Vega Win Advances KC To Quarterfinals

By DAVID COUNTS

You could not have painted a much blacker picture for the Knox City Greyhounds Friday night. Three days of drizzling rain, cold. Temperature at game time about 33 degrees with a steady rain and a 10 knot wind blowing from the north east. The Vega Longhorn team out weighed the Hounds approximately 20 pounds per man average.

Playing on an unfamiliar field, Childress, with a big muddy spot in the middle where the grass had been burned off by a visiting team earlier in the year, you could see the raindrops falling into the puddles that had collected on the field.

With all the distractions, the Vega team was very loud with lots of jumping around and hollaring and horsing around as they warmed up for the game. The Longhorns were very, very confident.

The Greyhounds had only one thought in mind. They had to win this game in order to get to play Motley County

next week for the quarterfinal title.

The Longhorns won the coin flip and elected to take the wind so the Hounds chose to receive. Facing the rain, Wayne Hutchinson returned the kickoff 38 yards with only one man between him and a touchdown. He was forced out of bounds at the Hound 45 yard line.

James Stafford ran for three and two yards before a pass fell incomplete forcing a punt. Dwayne Watkins punted 35 yards with a 10 yard return for the Longhorns.

On the first play, Chris Whitaker, Chad Whitley and Stafford made the stop. Lupe Rios stopped the next play with Tyke Meinzer making

the third down play coming up five yards short of a first down.

With wind, the punt carried for 40 yards to the Hound 30. Ricky Gutierrez made no gain. Watkins kept on a run around end for 12 yards and a first down. Gutierrez ran for 18 and a first down. The blocking was outstanding. Mike Oliver, Tyke Meinzer, Chad Whitley, Teddy Espinosa, Kevin Eaton, James Evatt, Joe Rocha, Alex Espinoza and Stafford opened up holes in the massive Longhorn defense all night long. Stafford ran for

ALL THE WAY HOUNDS! - Several members of the Pep Club, along with two of the Hounds, look over Knox City Volunteer Firemen's sign located in front of the Fire Hall saying, "Magic is Fantastic! Skin a Panther!" The entire town's support is giving the team and Pep Club mem-

bers a boost for Friday night's game at Shamrock with Follett. Diane Helms and Sammy Jackson are pictured at left with Felecia Ward, Dwayne Watkins, and Sandy Sutton at right.

With the advance of the Knox City Greyhound football team into the State Quarter finals, I thought that it would be an appropriate time to pass on a little information about some of the "behind the scenes" activities of a town that has a winning football team.

There is a tremendous amount of support behind the Greyhound football team, support that comes in from all aspects of Knox City, support that is never really in the spotlight of the playing field. There are those who support the team in their own individual way, there are groups that support the team and there are many, many business organizations that support the team in several different ways.

If you've been in the downtown area lately, you would have to notice the winning and inspirational slogans that are painted on most of the store windows, these courtesy of the Greyhound "MOMS" and their efforts. I walked around today and read most of them. If the team players are also reading them, they should be fully motivated to win their next game!!

In each addition of *The Knox County News* since the beginning of the football season, there has been a football page full of well wishes for a successful season, this page being sponsored by fifty four of our local merchants in their way of supporting the team. The paper staff has also been fully behind the team, the writeups of each game are always printed and published with the enthusiasm of all of us here in the office, and that includes David Counts who faithfully tries to make each and every game and provide the *News* with the actual stories of each game that we publish. Not only does he record the play by play action, he also furnishes the very necessary statistics for each game.

For several of the games this season, and especially the playoff games, our team's efforts have been broadcast by radio for the benefit of all those that are unable to travel and make the games. It is easy to sit back and turn a radio dial on and listen to a game being broadcast. Most are not aware of all that goes into the "airing" of a football

Hazels To Sing Sunday At O'Brien

The Hazel Singing Family will be singing at the O'Brien Baptist Church Sunday, December 5, at both the 11:00 o'clock and the 7:00 o'clock worship services.

Glenn Hazel and his family reside in Lubbock and there are eight of the family who sing and give their witness. Mr. Hazel said, "Christ has given us the desire to sing of the joy He brings and to tell others of His great love."

The church will have its annual Thanksgiving-Christmas dinner Sunday at 12:15 p.m. "The nursery will be open for these services and everyone is invited to attend," pastor Bill Trice said.

The annual Merchants' Appreciation Programs will begin this Saturday, December 4, for the first of three Christmas programs scheduled downtown at 3:00 p.m. Others will be held on December 11 and December 18 as the merchants' way of expressing their appreciation to their loyal customers.

Sponsored by the Knox City Chamber of Commerce, Mrs. Doris Crownover, chamber secretary-manager, reported participating merchants as B&G Auto, P-B-H Oilfield Supply, Fisk Construction, Tortilla Flat, Under the Rainbow, Perdue Insurance, The Knox County News, Knox County Fertilizer, Citizens State Bank, Clonts Hardware, Opal's Beauty Salon, A.P. The Lucky Bill promotion begins this week, also, and Mrs. Crownover was to put the bill into circulation December 1. It can be a \$1, \$5, or \$10 bill and shoppers are reminded to watch for the number, listed elsewhere in this week's *News*, among their change. Shoppers have until Tuesday, December 7, to redeem this week's Lucky Bill and then another will be put into circulation on December 8 to be redeemed by December 14, and the final one, put into circulation on December 15 to be redeemed by Tuesday, December 21.

New Money Market Effective Dec. 14

The Depository Institutions Deregulation Committee (DIDC) has authorized a new money market deposit account with a \$2500.00 minimum balance free of interest rate ceilings. The new account will become effective on December 14, 1982.

Additional features of the new money market account include (1) no restriction on eligibility, (2) no minimum maturity, (3) institutions may reserve right to require at least seven days' notice of

withdrawal, (4) a specific rate may not be guaranteed for longer than one month, (5) loans to meet minimum balances are prohibited, (6) up to six transfers or withdrawals may be made without penalty unless account falls below minimum balance, and (7) no restriction on additional deposits or sweeps from other accounts.

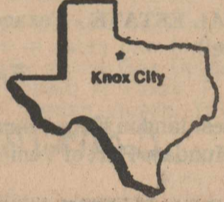

The Citizens State Bank intends to offer this new type account just as soon as plans can be completed. Bank officials say they hope to meet the December 14 starting date but as of this time, complete regulations are still being formulated by the DIDC.

"We believe we have an outline of what will be a very attractive package. We welcome your coming by for a discussion of this new account even though the final rules have not been issued or our final plans made," Bruce B. Campbell Jr., board chairman said.

Crime Spree Ended

Three subjects were booked into the Knox County Jail by Knox City police as a result of a burglary to the Conoco Station located at Main and Avenue on Sunday, November 21.

At approximately 10:30 p.m., the station was entered through a rear window by at least one subject who removed several items from the station during the burglary. Taken were three in-dash car stereo's, car stereo speaker, and approximately \$22.00 in small change.

Thanks to a very alert resident in the area, Knox City police were given a description of both the male subject involved in the burglary and of the car that he was driving at the time. In talking with the owner of the car, police discovered that the car was taken without the owners' permission earlier the same evening by two male subjects after they made threats to the owner. The owner of the car did file charges against the two.

After extensive investigative work by Knox City Police Officer Gary Gould, warrants were issued for the arrest of two male subjects in connection with the taking of the automobile, and a search warrant was ob-

Dry Soil Soaks Up Three Day Drizzle

To add to the blessings of Thanksgiving has been the two inches of rain received in three days last week. The slow rain began late Wednesday and travelers' advisories were issued Wednesday night and early Thursday for both the Abilene and Panhandle areas when temperatures dropped below freezing.

Wheat farmers were jubilant over the slow falling

Explosion Destroys Mobile Home

An explosion early Thanksgiving morning left the Jim Pratt family homeless. The Pratts, who are in the process of building a new home, recently moved into a mobile home on the Red Livingston ranch about seven miles southwest of Benjamin. The family was in Fort Worth for Thanksgiving when the tragedy occurred.

Their son Troy lost his car which was parked near the mobile home, and the family members lost all of their belongings, including family treasures, according to friends.

Friends of the family are giving them a shower, along with a money tree Sunday afternoon from 3:30 until 4:30 in the Benjamin Memorial Building and everyone in the area is invited and encouraged to attend or contribute.

Receiving honorable mention were Daveine Holcomb, Knox City; Dana Moorehead, Aspermont; and Kelly Earp and Darla Griffis, both of Weinert.

O'Brien Cemetery Needing Funds

The O'Brien Cemetery Association is needing funds for its annual drive for the coming year.

According to Beatrice Ellis, persons are asked to please help with this drive as donations and other funds are the only means of paying for the mowing, hoeing and moving of dirt that will be done.

For those persons in O'Brien wishing to donate or for those who have relatives buried in the O'Brien Cemetery, they are asked to mail their checks to The O'Brien Cemetery Fund and send to Beatrice Ellis, Box 2564, O'Brien, Texas 79539.

We have to ask our people of the O'Brien community to help with this project as there are so many graves that are unmarked. Please send your checks to Beatrice Ellis, O'Brien, TX 79539. For anyone having folks buried here, we need your help also.

THE KENNEL

JUNIOR CLASS NEWS
By Sarah Jones

Last week, the juniors decorated the halls and made the run-through (which became a run-over sign because of the rain). The run-over sign said Hounds - GO FOR IT, and that's what the Greyhounds did. They went after the regional title, and they captured it. Hounds - We'RE PROUD OF YOU. (especially the Junior Hounds)

Also last week, our class selected three girls to represent us in the Miss Merry Christmas Pageant, which is coming up soon. Those girls are Tanya Averitt, Michelle Bateman, and Amber Berryman. Good luck!

FRESHMAN CLASS NEWS
By Danny Balis

The Thanksgiving holidays are over, and I know everyone enjoyed the break from school so they could do some heavy-duty munching on some turkey and dressing. I know the Freshmen did.

Well, Mrs. Watson, how were the autobiographies? We finally got those things handed in after hours of work and patience. It took a long time to get our lives straightened out and organized and ready to put down on paper, but we managed. I guess it was kinda fun, too.

Guess who are regional champs in Class A football this week? Give up? The Newcastle Bobcats. Not

really! The regional champs are none other than the Knox City Greyhounds who stamped to a 7-0 victory over the Vega Longhorns. Congratulations to all the Freshmen who participated especially the assistant manager in charge of player refreshments.

KEY CHAPTER FHA NEWS
By Celia Whisenhunt

At our last FHA Meeting we discussed a project. We're getting into groups and helping the Widows around town. This is an FHA project not just a Key Chapter project. We are really looking forward to helping the ladies and lending a hand to the older people. In our class, seventh period, we have been

talking about table settings and working on the proper way to eat. We're learning manners and the proper way to serve meals. I'm not sure what our next subject will be. I missed last week's Kennel, I just forgot. I hope everyone had a safe and very happy Thanksgiving!!

One more thing. Guys, I just wanted you to know that the FHA girls are backing the Hounds. All I got to say is, "Bite Em' Dogs."

GREENHAND NEWS
By Danny Balis

At the ag farm, we finally finished moving and putting up pens for the feeder pigs. It took us a long time to clean and hoe the area, but now our projects have a permanent home. We should resume classroom activities very soon.

Almost everyone has a project now, varying from rabbits to broilers, and sheep to feeder pigs. Most of us will be showing our projects at the county show and then some will go on to the district and state.

The Greenhands are graded on the management of their animals and the records

they keep, not on what place the animal received at a show.

PEP CLUB NEWS
By Diane Helms

The Hounds are climbing the ladder, and are on their way to the top. Last week was not the best weather to play football in, but the Hounds pulled out another victory.

We would like to thank everyone for coming and showing the Greyhounds that the people of Knox City support their team. Make sure you try to make it to Shamrock.

Friday School Menu Changes

The News office was advised Monday of this week that the Friday lunch menu for Knox City-O'Brien CISD has been changed.

On Friday, December 3, hot dogs and chili, french fries, green beans, cookies, and milk.

FHA NEWS

By Karae Beason

A Christmas Thought
Another year has rolled around and it is Christmas time again! Time for cooking sweets, singing Christmas carols, and buying gifts. Gift-giving is a large part of Christmas and receives much time and consideration. A gift is given from the heart, no matter what the size or amount paid for it. But, yet, a homemade gift gives even more. The person who receives the gift knows that much time and care was taken in the making of their very personal gift and they receive much satisfaction in knowing someone cared enough to spend more time making the gift than just going to a counter, buying something, and having it gift wrapped. Give presents with "special" meaning and have a Merry Holiday.

Houndettes Lose First BB Game

By Dale Wainscott

The Houndettes first outing wasn't too successful last Tuesday as they fell to defeat to Munday girls 31-51. Leading individual throughout the game was Sharon Roberson behind her was Karae Beason.

As a team, we are still experimenting with combinations to see where and who we can leave on at particular times. Against Munday, we out rebounded them 33/32. This is our strength. We feel if we can rebound with other teams on the defensive boards we can defeat them. We have plenty of room to improve with each outing.

Munday is always a tough opponent for us and we look forward to playing them again on Tuesday, November 30. We will meet also at the Anson Tournament on December 2. On Tuesday, December 7, we will meet Haskell girls here.

Benjamin News

AROUND TOWN

Have you been over to Benjamin lately and driven around and seen what's going on over this way?

Zula Conner has a new home nearing completion. It's being built by Jerry Parker and Bud Conner.

Also Tracy and Susan Cartwright are proud of their home which is shaping up very nicely. It is a two story structure in the north part of town, a couple of blocks off the Crowell highway. The builders are -- you guessed it -- Tracy and Susan assisted by different ones who come by to drive a nail or two.

Lee and Grace Snailum have had beige siding with brown trim put on their house which made it look like a new one.

Bud and Von Conner are adding on to their home. So there's lots of doing in our town.

And by the way, Dub and Jo Cartwright have all the Christmas decorations up. Have been working several weeks and on Thanksgiving Day put the finishing touches on. So drive over and see that display. They work and get this done so we can all enjoy it and we appreciate it.

TRAILER DESTROYED

Tragedy (which could have been much worse) struck Thanksgiving Day at the trailer home of Jim and Barbara Pratt. Around 12:30 p.m., neighbors and lots of people in town heard an explosion and it turned out to be the mobile home of the Pratts which is located on the Red Livingston place. It is thought gas accumulation may have caused it but no one knows for sure. Jim Barbara and Troy were out of town but everything in the house was lost. A small fire followed but most of the damage was done by the terrible impact caused when the structure "blew up". A shower to help the Pratts replenish will be Sunday afternoon, December 5, from 3:30 until 4:30 on the Benjamin Memorial Building.

The following is a list of subscribers whose subscriptions expire in December.

One year subscriptions within a radius of 50 miles of Knox City are \$7.50, for readers elsewhere in Texas, it is \$9.00, and for out-of-state, the rate is \$10.00.

HOT TIPS ON HEATING

A Public Service From INTERTHERM Inc.

Heating That Cold Room—Safely

No matter the age or type of construction, most homes have a cold spot or two that the central heating system just seems to ignore.

Portable electric heaters have been found by many to be the most convenient, safe and economical alternative to turning up the whole-house thermostat.

The type of heater used can be critical to personal safety, however. For that reason, many homeowners reject open flame heaters.

Three types of electric portable heaters are generally popular with homeowners. The toaster-type radiant heaters have exposed elements which turn to a red glow as the unit warms up. When touched, the element burns skin. Flammables which touch it may burst into flames.

The resistance type heater usually has a shielded element. Small hands or misplaced flammables, such as drapes, can come into contact with a hot spot typical of these heaters. Nasty burns and fires can result.

Electric hot water heaters have elements enclosed in a hermetically sealed tube containing a water/anti-freeze solution. This provides protection to small hands and flammables because surface lower temperatures remain low. Many hot water systems offer convection heat which warms air as it circulates throughout a room.

PEGGY and JOHN GILLISPIE
...honored recently

Baptists Honor Gillispie

Members of the First Baptist Church in Knox City honored their pastor, John Gillispie, on his thirtieth year in the ministry on Sunday, November 14, with a dinner and program at the church.

Gillispie surrendered to preach on November 16, 1952, while an employee of the postal service in Lamesa. He was student pastor in Hancock, Woody, Afton, Greenwood and South Plains and was a full time pastor in Seminole, Crowell and Groom before coming to Knox City in 1977.

Bro. John is currently serving as a trustee on the Mayland University Board, on the executive board of the Baptist general Convention of Texas, area board, associational moderator, president of Big Country Baptist Assembly, secretary of the local Lions Club and a member of the Knox City-O'Brien school board.

The first Sunday in December marks six years since Bro. John answered the call to Knox City.

He and his wife, Peggy, have four daughters, three who are married and live near Amarillo and Kim, an eighth grade student at Knox City-O'Brien Mid-School. They also have three grandsons.

Game Management Makes Good Hunting

By Judy Fairchild
Soil Conservation Service

The holiday season is near and thoughts of turkey and dressing and all the trimmings are certainly lingering in the air. Hopes of bagging a big turkey and of a great quail season are also crowding thoughts. Second to deer, game birds are the most common wildlife considered in secondary land use of our ranch land and field edges.

The Soil Conservation Service has determined that not only can game birds exist in our everchanging agricultural lands, but that game birds can be easily managed for - and at little or no expense to the land operator. Two primary elements of game bird habitat are food and cover. The abundance or even presence of food and cover varies with seasons and climatic conditions. Crop residues and waste grains on cropland following harvest provide good food and cover for dove, quail, turkey, and pheasant. Range grasses, annual weeds, and some shrubs are common providers of nesting sites and feeding areas for these birds.

Game birds in our area prefer round hard seeds for plant feeding. The Bobwhite quail consumes about 15% animal matter and about 85% plant matter in its diet. Plants we can manage for to produce seed for quail food are ragweeds, partridge pea, kleingrass, and plains bristlegrass. Most of the game birds in our area prefer these plant seeds. Waste grains left in fields and on field edges after harvest are very important providers of game bird food. Sunflowers, kleingrass, partridge pea and plains bristlegrass seeds can be purchased and seeded in early spring in odd areas, along field edges, and in strips in range pastures to provide excellent feeding areas.

Wildlife food strips about 200 to 400 feet wide can be seeded near brushy, protected areas to make food more accessible to our game birds. All of the birds mentioned above prefer to some extent

to exist along field edges near tall cover and their roosting or resting sites. Turkey and pheasant require tall grasses such as switchgrass, big bluestem, little bluestem and Indiangrass for cover and for nesting sites. Quail and dove prefer field edges and areas near open water for weed seeds, insects, young plant leaves and for cover.

Although only a few of the requirements for our game birds' food and cover have been mentioned specifically, it is easy to see that better hunting and more pleasure of watching these birds increase in our area can be easily accomplished. For more information on providing good food and cover for any of the game birds and other wildlife in our area, check by the Soil Conservation Service Office in Knox City. We have information available to anyone interested in wildlife habitat.

Thank You

to Doyle Graham and the entire staff of the Brazos Valley Care Home.

Please accept my sincere gratitude for the excellent care you gave my mother, Gladys Day. Your efficiency and tender loving care was certainly beyond the call of duty.

May God reward each of you is my prayer.

Hospital Auxiliary Now Renting Color TVs

The Knox County Hospital has received the color TVs for the patient rooms and the auxiliary will be renting these new 19" remote control TVs by the day.

According to Peggy McGaughey, president, the auxiliary voted to keep the rental to only \$2.00 per day, but a deposit of \$10.00 is required when the request is made. In the event, a patient is there less than the five-day fee, a refund will be made. The hospital will be

responsible for collecting the auxiliary's rentals, Mrs. McGaughey said.

She said that the hospital patients can now enjoy color TV with good sets and good reception and that the fee is much less than charged in some of the area hospitals.

two yards and Gutierrez three before a fumble was recovered by Vega.

With the weather like it was, the ball was very hard to handle. The Hounds would lose two fumbles on the night but on several other occasions an alert James Evatt or Dwayne Watkins recovered for the Hounds.

With the fumble recovery on their 44, the Vega team mounted their only drive of the long night. The Longhorns ran 13 plays and gained 45 yards before the Hounds grounded their assault on the Hound 18 where they attempted a 36 yard field goal. The ball was long enough but wide right. The Longhorns did get a penetration when they went over the Hound 20.

The Hounds took over on their 20, Gutierrez ran for four and nine yards. Stafford ran for one on the last play of the first quarter.

On the first play of the second quarter, a screen pass from Watkins to Gutierrez made 25 yards but a clipping penalty moved the ball back 15 yards for a net gain of 10 yards and a first down. The drive stalled. The Hounds punted to the Vega 16. Chad Whitley led the defense this series to force Vega to punt the ball back to the Hounds after only three plays.

Starting on the Hound 33, a pass from Watkins to Gutierrez was good for six yards. Gutierrez ran for 7, 15 and 7 yards. Trying to pass, the Hounds lost 13 yards in two plays and had to punt.

Vega started on their own 16. They ran for eight and one yard on two carries. On third down and a yard, Lupe Rios destroyed the Longhorn runner for a one yard loss. After a 44 yard Vega punt, the Hounds tried to break open a scoreless game.

Stafford ran for 12 yards. Gutierrez ran for 13 and 18 with great clearing blocks by Whitaker and Hutchinson. A screen pass to Hutchinson broke for 20 yards but a fumble at the Vega four yard line was recovered by the Longhorns to stop the scoring drive without a penetration because the ball was fumbled before the play was dead.

On the first play, the Hounds tackled the Longhorns for a third yard loss. Then overanxious, offsidcs cost the Hounds a five yard penalty. The Hound defense held and Vega punted, but only to their 30.

With time running out in the first half, Gutierrez ran for nine and 15 yards to the Vega six. A fumble was recovered by Evatt but time ran out before a play could be completed. The Hounds did get a penetration on this effort.

Total domination by the Hounds. Score that counts 0-0, penetrations 1-1, first downs 10-3, had the game ended here, the Hounds would have won.

The general atmosphere of the Hounds' locker room during the halftime intermission was one that reinforced the earlier goal. There was no concern particularly with Vega except they were the only stumbling block in the way of a rematch with Motley County.

The rain was a little heavier as the second half got underway. The Hounds elec-

ted to receive the kickoff so Vega chose the wind.

The Hounds started on their 29 after the kickoff. Gutierrez ran for one and five yards. Stafford four and a first down. Stafford lost three. Gutierrez gained two, Watkins bootlegged around end for 12 and a first down. The drive stalled and Watkins boomed a 43 yard punt into the wind to the Vega two yard line.

The Hounds defense swarmed. They gave Vega five yards on a penalty and still held them to only four yards on three tries. A short 34 yard punt was returned 14 yards by Gutierrez to the Vega 36.

Gutierrez ran for five. Stafford ran for two and four and a first down at the 25. Gutierrez then broke through three different would be tacklers and following great blocking raced 25 yards into the endzone for a touchdown. Wayne Hutchinson then kicked the extra point which was to be the only score of the game but the excitement was not over.

Vega had a ball carrier that averaged 12 yards per carry over the course of the season so the threat of his breaking loose was always there.

Total frustration haunted the Hounds, the coaches and the fans for the next few minutes. With four minutes left in the third quarter, Vega was ready to roll over and quit. The Hound defense could not have played better but two great scoring opportunities slipped away and the Vega team started to play a little better.

The first problem arose following the Hound kickoff. On the first play, Vega lost two yards. On the second, a fumble was recovered by Chris Whitaker at the Vega 36. Stafford lost one, Gutierrez gained seven. Two passes went incomplete so Vega took over to get off the hook.

On the second play, Dwayne Watkins intercepted a pass and ran it 45 yards for an apparent touchdown but a hitting behind the runner penalty was called and 15 yards were stepped off against the Hounds from the spot of the foul giving the ball to the Hounds on Vega's 35 yard line.

Gutierrez ran for seven yards. A five yard penalty set the Hounds back. Gutierrez ran for 10 and two yards to the Vega 21 as the quarter ended. Gutierrez lost three yards. A fumble was recovered by Evatt. Stafford gained two on fourth down.

The penetration was never made. Again, the Longhorns got off the hook.

The defense clobbered the Longhorns led by Whitley and Stafford as Vega lost 12 yards on three plays. A Vega punt to the Longhorn six yard line only to have it moved back to the Hound 45 by a clipping penalty. Frustration reigned but the Hounds kept their composure.

Unable to move the ball in three plays, they punted to

the Vega 24 where Joe Rocha and Kevin Eaton allowed no gain on two running plays. An incomplete pass was followed by a punt to the Hound 40.

On third down needing 10 yards for a first down, Wayne Hutchinson came around on a reverse good for 12 yards to get a new set of downs.

The Longhorn defense with all it's size finally started to stop the Hounds offense and Watkins punted to the Vega 10 yard line.

With time running out, the Hounds started playing a little looser. Vega made eight yards on first down. Meinzer then knocked down a pass. On third down, Vega made three yards for a first down. Eaton cut the quarterback for a yard loss. Meinzer tipped a pass that bounced into the arms of the Vega receiver good for 27 yards and only the second first down of the second half.

Good pressure was applied by the defense as a pass went incomplete. Eaton again tackled the quarterback for no gain. Lupe Rios chased the quarterback back for several yards forcing a bad pass to be incomplete. On fourth down, needing 10 yards a pass was good for only eight yards so with tone minute 22 seconds left the Hounds took over on their own 44.

Stafford ran for six and four yards and a first down. The Hounds then ran out the clock insuring a Hound victory.

The victory was total. The only disappointment came after the trophy was awarded and the team entered the dressing room. The word came down that Motley County had been beaten. There would be no rematch this year. The disappointment was short lived.

Ricky Gutierrez had an outstanding game with 178 yards rushing on 29 carries caught two passes for 31 yards. Ricky will be the first to tell you the excellent blocking was the factor that allowed him to have such a good game.

The kicking game was just about perfect. Watkins punted the wet ball very good and the coverage was always there.

The hardwork has paid dividends. No other Knox City football team has ever gone this far before. They will make history next Friday night in Shamrock where they will play Follett at 7:30.

As well as the Hounds played the last two weeks should not affect their thinking. They are aware that it took a good country team to beat Motley County.

All of the eight teams left in the playoffs are good teams. They will have to be beat. They will not just show up. They will also play as hard the last quarter as they do the first. No lead will be safe until the game is over.

The 1982 Knox City Greyhounds are a good TEAM. Eleven players giving all they've got on every play. If there is anyway you can your presence in the stands will be a big boost to the Greyhounds and you will see a good game.

Unable to move the ball in three plays, they punted to

STREAMS IN DESERT PLACES
By OZELLE STEPHENS

"I will bless the Lord at all times; his praise shall continually be in my mouth." (Psalms 34:1).

The great Psalmist knew the joy of praising God and the blessings it brought upon his life, so he said. "I will praise the Lord no matter what happens, I will constantly speak of his glories and grace. I will boast of all his kindness to me. Let all who are discouraged take heart.

The poor man cried unto the Lord-the Lord heard him and saved him out of all his troubles. The angles of the Lord guards and rescues all who revolve him. God is so good and kind; try him and see for yourself the way his mercy showers on all who trust him. Wait upon the Lord and learn how important it is to wholly trust Him. If you belong to the Lord, revenge Him; for everyone who does has everything he needs, and will lace for anything good. (Psalms 34:2-20).

SERVICES OF THE CHURCH OF GOD IN CHRIST

The Lord blessed Ass't. Overseer and Mrs. Leon Ward to attend the International Convocation in Memphis, Tennessee, during the month of November. They were accompanied by Missionary Melinda Robinson and Sister Beverly Ward.

Overseer and Mrs. A.C. Bennett's 43rd anniversary was held at the Southside Church in Abilene during the third week in November. Elder and Sister Bennett have labored faithfully at the Southside Church.

Elder Ward preached that Sunday afternoon from Revelation 2:8,10, a great message.

Evangelist Charles Tanner of Lubbock preached during a revival at the Seymour Church this past week.

On Tuesday night he preached from Genesis 3:17, "A Good Man but in a Bad Fix". On one night he preached from the first part of Mark 16 and from Mark 6:15,18.

On Friday night he preached from Ezekiel chapter 37.

Sunday school had a very good attendance with Supt. Manuel in charge.

During the morning service, pastor Bennett preached greatly from Psalms 125.

The Union Joint meeting was held at the Aspermont Church on Sunday afternoon. Elder Menion Cox preached a great message over there from Matthew 8:16,19 and Ruth 1:14,16, "Lord I Want to Go."

game. Radio Station KVRP, Stereo 95 in Haskell has been doing the play by play broadcasts of the Greyhound games and they too have been putting in lots of hard work to bring all of us the games.

KVRP Station Manager Gary Barrett, Program Director Dave Harrison and DJ David Wayne are the three individuals from the radio station that endure the weather right along with all the fans, trying their best to ignore the weather and broadcast the game. They do have the opportunity to be sitting in a booth out of the wind, but that's usually the extent of their protection from the weather. Just listening to last week's broadcast, it was obvious to the listener that the three were really feeling the weather by the end of the game.

According to Inter-scholastic League rules, the radio station has to obtain permission from both school superintendents in order to broadcast the game, then player schedules and game programs have to be gone over for all the information needed for a broadcast. The half hour pre-game show usually takes about eight hours to prepare, and it takes a tremendous amount of time to line up sponsors and prepare their ads for the actual broadcast. Last week, the radio station had twenty two different local sponsors, all businesses from the local listening area that were again showing their way to support the Greyhounds.

For the actual broadcast itself, the radio station has to go through the telephone company in the area where the game is to be played, they have to pay the full rate for the installation of a business phone line, even though they only need to use it for the one time. The game itself is broadcast over a long distance phone line at the same rates that you or I would pay for a long distance call. Imagine getting a phone bill for a two and a half hour long distance phone call!!! The game is broadcast live from the field with the advertisements and wishes of support being played from the control room at the station during the game time-outs.

This week, KVRP will

again be broadcasting the game. The pre-game show will start at 7:00 p.m. on Friday evening and the actual game broadcast will begin with the kickoff at 7:30 p.m. Once again, with this week's *Knox County News* and the KVRP radio broadcast, there is a tremendous amount of support behind the Greyhounds! I have attempted here to bring you a little information on how different organizations and businesses are in full support of the Greyhound football team, but that support does not have to stop there. Each Knox City resident that reads this edition of SHOOTIN' STRAIGHT ought to encourage at least one of the football players or coaches, that would be a very personal way to let them know that not only are we behind them in their efforts, but that we sure are proud of them too!

More SHOOTIN' STRAIGHT next week.....
