

Comments some of our readers write to us are interesting and we are sharing some of them with you.

Ben and Bobbie Bingham write from Wylie: We really enjoy your paper, and the article on football referees hit the bullseye. We totally agree that instant replay should be brought back on the TV games. Enjoyed the story about Z. G. Fogerson in 1925 Looking Back.

From Arthur Capper Dillard in Floresville: Please send me a subscription to the *Briscoe County News* for one year. I lived in Silverton from 1920 - 1935. Buck Hardin's mother and my daddy were first cousins.

From Cecil Vaughan in Springdale, Arkansas: I enjoy news from Briscoe County, as I was born in the Haylake community in 1911 and grew up there, went to school at Haylake until the school burned in 1925, I think it was, then went to Quitaque, later to Silverton to school. It is sad to see the one time farms with large families all gone. Also most of the people who lived in our community have passed on. But I still like to get news from Silverton and Quitaque.

The 1995 Senior Boosters will be serving a stew lunch Sunday, November 5, from 11:00 a.m. until 1:00 p.m. in the school cafeteria. The menu will include stew, cornbread, dessert and tea. The cost will be \$4.00 for adults and \$2.50 for children.

Also if you like to eat out on Sundays, you might want to note this on your calendar. The SHS Junior Class will serve a brisket lunch from 11:00 a.m. until 1:00 p.m. on Sunday, November 12, in the school cafeteria. Price of admission will be \$5.00 for adults and \$3.50 for children. The menu will consist of brisket, salad, rolls, pinto beans, tea and dessert.

I hear that the Owl football players who shaved their heads last week attribute their victory over Three Way to this.

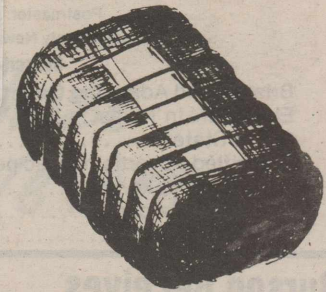

No More Commodities Scheduled This Year

Briscoe County Judge Jimmy Burson has been notified that the commodity program funds have been held up in Congress, and that the Panhandle Community Services staff probably will receive no more commodities this year.

The Texas Department of Human Services will notify Panhandle Community Services should any change occur regarding this matter.

Jamboree on Stage Again Saturday Night

Saturday, November 4, the Caprock Jamboree will provide another entertaining night for fans from all around the Panhandle. The entertainment will begin at 7:00 p.m. at the Briscoe County Showbarn in Silverton. There is no admission fee.

Musicians from Panhandle and Lubbock, along with three groups from Amarillo, will provide the entertainment. The great talent that has performed on the show is one of the reasons the Caprock Jamboree has earned the title of the "Best Jamboree in the Panhandle."

Mesquite-grilled hamburgers with all the trimmings, along with chips, dessert, and tea or coffee will be served by the Quitaque Fire Department. Serving will begin promptly at

6:00 p.m.

Bring a folding chair, if you have one, but if you don't have one don't let that keep you at home as a chair will be provided for you.

Juniors To Serve Sunday Luncheon

The Junior Class of Silverton High School will serve a brisket lunch from 11:00 a.m. until 1:00 p.m. on Sunday, November 12, in the school cafeteria.

Price of admission will be \$5.00 for adults and \$3.50 for children.

The menu will consist of brisket, salad, rolls, pinto beans, tea and dessert.

You are invited to help the Juniors by support this fund-raising project.

The Progressive Homemakers are sponsoring a Christmas Arts & Crafts Jubilee on November 11 at the Showbarn in Silverton. The show will run from 8:00 a.m. until 3:00 p.m. No admission will be charged.

Santa will be at the Showbarn to visit with the kids from 11:00 a.m. until 12:00 noon. Each child visiting Santa will have their name in a drawing for a fire truck and a doll. Candy canes also will be given. Be sure to bring your own camera; no pictures will be available for sale.

There will be door prizes given during the day, donated by some of the exhibitors. A turkey will be given away, donated by Progressive Homemakers.

Booth space is still available, for \$10.00 for an 8x10 space. Contact JonEtta Ziegler at 823-2587 (daytime) or 823-2242 (after 5:00) to reserve a space before November 6.

There will be gifts for everyone on your Christmas list, so come out and get your shopping done early.

Book Sale Planned At Arts & Crafts Show

Mark your calendar for Saturday, November 11, 1995. The Silverton Public Library will have a booth at the Arts & Crafts Jubilee. Books will be on sale for nominal fees.

Some best sellers that are duplicates will be sold along with some romance novels.

Senior Boosters To Serve Stew Lunch

The 1996 Senior Boosters will be serving a stew dinner Sunday, November 5, 1995, from 11:00 a.m. until 1:00 p.m. in the school cafeteria.

The menu will include stew, cornbread, dessert and tea.

The cost will be \$4.00 for adults and \$2.50 for children.

Silent Auction To Be Conducted at Bank

Hospice of the Plains, Inc. would like to invite you to come to their Silent Auction at First State Bank in Silverton.

A 7½-foot tall Canadian Pine Christmas Tree beautifully decorated will be on display November 10.

November 13-16 you may start your bidding. Whoever has the highest bid on November 16 will get the beautiful Christmas Tree delivered to their home.

All proceeds will go to the Hospice patients.

Hospice of the Plains is located in Plainview.

was presented at the Annual Meeting held in Amarillo on October 7.

The Burson family has operated their ranch in Briscoe County for over 100 years. They have always been conservation minded and strive to take care of the land while using it to its maximum potential.

In 1988 Burson Cattle Company entered into a Great Plains Conservation Program contract with the Soil Conservation Service. Under this program they installed a pond, several water storage facilities and two miles of pipeline for livestock water. They also completed 500 acres of brush management and installed food plots for wildlife. These improvements greatly improved the carrying capacity of the ranch.

More important, however, John has done an excellent job of grazing management. He utilizes a planned grazing system to rotate cattle through the pastures. This has brought on a dramatic improvement in range condition.

John also has served as a director of the Caprock Soil and Water Conservation District for the past five years.

BRISCOE COUNTY NEWS
Cost-Share Funding Available For 1996 Conservation Work

Caprock Soil and Water Conservation District has announced that funding for the Water Quality Program has been approved for 1996. Briscoe County will receive \$12,000.00 to be used for conservation practices that improve water quality.

In order to be eligible, producers must sign a water quality management plan which must be approved by the State Soil and Water Conservation Board. The plans are simple and are designed to make sure that your farming operation meets state water quality standards.

Once a water quality plan is in place, producers are eligible to receive 50% cost-share for any practice that improves water quality. Almost any practice will apply. Examples of such practices are terraces, irrigation pipelines, fences and conversion to center-pivot irrigation systems.

Applications for planning and cost-share assistance will be taken from now through November at the local Soil Conservation Office.

For more information, contact the Natural Resources Conservation Service at 823-2320.

NOTICE OF SALE OF ESTATE LAND
 The Executors of the Estate of John B. Mercer intend to sell for cash the following real property of the Estate:
 The North 1/2 of the Northeast 1/4 and the Southeast 1/4 of Section No. 28, in Block B-4, Floyd and Briscoe Counties, Texas, containing 120 acres, more or less.

Improvements on the property consist of one irrigation well with turbine pump. ASCS allotments include: cotton - 45.4 acres, wheat - 52.5 acres, and corn - 9.4 acres. The sale will include the surface estate and 100% of the minerals in, on, and under the property. Possession delivered upon completion of harvest of 1995 cotton crop. Only written offers accepted. Submit written offers to Lanny Voss, attorney for the Estate, c/o Owen, Lyle, Voss & Owen, P. C., P. O. Box 328, Plainview, Texas 79073-0328. Deadline for receipt of written offers is November 15, 1995. All offers will be opened after 5:00 p.m. on November 15, 1995. The Estate reserves the right to reject all offers. If an offer is accepted, a written contract with 5% earnest money deposit required will be signed by the Executors of the Estate and the successful offeror. For further information concerning the property, call Joe Nance, Independent Executor, at (806) 293-1012 or (806) 293-3793 (after 5:30 p.m.).

Electric Motor and Control Box are not included.
 This Farm is located 13 miles north of Lockney on the west side of FM 378 on the Floyd-Briscoe county line.

Penny Carpenter had an entry, "Catching Up on the Cattle Market." Other entries of local interest included "Fall Spectrum" and "Ice Mantle", by Annell Davis; "Irisen," "God's Beauty" and "Tuckered Cowboy" by Dona Smith; "Bob Whites," "Buffalo Wallow", "Pink Cactus" and "Schott Cap" by Katherine Stephens; "Blind Side," "Tragedy's Reflection" and "Trail of Glory" by J. Christopher White.

PTA Continuing Its Membership Drive

Silverton PTA is continuing its membership drive for 1995-96. Dues are \$2.50 per member again this year. Of that amount, \$2.00 goes to the State and National PTA and 50c is kept by the local unit.

The PTA Open House was a great success again this year. The school faculty and staff were very gracious and extended a warm welcome to everyone.

Projects coming up include the Science Fair. This year there will be an Elementary Science Fair as well as the one for Junior High students. These projects will be under the direction of Sue Miller

October Was Busy At Service Center

October has been a busy month for workshops at the Education Service Center in Amarillo which serves this area. On October 16, Margie Pinkerton represented the Silverton Schools at the Safe and Drug-Free Advisory Council. State and Federal laws require that each region in Texas have an Advisory Council made up of parents, students, teachers, administrators, police officers and business people. Area schools are asked to serve on this council. This meeting was well attended, with over 40 present. Senate Bill I was discussed and the impact it has in various areas of education.

A School Nurse Update was held October 18, which Mrs. Pinkerton attended. This meeting covered Sex Education, health education and laws relating to school nurses and school health. Health education is a subject area in which plans are being made to make it a core subject.

The local school now has a Migrant Program and the law requires that parents and school representatives attend Advisory Council meetings in regard to this program. A Migrant Parent Conference was held October 23, and Mrs. Pinkerton attended this conference along with Mrs. Flora Hernandez and Mrs. Lucia Alvarez. The morning keynote speaker was Cirilda Ramos, a graduate of Amarillo College who went on to earn her masters degree, who told of her experiences as a migrant student traveling from Silverton, Texas to the state of Colorado with her parents. She was very complimentary of the Silverton community and introduced Mrs. Pinkerton, her school nurse, to the audience. She encouraged parents to have high expectations for their children.

All of this conference was done in Spanish and English. Everyone attended four breakout sessions and Mike Long with help from PTA Chairman Lana Burson.

If you are interested in joining PTA and helping support its efforts, mail your dues to PTA, Box 532, Silverton, Texas 79257, or you may hand them to Cindy Comer or Kathy Kingery.

which had to do with different areas of parenting for success. Mrs. Hernandez commented that it was just wonderful and she appreciated the opportunity to attend the conference. The goals of PAC are for planning, reviewing and improving the Migrant Program.

Local funds for this program are used for students who qualify for the Migrant Program and all is used in areas such as medical needs and instructional materials.

Kress Translator Service Begins Annual Fund Drive

Kress Translator Services, Inc. has launched its annual drive to get \$50 from each home or business that watches Amarillo broadcast stations 25, 36 and 41.

"Translator stations" pick up, amplify and transmit TV signals to outlying areas.

"We provide the service that rebroadcasts the Amarillo stations to our area," said a spokesman for KTS. "Even with careful management, it costs \$1,000 a month. That's why it's important that everyone contribute."

"We're a non-profit organization, so all of the donations go to the operational expense of the translators. Without public support, they will have to be shut off permanently."

Donations can be made by dropping them off at Kress National Bank or mailing them to Kress Translator Services, Inc., P. O. Box 374, Kress, TX 79052-0374. Phone 806-684-2270 for additional information.

TELCOT Report A WEEKLY SUMMARY OF COTTON MARKETING NEWS

For The Week Ending Oct. 26

Cotton market attention remains divided between the potential size of the U. S. crop, overseas production and the current demand scenario as the market continues its roller coaster ride in search of a clear direction.

The most noteworthy news this week was the National Cotton Council's (NCC) report of September mill use which was slightly better than expected, but

LOOKING BACK —

Continued From Page Three

about September 15 . . . The general public is urged to be present at the Silverton Cemetery on next Tuesday morning at ten o'clock to attend to various matters of importance which need to be done in the cemetery . . .

Mr. and Mrs. Harve Riddell and son, Ragnel, and Mr. and Mrs. Jim Brooks and baby are visiting in Fort Sumner, New Mexico this week . . . Mart Self and wife spent Sunday with Mr. and Mrs. Bud Brooks . . . Miss Faye Christopher entertained the GVC's Thursday by giving them a slumber party . . .

Hugh Lusk and wife and Bertha Mae Stevenson returned today from a trip to Lone Wolf, Oklahoma . . . Last Thursday night Miss Louis Louise Thomas entertained for Miss Jewel Montague with a slumber party. The lucky thirteen present were Ellie and Nealy Myers, Mary and Ollie Autry, Olive and Lucy McGavock, Ethel and Hollye Bee Strange, Mollie Edwards, Lucille Dooley, Inetha and Jewel Montague and Louis Louise Thomas . . .

still well below the rate needed to reach USDA's current season forecast of 11.2 million bales. U. S. textile mills in September used cotton at a seasonally adjusted annualized rate of 10.7 million bales, according to the council. September's seasonally adjusted annualized rate was up .87 percent from the revised August figure of 10.6 million bales.

NCC economist Kevin Brinkley said the annualized figure was within market expectations and reflected a continuing weakness in cotton consumption. "The cotton business is a little bit soft right now when you compare it to last year, and partly reflects a tight crop and a softness in the yarn market," he said.

Meanwhile, mostly dry weather conditions permitted much of the cotton belt to harvest satisfactorily, through early yields in Arizona and California are still disappointing. According to USDA's U. S. Crop Condition and Progress Report, the U. S. cotton harvest is ahead of the average for this time of year. To October 22, half of the U. S. crop had been picked as compared to a five-year average of 48 percent. However, producers continue to report disappointingly low outturn, particularly in the southern San Joaquin Valley, and upland yields threaten to fall below 1,000 pounds-per-acre for the first time in 11 years.

OBITUARIES

L. C. (BUDDY) JASPER

Graveside services for L. C. (Buddy) Jasper, 67, were conducted at 2:00 p.m. Tuesday in the Silverton Cemetery with Retired Rev. Edwin Norris officiating. Arrangements were made by Boxwell Brothers Funeral Directors of Amarillo.

Mr. Jasper, who resided in Amarillo, died Saturday, October 28.

He was born in Silverton July 30, 1928 and was the eldest son of the seven children of Milt and Gertie Jasper. He attended Silverton Schools and was a veteran of World War II and the Korean Conflict. He served in the U. S. Army Air Force from 1945 to 1952, and spent a total of five years in the Far East and 2½ years in Korea.

He moved to Amarillo in 1970, and was an aircraft mechanic for Bell Helicopter. He was a member of the Veterans of Foreign Wars.

He was preceded in death by a sister, Dimple Toler.

Survivors include four sons, Tony Jasper, Butch Jasper and John Jasper, all of Lubbock, and Lynn Jasper of Dallas; two daughters, Pam Payne of Lubbock and Hannah Maladonda of Dallas; five brothers, Darden Jasper and Joe Jasper, both of Albuquerque, New Mexico, Norman Jasper of Austin, Eddie B. Jasper of Phoenix and Loyd Jasper of Amarillo; and 14 grandchildren.

The family suggested memorials be to the Crown of Texas Hospice, 100 S. Jefferson Street, Amarillo, Texas 79101.

USDA's report showed the Texas harvest was slightly above average with 39 percent of the crop harvested as of October 22, versus 33 percent the previous week and a five-year average of 36 percent. Cotton conditions in the state continue to improve as 79 percent of Texas' cotton bolls were open, versus 67 percent previously, and 83 percent of the crop was reported to be in fair to excellent condition, compared with 79 percent the week before.

However, there is growing concern about crop yields in Texas. According to one analyst, the High Plains crop needs to move into November with very little, if any plant shutdown. The cool spells recently experienced in West Texas, while not deadly, could possibly force cotton plants near a shut down mode.

Unfortunately, West Texas still has a large percentage of green bolls.

To add to yield concerns, boll weevils have ravaged the top crop in much of the Texas Plains and growers are left to harvest a generally compact set of bolls at the bottom and middle of the plant. Ultimately, weather will call the shots as to the total yield. However, according to a cotton market watcher, if a killing frost or freeze can be delayed on the High Plains until after November 10, crop prospects will make the USDA estimate of 2.75 million bales.

Meanwhile, U. S. export sales were reported to be better than expected by most in the industry. USDA announced sales of 1995-96 U. S. cotton increased a net 122,400 bales in the week ended

October 19, up considerably from the previous week's figure of 77,000 bales. Featured buyers were Japan, Indonesia and Mexico. One in the industry believes the shipments will continue to improve as more freshly-harvested U. S. cotton reaches the pipeline.

Owls Add Another Victory to String

Silverton's Owls played well and added Three Way to their string of victories here Friday night.

"This was probably our best game of the year," Coach Clyde Parham said.

The Owls must beat Lazbuddie and No. 1 Amherst to have any chance at post-season play.

"Lazbuddie is coming off two losses, so maybe we'll catch them while they're still down," the coach said.

The Owls turned in their best defensive game, holding Three Way to 58 yards, while registering their first 45-point mercy win of the season with 9:06 left in the game.

The Eagles kicked off to open the game, and Jeremiah Brooks brought it out to the Silverton 30. Arnold Garza charged to the 39, and on fourth down Cory Chandler hit Jack Cherry with a pass that moved the ball for a first down on the Three Way 16. Garza scored on the next play, Andy Bullock kicked the PAT, and with 7:44 remaining to be played in the first quarter, the Owls held an 8-0 lead.

The Owls kicked off the toe of Zeb Holt and Cherry and Brooks (a good defensive combination) held the runback at the 16. Zeb, Trey Wyatt and Brooks defended the reverse play, and on fourth down the Eagles punted to the Silverton 15.

Bullock carried out to the 24, after which Garza went all the way for another score for the Owls. Bullock kicked the PAT, and moved the Owls into a 16-0 lead with 5:23 still remaining in the first quarter.

Zeb Holt kicked off and Brooks held the return at the Three Way 30. Cherry, Brooks and Garza left

Arnold Garza has run and run this season for the varsity Owls, and is both a rushing and scoring leader in the Lubbock Avalanche-Journal's statistics. Garza received another honorable mention as Player of the Week in the Amarillo Daily News this week. Andy Bullock is shown in the action, coming in to tackle the Eagle that is pursuing Garza. *Briscoe County News Photo*

the passer lying on his backside, and on fourth down the Eagles punted to the Silverton nine.

Garza picked up a first down on the Silverton 26, Bullock ran for four, and Garza carried to the 39, where Three Way was flagged for a face-mask violation to give the Owls a first down. Bullock ran to the 26 and Garza carried to the 18. Anthony Gamble ran for a first down on the eight, after which Garza scored with 1:49 remaining in the first period. There was no PAT, and the Owls flew into a 22-0 lead.

Zeb kicked off again, and the return was held at the 11. Jeremy Holt caused a fumbled pass completion and Jon Ivory grabbed it for the Owls on the

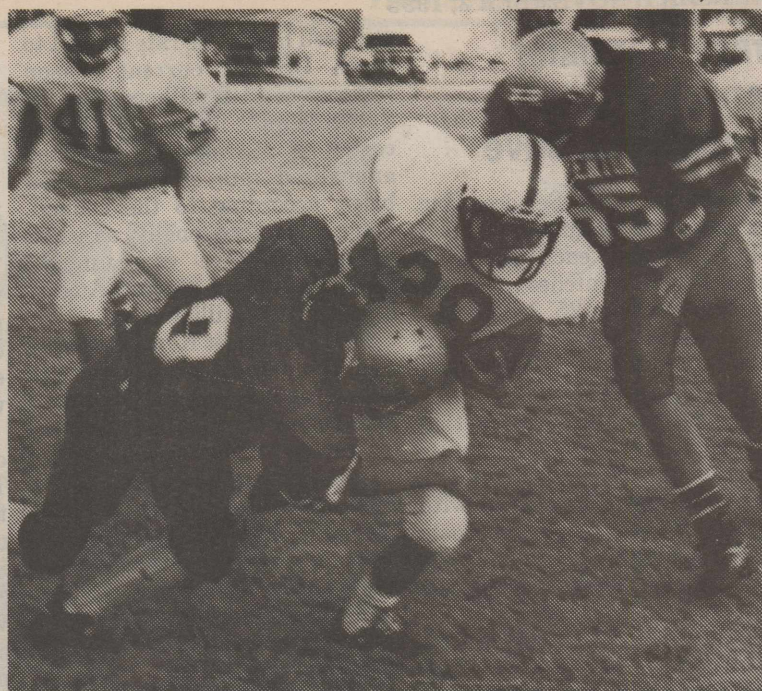

seven. Garza ran for six and a pass from Chandler to Ivory picked up a first down on the 29. As the second quarter got underway, the Owls punted away.

The Owls were defending the Three Way spread formation very well, and were really cooking with Gamble, Cherry and Brooks. This brought up a fourth-down punt which carried to the Silverton 22.

After exchanging favors, the Owls returned the ball, and Three Way came back with a couple of first downs to move into scoring position. They were thrown for a loss of four yards by Jeremy Holt after which they scored with 3:42 remaining in the first half. There was no PAT, and the lead was narrowed to 22-6.

Brooks brought the ensuing kickoff out to the 32, and Garza carried to the 36. Bullock picked up a few yards after which Three Way was flagged for a penalty and the Owls got a first down on the Eagle 31. Garza carried to the 20 and Jeremy picked up a first down on the six. Gamble scored with 1:19 remaining to be played before halftime. Bullock kicked the PAT, and the Owls moved into a 30-6 lead.

Zeb kicked off once again, and the Eagles returned it to the 38, stopped by Zeb and Wyatt. Jeremy jumped high in the air to break up another Eagle pass, after which he intercepted an Eagle aerial and brought it to the Three Way 34. Garza ran to the 36 with 15 ticks left on the clock, Chandler passed to Cherry to move the ball to the six and a first down. Chandler passed to Brooks for the touchdown with three seconds remaining, Bullock kicked the PAT, and the Owls moved into a 38-6 lead.

Trey Ziegler is shown making a tackle for the Junior Varsity Owls while Jay Arnold comes in to assist. This was in the team's return game with the Hedley Owls here last Thursday.

Hedley Defeats JV Owls in Return Match

Zeb kicked off once again, and time ran out in the first half. Zeb kicked off to open the second half of action, and the Owls held the return at the Three Way 15. The Eagles fumbled on their first play, and Jeremy recovered for the Owls on the Three Way 23. Garza carried to the 16 and Chandler passed to Brooks to move the ball to the 10. The Owls fumbled and the Eagles recovered on the Three Way 15.

The Eagles demonstrated some very sloppy ball handling on their next series, and punted away on fourth down. Garza ran for a first down on the 16, after which Gamble scored with 5:32 remaining in the quarter. There was no PAT, and the Owls held the long end of the 44-6 score.

Zeb kicked off once more, and Wyatt, Chandler, Leland Wood and others defended the four passes, all of which fell incomplete. The Owls got the ball back on the Three Way 20, and with Wood at quarterback ran three plays before seeing the ball go over on downs on the Eagle 25. The Eagles passed for a first down, the Owls got a pass interference penalty and then the Eagles passed for a touchdown with 58 seconds remaining in the third quarter. They kicked the PAT, and narrowed the score to 44-14.

The Eagles executed an onside kick which was taken on the 34 by Will Hester. Jeremy Holt ran for a first down on the 20, after which the Eagles received a penalty for grabbing Gamble's face mask, giving the Owls a first down on the five. Jeremy carried to the two, and then ran into the endzone for another touchdown with 9:26 remaining in the game. Bullock kicked the PAT, and the Owls moved into a 52-14 lead.

The Owls kicked off and held the return at the Three Way

Hedley came to call on the Junior Varsity Thursday, and showed no mercy for the struggling Owls. They kicked off to open the game, and held the Owl offense to take possession of the ball on the Silverton 35. The Green Owls made a first down on the Silverton 20 before the team-tackling Red Owls picked up a loose ball on the 10. Once again the Red Owls were unable to move the ball, and when Jared Holt punted into the wind the ball went a short distance and the Green Owls were back in business again.

They scored with 2:35 still to be played in the first quarter, threw an incomplete pass for the PAT and had to settle for a 6-0 lead.

After showing little offense once again, the Owls saw the ball go back to Hedley on the Silverton 15. Hedley scored on the next play, there was no PAT, and with 48 ticks left on the first-quarter clock, the Green Owls moved into a 12-0 lead.

When the Owls started on eight. The Eagle passer dropped back into the endzone, threw and Brooks, also in the endzone, caught the interception for a touchdown with 9:06 still on the clock. Bullock kicked the PAT, and the game ended under the 45-point rule, 60-14.

Garza rushed the ball 15 times for a gain of 215 yards; Bullock, 9-26; Jeremy Holt, 6-51; Gamble, 7-37. Chandler hit five of five passes for a gain of 84 yards.

Jeremy Holt and Brooks had interceptions, and Ivory and Jeremy had fumble recoveries.

Cherry caught two passes for a gain of 48 yards; Brooks, 2-20; Ivory, 1-16.

The Owls travel to Lazbuddie Friday for kick-off at 7:30 p.m. Their pep rally is at 2:40 p.m. in the gym. Be there!

Trey Wyatt is putting a defensive move on one of the Three Way Eagles as the Owls earned a second district victory here last Friday night. Jeremiah Brooks is always near when a tackle is made, and also is one of the team's leading defensive players.

Fall Festival Royalty Crowned Saturday

Silverton's Fall Festival Royalty was crowned in a formal ceremony Saturday evening in the school auditorium.

The King and Queen, Prince and Princess were elected by the popular votes of those attending the ceremony.

offense, they lost the ball via the fumble and Hedley recovered. After the second quarter began, the Red Owls were doing better defensively and the ball came back to them on their 25. The Red Owls were unable to move the ball, and Hedley scored to lead 18-0 after the ball came back to them.

The Red Owl offense sputtered and stalled again, and the Green Owls got the ball back. On their third play, David Gamble intercepted a Hedley aerial, then ran for a first down on the Hedley 23. Trey Ziegler and Gamble picked up another first down with 24 seconds remaining before halftime, and Holt completed a pass to Gamble before time expired in the period.

Holt kicked off for the Red Owls to open the second half, and after being held by Chris Justice and the rest of the Red defense, Hedley didn't get the punt off properly on fourth down and Jay Arnold got the ball at the Hedley 10. Then the Green Owls got a half-the-distance penalty, and Ziegler scored from one yard out with 7:09 still to be played in the third quarter. There was no score, and Silverton held the short end of the 18-6 score.

Hedley wasted no time in coming back to the well again, scoring with 6:13 still to be played in the quarter. They kicked their PAT, and moved into a 26-6 lead.

When the Red Owls got the ball back, Hedley intercepted another pass and was back in business until the Red Owls were able to recover a Green fumble. Ziegler ran for a first down on the Hedley 18, but the ball went over on downs on the Hedley 10. Two plays later, Hedley scored. There was no PAT and the boys from Hedley moved into a 32-6 lead.

As the fourth quarter began, the Red Owls were still having offensive problems and the ball went back to Hedley on the Silverton 30. The ball changed hands several times, with good defense being seen by Arnold, Justice, Ziegler and other Owls. Silverton's last possession saw a first down picked up by Jared Francis at midfield. On third down, the Red Owls saw a pass intercepted by the Green Owls with 37 seconds remaining in the game.

The Junior Varsity team will host the Lazbuddie JV here this afternoon, with kickoff scheduled at 6:30 p.m. following the Junior High game at 5:00 p.m. The boys need your support and cheers for them; be there!

Chosen as Prince and Princess were Eric Minyard and Crystal Walls of the fourth grade.

King and Queen are Cy Comer and Kristi Smith who are seniors.

Dedra Johnston was master of ceremonies. She was escorted to the podium by Brandon Sarchet, usher. Lindsey Jennings was pianist, and the royal attendants were Molly Bomar and Zeb Holt.

Crown and scepter bearers were Victoria Cruz and Shawn Johnson, Tory Patton and Calvin Daugherty.

The other candidates were Haylee Simpson and Drew Reed, first grade; Tori Perkins and Gid Mayfield, second grade; Lauren Crabb and J. P. Myers, third grade; Lauren VanHorn and Dustin Hale, fifth grade; Kylie Green and Junior Gonzales, sixth grade; Vicki VanHorn and Isaac Garcia, seventh grade; Kenda Wood and Nathan Francis, eighth grade; Amanda Kernell and Will Cogburn, ninth grade; Kenzie Burson and Will Hester, tenth grade; Lori Chandler and Jim Myers, eleventh grade.

The stage was decorated with a tree, fall leaves, pumpkins, bales of hay, lights and twig furniture. The event is sponsored by the Silverton chapter of Future Homemakers of America.

Junior High Owls Roll to Victory

Silverton's Junior High Owls rolled along to a big victory over Three Way here last Friday afternoon. There were lots of turnovers in this game which kept a lot of excitement in the action.

When Three Way kicked off to open the game, Paul Segura carried it back to the Silverton 20. From there Segura and Clint Ivory had their problems making yardage, and on fourth down Jordan Sarchet punted. Three Way fumbled the punt, and Segura grabbed it for the Owls. The Owls were unable to move the ball on this next series of downs, and the Eagles intercepted an aerial and carried it to near midfield on fourth down. They picked up a first down, stopped by Charlie Bomar and Adrian Ramirez, before Bomar intercepted an Eagle aerial on the Silverton 20. With just 25 ticks left on the first-quarter clock, the Owls were back on offense again.

As the quarter change was made, Clint Ivory picked up 10 yards on a run and Bomar scored with 5:18 still to be played before halftime. Segura carried the PAT in to give the Owls a 7-0 lead.

Sarchet kicked off and Three Way brought the ball back to their 25. Clint threw the Eagles for a loss of six yards or so, after which a pass was completed and stopped by Ramirez, bringing Three Way's coach onto the field for a discussion with the referee (an occurrence that wasn't so uncommon during the game). Three Way received a penalty, and on third down the Owls pressured the Eagles and Clint recovered a fumble on the Three Way five.

Segura ran to the one, and Clint carried the score with 2:42 remaining in the second quarter. There was no PAT, and the Owls held a 13-0 lead.

Once again Sarchet kicked off

and Segura recovered another Three Way fumble, this time on the Eagle 16. Vance Chandler passed complete to Ramirez for a touchdown with 2:06 still to be played before halftime. There was no PAT, and the Owls held a 19-0 lead over the birds from Three Way.

Sarchet kicked off again, and Three Way brought it back to their 25, stopped by Segura and Ramirez. Clint and Adrian stopped the pass completion and Bomar executed a quarterback sack which lost 10 yards for the Eagles. They punted on fourth down, and Segura returned it to the Silverton 35. Bomar and Clint each carried the ball before time expired in the first half.

The Owls kicked off to open the second half, and defense by Ramirez, Clint Ivory and Vince Cruz held the Eagles to minus yardage. They punted short to their 30, and the Owls took over again.

Segura ran for six or seven yards, and Clint picked up a first down on the Three Way 15. Chandler's pass was batted away from Clint and on fourth down the Owls saw an aerial intercepted by the Eagles. The Owls were penalized back to the Three Way 25.

The Eagles picked up a first down on the Silverton 30, but defense by Bomar, Clint Ivory and others kept the Eagles in check, and the ball went over to the Owls at the Silverton 25 as the third quarter came to a close.

Segura ran for a short gain, and Chandler completed a pass to Ramirez for five yards more. Bomar ran for another five and Segura picked up a first down on the Eagle 25. The Owls were unable to move the ball and it went back to the Eagles on their 25. The Eagles also were unable to move the ball, and the Owls got it back on the 30. A new team came in for the Owls, and Isaac

Lady Owl JV Win District Cross Country

Silverton's Lady Owl Junior Varsity team won the District Cross Country at Thompson Park in Amarillo last week. This team was composed of Lindsey Jennings, Lindsey Weaks, Lacy Brunson, Kenzie Burson, Kimmie Blazier, Terri Chitwood and Shannon Weaver.

Medalists were Terri Chitwood, who placed second; Lindsey Weaks, who finished third; Kenzie Burson, fourth, and Lindsey Jennings, fifth in the junior varsity division.

Running on the Lady Owl varsity team, which won third overall, were Destiny Ivory; Dara Ramsey; Misty Wilkinson, who placed sixth; Molly Brooks; Shauna Kingery; Molly Bomar; Lori Brannon; and Dedra Johnston, who placed tenth.

Owls entered in the meet as individuals were Bert Garza; Hector Martinez, who finished sixth; Brandon Sarchet, who ran

eighth; and Cy Comer.

BASKETBALL

The Lady Owls basketball team will be scrimmaging Sayre and Hollis in Hollis, Oklahoma on Tuesday, November 7. On Saturday, November 11, they will be scrimmaging New Deal and Anton, tentatively at New Deal. Basketball season for the Junior High Owls and Lady Owls opens Monday, November 13, at Motley County and for the high school teams opens at Kress on November 14.

Faith Says Give To Those Less Fortunate Than We Are

With the holidays just around the corner, let us remember to give to the needy, whose holidays would be very dismal without our generosity, to whatever extent we can afford. In fact, we should do this for other reasons as well.

In recent years, disasters of one kind or another have seemed to abound, such as earthquakes, tornados, and floods; from all of which the survivors may be still trying to recover. There are agencies established to facilltate relief efforts for all of these catastrophes.

Meanwhile, let us pray for those poeple who are in need, and thank God for endowing us with the compassion and the ability to help them.

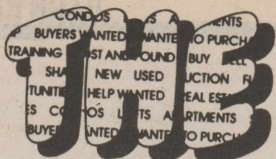

No act of kindness, no matter how small, is ever wasted.
 --Aesop

"He that giveth unto the poor shall not lack."
 -- Proverbs 28:27

CARDS OF THANKS

THANKS!
The Sophomore Class would like to thank everyone who attended our Turkey and Dressing Luncheon. It was a great success!

SILVERTON UNITED Methodist Church would like to express appreciation for the return of the microphone that was borrowed recently. 44-1tnc

We want to express our deep appreciation for the prayers we have received, the words of comfort, the calls, the visits, the food and your wonderful concern. It is helping us get through this time of Buck's illness, and we believe the Lord will sustain us. We need your continued support.

We love you all,
Buck and Violet
