## Reservations Due For Arts Festival Buffet

While we were in Samnorwood for the football game, I visited with Kayla Coleman, who has lots of Silverton relatives including two sets of grandparents: LaRue and Beefy Garvin and Valeria and Lem Weaver, who are her great-grandparents.

Kayla plays center for the Samnorwood Junior High Eagles, and says she is enjoying it.

I asked her if she wasn't afraid she was risking her basketball career, and she assured me that she didn't think so because she feels she will be able to make the starting team.

She is an eighth grader at Samnorwood, and is the daughter of the former Danna Garvin and Douglas Coleman, jr.

★  
Former residents James and Geneva Griffin, who live in Lubbock now, are doing volunteer work at two Lubbock hospitals four days each week. We think this is a wonderful way for these good people to spend their retirement.

★  
Once again, Clayton and Joy Wood of Dell City have entered the apple pie baking contest, and once again Clayton has beaten his wife. Last year, he won first and she got second, but this year he won first and she won third.

★  
Our sympathy goes to Deb Burson and her family on the loss of her father, Marlis Barker.

★  
Jake the Snake is back home in the Fifth Grade classroom again! He had escaped from his cage the second day of school and had been missing since then. He was found Friday morning in front of the Pre-K classroom by School Nurse Margie Pinkerton who was undoubtedly a little unnerved by the discovery of the boa. Sue Miller says Jake is thin but none-the-worse for his adventure (whatever it has been).

★  
We have been anticipating good news from the UIL powers-that-be in the form of an announcement regarding the "numbers game" that is played periodically with six-man football.

Our superintendent has worked hard on and lobbied for the resolution which was submitted to UIL. The resolution set the cut-off point for schools participating in six-man football at "85 to 95." This is considered fair by most.

Six-man football is a good game, and this is the only league in which our team has been completely at home in the 35 years since we moved to Silverton in 1959.

I have been afraid that UIL would just keep lowering the numbers until there were very few six-man teams remaining, with those having to travel unreasonably long distances for their

Reservations are due by October 19 for the buffet dinner to be served in conjunction with the Texas Caprock Arts Festival, a juried art show and

### Missionaries to Speak Sunday

Darrell and Ruth Hyde, career missionaries with World Gospel Mission to the American Indian Field, will speak at Silverton United Methodist Church in the morning and evening services on Sunday, October 16.

Hyde is a native of California and attended Fullerton Junior College and later served in the U. S. military. His wife, Ruth, grew up in a missionary home. She attended Kentucky Mountain Bible College and received her B. A. in education from Azusa Pacific University (California). She had been teaching at Southwest Indian School for six years when she and Derrell met. She has continued to teach junior high math and history. She also served as elementary principal. Derrell has served as dorm parent, clinic driver, art teacher, home furnishings chairman, field secretary, photographer, purchasing agent, public relations director, dean of students, assistant principal, assistant field director, acting field director, superintendent of SIS, and counselor to students and staff.

The Hydies are parents of two children of their own and of a nephew. After a period of deputation ministries, they will return to their duties at SIS.

The work of World Gospel Mission in the American Indian Field includes Southwest Indian School (a mission boarding school for Native Americans in Peoria, Arizona), literacy work, and reservation ministries. The reservation ministries focus on youth and children's work, bible study groups, Vacation Bible School, and establishing churches pastored by Native Americans. This work is carried out in Arizona and New Mexico.

World Gospel Mission is an interdenominational missionary organization with approximately four hundred missionaries and support staff serving on five continents. International headquarters is in Marion, Indiana.

You are invited to worship with the United Methodist Church Sunday and hear the messages presented by these missionaries.

### Booster Club Invites You to Homecoming '94

Silverton's Booster Club invites you to Homecoming '94 Friday night at Payne Field. You'll have a good time greeting your friends and watching the pre-game activities which start about 7:00 p.m. Kickoff is at 7:30 p.m.

The club will be serving mesquite-grilled hamburgers and other goodies at the concession stand.

Don't miss it!

### Church Beginning New Study Series

First Baptist Church is beginning a new series of discipleship studies entitled "Fresh Encounters." The study material, written by Henry Blackaby, involves a six-week period of 15-minute daily study assignments and a one-hour small group meeting each week.

Purpose of "Fresh Encounters" is to teach the church what is required for revival in the church. This promises to be a challenging and enriching experience.

First Baptist Church would like to extend an invitation to join in this study to anyone who has a desire to see revival take place in their church. The cost for course materials is \$7.00 per person.

First Baptist Church also will be starting a course of "Youth Experiencing God," by Henry Blackaby. Any junior high or high school students who are interested in this nine-week discipleship course are invited to participate.

For more information on either of these opportunities, call the church at 823-2412.

annual Caprock Arts Festival is Roylynn Evans, who has been painting since 1973 when he began art studies at West Texas State University. He has been showing and selling his work since 1975. During the past few years, he has been the recipient of numerous accolades including several Best of Show awards.

Best known for his paintings of chickens, Evans also enjoys other barnyard animals and farm scenes as well as old houses and dramatic landscapes. His nostalgic renditions of rural America stir childhood memories and feelings of a simpler way of life for many.

In 1987, Evans began his humorous "Fresh Poultry" line of hand-colored cartoon prints which have been well received everywhere for their unique brand of wit.

Evans exhibits his work across the country through numerous art shows, festivals and galleries. His work hangs in many private and corporate collections throughout the country, including the Walt Disney Co., at Walt Disney World, Florida. His work will be featured in *Watercolor '94*, a fall publication of *American Artist* magazine.

There are both junior and senior divisions of the show. Artwork has been submitted as drawings, pastels, sculpture, oils, photography and watermedia. Ribbons and cash awards will be presented for those judged best and those attending will vote for their favorite for the People's Choice award.

Artists may offer their work for sale if they choose. Work that is for sale will be priced, and the Silverton Chamber of Commerce will retain 20% of the sale price as a commission. There will be a silent auction of donated works conducted during the show in order to help defray the expenses of the event.

Mark the dates on your calendar and don't fail to attend the Texas Caprock Arts Festival because local fine arts events are few and far between.

### Fill-the-Gym Pep Rally is Planned

Varsity cheerleaders are inviting everyone to the Homecoming Pep Rally at 3:00 p.m. Thursday (today) in the school gym. Their goal is to fill the gym for the event.

They say, "Please come and help us fill the gym to give a lot of spirit to Homecoming. We have special events planned for you."

The trouble with being a good sport is that you have to lose to prove it... The hand that lifts the cup of cheers should never be used to shift the gears... Every minute that you are angry, you lose sixty seconds of happiness... The Christian is not ruined by living in the world, but by the world living in him... The real teacher is the one who kindles a fire in the child's mind as one candle lights another—who stimulates what is in the youth and helps him in his normal growth... We can never profit from our mistakes as long as we blame others for them... Blowing out another's candle will not make yours shine any brighter... Hot tempers lead to cool friends, and your smile is more important than anything else you wear... When a pessimist thinks he is taking

a chance, the optimist feels he is grasping a great opportunity... Let the people see how glad the gospel has made you, and it will go far to make them long to partake in its blessed influences... Cheerfulness is what greases the axles of the world. Some people go through life creaking... Praise, like sunlight, makes all things grow and too much of our praying is asking instead of praising. When one prays, one should praise... Think seldom of your enemies, often of your friends, and constantly of Christ... Love will find a way—indifference will find an excuse... The good person, like a bouncing ball, springs ever upward from a fall... To realize the importance of the anchor we need to feel the storm... The person who kneels to God can stand up to anything... The reason a lot of people cannot find opportunity is that it goes around disguised as hard work... Do not fret over what you would do with your time if you could live it over again. Get busy with what you have left... If a person needs praise, give it to him. He cannot read his tombstone... A ship in the harbor is safe, but that is not what a ship is built for... The moments when you have really lived are the moments when you have done things in the spirit of love... When anyone has offended me, I try to raise my soul so high that the offense cannot reach me... People are so anxious to talk about closed doors that they forget the open doors... Striking while the iron is hot is okay, but one should never strike while the head is hot...

## 4-H'ers Exhibit Pets During Special Week

Highlighting National 4-H Week for Briscoe County 4-H'ers was the annual 4-H Pet Show. Numerous visitors were on hand to view the variety of dogs and their masters entered in this year's show.

In the Saddest Face/Eyes category, Kathrina Johnson's entry placed first and Kody Rhoderick's dog placed second. Chelsea Johnson's half Chihuahua and Heeler puppy placed first in the Most Unusual category. Zack and Dusty Burson's dog placed first in the Best Costume category, second went to Kathrina Johnson's dog, Kody Rhoderick's dog placed third and Tara Smith's dog placed fourth.

The winner of the Shortest Legs category was Chelsea Johnson's puppy, her sister Kathrina's puppy placed second and third place went to Kelsie Estes' dog. Payton Estes' dog placed first to his cousin Kelsie's dog in the Bushiest Tail category. Tara Smith and her dog won first in the Master-Pet Look Alike category.

The Happiest Face category was won by the dog of Eric Minyard, second place went to Chance Rhoderick's dog, Payton Estes' dog placed third and fourth place went to Zack and Dusty Burson's dog.

Eric Minyard's circling dog placed first in the Best Trick category, Kathrine Johnson's dog placed second and Kelsie Estes' dog placed third. The winner of the Cutest Pet category went to Kathrina Johnson, her sister Chelsea's puppy placed second, Kelsie Estes' dog placed third, the dog of Eric Minyard placed fourth, fifth place went to Payton Estes' dog and Tara Smith's dog placed sixth. In the Most Obedient category, Kathrina Johnson's dog won first. Her dog also placed first in the Showmanship category, with Tara Smith's dog placing second and Eric Minyard's dog receiving third.

If you weren't able to attend this year's 4-H Pet Show, put it on the

calendar for next year. It's as much fun to watch as it is to participate. A special thank-you goes to 4-H Pet Show judges Matt Kast and Wayne Nance.

## Conservatives to Hold Rally Here

Briscoe County Republicans and Conservatives are having a salad supper and rally to get re-acquainted and to encourage voting at 7:00 p.m. October 25 at the Showbarn in Silverton.

The supper and rally is not a fund raiser; it is a party. Everyone is invited to put this date on your calendar and be sure to attend.

## Picture Re-takes This Morning

School picture re-takes will be Thursday (today) in the school auditorium.

If you have pre-school children and want their pictures made, this can be done beginning at 8:30 a.m.

## Halloween Carnival Planned October 29

Progressive Extension Homemakers are now accepting reservations for booths at the Halloween Carnival to be held October 29 at 7:00 p.m. at the Showbarn.

To reserve booth space, call JonEtta Ziegler, 823-2242.

Virgil and Eudean Crow met his cousins, Charles and Wanda Fanning of Muleshoe and Earnest and Bonnita Fanning of Longview, Washington in Plainview for supper last Tuesday. Earnest and Bonnita were visiting his brothers and will visit his sister in Mississippi before traveling on to Florida to visit another brother, Willie Ray Fanning. They will travel to Washington, D. C. from there. The Fanning family lived in Silverton during the late '30's and early '40's.

## PTA Update

Silverton PTA will meet Tuesday, October 18, at 7:00 p.m. in the school library. Mary Ann Rauch will bring the program.

Also on the agenda will be discussion of the Reflections Art Contest, Science Fair and State Convention.

All PTA members are urged to attend and hear Mrs. Rauch's reading program and participate in planning these upcoming projects.

In honor of School Bus Safety Week, which is October 16-22, the following safety tips for children, parents and motorists are presented.

**FOR CHILDREN**—When you get off the bus, take five giant steps away from the bus, out of the 'danger zone'.

Cross in front of the bus, and make sure you can see the driver and the driver can see you.

Never go back for anything, and never bend down near or under the bus.

**FOR PARENTS**—Assure your children you won't get mad if they don't go back for a jacket they've left on the bus or school work they've dropped under a wheel.

Encourage them to sit quietly in their seats and follow the driver's instructions on bus safety.

**FOR MOTORISTS**—Stop when the bus' warning lights are flashing or the "Stop arm" comes out.

Texas PTA's Legislative Session (1993) assisted in getting the penalty for passing a school bus that is loading or unloading children enhanced from "no less than \$50 and no more than \$200" to "not less than \$200 and no more than \$1,000."

On conviction of a second or subsequent offense, the court may order that the person's driver's license be suspended for a period of up to six months beginning on the date of conviction.

# Owls Drop Game To Whitharral

Silverton's Owls dropped their first district game to Whitharral here last Friday night, and are looking to their homecoming game with Cotton Center Friday night. Pregame activities will begin about 7:00 p.m. when the Football Queen and Mr. and Miss Flame are presented.

Candidates nominated for Football Queen this year are Brandi Brunson, senior; Molly Bomar, junior; Minerva Patino, sophomore, and Molly Brooks, freshman.

Mr. and Miss Flame will be announced at the homecoming bonfire and pep rally tonight near the ballpark. They will light the flame of the spirit of homecoming in pre-game activities.

Whitharral opened the game last Friday by kicking off into the endzone and the Owls began their offensive effort on their 20. On first down, Jeremiah Brooks, playing in the position of runningback behind Quarterback Leland Wood, ran for six yards but he lost a yard on the next try. On fourth down Zeb Holt got off a good punt which carried to the Whitharral 20.

The Panthers made a first down on their 36 and went for another on the Silverton 14 where the ballcarrier was stopped by Brooks. This play was nullified by a 10-yard penalty against the Panthers for an illegal block. On the next play a pass was completed to the Silverton 19 for a first down. Jackie Cherry and Holt stopped the next play for a two-yard gain, and Whitharral received a holding penalty back to the 26. The Panthers scored on the next play, kicked the PAT, and with 6:32 remaining in the first quarter, held an 8-0 lead.

When he received the ensuing kickoff, Brooks carried out to the Silverton 27. There was an incomplete pass and Wood hit Brooks for a short gain on the next play. Needing 14 yards for a first down, the Owls fumbled, Whitharral picked it up and carried into the endzone. The Panthers kicked their PAT, and moved into a 16-0 lead.

Silverton's next offensive effort was a disaster. The Owls started on their 25 and on first down lost back to their 11. Jon Ivory picked up four yards before the team saw minus yardage on the next play. A short punt which carried to the Silverton 35 followed, and the Panthers made a first down on the Silverton 20 before going into the endzone once more. They kicked their PAT, and moved into a 24-0 lead.

Silverton's next series of plays each resulted in losses, culminating in a safety which brought the score to 26-0. They free-kicked and the ball was returned to the Silverton 31. The Panthers were thrown for a loss back to the 37 by Brooks, after which Trey Wyatt stopped their next play. Holt held them to a small gain, and on fourth down, with the Panthers needing nine yards, Brooks took down the ballcarrier and the ball went over to the Owls on their 23.

The second quarter began as the Owls lost the ball via the fumble. Whitharral scored on the next play, kicked the PAT, and moved ahead 34-0. Whitharral kicked off once again, and Andy Bullock returned it to the Silverton 27. Brooks rushed for four or five yards, after which Wood passed complete to Holt on the 17. On fourth down, needing 22 yards, the Owls punted and the Panthers returned the ball to the Silverton 35.

Whitharral scored four plays later on a pass play, kicked the PAT, and moved into a 42-0 lead. Bullock returned the ensuing kickoff to the Silverton 32, after which Brooks rushed to the Whitharral 39. On fourth down, needing two yards, Brooks picked up a first down on the Whitharral 32. Ivory caught another Wood pass for a five-yard gain and Brooks carried to the 37. A face-mask violation against the Panthers moved the ball for a first down on the 28. Once again the Owls lost yardage on just about every play, and on fourth down, needing 30 yards, Brooks passed complete to Cherry but the ball went over to Whitharral on the 37. Cherry provided good defense on the final plays of the first half.

The Owls kicked off to the Panthers to open the second half of play and stopped the return at the Whitharral 34. Cherry and Will Hester provided defense on this series, and forced the Panthers to punt to the Silverton 11. Once again the Owls were unable to move the ball and punted short, to the Silverton 35. Whitharral rushed for a yard, stopped by Bullock, and then to the Silverton 29 where they were stopped by Ivory. Needing nine yards, they passed complete for a first down on the Silverton 10. Ivory stopped a short gain on the next play, and Cherry held them on the next. Wyatt, Brooks and Bullock continued to hold them fairly well until fourth down, needing nine, when they scored once again on a pass play with 3:12 remaining in the third quarter. This ended the game under the 45-point rule.

The Owls were suffering the loss of their runningback, Arnold Garza, in this game. They have changed their offense somewhat but it seemed that whatever they tried failed them against the good Panther team which has won all but one of its games this year. It is sad for fans and coaches to see the two runningbacks they had counted on, Garza and Anthony Gamble, sidelined with injuries. Bullock played Friday night, but wasn't 100% because of a knee injury he received in workout a

couple of weeks ago.

Just like the NFL, the teams that get to the playoffs usually are the ones with the fewest injuries. Lazbuddie has been suffering with the injury plague this season and narrowly defeated Cotton Center last Friday.

The Owls need your support at their pep rally where the Pep Squad Beau will be presented at 3:00 p.m. Friday and at the game. Be there!

Plan now to make some noise for the home team.

## Junior High Owls Win Their First District Game

The Junior High Owls traveled to Whitharral Thursday afternoon of last week to try the Panthers in their first district game, and after a very hard-fought game came home victorious.

Silverton kicked off to open the game and stopped the runback on the Whitharral 30. The Panthers gained ten yards on first down, and were held to no gain by Jay Arnold on their next play. After an incomplete pass, Arnold threw the ballcarrier for a three-yard loss and the ball went over to the Owls on downs.

David Gamble carried up the middle for a five-yard gain, after which Jeremy Holt picked up a first down on the Whitharral 20. Jeremy picked up five and David got nine before Jeremy scored with 3:11 still remaining in the first quarter. The kick didn't get off and the PAT pass fell incomplete, leaving the score at 6-0.

When the Owls kicked off again, the Panthers took the ball and went all the way for a touchdown. They passed complete for the PAT, and moved into a 6-7 lead.

Whitharral kicked off, and the ball was controlled by Jeremy Holt on the Silverton 27. It was Jeremy right, David up the middle and Jeremy left, but the Panther defense is a good one and forced the Owls to punt. The Owl defense tightened, led by Arnold, Lorn Estes and others. The Panthers were held to minus yardage and on fourth down, needing 24 yards, they punted. Jeremy Holt was dropped just about as soon as he took the ball.

As the second quarter began, it was David up the middle for six and Jeremy for a first down. If Jeremy hadn't had to push a Whitharral player out of his way he might have scored on this play. David carried to the three, and Jeremy scored with 2:49 remaining before halftime. The PAT kick failed, and the Owls moved back into the lead, 12-7.

The Owls kicked off once again and held the return at the Whitharral 25. On first down the Panthers fumbled and the Owls recovered on the 27. The Owls ran a couple of plays and returned the favor, losing the ball via the fumble. The Owls got the ball back once more before halftime, but their series was abbreviated when the Panthers intercepted a pass.

During the halftime intermission, there was a scrimmage between seventh-grade players. The Owls started with a run to the Whitharral 30 by Junior Castillo, and lost the ball on a fumble on the next play. The Owls got the ball back on the next play, and Paul Segura made a yard or two before running for a first down on the Whitharral 10. Castillo ran for five and Segura scored for the Owls. They moved the ball to the Whitharral 20 and began again, with the Panthers being held to a two-yard gain on four plays. Paul Donahoo quarterbacked this team of seventh graders and Ryan Minyard was its center. Others playing with this group were Daniel Reagan, Nathan Francis and Jordan Sarchet, in addition to those already named.

Whitharral kicked off to open the second half of play, with the ball going into the endzone for a touchback. Once again David Gamble and Jeremy Holt alternated in carrying the ball, picking up a first down on the Silverton 35 and seeing the ball go over on downs at midfield.

The Panthers ran to their left, reversed their field and ran to their right, gaining nothing on their first play. They picked up a first down, stopped by Holt and Gamble and after an incomplete pass the referees "pulled a boo-boo" as far as Silverton fans could determine, calling it an incomplete pass when the player who was in the grasp for a big loss tossed the ball away. At best the play would have been intentional grounding, but the referees moved it back to the line of scrimmage. It was unfair, but didn't stop the Owls.

Arnold provided tough defense on the next play, but they passed complete for a first down on the Silverton five on the next. The Panthers scored with 1:44 remaining in the third quarter, their PAT kick failed, and Whitharral moved into a 12-13 lead.

The Panthers executed an onside kick, controlled by Jordan Sarchet, and when one of the Panthers provided a late hit the Owls moved downfield on the 15-yard penalty. Gamble ran for four yards and Jeremy Holt picked up a first down on the Whitharral 25, and as the fourth quarter began, Gamble picked up another first down on the Whitharral six. A face-mask violation against the Panthers moved the ball 1/2 the distance to the goal, and Jeremy was the victim of a vicious hit which threw him back a yard. He scored on the next play, kicked the PAT, and saw the Owls back ahead 20-13.

When Arnold kicked off for the Owls the ball sailed into the endzone for a touchback, and on the second play, David Donahoo intercepted the Panthers. Gamble picked up most of the yardage on this series, and Jeremy Holt made a first down on the Whitharral 12. Whitharral intercepted the Owls on the next play and carried to the Panther 11. Whitharral returned the turnover on the next play, with Lorn Estes recovering a fumble on the five. Gamble carried for a couple of yards and Jeremy scored with 59.8 seconds remaining on the clock. There was no PAT, and the Owls extended their lead to 26-13 with this insurance TD.

Whitharral carried the kickoff out to their 32, after which a "Hail Mary" pass way downfield made a first down on the Silverton 14. The Panthers scored with 19.0 seconds still on the clock, there was no PAT, and the score was narrowed to 26-19.

Arnold controlled the onside kick that followed, and the Owls killed the clock.

Whitharral has lots of players and fielded the best Junior High team the Owls have seen so far. The Owls are undefeated, having beaten McLean, Lazbuddie and Whitharral, but the Whitharral game is the significant one.

The Junior Owls will travel to Cotton Center to try the Elks this afternoon, with kickoff at 5:00 p.m. The Junior High Pep Rally is at 12:15 p.m. in the gym. You'll have a good time if you follow the Owls. Be there!

## Court of Honor Held Recently

Boy Scout Troop 262 held a Court of Honor recently, recognizing the accomplishments of each Scout. Fourteen boys earned a total of 86 merit badges, with individual Scouts earning from four to as many as eight badges each.

Those earning rank advancement were also recognized. They included Kevin Duncan, Tyler Young and Isaiah Ivory, Tenderfoot; Lupe Vargas, Second Class; Ryan Minyard, Martin Younger, Aaron Wederski and Nathan Francis, First Class; Donny Burson, Jared Francis and Heath Braddock, Star; and Cy Comer, Desley Kellum and Miles Comer, Life.

Each Scout was presented an advancement pin, designating his rank, which was pinned on by his mother, as the Scout pinned a matching pin on his mother. This tradition demonstrates

the essential involvement of the family in the Scout's advancement and learning experience.

The Scouts work very hard fulfilling the requirements to earn their merit badges. Some badges were earned during a week of summer camp at Camp Post. Others were earned during the weekly meetings, while others are earned by Scouts working on their own at home or with other family members.

The criteria involved in earning a merit badge may sometimes be very difficult, but the rewards and personal growth make every effort worthwhile. The Boy Scout slogan, "Do Your Best," pushes the Scout to succeed.

Following the ceremony, ice cream and cookies were enjoyed by all family members present.

Special guests for the evening were Pete and Hazel Hoyt. Mr. Hoyt has been a tremendous influence and encouragement to the Scouting program and leaders in Silverton. Larry Comer, Scoutmaster, and Rick Minyard, Assistant Scoutmaster, joined Troop 262 in saying, "We would like to

take this opportunity to congratulate Mr. Hoyt on 40 years in Scouting, and thank him for the help and encouragement he has given us."

## Cub Scouts Start Their New Year

Silverton Cub Scouts began their new year last week with a rally held at the school. Over 20 boys signed up for the four Cub Dens. Jim Crouch, council executive, was present to go over the objectives of Scouting, and answer questions. Dues were collected and enrollment forms filled out for each boy.

The Tiger Cubs will be led by Michelle Francis, with each Tiger "partner" taking responsibility for a meeting. This group of first graders will be meeting every other Wednesday at 3:45 p.m.

Second grade boys, who will make up the Wolf Den, will be led by Lana Burson. These boys will meet every Monday at 3:15 p.m.

Rick Minyard will lead the Third grade Bear Den, assisted by Colleen Reed, Melissa Estes and Beverly Minyard. This will be the largest Den, and they will meet Mondays from 5:00 until 6:00 p.m.

Webelos will be made up of fourth and fifth grade boys, and will be led by Larry Comer. Meeting time and day may be obtained from Mr. Comer.

There were three past Webelos who completed the requirement of Arrow of Light, who moved up to the Boy Scout Troop.

Any boy in the first through fifth grade who is interested in Scouting is invited to join a den, where the principles of loving and serving God, human dignity and the rights of individuals and recognizing the obligation of all members to develop and use their potentials are taught.

It is the goal of each Den Leader to help every boy learn the value of his own worth, and to promote and support the family structure.

The "family" is strongly encouraged through the Tiger Cub program. Each boy must have a "partner" who attends each meeting with their son. The family is then encouraged to remain active throughout the Scout's career.

For any questions or to enroll in the Cub Scout or Webelo Scout program, contact Rick or Beverly Minyard at 823-2108, or any Den Leader.

## Nolan Ryan Signs on As Salvation Army's Christmas Chairperson

Lt. Colonel Jack T. Waters, Texas Divisional Commander of The Salvation Army, has announced that Nolan Ryan will serve as the 1994 Texas Divisional Christmas Chairperson. "We cannot think of a better person to represent the ideals of The Salvation Army in Texas than Mr. Nolan Ryan," said Waters.

As Texas Divisional Christmas Chairperson, Ryan will appear in radio and television public service announcements, as well as endorse the work of The Salvation Army in print advertisements.

The Salvation Army has been serving the needs of Texans for over 100 years. It has facilities in over 50 cities and towns, and provides services in an additional 320 towns across Texas.

Services provided with money raised at Christmas include toys and clothing for children, utility assistance, Christmas dinner for the homeless, gift bags for senior citizens, as well as continued emergency assistance throughout the year.

# THE \$51 PER BALE ADVANTAGE FOR COTTON PRODUCERS

*More than \$51 per bale paid in cash for the 1993 crop.*

Your local and regional cotton cooperatives offer a vertically integrated system that takes your cotton from the field to the textile mill. It's a system that adds valuable income to your farming operation. Ginning, warehousing, marketing, textile manufacturing, and cottonseed processing all work to increase the value of your cotton crop every step of the way. For the 1993 cotton crop, combined cash payments from the local and regional cotton cooperatives averaged \$51.62 per bale, over and above the value of your lint cotton. Thus, the more cotton you send through the cooperative system, the more you can add to your net profits. Consider the cooperative advantage for your cotton crop. From your local cooperative gin to the warehouses, the oil mill, the marketing association and the denim mill - it's just good business. See your local or regional cotton cooperative today.

## A WEEKLY SUMMARY OF COTTON MARKETING NEWS

For the Week Ending October 6

Initial reaction by international customers to the anxiously-awaited first marketing certificate of the 1994-95 season was modest at best, according to trade sources. The certificate, valued at 135 points or 1.35 cents per pound, had been expected by some to light a fire under U. S. cotton export sales.

However, the first couple of days after USDA issued the certificate apparently witnessed only widespread inquiries and very little turnover. One trade analyst noted the market seemed very disappointed at the level of export trade that occurred this past weekend. By the middle of this week, though, several observers indicated export sales activity may have picked up.

Prompting this increased business may have been the knowledge that this week's 135-point certificate could fall more than 50 percent for the coming week. Thus, buyers may have been seeking to take advantage of what may turn out to be the highest certificate value for some time. If indeed additional export business was consummated this week, it should appear in USDA's export sales report on October 13. Until then, the nagging question is how much business was done.

Another potential scenario posed by this past week's marketing certificate is the possibility that many international merchants may have been seeking to cover recent week's sales commitments using the 135-point certificate. For some time there have been ideas that a significant volume of U. S. cotton has been committed for export. If this is true, and if the international merchants took advantage of this week's certificate, some trade sources believe as much as two million bales in new export registrations could appear on the October 13 USDA report.

Meanwhile, talk about the domestic crop continued to dominate many conversations this week. One trader noted yield reports from the Delta grow more optimistic each day with as much as 20 percent of the region's cotton acreage producing record yields that

are surpassing the 1991 and 1992 bumper crops.

A week ago there were fears that a tropical storm system in the Gulf of Mexico could disrupt the Delta harvest with heavy rains. But, the system tracked more Northeastward, dumping rain on the Southeast cotton region. It will be a while before the damage to yields and quality there can be assessed.

Cotton harvest in West Texas is accelerating rapidly, blessed by nearly ideal weather conditions for the application of harvest-aid products. However, it is much too early to gauge yields for the entire region since most of what has been harvested is the dryland acreage that was stressed by this summer's heat and drought.

One private crop analyst this week estimated total U. S. cotton production for 1994-95 at 19.135 million bales, according to Knight-Ridder Financial News. The figure is up about 100,000 bales from the analyst's September projection.

Evidence also continues to indicate the world cotton crop is growing larger. The International Cotton Advisory Committee (ICAC) this past weekend projected a world crop of 89.5 million bales, more than three million bales larger than the September USDA figure of 86.2 million, according to a trade source. Despite the increased production estimate, ICAC raised its estimate of world ending stocks by only 100,000 bales, the source noted.

## NOTICE OF PROPOSED GAS RATE CHANGE

On September 20, 1994 Energas Company filed Statements of Intent to change its gas rates and service charges with the Texas Railroad Commission and each incorporated city listed below. The proposed changes will take effect no sooner than 35 days after filing.

The Company proposes to increase its customer charge by 89 cents per month with no other changes to its gas rate schedules. The change would apply to General Service (residential and commercial) and Small Industrial Service. The Company also proposes the following increased service charges:

	During Business Hours	After Hours
Turn on new service with meter set	\$23.50	\$35.25
Turn on service (shut-in test required)	19.00	28.50
Turn on service (meter read only required) and miscellaneous service calls	10.50	15.75
Reconnect delinquent service or service temporarily off at customer's request	29.50	39.00
Dishonored check charge	25.00	

The proposed changes are expected to increase the Company's annual revenues by approximately 1.9% and therefore do not constitute a "major change." The proposed changes could affect approximately 217,000 gas consumers in the following communities and surrounding rural areas:

Abernathy	Hart	O'Donnell	Southland*

## Small Prizes Needed For Red Ribbon Week Anti-Drug Fair

School Nurse Margie Pinkerton is one of the coordinators of Red Ribbon Week in the Silverton Schools, and she says that once again she needs small prizes for the drug-free fair to be held at school on October 27.

If you would donate small pieces of individually-wrapped candy or other prizes, please contact Mrs. Pinkerton at the school, 823-2476.

Red Ribbon Week is sponsored by Texans' War on Drug in an ongoing comprehensive alcohol and other drug abuse prevention education program. It was initiated in 1985 following the brutal murder of Enrique Camarena, a drug enforcement agent, by drug traffickers. Today, the red ribbon symbolizes the commitment of countless citizens fighting to eliminate substance abuse in their communities.

So how does wearing a red ribbon have any effect on illegal drug use and violence in Texas? When Texas Red Ribbon Week supplies are purchased, the money is used to continue to have the anti-drug message reinforced in the minds of Texas youth. Last year, five million Texans wore red ribbons. This year millions of Texans will benefit from anti-drug information, youth leadership training and community involvement in Texans' War on Drugs. It is estimated by the National Family Partnership that some 115 million Americans participate in the campaign.

You can significantly impact the battle against drugs and violence in the community by showing your support for Red Ribbon Week and donating locally to the Drug-Free Fair to be held at school Thursday, October 27.

You can participate in the program by wearing a red ribbon or button; supporting community program activities and events that increase awareness about alcohol and other drug problems; discovering what the local school is doing to discourage the use of alcohol and other drugs among students; writing elected officials to ask for support in promoting an attitude of intolerance for the unlawful use of alcohol and other drugs; encouraging family discussions about living healthy, drug-free lives; placing a basket of red ribbons in a public place (library, bank or post office) to call attention to the observance.

## Mrs. Dunbar Honored At Shower Saturday

Mrs. Clipper Dunbar was guest of honor at an informal baby shower Saturday afternoon, October 8, in the Pioneer Room at First State Bank in Silverton. Hostesses were Mary Davis of Silverton and her sister, Jeanne Graham of Lovington, New Mexico.

Special guests were Betty Kirk of Amarillo, mother of the honoree, and Iris Burson of Silverton, grandmother of Mrs. Dunbar. They were presented lapel "mom" and "grandmother" pins designating their future roles.

A Mickey Mouse theme was emphasized. Serving table was covered with three red and white checked table runners over white linen. Tall stemmed crystal goblets held red votive candles on a mirrored square and a Mickey Mouse plush toy dangled his foot from the edge of the table.

Crystal punch was served with lemon, orange or strawberry cake slices, sausage balls, quiche, mints and jelly beans. Favors were miniature pacifiers designed from pipe cleaners, jelly beans and Lifesavers. All crystal appointments were used.

Registration table featured a red and white checked runner complimented by a miniature red mouse and red ceramic hearts. Hostess gift was a diaper disposal.

## New Arrival

Kim and Lea Ann Lust of Lubbock are parents of a son, Ty Allen, born September 26 at Methodist Hospital. He weighed eight pounds and seven ounces, and measured 22 inches in length at birth.

Grandparents are Tommy and Janet Edwards of Dalhart, Glenn and Barbara Lust of Lazbuddie. Great-grandparents include Wiletta Ritter of Dalhart and Eddie Edwards of Weatherford.

Mr. and Mrs. Bob Olive of Petersburg visited Betty Olive Sunday.

## Friendship Quilters

by Nina Martin

Another quilt is finished. Bobbye Bean's Mulberry Irish Chain looked so beautiful. I know she is proud of it.

Donaleta Garrison came by to show us a purple and orchid pillow sham that matches an Irish Chain quilt she is quilting for Bobbye's sister, Jontha Mercer.

Bobbye's daughter-in-law, Jan, brought her children, Jill, Zachary and Drew, by to visit.

Betty Olive dropped by. We always enjoy her visits. Laverne Mercer came by for a few minutes.

Joy Stodghill, Wanda Strange, Virginia Hardin, Ann Norris, Ruby McWaters, Sybil King, Lallie Patton, Mary Tom Burson, Laverne Stephens, Nelda Jasper, Juanita Stephens, Bobbye Bean and I were the quilters last Thursday.

# YOU CAN BE A LIVING EXAMPLE OF YOUR FAITH TO OTHERS

To paraphrase a famous expression, one radiant smile can be worth more than a thousand words; especially when you're trying to show someone the benefits of faith. Perhaps this person has never thought about it or been affiliated with any House of Worship, and could be persuaded to accompany you to a service at yours. You may wonder how convincing you can be if you have some problems, such as health or financial; but if the other person is aware of them, this could make you all the more believable. We all have problems of one kind or another, and it's how we cope with them that really counts. The fact that you do seek God's guidance in solving your problems, while facing the world with a smile, may be the most impressive argument on behalf of faith that you can give.
