12 Champions Are Named In **Golf Tourney**

Six flight and consolation champions were named this week in the ORC city golf tournament as play-offs rounded out the three-week tourney.

All action was completed except in flight six. Forrest Latimer and Kenneth Campbell will play for the title.

Winner and runnerup in each flight will receive trophies. Consolation flight winners will be given gift certificates.

Dr. Basil Johns topped the list of golfers, as he edged out Andy Andrews for first place in the championship flight. In the semi-finals Johns beat T.J. Roberson and Andrews won over Carroll Cox.

In the first flight Bob Cope-land took the honors by winning the title over JackEstes, Copeland had beaten Frank Cornelius in the semi-finals and Estes downed George Richwrds.

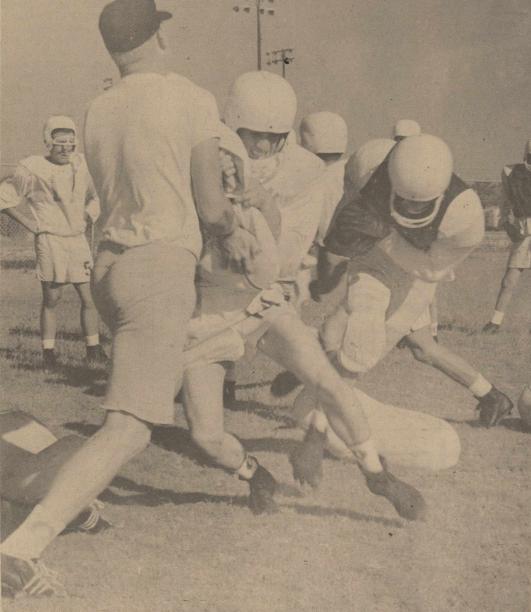

George Clark captured the second flight trophy by defeat-ed Leroy Hackler. In the semifinals Clark beat Owen Norfleet and Hackler defeated James Hall.

Dan Gregory shut out Basil Sherman to win the third flight crown. Sherman defeated Bert Stewart and Gregory downed Charles Polk in the semi-finals. After stopping G.H. Bley in the semi-finals and Sam Kendall in the last go-round, R.V. Allcorn took the fourth flight win. Kendall beat Vernon Nixon in the semi-finals.

J.L. Snider won the fifth flight by heating Neil Wells. Wells beat Bill Kemp and Snider de-feated Owen Jones in the semifinals.

In the sixth flight action, Lat-imer and Campbell, who will compete for the title, defeated Earl McClain and Foy Cook, respectively, in the semifinals.

Consolation winner in the championship flight is Lauis Hair, who defeated Gilbert Roberson for the title. Roberson beat Archie Sorley and Hair defeated Bob Duncan is previous play.

Tables Turn, Ponies Rated Cuke Production In Cellar

Olton gridders fought to stay at the top of the District 2-AA ladder last season, but this year the story's changed, and the Mustangs will be battling to climb it.

The Olton squad was picked to win the district title as the season opened last year --and they did--but this year the Olton squad is rated to finish in the cellar in district competition.

Sporting an 11-1 record last year, the Mustangs bombed through 11 straight games to win the Bi-District title before being stopped by Denver City at the Regional play-offs. Floydada has been picked by sports writer this season to take the District 2-AA crown. They selected Muleshoe to finish second, Abernathy, third, Lockney, fourth, Morton, fifth

and Olton, sixth. The Mustangs opening game is at Petersburg Sept. 1.

Seven returning letterman turned out Monday as the Olton squadsmen began football practice. Thirty six boys, 23 upperclassmen and 13 freshmen, reported for the workout. Robert Nickerson joined the

coaching staff this year to assist Coach Walter Bryan in leading the Mustangs. Pat Blessing is returning as the other assistant coach Names, classifications and Is Named As and positions of boys are as

Olton resembled an old-time ! boom town this week as truck loads of cucumbers, accompanied by hundreds of farm lab-

orers poured into town. This was the third week of bumper production since cuke harvest in this area began five weeks ago. More than 14 million pounds of the vegetable crop have been shipped from the two local processing sheds the last three weeks.

Both farmers and shed managers agree that cucumber production has soared away over other years of cuke harvest here.

Duane Addock, manager of Dalton processing shed the here, said harvest should last about two more weeks.

Most cucumber growers have been dusting vines this week for powdery mildew. Don Spain, owner of Olton Farm Supply, said the disease of vines would show a sharp decrease in production

Winner of fourth flight consolation was Kenneth Ray, who downed Robert Edwards. Ray had stopped Joe Hall and Edwards had defeated Howard Hall.

Consolation went to Don Franks in the fifth flight, as he beat Bill Weaver. Franks had beaten Herman Meyer and Weaver had defeated Max Malone.

Quentin Redinger and Dewayne Wilks will play for sixth flight consolation.

Senior Pictures Will Be Made Here August 25

Senior students in OHS this fall will have their senior picture made Friday, Aug. 25, from 8 a.m. to 2:30 p.m. at the high school, according to Joe Turner, high school principal.

Girls should wear dark dressy dresses and boys should dress in dark suits, white shirts and dark ties.

Turner said each student will be required to deposit at least \$5 when his pictures are made and when the pictures are delivered, or pay the total \$10 when the pictures are taken.

"It is very important that all seniors have their pictures made," Turner added.

Olton Woman's Sister Dies In Madrid, Spain

Funeral services were conducted Wednesday for Mrs. Richard Usher, sister of Mrs. Elmer Houston of Olton, in Cambridge, Minn.

Mrs. Usher, 33, died Aug. 9 in Madrid, Spain, where her husband is stationed with the United States Air Force.

Mr. and Mrs. Houston attended the funeral.

Center in Littlefield.

Supt. Johnny Clark was interviewing applicants this week to replace Bentz.

During the two years Bentz had taught music here, the bands have won numerous awards. In the 1959-60 school year, the High School Band won a first division rating in concert and took first place trophies in the ENMU and Seagraves parades.

That year the Cadet Band won first division ratings in concert and sight reading contests. Both band members together were given 39 first place medals in solo and ensemble contests.

In the 1960-61 school year, the High School Band won "Sweepstakes." This means the band won first place ratings in all three contest divisions, concert, marching and sight reading. The band again won the ENMU marching award and took second at Seagraves.

The Cadet Band repeated its first place rating in the concert division.

The amount of first places in solo and ensemble contests almost doubled, as the two Olton bands won 69 medals. Bentz said, "I want to thank

everyone in Olton for all they here. have done for the band."

The program this year will be provided by each of the communities throughout the county. Olton will provide a quartet and an sextet composed of Duward Price, Basil Sherman, W.C. Gunter, Archie Sor-ley, Don Spain, William De-Berry, Lauis Hair and Dr. Lynn

The first junior contest was held in a small field of sorghum in Hart. The sorghum stalks and cultivated land forced the "Irrigation Rodeo" to be moved to the Legion grounds, where a ditch was cut in native grass.

This helped speed up the contest because there was no heavy mud. The first champion was Neal Wall, with a time of 33.4 seconds, who has moved Burtington, Colo. Robert Hawkins was the second champion and Charlie Sanders the The next year Hart had good publicity about the event and

IN MILLER HOME

Mr. and Mrs. Earl Miller and Elizabeth Ann of Plainview were guests in the J.F. Miller home last week. Miller is associated with the Music Department of Wayland Baptist College, Plainview.

"As in previous years we'll be serving 'Type A' meals," commented Mrs. Slatten. A "Type A" lunch is a guide to well balanced, nutritious meals, designed by the United

ture with the help of school nutritionists. The "Type A" lunch is centered around a protein rich food, lean meat, (cooked or canned), fish, poultry, beef, pork, or other proten rich foods such as eggs, cheese, dry beans

At least 3/4 cup serving of raw or cooked vegetables or fruit, or both, surround the protein rich food.

Why Does Leslie Kennedy Jr. Like DeKalb?

0

MORE FARMERS PLANT DEKALB THAN ANY OTHER BRAND

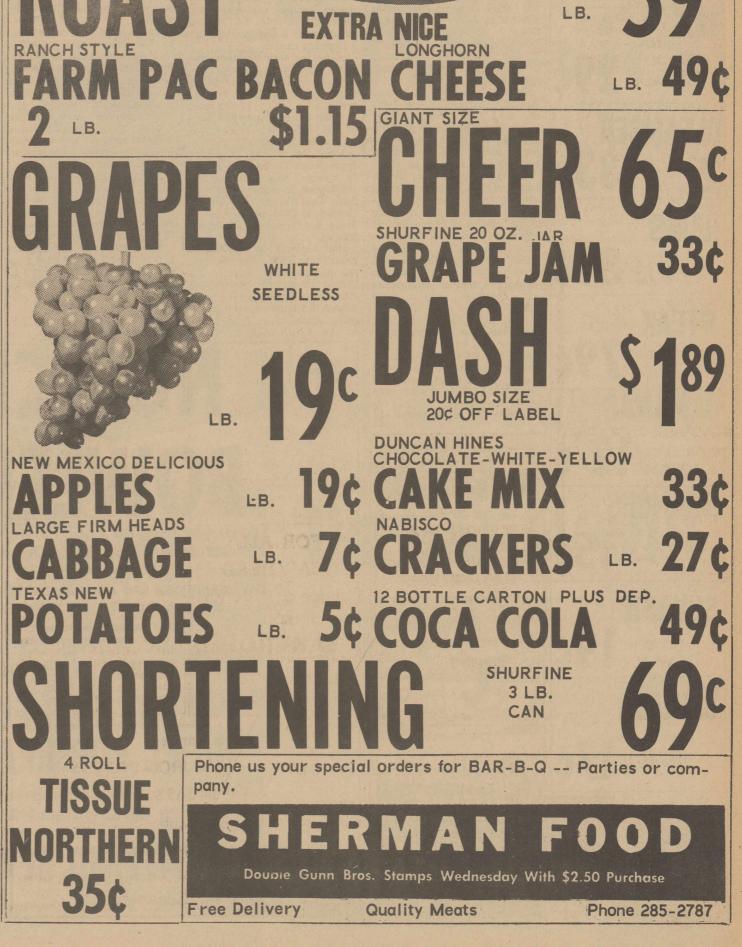

Here's Leslie Kennedy's Reason:

"I've planted DeKalb F-63 because of several things, but mainly I like its standability."

LESLIE KENNEDY JR., who farms southwest of Olton, planted his F-63 on May 2 with a seeding rate of six pounds per acre. He put on 80 pounds of fertilizer before planting and sidedressed with 50 pounds of anhydrous. He has irrigated twice since planting and expects to begin harvest in mid-September.

"I've planted DeKalb for years," says Leslie." | like F-63 because it combines good, has a full open head and is tops for yield. Mainly though, I like the way it stands better than anything else."

If two-thirds of the referendum voters favor quotas, cooperators will be eligible for full 1962 wheat price support. has not definitely been determined, it will be higher than the present level of \$1.79 per bushel if proposed legislation now before Congress becomes a law. Secretary Freeman said that the national average support for wheat would likely be in the neighborhood of \$2.00 per bushel.

If farmers decide in the referendum against quotas, there will be no limit on marketings, price support would be at 50 percent of parity (wheat parity is now \$2.37 per bushel) and would be available to those farmers who plant within their acreage allotments.

On May 12 Secretary Freeman proclaimed marketing quotoas and a national acreage allotment of 55 million acres for the 1962 wheat crop on the basis of estimated supplies and ultilization of wheat. At that time he deferred setting the date for the referendum pending action to provide an improved wheat program for next year's crop.

"Though action has not been completed on a new program," the Secretary explained, "it seems desirable to now set a date for the referendum on 1962 marketing quotas in order that all producers may be appraised of the voting time. Under legislation now being considered, stocks of wheat would probalby be reduced by 100 million bushels rather than increased by that amount if changes are not made,
