## THE OLTON ENTERPRISE

"The Golden Gate To The Golden Road"

VOLUME 34

OLTON, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 17, 1960

NUMBER 41

**FOLKS UP** Tulla way have carried Publisher H. M. Baggary pretty high ever since the week of the Tulla Hornet-Dimmitt Bobcat game. Baggary, who some describe as an "old-maidish" type of fellow who likes things to be right, was the victim of a chuckle-bringing error on his football booster page. That week's Herald announced, in three-inch type, that the Hornets would play "Dam-mitt" on Friday night. People probably claimed Baggary did it on purpose, but I imagine he denies it vehemently. It's easy to substitute, unintentionally, an "a" for an "i."

Baggary got all sorts of comments from other publishers, who naturally like to see somebody else make mistakes once in a while. For instance, W. H. Cooke in the Rockdale Reporter wrote: "... I have made my share of typographical errors and The Reporter has really pulled some good ones, including the misspelling of 'shot guns' in an ad quite a number of years ago." Cooke went on to wonder which team won.

Baggary answered him this way: "Dimmitt did, dammitt." AT ANY RATE, I thought about Tulla's error this week when we started getting together our line-up of "Beat Dimmitt" merchants. I figured we might send a copy of the "Beat Dimmitt" portions to each member of the Dimmitt team. The sort of line-up we could present, calling them "our team," might be just the thing Olton needs to win Friday night's game. After the Bobcats got a look at our line-up, they might not even show up. But, getting back to the Tulla Herald error, I sure had an urge all week to substitute an "a" for "i."

A representative of the Lubbock Social Security office will be in Olton Wednesday at 9 a. m. in the City Hall to assist in all matters pertaining to social security.

### GAME TICKETS ON SALE

Tickets to the Olton-Dimmitt bi-district football game are on sale in the office of the school business manager at Olton High School. They will remain on sale, at \$1.50 for adults and 50 cents for students, until 2 p. m. Friday, according to Joe Harper, school superintendent.

# Olton Meets Dimmitt For Bi-District Title

SOMETHING FOR EVERYONE--Olton's coaches, who were honored with surprise gifts at Tuesday's Lions Club meeting, are shown here with their "useful" presents. From left are Clifford Curry, girls' basketball coach, with boxing gloves; Line Coach Jeff Smart, apron; assistant coach Pat Blessing, bubble gum; Lion Major James; Head Coach Walter Bryan, chewing tobacco; Lion Robert Duncan; and assistant coach Jim Baldwin, tub and rubberboard.

## Pony-Bobcat Tilt Toss-Up

Friday night is destined to be a cool one, but the last thing Olton Mustang gridders and fans will want is hot "Coffey." A fellow by the name of Junior Coffey heads a tough band of Dimmitt Bobcats in search of a bi-district victory over the Mustangs Friday at 7:30 at Dimmitt.

A hot night for Coffey is what could hurt the Mustangs most. The 190-pound Negro full-back, who is being sought by numerous major colleges, is described as "sensational" and has the clippings to prove it. He showed many Olton fans who attended the Dimmitt-Dalhart game last Friday night just how good he can be. Coffey carried the leather 29 times for an average of 5.2 yards per try. He scored the Bobcats' first touchdown but had two others called back, one for a holding penalty and for stepping out of bounds after returning a punt 70 yards.

Dimmitt won over Dalhart, 24-0, staying unbeaten in District 1-AA play. Over the season, the Bobcats won seven and lost three. The losses came early in the season, before the Bobcats "jelled" to become one of the strongest clubs in this part of Texas.

The Bobcats fell to Floydada, 6-0, a team beaten last Friday by Olton, 22-13, for the district championship. They also lost to Hereford, 28-0, and to Denver City, 34-12. Olton also beat Hereford, 8-0.

But the Bobcats have improved tremendously since those losses and the experts now rate Friday night's battle as a toss-up. The Bobcats' six other victories came over Abernathy, Lockney, Muleshoe, Canyon, Tulla, and Friona. Dimmitt manhandled Muleshoe, a team which fought Olton hard before losing, 35-22. Dimmitt topped Olton, 38-12, in regular season play last year.

## Friday Last Chance On Contest

Friday at 4 p. m. is the deadline on your last chance to pick up a few easy bucks in the Enterprise football contest.

The last contest of the year, which appeared in the Nov. 10 issue of the Enterprise, features several important Class AAA high school games and a host of college games. Contestants may enter by getting a copy of last week's Enterprise, circling the winners and turning the entry in to one of the merchants listed on the contest page.

Prizes are \$15 for first, \$10 for second and \$5 for third. Winner of last week's contest was Deryl Ray Machen, who picked 15 of the 18 games correctly and beat out three other challengers when he was closest on the tie-breakers.

Second place last week went to Bill Kelley, while third was won by R. V. Allcorn. One other contestant, Joe Alcorn, picked 15 of 18, but he missed the money when his tie-breaker guesses failed to measure up to those of the top three entries.

### Antedote For Coffey?

## Coaches Take Ribbing At Lions Club Meet

Everything will turn out fine for Olton's coaching staff at the Olton-Dimmitt bi-district football game, if the Olton Lions Club has anything to say about it.

The Lions Tuesday presented Head Coach Walter Bryan with an "antedote" for Dimmitt's fine Negro fullback, Junior Coffey. Bryan was given a chunk of chewing tobacco and told to "chew hard" on it if the going gets tough.

Line Coach Jeff Smart was "demoted." The Lions turned a football jacket and ball over to

his wife and named her "honorary head coach from Nov. 15-22, 1960."

Handing an apron to her husband, the Lions told Smart he could be "head baby-sitter, chief cook and bottle-washer," presumably letting him out of any worries about the Dimmitt contest.

The club also had fun with junior high coach Pat Blessing. He was presented two chunks of bubble gum so he could practice up on his chewing, because after all, the Lions said, he would be a head coach some day.

## Thanksgiving Service Scheduled

The Community Thanksgiving Service, sponsored annually by the Ministerial Alliance, will be conducted at 7:30 p. m. Tuesday in the fellowship hall of the First Methodist Church. Churches participating in the service will be the Assembly of God, the Church of God, the Church of the Nazarene, the Cumberland Presbyterian, the First Baptist and the First Methodist.

Baptist Church will serve as organist and pianist will be Mrs. Duane Harrod of the Church of the Nazarene. Mrs. Joe Harper of the First Methodist Church will direct the service.

## Cubs' Parents, Leaders To Get Special Course

A training program for Cub Scout den mothers and Cub Scout parents will be taught Sunday afternoon at the fellowship hall of First Methodist Church. The course will begin at 2 p. m.

Glen O'Neal of Plainview, the Haynes district director of scouting, will be instructor. The course will consist of the showing of several films and general knowledge of scouting. Although efforts have been made in the past to have the course taught at Olton, this will be the first time it has been taught here. Parents are asked to contact the den mothers by Saturday if they plan to take the course.

## Slain Tyler Man Once Lived Here

Charges of murder have been filed against two ex-convicts in the brutal slaying Nov. 8 of Tyler druggist W. S. Carpenter, 42, a former Olton resident.

Carpenter, son of the late Mr. and Mrs. Guy Carpenter, was known here as Smith Carpenter. He was born and reared here and was graduated from Olton High School.

He had not resided in this area since soon after finishing high school. Charged in the slaying are Jo Ann Franklin, 27, and Dennis Woodbury, 30.

Carpenter's bullet pierced body, trussed and gagged, was found Saturday near Lufkin after he had been missing since Tuesday night when he was called away from his television set on the pretense of filling a prescription.

The store was robbed of \$300 in narcotics and \$100 in cash. The woman told officers she and Woodbury drove Carpenter to near Lufkin, where, she said, she shot him.

The two, both ex-convicts, were arrested in San Antonio and returned to Tyler. The man and woman led officers to the body.

## Mustang Band Captures 2nd

Olton High School's Mustang Band prepared for the Region I Interscholastic League marching contest next Tuesday with a second place victory in the annual Seagraves Invitational Marching Contest last Monday.

The Olton band was rated second behind the Floydada Whirlwind band in Class AA. Other winners were Whiteface

in Class B, Sudan in Class A and Brownfield in Class AAA. Judges were Gene Braugh of Del Mar College, Corpus Christi, and Dean Killion of Texas Tech, Lubbock.

The Mustang band will go to Brownfield Tuesday, for the Region I TIL marching contests. Director Dick Bentz' group will march at 7:40 p. m.

Members of the band were transported to Seagraves by band parents. Instruments were taken in a pick-up loaned by the vocational agriculture department of OHS.

Parents transporting band members to Seagraves were Mmes. W. T. Hall Jr., Luis Hair, Herb Owens, A. W. Wood, Herman Meyer, N. B. Nicholas, Bill Langford, Gordon Thomas, Roy Granberry and C. D. Kirkpatrick; Mr. and Mrs. Troy Thomas, Mr. and Mrs. H. B. Maxey Jr., Mr. and Mrs. C. B. Fancher, and Rev. and Mrs. Wilbur Gaede; and Gerald Bizzell, Carrol Cox, Melton Hines and David Howton.

## Turkey Shoot Slated By FFA

Need a turkey for Thanksgiving? Olton FFA Chapter will sponsor a turkey shoot here Saturday at 9 a. m. Location of the event will be south of the city limits on the Spade highway. Shooters should bring their own guns. There is no limit on turkeys or hams which can be won by each shooter. The FFA will sponsor another shoot Dec. 10.

COACHES WIVES -- Lion President Howard Hall presents a football to Mrs. Jeff Smart, second from right, who was named "honorary head coach" after she won the Enterprise football contest over heavy male competition. Looking on, from left, are Mrs. Clifford Curry, Mrs. Pat Blessing and Mrs. Walter Bryan.

## Enterprise Takes On New Look

Today's paper marks a new era for the Olton Enterprise. The Enterprise is now being printed by the offset process, a modern technique employed by many prize-winning newspapers across the country. With the introduction of the offset process in Olton, the Enterprise will be published several hours earlier than it has been in the past.

Also offered with the new process is a complete range of color printing when the occasion arises. While the Enterprise may seem to "look different" at first, it will continue to give its readers the same topflight news coverage which has made the Enterprise a prize-winning weekly newspaper in the past. The switch to offset publishing has been made to enable the Enterprise to expand its service to the growing Olton area.

## City To Open Paving Bids

City councilmen will open bids on Olton's paving project at a special meeting Tuesday at 1:30 p. m.

Plans and specifications for the project were approved by the council at a meeting Nov. 1. The plans were drawn up by McMorries and Associates, Amarillo, city engineer.

The program was approved in an \$80,000 bond election in September.

## Gins Now Have Day-Night Job

Olton's cotton harvest turned into a full fledged around-the-clock job this week as cool-but-clear weather prevailed.

Practically all cotton coming to gins now is stripped cotton, ginners say. One ginner estimated that only about two per cent of the production is being pulled at present.

Ginnings at the Olton ginning firms topped the 10,000 mark through 3 p. m. Wednesday. With 10,183 bales already in the bagging, ginners reported a total of almost 1,000 more bales on their yards, waiting to be processed.

Grades continued to hold up well, despite the fact that almost all cotton coming in now is stripped.

Average cotton coming in now is 31/32-inch middling light spot, which brings about 28.60 cents a pound.

## Girl Cagers Tip Springlake

Olton High School's girl basketballers won over Springlake there Tuesday, 36-24. High scorer was Gayle Nicholas, who had 19 points.

The Olton "B" team's game with the Springlake team, ended with a close score of 28-25 in favor of Springlake. Carolyn Osthus, with 11 points, was high scorer for Olton.

Outstanding work at guard was turned in by Margaret and Maxine Schaefer, members of the "B" team.

A home game for the "B" basketball girls with Tulla will be played next Monday at the high school gymnasium. Time for the game is 5:30 p. m.

Peak of the cotton harvest apparently hit this week. Some gins had been going night and day except for one or two nights, but most will have a seven-day, 24-hour schedule from now until the end of the harvest.

"It'll be around-the-clock from now on out if this weather holds," said one ginner.

The harvest, one of the latest in Plains history, is running about 6,000 bales behind last year. At this time in 1959, ginnings in Olton totaled 16,523 bales.

The area's grain harvest is about 99 per cent complete and corn harvest is beginning.

## Hart Tips Vega In Final

Hart's Longhorns closed out their season with a 5-4 penetrations victory over Vega at homecoming last Friday night. The Longhorns and Vega wound up in a 30-30 tie with 500 net yards each, but Hart was awarded the District 2-B victory on penetrations.

First downs were 28 to 27, Hart.

Fans saw offensive thrills by the dozens at the Hart homecoming game.

Vega Sparkplug Lewis LaGrone put his team out front in the first period with a six-yard

touchdown run. A running try for points failed and Vega led, 6-0.

Connard Riddles of Hart scored later in the same period to tie up the game and Larry Lee ran the extra points to put Hart in an 8-6 lead.

But Vega shot into a 14-8 lead at the end of the first period when LaGrone scored from 12 yards out and Marvin Thompson ran the points-after. Hart got the lead back early in the second period when Billy Farris plunged two yards for a score. Lee ran the extra points to make it 16-14.

The Longhorns went ahead 24-14 at the half on a 20-yard touchdown pass from Lee to Riddles. Lee ran the points.

Vega came back with two touchdowns in the third period, both by LaGrone on 6 and 8-yard runs, to go ahead 30-24.

Hart tied it up in the last period with a 15-yard run for a score by Lee.

Each team had a touchdown called back, to further even things up.

Hart finished the season with a 4-5-1 record and had a 2-2 mark in district play.

## Hart Exes Organized

Hart exes met Friday at Homecoming, organized an ex-students association and named Dean Sanders as president.

## An Inventory For Thanksgiving

BY WILMA LEMONS

I'm thankful to God for many things, for the warmth of my home, for a Christian faith, for the beauty of nature and for close family ties.

I'm thankful for health, for good neighbors, for children, for the love among people and for the great love of God.

I'm thankful for our country, and for the freedoms we enjoy, for our churches and schools, for teachers who are dedicated and for the wonderful opportunity of education in America.

I'm thankful for the Bible, for those who share its message and for the men and women who will speak their convictions, even in the face of criticism.

I'm thankful for mental alertness and for the ability to see beauty in its various forms, whether it is in color, or in music or even in an act of kindness.

I'm thankful for modern medicines for good doctors and clean hospitals; I'm thankful for the miracle drugs that have helped so much to relieve suffering.

I'm thankful for work, for the satisfaction it brings and for our long hours of leisure and refreshing sleep.

I'm also thankful for the things I can't name, for the thousands of conveniences designed for our pleasure—the things taken for granted that can't be recalled.

And I'm especially thankful for the Thanksgiving season; it has made me more aware of my countless blessings.

## Riddles Wins First In Contest

Connard Riddles, halfback on the Hart Longhorn team this year, picked up first prize in the Hart Beat's football contest last week.

Riddles was right on six of the eight games and he wins \$4.

Second place and \$2 goes to E. J. McKnight of Box 134, Olton, who missed three games. 22M

Mrs. Gene Varner of Rt. D, Nazareth, won third and \$1. She also missed three games, but was nudged out of second place by McKnight's closer picks on the tie-breakers.

One more contest remains, the one which appeared in last week's Enterprise. Contestants may enter by turning in their entries prior to 4 p. m. Friday.

## Hart Gun Club Will Sponsor Turkey Shoot

## Oltonites' Kin Dies In San Angelo

Mrs. Clyde Price, 55, suffered a fatal heart attack early last Thursday morning at her home in San Angelo. She was the daughter of Mrs. T. E. Hudson and the sister of Mrs. W. T. Hankins, both of Olton. Last rites were held Saturday afternoon at the Leaguesville Baptist Church near Murchison. Officiating at the services were the Rev. C. Q. Herndon of Stephenville, a former pastor of the church, and the Rev. Lee Teakell, present pastor. Interment was in the Leaguesville Cemetery.

Other survivors include the husband, three sons, Bryan Price, San Diego, Calif.; Jack Price, Houston; and Howard Price, Beaumont; a sister, Mrs. D. C. Rowland, Eldorado, Okla.; two brothers, Gip Hudson, Delores, Colo.; Alex Hudson, Kansas City, Kansas; and four grandchildren. She was preceded in death by a brother, Joe Hudson, and her father, T. E. Hudson.

The oldest known map is one prepared 2,200 B. C. for taxing purposes, and is preserved now in the Istanbul Museum.

REV. JOHN E. LEWIS

## Rev. Lewis Marks 5th Anniversary

Marking his fifth anniversary Sunday as pastor of the First Baptist Church of Olton will be the Rev. John E. Lewis. It was on Nov. 20, 1955, that he began his ministry to the local church and has reached his longest period of service with any congregation. During his tenure, there have been 565 additions to the church,

304 by baptism and 261 by transfer of membership. Gifts through the Cooperative Program have more than doubled within the five years and the annual church budget has been increased by \$10,000.

A new pastor's home has been built, refrigerated air conditioning installed in the sanctuary, property north of the church building purchased and two houses for classrooms placed on it, and a \$8,500 cottage at the Plains Baptist Assembly Grounds in Floydada constructed. The Trinity Baptist Mission has been moved to property purchased by the church and a building fund for the mission has been started. Prior to moving to Olton, the Rev. Lewis had pastored the First Baptist churches at Seymour and Henrietta for more than four years each. A native Texan and son of a Baptist minister, he is a graduate of Baylor University and Southwestern Seminary in Fort Worth. His wife, Cathryn, is also a Baylor graduate and now teaches in the Olton Junior High School. Their three children are Joanna, a high school junior and church pianist; Elaine, a freshman; and Johnny, a fourth grader.

The divorce rate might go down if instead of marrying for better or worse, young people would try to marry for good.

### County Has 17 Mishaps In October

The Highway Patrol in-  
vestigated 17 rural accidents in  
Lamb County during the month  
of October, according to Sgt.  
D. S. Lawson, patrol supervisor  
of this area.

These wrecks have accounted  
for no persons killed, eight  
injured, and a property damage  
of \$8,167.00.

This brings the total for the  
year in Lamb County to five  
persons killed, 80 injured, and  
a property damage of \$55,-  
233.00.

"In 1959, eight thousand and  
two hundred pedestrians were  
killed on the streets and roads  
of America," Sgt. Lawson said.  
That figure represents about  
twenty four per cent of all  
traffic fatalities in this country  
in one year's time.

### Annual Dinner Slated At LCC

The annual Lubbock Christian  
College Thanksgiving dinner  
and musical program will  
be held Tuesday evening Nov.  
22, on the LCC campus. Several  
hundred persons are expected to  
attend the event.

The dinner, which will include  
turkey with the traditional trim-  
mings, will be served in the  
college cafeteria from 5 to 7  
p. m. A charge of \$1.00 per  
person will be made.

several weeks, it was announced  
this week by the Bureau of the  
Census, U. S. Department of  
Commerce.

The 1960 Sample Survey of  
Agriculture will collect infor-  
mation on ownership and size  
of farms, acreage and harvest  
of crops, and livestock pro-  
duction and inventories. In-  
formation will be collected also  
on farm equipment, farm  
income, construction of new  
farm buildings, farm contracts,  
and farm operator debts. This  
survey will supplement infor-  
mation collected in the 1959

Census of Agriculture.

Farms in the county which  
will be covered in the 1960  
Sample Survey of Agriculture  
were selected at random under  
the Census Bureau's scientific  
sampling program to provide  
a representative cross-section  
of all farms in the country. In-  
formation collected locally will  
be combined with that collected  
in other areas of the country  
to provide national estimates.

Local interviews for the 1960  
Sample Survey of Agriculture  
will be conducted by Louise B.  
McDaniel.

Phone with the  
built-in switchboard

Here's a phone designed to play a big role in busi-  
ness offices. Right in this single instrument are  
all the conveniences of a telephone switchboard.

Six push buttons give you complete control over  
all incoming and outgoing calls. You can select  
any of five lines - talk on one while holding calls  
on others - "buzz" your secretary - or use the  
phone as an office intercom. Lights in the buttons  
tell you which lines are busy, which are free.

Our "phone with the built-in switchboard" is  
another example of how General Telephone works  
to make the telephone a more convenient and val-  
uable instrument of communications for everyone.  
Call or visit our Business Office and learn how  
little it costs to have the "switchboard" service  
of a push-button phone.

## Olton Wins "Battle Of Unbeatens"

Lady Luck smiled down on a sputtering Olton football machine and turned what could have been disaster into a happy afternoon for the Mustangs at Floydada last Friday.

In football, a team usually makes its own breaks. But that wasn't the case on one play, probably the turning point in unbeaten Olton's 22-13 victory over Floydada for the District 2-AA championship.

Hard-nosed, power football had given the Mustangs a 15-13 lead at the half. The Ponies had gotten both their scores at the end of long, time-consuming drives.

Previously unbeaten Floydada, meanwhile, struck with dazzling swiftness, scoring twice in three minutes with "home run" plays.

The play on which the outcome of the contest apparently turned came in the early moments of the second half.

Floydada's Richard Marler, a fast 125-pound halfback, took the ball on second down after the kick-off and sliced off tackle.

He found a gaping hole at the line of scrimmage and, once past it, cut back to his left. Twenty-five yards later, at the Olton 42, Marler saw nothing but daylight from there to the Mustang goal line.

Two yards later, he dropped

the ball. And like the angel of Lady Luck, along came Olton's Charlie Burrus to pounce on the flipping pigskin at the Olton 40.

For Floydada, it was the beginning of the end.

The Mustangs, instead of being behind by a touchdown, capitalized on their good fortune and rolled to their third score of the day.

And after that, Olton mostly had things its own way, keeping the ball in Floydada's end of the field practically all the rest of the afternoon.

The Mustangs moved 80 yards to a touchdown after the opening kick-off, the drive consuming 8 1/2 minutes of the first quarter.

It took 20 plays for Olton to count, using the battering runs of Robert Priest and Rande Buchenau in a display of straight power, ball-control football.

Priest started it off with a three-yard gainer and Buchenau added eight to give the Ponies a first down at the 31. Priest then barreled 14 yards for a first down at the 45.

Three plays later, after runs by Frankie Miller, Priest and Buchenau, the Mustangs had a new first down at the Floydada 43.

Miller rammed six yards, Buchenau added three and

Priest, carrying on fourth down, tacked on the necessary one for a first down at the 33.

Facing third-and-one on the next series, Schenck again sent Priest into the line and the big fullback responded with a 10-yard gainer to the Floydada 14.

A fumble on the snapback almost spoiled the drive, but Schenck landed on the ball. Buchenau used second down to race to the seven-yard-line. Priest bounded to a first down at the three on the next play, but there Floydada stiffened.

On third down, Schenck punched over. Buchenau took a pitchout for the extra points and Olton led, 8-0, with 3:35 left in the first quarter.

After the kick-off, the Whirlwinds got nowhere in three downs as Guard Harold Featherngill, Center Robert Duncan and Buchenau showed good defensive work.

Wind Quarterback Rodney Teague punted 43 yards to the Olton 10, where Schenck pulled in the ball and got back to the 16.

A 15-yard penalty spoiled the Mustangs' chance to move and on third down, from the Pony 14, Priest's quick-kick was partially blocked, but an alert Mustang recovered.

Buchenau then punted 46 yards to the Floydada 43 as the

first quarter ended. Floydada struck back like lightning.

On first down, Whirlwind QB Teague faded back and spotted Halfback Charles Christian in the clear at the Olton 40. Christian never broke stride as he hauled in the aerial at the 35 and sped into the end zone untouched.

It was 8-6, Olton, with 10 seconds gone in the second quarter. Teague's extra point try was barely wide.

Olton took the kick-off, but failed to move and Priest punted 38 yards to the Floydada 35. Teague ran it back to the 50, where Miller knocked him down.

Two Teague passes went incomplete, so the Wind signal-caller, operating from the spread, ran twice and netted 11 yards for a first down at the 39.

Then Teague hit off tackle, cut back to pick up blockers and raced all the way for a touchdown. He kicked the extra point and Floydada led, 13-8, with nine minutes left in the half.

Olton came back to score 10 plays and four minutes later.

End Fred Riney took the kick-off back 11 yards to the Mustang 43, and then Priest and Buchenau gained 14 yards in two carries.

Miller picked up eight yards

in two carries, but fourth down came around with the Ponies still needing one yard.

Priest got the yard plus three more, giving the Ponies a first down at the 29.

Buchenau slashed down to the 21 on first down, but on the next play Schenck was hit by Linebacker Van Stovall for a four-yard loss.

It didn't seem to bother the Mustang signal-caller, for on the next play he faded back and tossed 25 yards to End Jimmy Lawson, standing free in the end zone.

Buchenau kicked the extra points and Olton led 15-13 with 5:45 left in the half.

Floydada's Teague came out passing after the kick-off, but on first down, Olton Guard Larry Timmins broke through to nail him for a five-yard loss at the Floydada 39.

Teague connected on the next play, throwing 15 yards to End Jerry Powell. The play gave Floydada a first down at the Olton 46.

Then Teague hit Marler with a pass and the little halfback raced to the Olton 27, where he was stopped by the Ponies' Bobby Brown.

Brown stopped Teague on the next play, after a four-yard gain.

There the Mustangs rose up to stop the threat for good. Timmons again blasted through to whack Teague on a pass attempt, nailing the Wind quarterback for a three-yard loss.

Then Lawson rushed hard and deflected Teague's fourth down passing try. Marler was there to nab the ball, but Mustang tackle Kenneth Hooper was there to nab Marler.

Olton took over at the 32

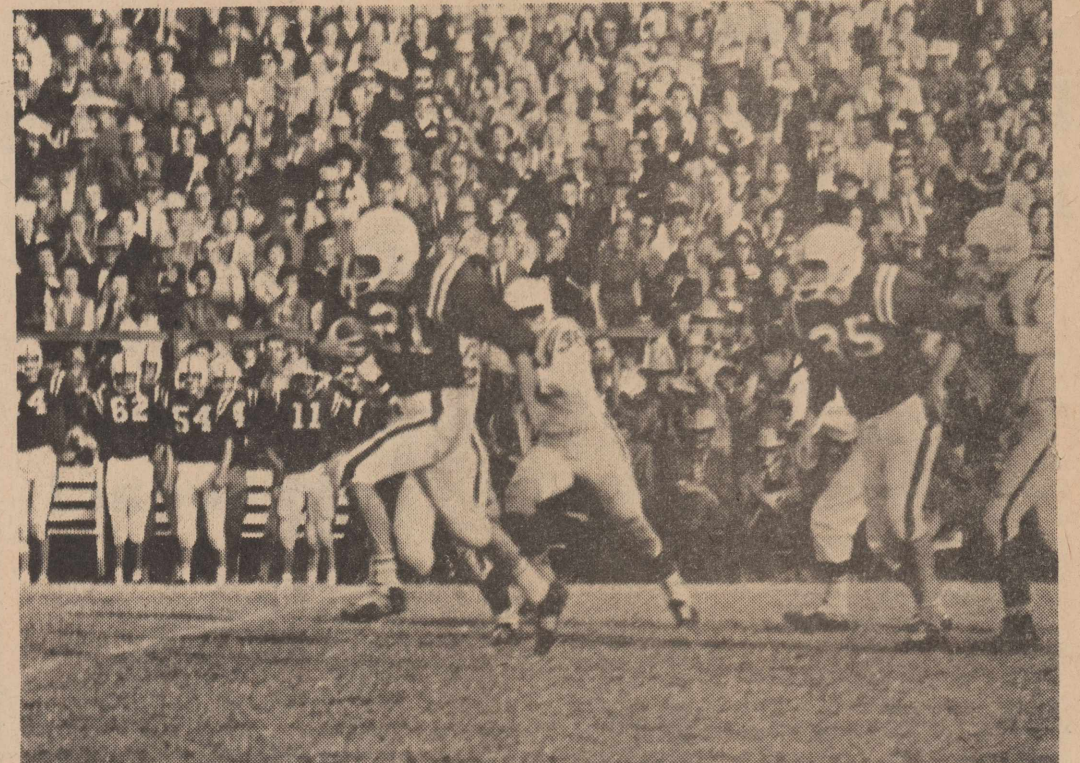

and moved to the 48 before Priest punted out of bounds at the Floydada 6 as the half ended.

Then came the break that started things going Olton's way for good.

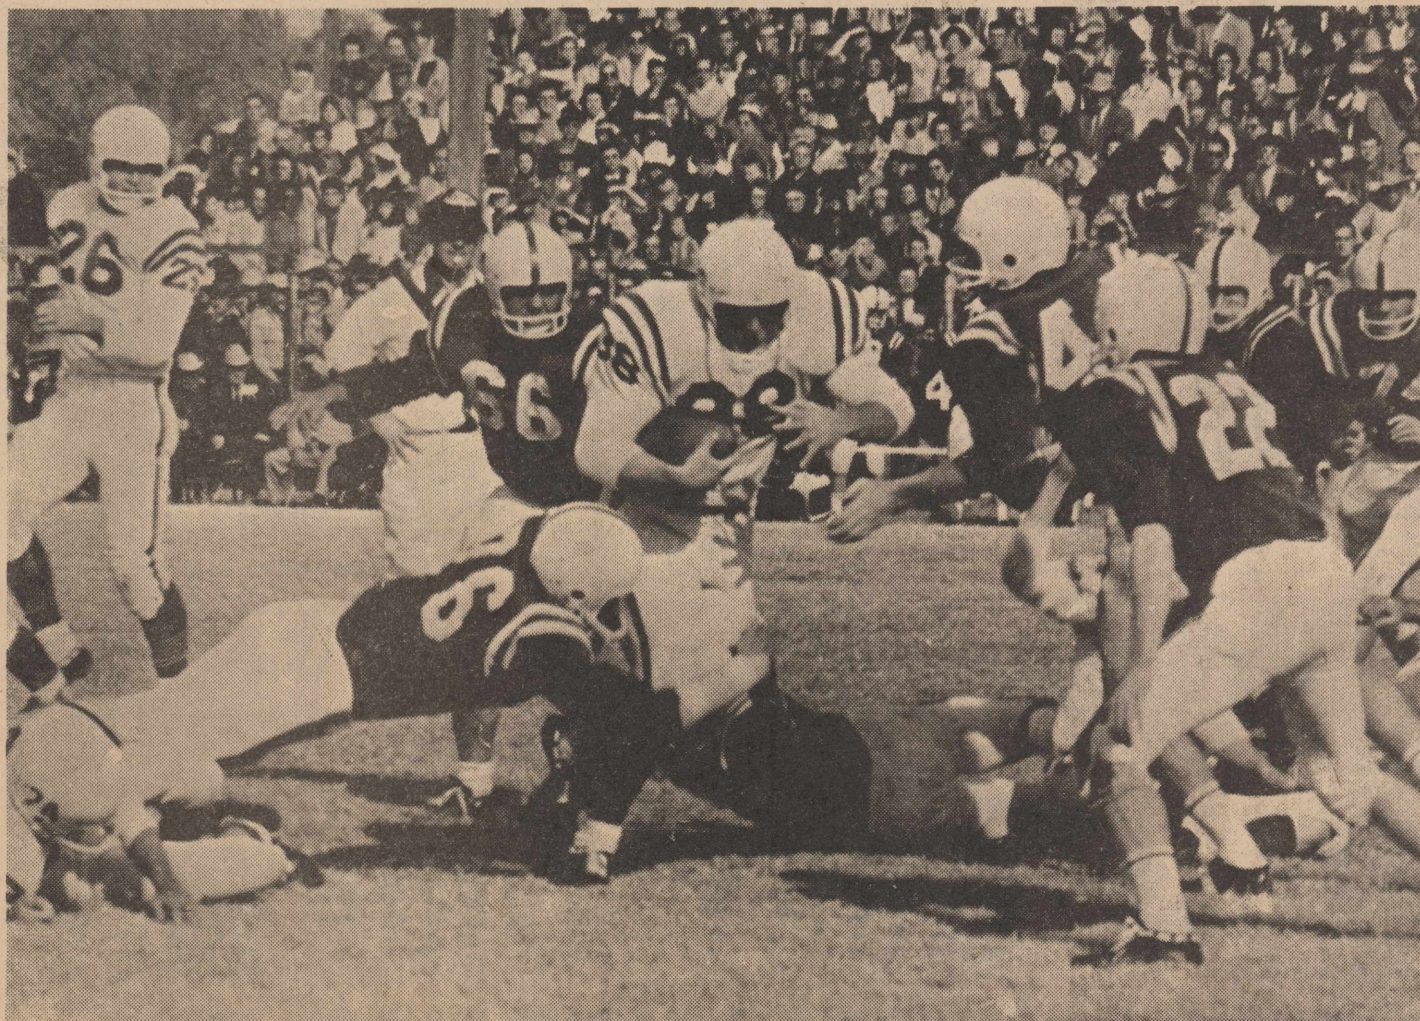

Burrus recovered Marler's "drop" and Olton started its drive for what turned out to be the game's deciding touchdown.

Miller gained seven on first

(Continued on page 4)

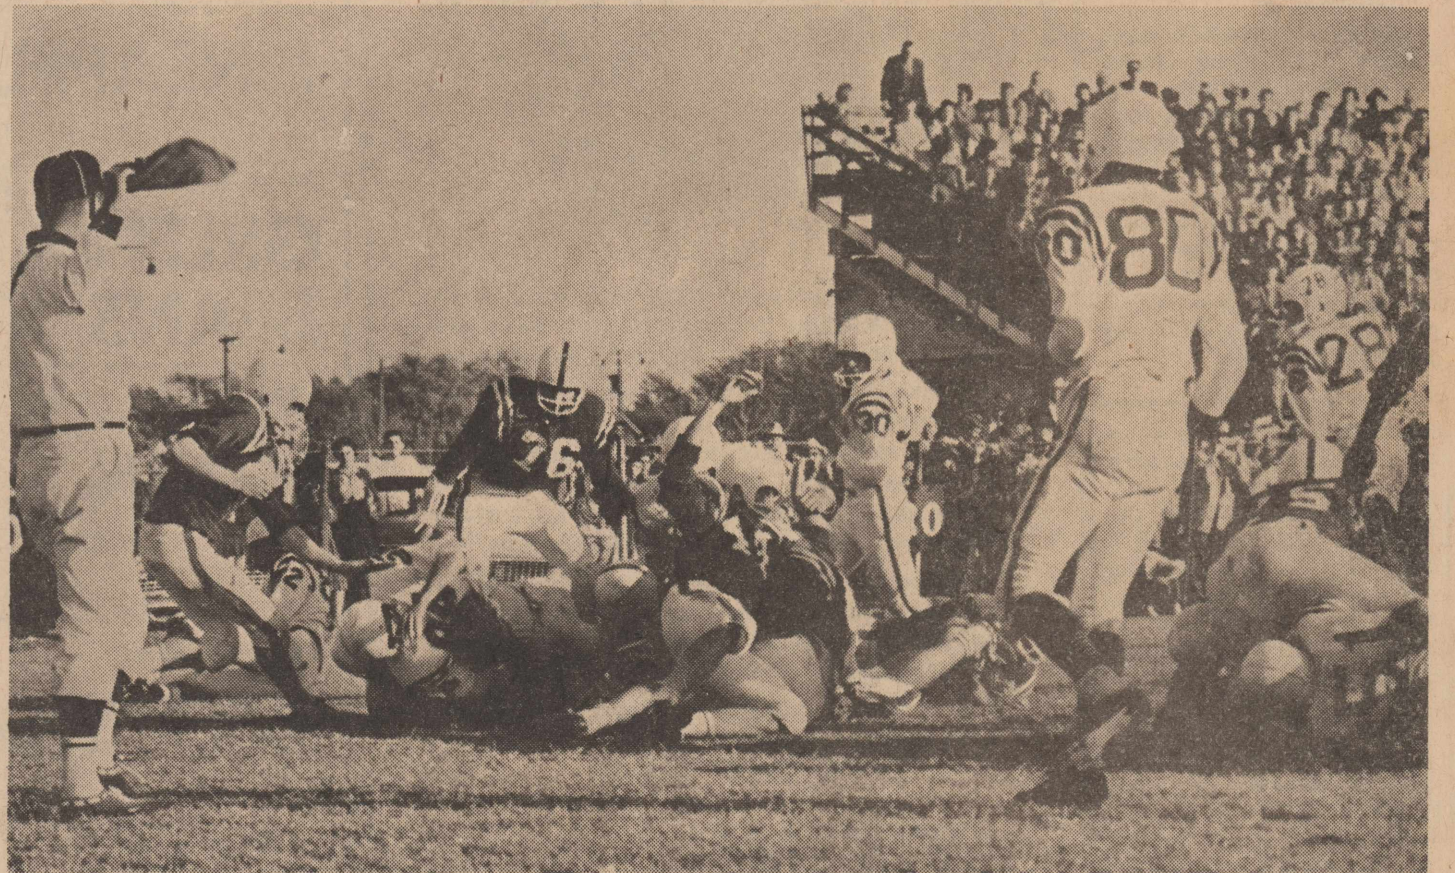

BEGINNING OF THE END--Here's Floydada Halfback Richard Marler as he approached the Olton 40-yard-line with no one in front of him. Two yards later, Marler dropped the ball and Mustang Charlie Burrus recovered. Burrus is hidden from view here, but Robert Priest (38) and Bobby Brown (74) are shown chasing the Floydada back.

IMPORTANT YARD -- Olton Fullback Robert Priest (38) is surrounded by Floydada tacklers at the line of scrimmage, but he managed to get a yard

on a fourth down play to keep the Mustangs' first touchdown drive going. To left are Rande Buchenau (26) and Frankie Miller (24).

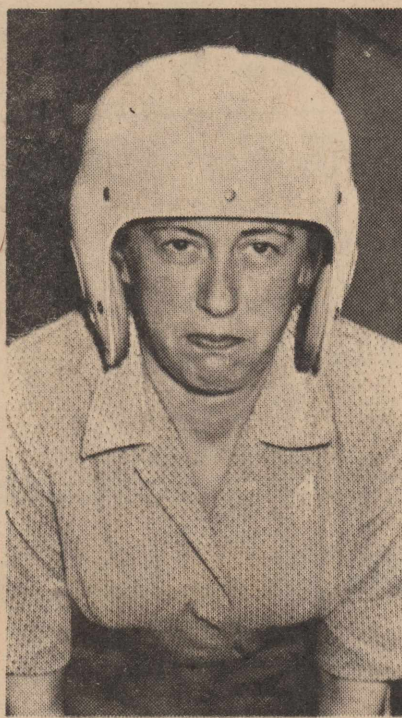

FLAG-WAVING TIME -- Halfback Frankie Miller (24) is across for an apparent touchdown, but an official (left) threw his flag right after the

play and nullified the score. Other Mustangs are Charlie Burrus (30), Fred Riney (80), Johnny Schenck (28) and Robert Duncan (51).

down, but Priest was able to pick up only two yards in two tries. Schenk gambled for a yard on fourth down at the Mustang 49 and he got two. From there, Priest and Buchenau each picked up five yards and Big Bob added two more to the Floydada 37. Schenk called his own play next and the little quarterback, seemingly trapped at the line of scrimmage, picked up a fine block from Duncan and ran to the Floydada 25.

Priest gained eight yards to the 17, but on second down, Schenk's pitchout was deflected and the ball was batted around about three times before Olton recovered at the 14 for a first down at that point. Miller raced down to the 10, then Priest got two yards and Buchenau one, bringing up fourth down and one needed. Buchenau then took a pitchout from Schenk, started wide and passed to Miller in the end zone for the TD.

Buchenau kicked the point-after and it was 22-13, with five minutes left in the third quarter. Floydada had one more threat, moving to the Olton 24, with Teague ripping off runs of 10, 11 and 4 yards during the drive. The 11-yard run came on fourth down after three passes went incomplete. Teague rolled to the Olton 28 before Guard Ron Rogers stopped him. Carrying on a one-man show,

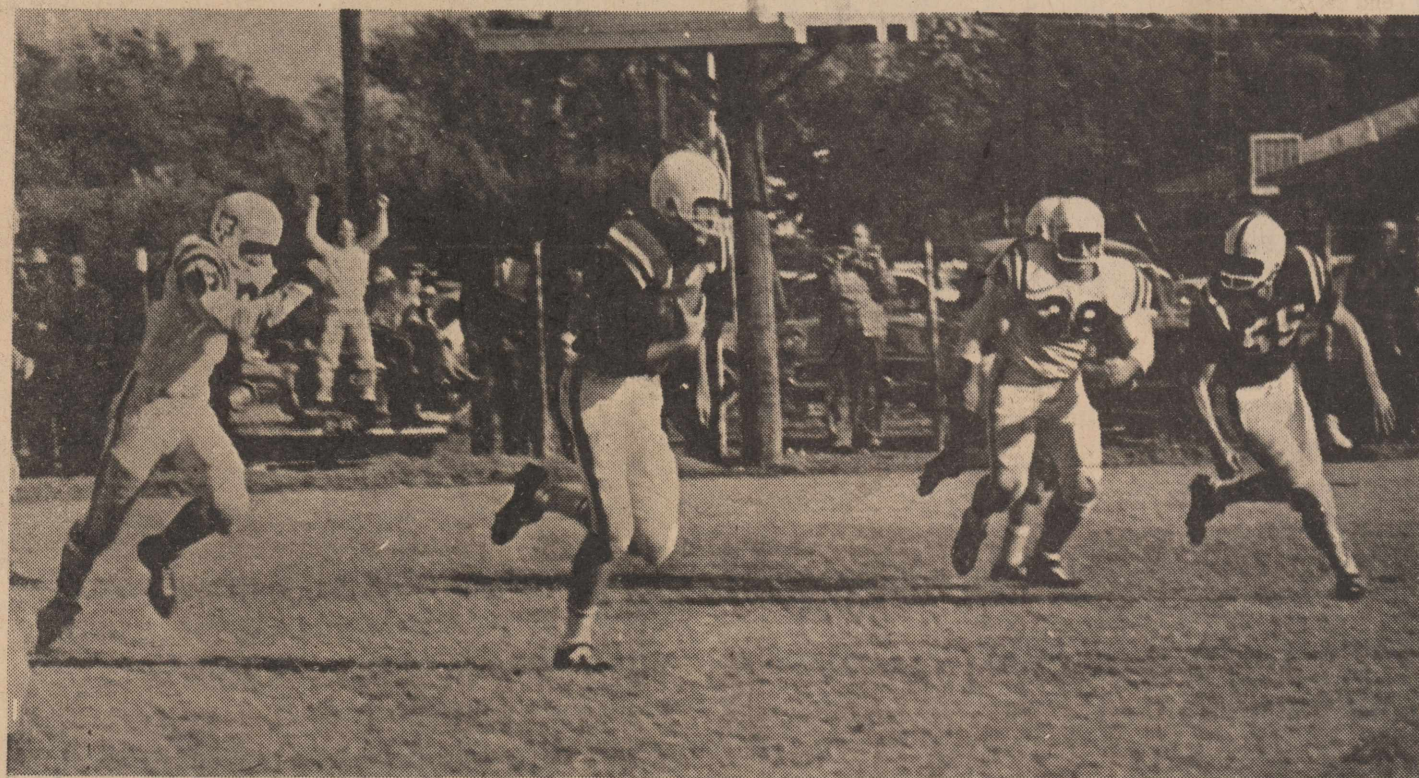

the Floydada quarterback carried down to the Mustang 24, where Timmins and Duncan put the stopper on him. On fourth down from there, Linebacker Brown ripped through to put a stop to the drive, nailing for a yard loss. The quarter ended as Olton moved upfield on some nice gains by Halfback Gary DeBerry. On the first play of the fourth period, DeBerry carried eight yards to the Mustang 46. A penalty killed the drive and

Priest punted out of bounds on the Floydada 15. Teague later tried a third down pass from his own 27, connecting with Marler at the 31. Marler fumbled as he was hit hard by a familiar figure, Burrus, and Olton recovered. The Ponies moved down to

the Floydada 13, but Priest's five-yard gain on fourth down was just shy of a first down. Floydada took over at the 8 and moved out to the 15 in three plays. Teague, back to punt, dropped the pass from center, picked it up and started wide. Olton's Rogers piled into

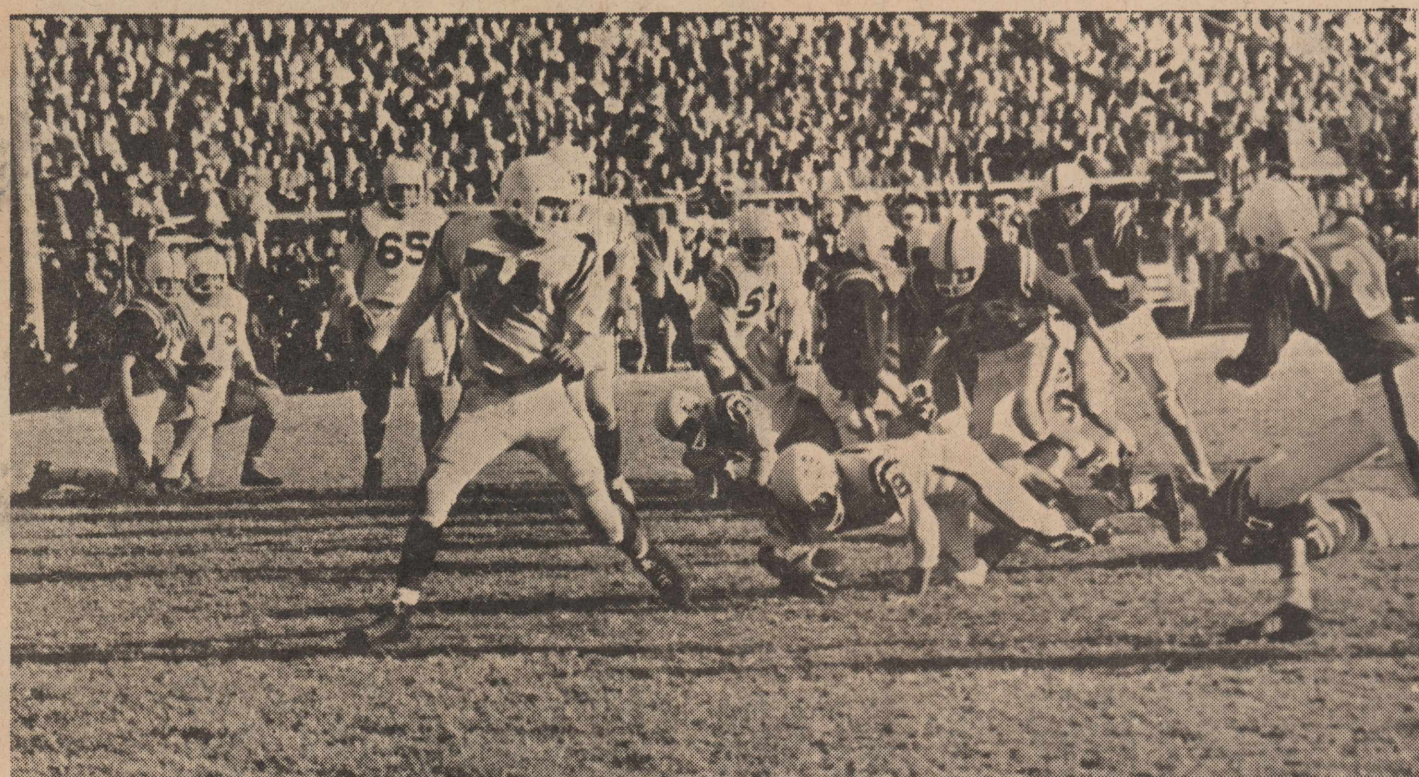

him at the 6-yard line, giving the Mustangs a first down from that point. On second down, Miller drove across for an apparent touchdown, but a red flag nullified it. Working from the 18, Schenk called his own play and got off two nice runs that carried to the

Floydada 6. On fourth down, Priest was stopped at the 3. A Teague pass was intercepted at the 35 by Schenk and the Mustangs drove to the Whirlwind 25 as time ran out. For Olton, Priest was the big (Continued on page 4.)

**TOUCHDOWN BOUND --** Floydada's Rodney Teague is chased fruitlessly by Olton Guard Harold Featherngill (63) and Fullback Robert Priest (38)

at the tail-end of a 39-yard run for a touchdown. The run gave Floydada a 13-8 lead in the second period of last Friday's ball game.

**SCHENCK GAINS--**Olton Quarterback Johnny Schenk (28) goes down after an eight-yard gain to the Floydada 10 late in the fourth quarter. Other

Mustangs are Kenneth Hooper (73), Larry Timmins (65), Bobby Brown (74), Robert Duncan (51) and Harold Featherngill (63).

In the end, it was ball control that told the tale. Olton had the ball on 83 plays, while Floydada had it on 42 downs.

**Results Encouraging On Flame Cultivation**

Field drying grain sorghum by the use of flame cultivation was a new experiment conducted at the High Plains Research Foundation in September and October. The objective was to reduce the moisture content to the 13% acceptable for safe storage or government loan, without dockage.

The results secured were encouraging enough to justify continuation of the tests. During the winter months the experiment will be continued on grain sorghum in the Rio Grande Valley and at the Foundation at Halfway in 1961 by Dale Price.

A high clearance tractor equipped with a flame cultivator was used in the tests. Two additional burners were added per row and the burners placed opposite each other. The flame was directed at the base of the plants in the row. Where the flame from the burners collided, the flame moved upward, drying the leaves and reducing the moisture in the head.

Dr. Tom Longnecker, in commenting on the procedure, stated, "Although it is too early to predict whether this artificial drying of grain sorghum in the field has a place, the results so far are very encouraging. In good dry weather grain sorghum will dry at the approximate rate of 0.5% per day after maturity, under the same conditions the application of heat increased the drying rate

A Texan died and went to his eternal home. Look around, he commented, never expected Heaven to be so much like Texas. "Buddy," the gatekeeper formed him, "this Heaven!" "How strange it is that sheep so often knock the down which protects them the wolves." -Jim Farc

**F-63 YIELDS GROWER 8200 LBS. PER ACRE**

A.G. Huguley, pictured above, with his son, Garland, planted 15 acres of DeKalb F-63 the first of June in 36-inch rows at a rate of 8 to 9 lbs. per acre. The land had been planted in potatoes last year. He fertilized with 100 lbs. of Anhydrous Ammonia. The ground was pre-watered and the crop irrigated 4 times. A.G., who farms southeast of Olton, reports that the F-63 stood real well and matured early enough that he was able to harvest the first week in October before the rains and hail swept the area. "My yield was a little over 8200 lbs. per acre - the best milo crop I have ever had," A. G. reported.

Picture at right was taken in a field of competitive hybrid grain sorghum that was being harvested last week. The combine was equipped with pick-up attachments, but could get only a small percentage of the fallen grain. A.G. Huguley has already booked his DeKalb for next year . . . **ARE YOU ONE OF THE 3 TYPES OF WOMEN**

**WHO DOESN'T USE A GAS CLOTHES DRYER?**

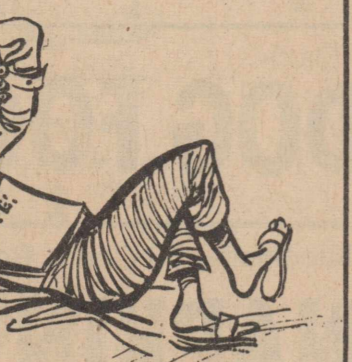

**MRS. SEMORE CASH**

Money means nothing to her. Has a wealthy husband who pays all the bills without batting an eye. She just buys... and, of course, uses nothing but the most expensive, whether it's automobiles or appliances. (What else can a woman of her social position do?) She's not concerned with the phenomenal savings in operating costs of a Gas Dryer. Twenty-five dollars a year? Trivia, my dear Cavendish!

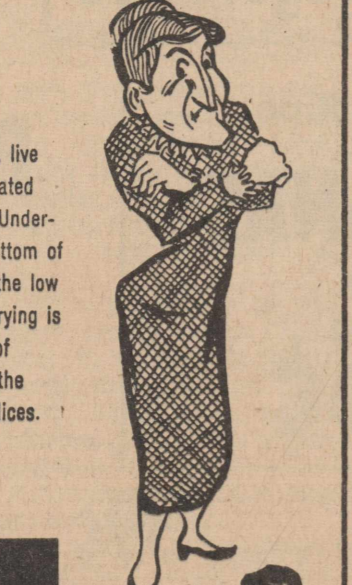

**MRS. I. M. CAREFREE**

Time means nothing to her. No kids to keep up with... belongs to no clubs or organizations... doesn't have to fit her hours to any particular schedule. She's not impressed by the fact that the faster performance of a Gas Dryer provides precious minutes to the harried homemaker with an over-crowded schedule.

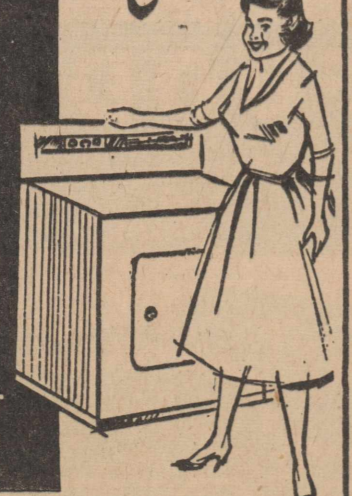

**PRUNELLA HARDTACK**

You can't convince HER that the clean, live flame in a Gas Dryer is completely isolated from the clothes... that National Fire Underwriters statistics prove Gas near the bottom of the list as an accident cause... that the low heat—high air flow principle of Gas Drying is completely safe for even the daintiest of synthetic fabrics. No matter how valid the advantages, she'll stick with her prejudices.

**RIGHT NOW, YOUR GAS APPLIANCE DEALER IS OFFERING THE YEAR'S BEST BUYS ON FAMOUS-NAME GAS DRYERS. IF YOU'RE NOT ALREADY USING GAS FOR DRYING, THIS IS THE TIME TO CHECK THE FACTS. LIVE MODERN... FOR LESS... WITH GAS!**
