over a Seymour team that appeared to be in a state of shock.

After the Panther offense stalled out on their next series, Knox City took over once again, this time with Andy Williams at the helm as quarterback. The Seymour defense seemed to wake up as they rallied to slow the next Greyhound drive. Williams initially took a loss of several yards, but completed a long pass to Boyce Tankersley that moved Knox City down the field again.

A succession of short yardage plays by the Greyhound offense allowed Knox City to steadily move down the field. With a minute or so left on the clock in the first half, Knox City started a drive that stalled, and the Greyhounds left the field at halftime leading the Panthers by a score of 14 to 0.

Second half action brought Large back in at the quarterback position and he quickly tried the same quarterback option play that had been so successful in the first half. The Seymour defense must have gotten a jump start during the half because they came to life at the start of third quarter action and soon forced Knox City to turn the ball over to the Panther offense.

Greyhound defensive players showed their strength as they allowed Seymour only short yardage plays. After going back on offense, it didn't take Knox City long to score and they soon put another six points on the scoreboard to show a score of 20 to 0 with 2:54 left in the third quarter.

A fumble by Seymour turned the ball back over to Knox City on the Panther 26 yard line, giving the Greyhounds excellent field position. A tough stand by Seymour held the Greyhound offense as Large was sacked and lost yardage before Knox City turned the ball back over to the Panther offense.

A long yardage play by Seymour took the Panthers deep into Knox City territory as the Greyhound defense faced the first real scoring threat by Seymour. On a third down with three yards to go, Seymour picked up the first down with a run and moved Seymour to the Knox City 12 yard line. A short run into the end zone on the next play brought Seymour their first six points of the ball game. A two point after attempt failed and the score advanced to show Knox City ahead of Seymour 20 to 6.

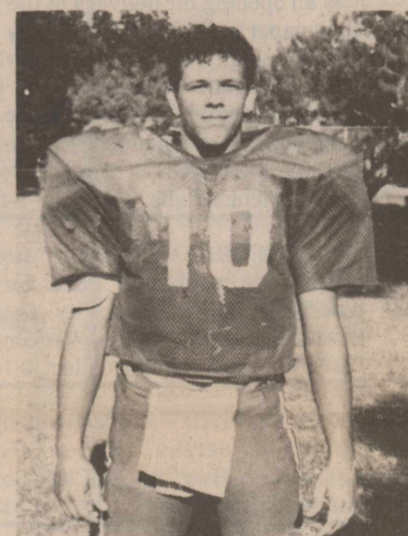

Following a poor showing by the Greyhound offense on the next series, Seymour took possession and swiftly

moved the ball deep into Greyhound territory as they threatened to score again. With 1:36 left in the ball game, Seymour took a time out as they faced a critical third down and three yard play. One play later, the Panthers put another six points on the board as the Knox City defense appeared to fall apart. Seymour then added two points

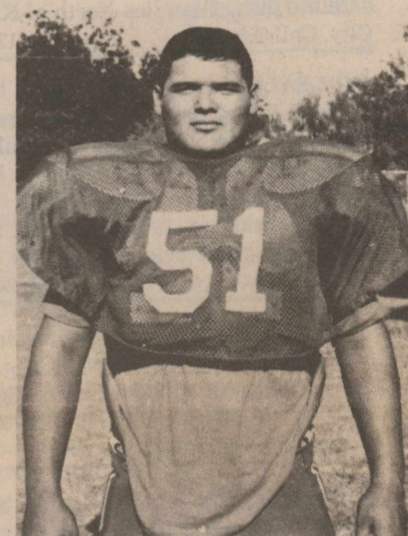

with an easy run on the two point conversion to bring the score to Knox City 20, Seymour 14.

Ball control by Knox City with the Seymour defense going after the ball brought an exciting finish to the game. Neither team added anything else to the scoreboard, and the final score was Knox City 20, Seymour 14.

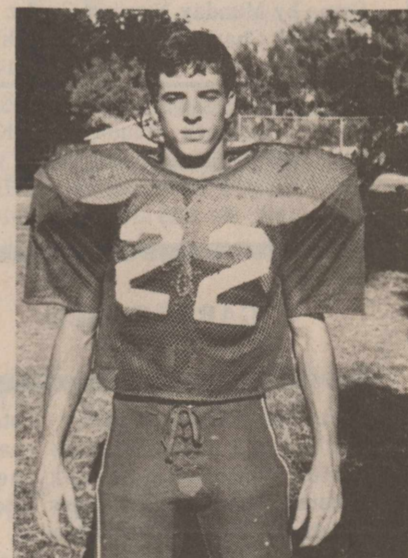

Players Of The Week

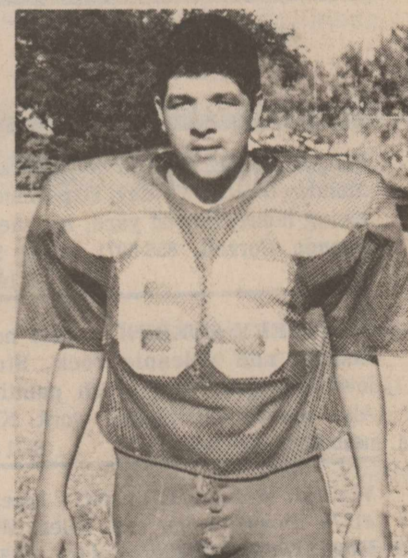

BILLY LARGE

AUGIE RODRIQUEZ

BOYCE TANKERSLEY

ALEX LEDESMA

My selection for Player Of The Week on offense in the game against Seymour last Friday evening has to be Greyhound quarterback Billy Wayne Large. His running and scoring ability was obvious as he piled up both yardage and points while dragging Panthers down the field with him.

Billy Wayne's leadership on the field was demonstrated over and over as he led the team to a victory. The offense stumbled when he left the field in the second quarter and came back to life when he re-entered the game for the second half. He has a magic all his own and his presence on the field has a very positive effect on his teammates.

While it takes the efforts of all eleven players on both offense and defense to win a game, one standout player can

make the difference between winning and losing. This was certainly the case last Friday night in Seymour. My congratulations to Billy Wayne Large as our Player Of The Week on offense.

Defense honors have to be split this week between three Greyhounds whose efforts kept the Seymour Panthers from coming from behind and scoring an upset victory. Here are the Greyhounds who provided a three way tie for Player Of The Week on defense: Augie Rodriguez on the defensive line, Boyce Tankersley in the defensive secondary, and Alex Ledesma, linebacker. Congratulations to these Greyhound defenders for a game well played. Their efforts can be directly attributed to the Knox City victory over Seymour.

Sales Tax Receipts Area Blessed With Rains Last Week

September's checks represent taxes collected by monthly filers in July and reported to the Comptroller's office by August 21, Bullock said.

City	1988		1989		Change

Stamford	14,289.82	9,983.12	146,396.87	122,923.82	19.10%

Knox City and the surrounding areas were blessed with much needed rain in the early morning hours Saturday and again early Monday. According to measurements in town, Knox City received .90 Saturday and 3.00 inches Monday.

Area amounts received Monday included O'Brien, 2; Munday, 2.25; Benjamin, 3; Goree, 3; Haskell, 1.04; and Rhineland, 6.

Although the rain probably came too late to benefit cotton crops, with the moisture in the soil, the crops can take more overhead heat than they could previously. Also, the rain came at a wonderful time for wheat farmers, putting most of the area in shape to plant wheat later this month.

In addition to the wide-spread rain's benefitting the crops, lawns and trees perked up from the moisture and cooler temperatures, not to mention the feelings of all of us human beings!

'Taste of Knox City' Changed To Sept. 30

Welcome Home to a "Taste of Knox City"! Because of the traditional "Coming Home" weekend, the Chamber of Commerce is changing the date of the "Taste of Knox City" to coincide with the celebration on Saturday, September 30, from 11:30 a.m. to 1:30 p.m. in the Fire Hall on Central Avenue.

Entry forms are available in the Chamber office. One person may enter as many recipes in as many categories as he or she wishes, and all chefs will be responsible for warming or cooling their dish as needed, Chamber officials said.

Categories will include Main Dish, Fruits and Vegetables, Breads, Salads, Appetizers, and Desserts. Prizes will be awarded in each category and door prizes given.

Chamber officials are urging readers to enter now.

NERVOUSLY POSING with a rattlesnake that she discovered outside the front door of her residence in the 1000 block of South Third Street is Mrs. Lola Figueroa, shown here with her son-in-law, Joe Sosa, who killed the snake. While not too unusual for rattlesnakes to be found inside the city limits, Mrs. Figueroa called the News office about the incident so others might be aware and watch for snakes on their own property. She stated that it was fortunate that she, and not a child found the snake. (News Photo)

Coach's Comments

By Coach Pat Risinger

The Knox City Greyhounds opened their football season in fine style with a 20-14 win over the Seymour Panthers. We were pleased with the outcome of the game, the fact that we escaped with no injuries, and the kids' effort, but mistakes in assignments led to our offense bogging down the second half. We were forced to run the ball more than we wanted to against their eight man front and stunting defense due to field position and the wind. It seemed we played the entire second half inside our 30 and facing the wind. Our depth problem caught up with us late in the

game. Our kids were playing both ways, and we got a little tired and let down on defense late in the fourth quarter. Overall, it was a learning situation for us, and it gave us a clearer picture of areas we need to improve.

Next Friday, we play a scrappy ballclub from Aspermont. They will present us some problems because of their multiple stunting defenses. Also, we expect them to throw the ball; and our secondary will get a real test. We appreciate the support Friday night and ask that Hound fans travel to Aspermont and continue their support.

NEWS BRIEFS

Lions Club Broom, Mop Sale Thursday

The Knox City Lions Club will hold the annual Broom and Mop Sale Thursday, September 14 beginning at 7:00 a.m. in front of the Post Office.

Knox City Clinic To Close Saturdays

As will be noted in an ad elsewhere in this week's News, Dr. W.F. Thompson has announced that his Knox City Clinic will no longer be open on Saturdays. Office hours are listed in his ad.

Hospital Auxiliary To Meet Monday

The Knox County Hospital Auxiliary will meet Monday, September 18, at 5:00 p.m. at the downtown Thrift Shop. Hospital administrator John Martin will update the group on the project under discussion for the hospital by the auxiliary, according to newly elected president Juanita Wilcox.

Girl Scout Registration Set Monday, Sept. 18

A community-wide Girl Scout registration will be held Monday, September 18, from 2:30 to 5:30 p.m. in the elementary school cafeteria. Kindergarten through high school may register, and there will be a \$4.00 registration fee.

Cub Scout Meeting Dates Announced

The Knox City Cub Scouts for grades first, second and third have announced meeting dates with all meetings to be at the City Park, according to Becky Rocha.

First graders will meet on Fridays at 4:00 p.m., second graders on Thursdays at 4:00, and third graders on Wednesdays at 5:30.

4-H Parent Orientation To Be Held

A program for 4-H parents and leaders will be held on Monday, September 18, at 6:30 p.m. at the Knox City Community Center. Harry Campbell, District 3 4-H Specialist, will present information on "Exploration of 4-H Projects", an over-view of 4-H projects offered to 4-H youth. All 4-H parents, adult leaders, and youth are invited to attend.

No Commodities To Be Distributed In Sept.

There will be no distribution of commodities during the month of September. Readers may watch for more details concerning the next schedule on October 17 in Knox County.

Simmons Descendants Enjoy Sept. Reunion

Descendants of the late Alice and J.J. Simmons met in the Santa Rosa Hall on Sept. 2, 3 for a family reunion. Enjoying the get-together were Janice Smith, Brandon Isbell, Donna Bartley, Stella Story, Wallace Aycock, J.W. and ImaJean Aycock, Amy and

Angela, Greg and Debbie Brister and B.J., all of Haskell, Larry and Alice Aycock, and Bill and Dickie Aycock and Krystal, all of San Antonio, Dusty and Gerri Billingsley and Jason, Bryan, Amy, Krista, and Caleb of Arlington, Roy Simmons of Houston, Lottie Wells of Plainview, Cindy, Jessica, and Kandice Lamborn, Joyce and Kenneth Billingsley, Kendra Billingsley, and Scott Folge, all of Lubbock, Wayne and Sissy Jackson and Jassica of Breckenridge, Mac and Marjorie Compton of Port Mansfield, Harvey Freeman, Milton Simmons, Pete and Lela Mae Pack, and Delma Howell, all of Knox City.

Streams In Desert Places

By Ozelle Stephens

"Judge not, that you be not judged. For with what judgment you judge, you shall be judged and with what measure you meet, it shall be measured to you again." Matthew 7:1-2.

Man is in-excusable when he judgest another, for wherein thou judgest another, thou condemeth thyself; for thou that judgest doest the same thing, (Romans 2:1). Paul says that no one has a right to criticize his brother or anyone; nor to look down on him in sin. We must remember we are never forgiven any more than we forgive.

Jesus said, "If we see our brother in sin, go to him in love, give him God's word and pray for him." He also said, "Love your enemies, pray for those who persecute you, do good to those who hate you." If you let Christ live in you, guiding your life then He can use you to His Glory; your reward will be great with hope and peace. His loving spirit will help you to overflow with joy and power in the Holy Spirit.

Laverne Soto Avon Award Recipient

Avon representative Laverne Soto has been presented the 1989 "Mrs. Albee Award" for making the STARRS President's Club. This symbol of President's Club depicts Avon's first representative, Mrs. P.F.E. Albee and will continue to be presented to President's Club members following membership attainment.

The award is presented to those who have reached 7,500 in total sales between yearly campaigns. The "Mrs. Albee" award symbolizes excellence in service.

The 1989 President's Club members in the district will join together and share special recognition, surprises and fun. At the 1989 banquet, all President's Club members will receive exclusive jewelry awards designating their success in each dimension of excellence.

The STARRS President Club banquet will be held October 17 at the Wichita Falls Hilton. Laverne will receive her Avon achievement pin and her certificate of achievement will be presented at the district meeting.

Laverne received her award at the Aspermont business meeting on September 1.

LOOK WHO'S HERE

Jimmy Ray Jr. and Jessica Kate Albus are excited to announce the arrival of their baby brother, Joseph Micheal.

Joseph arrived Friday, August 25, at 7:05 a.m. at Hendrick Medical Center in Abilene. He weighed nine pounds, eleven ounces, and measured 21 inches.

Happy parents are Jimmy Ray Sr. and Judy.

Excited grandparents are Jimmy and Janice Albus of Knox City and Ted and Jerrie Fairchild of Junction.

Great-grandparents are C.H. and Clara Herring, and Teresa Albus of Rhineland, Melba Hicks of Junction and Carrie Fairchild of Eden.

Great-great-grandmother is Mrs. W.A. Jungman of Munday.

Benjamin Scores High On Tests

By Christi Whitten

Another week has come and gone here at Benjamin and with it came some very exciting news. Superintendent Ben Grill proudly announced that the Benjamin School (grades K-12) is one of only 12 school districts in the state of Texas that scored over 90% on the TEAMS test for the past two years. Also, the Benjamin I.S.D. (grades K-12) is one of 33 school districts in the state that scored over 90% on the TEAMS test in 1988-89. This is excellent proof of the first-rate teachers we have at Benjamin. Congratulations to both the teachers and the students for this outstanding honor!

The FHA had their first meeting on Thursday, September 7. At this meeting, a calendar of events was planned, dues were set at seven dollars, and officers were elected. The FHA officers for this year are Shannon Parker, President; Nora Bolanos, 1st Vice-President; Rebekah Duke, 2nd Vice-President; Rhonda Whitten, 3rd Vice-President; Kate Grill, Secretary-Treasurer; Christi Whitten, Reporter; Brandi Jones, Typist; Jennifer Rolston, Historian; and Jack-of-all-trades.

The Seniors are currently selling magazines to help finance their senior trip to San Francisco.

The 1989 Mustang is here. If you have not received one, contact the school office.

Rochester Homecoming October 13-14

The Rochester Homecoming will be October 13-14, 1989. Homecoming activities will kick off Friday with a chili supper at 6:00, followed by the pep rally and a street dance downtown. Saturday, registration will begin at 8:00 a.m. in the school cafeteria. A coffee will be held for all the former cheerleaders, twirlers, and drum majors at 10:00.

The Homecoming football game will be at 1:00 p.m. at Steer Stadium where the Steers will host the Goree Wildcats. The Homecoming program will take place after the game in the completely renovated auditorium, followed by a catered meal in the remodeled Old Gym.

Class Reunions will begin after the meal, and will continue until 9:00, when the dance will start at the Haskell Civic Center.

Why Girl Scouting Is For Girls

Girl Scouting is comprehensive, informal education program accessible to all girls in the United States, grades kindergarten through 12th. Today, the Girl Scout Movement encompasses nearly three million girls and adults and remains in the vanguard of youth movements, anticipating the needs of girls and designing innovative program to answer those needs. The Girl Scout Movement in the United States is for girls.

Juliette Low began this organization in 1912 to allow young girls to experience the challenges, the adventures, and the special educational opportunities that were not provided by other societal institutions of her day. Historically, Girl Scouting is defined as an organization for girls. Its mission to serve the needs and interests of girls is stated in our Constitution itself, made explicit in the Girl Scout Congressional Charter, and serves as the ideal goal for all organizational planning.

Today, the need for after-school activities for girls is no less than it was in 1912—indeed, the need is greater. During the 1970's, Girl Scouts of the U.S.A.'s National Board of Directors reaffirmed its belief that "the needs of girls are unique and can best be served by a girls' organization."

The Girl Scout organization throughout the United States has always stressed the development of a positive self-image and leadership skills for girls. It has always offered capable, resourceful, and self-reliant women as role models for girls. The continuation of those emphases, however, is based less on tradition or on reaction to a sometimes imprecise public image, than on an understanding of today's challenge: to build a stronger role for girls and for the women they will become, in a society that retains built-in and often subtle barriers to the achievement of our goal.

The comprehensive informal education program that Girl Scouting brings to girl members is based on an ethical code, teaches the skills for good citizenship, and stressed the importance of moral leadership. Girl Scout program offers five worlds of activities: the worlds of well-being, of people, of today and tomorrow, of the arts, and of the out-of-doors. According to Dr. Thomas A. Shannon, Executive Director of the National School Board Association: "In practice and Philosophy, the Girl Scout program is an important adjunct to the instructional program of both the public and private schools. This adds a dimension not available through school alone in raising young girls to responsible adulthood."

In a Girl Scout setting with others of her own sex and guided by female adults, she draws from a learning environment that recognizes her contribution, her value, and her abilities—that is for girls.

Through Girl Scouting, a girl can reach her full potential, can develop sound values, and can experience the challenge of being a leader in a caring environment. After all, Girl Scouting is for girls.

Girl Scouting has five age levels: Daisies are the kindergarten girls. The participate in activities geared for 5

year olds in small troops. Brownies are in first, second and third grades. Brownies have a patch program where they explore various fields of endeavor. Juniors are fourth, fifth and sixth graders. Cadettes and Seniors are junior high school and high school girls. They work on interest projects ranging from automobile mechanics to make-up and dress.

Somewhere near you, a young girl wants to be a Girl Scout. Maybe it's your daughter or the girl next door. You know that Girl Scouting can offer her much that is valuable and good, and can help her grow toward a rich and full adulthood. It takes love, laughter, patience, persistence and planning. Girl Scouting is only as good as the volunteers it receives. Share your expertise; effect a change in your community; make a contribution to a girl's future; volunteer today.

To volunteer or to enroll a girl in a Girl Scout troop, contact Judy Perdue at 658-3045.

Defensive Driving Offered At VRJC

Defensive Driving will be offered again this fall by the Continuing Education Division of Vernon Regional Junior College. The course is designed to train drivers in professional traffic accident avoidance techniques and to promote an attitude of mutual understanding, courtesy, and cooperation through informed motorists. The course is approved by the National Safety Council and the Texas Safety Association and makes the student eligible for a reduction in their insurance premiums for a three year period.

The course is scheduled to meet from 8 a.m. to 5 p.m. on Saturday, September 23. Instructor for the course will be Safety Officer Joe Clement

Johnson Rites Are Held September 9

Graveside services for former Munday resident Daisy Irene Johnson were held Saturday, September 9, at 11:00 a.m. in the Johnson Memorial Cemetery with Dale Turner officiating.

Mrs. Johnson, 84, died Sunday, September 3, in a California nursing home.

Born February 7, 1905, in Haskell County, she moved from Munday to California in 1981. She was a member of the Primitive Baptist Church in Rule. She married John Keifor Beauchamp, April 2, 1922, in Haskell. He preceded her in death on October 23, 1926. She married Wylie B. Johnson on October 14, 1929, in Knox County. He died March 30, 1981.

Survivors include five sons, Burl Johnson of Ranger, Delbert Beauchamp of Ripley, Mississippi, Ellis Johnson of Hamlin, Doyle Dean Johnson of Pasadena, and Don Johnson of El Cajon, California; two daughters, Sibyl Chandler of Lakeside, California, and Betty John Chandler of Santee, California; two sisters, Myrtle Beauchamp and Fannie Ballew, both of Wichita Falls; 21 grandchildren; 37 great-grandchildren; and a great-great-grandchild.

Mrs. Johnson was a sister-in-law of Mrs. Iola Hudson of Knox City.

WHEAT PRODUCERS CAN ELIMINATE REPEAT PROBLEMS

The 1989 wheat season was plagued with problems producers should hope to avoid for the 1990 crop.

Foot rot was a problem in many wheat fields in Knox County. Producers may be asking, "Where did this come from?" Last summer was much like this summer in that it is very dry and decomposition of residue was limited. The Fusarium rosum organism survived in the stubble and moved to the wheat stands which led to heavily reduced yields in some fields.

In order to reduce the possibility of recurrence wheat producers should examine fields to see the most stubble is decomposing. If high amounts of residue remain deep tillage may be necessary to decrease the risk of "foot-rot". Producers can also reduce the risk of disease infestation by planting clean, treated seed or rotating to other crops.

MR., MRS. CURRIE
...the former
Patti Lain Lewis

Lewis-Currie Vows Are Read September 2

Patti Lain Lewis and Keith Wayne Currie were married September 2 at the home of Mr. and Mrs. Frank Batson in Abilene.

Patti is the daughter of Dorothy Jean Dykes of Knox City and Larry Don Lain of Buchanan Dam. Keith is the son of Mr. and Mrs. C.V. Currie of Abilene.

Rev. Allan Cartrite officiated. The bride was given in marriage by her sons, Brandon and Aaron Lewis of Knox City. Marilyn Burt Reed of Grand Prairie was matron of honor. Candice Currie, daughter of the bridegroom was maid of honor. Andrew Currie served as the best man and Michael Currie served as groomsmen. Both are sons of the bridegroom.

The bride is a graduate of Knox City-O'Brien High School and is employed by Humana Hospital in Abilene. The bridegroom is a graduate of Abilene High School and Stenograph Institute of Texas and is employed by Bank One of Abilene.

The couple lives in Abilene. Attending from Knox City were Brandon and Aaron Lewis, Ida Pack, Sue Marion, and Dallas and Dorothy Jean Dykes. From Haskell were Dollie Feemster, Brett Proctor, and Mollie and Christan VanStory.

MR. AND MRS. ANTHONY LYNN KNISLEY
...with Justice of the Peace Guy Bradley (at right)

Tatsch-Knisley Vows Are Read Saturday, September 2

Lori Ann Tatsch and Anthony Lynn Knisley were married Saturday, September 2, at the Hardwick Place, the swinging H Ranch in King County by Justice of the Peace Guy Bradley.

The bride is the daughter of William and June Tatsch of Alliance, Ohio. Parents of the bridegroom are Don and Annette Johnson DeWitt. He is the grandson of Fannie Johnson and the late C.E. Johnson.

Pam Lovall of Irving served as maid

of honor with Samantha Knisley, niece of the bridegroom, serving as flower girl.

Mike Knisley, brother of the bridegroom, of Dallas was best man.

The wedding party wore western attire.

A barbecue dinner followed the ceremony.

Following a wedding trip to San Antonio, the couple is at home in Grand Prairie.

Social Security News

The Social Security Administration continues to experience financial good health, according to the annual report of the Board of Trustees of the Social Security trust funds.

Studying estimates which included differing economic and demographic projections, the trustees concluded that the retirement, survivors, and disability trust funds are stable enough to assure payment of retirement benefits when "baby boomers" reach retirement age.

The supplementary medical insurance program was reported to be financed sufficiently to continue to pay doctor bills and other medical bills not covered by Medicare's hospital insurance. However, the Board noted with concern the rapid growth in the cost of the program, which has nearly doubled in the past five years. The Board recommended that Congress continue to work to curtail the rapid growth of the program.

The Board did not issue a report on Medicare's Hospital Insurance Trust Fund due to the impact of the Catastrophic Health Insurance provisions which became effective January 1, 1989. A report is expected to be issued soon.

Five members serve on the Board of Trustees--the Secretary of the Treasury, the Secretary of Labor, the Secretary of Health and Human Services, and two public members appointed for four year terms.

Happy 16th
Birthday!
Love,
Mom, Dad
and Chris

Truscott-Gilliland News

By Clara Brown

SEPTEMBER 4, 1989

Most of the past week was hot and humid, but without rain. A humidity reading in the 80's is pretty high for the Divide, especially several days in a row. Monday morning humidity was only in the 60's.

Dove hunters were everywhere over the weekend. Most seemed to be having good luck.

A certain Truscott citizen has been seeing a lot of poems, etc., lately on the subject of forgetfulness and it must have affected her. She had to go to Annis Brown's wedding twice before she got the date right. She showed up at the Crowell Baptist Church Saturday, registered, and began to suspect something when she was handed a name tag to wear. Sure enough, she was at the 100th anniversary of the church and had to go back the next day for the wedding. It was the only time in her life she has been early for anything. I'd tell you her name, but I can't remember it.

The Mike Shaw family of Mansfield were at their Truscott home for the weekend. Ann and the children plan to remain here for the school year. Jennifer will be a freshman and Perry will be in the fourth grade.

Shirley and Ruth Moore spent the weekend in Amarillo helping with great-grandchildren while the children's parents, Sherrill and Ronnie Hudson, attended their tenth high school class reunion.

Jackie Miller and sons of Slaton visited his parents, the O.R. Millers, last Monday and Tuesday, Tuesday Jackie and Royce Miller worked cattle.

Tommy Shaw and Robin Harwell visited the A.L. Cooks Sunday.

Corinne New got home late Friday night after being gone for eight weeks. Visiting her for the weekend were Jack and Katy New of Andrews, Lawrence and Ginger New of Amarillo, and Parker and Janice New of San Angelo. She had several local visitors Saturday and Sunday, plus quite a few telephone calls to welcome her back.

Corinne says she is very happy to be home and wants to thank everyone for their prayers during her illness because, "If it hadn't been for that I wouldn't have made it."

Visiting in the home of Irene and Owen New over the weekend were her nephew and his wife, H.B. and Zina Maddox of Lubbock and Zina's parents, Mr. and Mrs. Howard Bostick, also of Lubbock.

Visiting with Scottie Burgess over the weekend were Jack and Patricia Cobb of Fort Worth and Jan Richardson. Jan will be teaching first grade at New Deal this year.

Kent and Tracy Smith and children of Graham visited her parents, Elmo and Billie Shaw over the holiday weekend. Also visiting the Shaws were Elmo's brother and his wife, Tommy and Linda Shaw of Hurst and Linda's daughter and her husband, Mr. and Mrs. Robin Harwell of Haslett.

Owen New had a fall last Tuesday and had to have several stitches near his eye. He and Tommy Tapp were inspecting a fence for repairs. A trip to the emergency room at Quanah followed and Owen has had a swollen eye this week.

Owen and Irene New's daughter Peggy Plunk in addition to recent foot surgery is now recovering from a bite

by a brown recluse spider on her left hand.

Ila Mae Bullion, Gail Whitley and Crystal Dishman were in Abilene Saturday.

Kristi and Johnny Kimmell moved over the weekend from the Moorhouse Ranch to their house in Truscott.

The coin operated telephone by the telephone building in Truscott has been removed.

Loys and L.D. Welch had a houseful of company for the weekend. Guests included Wanda, Bob, and Robert Partridge of Arlington; the Lloyd Welch family of Munday; Dovie and T.J. Partridge of Munday; and Wendell, Leona and Dave Partridge of Munday.

Loys Welch will enter Bethania Hospital at Wichita Falls for surgery on Tuesday.

Sybil Simmons had dove hunters on Sunday. They were her nephew, Robert Spain and his son, Latham of Iowa Park.

The Gilliland Club ladies quilted a quilt for Sybil Simmons last Monday, Tuesday, and Wednesday. Sybil pieced the top.

The Burden Of Being Overweight Isn't Something You Have To Face Alone.

If you have a health problem, where do you turn for help? Thousands of specially trained doctors like us nationwide have been offering the MEDIFAST® Weight Control Program for nearly a decade. Our professional supervision means you will lose weight quickly and safely. The benefits are immediate improvements in your health and appearance.

Through the right combination of physician supervision, supplemented fasting, and behavior modification, your ideal weight will be easily achieved and maintained.

You already know how frustrating it is to lose weight on your own; don't do it alone—call us today. We're ready to help you.

O'Brien Happenings

By Audie Johnston

"Hands - God has given us two hands - one to receive with and the other to give with. We are not cisterns made for hoarding; we are channels made for sharing."

HERE AND THERE

Oscar and Ruth Johnson visited their daughter LaQuita Morris and husband Mayo and families in Bonham last week.

Janoma Stephens spent the weekend in Plainview visiting her brother Clyde Williams and Verna Mae and families.

Jerry and Rosa Brothers and sons Tommy and Jeremy of Springtown visited Charlene and J.O. Brothers over the weekend and attended Humberto and Nema Gutierrez's 40th wedding anniversary.

Pearce and Christie Manning and Crystal Tankersley and Mitzie Alderson were in Abilene Saturday to celebrate Christie's birthday.

C.B. Banner had face surgery at Humana Hospital last week. He will be

in Hawley this week after being dismissed Sunday from the hospital. They will be at the home of his grandson Butch Banner and wife Bobbie for a few days.

Vicki Daniel and Reese of Abilene, Rhonda Moeller and children of Haskell and Toni Hewitt of Wichita Falls visited their parents, Coy and Loretta Hewitt over the weekend.

Visiting Ranzy and Adelle Herring Sunday were James Hewitt of Knox City, Claudia Reed of Rochester, Vicki and Reese Daniel of Tuscola and Rhonda, Casey and Kelli Jo Moeller of Haskell.

Irby Carlisle was in Arizona last week to visit his mother Irene Owens in a Care Home there and also visited his sister Bernadine and husband Lincoln Bolin.

Gary, Catherine and Randy Glover were in Abilene Sunday to attend the State Fair. Last week they attended the annual Labor Day reunion of the

children of Keeb and Laura Short of Thaila at Quanah.

Phil, Holly and Haley Huffines of Dallas, Don, Mary Katherine and Colin Huffines of Dallas, Chris Cook of Houston, Michael, Jacob and Ben Leventson of Lubbock and Randy, Ann, Charles and Mary Ann Egenbacher of Lubbock visited Butch, Sue, Scott, Stefani and Suzanne Stephens and John and Dessie Egenbacher over the Labor Day weekend.

"Optimist - The difference between a pessimist and an optimist is that if you fall into a deep hole, an optimist will get you out, but a pessimist will get in with you."

IN PERDUE HOMES

Recent visitors in the homes of Mr. and Mrs. Neil Perdue and Judge and Mrs. David Perdue have been Mr. and Mrs. Biff Perdue of Houston, Mr. and Mrs. Don Chandler, Jenny, Katie, and Wesley, along with friends Travis and Jennifer, all of Snyder, Mr. and Mrs. Chuck Childress of Lufkin, and Scott Perdue of Houston.

CARE HOME NEWS

By Rhonda Eaton

Every month, we have a resident spotlight. This month, our spotlight resident is Betty Montgomery. This is a Time In her Life...

BETTY MONTGOMERY

Betty Montgomery was born in Lockney, Texas August 14, 1905, to William Thomas and Clara Ann Montgomery. She had five brothers and three sisters.

Betty recalls this story from her past. "I remember an incident that I had while back on the farm. I was raised up an old farm girl doing all kinds of work. One particular day I was driving four head of horses to a double harrow. One of the horses got scared and they ran away with me. I was riding one of them and I rode like a wild Indian to catch one of the horses bridle running in front! I finally caught that horse and stopped them from running. Believe me I was very, very scared!

Betty participated in many sports

while in school including basketball, baseball and volleyball. Her hobbies now are sewing, cooking and needlework. She is a member of the Foursquare Church of Knox City and remains an active member. She has resided at Brazos Valley Care Home since May 1, 1980.

Our out of town visitors this week were: Bill and Sybil Clayton, Dill City, Oklahoma; Maxine Mayes, Bethany, Oklahoma visiting Walter Thomas; Helen Green, Guthrie, Texas visiting A.B. Coppedge and Corrine Parrish, Franklin, Texas visiting Lona Feenster.

The residents have enjoyed many activities the past month and are anticipating a great September, looking forward to dominoes, Bingo, Ring Toss and of course the big monthly birthday party which we all enjoy.

Lamb Rites Held Friday In Rochester

Funeral services for Rochester resident Jessie Mae Lamb were held Friday afternoon, September 8, at two o'clock in the First Baptist Church in Rochester with the Rev. D.L. Cooper officiating. Burial was in Rusk, Texas, with Smith Funeral Home in charge of arrangements.

Mrs. Lamb, 63, died Sunday, September 3, in a Haskell nursing home after a brief illness.

Born May 16, 1926, in Jacksonville, her parents were the late Emmett and Mattie Tilley. She married Aurthur Lamb on October 5, 1942, in Rusk. They moved to Rochester in 1942 and she was a member of the Union Chapel Baptist Church.

Survivors include her husband, Aurthur of the home; two brothers, Preston Tilley of Rusk and Lester Tilley of Ricklaw; and a sister, Charlie Mae Tyler of Jacksonville.

Pallbearers were nephews Chester Lamb, J.B. Lamb, Curtis Lamb, Melvin Tilley, Vester Tilley, and Danny Tilley.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 7, 1989

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the salary of members of the legislature to one-fourth of the Governor's salary and increase the salary of the Lieutenant Governor and the Speaker of the House of Representatives to one-half of the Governor's salary. The annual salary of members of the legislature, the Lieutenant Governor, and the Speaker of the House of Representatives is currently \$7,200. Under this provision, the annual salary of the Lieutenant Governor and the Speaker would be \$46,716, and the annual salary of members of the legislature would be \$23,358, based on the Governor's current annual salary of \$93,432. The increase for the Speaker and the members of the legislature would take effect when the legislature convenes for its regular session in January 1991. The increase for the Lieutenant Governor would take effect when the term of that office begins in 1991. The salary increase for the Lieutenant Governor would not make members of the legislature ineligible to run for the office of Lieutenant Governor.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to limit the salary of the lieutenant governor and the speaker of the house of representatives to not more than one-half of the governor's salary and to limit the salary of a member of the legislature to not more than one-fourth of the governor's salary."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 5 proposes a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$500 million of Texas water development bonds. The additional bonds are to be used as follows: \$250 million of the bonds are to be used for water supply loans and facilities acquisition; \$200 million of the bonds are to be used for water quality enhancement projects; and \$50 million of the bonds are to be used for flood control. The legislature may provide that \$100 million be used for subsidized loans and grants to economically distressed areas of the state for water and wastewater facilities.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the issuance of an additional \$500 million of Texas water development bonds for water supply, water quality, and flood control purposes."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 51 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds to provide money to establish a Texas agricultural fund, a rural microenterprise development fund, a Texas product development fund, and a Texas small business incubator fund in the state treasury. The Texas agricultural fund would be used to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced in Texas by Texas agricultural businesses. The rural microenterprise development fund would be used to stimulate the creation and expansion of small businesses in rural areas. The Texas product development fund would be used to aid in the development and production of new or improved products in this state. The Texas small business incubator fund would be used to stimulate the development of small businesses in the State.

The principal amount of bonds outstanding at one time could not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise develop-

ment fund. The financial assistance offered by both funds could include loan guarantees, insurance, coinsurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations. To carry out the Texas product development fund, the legislature could authorize loans, loan guarantees, and equity investments, and the issuance of up to \$25 million of general obligation bonds for initial funding. To carry out the Texas small business incubator fund, the legislature could authorize loans and grants of money, and the issuance of up to \$20 million of general obligation bonds for initial funding.

Bonds authorized under this amendment would be paid out of the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and production of Texas products and businesses."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 13 proposes a constitutional amendment that would authorize the legislature, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the legislature to exempt property of nonprofit veterans organizations from ad valorem taxation."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, other tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be taxed.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment that

would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years.

The proposed amendment will appear on the ballot as follows: "Authorizing the members of a hospital district governing board to serve four-year terms."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and appointed officials.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 24 proposes a constitutional amendment that would allow the legislature to authorize the issuance of up to \$400 million in general obligation bonds. The proceeds of the bonds could be used to acquire, construct, or equip new corrections institutions, mental health and mental retardation institutions, youth corrections institutions, and statewide law enforcement facilities and to repair and renovate existing facilities of those institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to facilities of corrections institutions, youth corrections institutions, and mental health and mental retardation institutions and for the expansion of statewide law enforcement facilities."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 101 proposes a constitutional amendment that would authorize the legislature to pass laws to organize and combine state agencies that perform criminal justice functions. The legislature could combine into one or more agencies all agencies that have authority over the confinement and supervision of convicted criminals, and that gather information about criminal justice administration. Agencies that could be combined would include the Texas Department of Corrections, the Board of Pardons and Paroles, and the Texas Adult Probation Commission. The amendment would also authorize the legislature to pass laws authorizing the appointment of members of more than one department of government to serve on the governing body.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to organize and combine various state agencies that perform criminal justice functions."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would authorize the legislature to enact laws requiring or permitting judges to advise juries that a defendant convicted of a criminal offense can receive credit for good conduct that results in a shorter prison term and that eligibility for parole or mandatory supervision can also affect the length of time a convicted criminal serves in prison.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of \$30 would increase to \$81, which is the current maximum living expense deduction.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the permanent school fund to guarantee bonds issued by the state for the purpose of providing loans or purchasing the bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed \$750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a loan, the amount of the delinquency would be offset against other aid to which the district was entitled.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school districts."

PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the prosecutor's office, the right to restitution, and the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment

providing a bill of rights for crime victims."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 71 proposes a constitutional amendment that would require the district attorney in Fort Bend County to be elected and serve terms at the same times as criminal district attorneys in the state. Currently, criminal district attorneys are elected in gubernatorial election years and district attorneys are elected in presidential election years.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment requiring a district attorney serving in Fort Bend County to be elected and serve a term in the manner provided by general law for criminal district attorneys."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 32 proposes a constitutional amendment that would authorize the legislature, by general law, to permit charitable raffles conducted by qualified nonprofit organizations. The amendment would require that the raffles be conducted, promoted, and administered only by members of the qualified nonprofit organizations and that the proceeds from the sale of raffle tickets must be spent for the charitable purposes of the organizations.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to permit and regulate raffles conducted by certain nonprofit organizations for charitable purposes."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment allowing the legislature to pass general laws authorizing the creation of hospital districts upon approval of a majority of the qualified voters of the district. The amendment would also permit the legislature to authorize the creation of hospital districts by general or special law in counties with populations of 75,000 or less and to authorize the commissioners courts of such counties to levy ad valorem taxes and issue general obligation bonds for the support and maintenance of such districts.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment granting to the people the right to decide whether to create and maintain hospital districts to protect the public well-being in a manner independent of the legislature."

PROPOSITION NO. 17 ON THE BALLOT

House Joint Resolution 33 proposes a constitutional amendment that would allow the legislature, by general law, to authorize the use of public money to provide local fire departments and other public fire-fighting organizations loans or other financial assistance to purchase fire-fighting equipment and to aid in complying with federal and state law. The legislature would also be allowed to authorize the use of public money for scholarships and grants to educate and train members of these organizations. Part of the money could be used for administrative costs of this program. The legislature would provide for the terms and conditions of all such scholarships, grants, loans, and other financial assistance.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations to purchase fire-fighting equipment, to aid in providing necessary equipment and facilities to comply with federal and state law, and to educate and train their members."

PROPOSITION NO. 18 ON THE BALLOT

Senate Joint Resolution 44 proposes a constitutional amendment that would repeal subsection (e) of Article III, Section 50-d of the constitution. Article III, Section 50-d currently allows the Texas Water Development Board to issue and sell Texas agricultural water conserva-

tion bonds in an amount not to exceed \$200 million, if two-thirds of the members of each house of the legislature approve. Under subsection (e), this authority will expire in November, 1989. Repeal of subsection (e) by passage of this amendment would continue in effect the authority to issue and sell the bonds.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to eliminate certain time limitations relating to the issuance of Texas agricultural water conservation bonds."

PROPOSITION NO. 19 ON THE BALLOT

Senate Joint Resolution 59 proposes a constitutional amendment that would allow local governments to invest their funds as authorized by the legislature. Currently, the constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company prevents local governments from making some kinds of investments. This proposed amendment would allow local governments to make any investments authorized by the legislature.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize local governments to invest their funds as provided by law."

PROPOSITION NO. 20 ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment which, if passed, would abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties. A majority of the voters in an affected county must vote in favor of this proposed amendment before the office is abolished in that county. If the office of county surveyor is abolished in any of these counties, the powers, duties, and functions of the office are transferred to a county officer or employee designated by the commissioners court of the county in which the office is abolished.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties."

PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 74 proposes a constitutional amendment that would authorize the legislature to enact laws authorizing the Texas Higher Education Coordinating Board or its successor to provide for, issue, and sell an additional \$75 million in general obligation bonds as college savings bonds. The form, terms, and denominations of the bonds would be prescribed by law. The interest rate and installments would be prescribed by the Texas Higher Education Coordinating Board or its successor. The maximum net effective interest rate would be set by law. Proceeds from the sale of the bonds would be credited to the Texas opportunity plan fund, which is used to make loans to students to attend institutions of higher education in Texas. The bonds and interest on the bonds would be payable from the first money coming into the treasury in each fiscal year that is not already appropriated by the constitution, less the amount remaining in the sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the issuance of general obligation bonds as college savings bonds to provide educational loans to students and to encourage the public to save for a college education."

Estos son los informes explicativos sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 7 de noviembre de 1989. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/253/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

County 4-H Students Win At WT Fair

Three Knox County 4-H'ers competed at the West Texas Fair and Rodeo held September 9 in Abilene. Jason Patterson of Benjamin exhibited his Hereford heifers and fared well. Patterson placed his spring yearling heifer to a third place finish in the open division and fifth place in the Junior show and exhibited his winter calf heifer to second place in the Junior division and seventh place in the open division.

Tressie Boyd of Knox City exhibited rabbits and finished as follows: fifth place light weight Lop Buck, sixth place heavy weight Californian Buck, eighth place light weight Lop Doe and tenth place light weight Californian Doe.

Lane Boyd also of Knox City exhibited his rabbits and placed second place light weight Rex Doe, fourth place heavy weight Rex Doe, fifth place light weight Rex Buck and ninth place light weight Californian Doe.

Also attending the fair was Kynn and Trema Patterson and Joetta Boyd; all parents of exhibitors.

VISIT IN BROWNWOOD

Billye and Buddy Angle, accompanied by Stacy and Scooter Thompson, met Buddy's sister and niece, Eloise Patton and Katrine Hudson of Killeen, in Brownwood Saturday to visit for the day.

Knox County Hosts Meeting

Knox County 4-H Adult Leaders hosted the fall meeting of the District 3 Volunteer Adult Leaders Association on Saturday at the Memorial Center in Benjamin.

Over 60 adult leaders, County Extension Agents, and advisors attended the meeting. Programs were presented on Managing 4-H Youth Programs, Loving The Not-So-Lovable Child, Opportunities To Strengthen Parenting Skills, and International Youth Exchange Program.

Attending the meeting from Knox County included James and Sharlene Alderson, Sue Stephens, Mary Ann Boone, Suzanne Stephens, Stefani Stephens, and Donnie Peters, County Extension Agent.

SENIOR CLASS NEWS By Leah Rauch

The Seniors are beginning to get into the swing of school again. They have even survived note taking in Coach Underwood's classes thus far! The Current Events game, which is held each Friday in Civics class, was won handily by the ladies this week.

The Senior athletes received their letter jackets at the pep rally last Friday. Congratulations to everyone who earned this with a lot of sweat and hard work!

The Hounds rolled by Seymour with the looks of a promising season! Good job and good luck this week at Aspermont!

JUNIOR CLASS NEWS By Stephanie Pepper

The weekend is nearly here! Getting up early is already getting old for the Juniors. Only three more weeks until the girls actually do get to sleep late on a Saturday morning!

We witness our first accounting test Friday. Our essay question on the test was to describe how to help a man with his business records. The only advice some of us had was to see an accountant!

Our Junior Cheerleaders this year are Mitzi Marion and Jennie Grindstaff. They'll be pepping us up at the games and pep rallies. They also gave us awakening announcements Friday morning.

The volleyball girls have been extra busy with volleyball. They played their first district game last Tuesday against Megargel. They didn't come out on top, but they had some good plays throughout the game. Saturday, the Houndettes played in the VRJC tournament. Their first match was against class 4A Wichita Falls. They then played Windthorst. The Houndettes played Aspermont Tuesday at Knox City. They have a tournament at Clyde this weekend-Good Luck!

The Hounds brought home a victory this past Friday as they dominated Seymour 20-14. Junior Hound players are Andy Williams, Trevor Lain, and Johnny Grindstaff who is not playing due to an injured shoulder! Get well soon, Johnny! Also on the Hound team are Andy McCrary, George Bernal and Tracy Watson. They take on the Aspermont Hornets this Friday at Aspermont. Good luck, Guys!

The average grocery shopper spends 3.3 days out of the year in a grocery store. That's 40 hours a year which is three hours a month! Oh well, at least we're never hungry.

I forgot to mention our sponsors that we elected last week. They are Mr. Burkham and Coach Risinger.

Houndettes Continue To 'Work Hard', 'Improve'

By Stephanie Pepper

The Houndettes are working toward a successful season. They haven't started out as well as they wished, but they are working very hard in workouts and are improving day by day with strong intensity.

The Houndettes' first district ball game was against Megargel. The game was an upset loss to the Houndettes. The Houndettes still had confidence and came to workouts Wednesday prepared for the change-ups. The new Houndette offense consists of Kristi and Stephanie, setting; Leah, Mitzi, Angie and Bea, spiking. It is working out well.

The Vernon tournament was this past weekend. The Houndettes started out matched up with Class 4A Wichita Falls Rider. It was a tough and difficult game. It was also at 9:45 in the morning. After the loss to Rider, KC was matched up with Windthorst. We were determined to give them a working out. They had three difficult front row spikers, but we held with them. We sent their nerves flying in the second game when we had them down 8 to 3, but they came out with the win.

The JV Houndettes also played in the

tournament. They are coming through with flying colors. They played Harrold first and beat them in one game. They then played Burkburnett and also beat them in one game. The JV's hung with these teams very well considering how big the schools are.

The freshmen had their first game Tuesday against Aspermont. The JV also played the Varsity second district game was also with the Lady Hornets. Details next week!

The Varsity Houndettes second tournament is this weekend in Clyde. They begin play at 12:00 against Water Valley. Good luck Houndettes!

Top leaders in stats that have been kept the past three games are: Spikes-Stephanie and Mitzi with both 9 successful spikes followed by Leah R. with 7. Serves-Stephanie with 16, Kristi with 15 and Leah with 14. Sets-Kristi had a whopping 25 completed sets followed by Stephanie with 15. Saves-Leah had 4 sacrifices and Stephanie had 3. Blocks-Kristi had 4 "back in your face" blocks and Stephanie had 3. Congratulations, keep up the great work. Also, thanks to Lezee for the good job as manager and stat woman.

Next Tuesday, the Houndettes play at Goree at 6:30! Come support us, it is deeply appreciated!!

Rochester Hobby Club

By Club Members

The Rochester Hobby Club met September 5 with twelve members and two guests present for a day of visiting and quilting. Eron McGuire, assisted by her daughter, Jean Dewey, was hostess for a very enjoyable meal of stew, cornbread and birthday cake.

Annie Marshall, Mae Speck, Helen Cox, Mary Jane Short, Lavern Kuentler and Jo Veda Ellison have September birthdays.

The club regrets the passing of one of our members, Virgie Brown and offers sincere condolences to her family. She enjoyed being a club member and was always ready to do her part for the community and those in need.

Another of our members, Mattie Lou Cole, is now living in Abilene's University Inn and liking and enjoying her new home. She has already made many new friends-we wish her many happy years there but do not want her to forget her friends here.

Ida Pack is to be hostess for the club's September 19 meeting. Bring a sack lunch and spend the day with us.
