All Around

The Town

BY MARY ANN SARCHET

I slept through the preparation of the newspaper last week. I thought I was awake, but I must not have been or I would have put the results of the City and School elections in the paper.

All the incumbents were re-elected in the City election. Incumbent Mayor John Bowman was not opposed on the ballot and neither were Incumbent Councilmen W. D. Rowell and Lane Garvin.

Incumbent Zane Mayfield was returned to his place on the Silverton School board of trustees. The others elected were Rance Young and Mikel Griffin. Incumbent Jack Graham was narrowly defeated, and the other incumbent, Carolyn Lowrey, did not choose to run again.

I finally got my new glasses and now I'm having to learn all over again to focus my eyes together. It's probably been over six months that I have been totally dependent on my right eye, and now my left eye is my best one. I'm seeing lots of things really well, but I'm still having to work pretty hard to read.

If you have any questions about eye surgery, you can find out anything you want to know from Shafe Weaver, Betty Olive or Tobe Riddell. Tobe really has had more eye surgery than anyone I know, because not only did he have cataracts removed from both eyes, he had to go to the Retina Clinic in Dallas to have his retinas re-attached on both eyes and also has had the laser treatment on one eye to clear the lens. I tease him that his doctor doesn't think he has gotten all his money yet.

David and Reba Tipton were among those who attended graduation exercises at Texas Tech. Their son, Dwain, received his degree in accounting. Dwain's father-in-law, Terry Grimland, also attended from here.

Jerry and Brenda Patton were in San Angelo when their son-in-law, Kelly Sanders, received his degree from Angelo State.

J. R. Steele has a daughter receiving her masters degree and granddaughters receiving bachelors degrees. He attended the ceremony at Odessa, and said he wishes it weren't so expensive to fly to Akaska for the ceremony of the other granddaughter.

Roy and Lou Younger and Jeanetta Bradford attended the commencement exercises in Las Vegas, Nevada in which their daughter and sister, Lydia Couch, received her bachelor of science degree last weekend.

Bonnie and Bern May and Clifton and Joy Stodghill were in Denison last week

Stan Fogerson announced his resignation as principal of the Silverton Schools last week after having served the system for the past 10½ years. He will be taking the job as Middle School Principal at Anson in the fall. He will be honored at a reception Sunday afternoon in the Pioneer Room of First State Bank.

Miss Weaks Earns Second State Medal

Miss Leslee Weaks earned her second bronze medal in the UIL Class A State Shot Put event Saturday, May 13, in Austin.

It was the second year she had qualified for the State Meet by winning the Regional event, and she is the only girl known to have earned a State Track Medal while a student in the Silverton Schools.

Two representatives from each of the four regions in the state in each event advance to the State Meet. Leslee qualified for State competition by winning the Conference A Region I meet at Levelland for the second consecutive year.

Going into the State Meet, she was ranked fourth in the field of eight qualifiers with a throw of 35'1". At the end of the preliminary round of competition, consisting of three puts, Leslee had moved into third place, with a put of 35'8¾", a position she successfully maintained throughout the final round of three puts.

The committee for PROJECT GRADUATION wishes to express its appreciation to the many individuals and businesses who have contributed money and many hours of their time to help make this a success. "We appreciate your willingness to make this a special night for the Seniors and high school students," said a spokesman of the committee.

Coach Donnie Dutton, Leigh Ann Dutton, Shauna Kingery, Gary, Cathey and Lindsey Weaks.

Leslee Weaks earned her second bronze medal in as many years in the State Class A Shot Put event in Austin last week.

Reception to Honor Two Local Educators

A reception will be held Sunday, May 21, from 3:00 until 4:30 in the afternoon in the Pioneer Room at First State Bank to honor Fern Parker and Stan Fogerson, veteran educators who will be leaving Silverton ISD at the end of this school year.

Silverton PTA and Silverton ISD faculty, staff and administration will join in honoring Mrs. Parker and Mr. Fogerson. Everyone is invited to attend to wish them well in their retirement and new position.

Mrs. Parker is retiring after thirty years of service to the Silverton Schools. She began her career in the cafeteria, where she spent eight years. After entering college and earning her teaching certificate, she returned to the school as the kindergarten teacher for one year, then spent the next 21 years as a first grade teacher, helping many students learn to read with great skill.

Mrs. Parker also taught adult education classes, helping many adults earn their GED certificates.

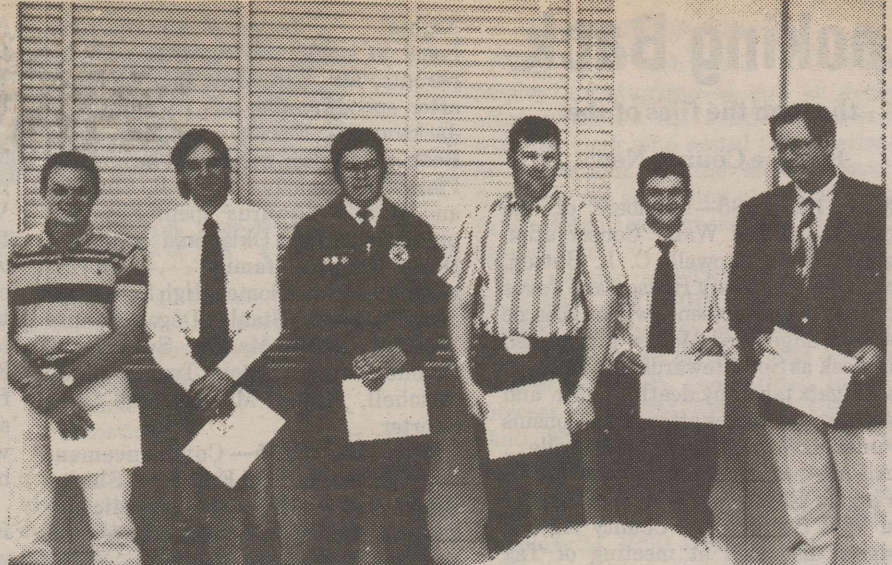

She is looking forward to traveling

with her husband, Charlie, and enjoying her children and grandchildren, Brit and his wife Virginia and their daughters, Jeri and Randi, who live in Houston, and Suzy and her husband, Ken Yates, who live in Midland.

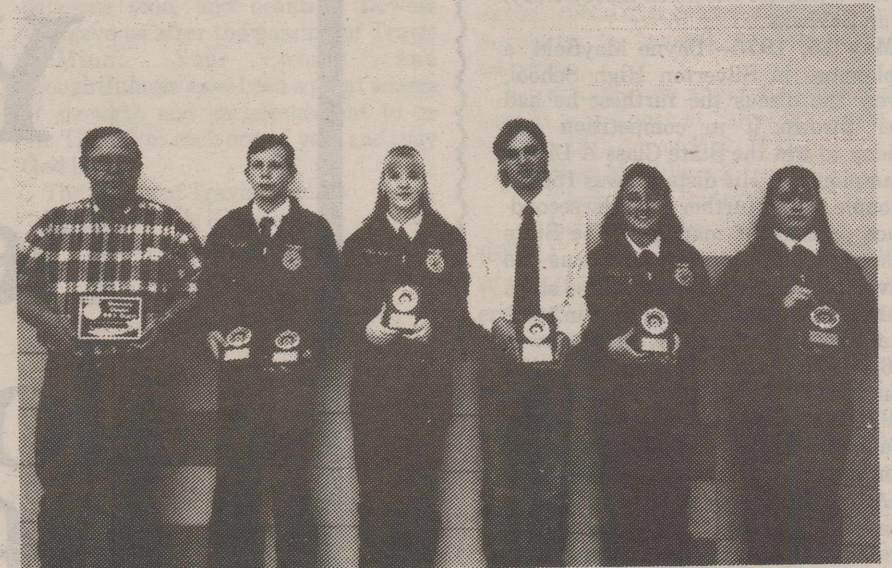

Also to be honored is Stan Fogerson, Silverton ISD principal, who announced last week that he will be leaving Silverton to become the Middle School Principal at Anson. His wife, Lynda, will be the Taylor County Extension Agent in Abilene beginning June 5, and this is a very important career move for both of them.

Fogerson began his career in Silverton ISD in 1987, teaching vocational agriculture after having spent 17 years in the family business, Fogerson Lumber Company. In February 1987, he moved to the principal's office where he has spent the last 8½ years.

Please join Silverton ISD and PTA in extending best wishes for the future to these two dedicated educators.

Lindsey Jennings Wins Spelling Bee

Lindsey Jennings was winner of the annual Briscoe County Spelling Bee held in the Silverton Schools on March 24. Debbie Holt was coordinator and pronouncer for the event which was judged by Mary Ann Rauch and Shelley Brock.

Fifteen contestants from grades five through eight took part in the event, and it took six rounds to spell down to the final two.

The last two spellers went five rounds. Twice they both missed the word called. The last two words were "tarpon" and "tetra", and these boosted Miss Jennings to victory over runner-up Jordan Sarchet.

Spellers in the bee were Brandi Rice and Molly Sarchet, fifth grade; Brooke Garvin, Vance Chandler, Daniel Castillo, Diana Garza and Erica Edwards, sixth grade; Vanessa Reyna, Jordan Sarchet, Misti Mattheus and Kayla Davis, seventh grade; Donnie Burson, Jared Holt, Junior Castillo and Lindsey Jennings, eighth grade.

**FAITH CALLS A BABY THE
 CONTINUATION OF OUR OWN
 LIVES**

Of all the miracles of God's creation, there is none more wonderful than a baby. It's a traffic stopper wherever it goes, and a great source of pride to its parents. It demands constant attention, and it's so noisy that we wonder how anything that tiny can produce so many decibels of sound. Moreover, that sound seems to be magnified at the House of Worship, where the baby should be baptized or christened, according to the custom of the creed, but otherwise should either sleep through the sermon or be exiled to the nursery. In any case, faith will remind the parents that this cute, noisy little morsel of humanity is the ultimate extension of their own lives, to be molded into one of tomorrow's good citizens in whose hands the future of our nation will one day lie.
