

Boy, 13, Struck By Car

Dewayne Campbell, 13-year-old son of Mr. and Mrs. Kenneth Campbell, was reported to be in good condition Wednesday at the Medical Arts Hospital, Littlefield, where he was taken after being struck by a car here Tuesday. The boy was said to have a broken leg.

Another youth, Michael Anderson, 12-year-old son of Mr. and Mrs. Raymond Anderson, was also hit by the car. He was treated at Community Clinic for a cut on the left arm and released.

The accident occurred shortly after 4 p.m. on Ave. H between fourth and fifth streets. The two boys, on their way home from school, were walking next to the curb when they were struck by an auto driven by Gayle Lynn Nicholas, 15.

The girl told police she had looked over her shoulder to put a coat in the back seat of the car when she felt the car hit something.

She was given a ticket for failure to control speed to avoid collision and careless driving. The boys were taken to the hospital by an ambulance from Parsons Funeral Home.

C-CA Seeks Opinions On Hospital

"We will work on the proposed hospital project only to the extent that the people of Olton want us to."

The above statement was made this week by Dick Whiteley, manager of the Olton Chamber of Commerce and Agriculture, as cards mailed earlier to area people questioning them about their ideas on a hospital for Olton began coming in.

Whiteley said the 25 cards received to date were "running about nip and tuck for and against" the hospital.

He stressed the importance of everyone returning the cards so that an accurate summary of opinions on the matter could be made.

On the cards received there have been suggestions for a bond issue, for public donations, for a co-operative hospital and a few against the entire project.

"If a hospital is built, it will be run by a hospital board and not by the Chamber of Commerce and Agriculture. If the cards show that the people here do not want a hospital, then the Chamber will cease to work toward that end," Whiteley added.

Enterprise Subscriptions Carry Two Per Cent Tax

The two per cent state retail sales tax applies to newspaper subscriptions, the State Comptroller has ruled. Those people who pay for subscriptions by mail are asked to add the tax to the remittance.

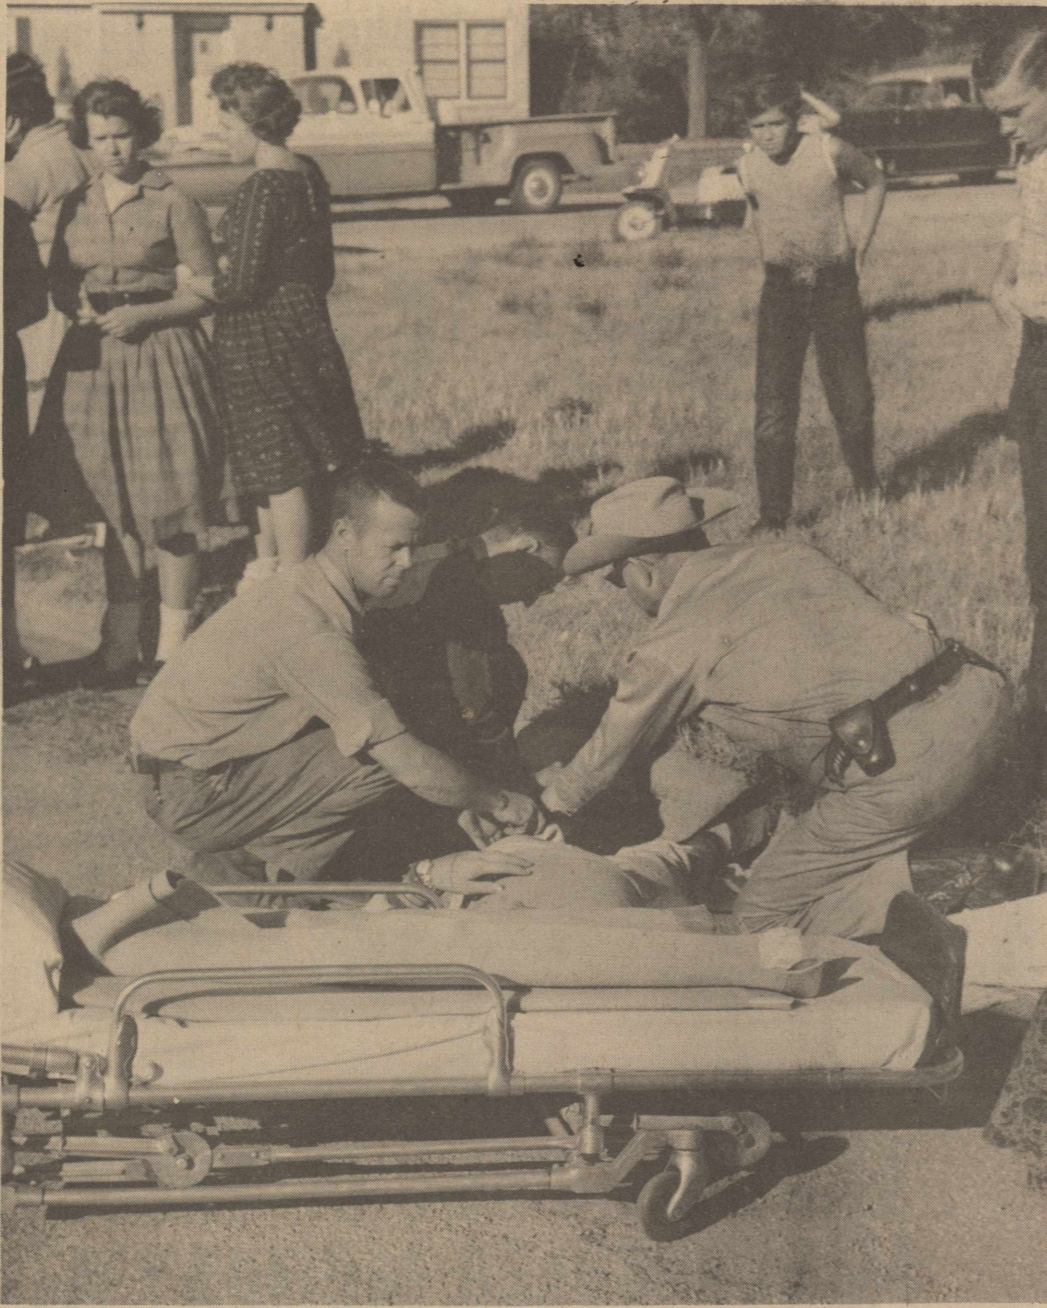

Subscription rates to the Olton Enterprise and the corresponding taxes are:

The rate for one year in Lamb County and adjoining counties is \$3 plus 6 cents tax.

The rate for one year in locations other than the above is \$5 plus 10 cents tax.

Special rate for college students in counties adjoining Lamb is \$2.25 plus 5¢ tax for a year.

College student rate for a year in other counties is \$3.75 plus 8¢ tax.

HIT BY CAR—Robert Edwards, Percy Parsons and Emmett Burrows are shown as they move Dewayne Campbell, 13-year-old son of Mr. and Mrs. Kenneth Campbell, onto the stretcher. Dewayne was taken to Medical Arts Hospital, Littlefield, after being struck by a car driven by Gayle Lynn Nicholas Tuesday afternoon. The boy suffered a broken leg in the accident.

Olton Record Set In Postal Receipts

With paperwork on a new post office for Olton "in the mill," business at the present office is moving at a record pace.

For the first time in the town's history, a quarterly report on receipts has topped the \$10,000 mark.

Postal receipts here for the first three months of the new fiscal year amounted to \$10,155, it was announced Tuesday by Postmaster I.B. Holt.

This was a 12.7 per cent increase over receipts for the same period a year ago.

The figure last year at this

time was \$9,010, previous high for the Olton post office, the postmaster said.

For the first quarter in 1959, receipts totaled \$7,870.

Postal receipts generally are considered a good economic barometer in any community.

They not only show the business growth of the local post office, but also ordinarily reflect general conditions of the community's economy.

No new report on the progress toward a new post office was available this week, but it is known that options have been taken on seven plots of land for the new building.

Selection of the building site usually is made within a 100-day period after options are taken, postal authorities in Lubbock reported. Options on the seven plots were taken last month.

Once the building site is selected, plans will be drawn by a post office department engineer in Dallas.

Bids to construct the new building will be taken within 60 days after the plans have been completed.

Options are on the following lots: lot east of Parley's Barber Shop owned by Arthur Nafzger; lot north of Peggy's Beauty Salon owned by H.L. Dennis;

property on which the Andrew Stroebel law office is now situated, owned by Stroebel and C.W. Grant; lot east of Olton Bakery, owned by J.E. Fuller; lot south of Lois Beauty Salon, owned by Gene Trotter home, owned by Steve Boruk; and the lot at the northeast corner of the square, owned by Drs. Lynn and James Flite.

Olton-Morton Bands To Do Combined Show

The Olton Band and the Morton Band will do a combination show at half-time at the Olton-Morton football game here Friday night.

The two bands will march on to the field at the same time from opposite ends of the field. They will form a diamond formation for introduction. The Olton and Morton twirlers will then be presented.

Both bands will play a number for the Morton side conducted by Jimmy Priest. They will then salute the Olton fans and play a number directed by Johnny Stockdale, Morton band director.

Together the bands will spell out Morton and to finish the program for the night, they will spell out Olton.

J.H. Cartwright Is Cited For 'Excellent Performance'

AUSTIN—An official State Health Department citation has been awarded to J.H. Cartwright, Olton municipal water and sewer plant superintendent, for "excellent performance of a vital community service."

The impressively designed document, signed by the commissioner of health and authorities of the Texas Water and Sewage Works Association, is sparingly awarded only to those who can demonstrate "skill and knowledge of sewer treatment plant management and an understanding of the public health importance of the work."

Under the State Health Department's operator certification program, operators are carefully examined on their

technical ability and on their knowledge of their work's influence on community health. Each must pass a stiff written test to qualify for certification.

The Texas general sanitation law requires that at least one plant operator per shift be certified by the state health agency, but other plant personnel and persons in related fields frequently seek certification on their own time and at their own expense to advance themselves professionally and to increase their efficiency.

"The recipients of these certificates are a credit to their profession and to their communities," sponsors of the certification program said.

Crucial 2-AA Tilt Pits Olton, Morton

Mustangs Seek 2nd Loop Win

Morton's pass-happy Indians invade Olton Memorial Stadium Friday night at 7:30 bent on making up for past misfortunes.

The Indians will be out to even up their District 2-AA record after dropping a thriller to Abernathy last Friday night, 27-22.

And they'll be seeking revenge for a 38-22 loss to Olton last year.

Morton has plenty of reason to be angry after last week's loss and they may take it out on the Mustangs.

The Mustangs had a 5-0 record going into the Abernathy tilt, which they lost in front of a Dad's Night crowd.

The Mustangs, meanwhile, used a storybook finish to beat Muleshoe, 12-8, last week. A pass from Johnny Schenck to Jimmy Lawson with 23 seconds to play provided the winning points.

Coach Walter Bryan's team came out of the Muleshoe game in good shape. Everybody who played in that one will be ready to go again.

However, Mustang Tackle George Phillips still has a hurt leg and Back Gary Johnson is definitely out of the contest, also with a leg injury.

The Morton club will be banking on the passing of QB Steve Middleton, and the running of 170-pound fullback Wilburn Zuber. Both boys played well against the Mustangs last year.

Halfbacks for Morton are Lester Dupler and Charlie Ledbetter.

In the Indian forward will be Mike Houston and Glen Kuehler at ends, Jimmy Howell and Dale DeBord at tackles, Johnny Sanford and Charles Palmer at guards and Bob Nieman at center.

Morton almost won last Friday night's tilt with Abernathy with two threats in the fourth period.

Zuber and Ledbetter scored on short runs for Morton last week and QB Middleton passed 39 yards to Ledbetter for the other Indian tally.

Pass interceptions at the Abernathy 7 and 3 quelled the last two Indian drives.

The week before the Abernathy game, Morton beat Sundown, 21-8, with Ledbetter scoring twice.

Owen Norfleet Cards Ace On ORC's No. 8

Banker Owen Norfleet banged a 165-yard hole-in-one shot Tuesday afternoon on Olton Recreation Center's No. 8.

Norfleet used a four iron against a wind to record the ace. The ball sailed high, took one bounce and hit the cup.

Playing with Norfleet were Frank Cornelius and Archie Sorley.

The shot was worth \$54 to Norfleet, one of 54 golfers who had put a dollar into a pot to go to the first golfer of the 54 to shoot a hole-in-one.

HER MAJESTY—Marilyn Jones is escorted off the football field Friday night after she was named Homecoming Queen for 1961. The ceremony took place just before the start of the game between Olton and Muleshoe. Her escorts are Jimmie Lawson, left, and Robert Duncan, right, co-captains of the Mustang team.

Marilyn Jones Crowned Queen

A 12-8 victory over Muleshoe, the crowning of a 17-year-old Olton High School beauty as Homecoming Queen and the announcement of float winners brought to a climax the 1961 Homecoming festivities in Olton.

Marilyn Jones, daughter of Mr. and Mrs. Owen Jones, was crowned queen of the celebration in a ceremony just before the start of the ball game.

The football game capped a day filled with activities, including a parade.

Marilyn was named homecoming queen from a field of five candidates. Others were Jeanavon Harper, daughter of Mr. and Mrs. E.D. Harper; Geneva Curry, daughter of Mr. and Mrs. E.E. Curry; Nancy Bryant, daughter of Mr. and Mrs. Leamon Bryant; Barbara Kirkpatrick, daughter of Mr. and Mrs. Cass Kirkpatrick.

Winners of trophies for the best floats in the parade were Junior FHA, first; Pep Squad, second; FTA, third.

The Junior FHA float featured an old fashioned cook

GINNINGS

A week of sunny skies brought cotton ginnings up to a total of 2,507 bales ginned Wednesday at noon.

Last year's ginnings at this time were recorded at 1,653 bales. A week of wet weather had brought gins almost to a standstill at that time.

Most area ginneries estimated that another two weeks would bring the harvest into full swing here.

Bodkin Guesses 11, Wins Grid Contest

Leroy Bodkin of Olton had the top spot all to himself this week as he survived a host of upsets to win the Enterprise football contest.

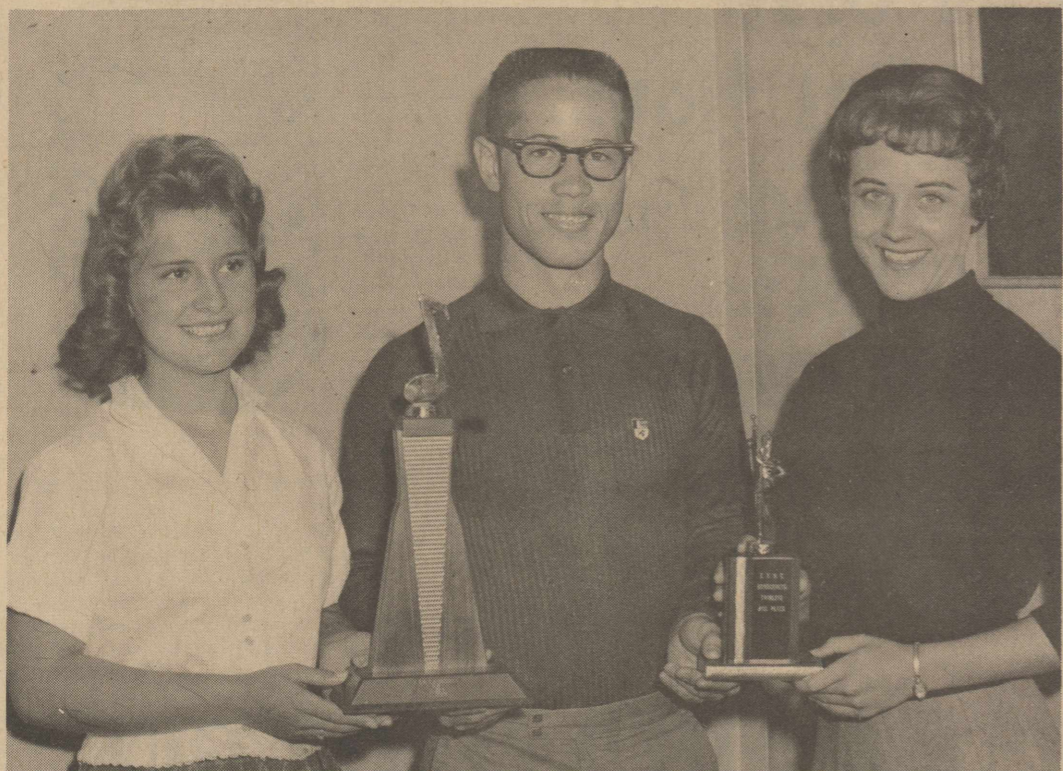

Bodkin picked 11 of 13 games right, missing only on Dimmitt-Canyon and TCU-Tech.

One other contestant, John Allen Douglass, missed three games and copped second place.

Third place was a battle between six entries. Winner was Bailey Hair, who missed four games and was off 30 points on the tiebreakers.

Close behind were Bub Holt, 31 points off on the tiebreakers; E.J. McKnight, 39 points off; Joe Turner, 39 points away; Bob Gullett, 47 off; and David Carlisle, 48 off.

First prize is worth \$10, second \$6 and third, \$4. Contestants can enter the contest for this week by picking up an Oct. 12 Enterprise, filling out the contest blank and turning it in to any of the sponsoring merchants.

AWARDS, AWARDS—Bobbie Tollett and Barry Prestridge, left, display the first-place trophy won by the Olton High School Band last Saturday at the ENMU Homecoming parade at Portales, N.M. Cheryl Poteet, right, also brought home a trophy after winning second place in the twirling contest.

YOU NAME IT—Everything from a tramp to a siren was represented at the Olton HD Club meeting Tuesday during their Halloween costume party. Mrs. Denver Offield, left, is dressed as the tramp and Mrs. Bill Pitts portrays the siren. As for the others—your guess is as good as any.

Want Federal Aid For Your Schools?

The schools in the District of Columbia depend on the federal government. The federal government aids them. The federal government controls them.

Just what dependence on the federal government can mean to a community's education program was shown by an article in a Washington, D.C., newspaper the day after Congress adjourned.

The headline read: SCHOOLS HURT BY INACTION ON D.C. MONEY BILL.

The article said: "District school children will bear the brunt of problems arising from Congress' failure to vote a 1962 revenue program for

the city. The result will be either more double sessions or a higher pupil-teacher ratio."

The city's school superintendent was quoted: "The children will pay the cost of this action."

Construction of two grade schools, a 17-room addition to a grade school, and a junior high school would be deferred, the article said.

For the residents of the District of Columbia, federal money goes hand-in-hand with federal control. Their school program is tangled in the politics of Congress. Their "children will pay."

Aiding the Underdeveloped

From the Omaha Evening World-Herald
 On his recent junket to Africa, Attorney General Robert Kennedy presented the President of West Africa's Ivory Coast an airplane for his private use. Congressman H.R. Gross of Iowa reports the plane cost the American taxpayers \$73,681, and that

the State Department says identical planes are on order as Independence-day gifts for the heads of three other African states.

We wonder, along with Mr. Gross, just how such personal gifts "from the American people" to the African rulers are going to help develop the "underdeveloped" people of the Dark Continent.

Hayleyites Make Points In Textbook Revisions

From out of the storm and furor over the textbook debate at Austin came a list this week of those books recommended by the state textbook committee.

These books are now under consideration by the state commissioner of education and if approved, they will be presented to the State Board of Education for adoption at its meeting Nov. 13.

Books adopted will be introduced into the schools of the state Sept. 1, 1962.

A complete list of those books under consideration may be found at the office of Supt. Johnny Clark.

J. Evetts Haley, a Canyon cattleman, and his Texans for America have been pushing a strong textbook censorship program by charging that some books either were, or had passages that were, un-American.

It was reported this week that every history book adopted by the state textbook committee, for use beginning in 1962, will be in part edited and

re-written to satisfy the Hayleyites and their allies in the DAR and the John Birch Society.

In all subject fields, the Hayleyites protested the adoption of 50 books. Twenty-seven of these were adopted.

However, it was reported that even when the committee refused, on Haley's advice, to damn a book outright, they frequently worked closely within the framework of criticisms laid down by the Texans for America.

The State Board of Education recently ordered the Texas Education Agency to supply each board member with a full account of the "fant-un-American" protests made by the Texans for America and by the Daughters of the American Revolution.

The state board can cut other titles from the list approved by the textbook committee. The board will announce its decisions after the November meeting.

Mary's Favorite Recipe

When asked for a favorite recipe, Mrs. Mary Miller said: "It's really hard for me to give anyone a recipe. I cook in such large quantities. I just throw everything together and pretty much cook to taste."

She finally gave out this one:
 Oyster and Corn Casserole
 1 package or 2 cups whole kernel corn
 1 large size can oysters
 1 cup celery soup
 1 cup cream

Pepper and salt to taste, add dash of worcestershire sauce. Beat three eggs and mix in. Pour in casserole and top with crackers. Bake at 350 degrees about 45 minutes or until done.

She said she uses the above recipe at special times such as Thanksgiving and Christmas. She added that the "guys" really seemed to like it.

Ralph Glover To Get Award

Ralph D. Glover, Olton manager for the Southwestern Public Service Company, will receive a 15 year award at the 13th annual Plains Division service award dinner in Plainview, Oct. 19th, at 7:30 p.m., in the Hilton Hotel.

J.M. Collins, division manager, will act as master of ceremonies, and A.R. Watson, president and general manager for the electric light and power company, will present Glover's award to him. A total of 50 employees, whose combined service equals 670 years, will be honored at the dinner. Warena Cross, of Plainview, with a 40 year award, is the top recipient this year.

A new motion picture telling the story of the growth of this region, "Power For Pioneering", which has just been completed by Southwestern Public Service Company, will have its premier showing at the dinner.

Action Taken On Housing

Olton today received from Housing Administrator Robert C. Weaver approval of its Workable Program for Community Improvement.

Formal approval of a Workable Program is necessary before a community is eligible to receive Federal aids in the form of loans and grants for urban renewal programs and for low-rent public housing, and more liberal FHA mortgage insurance to assist in the private redevelopment of project areas and for rehousing displaced families.

This approval does not con-

stitute approval of any specific Federal aid. The Workable Program is a showing by the community of how it intends to use its own public and private resources to eliminate and prevent slums and blight. Once its program is approved it can apply for the Federal aids to supplement local resources, as needed. The community must show reasonable progress each year under its Workable Program in order to obtain recertification and to remain eligible for the Federal aids.

FEEDERS GET FACTS.. NOT 'CHIN MUSIC'

These Cattle Have Been On Public Display Since June

Feeding Facts And Costs Are Made Public

LAST WEIGHING OF THESE HEIFERS IS SCHEDULED MONDAY AT 8 A. M. ... You're Invited!

Indeed, Purina does give feeders facts, not "chin music." When you buy feed, you deserve facts about results you can reasonably expect from feeding the product.

The 20 head of Whiteface heifers in this self-feeder cattle demonstration have been open to public inspection since the owner, Allen Johnston, first received them in June.

Final weighing in the demonstration will again provide feeders with facts on the progress of these heifers.

You're invited to come out and watch the weighing Monday morning at the lot behind Olton Farm Supply.

A committee of local businessmen and farmers have been working with the project as the weighings were held. Members are Truitt Sides, Owen Norfleet, Dick Whiteley, Elmer McGill, Art Nafzger, Calvin Horn, Bill Turner, Lloyd Graham and Bill Kimbrough.

MRS. JESSE JOE RINEY

Thompson-Riney Vows Said In Silverton Ceremony

The First Baptist Church in Silverton was the scene today for the wedding of Miss LaGuan Thompson, daughter of Mr. and Mrs. L.C. Thompson, Silverton, and Jesse Joe Riney, son of Mr. and Mrs. J.B. Riney, Star Route, Hale Center. Rev. Carlos McLeod, pastor, performed the double-ring ceremony.

Escorted and given in marriage by her father, the bride wore a white ballerina length dress of chantilly lace over taffeta, styled with a fitted bodice and a high neckline and long sleeves ending in petal points over the hands.

Her fingertip veil of French illusion was attached to a crown of seed pearls and iridescent sequins. She carried a cascade of Frenched carnations centered with white sweetheart roses atop a white Bible.

Mrs. L.B. Garvin, Jr., provided a prelude of nuptial selections on the organ. She also accompanied Mrs. Shafe Weaver as she sang, "O Perfect Love," "Whither Thou Goest," and "The Wedding Prayer."

The candlelight ceremony was performed before a heart shaped arch of white mums and greenery flanked on each side by candelabras with blue tapers.

Maid of honor was Darla Peugh of Silverton. She wore a peacock blue velvet dress with a bouffant skirt and fitted bodice with bateau neckline and three-quarter length sleeves. She wore a brief headpiece with a short flush veil and carried a cascade of Frenched carnations.

Candlelighters, Kay Strange and Nena Kay McDaniel, and flower girl, Judy Stephens, all of Silverton, were attired in identical dresses of peacock blue velvet with a bouffant skirt and fitted bodice with bateau neckline and cap sleeves. They wore brief headpieces and wrist corsages of Frenched carnations.

David Hamm, Texas Tech student, served as best man. Ushers were Derron Thompson, brother of the bride, Fred Riney, Lubbock, Texas Tech student, Gene Riney, brothers of the bridegroom, and Kenny

The Olton Home Demonstration Club met in the home of Mrs. Denver Offield Tuesday. They had a salad luncheon and the meeting was from 11 a.m. to 4 p.m.

The ladies carried out the theme of Halloween and came tacky dressed. They gave prizes for the best dressed. Mrs. Paul McFadden won first prize as a "flapper," and Mrs. Tom Smith won second prize as a little girl.

The club held their regular social and at the close they had a short business meeting. Mrs. Joe Chester was a guest and she gave a cake decorating demonstration.

Other guests were Mrs. Herbert Wislan and Mrs. Foy Cook of Springlake.

Members present were Mmes. Dan Adair, Denver Offield, Fred Shaw, Jack Edwards, Ann Warren, G.D. Miller, Harry Thomas, Tom Smith, Bill Fitts and Paul McFadden.

The next meeting of the Olton Home Demonstration Club will be Nov. 7 in the G.D. Miller home.

Dennis Home Is Scene For Meet

The H.L. Dennis home was the meeting place for the Olton Garden Club Thursday, Oct. 12, at 2:30 p.m.

The devotional was given by Mrs. Walter Schreier. It was on the 46th Psalm. President Mrs. A.D. Melton presided over the meeting and held a short business session.

A round table discussion of questions and answers on garden subjects was also held. Flower arrangements were brought to the meeting by Mmes. John Lambright, George Bohner and A.D. Melton. Mrs. Melton's arrangements were made from roses and dahlias that she had dried by a new process.

Refreshments of pumpkin pie with whipped cream and coffee were served by hostess Mrs. H.L. Dennis and co-hostess Mrs. G.E. Bohner.

Members present were Mmes. Jack Allcorn, Ann Blythe, H.B. Carson, Roy Dohbs, Roy Hooper, John Lambright, Athol Light, A.D. Melton, Clary Phillips, Doyle Pinson, W.P. Sampler, Pearl Schreier, L.E. Silcott, H.G. Walker and hostess Mrs. Dennis and co-hostess Mrs. Bohner.

The next Olton Garden Club meeting will be in the John Lambright home Thursday, Nov. 9, at 2:30 p.m. At this meeting, there will be a demonstration on holiday arrangements.

Class Of '58 Reunion Held Friday Night

A class reunion for the class of 1958 was held Friday night after the homecoming football game in the meeting house at the Olton Recreation Center.

Coffee, cokes, and donuts were served to Messrs. and Mmes. Harlan Carson, Clinton Billingsley, Wally Stewart, John Paul Jones, Billy McAllister, Houston Hamby, Sonny Adams, Jack Royce Straw, David Cole and Landon Smith. Also James Simmons, James Ray Hyatt and Kent Wozencraft.

The group played cards and dominoes.

James-Bowers Vows Read In Lubbock Ceremony

The Pleasant Ridge Baptist Church in Lubbock was the scene Sunday afternoon at 4 o'clock for the wedding of Miss Sara Ann James, daughter of Mr. and Mrs. P.J. James, Lubbock, and Bobbie Wayne Bowers, son of C.L. Bowers of Olton.

Dr. J. Ivyly Bishop of Wayland Baptist College of Plainview read the double ring ceremony.

Miss James was given in marriage by her father. Her dress was of pearl white peau de soie designed with motifs of re-embroidered Alencon lace sprinkled with seed pearls and sequins at the scoop neckline. A band of lace applied the skirt also. Tucked bands decorated the bracelet sleeves and a bustle effect in the back fullness of the gown floated into a chapel train.

A fingertip veil of silk illusion was caught in a Juliet cap of lace traced in seed pearls and sequins. Her only jewelry was an antique cameo locket which her mother wore for her wedding. She added white gloves to her wedding ensemble and carried a cascade of gardenias on satin sleeves.

A frock of antique gold satin was worn by Miss Becca Caudle, maid of honor. The dress was fashioned with a fitted bodice, scooped neckline and bracelet sleeves. The skirt was bell-shaped. She wore a small gold hat accented by a soft bow and teardrop pearls. For a corsage, she carried white Frenched carnations on satin leaves.

George Heard of Phillips served as best man and ushers were Tom Sayre and Ralph Chesmore. Mrs. Ernest Mark accompanied Miss Carla Newson in wedding solos.

Members of the house party at the following reception were Misses Betty Gray, Susan Ziegler, Linda Ryno, Mary Jo Henderson, Mary Ann West, Dee Smith, and Mmes. L.G. Caudle, Arlen Trice and G.W. McKinnon, aunt of the bride.

For traveling on a wedding trip to Sante Fe, N.M., the bride chose a wool suit of shadow green and lizard accessories. She wore the gardenias of her bridal bouquet on her lapel.

The bride, a graduate of Monterey High School, attended Texas Tech where she was a member of Alpha Phi Social Sorority and Phi Gamma Nu,

Olton Study Club Meets In Lubbock

The Olton Study Club met at the Olton School house Monday afternoon at 5 p.m. to go to Lubbock for their regular meeting but for a special program. They went to Furr's Cafeteria in the Town and Country Shopping Center and ate.

They then went to the home of Mrs. Carl Macon for coffee. Mrs. Macon is a former resident of Olton. The Southwestern Public Service building was the scene for the Olton Study Club meeting.

Mrs. Allen of Lubbock presented the special program. She showed slides and talked on "My Trip Around The World." She also showed a display of articles she had collected on her trip.

The Study Club had as their guests Florence Daniels of Olton, Mrs. Carl Macon and Mrs. Allen, both of Lubbock.

Regular members that attended the meeting at Lubbock were Mmes. Brent Burrow, Paul Burrus, H.B. Carson, Ralford Daniel, Jim Fuller, Bailey Hair, I.B. Holt, G.T. Sides, Marshall Stone, Jack Straw, Jim Williams and Bill Yates.

The next meeting of the Olton Study Club will be Oct. 30. It will be a high tea at 6 p.m. in the Bill Yates home. Mrs. H.B. Carson will be co-hostess to Mrs. Yates. The theme for this meeting will be "Federation."

Grandparents Home In Belton Scene Of Wedding

Miss Laura Loraine Levi, Plainview, and Randall Edward Small, Olton, exchanged wedding vows Sunday, Oct. 8, in Belton, in the home of the bride's grandparents. Rev. Wayne Imboden read the double-ring ceremony.

Mrs. Small is the daughter of Raymond Levi, Plainview, and the groom's parents are Mr. and Mrs. J.L. Small, Olton.

The bride was dressed in a blue sheath dress enhanced by a corsage of white carnations. She wore white accessories

For traveling, the bride chose a two-piece yellow cotton and nylon dress with black accessories. After a short wedding trip to Lake Texoma, the State Fair of Texas in Dallas, and Cooper, the couple will be at home at 208 East 2nd Street, Olton.

The bride attended Plainview High School and has been employed at West Pharmacy. The groom is a 1959 graduate of Olton High School. He attended Ranger Junior College and is now employed at Straw Gin in Olton.

DRESSING ROOM BEDLAM---The Mustangs and Coach Walter Bryan live it up in the dressing room following Olton's last-second victory over Muleshoe, 12-8. The

victory was Olton's third of the year, and it came at homecoming in the opening District 2-AA game for both teams.

HALFBACK GEORGE JONES (35) finds clear sailing behind fine blocking as he picks up six yards in the second half against Muleshoe. Other Olton footballers are

Johnny Schenck (28), Jimmie Lawson (82), Larry Fancher (74), Robert Duncan (51) and Gary Bizzell (63).

Last-Second TD Pass Wins For Olton, 12-8

It was hopeless. Less than two minutes remained.

Muleshoe's football team had taken over at the Olton 35. In three plays, the Mules moved to the Olton 29.

This was the big play, everyone thought.

If Muleshoe made the first down, the ball game was good as over.

And it would have gone down in the record books as an 8-6 win for the Mules.

Then a Muleshoe gridded stepped off to the side before the fourth down play could get under way.

That made it fourth down and nine. Halfback Jim Young, a young man who gained big yardage earlier for the Mules, was called on.

He got only three yards and Olton took over.

One minute and 13 seconds to go, with 69 yards and a tough Muleshoe team between the Mustangs and pay dirt.

It was still hopeless.

However, somebody forgot to tell the Mustangs.

Quarterback Johnny Schenck got away a pass that for a moment like it was headed only for open spaces. Halfback James Loveless darted between a pair of Muleshoe defenders to grab the ball at the Mule 39.

Then Loveless took a hand-off and got two to the 37. The clock ticked on...40 seconds left, 39...38...

It still seemed hopeless.

Schenck went back to pass. This time it was a high wobbly one.

End Jimmie Lawson worked his way downfield, with Muleshoe defenders all around him.

The tall Mustang end reached high and took the ball at the five, then stumbled into the end zone.

The clock showed 23 seconds left.

The scoreboard read Olton 12, Muleshoe 8.

Olton helmets sailed high in the air.

Muleshoe helmets were thrown to the ground.

Spectators looked at a neighbor in disbelief.

It was bedlam.

It was homecoming.

Moments later, after Schenck had thwarted Muleshoe's last, desperation effort with a pass interception, it was a District 2-AA victory for the Mustangs.

In the Olton dressing room it was a whoop, a holler and a whistle...all at once.

The heroics of the last minute captured everyone's imagination.

But a whole lot of things led to the victory, Olton's third of the year in six games. It was the opening district game for the Ponies.

A stubborn Olton defense had as much to do with the win as anything.

The Mustangs allowed Muleshoe only one first down in the last half, that from a 15-yard penalty. The Mules got less than 50 yards rushing in the last two quarters.

And Muleshoe didn't complete any of its three passes during the night. The last toss was intercepted by Schenck.

Co-Captain Robert Duncan was back in the line-up at linebacker and center for the first time since the McCamey game.

He played a big part in the defense, as did Lawson, Schenck, George Jones, Johnny Moses...you could name the whole line-up.

Muleshoe opened the game like it would run the Mustangs

out of the park. After the opening kick-off, the Mules drove 89 yards in 17 plays, aided by a 15-yard penalty, for a touchdown.

Gerry Pierce, who gained 37 yards himself in the drive, scored from the one. Pierce hit the middle for the extra points and Muleshoe led, 8-0, with 4:29 left in the first quarter.

After the kick-off, the Mustangs couldn't move. In fact it was the second play of the second quarter before they made their initial first down.

Halfback Jones got the necessary yardage with a nine-yard run to the Olton 44.

Two plays later, with the Mustangs operating from their 46, Schenck got off on the longest run of the night, a 17-yarder to the Muleshoe 37.

Johnny Moses picked up three yards in two carries, and then Schenck raced 10 to the Muleshoe 24.

After Schenck picked up two more, it was Moses' turn for the big yardage. He picked up nine to the 13.

The it was Jones' chance.

He raced down to the four.

Three plays later, after the Ponies had picked up a first down, Schenck scored from the one.

The Ponies' running try for the points failed and it was 8-6, Muleshoe, with 6:32 left in the first half.

The best Muleshoe could do before the half was a push to the Olton 45, as Duncan, Loveless and Moses turned in some fine defensive work.

In the third, a fumble spoiled one Olton effort which carried to the Mule 39. The Mules hit Schenck back at the 47 and took over there.

Aided by a 15-yard penalty, Muleshoe moved to the Pony 38, but that was all. That threat died at the Olton 40 and the Mules punted to the Pony 10.

A few minutes later, Muleshoe had another opportunity. Schenck's punt was blocked and the Mules took over at the Olton 33.

Four plays later, the Mustangs took over after stopping the threat at the 25.

The Ponies got some fine work by Guards Gary Bizzell and Jimmy Bennett, Tackles

Joe McKnight and Larry Fancher and End Roy Moss as they stopped the Mules cold.

Olton, using short gains by Charlie Burrus, Schenck, Loveless and Jones, moved 37 yards to the Mule 38 with seven minutes left in the game.

Once again, a fumble stopped the drive. Muleshoe took over at the Mule 40.

Both teams defenses proved too much as the teams exchanged punts.

The last kick, a 22-yarder by Schenck, gave Muleshoe possession at the Olton 35.

But that was where the Mustangs started the Mules' downfall, holding Muleshoe at the 31, then taking over to get the winning touchdown.

Ponies Run Over Plainview

The Junior High football team won a victory over Plainview Estacada Junior High Tuesday night at Plainview.

The score was 14-6, with Joe Priest making all fourteen of Olton's points. He made one 30-yard touchdown and one 10-yard touchdown. The Ponies held the Estacada team twice on their own 10-yard line.

Outstanding in defense for the Ponies were Joe Priest, Robert Williams, Charles Church, Neil Burrow, Don Mitchell, Ronnie Digby and Jerry Smoot.

Their next game will be Thursday, Oct. 26, when they will meet Canyon Junior High here. The Junior High will crown their football queen at a pep rally at 3:30 that same day.

Candidates for the football queen are five eighth grade girls. They are Sheryl Caddel, 13, daughter of Mr. and Mrs. George Caddel; Deborah Cade, 13, daughter of Mr. and

Mrs. Richard Cade; Peggy Green, 13, daughter of Mr. and Mrs. Weldon Green; Brenda Hyatt, 13, daughter of Mr. and Mrs. Jim Hyatt; and Susan Norfleet, 13, daughter of Mr. and Mrs. Owen Norfleet.

THANK YOU....

Let me take this opportunity to thank everyone for the wonderful gifts you gave me for bringing in the first bale of cotton here this year. Thanks again.

Younger Generation Is Taller Than Ancestors

NEW YORK- Lamb County has been experiencing a different kind of inflation, one that doesn't involve money.

It's a lengthwise inflation-- in people, that is. Locally, the young people of the present generation are growing taller than their parents did and very much taller than their grandparents.

The height of the fully-grown man is now almost 5'-10", which is about an inch above that reached by his father and nearly two inches over the height attained by his grandfather.

Good progress skyward has also been made by the women. They are now pushing beyond 5'-4", thus topping their grandmothers by a good 1 1/2 inch.

Similarly, a comparison shows that children, at every age level, are taller than those of any previous generation.

The sources of these findings are studies and reports by the U.S. Department of Agriculture, the Society of Actuaries and the National Geographic Society. The national averages are assumed to apply locally.

A mere head count of Lamb County's population, as was made last year, shows a 3,955 percent increase over 1910, when grandfather was in his

heyday. The total then was 540. That, however, refers only to change in number of people since that time.

If, in addition, change in stature were taken into account, and comparison were made on the basis of the 5' - 7 1/2" men, the 5' - 2" women and the relatively small-size children of the 1910 era, today's population would really be 707 greater -- quantitatively.

With respect to Lamb County's present population and its height, a quick calculation reveals that if all the local people were placed along a straight line, head to foot, they would span a distance of 21.4 miles.

By comparison, the 1910 population would have extended only 0.5 miles.

To adjust for the changes that have been taking place, manufacturers are making beds longer than they used to, theatre seats wider, and clothing and shoes larger.

What's responsible for the general up-rising? Better nutrition, significant advances in medicine and public health and higher standards in living, say the experts.

Take responsibility on your shoulder, and it will leave no room for chips.

Loafing becomes respectable when the doctor tells you it is necessary.

The individual, or nation, unwilling to fight for its rights is not entitled to any.

Man Charged With Car Theft

O.T. Morris, reportedly of Quanah, was charged with car theft here Wednesday, according to V.L. Smith, deputy sheriff.

Smith said the charge was in connection with a car stolen from R.W. Walrup here Sunday.

Smith picked the man up at Panhandle and brought him back to Olton Wednesday. He was transferred to Littlefield Wednesday night.

Homeowners Urged To Use More Fireproof Materials

COLLEGE STATION, Oct. 12- Today too many Texas farm families are living in houses that were built to burn, says the Texas Farm and Ranch Safety Council. The blame can be placed on some of the modern building materials that look smart but burn fast, such as certain fiberboards, accoustical ceiling material and high-

Teenage Boys Are Charged After Fight

Two Olton teenage boys were charged in city court with fighting and fined \$20.50 each after an incident that occurred here Thursday noon near the Tasty Cream.

One of the boys, a 16-year-old Latin American was in possession of a knife reported to have been used in the fight.

Injuries received by the other boy, 17, included a minor stomach wound, a cut on the right arm and scratches. He was treated at Community Clinic and released.

No injuries to the Latin American boy were reported. He was required to pay doctor's bills for the older boy.

ly combustible plastic tiles. Also at fault are houses with hollow walls or false ceilings that are inadequately firestopped, thus presenting an area through which a flash fire can race unimpeded, creating its own draft.

What can be done about this situation? The Council says anyone building or remodeling should insist on fireproof materials. "Your best bet is still an Underwriters' Laboratory label," says the Council.

An interior finish of wall-board made of sypsum, cement, asbestos or plaster offers considerable resistance to fire and will not contribute to flame spread. For the roof, asphalt shingles, slate, asbestos or metal make a good fire-resistant covering. It is also wise to use fire retarding paint when you redecorate.

Wood floors under stoves and heaters should be protected by metal, brickwork, concrete or ventilated air space, the Council continues. Also desirable are impregnated-wood fire doors in critical locations such as basement stairs, house entrances and the bedrooms. These doors will withstand temperatures of 1,800 degrees for 90 minutes, yet they retain the esthetic qualities of wood.

At least one window in each bedroom should have a low sill. High, small windows are often too small for escape, and no window is adequate unless the smallest dimension is at least 18 inches.

"Also remember that no building is any more fireproof than its contents," the Council says. "Furnishings, trim and decorations can be the real fire threat in the home."

Suspects Held In Burglary

Three youths, two from Pampa and one from White Deer, were picked up here Wednesday for questioning by V.L. Smith, deputy sheriff, and Emmett Burrows, chief of police.

The boys were questioned in connection with a burglary Tuesday night at Mustang Theatre. Burrows said -cigarettes, chewing gum, weiners, one dollar in nickels and 100 boxes of candy were taken from the snack bar at the theatre.

All three boys were taken to the county jail at Littlefield Wednesday by Bill Ford, county deputy, where they were held for investigation of burglary.

You can't change the past, but you can ruin a perfectly good present worrying about the future.

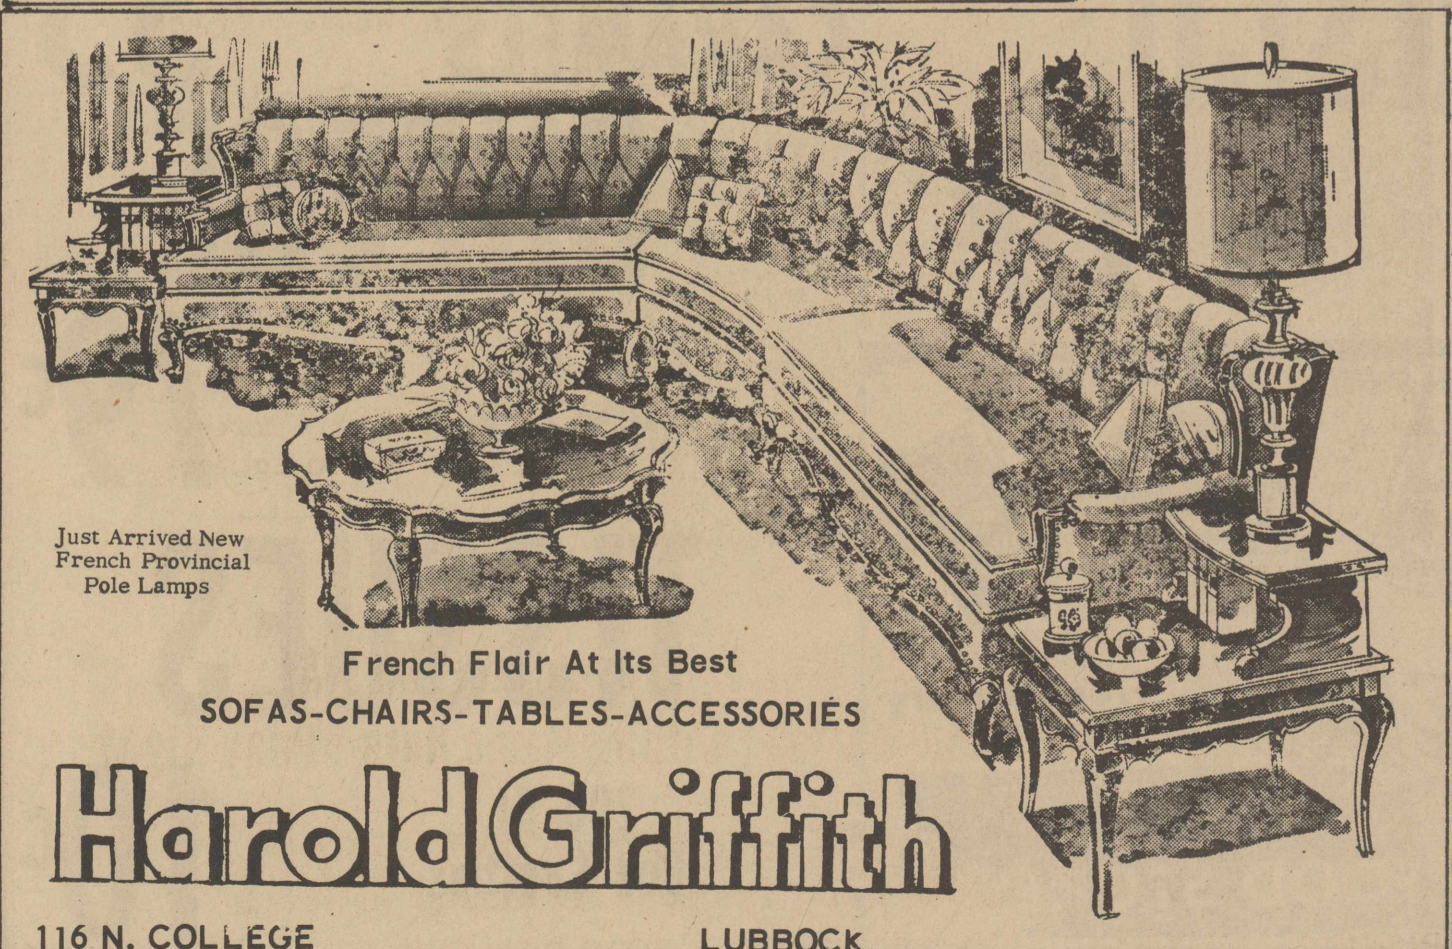

Problems solved aright today will make easier the solution of those problems which we will meet tomorrow.

The Spirit of . . .

Homecoming, 1961

..... Burns Brightly

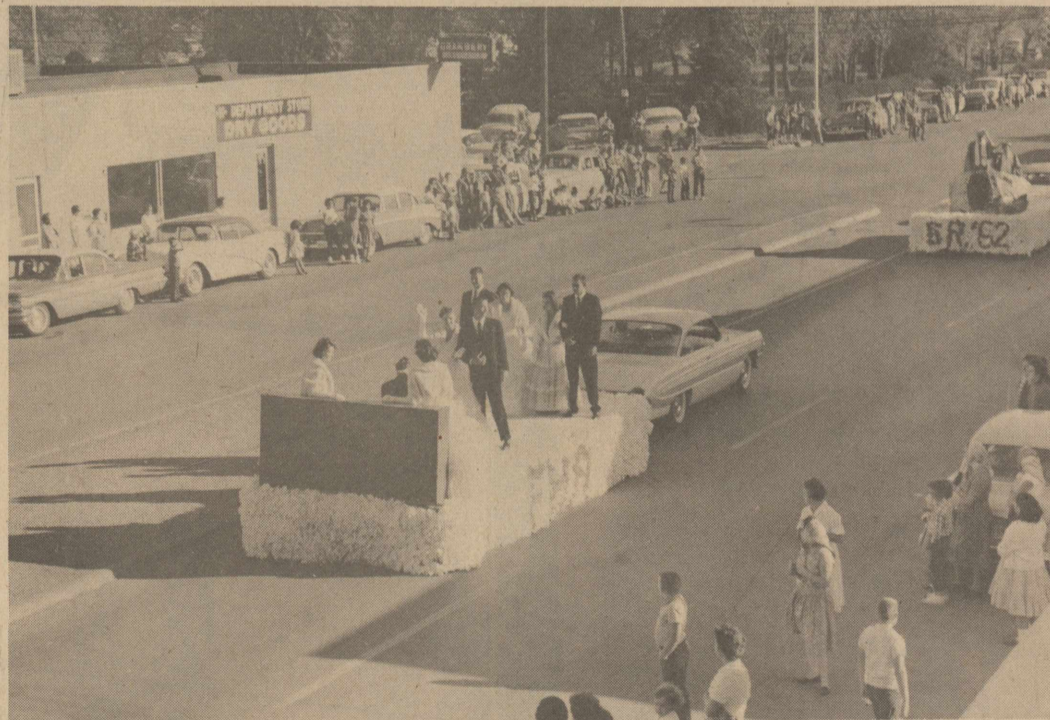

Parade

Homecoming got off to a flaming start here Thursday night as students and exes gathered at the bonfire pictured above. The snake dance, at the right, streamed from the bonfire through downtown Olton, as enthusiasm for the big weekend picked up steam.

Winning floats in the annual parade Friday were FHA, first; Pep Squad, second; FFA, third.

Reigning over the weekend was Queen Marilyn Jones with her court composed of Barbara Kirkpatrick, Geneva Curry, Nancy Bryant and Jeanavon Harper.

The weekend spirit was spiked with cries of "Welcome, Exes" and "Beat Muleshoe"—and they were and they did!

Recommend Family Guide To Aid Settling Estate

Why not write out a personal record for those who must settle your estate after you are gone? This, over and above your will. One man sat down in front of a microphone and made a tape for the advice of his family.

Well, however you do it, list the names, addresses, birth dates of yourself, your wife or husband, your children, father, and mother.

Tell them the names of your trusted friends who can advise them.

Write in clear detail where to find:

Your will, your executor's name and the banker who knows your business affairs;

Your certificate of birth, marriage, veterans' discharge and such papers;

Your deposit box and its key; The amount and beneficiary of each of your insurance policies, your insurance agents and their addresses;

Details about your mortgage, papers, notes, contracts, financial agreements, plus any stocks, bonds, and the like, and your broker's name and address;

Facts on your Social Security--your card number, its location, and your employer's name and address;

Your tax records;

Your debtors, creditors, and what is owed;

Your lawyer's name, address, telephone, and papers in his safe-keeping;

The name and address of any one who has your power of attorney;

Your pension arrangements;

The names of organizations to which you belong and any benefits which may be coming to your family for them;

Funeral arrangements you prefer;

Names and addresses of relations or friends you wish notified;

Facts about your children's health record, facts they might find hard to get without your help;

A list of your personal belongings;

Include other facts that seem important.

Then, having completed this guide for your family, put it in a safe place--but not your safe deposit box. Tell your family or closest friend where to find the list.

says the CLEO SMITH family of Olton, Texas

Outside fun is a regular pastime at the Smith home. Reddy Kilowatt is busy with the household chores while the Smiths relax at the trampoline.

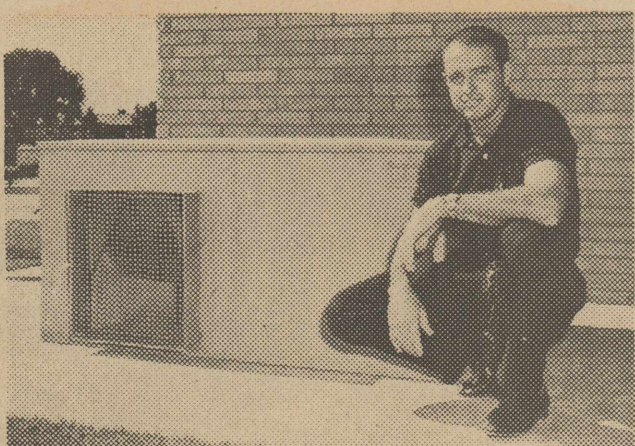

Here is an outside picture of the Smith's lovely Gold Medallion home. Notice the wide overhanging roof which contributes to economy of summertime cooling.

The Cleo Smith family is enjoying the finest in modern living -- an all-electric Gold Medallion Home... even to the heating and water heating. Full wintertime comfort is gained with a 5-ton electric heat pump that not only heats in the winter but gives delightful summertime comfort during hot weather. Water heating is easily and economically accomplished with an automatic electric water heater. The Smith's home is another example of how easily complete electric living can be used for family comfort. The key is correct design, correct insulation and proper installation. Let your Public Service manager work with you when you are building a new home--do it right--make it a Gold Medallion all-electric home.

LIVE BETTER
ELECTRICALLY

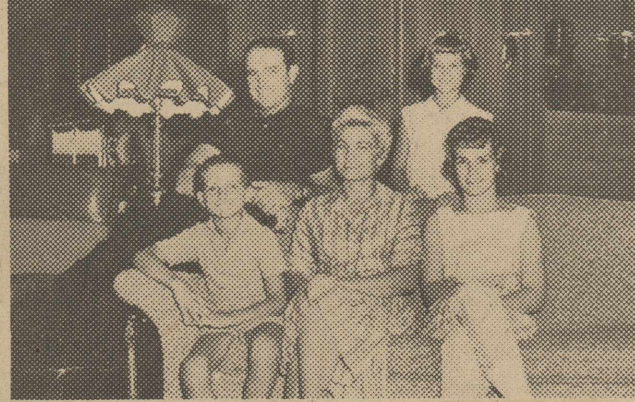

Mr. Smith poses next to 5-ton electric heat pump which adequately cools or heats the Smith's home -- oftentimes does both -- during spring or fall when days are hot and nights are cool.

All the Smiths enjoy their electric appliances. Here, Diane, demonstrates way in which she often bakes special recipes in the electric oven.

Donna, too, finds Reddy Kilowatt a willing household worker. All she has to do is push a button and the dishes get done cleaner and better than by old-fashioned hand dishwashing.

This family portrait pictorially shows the delight the Smiths have with their all-electric Gold Medallion Home. They're a happy family and Reddy is proud that he contributes toward their happiness.

Mrs. Smith likes the cleanliness of electric cooking and the sparkling cleanliness of her electric range is proof only electric cooking cooks really clean.

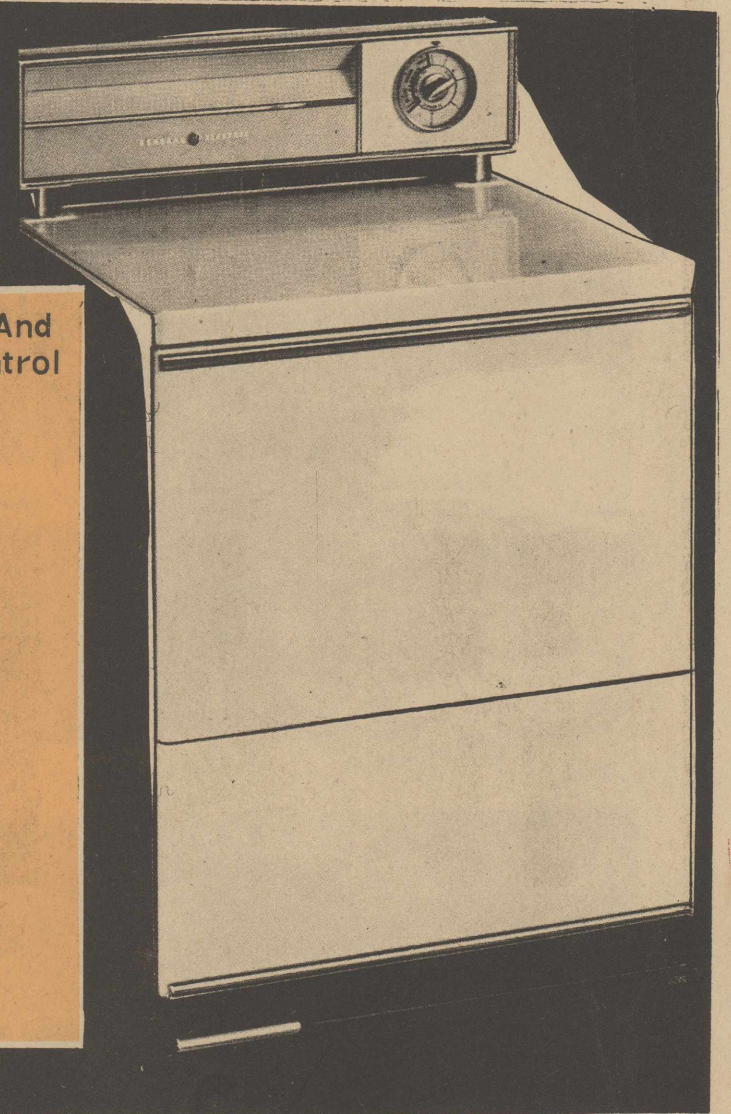

Mark is one reason Mrs. Smith likes her electric clothes dryer. Here she shows how a pair of Mark's pants, after being washed electrically, are easily dried in the electric clothes dryer at a touch of a button.

Running Water Draw Is Scene Of Shed Survey

H.A. Hysinger, supervisor for the Olton area in the Lamb County Soil Conservation District, reports that the State Soil Conservation Board is making a preliminary survey of a small water-shed application on running water-draw. Running water-draw cuts through the northeast corner of Lamb County, north of Olton.

The survey team consists of Bud Norton, water planning engineer; Aubry Dalrymple, field planning engineer for the State Soil Conservation Board; Y.E. McAdams, engineer, Soil Conservation Service, Lubbock; and the local Board and Soil Conservation Service personnel.

Hale County Soil Conservation Board for a small water-shed project. Four other districts, including Lamb County Soil Conservation District, are sponsoring this application along running water-draw. Surveys will be made along the draw to determine if the damages caused will offset the cost of construction. Such things as recreation waters, municipal water supplies, irrigation water and under ground recharge, will also be considered in determining the feasibility. If the project is approved federal cost share assistance is made available under Public Law 566. The act provides that the Federal Government will bear such costs as the construction of flood prevention structures and channel improvement.

If built, there will be a series of dams on the draw from New Mexico to Plainview. The dams would be of earthen construction, with concrete pipes to let off the overflow slowly, thereby keeping the water under control in the main channel. Farmers and ranches are asked to report damages incurred over the past year to Mr. Hysinger, local supervisor.

VISITS BROTHER
Rev. and Mrs. Wilbur Gaede visited in Amarillo Saturday with Mrs. Gaede's brother, Mr. and Mrs. Corvett Gann.

First Methodist Hold Layman's Day Sunday

Laymen's Day was held in the First Methodist Church Sunday.

Dr. Earl Collier of Plainview was the speaker at the morning worship. He is working for the High Plains Experiment Station here. He spoke on "You Are My Witnesses." He emphasized the work of Laymen and their place in the church. Their duty is to carry on the work in the church and in that manner will be witnesses for the master. The significance of this Laymen's Day program was to show the importance of Laymen in the church, and to help other Laymen find their place in the work of the church.

Bill Walden was in charge of the complete service. Dick Cade led the service, Don Spain led the choir, which was filled with laymen. Willie Gene Green gave the scripture and the interpretation of the scripture. Calvin Horn gave the morning prayer and presented the speaker.

The ladies from the Martha and Elsie Reynolds circles of the W.S.C.S. presented the evening worship. Mrs. Owen Norfleet, president of the Women's Society, was in charge of the program.

Mrs. Wilbur Gaede led the singing. Mrs. Delmer Givens and Mrs. Bill Yates played the organ and the piano for both services.

Ladies on the program were Donna Collins, Louise Leggett, Mrs. Wilbur Gaede and Mrs. Mary Miller.

The purpose of this program was to show the women's place in the church. They had an interpretation of the Women's Society, its work and spiritual program and how it fits into the church.

Rev. Gaede reported that both services of Laymen's Day were well attended.

Wayland Parents' Day Is October 23

PLAINVIEW- Parents' Day at Wayland Baptist College Oct. 23 will welcome parents of Wayland students to the campus where activities centered around a Western theme will provide for their entertainment and help to acquaint them with the college.

Hosts for the day's activities include Mary Lou de la Cerda, R. Jean Falser, Alene Thompson Redinger, and James O.C. Simmons, Olton; and Everett Baldwin, Springlake.

Highlighting the day will be dedicatory ceremonies at 2:30 p.m. for the two newest structures on the Wayland scene, Owen Hall, where the program will take place, and Allison-Conkright Hall.

Owen Hall, 100-unit residence for women, has been named by the trustees in honor of Dr. A. Hope Owen, president.

Allison-Conkright Hall, 8-unit residence for married students, has been given to the college by J.R. Allison, Hereford, a Wayland trustee, Mrs. Allison, and her mother, Mrs. H.G. Conkright, Hereford, a

Rainbow Girls Hold Meeting Monday Night

The Olton Rainbow Girls met Monday night at 8 p.m. Their temporary leader was Mrs. Evangelynn Coleman.

A short business meeting was held. After the business meeting, refreshments of sandwiches and cokes were served to the girls by Sandra Johnson and Deanna Thompson.

The next meeting of the Rainbow Girls will be Monday, Nov. 6. Every Rainbow Girl is urged to attend this meeting.

Accidents On Rural Highways Are Reported

The Highway Patrol investigated 14 accidents on rural highways in Lamb County during the month of September, according to Sgt. D.S. Lawson, Highway Patrol Supervisor of this area.

These wrecks accounted for 1 person killed, 5 persons injured and a property damage of \$9,151.00.

The rural traffic accident summary for Lamb County from January through September of 1961 shows a total of 90 crashes. As a result of these crashes there were 5 persons killed and 46 persons injured. The estimated property damage amounted to \$55,701.00.

"Shorter days and longer nights spell disaster on the streets and highways," Sgt. Lawson said. Next time you turn on your headlights, glance at your watch and see how much earlier you are using lights than you did only a week or two ago. And, as time moves on during the next three months, carlights will be needed earlier day by day.

No matter what anyone may tell you as to how good a driver he is after dark, you had better take it with a grain of salt, because according to Sgt. Lawson, no human sees as clearly or as well after dark as he does in the daylight. Some people may see better than others, and some may not be bothered too much by bright lights in traffic; but, if they will be honest with you, they will admit that they do not consistently employ the same driving tactics after dark as they do in the daylight.

The veteran Highway Patrol Supervisor added that night driving is different; therefore, it calls for a driving technique very different from that used during the daytime.

Angler-Yeah, the fish was too small to bother with, so I got a couple of guys to help me throw it back in the lake.

long time benefactor of the college. It is the third of 10 such units planned for benefit of married students.

Parents from the 31 states represented at Wayland have been sent invitations by President Owen and Dr. Fred D. Howard, chairman of the Parents' Day Committee, to attend

classes with their sons and daughters and to eat with them at the "chuck wagon" at noon. Also of interest to them will be chapel period with students furnishing the program.

Greetings will be brought by President Owen and Dave Causey, Hendersonville, N.C., president of the Student Gov-

ernment Assn. Singing will be led by Charles Lovell, Plainview, with Annette Massingill, Phillips, at the organ and Mrs. Jera Lynn Saul, Fort Collins, Colo., at the piano. The International Singers, eight-member ensemble from the International Choir, will sing under direction of Cram. Dr.

Howard will serve as master of ceremonies.

A question and answer session with members of the administration and faculty at 1:30 p.m. will give parents opportunity to ask about Wayland and college in general. The day's program will close at 3:30 p.m.

Hart Camp Happenings

BY MRS. EDWIN OLIVER
Rev. Jack Moore, pastor of the Hart Camp Baptist Church, returned from Wolfe City Monday after conducting a week of revival services in the First Baptist Church there.

Sammie and Dona Wheeler, Mitzi and Donnie were in Dallas over the weekend to visit Dona's father, Allan Malone, who will enter the Dallas hospital this week for eye surgery. Dona remained in Dallas to be with her father during his surgery.

J.T. and Easter Weatherly were in Dallas over the weekend where J.T. went through Veterans Clinic there. Mr. and Mrs. Charlie Williamson accompanied them on the trip. While there the one and one-half year old son of the Williamson was burned when a cup of hot coffee was spilled on him. He was treated for the burns while they were in Dallas. The group visited with Mrs. Weatherly's mother in Wichita Falls on their return trip. The Williamson live in Shallowater and Charlie is a son of Mrs. Weatherly.

The Winston Davies family of New Home were visitors in the Blanton Martin home Monday night. Mr. Davies is a brother to Mrs. Martin.

Olton Band members from Hart Camp making the trip to Portales Saturday with the band were Shirley Leonard, Carolyn Osthus, Kerwin Oliver, Larry Jordan, Tommy Lou Covington and Preston Leggett.

Visiting in the L.A. Smith home recently was Mrs. Smith's brother, J.O. Handley of Carmel, Calif.

The L.A. Smith family were in Dora, N.M., Saturday to spend the day with George Gashwa.

Fred Riney, who is a student at Tech, was home to spend the weekend. Kerwin Oliver spent the afternoon with him Sunday.

Lee and Johnnie Leonard of Spade were visitors in the Hart Camp community Sunday.

The J.A. Tolberts were recent visitors in Pecos, Texas, and Carlsbad, N.M.

Mr. and Mrs. J.A. Tolbert were in Wichita Falls last week to attend the funeral services of D.C. Carr, who was a brother-in-law of Mr. Tolberts.

Mr. and Mrs. Holden returned home Friday from a visit with her relatives in Oklahoma. A cousin of Mrs. Holdens returned home with them for a visit.

The ladies of the Hart Camp Baptist Church W.M.U. met Monday afternoon for a mission study program. Lila Muller was the program leader. Those attending were Lila Mull-

er, Floyce Parkey, Lena Faye Lynch, Willie Mae Martin, Wyoming Burleson, Mrs. R.S. Moore, Mrs. L.W. Sullivan and Mrs. Jack Moore.

A group of men left Tuesday morning for an Elk hunting trip in the mountains near Delores, Colo. The men will be carried into the mountains by pack mules. Among the men who are making the trip are Ray Johnson, Billie Frank Johnson, Dan Puckett and Junior Muller from Hart Camp.

Claude Parks is visiting in Colorado with his sister, Mrs. J.W. Johnson.

Sue Moore and Sherrod Fieldon visited in the Phil and Donna Neinast home following church services Sunday night.

In the absence of the pastor of the Baptist church Sunday morning, "Laymans Day", was observed with the men of the church teaching all classes as well as bringing the message in both the morning and evening services. The message was brought by W.O. Hendrick and J. Ray Moore on Sunday morning and the evening message was brought by Billie Frank Johnson and Elma Burleson.

An all night camp-out for the Royal Ambassador boys of the Baptist Church was held Friday night of last week in the draw of the Ray Johnson's pasture. Those attending were Gary Parkey, Mark Muller, Danny and Robert Sagerser, Ronny, Danny and Bobby Jones, Vaughn Westherly, Steve Burleson and Larry Morton. Also attending were the leaders of the R.A.'s, Billie Frank Johnson and Edwin Oliver.

Dewey Parkey had the cast removed from his hand last week. He had some bones broken in his hand when a horse kicked him on the hand recently.

Mrs. J.B. Riney was in Silvertown last Thursday to attend a bridal shower honoring the bride-elect of her son, Jesse Joe, who will marry today in the Silvertown Baptist Church.

The birthdays of Kerwin Oliver, Floyd Oliver and Mrs. Edwin Oliver were observed last Sunday with a dinner in the home of the Edwin Olivers.

Rev. Jack Moore and his family attended revival services at the Flint Avenue Baptist Church in Lubbock Tuesday night. The Moores are former members of the church.

Olen Mahaffey, son of Mr. and Mrs. K.W. Mahaffey, was guest speaker at the Hart Camp Church of Christ Sunday morning.

The G.A.'s surprised Shirley Leonard on her birthday last Wednesday night with a party after their G.A. meeting.
