VOLUME 87 NUMBER 42

## Texas Caprock Arts Festival is October 21-22

Texas Caprock Arts Festival, a juried fine arts show and sale, will be held at the Briscoe County Showbarn in Silverton October 21-22, under the sponsorship of the Silverton Chamber of Commerce. Deadline for entries was

September 16. Works are to be judged Friday, October 20, by Betty Graham who is the guest artist and juror for the show. Media used will include pen and ink drawing, pastels, sculpture, oils, photography and watermedia.

The show will be open to the public from 10:00 a.m. to 9:30 p.m. Saturday and from 1:00 until 5:00 p.m. Sunday. Work may be removed from the Showbarn after 5:00 p.m. Sunday.

Ribbons will be presented for Best of Show and first three places in each class. The Raye Smith Memorial Award has been added. Cash awards will accompany these ribbons in the adult division. There will be honorable mentions and People's Choice awards.

Artists may offer their work for sale if they choose. A donation of 20% of all sales will be retained by the Silverton Chamber of Commerce. Artists may price their work as they choose. Each artist is responsible for collecting Texas Sales Tax (7.25%) on all sales made during the show and for reporting their own sales tax.

A junior division may be entered by students through high

## Red Ribbon Rally Week is Oct. 23-27

Red Ribbon Rally Week will be October 23-27. The Silverton High School GT class will be sponsoring the festivities. Each day will provide a different event to promote drug awareness.

There will be a Drug-Free Carnival for Grades Pre K through six. Donations for prizes to be given away to the students each day would be appreciated.

Contact Margie Pinkerton, Michelle Francis, or any high school GT student for more information.

The week's schedule includes:  
Monday ..... Red Ribbon Day  
Tuesday ..... Elementary Fair  
Wednesday .... "Lick Drugs" Day with Popsicles for High School and Junior High students  
Thursday ..... Pencil Day  
Friday ..... Wear Red Day

## Senior Citizens To Have Meeting Friday

Silverton Senior Citizens will have their regular monthly business meeting and luncheon at the Center Friday.

school age. Ribbons will be awarded in this division. All other requirements and schedules will be the same. Students may enter the senior division if they prefer.

Awards will be presented at 4:30 p.m. Sunday. Admission is free. For information, contact Connie Simpson at 823-2486.

The first bale of new-crop cotton was ginned for Don Curry by Johnson's Gin on October 12. The bale weighed 505 pounds and produced 780 pounds of seed. There was a 29.1% turnout of lint. Johnson's Gin bought the first bale for a premium price of \$1.00 per pound. Derrell Johnson and Don Curry are pictured with the first bale.

Briscoe County News Photo

## Early Voting Began Here Wednesday

Early voting began in Briscoe County at 8:00 a.m. Wednesday.

If you would like to vote early for the November 7 general election, you can do so by going to the office of County & District Clerk Bess McWilliams in the courthouse between 8:00 a.m. and 5:00 p.m. on weekdays that are not holidays. The office is closed from 12:00 to 1:00 p.m. for lunch.

Included on the general election ballot are 14 proposed amendments to the state constitution. Early voting closes at 5:00 p.m. on Halloween.

You no longer have to give a reason for preferring to vote early.

## Quitaque Fall Foliage Tour To Be Held This Weekend

Quitaque Chamber of Commerce is sponsoring a Fall Foliage Tour Day on Saturday, October 21, and is in the process of adding an antique tractor display to the other events that are planned. If you have an antique tractor, they would like for you to bring it for display in a large area on North Highway 1065. If you don't have an antique tractor, but enjoy them, you are invited to look them over on the special day.

Other events include coffee, donuts and lunch which will be served beginning at 7:30 a.m. at the Senior Citizens Center; Fall Foliage Tours, leaving from the

trailhead between 8:00 a.m. and 5:00 p.m.; Flea Market and Craft Show on Main Street all day.

Also being held most of the day are a Book Sale at the public library; Tour of Fine Homes, leaving from the Senior Citizens Center; Health Fair at First National Bank; Country Music with Jerry Chambliss; Scarecrow Lane (watch out for the ghosts).

Soup, salad and pumpkin desserts will be served at the Community Center from 11:00 a.m. until 3:00 p.m.

The Quitaque Quest bike races begin at 10:00 a.m. at Caprock Canyons State Park. Judging of Pumpkin Painting/Carving at

Caprock Cafe begins at 10:00 a.m. Drawing for silverware will be conducted at the Senior Citizens Center at 8:00 p.m.

Booth spaces in the Flea Market/Crafts Show may be reserved by calling 806-455-1700. Spaces are 16'x16' and the price is \$10.00. You are asked to bring your own table and chairs.

Reservations for the Fall Foliage Tours may be made by calling 806-983-3639. Reservations for the bike races may be made by calling 806-455-1121.

Go Owls

It's time we talk about the responsibilities of fans at the football games. We need to remember that above all else, we should be governed by the rules of sportsmanship and fair play. Sportsmanship to me means keeping a positive attitude and not letting negative things come out of our mouths. We are going to have to let the referees call the game without our suggestions, even when they don't seem to be trying to do a very good job of it.

You need to be aware that most all schools now have a rule against the use of tobacco on school property, and this includes the football field.

Now since I've discussed some of the responsibilities of the fans I'd like to discuss some of the responsibilities of the referees.

I'd like to remind the referees that every player on the field is a son, grandson or special friend of mine and most everyone attending the game. Most of these boys are playing for fun and have a football career that will span about six years because not very many of them have the talent to play college ball. During this six years, we expect the referees to do everything they can to protect these boys from injuries that could nag them the rest of their lives.

In short, the fans expect that you will watch diligently for late hits and hits out of bounds, clipping and crackback blocks, grabbing of the helmet and face mask, and the other things that could bring injuries to the players.

We also expect that you will enforce other rules of the game which keep the game fair and keep the bullies from "throwing their weight around." Jumping offside isn't such a serious infraction, unless it is done in such a way to provide a cheap shot for the team that does it.

We think that if a particular player repeatedly commits infractions that are in violation of the rules and could injure someone (even their own teammates) you should consider removing them to the sideline. We also believe that if you see the coaches doing things like we witnessed here recently (picking up the yardline marker and throwing it onto the field, then picking it up and throwing it again) you might consider action against him. We don't want the referees dominating the game, but we do want them to look like they are trying to do a good job. Many of the referees we see now look as though they are out there to get their paychecks and little else.

As for the referees we are seeing on television, I think the See ALL AROUND — Continued on Page Two

**Ziegler Re-elected as Director of Board of Caprock SWCD**

Brad Ziegler recently was re-elected to the Caprock SWCD board of directors. Ziegler will represent Zone 3 of the district.

Purpose of the Caprock SWCD is to promote sound soil and water conservation programs on agricultural lands within the district and to serve as a voice for farmers, ranchers and local community entities on conservation matters.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

The five members serving on the district board of directors are responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In Texas there are 214 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government,

If you need work done on your vehicle, just call **995-3565** during the day, or call **823-2498 (Dale)** after 7:00 p.m.

They will pick up your vehicle in the morning, drive it to Tulia, make the repairs needed, and return it to you in the evening. Remember, we're just a phone call away!

**GRABBE-SIMPSON Motors, Inc.**

SWCDs do not have the powers of taxation or eminent domain. All conservation programs managed by the district are of a voluntary nature to the landowner or operator or other potential users of the SWCD's programs.

**Windbreak Trees, Wildlife Packets Now Being Ordered**

Caprock Soil and Water Conservation District is now taking orders for the 1996 windbreak trees and wildlife packets.

Evergreen species available are Afghan pine, Arizona cypress, Austrian pine, Ponderosa pine, Redcedar, Rocky Mountain Juniper and White pine, Spruce and Pinon pine.

Hardwood species available are Aromatic sumac, Catalpa, Desert willow, Green ash, Hackberry, Honeylocust, Honeysuckle, mulberry, Nanking cherry, Osage orange, Russian olive and Shumard oak.

Wildlife packets are available for quail and pheasant, deer, turkey and squirrel.

Prices will remain at \$2.50 each for the evergreens and \$1.25 for the hardwoods. The wildlife packets are \$35.00 each. Prepayment will be required for each order. Delivery will be in March of 1996.

Please call 823-2320 or come by the Natural Resources Conservation Service in Silverton to place your order.

**Arts, Crafts Festival Is Annual Fall Event**

The 21st Annual Running Water Draw Arts & Crafts Festival will be held in the Ollie Liner Ag. Center in Plainview

from October 20-22. The festival brings together over 125 artists and crafts persons from throughout the Southwest. During the three days over 7,000 people will attend. All items for sale are handmade by the exhibitor. Jewelry, pottery, clothing, furniture, quilts, afghans and numerous country crafts are included. Original artwork in oil, watercolor and acrylics are offered.

This is sponsored by the Plainview Rotary Club. Proceeds from the sales are used to support numerous charities and civic activities supported by the Rotary Club and to provide support for the Llano Estacado Museum at Wayland Baptist University.

Just this year, the Museum has added two exhibits. One includes a "giant" wolf found in Alaska. This wolf was once native to the South Plains. Exhibits such as this can only happen with the

## LOOKING BACK

through the files of the  
Briscoe County News

**October 17, 1985--**More heavy rains fell on Silverton during the past week, amounting to 3.88 inches. Lake Mackenzie has risen about 4½ feet and the depth at the dam is now 120 feet. The October rainfall brings the total for 1985 to 28.08 inches, far above the 20.50-inch annual normal. . . . Leading the cheers for the Junior High Owls this season are Carrie Ann Grabbe, Tonya Baird and Penni Fogerson. . . . Senior Class officers are Lee Ann Durham, president; Kori Baird, vice president; Kathy Brown, secretary-treasurer; Cal Brannon and Shavonne Lowrey, Student Council representatives. . . . Three Way came to Silverton to play Saturday afternoon and won the battle between the two undefeated teams in Six-Man Football District 1-A. . . . Playing for the Junior High Owls, who dropped their second game of the season last week, are Kendal Minyard, Terry Miller, Timmy Wheeler, Denny Hill, Bryan Ramsey, Wayne Henderson, Fidencio Reyes, Frank Lowrey, Jon Pigg, Mark Auston, Brad Brunson, Robby Weaks. The team now stands 2-2 for the season. . . .

**October 16, 1975--**Last Saturday a gift was made to the Silverton Volunteer Ambulance Service by Mr. and Mrs. P. A. Keplinger of Waxahachie in memory of their only son, Robert A. Keplinger, who died in Los Linguish Canyon about 15 miles southeast of Silverton in February 1960 at the age of 21. Mr. and Mrs. Keplinger said it was their desire to do something for the people of Silverton, many of whom searched the canyons for a number of hours at the time of the tragedy before locating the bodies of their son and his two companions from Texas Tech. . . . Miss Tracy Gill is Football Queen. . . . FHA-FFA cookout held at the home of Mr. and Mrs. John T. Francis. . . . Lori Francis, Gary N. House exchange wedding vows in candlelight ceremony. . . . Mrs. Joe Kitchens was honoree at a layette shower in the home of Mrs. J. D. Nance Tuesday afternoon. . . . Mr. and Mrs. Wade Brannon are parents of a son, Jess Wade. . . . Mr. and Mrs. John Wyatt are parents of a daughter, Ashleigh D'Ann. . . . Mrs. Norman Strange and her daughter, Mrs. Bill Wood and children, spent the weekend visiting Dr. and Mrs. Max Garrison, Walt and Cody at College Station. . . .

**October 21, 1965--**Silverton moves to new UIL District next year to compete with Claude, Clarendon, McLean and Wheeler. . . . Kay Strange to compete in "Miss Cotton" contest. . . . Mrs. Sue Osborn, 24, and her baby daughter, Shonda Lynn, were injured in a one-car accident 9½ miles east of Tulia on Highway 86 Monday morning. . . . Mrs. Charles Travis Holt and Mike of Columbus, Georgia arrived here

Wednesday for a visit with her sister, Mrs. C. A. Holt, and other area relatives. Capt. and Mrs. Holt and Mike have recently returned from Germany. Capt. Holt, a helicopter pilot, has since been transferred to Vietnam, to serve with the Airmobile Division which has been active during the fighting there. . . . Mr. and Mrs. Ronald Vaughan, Douglas and Delton were Sunday visitors with Mr. and Mrs. Clifford Youngquist and children in Plainview. . . . Mrs. C. O. Allard and Mrs. George Seaney visited Mrs. Clyde Lightsey, Mrs. Boyd Bingham and Mrs. John Schott at Swisher Memorial Hospital Monday afternoon. . . . Mr. and Mrs. Beryl Long were in Denison from Friday until Tuesday. Henry Long stayed here with his grandsons, Mike and Jy Long, while their parents were away. . . .

**October 20, 1955--**Owl - Quitaque game to determine Briscoe County Champs. . . . Triple honors came to the Silverton FFA Chapter at the National FFA Convention which met last week in Kansas City, and as Cotton John said in his column, "Silverton cut the most ice of all Golden Spread chapters," and that can be broadened to include the entire state of Texas. Silverton had two boys, Freddie Hamilton and Jack Graham, receive the American Farmer Degree and the chapter received the Gold Emblem award, highest award given by the National Association. . . . Mr. and Mrs. Wylie Bomar, jr. are parents of a son, Ronald. . . . The sale of Bomar One Stop and Pontiac - GMC agency by Ray C. Bomar to Tomlin-Fleming was completed last week. . . . Jennings Farm Supply to sponsor egg clinic tonight. . . . Sunday dinner guests of Mr. and Mrs. J. L. Self and children were Mrs. Fannie Sweek, Mr. and Mrs. Mart Self and Zobie, Mrs. Eva Lou Cowan and children and Mr. and Mrs. R. E. Sweek and daughters. . . . Mmes. Bruce Eddleman and Bryant Eddleman and little Leila Jo McPherson were in Floydada and Lockney Wednesday afternoon. . . .

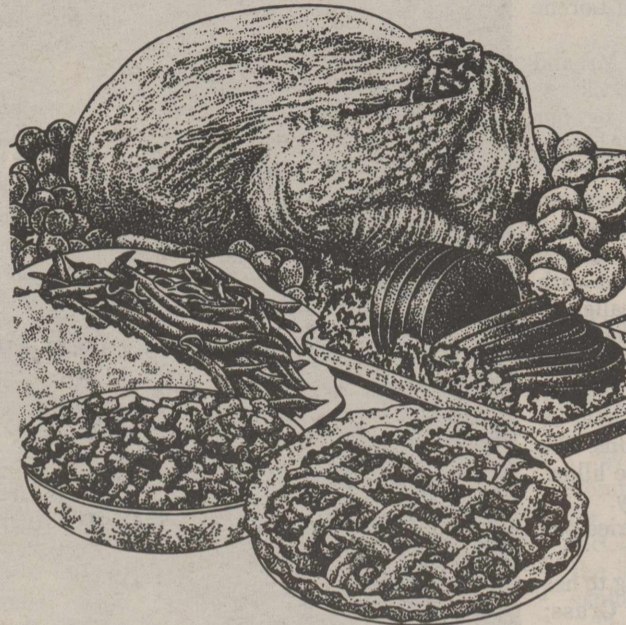

**October 18, 1945--**A deal was completed here Wednesday in which Chester Burnett purchased the residence of Roy Hahn in north Silverton. Mrs. Burnett and children will move to their new home sometime before the first of the year. The Burnetts have three children, two of school age. . . . Editor Agnes Cooper wrote: "I learned the second day I was here never to say anything derogatory about anyone because everybody is kin to everybody else. (Of course don't misunderstand me, I wouldn't anyway)." . . . The freshman class elected officers September 12. They are Jett Mason, president; John L. Burson, vice president; Joye Belle Deavenport, secretary; William McClure, treasurer. . . . Sophomore officers are Carl Tidwell, president; Anna Thomas, vice president; Dorothy Garvin, secretary-treasurer; Clayton Wood, sergeant-at-arms. . . . L. D. Griffin is spending a 15-day furlough here with relatives and

friends. . . . Red Gilkeyson is "divorced" from the Navy. . . . Marvin Montague arrived here Tuesday from the South Pacific. He is with the Merchant Marine. . . . Sgt. Garner Guest underwent an operation in the Great Lakes Hospital last week. . . . Mr. and Mrs. Dick Bomar and Gay and Mrs. Freeman Tate spent the weekend at Cyril, Oklahoma. . . . Homer Strange and children, Mr. and Mrs. Edwin Crass were

Sunday dinner guests in the Bryan Strange home. . . . **August 28, 1925--**Z. G. Fogerson came to Texas from Lebanon, Missouri in May 1891. He came through on a train and arrived in Amarillo late one night. After looking about the station and seeing nothing that gave any evidence of a town being anywhere near, Mr. Fogerson asked the station agent if there was a hotel anywhere near where

he could spend the night. The agent told him there was a hotel in town, and pointed out a certain course for him to take to reach town. Then the agent got his lantern and showed him the trail that led to town. Following this trail Mr. Fogerson arrived in town and after looking about for some time saw a small frame

# Sutton-Stockton Vows Are Exchanged In Lubbock

Miss Melinda Kay Sutton and Mitchell Stockton exchanged wedding vows Saturday evening, October 7, at The Baker Building in Lubbock with Bob Odle of Sunset Church of Christ performing the ceremony.

The bride is the daughter of Mr. and Mrs. Jack Sutton of Silverton and the granddaughter of Lorene Crass of Lockney.

The groom is the son of Mr. and Mrs. Joe Stockton of Lubbock.

Escorted to the altar by her nephew, Ashley Glenn of Abilene, the bride was given in marriage by her parents. She wore an Italian satin gown with a vee neckline, short sleeves and a princess bodice embellished with pearls and sequins. The ballgown skirt fell from a basque waistline and swept into a mid-cathedral train.

Her veil of illusion was held by a band of pearls and sequins. She carried a bouquet of white lillies, blush roses and English ivy.

Bridal tradition was carried out with something old, the engagement ring belonging to her Grandmother Lorene Crass; something new, her wedding ensemble; something borrowed, the bible belonging to A. B. Stockton, given to her by her parents and carried in her own wedding; and something blue, which was the garter handmade by the bride's mother.

Shelley Melton of Plainview and Lori Clark of Lubbock served as matrons of honor. Bridesmaids were Cynthia Glenn of Tulia, the bride's sister; Holly Glenn of Tulia, the bride's niece; Rhonda McGinn of Humble, a sister of the

Mrs. Mitchell Stockton

bride, and Stephanie McGinn of Humble, the bride's niece.

The attendants wore ankle-length dresses of cobalt blue faille, featuring rounded necklines and short pleated sleeve detailing. They carried bouquets of Sonia roses, Montrose lilies and Gerbera daisies in coral tones.

Flower girls were Melanie Wood of Midland and Ashley Stockton of El Paso, nieces of the groom. Brandon McGinn of Humble, the bride's nephew, and Taylor Stockton of El Paso, the groom's nephew, were ringbearers.

Brady Clark of Fort Worth was

best man. Groomsmen were Tim Botkin of Tucson, Arizona, the groom's brother-in-law; Larry Stockton of El Paso, the groom's brother; Marvin Simpson of Dumas; Dustin Botkin of Tucson, Arizona, the groom's nephew, and Matt McGinn of Humble, the bride's nephew.

Ashley Glenn of Abilene, the bride's nephew, seated the guests, and Kelly Jo Myers and Fancy Koonsman registered the guests.

Musical selections were presented by Dr. Ruth Holmes, pianist; Ted Johnson, trumpet; and Billy Poteet and Shelley Melton, vocalists.

## RECEPTION

A reception was held at The Baker Building following the ceremony. Members of the houseparty were Beverly Byers and Jan Barnett, both of Lubbock; Andy Ford of Lockney; Jessie Kate Springer, Jean George and Jane Bynum, all of Kress; and June Jackson of Spearman.

Three serving tables were covered with floor-length white linen cloths and were accented with arrangements of Sonia roses, Montrose lilies and Gerbera daisies in coral tones and tall brass candleholders.

The wedding cake was a five-tier confection of Italian creme and Kalua chocolate covered with ivory-colored rolled fondant and accented with fresh flowers. The hors d'overs table held assorted finger sandwiches, cheeses and crackers, grapes and strawberries. Refreshments were served by Leslie Wood and Susan Botkin, sisters of the groom; Nancy Stockton, sister-in-law of the groom, and Liz Clark.

Special guests at the wedding and reception were Bob and Joy Crass of Amarillo, uncle and aunt

of the bride; Jean Rhea-Smith of Sedonia, Arizona, aunt of the bride; Mildred Stockton of Lubbock and Medeliene Alexander of San Diego, California, aunts of the groom.

After a wedding trip to San Francisco, the couple will reside in Austin. The bride is a graduate of Silverton High School. She received her bachelor's degree from Lubbock Christian University and her MBA degree from Wayland Baptist University. She is employed by Southwestern Bell Telephone.

The bridegroom received his degree in marketing from Texas Tech University and is employed by Golfsmith International in Austin.

A rehearsal dinner was held at the County Line in Lubbock, hosted by the groom's parents.

A bridesmaids' luncheon was given by Kelly Jo Myers in Lubbock. Other bridal courtesies included a miscellaneous shower in Silverton, showers in the homes of Shelley Melton, Naida Williams and a lingerie shower in the home of Lorri Clark.

## New Arrival

Greg Lay and Cecilia Castillo of Tulia are parents of a son, Caleb Dwayne, born at 8:11 p.m. on September 25, 1995, at Methodist Hospital in Plainview weighing six pounds and 14.8 ounces.

Grandparents are Joe and Maria Castillo of Silverton, Chuck and Dusty Lay of Alvin and Ann Shannon of Borger. Great-grandparents are Trinidad Sierra of Silverton and Dorothy Davenport of Lubbock.

### Fall Foliage Tour, Health Fair

While you are in Quitaque enjoying all of the lovely atmosphere of the Fall Foliage Tour, be sure to go by the First National Bank and participate in the Health Fair, which is being sponsored by the Quitaque Lions Club, the Briscoe County Extension Home Economics Committee and the Texas Agricultural Extension Service.

Exhibitors you will be able to visit at the Health Fair are the American Cancer Society, Panhandle Regional Planning Commission, Briscoe County 4-H and Youth Programs, Don and Sybil Harrington Cancer Center,

### BRISCOE COUNTY NEWS

Panhandle Health Services, the Texas Agricultural Extension Service and the Briscoe County Clinic.

A variety of health services will be available to you free of charge including blood pressure checks and a computer cancer risk assessment program.

For more information, please call or go by the Briscoe County Extension Office of the Texas Agricultural Extension Service.

### Couple to Minister In Song Here Soon

Rev. Paul and Karen Gray from Merom, Indiana will be ministering in gospel songs and the Word of God Sunday, October 29, at Lighthouse Assembly of God.

Times of the services are 11:00 a.m. and 6:00 p.m.

All are welcomed.

## Back The Owls!

### LOOKING BACK —

Continued From Page Three

building which he judged to be the hotel in question. Entering the hotel he saw no one and after stirring about quite a bit was unable to awake anyone. Seeing a bench at one side of the room he

lay down and was soon asleep. He was awakened the next morning by footsteps approaching the room and for the first time the manager of the hotel knew that he had another guest. Mr. Fogerson went from Amarillo to Plainview on a stage line and there inquired the way to Briscoe County, which he had heard of from a brother-in-law who lived in Baylor County. After several inquiries in Plainview he was almost despairing of ever finding the way to Briscoe County when he came upon a lad almost twelve years old who told him he could show him the way to the desired destination. Hiring a surrey they left Plainview and started on their way to Briscoe County. Most of the way they had no trail and had to guess their course by sighting by weeds and other objects along the course. Mr. Fogerson states that they came straight to the big gate in the Goodnight High Grade Cattle Company's fence some miles southwest of Silverton. From there they found tracks leading northwest and near where the Askey farm is now located, they found two large windmills which furnished water for a number of cattle. From these windmills the tracks still led northwest and when they reached the present site of Silverton they found a small store building where Cowarts Store now is. This was the only store in town at that time. T. J. Braidfoot, who filed on the section on which the town is

now located, had a dugout on the northwest part of the section. Mr. Braidfoot, his wife and children lived at this place. The store was owned by a man named Fisher, and was operated by Mr. Braidfoot when Mr. Fisher was not here. Mr. Fogerson tells a very interesting story of a time when he had spent all of the small amount of money he had and had nothing with which to buy food for his family. At that time there were two stores in town, Fishers, and Bomar & Wadkins. Mr. Fogerson had asked Mr. Fisher to let him have a sack of flour on credit but Fisher would not do it. It happened that at the other store the men were more free hearted and Mr. Bomar let him have the sack of flour. This was A. C. Bomar, familiarly known as "Uncle Alec" and father of Jim Bomar. An old cattleman bought out the dry goods stock of D. W. Pinkston, who had a small holding where Douglas and Whiteside's building now is, and Mr. Fogerson took the stock promising to pay for it as soon as he could. At the end of the first year he could not pay for the stock but Mr. Michael told him to try it another year. At the end of the second year he paid the money back at 12% interest. Mr. Fogerson was interested in the mercantile business in Silverton from that time continuously until he sold out his interest about ten years ago. He credits his success in the mercantile business to small profits and quick turnover.

# Owls Still Looking For A District Victory

Both the Silverton Owls and Cotton Center Elks stumbled out of the District 2-A Six-Man starting blocks Friday. Now they'll try to knock each other off when they meet this Friday in Cotton Center.

The Owls presented the Panthers with a homecoming gift--four turnovers--and Whitharral made the most of each one.

"We shot ourselves in the foot. It was just one of those nights," Owl Coach Clyde Parham said.

Whitharral began with a 72-yard kickoff return to open the second half, pulled away with a 30-point third quarter when Silverton committed three of its turnovers.

"We deflated after that," Coach Parham said. "That quarter just got away from us."

Whitharral kicked out of the endzone to open the game last Friday, and Arnold Garza went to work and picked up a first down on the Whitharral 20. Jeremy Holt ran for a couple of yards and Cory Chandler passed to Jon Ivory for a touchdown with 7:51 still on the first-quarter clock. Andy Bullock kicked the PAT, and moved the Owls into an early 8-0 lead.

The Panthers, starting on the 35, had their quarterback sacked on the first play for a loss of four yards by Garza. They ran for 10 and then picked up a first down on the Silverton 10. They scored with 7:06 still on the first-quarter clock, kicked the PAT, and moved into an 8-8 tie.

The Owls took the kickoff on the 23, and mixed runs by Bullock and Garza to make first downs to

Arnold Garza shows his defensive strength as he makes a tackle for the Owls against one of the Whitharral Panthers.

*Briscoe County News Photo*

the Whitharral 15. Three plays later, the Owls lost the ball via the fumble on the Whitharral 15. The Panthers scored two plays later, there was no PAT, and with 3:59 still to be played in the first quarter, the Panthers held a 14-8 lead.

After taking the ball on a touchback, Garza and Jeremy

Holt went back to work, getting a first down on the Silverton 38. Chandler passed to Jeremiah Brooks for a touchdown with 1:13 remaining in the first quarter. There was no PAT, and the Owls moved into a 14-14 tie.

Zeb Holt kicked into the endzone, and Whitharral set up operations on their 20. They picked up a first down on their 35 and went for another on the 20, stopped by Holt. They passed

Jeremiah Brooks returns a kickoff for the Owls in their game at Whitharral last Friday night.

*Briscoe County News Photo*

complete for another touchdown with 9:03 still to be played in the second quarter, kicked the PAT, and moved into a 22-14 lead.

When Whitharral kicked off again, Garza brought it out to midfield. Garza and Bullock combined for a first down and were stopped on the next series. The ball went back to the Panthers on the Whitharral 30. They picked up a first down on the 35 and passed complete for another touchdown with 4:33 still on the first-half clock. The play was called back for a penalty, and Brooks and Garza defended the next play which was a pass completion. Garza came close to intercepting the next play. The Panthers came near a first down on the next play, but the referee stepped off a penalty. Garza defended the next play, but the Panthers scored on fourth down. With 3:11 still showing on the second-quarter clock, the Panthers moved into a 28-14 lead.

Garza ran for a first down on the Silverton 35 after controlling the kickoff on the 18. Chandler passed to Bullock for three or four yards and to Brooks for a first down on the Whitharral 20. Garza picked up a first down on the Whitharral five with 27.4 seconds remaining. Garza scored, Bullock kicked the PAT and with 24.5 seconds remaining, the Owls narrowed the score to 28-22 as halftime approached.

Zeb's kickoff was brought out to the Whitharral 25, stopped by Garza. The Panthers passed complete for a first down on the Silverton 30 with one second remaining to be played. An incomplete pass ended the first half.

Zeb kicked off once again and Whitharral took the ball all the way for a touchdown. They kicked the PAT, and with 9:45 still to be played in the third quarter, they moved into a 36-22 lead. After a touchback, Garza went to work again, but the Owls were forced to punt on fourth down. This time the Owl defense denied the Panthers, and they punted on fourth down to the Silverton four. Garza ran to midfield for a first down, after which an Owl aerial was intercepted and carried to the Silverton 30, where Chandler stopped the play and prevented another touchdown. Whitharral scored on the fourth play, kicked the PAT and moved into a 44-22 lead with 3:17 remaining in the third period.

Garza took the ensuing kickoff all the way for a score for the Owls. Bullock kicked the PAT, and the Owls were flagged for a penalty. Bullock kicked the PAT again, and the Owls narrowed the score to 30-44. When Zeb kicked off again, Whitharral carried the ball to their 32. They passed complete on the first play, defended by Garza and Leland Wood, making a first down on the Silverton 10. They scored two plays later, with defense by Brooks, kicked the PAT, and moved ahead 52-38.

When the Panthers kicked off, Brooks carried to the Silverton

20. Garza ran for some gain, but on the next play the Owls lost the ball via the fumble on the 15. Whitharral scored, there was no PAT, and with 30 ticks left on the third-quarter clock, the Owls trailed 30-52.

Starting with a touchback, Garza ran for a first down and Jeremy Holt ran for six or seven yards more as the fourth quarter began. Garza picked up a first down on the Whitharral 25, and four plays later Chandler passed complete to Jack Cherry for a touchdown. There was no PAT, and with 7:31 remaining in the game, the Owls narrowed the score to 36-58.

Zeb kicked off again, and Whitharral controlled the ball on the 37. The Panthers picked up a first down, defended by Brooks and Garza, and moved through Zeb Holt and Brooks to get to the Silverton 10 where the ball went over on downs. On the second play, Chandler passed to Brooks for a first down, and Garza picked up five yards. Chandler passed to Garza after which Garza ran for another first down and added another on the Whitharral 17. Jeremy Holt ran for 14 yards and Garza scored with 2:55 remaining in the game. Bullock kicked the PAT, and the Owls narrowed the score to 44-58.

The Owls kicked off short, and the Panthers picked up another first down before the game ended. Silverton made 19 first downs while Whitharral got 18 in the game. Garza rushed the ball 31 times for a gain of 259 yards; Bullock, 11-34; Jeremy Holt, 5-31; Ivory, 2-0.

Chandler hit eight of twelve passes for a gain of 117 yards; Bullock, 0-1-0-0; Garza, 0-1-1-0.

Brooks caught three passes for a 72-yard gain; Ivory, 1-18; Cherry, 1-14; Garza, 2-10; Bullock, 1-3.

Pep rally is at 2:40 p.m. Friday in the gym. Be there, and don't miss the game at Cotton Center!

## Sports Notes

Both Arnold Garza and Cory Chandler received honorable mention when the *Amarillo Daily News* sportswriters named their Players of the Week for their stellar performances in football last Friday.

In the area Six-Man Football Rankings that came out in the *Lubbock Avalanche-Journal* Tuesday, included are 1. Amherst; 7. Lazbuddie; 9. Whitharral; 10. Three Way. If you think these sound familiar, it's probably because they all play in the same district with the Silverton Owls.

## Junior Varsity Team Hosts Whitharral Boys

Silverton's Junior Varsity Owls hosted the Panthers from Whitharral last Thursday, suffering a 27-12 defeat.

To open the game, Jared Holt's powerful kick went out of the endzone for a touchback, and on the first play of the game the Panthers fumbled and it was recovered by the Owls. David Gamble picked up four yards and Jared Francis ran for four more before Holt passed to Chris Justice for a touchdown with 6:46 remaining in the first quarter. There was no PAT, and the Owls held a 6-0 lead.

When Holt kicked off again, Whitharral carried the kickoff all the way for a touchdown, but the play was called back due to a penalty against the Panthers which was stepped off back to the 30. This time the Owl defense held, and the ball came back to the Owls on downs on the Silverton 20. Neither team was able to move the ball during the rest of the first quarter, and shortly after the second period opened, the Panthers moved in for a first down on the Silverton 17. This play was stopped by Gamble who prevented the touchdown. The Panthers scored on the next play, there was an incomplete pass for PAT, and the score was knotted at 6-6.

The Owls came back with runs by Gamble and Francis, but Holt punted on fourth down and the Panthers brought it back to midfield. Whitharral carried a touchdown on the next play, ran the PAT, and with 5:08 remaining before halftime widened their score to 13-6. When Whitharral kicked off, Justice returned the ball to the Silverton 33. Gamble and Francis carried to the Whitharral 30, after which Francis ran for a first down on the Whitharral 15. Francis scored on the next play. Whitharral blocked Holt's PAT

kick, and with 3:29 remaining in the second quarter, the Owls were on the short end of the 12-13 score.

Holt kicked off again, Whitharral fumbled and then brought the ball to their 15. Defense by Francis and Lorn Estes prevented much gain on the next series, and on fourth down the Panthers punted to the Silverton 35.

Francis picked up a first down on the Whitharral 25 and added another with twenty seconds remaining in the first half. There was a quarterback sack on third down and the horn sounded ending the first half of action.

Whitharral kicked off to open the second half, and Justice brought the ball to the Silverton 22. On fourth down the Owls punted out of bounds on the Whitharral 22. The Panthers scored on the next play, passed complete for the PAT, and moved into a 12-20 lead.

When Whitharral kicked off, Francis brought the ball out to the Silverton 25, then proceeded to pick up a first down near midfield, but the Panther defense tightened, and the ball went over on downs on the Silverton 35. This time the Owl defense held, and the ball came back to the Owls on the Silverton 25. The Owls were unable to move the ball and the Panthers got it back and made a first down just before the fourth quarter began. Donny Burson and Estes provided defense on the next series, and the ball came back to the Owls on the Silverton 30. On fourth down, needing four yards after runs by Francis, an Owl aerial was intercepted. The Panthers made a first down before scoring with 1:44 remaining to be played in the game. They carried the PAT into the endzone, and moved into a 12-27 lead.

Justice brought the ensuing

kickoff out to the Silverton 30, before an Owl aerial was picked off once again and the game ended.

## Junior High Owls Earn Another Big Victory

Silverton's Junior High Owls hosted the Whitharral Junior High team on Thursday afternoon of last week, and wasted no time taking charge of the game. Jordan Sarchet kicked off to open the action, and on fourth down, when Whitharral attempted to punt, the ball was centered over the kicker's head and out of the back of the endzone for a two-point safety for the Owls.

Whitharral free kicked, and the Owls took control of the ball on the Whitharral 28. Paul Segura and Clint Ivory alternated in carrying the ball, and on fourth down, Segura carried into the endzone for more points for the Owls. There was a penalty assessed on the PAT attempt, and on the second try Clint ran into the endzone to give the Owls a 9-0 lead.

Sarchet's kickoff went into the endzone for a touchback, and the Panthers started on their 20 and really weren't able to get far from the 20 during the series. On fourth down, the Panthers fumbled, the ball was recovered by the Owls on the Whitharral 22, and on the next play Charlie Bomar ran into the endzone for more points for the Owls. Segura carried the PAT, and with 33 ticks left on the first-quarter clock, the Owls held a 16-0 lead.

The Owls kicked off again and Clint held the runback on the Whitharral 12. The referees flagged the Panthers for an infraction, and Whitharral was penalized half the distance to the goal. Adrian Ramirez threw the Panthers for a two or three yard loss on first down, and as the second quarter began Segura returned a punt for a touchdown. There was an incomplete pass for PAT, and the Owls moved into a 22-0 lead with 4:48 remaining to be played before halftime.

Once again Sarchet kicked off and the Owls held the runback at

the Whitharral 30. After an incomplete pass, the Panthers moved for a first down on the Silverton 35. Nathan Francis threw them for a loss on the next play. On fourth down, needing 17 yards, the Panthers passed complete and the receiver slid out of bounds. The ball went over to the Owls on the Silverton 30, and a new team came into the game for the Owls.

Isaiah Ivory passed complete to Vince Cruz, but the ball went over to the Panthers on the Silverton 35. Whitharral gained eight yards on first down and went for a first down on the Silverton 10, stopped by Mickey Juarez on the next play. They scored with six ticks left on the clock, ran for the PAT and narrowed the score to 22-7. Whitharral kicked off and time expired in the first half of play.

Whitharral kicked off to open the third quarter of play and the Owls controlled the ball on the 40. Bomar ran for five yards and Segura ran for five yards more. Vance Chandler passed to Bomar but there was no gain on the play and on fourth down Sarchet punted into the wind and Whitharral took control on their 35. Defense by Segura and other Owls held and on fourth down the ball went back to the Owls on the Silverton 35. Segura and Clint Ivory alternated in carrying the ball, and Clint ran to the Whitharral 30 for a first down after which Bomar gained a little and Chandler passed to Ramirez for a first down near the goal. Bomar carried the touchdown, there was no PAT, and the Owls moved into a 28-7 lead.

When the Owls kicked off again, Whitharral took the ball on their 25. The Owl defense was playing tough, and on the second-down pass play, Ramirez went high into the air to knock away the ball. The Panthers picked up a

### BRISCOE COUNTY NEWS

first down on the Silverton 35, after which Ramirez held them to a two-yard loss. They picked up a first down on the Silverton 20, but the ball went over on downs to conclude the next series, and the Owls killed the clock and took the 28-7 victory.

This week the Junior High Owls host the boys from Cotton Center at 5:00 p.m. today. Pep rally is at 12:20 p.m. in the gym. The Junior High Owls need your support. Be there!

## Cowboy, Country Music Artists to Attend Thunder Junction Meeting

The next community update meeting for Thunder Junction Western Heritage Theme Park will include major announcements regarding the progress of the planned attraction.

Eight-time world champion rodeo calf roper Roy Cooper of Childress, and Country Music Artists Tommy Overstreet of Branson, Missouri and Red Steagall of Fort Worth will attend the next Thunder Junction community update meeting to be held Monday, October 23, 1995 at 7:30 p.m. The meeting will be held in the Bairfield Building at Clarendon College and the public is invited to attend.

Westwood Enterprises, Inc., developer of Thunder Junction, has announced plans for the construction of the Old West Town. The town will feature a wagon wheel design layout of retail shops with each street reflecting a specific period in Texas history.

The town will feature arts and crafts, shopping, dining and musical entertainment, according to Stan McClendon, spokesman for Thunder Junction. He added that potential vendors and concessionaires are encouraged to attend the Monday night meeting.

"We are delighted that Roy, Tommy and Red are planning to be at the meeting," said McClendon. "It is remarkable how the support for this project has exploded," he added.

The first project, now under construction, is a 37' tall three-slide water complex. This will be enhanced by the addition of a children's play area featuring flume and foam slides. New Braunfels General Store (NBGS) is designing several of the children's water play areas and plans are to encompass the water area with a lazy river.

There also will be an announcement made by Yesterday's Children, a not-for-profit senior citizens organization. The group is planning a project for the park that will enhance the Grand Entrance and design of the Old West Town.

## Cotton Crop Arrives Along Route Of Adverse Weather and Insects

by Kater Hake, Associate Professor and Extension Agronomist  
Provided by Rebel L. Royall  
Briscoe County Extension Agent

The 1995 High Plains cotton crop has arrived at its current situation via a long and frustrating route of adverse weather and insects. Despite the favorable price and yield prospects, producers are ready to relegate this crop to the history pages. Today most acres are ready for a harvest aid and many have been sprayed. The next few days should see a wide scale increase in harvest aid application and next week, barring rainy weather, harvest should kick off in full swing.

This crop started with a late and slow start. Following another mild winter, producers opted to delay planting until May to allow maximum boll weevil suicidal emergence--emergence of weevils from overwintering habitat prior to the formation of squares. The winter-long drought finally broke in early May with a planting rain that allowed the dryland cotton to be planted at the same time as the irrigated. The temperatures in May were highly variable with mid-May cold rain dropping soil temperatures at seed depth to below 50°F. The impact of cold weather in May was compounded by sustained high winds that forced producers to plant two inches or deeper. Half of the acreage north of Lubbock was replanted in late May or early June, with fields south of Lubbock suffering thin weak stands.

Even though temperatures warmed in June, sustained high winds caused irrigated and dryland seedling cotton to disiccate and die, further thinning seedling-disease weakened stands. Not until the end of June did the winds calm, resulting in the worst year for blowing dust since the CRP program was installed. With calm winds and warm weather, cotton responded rapidly with healthy squares and leaves.

With only the paucity or rain to fault, July and August were near perfect weather for cotton production. Sustained calm and warm weather allowed fields to enter bloom, although severely late, with excellent square set and plant health. Once fields reached bloom, near perfect weather allowed rapid boll set and partial recovery from the delayed start of flowering.

Insect problems became widespread in mid-August, with an early and massive boll weevil movement that damaged many bolls in Gaines, Dawson, Lubbock, Terry, Yoakum, Crosby, Lynn and cotton in the rolling plains. Despite frequent weevil applications to irrigated cotton, many late-set bolls in these counties have damaged locks. A heavy beet armyworm egg lay across the High Plains in mid and late-August caused severe concern, following the devastation in the Concho and Lower Rio Grande valleys. Fortunately beneficial insects controlled most egg masses prior to plant injury.

The favorable boll maturation weather came to an abrupt halt in early September when a Pacific hurricane poured up to six inches of rain on Lubbock and counties to the south. September generated eight to twelve inches of rain on cotton in the early boll opening stage, promoting regrowth, boll rot and slow boll maturation. September ended with record cold temperatures. On September 20, the entire High Plains cotton growing region experienced a cold front that dropped the air temperature to at least 40 degrees from Lamesa to Lubbock to Tulia. This cold weather was followed by three to four days of overcast weather that restricted the chilling injury to only older and stressed leaves. When the sun returned the following week, late maturing plants with young leaves and

## BRISCOE COUNTY NEWS

bolls were able to resume photosynthesis and add additional weight and micronaire to the bolls. After the cold front, early maturing fields started to shed lower leaves and turn purple and brown. Since late September, cotton has opened rapidly with the return of dry warm weather.

What level of production can we expect? Today, I believe that a High Plains crop (crop reporting districts IN and IS) could produce 2.8 million bales. This would be 300,000 bales less than last year. Irrigated yields north and south of Lubbock will be reduced, but dryland yields (predominantly south of Lubbock) will be increased.

Quality in 1995 will be similar to 1994 in some regards. Staple length should be similar on average (33.8) and in the distribution of staple lengths. Although we suffered less severe water stress in 1995, not due to increase in season rain but due to delayed crop development, the ratio of dryland bales to irrigated bales should increase.

I expect that strength also will be similar to last year. How can we go up any more, with the average g/tex of both the Lubbock and Lamesa offices at 29.0 for both 1993 and 1994, we may have temporarily stabilized. The variety mix is similar to previous years, with a slight increase in fast maturing cottons--some of which have high quality and some moderate quality.

Average micronaire should drop only slightly, but maintain the wide distribution seen in 1994. Although temperatures were warm during early to mid-boll maturation, which pushes mike up, many late-maturing irrigated fields may suffer severe micronaire declines. Average micronaire may be 3.9 or 4.0 instead of last year's 4.1.

Color and leaf grade will be the most dramatic shifts from 1994. Increased weevil damage coupled with rain on open cotton and difficult-to-kill regrowth, will take some brightness out of the fields; however, the bulk of the cotton opened after the rain, and with continued bright sun should have high color grades. With cotton 60 to 70 open, on average, rain now could be more damaging to color. Leaf trash will probably increase slightly due to an increase in regrowth in irrigated fields and a reduction in harvest aid usage on late-maturing cotton; however the eagerness of producers to get this crop to the gin should cause harvest aid usage to exceed usage levels pre-1993. Despite a late crop, producers have embraced this technology to protect their investment.

Bark levels could increase substantially over last year, perhaps to 1993 levels or greater. With many fields now full of moisture, cotton stalks have re-soaked and regrown; a killing freeze will cause the bark to slough. The later this crop is delayed in harvest, and the more frequently a freeze rolls across the plains, the more bark will

## TELCOT Report A WEEKLY SUMMARY OF COTTON MARKETING NEWS

For The Week Ending Oct. 12

The highly-anticipated USDA Cotton Production and Supply/Demand reports, released October 10, reduced the U. S. crop by 1,122,000 bales from the September report. Surprisingly, the market reacted with a downward move. According to one analyst, many of the bullish elements of the USDA data probably were already factored into the market.

For the first time this season, USDA pegged U. S. production below the record-high 1994 crop of 19.6 million bales. In fact, the October U. S. crop estimate of 19.1 million bales was at the low end of private projections, a reduction from last month's 20.3 million bale figure. Still, further reduction in the U. S. cotton production figure is expected next month since the October report did not reflect losses in the Southeast last week from Hurricane Opal, which are believed to have totaled 200,000 bales or more. One cotton analyst

## Master Marketers Pilot Program is Being Launched

by Rebel L. Royall  
Briscoe County Extension Agent

This winter the Master Marketers pilot program will be launched in the Texas Panhandle. The program consists of 64 hours of intensive educational programming in the marketing of wheat, feed grains and stocker cattle taught by leading agricultural experts from across the country. The course will be taught in four two-day sessions, January 3-4, 17-18, January 31-February 1 and February 14-15 in Amarillo. Subject matter addressed will include developing a marketing plan, basic and advanced marketing strategies, fundamental analysis, technical analysis and much more.

Graduates of the program will be expected to assist in starting a marketing club in their county. The registration fee is \$250 per participant and enrollment is limited to 52 with only two individuals per county being accepted into the program. Applications for the program will be accepted starting October 1. For more information and registration forms, contact your County Extension Office or Dr. Steve Amosson, 806-359-5401. The Master Marketers Program is sponsored by the Texas Agricultural Extension Service, Texas Corn Producers Board, Texas Wheat Producers Association and the Chicago Board of Trade.

slough off. I do not anticipate a return to 1991 levels of bark, as producer awareness of stripper adjustments has increased.

THURSDAY, OCTOBER 19, 1995

believes that after damage from the hurricane, the U. S. crop is realistically closer to 18.9 million bales.

While the U. S. crop fell, USDA raised its forecast for total foreign cotton production to 69.0 million bales from 68.4 million in September and 65.9 million in 1994-95. The increase came mostly from Pakistan, where the crop was increased to 7.8 million bales, up 300,000 and Uzbekistan where production jumped 400,000 bales to 5.9 million. Analysts have indicated recently that India's crop is also faring quite well and could rise at some point from the prevailing estimate of 10.5 million bales. USDA made few changes to the world supply/demand figures, but trimmed China's domestic cotton usage forecast and raised projected exports from Pakistan and Uzbekistan.

USDA cut its domestic usage estimate for U. S. cotton to 11.2 million bales, down 300,000 from September; trimmed exports by 300,000 to 7.5 million; and lowered projected ending stocks to 3.2 million, down 500,000 from last month.

USDA's 3.2 million bale carryout projection was rather encouraging for the bulls when coupled with the stark realization that USDA surprised many by taking an eraser to the West Texas crop.

## OBITUARIE

### FREDDIE SCOTT

Funeral services for Freddie Scott, 87, were conducted at 2:00 p.m. Tuesday, October 10, at New Fellowship Baptist Church in Silverton. Officiating was the pastor, Rev. Matthew Veal, and Bro. J. C. Turrentine.

Burial was in the Silverton Cemetery, with arrangements made by Golden Gate Mortuary of Amarillo.

Mr. Scott died in Plainview at 4:15 a.m. Friday, October 6.

Mr. Scott was born September 3, 1910 to Louis Scott and Lou Della Eoya Scott in Homer, Louisiana. He lived for a time in Blevin, Arkansas before moving to West Texas. He farmed for years at Lockney where he met and married Elsa Lucille Deloney Scott on February 1, 1961.

They moved to Silverton in the 1970s and he was employed at the courthouse as a janitor and groundskeeper until his retirement.

Survivors include his wife, Lucille; one daughter, Nellie Grays of Amarillo; five grandchildren; seven step-grandchildren; four great-grandchildren; thirteen step-great-grandchildren; four great-great-grandchildren.

Pallbearers were Joe Bennett, Terry Grimland, Clarence Ivory, L. B. Ivory, Don Taylor and Virgal Minyard. Honorary pallbearers were Chester Grays, Cecil Hendrix, Rodney Fields, T. V. McClure, Joe Hendrix and Garrick Hendrix.

## FISH

Now is the time for Pond & Lake Stocking of Hybrid Bluegill, Florida Hybrid Bass, Channel Catfish, Fathead Minnows, Triploid Grass Carp.

The Hybrid Bluegill can REACH the weight of 2½ to 3 lbs. We furnish your Hauling Containers. We guarantee live delivery.

Supplies--Fish Feeders, Turtle Traps, Fish Traps, Liquid Fertilizer, Commercial Fish Cages.

Delivery will be Tuesday, October 24 at the times listed for the following towns and locations.

Turkey-Valley Peanut Growers 8:00-9:00 a.m. 423-1484  
Silverton-Bill Durham Fert. 10:00-11:00 a.m. 823-2369  
Plainview-Ranchers-Farmers Suply. 12:00-1:00 293-2576  
Tulia-Big N Farm Store 2:00-3:00 p.m. 995-3451  
Canyon-Consumers Fuel Assoc. 4:00-5:00 655-2134

Call your local Feed Store to place your order or call  
1-800-433-2950. FAX No. (405) 777-2899.

Fishery consultant available. Special Delivery on large orders.

# YOU CAN BE A LIVING EXAMPLE OF YOUR FAITH TO OTHERS

To paraphrase a famous expression, one radiant smile can be worth more than a thousand words; especially when you're trying to show someone the benefits of faith. Perhaps this person has never thought about it or been affiliated with any House of Worship, and could be persuaded to accompany you to a service at yours. You may wonder how convincing you can be if you have some problems, such as health or financial; but if the other person is aware of them, this could make you all the more believable. We all have problems of one kind or another, and it's how we cope with them that really counts. The fact that you do seek God's guidance in solving your problems, while facing the world with a smile, may be the most impressive argument on behalf of faith that you can give.
