Don Taylor To Speak On Business Survival

by Ronda Alexander

Don Taylor of the Panhandle Small Business Development Center (SBDC) will be speaking Monday, October 18, at 7:00 p.m. in the Pioneer Room at First State Bank in Silverton. His topic for the evening seminar will be helping small businesses to "Survive in the '90's." The free seminar is being sponsored by the Silverton Chamber of Commerce. All persons concerned about helping small businesses and communities to survive should plan to

attend.

The SBDC provides a variety of free and low-cost services. These include counseling services by professional counselors who possess real-world business experience; management training workshops and seminars, designed to develop the knowledge and skills of small business owners, managers and employees; training sessions covering a wide range of topics, such as advertising, customer relations, and time management; and business management resource publications.

Tourism Begins With Promotion

by Ronda Alexander

Two key factors of tourism are something to attract tourists and the promotion of the attraction. This community is very fortunate to have two natural attractions: Lake

Mackenzie and the Caprock Canyons State Park; however, without promotion, no one will know what is here. These two attractions are beneficial in getting tourists here, but some promotion is needed on the other attractions which may be found here.

To help get the word out, the Briscoe County Extension Service will be developing a tourism and recreation guide. The guide will include everything about Briscoe County, Silverton and Quitaque. Everything means: places to eat, places to stay, recreational activities and any other items of interest. Numerous requests are received from across the state about hunting opportunities. Having a tourism and recreation guide available for the hunters and other tourists would help to promote the area and bring in others.

The guide will be distributed free of charge and will cost nothing to have information included about your attraction. Simply call the Extension Office at 823-2131 with your information. Remember, tourism begins with promotion!

Community Flu Shot Clinic Slated Monday

There will be a community flu shot clinic in the office of School Nurse Margie Pinkerton from 9:00 a.m. to 3:00 p.m. Monday, October 18.

You may call Mrs. Pinkerton for an appointment, or walk-in to the clinic without an appointment; however, those with appointments will receive their shots first.

Christmas Arts & Crafts Jubilee Set November 20

Progressive Extension Homemakers will be sponsoring a Christmas Arts & Crafts Jubilee on Saturday, November 20, at the Briscoe County Showbarn in Silverton.

Booth spaces will be 8x10 feet and the charge will be \$5.00. Tables are limited, and will be available on a first call, first served basis.

All kinds of arts and crafts are welcome.

For more information or to reserve a booth you may call Bena Hester at (daytime) 806-823-2131, Ext. 11 or (after 5:00) 806-823-2093.

BCAA Can Trailer Located Near Old Lumber Yard

Aluminum cans for the Briscoe County Activities Association's recycling program can be put in the trailer located south of the City Hall near the old lumber yard building.

The money from the sale of the cans is used by BCAA to fund community projects, and the organization appreciates your contribution.

Date Drawing Near For Fine Arts Festival

The fourth annual Texas Caprock Arts Festival, a juried art show and sale, will be held in Silverton October 23-24 at the Briscoe County Showbarn. This is sponsored by Briscoe County Activities Association.

This year the buffet dinner will be served from 5:30 until 7:00 p.m. at the showbarn. Tickets are \$10.00 each, and must be purchased by Monday, October 18.

The show will be open to the public

from 6:00 until 10:00 p.m. Saturday and from 1:00 to 5:00 p.m. Sunday. Awards will be presented at 9:00 p.m. Saturday, October 23.

Paul Milosevich of Lubbock has screened and will judge the show. He also will exhibit a number of pieces of his work as special guest artist.

Artwork will be exhibited in several mediums. Cash awards will be presented to the winners of each division.

A silent auction of donated works will be conducted during the show in order to help defray expenses. Artists who choose to donate an item for the auction will receive two complimentary buffet tickets.

It's Fall Carnival Time Again Here

Progressive Homemakers once again are sponsoring the Fall Carnival, which will be Saturday, October 30, at the Briscoe County Showbarn in Silverton.

Very few booths have been scheduled at this time; unless there is more response, the annual event will be cancelled.

This is a way clubs, civic organizations or individuals can earn some money. The Fall Carnival is a great place to bring the whole family for a night of games and delicious food for a minimal cost.

Don't let the Fall Carnival die. Call JonEtta Ziegler, 823-2242, to reserve a booth today.

Go Owls!

Senior Citizens to Have Luncheon Friday at Center

Silverton Senior Citizens will have their regular monthly luncheon and business meeting Friday at the center.

Members of the United Methodist Church will host the luncheon.

PTA Update

Silverton PTA will meet Tuesday, October 19, at 7:00 p.m. in the school library. The program, dealing with self-esteem, will begin with a film, "Mirrors." This excellent film, available for PTA's use through the State PTA office, brings the problem of low self-esteem in our children to light. This program will be of interest to teachers

If you need work done on your vehicle, just call **995-3565** during the day, or call **823-2039 (Joe)** or **823-2498 (Dale)** after 7:00 p.m. They will pick up your vehicle in the morning, drive it to Tulia, make the repairs needed, and return it to you in the evening. Remember, we're just a phone call away!

and parents alike. Also on the agenda will be the adoption of a budget for this year, and discussion concerning a money-making project. All programs and projects conducted by PTA depend on the support of its members. It is very important that each member's ideas and input be considered.

Everyone is urged to attend this educational program, whether a member of PTA or not. Our children's self-esteem is of great concern and your attendance will show your interest in solving this common problem.

Wednesday, October 13, was the final signup date for membership to be included in the membership drive contest between classes, but it is never too late to join PTA. Please consider becoming a member. Dues are only \$2.50 per year and may be sent to school with your child, where they will be forwarded to PTA President Nancy Young, or you may mail them to her at HCR 2, Box 28, Silverton, Texas 79257.

Everyone attending the meetings will be asked to sign a folder for their child's class, which will be used to calculate which class had the most parents or grandparents in attendance all year. This class will receive a special prize at the end of the year.

The emphasis of this PTA year will be on parent education, with all the programs designed to help parents and teachers with special problems they may be facing now or in the future. Along with the program this month on self-esteem, there also will be a program on attention deficit disorder (ADD). Involving parents in their children's education will be a top priority for PTA this year.

PTA is participating in the Campbell's labels project again this year, and it is time to turn in the labels you've been saving. There are jars in each of the elementary classrooms and at Nance's Food Store.

Ground School To Be Held Soon

A helicopter ground school will be held for firemen, EMS personnel and law enforcement officers in Silverton, Quitaque and Turkey at 8:00 p.m. on Tuesday, October 19, in Quitaque.

Mark your calendar now and plan to attend if you are a member of one of these groups.

Win Owls!

Owls Begin District Play With Victory

Silverton's Owls earned a big 57-32 victory over the Whitharral Panthers last Friday night, but don't you believe the score was earned in the same fashion as the previous week with the second string playing almost the entire second half. Not on your life! Whitharral may have been falling a little further behind all the time, but they kept playing just as hard and coming right back at the Owls. The Owls never had time to let down at all, because the Panthers would have beaten them if they had rested on their laurels.

Coach Clyde Parham figured the Owls would have to play an exceptional game in order to come out on top and that's exactly what they did. "I was really pleased with how we played," the coach said. "We had two or three mental breakdowns that allowed them to score, but other than that we did a great job."

The Owls kicked off to open the game, and Whitharral passed for a first down on the Silverton 30 in spite of defense by Lance Holt and Matt Francis. On their next series, the Owl defense held them better, and on third down Jeremiah Brooks pushed them back to midfield. On fourth down, needing 24 yards, they punted out of bounds inside the Silverton five, an almost perfect punt.

The Owls came back with rushes by Lance Holt and Michael Hill and a pass completion from Braden Towe to Francis for a first down near midfield. Then Holt and Hill combined to move the ball to the four, from where Lance scored with 4:18 remaining in the first quarter. There was no PAT, and the score stayed 6-0.

When the Owls kicked off again, the ball went into the endzone for a touchback, but the Owls were flagged for an infraction and the second kick

Matt Francis and Jeremiah Brooks combine talents to put a stop on one of the Whitharral Panthers as the Owls defeated the home team in the first district game for both teams. *Briscoe County News Photo*

was brought out to the Whitharral 30. The Panthers made a first down on the Silverton 34, with defense by Holt and Towe, and on their next third down play, Lance Holt intercepted a Panther aerial and carried to the Whitharral 38 with two minutes remaining in the first period. Lance scored on the next play, the PAT kick was blocked and picked up by Whitharral and the Owls had to chase and tackle the runner. This made the score 12-0, favoring the Owls.

The second quarter began with Whitharral charging hard on offense.

They picked up a first down on the Silverton 30 before scoring with 8:46 still on the second-quarter clock. The PAT kick was blocked, and the score became an uneasy 12-6.

When Whitharral inside kicked, the ball went out of bounds on the Silverton 34, and the Owls set up operations there. Holt and Hill, once again, alternated in carrying the ball, and after Holt picked up a first down on the Whitharral one, Hill carried into the endzone with 6:47 remaining in the quarter. Hill kicked the PAT, and the score became 20-6, giving fans a little breathing room.

Holt kicked off for the Owls, and Whitharral brought it out to the Panther 26, where defense was provided by Brooks and Phil Patino. Both the Holt brothers, Brooks, Towe and Henderson, with a playing cast on his broken hand, were defenders but the Panthers were mounting a fierce attack in an effort to get on the scoreboard again. They scored with 3:69 remaining before halftime, and the Owls blocked the PAT kick. The score became 20-12.

Whitharral inside kicked it again, and it was taken near midfield. Holt carried a couple of times, and after an incomplete pass, scored with 2:37 still to be played. Hill kicked the PAT, and the Owls moved ahead 28-12.

Whitharral started their next possession with a touchback, and picked up first downs at midfield and on the Silverton 24 before fumbling on third down as the first half ended.

Whitharral kicked off to open the second half, and Lance Holt brought the ball out to the Silverton 30. Hill ran for eight yards and Holt scored with 9:12 still on the third-quarter clock. There was no PAT, and the scoreboard reflected a 34-12 lead for the Owls.

Whitharral came storming back once again, making a first down on their 36 and then scoring with 6:12 remaining in the third period. On the PAT attempt, the Owls smothered the kicker and the ball, and the score remained 34-18.

The Panthers inside kicked again, and like other teams have done this season, picked on Arnold Garza, a

freshman, and once again Arnold showed them he has good hands and deftly held onto the ball despite the onslaught of Panthers. The ground offense went back to work and after Lance Holt received a face masking from the Panthers, a penalty moved the Owls nearer the goal. Holt went into the endzone from 31 yards out on the next play, Hill kicked the PAT, and the score became 42-18.

The Owls kicked off and held the Panthers to minus yardage. On fourth down, needing 16 yards, they punted to the Silverton 25. Runs by Hill and passes to Holt moved the Owls into scoring position. Holt faked a pass and ran for a touchdown with 44 seconds remaining in the third quarter, but the team was flagged for a penalty and so on the next play Holt just did it again! There was no PAT, and with 24 seconds remaining in the period, the Owls moved into a 48-18 lead.

The Owls kicked off again and the Panthers kept charging. Defense by Holt, Brooks, Phil Patino, Henderson and the other Owls was tough. In most games, the hard-hitting Owls can wear down their opponents, but the Panthers kept coming back just as tough as they started at the first of the game. It forced the Owls to go at full speed the entire game. The Panthers scored with 6:53 remaining in the game, making the score 48-24. The kick was blocked, and Brooks picked it up and went all the way for a point for the Owls, bringing the score to 49-24.

The onside kick was taken at the Silverton 35, and a pass to Holt moved the ball to the Whitharral 35. On third down, a lateral was recovered by the Panthers. Whitharral came right back, making a first down, then a touchdown with 2:18 still to be played in the game. They kicked the PAT, and the score became 49-32.

The Owls took the onside kick, and Holt and Hill combined to put more points on the board. Hill caught a pass thrown by Holt for a touchdown with 1:17 remaining in the game. Hill kicked the PAT, and the score was 57-32.

On Whitharral's final offensive play, the Panthers fumbled and Henderson recovered on the Whitharral 26.

Lance Holt finished the game with 220 yards rushing, having scored five touchdowns and passed for another to pace the Owl offense.

Coach Parham said his team can't afford to overlook Friday's home game against Cotton Center or next week's outing at Three Way.

"We know our last two games are going to be our toughest, but we can't overlook these," Coach Parham said. "We just have to keep preparing and getting better week by week to prepare for those last two (Lazbuddie and Amherst, back to back).

The Owls and Panthers each made 16 first downs in the game, and Silverton had a total offense of 423 yards while Whitharral got 361 yards of offense. Each team lost one fumble.

Hill rushed eight times for a gain of 52 yards; Henderson, one for five.

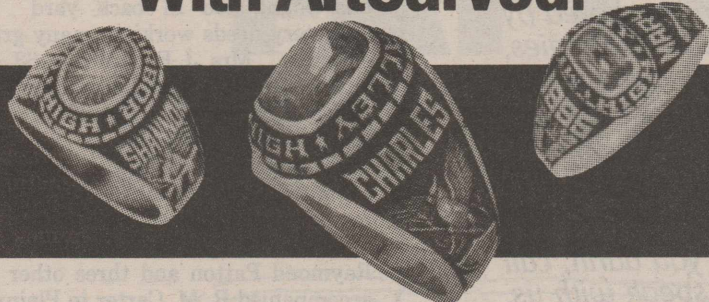

Towe completed five of six passes for 97 yards; Holt completed one of two for 49 yards.

Francis caught two passes for 59 yards. Hill got one for 49 yards, and Holt caught three for 38 yards.

Cotton Center comes here for kickoff at 7:30 p.m. Friday. Pep rally is at 3:00 p.m. The Owls need your support in all their games. BE THERE!

Students Asked To Say 'Boo' To Drugs Soon

During the week of October 23 through 31, the Red Ribbon Rally will be held. Theme for this year's campaign against drugs is "Say Boo to Drugs."

This special week was set aside in memory of Enrique Camarena who dedicated his life to fighting the war against drugs on the Mexican and Texas border. He was kidnapped, tortured, then killed by his adversaries. His family and friends started the Red Ribbon Campaign to continue his fight against drugs and drug traffickers.

The week's events will kick off with a carnival for Pre-Kindergarten through the Eighth Grade on Monday. The "admission" will be tickets earned for good deeds during the two weeks preceding the Red Ribbon Rally Week. Wednesday of that week there will be a general assembly held for the entire school. Everyone is invited to attend.

Amarillo Opera Benefit is Friday

Lauran Fulton Corson, originally of Canyon, now of New York, will be in the benefit concert planned at the Amarillo Civic Center Friday. She is the daughter of Mr. and Mrs. H. R. Fulton of Canyon, and is the granddaughter of Mr. and Mrs. Joe B. Mercer of Silverton.

Bass-baritone Terry Cook of the Metropolitan Opera, a native of Plainview, is headlining the concert.

Talent abounds among those who are to take part in the program. Tickets are \$10.00 each and may be purchased at the Amarillo Civic Center Box Office. Cost is \$20 for the performance and Backstage Party with refreshments and visit with the cast which is to follow.

Hill-West Vows Exchanged In Church Ceremony

Miss Jeannine Hill became the bride of Mr. Brad West in a candlelight ceremony performed by Rev. Brad Enloe at 7:00 p.m. on Tuesday, October 5, at the First United Methodist Church in Silverton.

Parents of the couple are Mr. and Mrs. Jesse Cardinas of Amarillo and Mr. and Mrs. T. D. West of Silverton.

The double-ring exchange of vows took place in front of the altar which was accented by a brass candelabrum holding burgundy tapers and accented with greenery, a large burgundy satin bow and burgundy roses.

The bridal aisle was marked with burgundy and hunter green bows on the ends of the pews.

Given in marriage by her father, the bride wore a street-length dress designed with white linen jacket worn over a pleated lace skirt. She had white roses, baby's breath, satin ribbon and pearls caught in her hair.

To carry out bridal tradition, she wore a pin which belonged to the groom's great-grandmother, chose her dress as something new, borrowed pearl earrings from the groom's mother, and added a blue garter.

Serving her daughter as matron of honor was Roxanne Cardinas, who carried a single long-stemmed white rose accented with burgundy and white satin streamers. Brian West served as

Mr. and Mrs. Brad West

his brother's best man.

Little Brianna West, niece of the groom, was flower girl. Candles were lighted by Danny Dunn, cousin of the groom.

Magan Whittington of Quitaque, a cousin of the groom, played traditional wedding selections, and Connie Smith, an aunt of the groom, sang "I Cross My Heart" and "Love Can Build a Bridge."

RECEPTION

A reception was held in the church fellowship hall following the ceremony. The refreshment table was covered with a hunter green cloth with white lace

overlay caught in front with burgundy bows. An antique punch bowl which had belonged to the groom's great-grandmother was used along with other crystal appointments. Mmes. Amy Otis, Patti Whittington and Becky Dunn served the three-tiered wedding cake, which had two side cakes connected with stairways, and was topped with fresh roses and burgundy trim.

Kristi Smith distributed rice bags to the guests and Christy West presided at the guest registry.

The couple is at home in Amarillo, where both are employed.

Family Planning Birthday Party

The family of Lorena (Myrt) Edwards requests the pleasure of your presence at the celebration of her birthday on Sunday, October 24, 1993, from 2:00 until 3:30 in the fellowship hall of the First United Methodist Church in Silverton.

The family requests that no gifts be sent. 41-2tnc

New Arrival

Tyler Scott Garvin is proud to announce the arrival of his baby sister, Reba Jo, born October 6, 1993. She weighed seven pounds and ten ounces, and measured 20 1/4 inches long at birth.

Parents of the children are Scott and Tammy Garvin.

Grandparents are Wad and Peggy Garvin of Silverton, Nancy and Dan Villarrel of Oklaunion, Texas, Jim and Cathy Keyser of Tool, Texas.

4-H'ers Exhibit Items At South Plains Fair

by Ronda Alexander
Briscoe County Extension Agent

Eleven Briscoe County 4-H'ers took advantage of the opportunity to exhibit their 4-H clothing project items in the South Plains Fair held recently in Lubbock. The 4-H'ers also were able to take home a few ribbons and some premium money.

All items were entered in the youth division. From the Silverton 4-H Club: Lindsey Weaks received an honorable mention for her potholder; Lindsey Jennings won first place with her potholder; Taylor Griffin placed third with her potholder; winning second place with her potholder was Sara Kirchoffner, and Shannon Weaver placed third with her potholder in the Senior division. Potholders were made this past summer during the 4-H Clothing project. These award-winning potholders will be donated to the Silverton Senior Citizens Center.

In the Senior Clothing division, Ashleigh Wyatt placed first with her dress and third with her wool walking shorts. In the Junior Clothing division, Molly Brooks won first place with her dress and she also entered some iced brownies, and Julie Weaver placed second with her romper.

Other 4-H'ers entering items were Wynter Smith, three entries in the photography category, and Katy Hester, a potholder, a shirt and some oatmeal cookies.

Hannah Boedeker, a member of the Valley 4-H Club, entered an apron and a stitchery picture of a puppy.

Junior High Owls Take 14-6 Win Over Whitharral

Silverton's Junior High Owls didn't score much as they were enroute to a 14-6 victory over Whitharral, but they didn't allow the Panthers much either.

Highlight of the first quarter was a 62-yard touchdown romp by Trey Ziegler and a PAT kicked into a stiff breeze by Juan Garcia.

The Owls did a good job of containing the Panthers into the second quarter and caused the ball to come back to them on downs near midfield; however, the Owls lost the ball via the fumble on their first play, and Whitharral was back on offense again. The Owls threw the Panthers for big losses on first and second downs and on fourth down, with the Panthers "going for it", threw them back for a loss on their own 15 where the ball went over to the Owls.

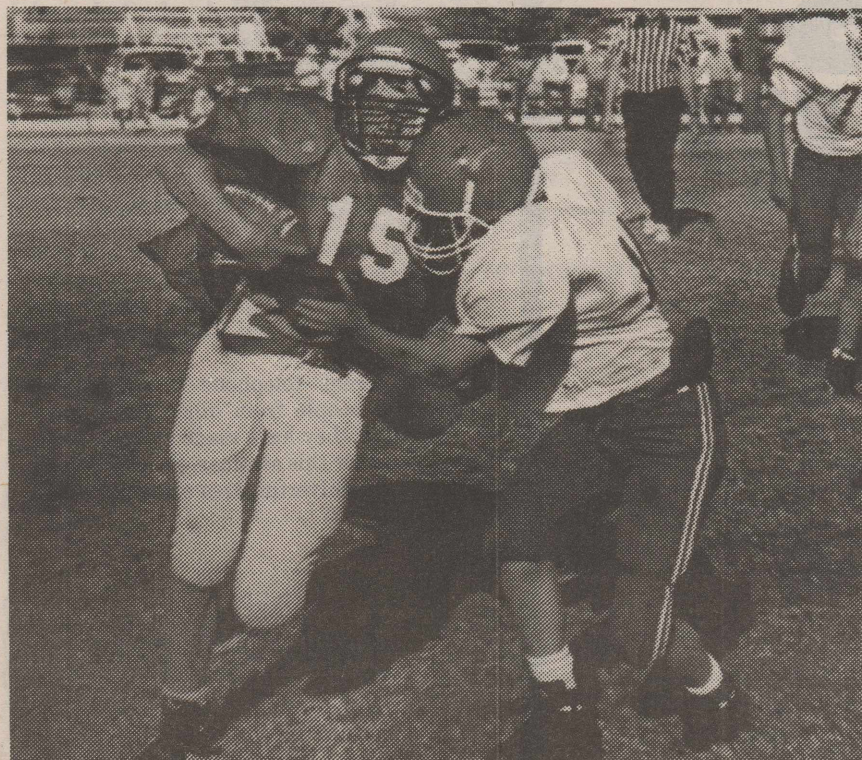

Unsuccessful possessions continued until halftime. The Owls kicked off to open the second half of play, and allowed Whitharral a first down on their 20 before throwing up a defensive wall. On fourth down, the Owls threw

the Panthers for a loss back to the 20, and took over. Again the Owls were unable to move the ball, as were the Panthers, until the fourth quarter began. They scored with 5:48 still to be played in the game and the Owls blocked their PAT kick. This put an 8-6 score on the board.

The teams traded a couple of possessions, and with 1:22 still to be played in the game, Ziegler scored from the 12. There was no PAT, and the final 14-6 score was made. The game ended with Whitharral's offense shut down at midfield.

This week the Junior High Owls will be on the road to Cotton Center, with kickoff scheduled at 5:00 this afternoon. BE THERE!

Owl Power!

Jared Francis is pictured making a tackle for the Owls in the Junior High's game with Whitharral, which the Owls won, here last Thursday.

Briscoe County News Photo by Brandon Sarchet

Youth Project Loans Available

The Farmers Home Administration (FmHA) makes loans to individual youths who are 10 through 20 years of age to establish and operate income-producing projects of modest size in connection with their participation in 4-H Clubs, Future Farmers of America, and similar organizations.

Ross James, county supervisor of Swisher/Briscoe counties, said that this program is an excellent program for young people to learn the basics of borrowing money and learning financial management.

Each project must be part of an organized and supervised program of

work. The project must be planned and operated with help of the organization advisor. The enterprise must produce sufficient income to repay the loan. James stresses again this program would provide the youths with practical business and educational experience.

Loans may be used for many purposes such as buying animals, equipment and supplies. It could be used for projects such as lawn and garden service, crop production, roadside stands, repair shops, etc. Again, only projects of modest size can be financed. "The schedule for repaying the loan will be determined between the youth and the supervisor."

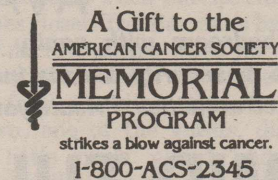

Anyone interested in this program should contact the Tulia FmHA office located at 219 NW 2nd or call 995-2318 for additional information.

New Loan Programs Help Disadvantaged Groups Into Farming

The Farmers Home Administration (FmHA) has a new loan program designed to help members of socially disadvantaged groups, including minorities, acquire land for farming in some counties.

Under the new program, FmHA will try to find persons in those categories who are interested in farming and can qualify for FmHA farm ownership loans. The agency is prepared to sell or lease to them a farm held in its inventory or make a loan for purchase of land on the open market.

Socially disadvantaged population groups include Hispanics, native Americans, Blacks, Asians and Pacific islanders. Persons who think they may be eligible and who are in farming or have farming experience should contact the FmHA office at 219 NW 2nd St., Tulia, or call 806-995-2319.

Rural Housing Loans Available

"The Farmers Home Administration (FmHA) has numerous rural housing programs," according to Swisher/Briscoe County Supervisor Ross W. James. FmHA has programs for new construction, the purchase of existing dwellings and/or home repair and improvement assistance.

The agency's "main concern," according to James, "is to meet the housing needs of the moderate to low income people. While FmHA can make loans for new construction (either manufactured or stick built), there has been very little activity in Swisher or Briscoe counties in this area over the past few years."

James believes this is due mainly to the over supply of existing dwellings for current demand. FmHA programs are geared for existing or new construction on houses, says James, who stresses that his office "would be happy to discuss new construction with anyone who is interested."

502 PROGRAM MOST COMMONLY USED

FmHA has two programs under which an individual may qualify. The 502 housing program has been FmHA's most commonly-used program.

"Under this program, you can do anything from replacing storm doors to financing new construction," according to the county supervisor. "This program is geared to the low and very low income individual. Normally, loans are scheduled for repayment over a period of 33 years with appraisal and title work required."

The program's present rate is 7% percent fixed rate interest with an interest subsidy available for ones who may qualify. Interest may be subsidized down to as low as one percent, based on a person's annual income.

"This means, in many cases, that one's house payment with taxes and insurance would be less than what they presently are paying for rent," James says. "This provides a way low and very low income people will be able to have a home and enjoy home ownership."

The maximum income guidelines for this 502 program are: one person household, \$20,750; two person, \$22,900; three person, \$25,100; four person, \$27,250; five person, \$29,000; and six person, \$30,750.

GUARANTEED LOAN PROGRAM NEW

The second program, "which is fairly

new," is the Guaranteed Rural Housing Loan program. This is available primarily for moderate income households. The current maximum income guidelines for this program are as follows: one person household, \$22,000; two person, \$25,150; three person, \$28,250; four person, \$31,400; five person, \$33,900; six person, \$36,450; etc.

"These are adjusted income levels," James says. "To determine your adjusted annual income, take your gross income less: \$480 per child or dependent; babysitting expense necessary for employment; and \$400 if one or more of the household is age 62 or older. These are often minor deductions which are allowable in some cases."

The loan can be made on any size or type of dwelling. The house must be, however, modest in size, cost and design and in good repair or be brought to good repair with loan funds. The loan is a 30-year fixed rate loan based on Fannie Mae 90-day rate.

Both the Tulia banks are participating in the program, according to James. "The main benefit of this program over conventional and FHA mortgage loan is a lower down payment is required. And in some cases as low as \$400-\$500 move-in cost could be seen." The county supervisor said he could easily see improvements in market sales of 20 to 50 percent as the program gets established.

"If you are interested in these programs, contact the Tulia FmHA office located at 219 NW 2nd or call 995-2318 for additional information," James said.

Rotary Club. Proceeds from the sales are used to support numerous charities and civic activities supported by the Rotary Club and to provide support for the Llano Estacado Museum at Wayland Baptist University.

The Festival will be open Friday from noon to 8:00 p.m., Saturday from 10:00 a.m. to 7:00 p.m., and on Sunday from noon to 5:00 p.m.

The first Running Water Draw Art Exhibition featuring artwork from 51 artists around the United States is planned. The art exhibit will be judged and awards will be given.

Texas Hospitality Training Coming

by Ronda Alexander

If you are interested in improving the tourism possibilities in Briscoe County, then you need to plan to attend the "Texas Hospitality Training," which is designed to help the local people learn how to meet and deal with tourists. It also will enlighten those attending on expanding tourism possibilities. Joe Frank Wheeler of the Borger Chamber of Commerce will present the hospitality training.

The training session will be held on Tuesday, November 9, in the Silverton School Cafeteria. The event will be from 6:30 until 9:30 p.m., beginning with a meal. The cost to attend will be \$15.00, which includes workbook materials and the meal. To register, call 823-2131, Ext. 12, by November 2. Sponsoring this event is the Silverton Chamber of Commerce.

The training is designed for local business owners, anyone who works with the public and everyone who is interested in promoting and encouraging tourism in this area.

Dodson Church To Host Seminar

Phillip Rich, an anointed teacher of the Word of God, will be ministering in a Holy Spirit Seminar to be held at Grace Tabernacle in Dodson beginning Thursday night, October 14. The seminar will continue through Sunday night, October 17. Each service will begin at 7:00 p.m.

Rev. Rich is getting to be well known in this area. During the past two years, he has held revivals in several of the churches in this vicinity. Rev. Rich lives in the Dallas area, but his ministry of teaching the Word of God and ministering to the sick has taken him to many different states.

In a telephone conversation with Rev. Rich last week, he made these comments concerning the seminar. "I'm expecting a real move of God. I believe many will be saved and filled with the Spirit."

You are invited to come and hear this anointed ministry. You'll never be the same, said the sponsors, Larry and Nellie Norman and Clinton and Ruth Norman.

In recent telephone conversations, several people from other states have said that they have made plans to be in Dodson for this seminar. Several people from the Silverton area are expected to attend.

YOU CAN BE A LIVING EXAMPLE OF YOUR FAITH TO OTHERS

To paraphrase a famous expression, one radiant smile can be worth more than a thousand words; especially when you're trying to show someone the benefits of faith. Perhaps this person has never thought about it or been affiliated with any House of Worship, and could be persuaded to accompany you to a service at yours. You may wonder how convincing you can be if you have some problems, such as health or financial; but if the other person is aware of them, this could make you all the more believable. We all have problems of one kind or another, and it's how we cope with them that really counts. The fact that you do seek God's guidance in solving your problems, while facing the world with a smile, may be the most impressive argument on behalf of faith that you can give.

CARD OF THANKS

Thank you to Mr. and Mrs. Bern May, Mr. and Mrs. Ronald Carpenter, Mr. and Mrs. L. D. Griffin and Mr. and Mrs. Ben Whitfill for their recent donations to the Fire Department.
We are continually in need of supplies and equipment to help us serve you better.
Sincerely,
Silvertown Volunteer
Fire Department
Vivian Tiffin

I would like to say thank you to all the wonderful people in Silvertown for the cards, visits and calls while I was in the hospital and since I have been home, but most of all, your prayers from the churches, members and pastors. This meant so much to me.
