

OHS Senior Class Officers

THE SKY is the limit this year for the plans and ambitions of the senior class, which is headed by Robert Priest, president, (to the extreme left in the picture). Other officers include, from left, Sammy Kendall, vice-president; Lonna May, secretary; Sharon Smith, treasurer; and Donna May, reporter.

## Hale Center Tries Pony Corral Friday

Owls are supposed to be wise and Olton Coach Walter Bryan will be trying to see what he can learn from them when Hale Center's football flock flies into Olton Stadium Friday night.

A look at the Hale Center team will give Olton its first glance at an opponent which has met some of the Mustangs' future foes in District 2-AA.

Hale Center comes into the game with an 0-2-1 record which includes a loss to Lockney and a tie with Abernathy. Both those clubs are in 2-AA.

Friday night's game may give Olton fans an idea of what's ahead for the Mustangs.

Olton will be the favorite again Friday night, but Coach Bryan isn't sure why.

Hale Center apparently has improved with each game this season. The Owls lost 20-0 to Lockney in their opener, then came back to give tough Sundown a real test before losing, 12-8.

Last week, the Owls played favored Abernathy to a stand-off, 12-12.

Halfback Perry Ritchey, a 160-pounder, has been a standout all year for the Hale Center team. Ritchey got all his team's points against Sundown.

He scored one time against Abernathy on a three-yard plunge. Quarterback Donald Dollar got the other Hale Center touchdown against the Antelopes on a seven-yard keeper play.

Other backfield starters for the Owls are 155-pound Fullback Jimmy Louthan and 125-pound Sam Reedy at halfback.

Reedy, Dollar and Tackle J. A. Nivens, a 185-pounder, are captains for the Hale Center team.

Olton will counter with hard-driving Robert Priest and Rande Buchenau, who have been the leaders in the Mustang scoring attack. Priest has averaged a little over seven yards per carry for the season and Buchenau is averaging six.

# Paving Plans Pushed After Vote Approved

## Parade, Supper, Football On Tap For Homecoming

One of the highlights of Olton High School's homecoming Friday, Sept. 30, will be a parade at 3 p.m. in downtown Olton. Marching in the parade will be the Cadet and Mustang High School Bands.

Another project of homecoming will be the Ham Supper sponsored by the Parent Teachers Association. The meal, which will be served at the school cafeteria between 5:30 and 7:30 p.m., is one of the P-TA's fund-raising projects for the school year.

Menu is ham, potato salad, pickles, onions, tomatoes and pie with milk or coffee.

Adult plates at \$1, students are 75 cents, and children's are 50 cents. Tickets may be purchased from Mr. and Mrs. Buddy Hedges, phone 5906, or any other P-TA member. Some local businesses also have tickets on sale.

All P-TA members who would like to help serve are asked to check with David Howton, high school teacher.

Separate class meetings will be held this year at homecoming instead of a general meeting of all the classes.

A representative from each class was selected to plan the meeting for his respective class and where it will be held. The class meetings will follow the homecoming football game between Olton and the Hereford Whitefaces.

## Olton Farm Office Is Opened By TEC

The Texas Employment Commission has opened a farm office at Fitts & Townsend Machine Co. here, T. R. Jewell Jr., Littlefield area office manager, announced Charles F. Barter has been appointed to operate the Olton farm office.

Area farmers are invited to contact the employment office for all types of farm workers. The office will remain open until the cotton harvest is completed.

## Stray Shot Hits Woman

# Boy, 12, Tells 'Nightmare' Following Target Practice

Dear Reader:

Last week, I shot a woman. Yes, I shot her; not intentionally, but nevertheless, I shot her, and although she is alive today, except for some small stroke of fate, it could just as easily have been fatal, and I would have handled the instrument that took another's life.

I write this story, not to see my name appear in print, but in hopes that some other boy or girl, or any of you, the readers, might profit by it and not have to learn the lesson I have learned from this nightmarish experience.

The day started as normally as any other day I have lived in my twelve years. I was awakened by the sound of Mother's voice, ate breakfast, as usual, and had my spat with sister, before setting off to school. None of this carried any foreboding, no sense of gloom could be felt, nothing to indicate that in just a few short hours, I would spend the most tormented night of my life.

School out at 1, I trudged home with my friend, Danny, beside me, chatting about what the day had brought, and excitedly planning to take our "22" pistols out for a little target practice. We could shoot at rabbits, or birds, or whatever might fall into view. If you have ever been a boy of 12, you know just about what we thinking and planning.

We asked Mom if we could go, and she, like most Mothers, said

EDITOR'S NOTE: A few days ago, a stray bullet which came "out of nowhere" struck a 68-year-old Hart woman, Mrs. Ludric Schofield. Mrs. Schofield, who was wounded in the chest area, has since been released from the hospital and is at home, recovering.

But the memory of the accident will linger a long time with two Hart youngsters, Darryl McLain, 12, and Danny Rodriguez.

The boys were a good distance from Mrs. Schofield, practicing their shooting near a lake. Somehow a bullet found its mark over a quarter-mile away, hitting Mrs. Schofield.

One of the boys, Darryl, has told the story in a letter. It was put on paper by Darryl's mother, but most of the wording was that used by Darryl, as he related details of the accident.

The Enterprise feels Darryl's story has a message for parents and children everywhere. Perhaps its publication will help prevent some tragedy in the future.

Woman's Work

GAYLE MACHEN of Olton invades what traditionally has been a man's field as she tries her hand at sports writing at Hardin-Simmons University. Apparently enjoying an interview here are two big footballers, Russell Still, left, of Anadarko Okla., and Bill Voss of Hermleigh.

## Oh, What A Life For Young Gayle

ABILENE — A sports-minded Hardin-Simmons University freshman coed has been named sports editor of "The Brand", weekly student publication.

Gayle Machen, 18, a 1960 graduate of Olton High School who plans to major in journalism at the Baptist university, is one of the few coeds who has served as sports editor of the campus newspaper.

How does she account for her interest in sports?

"I've just grown up around sports and like the activities," she says.

"My father took me to football games in which my older brother played while in high school," she explained. Both her father and

brother are interested in all sports.

Miss Machen was sports editor of her high school annual and was active in girls' sports events. To point up a few of her interests in the past:

She was captain of her high school basketball team.

She was a member of the school's doubles tennis team.

She bowls and plays golf.

She supported her high school teams as a cheerleader.

The pretty H-SU coed's motto and highest ambition in life is: "Words are my world, and with my words I want to make the world a better place in which to live."

Her aspirations for the future? "Someday I hope to be a sports editor on a weekly paper," she said. "Or I would like to be a general reporter on a daily newspaper."

She is quick to point out, however, that she might marry someday, but she still would like to work full-time on a newspaper.

As sports editor of the H-SU campus weekly, she will cover all college athletics—with the aid of sports assistants who most likely will be males.

The newly appointed Brand staff member says she has received "wonderful cooperation" from the players and coaches at H-SU.

## Property Owner Sign-Up Asked

Olton's 80-block paving project, given the green light at the polls last Saturday, probably will move into construction stages next February.

That word came this week from Mayor M. T. James Jr., following a special city council meeting at which the Saturday vote was canvassed and a paving timetable was planned.

The official vote in the \$80,000 paving bond election was 155 for, 129 against. A total of 280 votes was cast.

The same results had been reported earlier by Election Judge Eldon Franks, shortly after the polls had closed. Serving with Franks were G. T. Sides, Mrs. Bailey Hair and Mrs. Bill Kemp.

As for the future of the paving program, Mayor James said Wednesday:

"Construction will come next spring. It probably will be possible to start with the curb and gutter by the first of February."

However, construction must await the interest shown by property owners.

City officials are asking that all persons interested in getting paving come in and sign up at the city hall.

"All we need is the name and the location of the property, so we can calculate the footage," said City Secretary Berniece Smith.

Besides canvassing the vote at the special meeting, the council agreed to accept an agreement presented by J. M. Barker of First of Texas Corporation and the firm of Eppler, Guerin and Turner for sale of the \$80,000 in street improvement bonds.

In doing so, the council agreed to let First of Texas, a San Angelo firm, put the bonds on the market.

## G. T. SIDES WINS GRID CONTEST

A man who went for the upsets latched on to the top prize in the Enterprise football contest last week.

Truitt Sides of Olton picked up the \$15 first award by guessing right on 14 of the 18 games in the contest.

P. A. Nafzger was second and Wyman Blackwell was third. Both guessed right on 13 games, but Nafzger was closer on the tiebreakers.

There's still time to enter this week's contest. Simply get a copy of the Sept. 15 Enterprise, circle the winners and turn in your entry to one of the sponsoring merchants.

Parsons Funeral Home was in charge of funeral arrangements. Burial was at Littlefield Memorial Cemetery.

Miss Parkey is survived by three sisters, Miss Virginia Parkey, Olton; Mrs. C. E. Hukill, Clovis, NM; and Mrs. Bill Hurst, Oklahoma City; and four brothers, W. C. Parkey, Bull Head, Ariz.; E. Parkey, Portales, NM; and D. J. Parkey, Floydada.

Pallbearers were Paul Hukill, W. B. Smith Jr., Tom Sluder, J. A. Welch, J. L. Small and Dean Hukill.

## Band Boosters Set First Meeting

"Dub" Hall, president of the Band Boosters, has announced that the first band parents' meeting of the year will be held Monday at the high school auditorium. Meeting time is 7:30 p.m.

A nominating committee will have prepared a list of persons to be nominated for various offices. Officers will be elected at the meeting.

Chairman of the nominating committee is Gerald Bizzell, who is assisted by Mrs. Ralph Glover and Mrs. Bill Langford.

Also included on the agenda will be an outline of this year's activities and work on the 1961 band calendar will begin. A proposed trip of the high school band will be discussed. The complete financial statement of last year's activities will be presented.

Parents with children in the fifth to 12th grades who are in the band are urged to attend.

## Last Rites Held For Bill Clayton

Funeral services were conducted Sunday afternoon at the Springlake Baptist Church for W. T. "Bill" Clayton, 58, who suffered a fatal heart attack at 4:30 p.m. last Thursday at Salida, Colo.

Mr. and Mrs. Clayton were vacationing there. They had left Springlake two days before on a hunting and rock collecting trip. Last rites were read by the Rev. C. T. Jordan of Chalk Baptist Church, a former pastor of the Springlake church.

Interment was in Springlake Cemetery under the direction of Hammons Funeral Home of Littlefield.

Born April 23, 1902 near Chico, Clayton grew up in Wise County. He and the former Myrtle F. Chitwood were married Sept. 6, 1924, at Electra, where he worked with Standard Oil Co.

He bought a farm in 1924 near

**Shirley Venable, T. Brooks Are Wed**

Miss Shirley Elaine Venable and Thomas Lea Brooks were married Sept. 8 at Lubbock in the home of Elder W. R. Dale, who performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. E. M. Venable of Olton and parents of the bridegroom are Mr. and Mrs. Paul T. Brooks of Hart.

Wedding selections were sung by Mrs. Darrene Collins of Dimmitt and Mrs. Morris Nowlin of Muleshoe.

A waltz-length gown of lace and net was selected by the bride. Featuring a scalloped square neckline and long pointed sleeves the gown was accented with sequins and seed pearls. She wore a fingertip veil of illusion and her bouquet, a cascade arrangement of white carnations, had love-knots tied in the satin streamers.

Mrs. Venable, the bride's mother, wore a navy dress of lace and rayon with bone accessories

for the wedding. The groom's mother, Mrs. Brooks, chose a beige lace sheath and brown accessories. Both ladies wore corsages of white carnations.

A reception followed the wedding at Shallowater in the home of Mr. and Mrs. H. G. Preston. The table was covered with a white cloth and decorated with a punch service and a red and white wedding cake. Also adding to the decor of the table were two silver candlesticks placed on either side of a bouquet of flowers.

Punch and wedding cake were served to approximately 20 guests.

The newlywed couple have made their home at Hart following a wedding trip to Carlsbad, N.M.

For the wedding trip, the bride wore a white trimmed charcoal dress styled with a box-pleated skirt and a red hat and shoes. She wore a white corsage.

Mrs. Brooks was graduated in 1960 from Olton High School and her husband is a 1959 graduate of Hart High School.

## Wichita Falls Minister Will Lead Revival At First Baptist Church

Sunday will mark the beginning of revival services at the First Baptist Church of Olton with the Rev. S. F. Martin of Wichita Falls as evangelist.

Continuing through Oct. 2, the eight-day revival is scheduled for daily services at 10 a.m. and 7:30 p.m.

Dr. Joe Trussell of Brownwood, an evangelist singer for 35 years, will conduct the music program. A graduate of Howard Payne College and Southwestern Seminary, Dr. Trussell has established a singular reputation in his field throughout Texas and the Southwest. Assisting him will be Mrs. Trussell, who will serve as pianist and director of the children's choir.

The Rev. Martin has had much experience in evangelistic work and was district missions secretary for 17 years. He formerly pastored the Lamar Church in Wichita Falls, Connell Memorial in Fort Worth, and the First Baptist in Memphis, Texas. Like Dr. Trussell, he graduated from Howard

Payne and Southwestern Seminary.

Dr. Trussell and the Rev. Martin were to have worked together in the fall revival here last year, but because of illness, the evangelist had to cancel. It will be remembered that Dr. Trussell was associated with the Rev. Howard Lyons of Plainview in that revival.

### Daughter Born To Truman Moores

A daughter was born at 9:58 Monday morning to Mr. and Mrs. Truman Moore of Lubbock, formerly of Olton.

Myliissa Jean weighed 8 pounds and 5 ounces at birth at the Lockney General Hospital.

The young lady has two sisters, Taronna and Allise.

Moore is employed with Affiliated Grocers at Lubbock.

Maternal grandparents are Mr. and Mrs. Bill Rigdon of Lockney and Mr. and Mrs. Eddie Moore of Olton are paternal grandparents.

MR. and MRS. W. R. NORFLEET

## W. R. Norfleets To Observe 50th Wedding Anniversary

BY JOLINE WARREN

Mr. and Mrs. W. R. "Bob" Norfleet will have their Golden Wedding Anniversary Celebration Sunday, Oct. 2, a few days before their actual anniversary.

The celebration will be given at the home of their son and family, Mr. and Mrs. John Norfleet, who live 8 miles north and 4 miles east of Olton.

Calling hours for the occasion are from 2 until 6 p.m. Old and new friends of the honored couple are invited to attend.

Norfleet and the former Miss Fannie L. Norris met near the present site of Hale Center at the ranch of his brother, J. Frank Norfleet.

They were married Oct. 5, 1910 at a ranch in Hockley County, where Levelland is now. The day after they were married they moved to their present home,

which was selected by Norfleet when he was 17 years old.

Norfleet is the only known man to bring his bride to their first home and live there for the next 50 years.

"Bob" first came to the Plains in 1891 from Tom Green County. He worked at the Spade Ranch for 8 years.

Asked his first impression of the Plains, Norfleet replied that he thought, "By golly, this looks like a good country and I think it would be a good place to stay!"

The couple remembers that when they moved to their present home there was mostly open range surrounding them. The only house in sight was that of Mr. and Mrs. G. H. Phillips.

In those early days a windmill and dipping vat were all that Olton had. Lubbock had only three buildings and board sidewalks at the time.

The Norfleets think the growth of Olton has been remarkable. Norfleet said, "Take a 50-mile square, put Olton in the center, and you would have the heart of Texas."

Mr. and Mrs. Norfleet have seven children, Mrs. L. T. Campbell, Amarillo; Mrs. Nathan Reed, Carlsbad, NM; Mrs. J. E. Montgomery, Sanders, NM; Mrs. D. C. Herrington, Levelland; Robert Norfleet, Westville, Okla.; Owen Norfleet, Olton and John Norfleet, Hale County.

### Daughter Is Born To Jack Colemans

Mr. and Mrs. Jack Coleman of Dalhart, formerly of Olton, are parents of a daughter born Tuesday at 11:42 p.m. at the Dalhart Hospital.

The young miss, Jenna M'Lwe, weighed 7 pounds and 1 1/2 ounces at birth.

Jenna M'Lwe has a sister, Lisa and a brother, Bentley.

Grandparents are Mrs. Era Maye Walthall and Mr. and Mrs. Floyd Coleman, all of Olton.

### Attention Mr. Cotton Farmer!

Do you need more money from your cotton crop this year? Whether you went the A or B plan this year you too can save money as hundreds of other Plains Farmers did last year by letting the PLAINS CO-OP ASSN. of Lubbock, Texas, for which we are an Agent at Olton, handle your COTTON this year.

The Plains Cotton Cooperative Association is a cotton cooperative owned by the farmers who patronize them. The profits they save you on handling your COTTON is returned to you in dividends each year. They saved the A farmer 51c per bale dividend and saved the B farmer \$18.57 per bale dividend last year on what they handled. So plan now to come by our office and let us talk this over with you before you do anything with your cotton this year.

## LETTERS to the EDITOR

Dear Editor:

As a former long-time resident of Olton, I enjoy each issue of your paper.

I read with particular interest your article about Special Education and the interest to establish a class there.

Having moved from Olton three years ago in search of this kind of help for my own son, I certainly recognize the need for such a wonderful thing and needed somebody in a school as large as Olton.

I work closely with a special education class here and would be most happy to talk with any one interested or take time to visit here in Amarillo.

Many times it is the parents who first need the educating. I mean so many fail to see how much this can do for children who need help.

Yours truly,

# Ponies Run Past Springlake, 32-13

Olton's Mustangs, using the first 11 less than half the game, sped to an easy 32-13 victory over Springlake's Wolverines at Springlake Friday night.

It was the undefeated Olton club's third straight victory of the year.

Although outmanned, Springlake never quit fighting and pulled to within seven points of the Mustangs as the fourth quarter opened. Olton opened the game with a

pair of touchdowns which came after the Ponies recovered Springlake fumbles.

After the quarter ended with Olton in a 14-0 lead, Pony reserves and the Wolverines battled to a stand-off in the second period, until Springlake's top player, QB Hal Hudson, returned a punt 60 yards for a score. That touchdown made it 14-6, Olton, at the half.

That brought the Olton starters back into the game as the third period opened. Midway through the period, the Ponies scored to

make it 20-6, and the first 11 again retired.

But they had to come right back early in the fourth quarter, when Springlake pulled up to 20-13. The first 11 got a touchdown in three plays, then returned to the bench.

It was the barreling, driving force of Robert Priest, the Ponies' 190-pound fullback, that got the first three Olton touchdowns.

QB Johnny Schenck passed to Randee Buchenau for the fourth Olton score and HB James Lovelless ran 38 yards for the final

touchdown.

Hudson got one Springlake score and passed to End Tommy Keller for the other.

Springlake opened the game with Hudson throwing the pigskin for short gainers.

After the kick-off, the Wolverines marched from their 21 to the 40, with Hudson completing four passes, two to Bill Starkey.

On third down at his own 40, Hudson went back to pass again. This time, he was rushed hard by Olton End Fred Riney. As Riney smashed in, Hudson fumbled and ball was recovered by the other Mustang end, Jimmy Lawson, on the Wolverine 28.

It took Olton only five plays to score the first touchdown of the night.

Priest bulled his way to the 23, but the play didn't count as the Mustangs took advantage of a five-yard penalty against Springlake.

HB Frankie Miller then ripped off a 10-yard gainer to the Springlake 13. From there it was Priest ramming for eight yards, then two, then two more and finally one yard for the touchdown.

Hudson was a standout on defense for the Wolverines on the two plays before the touchdown. He was in on tackles that stopped both plays.

Buchenau added the extra point and Olton led, 7-0, with 5:31 left in the first period.

After the kick-off, Springlake was unable to move and Hudson punted 29 yards to the Wolverine 45, where Schenck pulled in the ball and ran back to the 40.

Olton advanced to the Springlake 23 before a fumble spoiled the march. Springlake's Jackie Scheller, an end, pounced on the ball on the Wolverine 26.

Three plays later, the Wolverines handed the ball right back to Olton when Bill Shirey, back to pass, fumbled. Mustang Tackle Kenneth Hooper recovered the ball at the Wolverine 10.

Priest rammed all the way into the end zone on the first play and Olton went ahead, 13-0. Buchenau kicked the extra point to make it 14-0 with 44 seconds left in the first quarter.

Springlake took the kick-off back to the Wolverine 27 and HB Darrell

Whoa, Pony! Whoa!

THAT SEEMS to be the idea on Halfback Randee Buchenau's mind as he tries to apply the brakes before hitting a pile-up at the 50-yard line. Buchenau managed to stop, then get 10 more yards to the Springlake 40 before he was stopped. The action

came in the third quarter of Olton's 32-13 victory over the Wolverines last Friday night. Taking a nosedive is Olton Center Robert Duncan (51). That's Frankie Miller (24) to Buchenau's left. The play was a 25-yard punt return by Buchenau.

Barlow gained three to the 30 as the quarter ended.

Two plays and a penalty against Springlake got the Wolverines nowhere and Hudson booted the ball 65 yards to the Olton 5, where Reserve HB George Jones picked it up and returned to the Olton 17.

From there, Olton's reserves drove 60 yards to the Springlake

Berry passes went incomplete. Springlake took over at the 23 with Hudson running for a three yard gain and passing to Ronnie Dent for six more. Barlow got the first down with a six-yard run to the Springlake 37.

At that point, Hudson threw three straight times, and all three went incomplete. The first toss was headed for Barlow, in the

clear, but was just a trifle long. On fourth down, Hudson booted to the Olton 15, where DeBerry returned it to the Olton 28.

Three plays got Olton nowhere and DeBerry punted to the Springlake 40, where Hudson hauled it in and came back up the middle on a 60-yard touchdown run. Hudson's kick for the extra point was

Cheer Up, Gals!

OLTON MUSTANG Cheerleaders are shown near the end of Friday night's game against Springlake, after they had spent most of the night whooping the Ponies to victory. They were a wee bit tuckered at this point and so were the Olton mascot, "Little Reb," a Shetland owned by Archie May. Schenck On The Loose

OLTON SIGNAL CALLER Johnny Schenck (28) rounds right end in a play that went 11 yards to the Springlake 9-yard line and helped set up Olton's third touchdown against the Wol-

verines. That's Springlake's Darrell Barlow (32) moving in for the tackle. Olton End Jimmie Lawson (80) is shown at right.

# Priest Leads Onslaught With Three Touchdowns

no good and it was 14-6. Olton, with 39 seconds to go in the first half.

After Springlake's Sandy Sanders kicked off to open the second half, Olton went on an 11-play, 60-yard scoring drive that was aided by a 15-yard penalty against the Wolverines.

HB Miller returned the kick-off to the Mustang 40, Priest then gained seven in two tries and Schenck tried a third down pass that went incomplete.

The play was rubbed out by the penalty and Olton had new life with a first down on the Springlake 42.

Priest then rambled for 10

yards in three carries, setting the Mustangs on the Springlake 32, first and 10.

After Buchenau lost a yard when the Wolverines' Starkey nailed him on the 33, Priest got the yard back on a plunge at the middle.

Then Schenck ran to the Springlake 25 and Priest got a new first down at the 20.

Springlake's Bobby Sloan came in to nab Buchenau for no gain on the first play, but Schenck came back with an 11-yard run to the Springlake 9.

On the next play, Priest bulled into the end zone to put Olton into a 20-6 lead, with seven minutes to

play in the third quarter.

After the kick-off, the Wolverines made only three yards in three plays and Hudson punted 43 yards to the Olton 35, where Buchenau picked it up and raced back 25 yards to the Springlake 40.

HB Loveless got five yards to the 35, but a play later, Olton fumbled and Springlake's Jerry Taylor recovered at the Wolverine 34.

From there, Springlake moved to a touchdown in eight plays. Barlow gained four to the 38 and Hudson passed to R. Dent to the 44. Barlow ran for a first down at the 48.

Hudson then completed a six-yard gainer to the Olton 48. On the next play, he drifted back to pass, found no receivers clear, and set sail on a 34-yard run to the Olton 12, where he was stopped by the Mustangs' Eddy Loveless. Hudson's first down try was a

pass which went incomplete. Then he used himself on a running play that was stopped for no gain by Olton's E. Loveless.

Then came the play that got the Wolverines' their second touchdown. Hudson tossed to End Tommy Kellar, who took it on the run in the end zone. Hudson kicked the extra point and it was 20-13, Olton, with only a few seconds gone in the fourth quarter.

The Mustangs scored three plays after the kick-off. After End Lawson ran the kick-off back to the Olton 42, Priest got five to the 47. Miller then ran to the Springlake 45, but the play was rubbed out by a 15-yard infraction by Olton.

From the Olton 32, Priest rambled 17 yards to the Olton 49. Then Quarterback Schenck tossed to Buchenau, who took the aerial at the Springlake 45 and ran all the way for the touchdown, which sent Olton ahead 26-13.

There was 10:32 left in the game when Olton kicked off. Hudson ran it back to the Springlake 4, where he was stopped by Olton's Ron Rodgers.

Three plays failed to get the necessary yardage for Springlake, so Hudson punted, the kick going 25 yards and out of bounds at the Olton 33.

The Mustangs found the going tough and had to punt on fourth down, with DeBerry kicking 36 yards to the Springlake 24.

Springlake got a first down at the 38 as Hudson, Barlow and Dent alternated carrying the ball for short yardage. Dent gained three more to the 41, before a Hudson pass went incomplete.

On third down, Hudson was back to pass when he was hit by Olton's Wendell Scribner. The Springlake quarterback fumbled and Mustang Billy Carson, a freshman playing in his first game, pounced on the ball.

On the Mustangs' first play, Loveless went off left tackle and sprinted 38 yards to a touchdown. Not a Wolverine laid a hand on him as Olton's reserves laid down good blocking for him.

Burrus missed the try for extra point, and Olton led 32-12 with 3:18 left in the game.

Springlake came roaring back to the Olton 16 in eight plays after the kick-off. But at the 16, Hudson's fourth down pass went incomplete.

At the end, everybody had played for Olton, and as time ran out, the freshmen had the ball deep in Mustang territory.

**Boy, 12, Tells—**  
(Continued From Page 1)

"In the house!"  
Shot a woman!  
Can you imagine the shock and the fear, the horror of those words? The very thing the folks had told me could happen, had happened, and to me. I was scared, and so was Danny, but we went on home, thinking they would come in a few minutes, perhaps with the sheriff, to tell us what had happened, and take us away!  
An hour passed, then two hours, and no one came. I didn't know what I had done—all I could think about was, "Had we killed someone. If so, who? Why hadn't I told Mother and Daddy when I came in—by waiting for someone to come, I felt I had waited too long to start to tell them. I didn't mean to seem like a coward."  
If only Mother and Daddy had asked me, as they always did, "Son, how was hunting today?" Then, I could have told them. The hours wore on until bedtime, and I kept wondering about Danny, and wishing I could tell my brother, but still, I didn't know what to do. I went to bed, but not to sleep—I was so scared. I kept thinking whoever I had shot must really be in bad shape or someone would have come to tell Mother and Daddy and I, by now. Finally, morning came. I didn't want to go to school, but I knew I had to.  
About 9:30, the superintendent called Danny and I out of class to question us, and see if we had told our parents. He told us Mother and Daddy were the best friends we'd ever have, and when we got in trouble, we should go to them

at once. I think that is one lesson I'll never forget. Then he told us we must go tell them before someone else did.

I was glad we were going—this fear I had carried all night was horrible—just to think someone was suffering, and might even be at the point of death, because of ME. And yet, I dreaded facing Mother because I knew she'd cry and I didn't want to see her hurt. When we got to the house, she already knew, and was preparing to come to the school. Yes, she was crying, and so were we. We went to see Danny's folks, and then to tell Daddy, and then to see the daughter of the lady we had injured. Before we talked to her, Mother suggested that we pray and ask God's forgiveness, and help, because we always need Him.

Then we went to talk to the family. The daughter was real upset, but so kind—I'll never forget how I expected her to storm at us, and hurl accusations, which I felt I so justly deserved, but she was real kind and understanding, and said she knew it was an accident. That helped me and Danny a whole lot.

Then we went to Plainview to see the lady involved. The hardest thing I ever did was walk in that room with flowers in my hand, and tell her who I was. And again, I will never forget the kindness and sympathy and understanding she showed Danny and I.

Danny and I—we are so sorry it all happened and wish we could undo what we did, but since we can't, maybe our story will help some other person. We won't ever forget that adults know more than kids do, and when they tell us about the dangers when we do certain things, they really do know what they are talking about. We also learned that if we ever get in a terrible situation again, whether it be from such as this, or whatever it might be, we'll tell our folks, take whatever punishment we have to take, and make whatever is required of us, right then. Nothing could ever be worse than to spend another night like that one.

Mother and Daddy said this could have happened to them—the only difference is that they probably would have known what to do where Danny and I didn't. One thing sure, is, that I don't cherish the possession of my gun, like I did—I have learned it can be deadly, even when you are over a quarter of a mile from a subject, as we were, and not even know the victim of your bullet existed, until it struck home.

If you have a gun, never shoot at water, as a bullet will ricochet from that surface almost invariably; never shoot just to be shooting, as we were, and if you want to target practice, shoot into a bank. Learn the rules of courtesy for handling a gun and abide by them.

We are thankful our victim is alive, today. There are some who have not been as lucky as we, and we are terribly grateful to our friends, and teacher, and parents for their love and understanding, and for not condemning,

**Clayton Rites—**  
(Continued From Page 1)

Springlake, Mr. and Mrs. Clayton moved there in 1931 and had lived at the same place since that time. After moving to Springlake, he was active in the Baptist Church at Earth, where he served as a deacon and as a Sunday School superintendent.

The First Baptist Church of Springlake was organized in 1948 at the Clayton home. A charter member of the church, he was also one of its first recognized deacons and fulfilled many capacities in the church until the time of his death.

Clayton had been a member of the board of directors of the South Texas Children's Home at Beeville since its beginning. He was a regular contributor to Wayland Baptist College, where he had a life endowment and to Boy's Ranch. A past patron of the Order of Eastern Star at Earth, he also was a 32nd degree Mason. His Masonic membership was with the Olton chapter.

Having served as a board member of Springlake Co-Op Gin, he also was a past board member of the Springlake School District. Clayton also belonged to the Lubbock Minerals and Gems Society and was a member of the ASC state equalization board.

A sportsman and hunter, his recreations were associated with his love of nature.

Four years ago, Clayton resigned his position as president of Rocket Oil Co. because of bad health. He had served as president of the company in addition to the direction of his farm holdings in this area.

Survivors other than the wife include two sons, Billy Wayne Clayton and Donnie Clayton, both of Springlake; one daughter, Mrs. Donald Kelley of Earth; a brother, Eli Clayton of Humble City, NM; five sisters, Mrs. George Smith of Olton, Mrs. Willie Goodman, Mrs. Dovie Hudgeons, Mrs. Cecil Hudgeons and Mrs. Melvin Johnson, all of Lubbock; and six grandchildren.

**Girl Scout Leaders Have Ideas Workshop**

A Program Ideas Workshop for leaders of the Caprock Girl Scout Council and other interested adults was held last Thursday at Westminster Presbyterian Church, Lubbock. Approximately 200 persons attended.

Highlighting the workshop was a general sing-song, handicraft work and planning for outdoor activities. A film about outdoor and community life was shown.

Those attending from Olton were Mrs. Wayne Carson, Mrs. "Cotton" Lewis, Mrs. Bill Langford and Mrs. Junior Graham.

and yet, not condemning, our actions I am sure time will soften the memory of this experience, but it will never erase a day, Sept. 7, 1960, from our minds and hearts—a day which started much like your today will start. Don't let it end as ours ended.

Sincerely,  
Darryl McLain

**District Governor Of Lions To Visit Olton Tuesday**

J. D. Dyer Jr. of Lamesa, governor of Lions District 2-T2, will be here Tuesday, Sept. 27, for the regular meeting of the local Lions Club. The meeting will be held at the American Legion Hall.

The deputy governor of the same district, Smoky Hewitt of Plainview, also will attend.

Dyer, a member of the Lamesa Noon Lions Club since 1948, was president of the club in 1956-57 and served as deputy district governor of district 2-T2 from 1958 to 1960.

Past mayor of Lamesa for two years, Dyer was also a member of the city council of Lamesa from 1955 to 1959.

Zone chairman of this district is George Redinger of Olton.

**Leonard Lockett Dies At Huntsville**

Leonard Lockett, 44-year-old Olton Negro, died of spinal meningitis Thursday, Sept. 15, at a hospital in Huntsville.

Funeral services were conducted Monday at Mazonia Baptist Church at Bremond.

Lockett had been sentenced to a two-year term in state prison on a murder conviction in July.

# THE OLTON ENTERPRISE

To Go On Display

THIS TUDOR SEDAN of the Galaxie series will be among the new 1961 Fords which will be shown next Thursday at Hall-Sides Motors in Olton. All 1961 Fords feature new dimensions for greater maneuverability and major engineering improvements.

## '61 Fords Will Be Shown Thursday At Hall-Sides

The 1961 Ford, which goes on display next Thursday at Hall-Sides Motors in Olton, features crisp new styling, new dimensions for greater maneuverability, and major engineering improvements that will result in lower maintenance costs and more carefree operation.

James O. Wright, Ford Motor Company vice president and Ford Division general manager, said the new Ford, nearly four inches shorter and two inches narrower than in 1960, will offer "a completely new, fresh appearance in the classic Ford tradition of straight-line design."

Wright also announced the 1961 Ford styling has been recognized for its "functional expression of class beauty" by a world-renowned fashion authority.

In Rome, Italy, against a back-

drop of the new fashion center of the world, the Centro Per l'Alta Moda Italiana recently presented Ford Motor Company with a special medal honoring the 1961 Ford. He said engineering and designing improvements in the 1961 Ford make it "a car that virtually takes care of itself." Improvements include:

—A new grease and lubrication system that extends the normal chassis lubrication interval to 30,000 miles.

—New, heavier brakes that adjust themselves.

—Specially processed underbody parts, including galvanized body panels below the doors, that resist rust and corrosion.

—Aluminized mufflers that are double-wrapped for three times normal life.

—A 250 per cent increase in the

thickness of anodizing on aluminum surfaces for brighter, longer-lasting grille, headlamp and tail lamp trim.

The new Ford line consists of 16 models in four series — Fairlane, Fairlane 500, Galaxie and station wagons. Added to the line are two new models — a Galaxie Club Victoria (two-door hardtop) and a six-passenger Country Squire station wagon.

All six station wagon models from the two-door Ranch Wagon to the nine-passenger, four-door Country Squire with simulated wood paneling, have a new roll-down rear window in the tailgate. The tailgate itself is seven inches wider than in 1960. The front-facing third seat in nine-passenger station wagons has been improved and, when not in use, folds quickly

Ford introduces a new 390-cubic-inch Thunderbird Special V-8 engine in 1961 that is designed for effortless performance. The Thunderbird 292 V-8's, as well as the Mileage Maker Six, all are designed to deliver greater economy on regular grade fuels.

Ford has improved all four transmissions for 1961—the manual, overdrive, two-speed Fordomatic and dual-range Cruise-O-Matic. The Cruise-O-Matic transmission is equipped with a new vacuum control throttle valve linkage which provides smoother, more precise shifting than before, and elimination of periodic adjustment.

The classic Ford look of the high-styled 1961 model features the traditional, crisp, straight-line styling, graceful front fenders browed above widely-spaced headlights, full width aluminum grille, and the Galaxie roof-line.

Adding to the convenience of the new Ford cars are such features as a wider trunk opening for easier loading and relocation of the spare tire on the "shelf" at the front of the trunk compartment to give more usable space; a foot-operated parking brake with the release knob located on the instrument panel; two-stage door-checks; reduction of steering effort by 50 per cent with power steering and 10 per cent with manual steering; and a new, flexible coupling in the steering shaft which reduces transmission of road shock.

# First Cotton At Hart Is Delivered By Lloyd Davis

## Hart Gin Handles First Bale; Two Others Delivered

Lloyd Davis, who farms just north of Hart, doesn't believe in doing things halfway.

The Hart farmer not only brought in Hart's first bale of cotton Monday, but he also delivered two more. Each gin in Hart received a bale from Davis.

Hart Gin, operated by Roland and Rosa Shepard, received Hart's first bale of the season from Davis.

He later took bales to Hart Co-Op Gin and A. A. Lindsey Gin and Grain Co.

The first bale was a 442-pounder produced from 1,920 pounds of seed cotton. Seed weight was 820 pounds.

This cotton was from Gregg seed, planted the last week of April. It was watered twice and hand pulled.

Hart Gin handled the ginning and wrapping free and paid Davis 50 cents a pound for the cotton and \$100 a ton for the seed.

The second bale, delivered to Hart Co-Op, weighed 2,237 pounds in the trailer. A 582-pound bale was ginned from it, the seed weighing 900 pounds. Hart Co-Op gave free ginning and wrapping, and paid \$40 per ton for the seed.

## Hart Men Attend Fireman Convention

Six Hart men, Stewart Newsom, John Holloway, Kenneth Warren, Lyndall Warren, Lloyd Davis and Bob Bowden, attended the Panhandle Firemen's Semi-Annual Convention in Hereford Sept. 12.

They entered the Pumper contest and won a cash prize of \$25 in a tie for 2nd place with Friona. Shamrock won first place.

New officers were elected and Convention for 1961 will be held in May in Lubbock.

## THE HART BEAT

### After Defeat By New Deal

# Hart Hosts Kress Team

Hart's undefeated string in 1960 played out last Friday night as the New Deal Lions tied a 16-6 defeat on the Longhorns.

It was the first loss of the year for Coach John Blocker's Horns, who play host to the Kress Kangaroos at Hart Stadium Friday at 8 p.m.

Kress fell to Petersburg last week, so Friday night's game will pit a pair of hungry-for-victory eleveners against each other.

New Deal scored touchdowns in the second and fourth periods to get the win over the Longhorns

last Friday night. Halfback David Attebury blasted over from three yards out for the Lions' score in the second. Fullback James Doug caught a pass from End Jerry Hogan, who faked a place kick, to get the extra points and put New Deal in the lead, 8-0.

Hart came back in the second period, with Keith Johnson and David Irons blocking a punt on the New Deal 20-yard line.

Halfbacks Bill Farris, Connard Riddles and Fullback Larry Lee alternated moving the ball down

to the three, where Riddles took the ball over. Hart missed the extra point try and the score at the half was 8-6.

That ended the scoring until late in the fourth period when New Deal got another score with Attebury plunging over from the two. Attebury also ran the extra points to give New Deal a 16-6 margin.

Outstanding players for Hart were Felix Rodriguez, Louis Valadez and Ralph Myrick. Top players for New Deal were Attebury and Hogan.

Lee Grinds For Yardage

LARRY LEE, (39), outstanding Hart Longhorn fullback, is shown as he grinds out yardage near the goal line just before Hart's only touchdown against New Deal last Friday night. The Longhorns suffered their first loss of the year, 16-6.

## American Legion District Meet Set

The 18th District Convention of The American Legion, will be held in Borger Saturday and Sunday, Willis A. Hawkins Jr. of Hart, district commander, announced.

On Saturday at 4 p.m. there will be a conference for new commanders and adjutants. At 6 p.m., there will be a movie, "Communist USA" at the American Legion Home at 9 a.m. At 10 a.m. Gen. "Jerry" Lee, of Amarillo will give the address. The business sessions for the American Legion and Auxiliary will begin at 1 p.m. Mrs. Charles Downey will be guest speaker for Auxiliary.

## Hart Gun Club Membership Is 45

Hart Gun Club membership has increased to a membership of 45 at the present. The club has purchased all its equipment and will set up a permanent location south of Co-Op Gin. Any one interested in joining the club may see Bob Reed, Bill Rich or Lloyd Davis for membership.

Jerry Felder was named president of the Hart High School senior class last week as the class held its first meeting of the year and elected officers and a sponsor.

Lanny Tucker, agriculture teacher, was named sponsor of the class.

Officers besides Felder include: Freddie Sue Popejoy, vice-president; Patsy Curry, secretary; JoAnn Lacy, treasurer; and Janet Bostick, reporter.

Miss Popejoy and John Smith were chosen as class favorites.

Class colors of ice blue and silver were chosen. Class flower is the blue carnation.

The class also discussed ways to raise money for the annual senior trip.

## Rhoda Guild Meets, Selects New Officers

The Rhoda Guild held a regular meeting in the Legion Hall Sept. 14 with Mrs. Jack George and Mrs. Wister Cleavenger as hostesses.

New officers were elected. They include Mrs. Wister Cleavenger, president; Mrs. Bud Hill, vice-president; Mrs. Carol Davis, treasurer; Mrs. Delford Davis, recreation leader; and Mrs. Jack George, historian.

Members present were Meses. Joe Edd Carson of Olton, James Clay, Doyle Davis, Carol Davis, Lloyd Davis, Jack George, Bill Hill, Bud Hill, Tom McLain, Cleve McLain, Cleavenger, Joe Hart and Aven.

## Lions' Trap Shoot

Proceeds Total \$144

Hart Lions Club reported the sum of \$144.50 was raised in Trap Shoot held by them recently.

The money is to be used for an eye operation on a local resident.

Any one wishing to make a donation for this cause may make his contribution to Roy Pyeatt or any member of Lions Club.

## Funeral Services Are Conducted At Tulia For Mrs. Ira Dinwiddie

Funeral services for Mrs. Ida Dinwiddie, 85, mother of Otto Dinwiddie, of Hart, were conducted at 4 p.m. Wednesday in the Tulia First Baptist Church.

Mrs. Dinwiddie died at 3:30 a.m. Monday at the Plainview Hospital and Clinic after a lengthy illness.

The Rev. Denzil Leonard, pastor of the Hart Baptist Church, officiated at the services. Burial was in Rose Hill Cemetery, Tulia, under direction of Wallace Funeral Home.

Mrs. Dinwiddie, a pioneer Swisher County resident, and her husband, the late W. C. Dinwiddie, lived in Swisher County from 1897 to 1950. She had made her home in Hart the past 10 years.

Before moving to Hart, Mrs. Dinwiddie had been a member of the Tulia First Baptist Church for 40 years.

Survivors other than the son at Hart include sons, Rondo of Greenwood and Jack of Laramie, Wyo.; one brother, Z. H. Borden of Bowie; two grandchildren and two great grandchildren.

## Mrs. Della Davis Honored At Coffee

Mrs. Della Davis was honored with a get-acquainted coffee in her home Tuesday morning of last week. She is a new resident of Hart, having moved here from Lelia Lake.

Her sister, Mrs. Virgie White of San Angelo, is making her home with her at the present time. The ladies are sisters of J. J. Newsom, a long-time resident of Hart.

Approximately 30 ladies registered at the coffee.

## Birthday Luncheon Honors Mrs. Hawkins

Mrs. Willis Hawkins Sr. was honored Sept. 14 with a luncheon on her birthday in the home of Mrs. Rodney Smith. Guests were Mesdames Ray Axtell of Springlake, Roy Cluck and daughter, Miss Billie Cluck of Dimmitt, Meses. Ena Bowden, Flax Jones, Lee Crouch, Robert Brooks and co-hostess, Mrs. O. D. Dinwiddie of Hart.

# THE OLTON ENTERPRISE

## You Can Buy It In Olton

Yes, today Olton can make that statement. However, only a few years ago, this just wasn't true. But Olton IS growing and Olton merchants along with it. So ask yourself these questions: How long has it been since you have REALLY shopped Olton? Do you know what Olton stores have to offer today? The truth is just about everything that you could want. These merchants are constantly adding new lines and new services to meet your needs. Are you taking advantage of them? We decided to make a tour of downtown Olton this week to see for ourselves just what local merchants are offering. The following pages are a record of what we found. We invite you to look them over and then to make your own tour of Olton. You might be surprised at what you find!

What will the well-dressed gentleman be wearing this fall? Bill Kelley at KELLEY'S CLOTHIERS FOR MEN AND BOYS is an expert on just that subject and he suggests this Style-Mart suit of 100% imported wool at \$69.95 and Freeman Free-Flex shoes at \$16.95. In men's wear, KELLEY'S features Style-Mart suits, and sport coats, Stetson hats, Freeman shoes, Jayson dress and sport shirts, McGregor sport shirts and jackets, Botany sweaters, Masterbilt slacks, Cresco jackets, Hickok and Tex-Tan belts and jewelry and Jockey underwear and socks. In work clothing, you find such names as Pools khakis, Lee Riders, Levis, and Red Wing shoes. For the young gentleman Bill offers Tom Sawyer sport shirts, jackets, sport coats, slacks and pajamas, Hanes underwear, Classmate shoes, Lee Riders and Farah "Gold Strike" jeans. "There's big news in men's wear this fall," Bill notes. Drop by and let him show you the new colors and styles and what would be best for your needs.

When we stopped by WHITTINGTON'S, we found Nadine Weaver and Mrs. J. L. Snider admiring some of the new Jantzen wear Louise Clark had just shown them. Each piece was "just right" as Jantzen always is. Another big line at WHITTINGTON'S is Bobbie Brooks, featuring all the new colors and styles—enough to turn any woman's head. Then Ezra Whittington took us through the rest of the store where we noted the new fabrics and Butterick patterns, Hanes and Mojud hosiery, Buster Brown wear, Bates spreads, Seamprufe lingerie, Garza sheets, all the latest styles in men's wear and Hanes underwear for men, Wolverine work gloves, Scotts Level Best work clothing and Wrangler jeans. In the shoe department we found Fortune shoes for men, Texas Western Boots, Red Wing shoes and boots for men and Fashion Craft and Debbies for the ladies. We were particularly aware of the friendly atmosphere and the feeling of genuine interest in the customer. Besides being a well-stocked store, this is just a nice place to shop.

Ralph Glover, like so many Oltonites, knows that he can depend on Kent Pollard at POLLARD'S CLEANERS to always give him fast service and an expert cleaning job. Featuring that famous Sanitone cleaning that chases dirt, restores "body" and cleans new life into garments, POLLARD'S is ready for your business six days a week from 7:30 a. m. to 6:00 p. m. "We also have a pickup and delivery service anytime," Kent remarked. "We are here to fill the needs of the people of Olton and to give them the type of services that they want." Included among those services is fur storage and cleaning and blocking hats. They also offer a laundry service and expert cleaning for your drapes, curtains and rugs. One of their big features is an automatic repair of all rips, tears and loose or missing buttons. They are also experts on clothing alterations. "And don't forget," Kent reminds us, "if you're in a hurry, we're always glad to help with our next day service."

Banker's hours don't end when the front door closes as this picture shows. At OLTON STATE BANK, work goes on after "business hours" to give you the best possible service and the fullest protection. One of the most important concerns in a town is its bank and Olton is indeed fortunate. A member of FDIC, OLTON STATE BANK offers many services to the town and is known as a friendly, courteous place to do business. Among these services are commercial loans, installment loans, farm and cattle loans, bank drafts, travelers checks, insured checking accounts, safe deposit boxes, savings accounts with 3 percent interest and American Express Co. money orders. They feature modern equipment and methods with Recordak for your protection. This machine makes a film record of all checks and deposits. Olton has every reason to be proud of this fine, modern bank and to take advantage of its many services.

Tom Smith at SMITH & STRUVE has every reason to be proud of his piece goods counter. Women who sew have long noted this as the place to get the material that you want at the right price. SMITH & STRUVE is the Olton dealer for Robest piece goods. They also handle Fruit of Loom and offer their customers both Simplicity and McCall's patterns. Other items which Tom Smith is proud to handle include his Levis, Dickies' work clothes, Big Smith overalls and coveralls, Coats and Clarks threads and notions, Stetson hats, Ship 'N Shore blouses, Cannon towels, Fieldcrest towels and blankets, Samsonite luggage and Hanes underwear for men. He also has a complete stock of shoes for the whole family including Justin, Nocona and Acme boots and Endicott Johnson work and dress shoes for the men. SMITH & STRUVE handles many other items. It's a complete family shopping center that is competitive with anything nearby towns have to offer.

"Oh, look, Mommy," Katy Caley, 4, exclaimed to her mother, Mrs. James Caley, as she admired the dolls at DUNCAN'S 5 & 10. And truly, Bob Duncan's display of dolls including Tiny Tears and Toodles is enough to win the heart of any little girl. Mrs. Caley was interested in a Timex watch which Bob handles for both men and women. Bob also showed us some of his other big items such as watch bands, costume jewelry, cotton picking sacks, scales and gloves, picture frames, mirrors, bobby-sox, bras, panties, slips, Fruit of Loom underwear, greeting cards, anything a boy or girl could want in toys, hardware, enamelware, tubs, buckets, hardware for Mexican supplies, all types of sewing notions, plastic curtains, lampshades, baby soft goods, luggage, all kinds of cosmetics, women's lingerie, pistols, all types of novelties and a complete assortment of Naturflex bras which sell for \$1. He also mentioned his Style hair spray for 98c plus tax, jackets for men and boys at \$4.95 and \$5.95 and school supplies including Wecrever, Esterbrook, Papermate and Schaeffer. "And, oh, yes, my buttons," Bob added. "Did you know I have more than 400 types of buttons here?"

In BIZZELL'S we found Jimmie Nicholson, who had been shopping for her new granddaughter, looking at one of Mabel's new fall hats. "Hats really look important this year," Mabel explained. "The colors are so exciting!" As we toured the ladies' department, we found racks of the latest styles in various price ranges and noted such brands as White Stag, Minx Modes, Kabro, Candy Jrs., Henson lingerie, Form Fit, Eunice Ann custom-made blouses, Graff sports wear and Smartee sports wear. And, of course, that sub-teen favorite, Trim Sports Wear. As Mabel showed us through the children's department, she commented, "This is what I really enjoy. I just keep adding and adding." This is evident when you see the complete selection such as Dotty Dan for boys from 1 to 6 and Essky from 6 to 16 and Billy The Kid jeans. And the little ladies can always feel well-dressed in White Stag, Gem-Way dresses, Carrcraft coats and Childrens Lingerie of Texas. "We also have a complete line of infants wear," Mabel added, "and a complete gift line for showers with free wrapping."

Fall is here and K DEPARTMENT STORE is ready for it as Sammie Salman and Mrs. Bob Daugherty show a rack of new fall styles. Featuring a complete line of clothes and shoes for the whole family. K-DEPARTMENT STORE offers such names as Featherknit in sweaters for girls and women, McKell's sportswear for women, girl's and boy's coats and men and boy's dress pants by Santone, Lee Riders, Levi jeans, Cardinal dresses for women and Nadine originals, men's dress pants by Campus, Angorable Charmode coats for women, Resistol Hats and Lee Overalls for men, work clothes by Pool, western shirts by Miller, Campus sportswear, slips and bras by Carnival, Luxite lingerie, Berkshire lingerie and hosiery Ship 'N Shore blouses, Jeanies sports wear, Tex-Tan and Acme boots, Red Wing work shoes, dress shoes by Graham, Debbie shoes for women and children, and Jolinda shoes for the ladies and girls. They also feature Fruit of the Loom underwear for men and boys. "And if you need a suitcase to put all these clothes in," Sammie suggested, "we've got that, too. Made by Padgett."

"This is really beautiful," exclaims Mrs. W. F. Gaede with a woman's eye on the beauty angle as Percy Parsons at PARSONS FURNITURE explains the many advantages of good construction. In the popular Early American period, this comfortable couch by Skyline features the molded foam rubber cushion covered with Vinelle Leather and trimmed in Maple. As we shopped through PARSONS FURNITURE for the many items the store carries, Mrs. Gaede reminded us of linoleum as she had just purchased some. We also found Hoover vacuum cleaners, Lane cedar chests, Kirsch window accessories such as traverse rods, hooks, pins and pleater tapes. There are Frigidaire appliances, furniture for every room in the house in every period, mattresses, and many lovely mirrors and lamps and other accessories. Particularly striking are the displays of complete fireplace ensembles and accessories. The selection of carpets, almost a must in this part of the country, is very impressive and the Parsons are known to be experts at laying it. "We try to keep a complete selection in all lines," Percy told us, "and we're adding more all the time."

"I believe this would be what you need," Carroll Cox explains to Archie Sorley as they discuss a power drill at HIGGINBOTHAM-BARTLETT. Carroll is used to helping customers fill their particular needs because if it's in the hardware line, you can just bet HIGGINBOTHAM-BARTLETT has it. After a look around the store and talking with Carroll, we decided it would be impossible to list all the things they carry. We'll let you go in and check that for yourselves. Some of the things we did note, however, were Aermotor Submersible Pumps, all kinds of Sherwin Williams and J-B paints, enamels and varnishes with brushes, rollers and pans, a complete line of plumbing and electrical materials, Johns Manville products, all types of tools, mirrors, garden equipment, all types of brass goods, wood and metal table legs. They handle cotton trailers and we certainly want to mention their Redy Bilt houses. These come in four sizes: 14 x 24, 16 x 24, 12 x 30 and 20 x 30. Drop by and let Carroll show you around sometime. It's an education!

"So refreshing," says Opal Ferris. She was talking about both the cup of coffee and a trip to COLONIAL BEAUTY SALON. Sue Hair had just finished Opal's hair and was busy giving her a manicure when we visited this modern beauty shop last week. Besides style cuts, COLONIAL BEAUTY SALON features facials, manicures, scalp treatments, hair conditioning and hair tinting, and bleaching. Local ladies are also familiar with those famous Ruth Frances cosmetics that give you that fresh, natural look while protecting your skin at the same time. And to keep that figure young and slim, Sue offers her Figurama treatments. At COLONIAL BEAUTY SALON, customers are made to feel welcome and at home, so that a visit to this attractive shop is truly a pleasant experience. "And don't forget about my free make-up training classes," Sue reminded us. "These classes are for both adults and teenagers. I have a class starting September 27 and I'm taking appointments now for the next one." Drop by COLONIAL BEAUTY SALON some day soon and ask about these classes or just stop for a visit. You'll enjoy it.

Mrs. Roscoe Thomas was helping a customer, Mrs. Wayne Carson, at the THOMAS SPEED WASH located in the back of THOMAS FURNITURE when we visited them. She told us THOMAS SPEED WASH is open 24 hours a day, 7 days a week, has plenty of hot soft water and of course cokes, candy, peanuts and coffee. As Mr. and Mrs. Thomas showed us through the furniture store, we saw General Electric and Speed Queen appliances, all types of furniture for every room in the house including western suites, lamps, pictures, ash trays, children's training chairs and two wheel carts, baby beds and mattresses, TV trays and lamps, mirrors, linoleum, carpet, white metal wall cabinets and metal wardrobes, book cases, toss pillows and many, many other things. We were impressed with the complete stock this store has to offer and the attitude of concern for the customer. "I never try to sell someone something they don't want," Mrs. Thomas commented. "We want satisfied customers." And we'll bet they have just that.

"Now this is the way it's done," Mrs. J. W. Stevens at the S-S HOBBY SHOP explains to Sue Polk as they examine the finished result of the mold Sue is holding. "Plaster molding is a fascinating hobby," Mrs. Stevens continued. As Sue went on to examine some of the other molds shown on the wall behind them, we looked through the almost endless array of hobby items. We found Helens Rainbow paints, liquid plastic and molds for making flowers, plastic model cars, boats and planes, Balsa wood planes, Thimble-Drome and McCoy motors, boat motors, plastic birds, dogs and butterflies, basket weaving, copper work, painting by numbers, mosaic tile pictures, planes to fly, clover leaf aluminum for making picture frames, many gift items such as dolls, tractors, games, chemistry sets, china tea sets, tool sets, picture puzzles, pull toys, and many other selections. We concluded that if you have a hobby, you could certainly find your supplies here, and if you don't, S-S HOBBY SHOP is the place to start one.

David Maxey looks over the stock of guns at WHITE AUTO as Nig James assists him in making a decision. Next on the agenda—a hunting license which you can also get at WHITE'S. Major James, owner of the store, has made WHITE AUTO a shopping headquarters for Oltonites by keeping an up-to-date stock at all times. One big item is his full line of toys—toys of all kinds and descriptions. Particularly interesting are the Gilbert scientific toys such as microscopes, telescopes, and chemistry and biology sets. Other items we found in our tour of WHITE'S included car accessories, bikes, tricycles, tires, batteries, DeSoto paint, Leonard appliances, Catalina gas ranges, irrigation well parts, housewares, linens, watches, bassinets, diapers, radios and record players, baseball and football equipment, tools of all kinds, air conditioners, evaporative coolers, seat covers, all yard items, bracer supplies, and electrical supplies. Along with their Polaroid and Kodak cameras, they also offer film developing and processing.

With so many beautiful patterns to choose from, Marilyn Cooper finds it a bit hard to make a decision among the pieces Mrs. J. L. Small shows her at J. C. JONES CO. These lovely fabrics are by Fruit of the Loom and Bates and the store also offers Advance patterns. At J. C. JONES CO. we admired blankets by Pepperal, Beacon, Chatham and Cannon, hosiery by Ballet and Cannon, lingerie by Stylecraft and Loomcraft, spreads by Cannon, Bates, and Fieldcrest and sheets by Cannon, Pacific and Dan River. In the women's department we saw dresses, suits and coats for ladies and misses by Davol Creations. Through the rest of the store we noted all kind of men's work clothes, Willard-Davis and 101 ranch hats, Justin and Lyntone belts, Levis and blue jeans, Hanes underwear for men and boys and footwear for the entire family. J. C. JONES CO. offers something for every member of the family. We suggest you look through the complete stock for yourselves.
