

KC News Observing 10th Birthday

The Knox County News is celebrating its tenth birthday this week and now begins its eleventh year of publication.

The past ten years have noted many changes since the former publisher of *The Knox County Herald* took voluntary bankruptcy, leaving Knox City, Munday, and Rochester without weekly papers.

The Knox City Chamber of Commerce, local merchants, and many individuals, determined to have a local newspaper, pledged advertising for several months until Billye and Buddy Angle could get the *News* 'off the ground', purchasing typesetting equipment and the necessary machines to do all the composition at home. The *News* continues to have its printing done at *Stamford American* each week where the late publisher Roy Craig was instrumental in teaching the new owners how to make-up a paper each week.

With the help of the newly-formed Woman's Action League, subscriptions were sold, providing the *News* with a subscriber list much sooner than could have been done otherwise. Myrtle White offered her building rent-free for three months and others offered typewriters and voluntary help. It was a community effort and after eight months, the necessary second class permit finally arrived from Washington, D.C.

Needless to say in this decade we have seen postage climb from the six-cent first class letter to 20 cents, effective November 1, and gasoline has gone from approximately 39 cents to the present \$1.30-\$1.60 range. Labor, utilities, freight supplies, you name it, continue to go up, but we hang on to our old prices until inflation forces us to move up in order to keep up.

Even though, the *News* is not planning any special 10-year birthday celebration, we are always glad to have friends come by.

It has been a good ten years, and we appreciate all of our customers and their tremendous support.

Administrator Says Hospital Progressing

Knox County Hospital Administrator Randy Abernathy told members of the Knox County Hospital Auxiliary that the hospital is progressing and he expressed profound appreciation to the auxiliary for its faith and help during the past year.

He reported that painting is now underway at the hospital giving it a cleaner, brighter, more cheerful atmosphere. He explained that the moral is extremely good, the patients feel that they are being adequately cared for, and that approximately \$150,000 in accounts receivable

THE CITY CAFE'S new chef Tony Encinas stands in the spacious, newly renovated restaurant as its new managers, Natu and Pravin Patel, are finalizing plans for the cafe's grand opening Saturday from 12:00 noon to 2:00 p.m. The cafe will open for business on Monday, October 26, at 6:00 a.m.

Grand Opening Set

City Cafe Reopens

The City Cafe at 1110 East Main Street in Knox City will have its grand opening, under new management, this Saturday, October 24, from 12:00 noon until 2:00 p.m. However, the cafe will not be open for business until Monday morning, October 26, at 6:00 o'clock.

Managers Natu Patel and his brother, Pravin Patel, have spent the past three months completely redecorating the restaurant's floor and a new counter and

salad bar have been added allowing more space for the new tables and booths covered in dark leather-like vinyl. Ceiling fans and ornate grill light fixtures complement the spacious front restaurant. The kitchen has been completely redone, also, and is now much lighter and roomier, making meal preparation much easier, according to Tony Encinas, the new chef.

The large dining area in the back is still undergoing a face lift and should be ready by Christmas, the new managers said.

The new business will open seven days a week from 6:00 a.m. until 10:00 p.m., beginning Monday, October 26, with a complete menu featuring steaks, salads, salad bar, sandwiches, desserts and many other items including breakfast served at any time during the day.

The two brothers are inviting everyone to come by Saturday from noon until 2:00 p.m. and enjoy free snacks while they view the new facilities.

Miss Reid Finalist For Maid Of Cotton

Angelia Reid, a sophomore at Texas Tech University in Lubbock, was selected second runner-up from a field of 22 finalists in the 1982 South Plains Maid of Cotton contest held Friday night, October 9, at the Lubbock Civic Center.

A 1980 graduate of Knox City High School and a medical technology major at

Tech, Angelia was selected by the Delta Delta Delta sorority as one of their two candidates in the contest. She is the daughter of Mr. and Mrs. Johnny D. Reid.

The purpose of the South Plains Maid of Cotton selection is to find the young lady among those entering the contest who can best represent the entire cotton industry. Judging is based on background, personality and beauty. The winner is involved in public relations and promotional activities on the behalf of the cotton industry throughout Texas and becomes a finalist in the National Maid of Cotton selection.

Other finalists in the Lubbock contest were Sheryl Sanders, the new Maid of Cotton and a junior at Texas Tech; and Shelly Schuetzeberg, first runner-up and a sophomore at Texas Tech.

The contest was sponsored by the Lubbock Chamber of Commerce and the Board of City Development.

County 4-H Banquet Set October 27

The Knox County 4-H Banquet will be held Tuesday, October 27, at 7:00 p.m. at the Santa Rosa Hall in Knox City.

According to a 4-H spokesman, county awards will be presented to 4-H'ers that completed a project in 4-H this past year.

The banquet will be a covered dish supper with meat, bread and drink furnished. Each family is asked to bring a covered dish. All 4-H'ers and families are invited to attend.

Reflections Of His Love

First Baptist To Show New Film

Reflections Of His Love, a new film highlighting the life and ministry of Joni Eareckson, will be shown by Sunday, November 1, at the First Baptist Church. The color feature, produced by World Wide Pictures, the film ministry of the Billy Graham Association, will be shown once, beginning at 7:00 p.m.

Miss Eareckson is the star of a recent theatrical motion picture, *Joni*, which relates the story of her diving accident, as a young girl, which left her paralyzed from the neck down. It chronicles her struggles to piece together her life and her faith in God, in spite of the devastating circumstances.

In *Reflections Of His Love*, Miss Eareckson, who is also the author of two best-selling books, *Joni* and *A Step Further*, tells of the great transformations that have taken place in her life because of her willingness to accept all of the things that have happened to her.

A remarkably talented young woman, Miss Eareckson is an artist of great merit, as well as an author, actress, and singer.

Don't Forget To Turn Clocks Back

Knox City and area residents will join the nation Sunday morning at 2:00 o'clock when clocks will be set back one hour to end daylight savings time for the next six months.

Rains Halt Harvest In Big Country

Rains brought the cotton harvest to a halt, B.B. Manly, Jr. of the USDA Cotton Marketing Services Office in Abilene, reports.

Around 8000 samples were classed this week, bringing the season total to 18,000. All samples classed were harvested prior to the rain.

Prices paid for cotton were from 7 to 9 cents above the CCC loan rate. Grade 41, staple 31, mike 35-49 brought around 53 cents per pound.

Cottonseed prices paid producers ranged from 75 to 90 dollars per ton.

The quality of cotton classed during the week ending October 15 showed Grades 41 and 31 were predominant, with 28 and 26 percent each; Grades 32 and 42 were about 18 percent each; Stapled 31 was predominant with 50 percent; Staple 32 was 30 percent, and staple 30 was 11 percent; Mike readings were 98 percent 35-49 (around 70 percent 40 through 46); Eight percent was reduced on account of grass, and 3 percent for bark.

This week the office received a notice concerning billing user fee. If a gin collects the 60 cents user fee, they will be billed March 1 or when they finish ginning if earlier. Producers will be billed each four weeks beginning October 31, when the gin does not collect the user fee.

To Face Aspermont Friday

'Our' Hounds Are 'Top' Dogs, 28-12

By David Counts

In times past when a Greyhound race was scheduled, the Throckmorton Greyhounds sometime did not show up. That was not the case Friday night in Knox City's Greyhound Stadium as the visitors put up a struggle before falling 28-12.

The Knox City Greyhounds (Hounds) received the opening kickoff and moved steadily down field led by Dwayne Watkins with some nifty ball handling and great blocking by the offensive line. Ricky Gutierrez scored on a three yard run to climax the drive. David Flores kicked the first of four extra points he would kick on the night.

On the last play of the first quarter, the quarterback for the Throckmorton Greyhounds (Dogs) slipped through for a 30 yard touchdown run. The try for the extra point was no good. As the second quarter started the score was 7-6.

The next possession by the Hounds sparked by a beautiful pass reception by David Flores for a 41 yard gain stalled at the Dogs nine yard line when a fourth down pass fell incomplete.

James Stafford recovered a Dog fumble on the Dogs eight yard line. He then on first down ran the eight yards for a Hound touchdown. The kick was good. Score was 14-6.

From this point until the half, penalty flags filled the air. No one could do anything for all the confusion.

Tyke Meinzer recovered a Dog fumble to give the Hounds their first possession of the second half. The Hounds moved down to the Dog 29 but gave the ball up on downs.

The Dogs made an impressive drive into the Hounds endzone on nine plays and one penalty to score on a one yard run. A run try for two points failed. Score 14-12.

Ricky Gutierrez returned the kickoff to the 50 and a late hit gave the Hounds the ball at the Dogs 35 yard line. On the drive, it took nine plays with the last a 15 yard pass to Ricky Gutierrez for the touchdown. Again the kick was good. This ended the third quarter.

In the fourth quarter, the Hound defense which had been good all night began to dominate.

The final Hound touchdown was set up when Chad Whitley recovered a Dog fumble on the Hound 37 yard

line. A beautiful 12 play drive ended with Glen Hedgecock blasting over from the one yard line.

Two plays after the kickoff, Daniel Godsey recovered a Dog fumble to seal the win for the Knox City Greyhounds.

The offense and defense both played outstanding. It would be hard to pick anyone on either team as having performed above the others. It was a total team effort.

It will take equally as good an effort and a few breaks for the Hounds to beat Aspermont next week. The Hornets have not lost a game and are rated in the Top Ten in the state in Class A.

It should be an excellent game. Game time is 7:30 in Greyhound stadium. This will more than likely decide the district race or at least give the winner the edge in the run for the championship.

The Hornets are still smarting from the game last year when they tied but lost on penetrations to the Hounds who went on to win the district 4-A title.

In Wholesale Service

WTU Files For Rate Change

West Texas Utilities Company has filed for a change in wholesale rates for electric service it supplies to 14 rural electric cooperatives, one municipality and one investor-owned distribution company.

In its filing Friday, October 16, with the Federal Energy Regulatory Commission in Washington, WTU estimated that the new rates will produce about \$4.3 million in additional revenue for the company during the 1982

calendar year. This amounts to an increase of approximately 10 per cent from these wholesale customers.

WTU requested that the new rates become effective on December 15. The present rates have been in effect since June, 1980. WTU also proposes to change to a fuel adjustment clause similar to the one applied to its retail

customers. No other major changes were proposed.

WTU officials said the rate change is necessary to bring the Company's earnings on sales to wholesale customers to a level that will help WTU maintain a sound financial condition and attract new capital for growth required to meet future needs of electric customers. The previous wholesale rate increase proved insufficient because of inflation, higher than anticipated interest rates, and the delay in making the rates effective.

Casillas Rites Held Wednesday

Funeral services for Knox City resident Manuel A. Casillas were held Wednesday morning, October 21, at ten o'clock in Santa Rosa Catholic Church with Father Brendan McGuire officiating. Burial was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements. Rosary was said Tuesday night, October 20, at seven o'clock at the Santa Rosa Church.

Mr. Casillas died Sunday, October 18, at 10:45 p.m. in the Knox County Hospital after a brief illness.

Born April 13, 1898, in Mexico, he moved to Knox County in 1925. He married Margarita Solis in 1921 in Bridgeport. Mr. Casillas was a retired farmer and was a member of the Santa Rosa Catholic Church in Knox City.

Survivors include his wife, Margarita of the home; five sons, Manuel Casillas Jr. and Rudy Casillas, both of Fort Worth; Grady Casillas of Wichita Falls, and Arnold Casillas and Edmund Casillas, both of Arlington; two daughters, Aurora Rocha of Knox City and Sally Flores of Cotton Center; a sister, Mrs. Alma C. Escobar of Tiguna, California; 41 grandchildren and 41 great-grandchildren. The family raised one niece in their home, Natividad Quintana of Knox City.

Grandsons serving as pallbearers were Simon Rocha Jr. of Fort Worth, Joe Casillas of Wichita Falls, Thomas Casillas and George Casillas, both of Fort Worth; Felipe Casillas and Grady Casillas Jr., both of Wichita Falls; Ancil Flores III of Lubbock, and Edmund Casillas Jr. of Knox City.

Mr. and Mrs. Coy Hewitt were in Haskell Sunday to visit their daughter, Rhonda Moeller and her husband, Allen and granddaughter, Kelli Jo.

Deacon Of The Week-

E.G. Parkhill

(Editor's note: One of our readers in the Dallas area recently brought the News office a clipping about a former resident, E.G. Parkhill Jr., which appeared in a publication of Northway Baptist Church in Dallas. As E.G. has many friends in the area, we felt that the article would be of interest to our readers. He is the son of E.G. Parkhill, who still lives southeast of Knox City on the family's homeplace.)

A fifth, sixth, and seventh grade teacher, band teacher, pilot, bus driver, awning salesman, swimming pool contractor, and part of the church staff are jobs E.G. "Parky" Parkhill has had, and now, with his wife Alice, has opened "A Touch of Gourmet", a frozen food take-out and catering business.

Parky grew up in Knox City, Texas, and graduated from high school there. He

holds a degree in music and English from Hardin-Simmons University and served in the Navy as a Lt. JG as an instructor in instrument flying.

He proposed to Alice on their second date, and they have been married 36 years. They have four grown children, all married, including Donna, Cindy, Melanie, and Bruce, and six grandchildren.

Parky became a Christian at nine years of age in a country church after a successful all day prayer meeting for rain. He has been involved in the nursery, children, and adult division at Northway and serves on the Sound, and Building and Grounds committees. Alice has been church hostess several times in the past. Hobbies consisting of golfing, fishing, and skiing are ways he spends his spare time.

Parky believes his ministry and purpose is to keep things in shape - keep the Lord's House looking good.

Irrigation Regulating Reservoirs

Regulating reservoirs are used in sprinkler systems with multiple low producing wells. A booster pump delivers the water from the reservoir to the sprinklers.

What are some of the advantages of a regulating reservoir? (1) Reduction in irrigation costs is a major advantage. Small units pump water from the wells in low pressure pipes. Only the booster operates at high pressure. (2) The irrigation system is more efficient. Maximum yield can be obtained at low pressure without pumping air. (3) Water waste is cut since the system operates at optimum pressure, thus distributing water more evenly. (4) It takes less time to operate sprinklers from collector systems.

There are four kinds of reservoirs primarily used: reinforced concrete, steel, and fiberglass tanks, and earthen pits. A decision on which tank size or design to use will depend largely on the type soil and sprinkler system the producer is using. A reservoir 5 feet high and 20 feet in diameter will hold 11,000 gallons; a 5-foot by 30-foot reservoir will hold 25,000 gallons.

A multi-well system requires careful planning for maximum soil and water conservation. For more information, contact the Soil Conservation Service, which works through your local soil and water conservation district.

VISITS RELATIVES

The Rev. Bill Wright of Childress visited Monday morning with his aunts, Blanche and Clifford Elliott and Mrs. M.E. Strickland of Munday.

Rev. Wright is holding revival services this week at the Munday United Methodist Church. He had received word that his oldest daughter, Patt Matthews and her husband, were the proud parents of a new baby boy born Friday. He has been named Joseph Patrick and he weighed seven pounds and seven ounces. He is Rev. Wright's first grandson.

OWNERS ARE ADVISED TO PROTECT THEIR CATS

Cats are noted for their hunting habits. They can track birds, rodents and smaller animals as silently as any jungle killer. Among their prey are also raccoons and foxes. Some victims are found in cities; almost all of them in suburban places. These victims are subject to rabies and if your cat exposes himself by coming in contact with a bird or animal having rabies it can catch rabies and transmit it to his owner. Rabies in cats may be just as dangerous as from dogs. Be safe. Protect your cat against rabies just as you do your dog. See a veterinarian.

DPS Warns Of Halloween Safety

On Saturday, October 31, miniature monsters will invade the neighborhoods and the cry, "trick or treat" can be heard throughout the land.

Major C. W. Bell, Region 5 Commander for the Texas Department of Public Safety, said, "Motorists and parents need to take precautions to protect children and prevent disasters this Halloween."

He suggests that small children be accompanied by older children or adults and trick or treating be confined to their own neighborhoods.

Major Bell also stated, "Costumes should be light in color, short enough to prevent tripping and non-inflammable. Facial makeup should be used instead of

masks or hoods that restrict vision."

Children should be told to look in all directions before crossing streets and to walk, never run. A flashlight carried by the child can serve as a warning to motorists, and children should be instructed to use sidewalks when possible.

Motorists should use extra caution in residential areas and look for children crossing streets in a haphazard manner.

Major Bell stated, "If parents and motorists join together and think of children's safety, Halloween can be a safe and enjoyable evening for everyone."

Louisiana Man Is Sentenced

A Shreveport, Louisiana, man has been sentenced in U.S. District Court in Shreveport for defrauding the Social Security Administration.

According to James Harper, manager of the Vernon Social Security Office, Charlie Brister of 1409 Allen-

dale Street in Shreveport was ordered to repay \$6,000 to the Social Security Administration as a condition of his five-year probation after receiving a suspended sentence for defrauding the agency.

Brister pled guilty to federal charges of concealing that he was working in order to continue Social Security and Supplemental Security Income Disability Benefits.

TSTA Asks Student Discipline, Motivation

The Texas State Teachers Association is engaged in a statewide public campaign to emphasize an immediate need for substantial improvements in the classroom environment in most Texas public schools, especially in the areas of student discipline and motivation.

Lack of student discipline and motivation have been identified as major causes for the critical teacher shortage in Texas. This summer, over 19,000 additional experienced Texas teachers made the decision to withhold their teaching services permanently in a great "silent strike". They resigned their positions saying, "We can't take it anymore." This is happening all across Texas at an outstanding rate, even in our own communities.

A Sam Houston State University survey of Texas teachers indicate that if current trends continue, 40 percent of those who entered the profession this year will "burn out" and resign within five years.

In addition to discipline, teachers cited inadequate salaries, excessive paper work, lack of appreciation, and lack of input into school policy decisions as reasons for leaving.

TSTA officials stress that this trend must stop. School boards can begin by approving decent salaries and enhancing and upholding effective discipline procedures.

School administrators can help by supporting teachers over disruptive students and allowing teachers more input and control over their own classrooms.

More parents must begin to accept more responsibility for their children's behavior at school.

Parents should teach and require that their children respect law, authority, the rights of others, and private and public property.

Children must be sent to school regularly with the attitudes that school is for learning and that education is a privilege.

TSTA and its local affiliates in this area are ready to work with interested groups to bring about these changes.

Local teachers need your help and support in solving the one problem that cripples education more than any other. It is a problem that can no longer be hidden or ignored. Business as usual portends inevitable disaster for public education.

LOOK WHO'S HERE

Mr. and Mrs. Sammy Jackson of Frisco are the proud parents of a new baby girl, Sherill Anne. She was born October 17 at Plano Hospital and weighed five pounds and fifteen ounces.

The new baby was welcomed home by her brother, Wesley Alan, age two.

Grandparents are Oscar and Leta Mangis of Knox City and Elmer and Sherylene Jackson of Rochester.

Great-grandparents are Mr. and Mrs. Pruitt Large of Knox City, Mr. and Mrs. George Taylor of Tow, Texas, and Mrs. Jimmy Jackson of Weatherford. Great-great-grandparents are Mrs. Mattie Dunnam of Gunter and Mrs. Sharp of Weatherford.

Mother-in-Law's Day: Sunday, October 25

Among the days the Princess of Wales shouldn't forget now that she's married to Prince Charles is the fourth Sunday of October — it's Mother-in-Law's Day and hers happens to be the Queen.

While myths and bad jokes have portrayed mothers-in-law as interfering, nagging shrews, most families cherish the women for their support and help. Many would agree with the son-in-law who said that if his wife ever left him, he'd run home to her mother.

Because of the royal wedding, the occasion this year might well be dedicated to famous mothers-in-law.

IN LUBBOCK

Estelle Hawkins, owner of Family Boutique, and Irene Flores attended the spring market over the weekend in Lubbock.

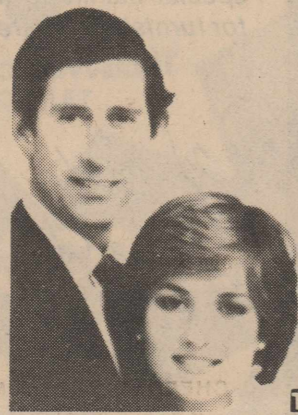

FROM AMARILLO

Penny Baker visited here over the weekend with her parents, Mr. and Mrs. Doug Meinzer and Tyke, and attended the Knox City-Throckmorton game.

The Princess may not do anything special on October 25 but thousands of other daughters-in-law — and sons-in-law — will take the opportunity to remember their "other mothers" with dinners out, flowers and other gifts.

Sponsored by Florists' Transworld Delivery, Mothers-in-Law's Day is dedicated to honoring the women for their many contributions to family life and for the good humor they've displayed despite centuries of abuse.

JUNIOR CLASS NEWS

By Toni Hewitt
The Juniors have finished their first major project, the Dessert Theatre. We think it was a big success. We really enjoyed working on it and we appreciate everyone who bought tickets and came to the play. We hope you enjoyed it as much as we did. The Juniors' next project will be a selling project. In November, we will also have the Thanksgiving Supper along with the Seniors.
Now that we are through with our Dessert Theatre, our concentration will be mainly upon our themes. Everyone is hard at work on them trying to get them completed by the end of the semester.

SOPHOMORE NEWS

By Sarah Jones
The game with Throckmorton last Friday was great! Everybody did a good job, the football boys, the band and twirlers, the pep club, and the cheerleaders and drill team. Sophomores are involved in all of these, and we're proud!
Several weeks ago, the sophomores taking drivers education went to Haskell and got their instruction permits. Now we can drive with an adult licensed driver, and it's pretty exciting. If you see any of us driving down the road, honk and wave (and give us plenty of room!)
FHA NEWS
By Sarah Jones
Are you aware of what En-

counter is? If you asked this question would you say, "Well, it seems like I saw Close Encounters at the movies not too long ago". I saw the movie too, but I'm not talking about that kind of encounter. The Encounter I'm talking about is a plan for FHA members to receive recognition for individual growth.
There are three different levels of Encounter. The symbol for the first level is the Key, and first level members work for personal improvement and learn more about FHA. In the second level, for which the symbol is the Scroll, members work to improve school and community relationships. In the

third level, which is symbolized by the Torch, members prepare for the responsibility of adulthood.

GREENHAND NEWS

By Ronnie Reece
This week, the Greenhands took notes Monday and Tuesday. The following day we took a test. The test is about all the things we have studied so far.

PEP CLUB NEWS

By Diane Helms
Well, this last week we showed everyone in this area which dog is better, and of course it was our Greyhounds.
This week is the Homecoming game and our guys are playing Aspermont. Since we don't want what happened last year to happen again, come to the game and help support our Greyhounds.
Last week, the Juniors decorated the halls and did a good job and this week seniors get the job. Do it to it, Seniors!
Let's go team. Show em what we mean: Beat em! Beat em! Beat em!

LIONS CLUB NEWS

By JAMES PATTERSON

Wednesday, October 14

I accused them of starting the meeting early, because I missed the song and the prayer - and it seems that about all my activities are based on "a song and a prayer". I got there in time for the food, though, and I'm glad of that, because it seemed that they must have fixed that meal "especially for me".

After everyone had dined sufficiently, Lion President Dick Evatt, resumed charge and called for introduction of guests. Lion David Counts introduced as his guest Bob Collins of General Telephone and Lion Bill Baker presented his guest Al Gilbert of Dallas.

The Lion Boss announced that Mrs. Leroy Davis was the Cystic Fibrosis Fund Campaign Chairman and would like for the Lions to help with the Door-to-door canvass and all Lions wishing to help with this see him at the close of the meeting. Well, I didn't notice him exactly "being mobbed" when the meeting was over.

President Evatt also told of the District Governor's "Get-Em" and "Keep-Em" Campaign. Lion Bob Smith was named chairman of getting

new members and will be wearing the big green "Get-Em" button. The "Keep-Em" chairman has not been named and when the time comes he will be wearing a big button, too.

Lion Barney B. Arnold was to have had the program and "great surprise" was expressed when neither the chairman nor the program showed up. Lion Sterling Lewis will be program chairman next week.

The upcoming Pancake Supper was emphasized. It was decided to serve both link sausage and bacon with the pancakes. Lion John Gillispie agreed to get the tickets ready and tickets will be available from any Lion. The Pancake Supper is November 6 before the football game with Rochester in the Masonic Fellowship Hall - serving will start around 5:00 p.m. Lion James Patterson was delegated to see about the grids which we plan to borrow from Haskell Lions Club. The advanced ticket sales have already begun and the Lions work schedule is being made. Lion Tom Edd drew Lion Bruce Campbell's name - he was absent. Sorry! The meeting closed with Pledge of Allegiance led by the Lion Boss.

WHEELER VISITORS

Visiting over the weekend in the home of Mrs. Kate Wheeler were her sister, Leta Chestnut of Duncan, Oklahoma; Jewell Newbrough of Hobart, Oklahoma; Ollie Archer of Gatebo, Oklahoma; and Pat McCommas and Elsie Caine of Mineral Wells.

FROM FORT WORTH

Mr. and Mrs. Don Clower of Fort Worth visited Tuesday of last week with Mrs. J. O. Buchanan.

O'Brien Homecoming Plans Are Underway

Plans are underway for the O'Brien Homecoming to be held next June, according to Jean Kuehler, who is heading up the event along with her mother, Annette Hester.

Mrs. Kuehler noted that they were working on address lists and anyone who might have address of exes is asked to contact her at 658-3057 or Mrs. Hester at 658-3670.

FIRE DEPT. NEWS

By Department Members

It's been so long since you've heard from the Fire Department, some of you probably thought we didn't have one anymore. Well, such is not the case. And granted we haven't been so active this summer, but that's because you have been careful. The "Old Timer" told me this summer has been the most unusual he's seen in several years. What few fires we've had, have been exceptionally small and didn't cause much excitement in town. The OT also said since we didn't have any cotton fires last year, that this year would be a double up to catch up year. For the most part, we're about as excited by that news, as we would be about getting teeth pulled. So we're keeping our fingers crossed, you might want to do the same.

Taking into consideration that the summer has been slow, we must also consider, the excellent growth of vegetation, such as ragweed, broomweed and the all time favorite, tumbleweed. Now, I'm like anybody else, I like a clean yard. But as you start cleaning up around the house and lots, please be careful about burning the trash piles. If the OT is right, we don't want to be meeting ourselves between trash fires and cotton fires. We had much rather lay around the house and watch Soaps on the Goggle Box.

Several of the fireman have been to various training programs this summer, the most recent in September, Haskell Fire Department hosted the area fire departments with an LP Gas school. This was sponsored by Ranger Insurance Company from Houston. Some of our people were new at this, and others were seasoned, so to speak. During the training, the physical properties of

Propane and Butane were studied along with the modes of transportation. Some actual fire fighting was done, under controlled situations, naturally. But due to the fact that the Cities Service plant is so close to Knox City and the number of trucks that haul the stuff, we feel that you can't get enough training in LPG fire control. Another ace in the hole is the fact that Ranger Insurance has a team of experts that will come in and help control LPG fires in the event of a disaster. But they like to have key personal in the area to help them. So we're doing our part to provide just that.

The Fire Station is almost complete now. A couple of more work nights and we can start planning on an open house. It's been slow going the past year or so, the money was slow but we just about have it done. You may be interested to know, that the meeting room inside the building was built completely by the fireman and no money was spent on labor. We did it ourselves to save the City and you some of those tax dollars. If you want to see a three ring circus, you should have been around a couple of nights when 15 fireman started swinging hammers and sawing lumber. Talk about hard hat areas! Or would hard hat be more appropriate? Any way, it was a good laugh or two. But were mighty proud of the results, hope you are, too.

During Fire Prevention Week, Mrs. Hacker's kindergarten class came to the fire station for a tour. In all honesty, I don't know who had more fun, the kids or us. They seemed to have been doing pretty well. We talked a little about what the trucks had on them and why, then they got to crawl all over them. Momma, if they got

grease on their clothes, Shout it out, but don't call us. But if you'd seen how much fun they had, it would be worth it.

Since the weather is getting colder, you might want to have the proper people check out your heating systems, before you fire them up for the cold winter months ahead. A few dollars of maintenance could very well save you many dollars in damages from loss of property and maybe even a life.

REMEMBER: PREVENTION IS THE BEST FIREFIGHTER!

Connie Mowery Receives Diploma

Local Allsup's store manager Connie Mowery recently received her diploma from Larry Watts, instructor for the Allsup's Store Manager training course.

The eight day class is a requirement for new managers, preparing them for the responsibilities of operating an Allsup's store. According to Watts, "The course is demanding, teaching theory, policies and procedures, as well as practical application. It provides our customers with a professional who is better prepared to meet their needs."

Connie is manager at 105 S. Central in Knox City.

DENTON VISITORS

Visiting Sunday afternoon in the home of Mr. and Mrs. Morris Denton were Olen and Vola Dutton of Belton and Ruie and James Dutton of Earth.

UMW Hear Conference Report

Seven United Methodist Women met Tuesday, October 6, in the church parlor for their regular meeting. Ruby Robinson and Lillian Logan reported on the northwest Texas United Methodist Women's Conference held in Childress September 25 and 26.

After a short business session, Mrs. Logan led the study on "Singing the Lord's Song". This was the first lesson in a series of four. She was assisted by Lois Cypert, who brought the devotional based on Jeremiah 29:1-14 "Singing the Lord's Song in a Foreign Land". Mrs. Logan presented an effective introduction to the study with the use of maps and passages of scripture from Isaiah, Jeremiah, Lamentations and the 137th Psalm.

Myrtle White closed the meeting with prayer.

Williams Services Are Held

Funeral services for Benjamin resident Harold Russell Williams were held Thursday morning, October 15, in the Benjamin Methodist Church. Officiating were the Rev. K.E. Woolley, Baptist minister, and the Rev. Doub Stenberg, church pastor. Chapel and graveside services were conducted Friday, October 16, at 10:30 a.m. in Wakita, Oklahoma, under the direction of Smith Funeral Home.

Mr. Williams, 70, died Wednesday, October 14, at approximately 9:00 a.m. at his residence from an apparent heart attack.

Born February 15, 1911, in Wakita, Oklahoma, he was a retired motel operator. Mr. Williams moved to Benjamin in 1964 from Stinett. He married Jonnie Barker on July 30, 1969, in Benjamin and was a member of the Christian Church.

Survivors include his wife, Jonnie of the home; two sons, Donald Lee Williams of San Angelo and Jack Barker of Dallas; three daughters, Mrs. James Carter of Tulsa, Oklahoma; Mrs. Ethel Renfro of Amarillo and Mrs. Mary Bohannon of Benjamin; three brothers, Ray Williams of Cartwright, Oklahoma, Robert Williams of Wichita, Kansas, and Roscoe Williams of Arizona; three sisters, Mrs. Edna Angle of Amarita, Oklahoma, Mrs. Tom Wilson of Balke, Oklahoma, and Mrs. Nolan Williams of Delano, California; 14 grandchildren and six great-grandchildren.

Pallbearers were Bobby Roberson, Joe Barton, Butch McCanlies, Sammy Pierce, Mickey Jackson, and Don Hertel. Honorary pallbearers were Lee Snailum, Claude Stockton, and Albert Alexander.

Mrs. H.E. Wall Attends Reunion

Mrs. H.E. Wall, the former Allene Couch, attended the Haskell High School homecoming last week. Friday, she met Mr. and Mrs. Fred E. Wankin of Athens, Tennessee, and Lee Killingsworth of Dallas for lunch at Florence Smith's house in Anson.

Saturday, the group joined many others for "Froggie's" breakfast. At the general assembly Saturday afternoon, Froggie Wankin and Lee Killingsworth were recognized as the oldest ex-students being 90 years old. Florence Smith and Allene Couch Wall are the only ones remaining in the 1912 class.

Rowena Lane accompanied Mrs. Wall and they reported a very enjoyable occasion. Mrs. Wall also said that Ralna from the Lawrence Welk Show was there and sang for them.

TIPS ON TRIPS

Samsonite's Traveler Advisory Service

A Shopping Guide for Luggage

With so many different kinds of luggage on the market, how do you decide which type is best suited to your travel needs? It helps to know and understand the wide range of designs and materials available.

Luggage is divided into two categories: hardside cases made of molded plastic with rigid sides and tough frames known for durability and distinctive shapes, and softside luggage made of a variety of supple materials—nylon, vinyl and canvas, for example—which offer packing flexibility and diversity of design for varying needs.

Here are some common, popular luggage styles:

• **Carry-ons.** Because they're small, they don't have to be checked and can be taken right on the train, plane or bus with you. This category includes totes, cosmetic cases and other small luggage pieces that meet airline specifications.

• **Casual bags.** These lifestyle bags can be used for recreational needs as well as for traditional travel.

• **Garment bags.** They're specifically designed for suits, jackets, dresses, pants and other items you prefer to hang.
