Cartwright, 4 Others Resign

New, firm policies regulating the use of City of Olton equipment on work for individuals were approved by the city council Tuesday night. An investigation of "on the side" jobs done by three city employees brought these developments:

1. Disclosure of about \$150 worth of work involving "after-hours" use of city equipment, for which the city did not receive any of the money paid for it.
2. Resignations of five city employees, including water superintendent Harold Cartwright.
3. Payment to the city by three employees of the amount of money received for the extra jobs.

The situation came out into the open here last week after District Attorney Jack Young of Muleshoe suddenly began an investigation.

That led to a special council meeting last Thursday evening at which details of the after-hours work were laid bare by Cartwright, J.W. Huggins and Domingo Garcia.

At the time, Cartwright and Huggins were still on the city payroll. Garcia had been dismissed from his job a few days earlier by Cartwright.

After questioning the three, the council later agreed on this course of action: To accept resignations of Cartwright and Huggins and accept restitution of money due the city. They planned no further action, based on "current knowledge" of the matter, and agreed there was a possibility of misunderstanding on the part of the employees.

Mayor M.T. James Jr. said as far as he knew no authority was ever given for employees to use city equipment on jobs for which they were paid by the customer.

"There's nothing in writing," Councilman G.H. Buchenau pointed out. "Nothing in the minutes about it, one way or the other."

Meeting in regular session Tuesday night, the council immediately took steps to set down a policy in writing. These were the major points, proposed by Councilman Fred Thompson and later approved by the entire council:

1. No city equipment, exclusive of fire equipment, will be allowed outside the city limits, unless specifically approved by the city council.
2. The following rates were established for machine hire in the city: bulldozer, \$15 per hour; maintainer, \$6 per hour; ditcher (not for hire); dump truck, \$5 per hour; front-end loader, \$5 per hour.
3. All this equipment must be accompanied by a city operator. Charges for time being as soon as equipment leaves city yard and last until the equipment is back in the yard.
4. All bills will be handled through the city office, with all checks payable to the City of Olton.
5. At each council meeting, there will be a report on machine hire, including information on who was served, what was paid and the number of hours the equipment was in use.
6. City equipment is not for hire after normal working hours.

The city's sewer pump, on which the council agreed a misunderstanding could have stemmed, will be loaned without an operator. Charge will be \$1 per hour, with the person borrowing it signing at the city hall when he takes it and when he brings it back.

Because of the possibility of a misunderstanding, the council did not require restitution on jobs which involved the sewer pump only.

Mayor James pointed out that the pump was loaned here without charge for years and that the council agreed a few months ago that an operator should accompany it.

At last Thursday's meeting, Cartwright told the council he understood that it was alright for the person going out with the pump to get paid by the customer for the work. "I thought it was all right. . . if it's not, I'll pay for it," he said.

"There is one thing I want to bring out," Mayor James said. "On that house moving job, Harold asked me if it was all right to use city equipment on that and I told him it was okay on that particular job."

"I thought it might have been a favor to the people involved. . . nothing was mentioned about money. . . he (Cartwright) might have misunderstood," James said.

"That's the only job I remember being asked about," James said, "and there was no mention of money."

"I never went back to him," Cartwright agreed.

Referring to the after-hours work, Cartwright said, "I did it without any. . . enough. . . authority, anyway."

Cartwright later offered his resignation and asked the council to accept it and the money which he had received for after-hours work. The amount of money was \$91.50.

"What I did was with good intentions," he said, "I didn't realize it was so serious."

Cartwright, Garcia and Huggins earlier had told of various after-hours jobs they had done, ranging from moving a house to bulldozing a stock tank to pumping out cesspools.

Later in the meeting, the council discussed what action it would take and Councilman Buchenau stated: "It's a serious situation. . . it reflects back on the city commission. . . we're not doing the job."

Then he added: "I'm going to absolve myself. . . I'm the one who helped dig all this up. One man hinted it to me and then I started checking. . ."

Besides Cartwright and Huggins, three others quit their jobs. They were Ronald Davis, Joe M. Green and Winton Hackler. None of them was involved in the questioning on after-hours work.

Three temporary employees were hired for trash collection and Tuesday night the council employed W.E. Rucker as a general worker, to fill in while the council goes about the job of employing a water superintendent.

Dr. Basil Johns attended both meetings as a new council man. He was sworn in last Thursday during the special meeting.

In other activity at the meeting the city:

1. Agreed to pay Domingo Garcia \$60 for police work Garcia said he had done in the fall of 1960 and had never been paid for. Garcia told the council he put in 120 hours helping Ernest Holland at night.
2. Authorized the purchase of 500 feet of 2 1/2-inch hose for the fire department. Cost is expected to be around \$800.
3. Studied proposals for improving drainage on the street from United Elevators west into the Negro section for possible extension of sewer facilities in the Latin and Negro areas. The sewer proposal is tied in with plans for the federally-financed local low-cost housing project.
4. Gave its approval for operation of the Latin Center until 1 a.m. on Sundays. Councilman Bob Gullett, who operates the center, abstained from the voting.
5. Discussed the need for clarification of the council's recent appointment of each councilman as "head" of a certain department of the city. Councilman Duncan said the situation was confusing to employees. . . that some "don't even know who to take orders from." Duncan suggested the need for centralized authority, preferably the mayor. The council agreed to discuss the matter further at its next session.

Polio SOS Set This Weekend

Turnout Of 3,000 Expected

Workers on the Sabin polio vaccine clinic to be here this Saturday and Sunday afternoons said this week that they expect approximately 3,000 persons to turn out for the clinic.

The clinics, in the school lunchroom, will be conducted for three hours each afternoon, from 3 to 6 p.m. Saturday and from 2 to 5 p.m. Sunday. They are being sponsored by the Olton Chamber of Commerce and Agriculture.

Local doctors have repeatedly stressed the importance of the vaccine for persons of all ages, stating that it does not matter whether a person has had the Salk shots or not.

The new oral vaccine is supposed to give more complete protection than the Salk vaccine. The oral vaccine is completely tasteless and has no after-effects.

A copy of the registration blank to be used for all persons taking the vaccine may be found in this paper. School students were also issued copies of the blank this week.

"I would like to express our appreciation to the many people who have helped us in planning these clinics," Melvin McReynolds, CC-A manager said this week.

He noted that the Boy Scouts will help with the program and Cashway Food, Sherman Food, Gray Grocery and Botkin Food will donate sugar cubes. Paper cups will be donated by Cloverlake Dairy and Smokey Gilbert, route man.

He also expressed appreciation to Wayne's Hi-Plains Printing for various printing contributions and to The Olton Enterprise for publicity.

Druggists from Olton Drug will be in charge of transfer of the vaccine.

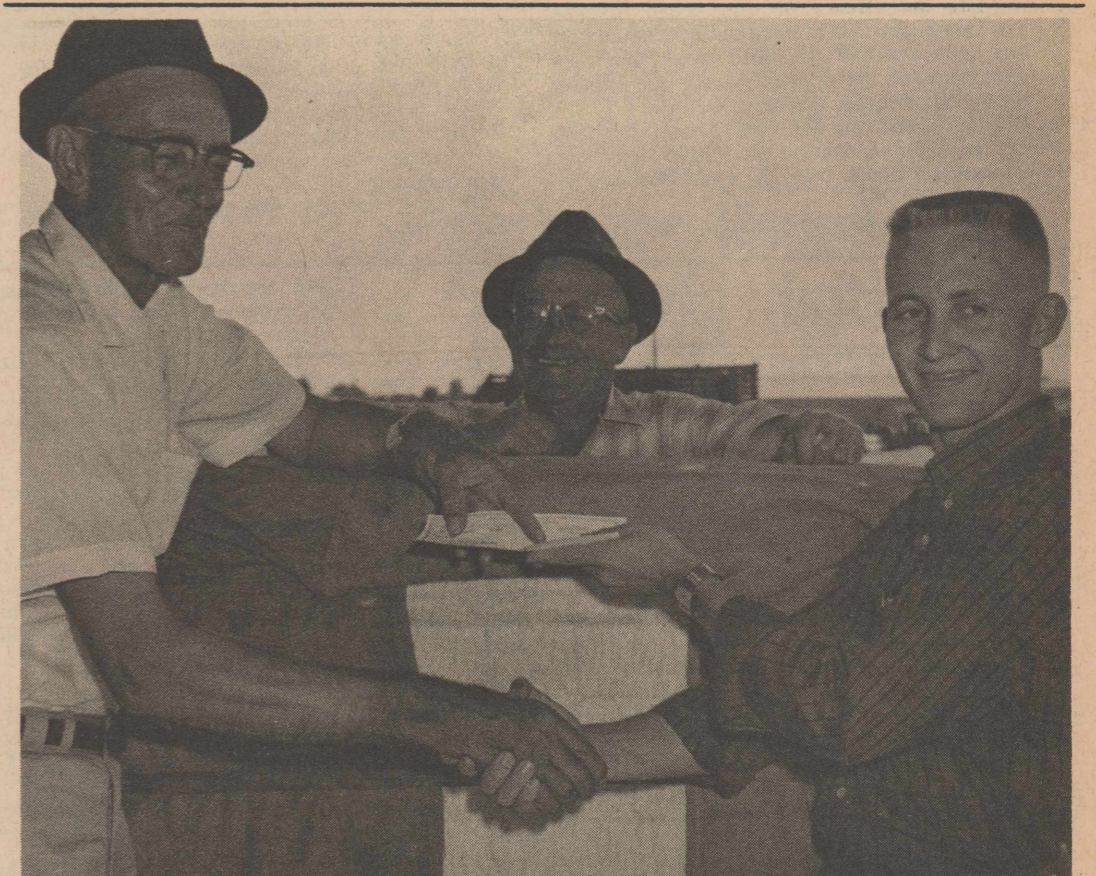

Nurses, Theo Hackler, Leta Bell, Edzie Hackler and Mrs. Fred Long, will administer the doses.

Drs. Basil Johns and Lynn Fite will supervise.

Assisting with the Saturday registration will be Mrs. Frank Struve and Mrs. Ed Thompson members of The New Century Study Club, and Mary Ann Salvador and Amelia Valverde.

Assisting with Sunday registration will be Mrs. Don Spain and Mrs. George Caddell, New Century Study Club, and Margaret Mendoza and Mrs. Ralph Salvador.

Signs for the clinic will be painted by Paul Hernandez. No charge will be made for the vaccine but donations will be taken by Laus Hair and Gene Trotter to help cover cost of the medicine.

FIRST 1962 COTTON in the Olton area this year was brought in by Frank Adams, left. At center is Jack Straw, who ginned the 585-pound bale and at right is Melvin McReynolds, Olton C-CA manager, who presented Adams with cash and merchandise from local merchants.

Mustangs, Floydada Battle Friday Night

Olton's Mustangs, shaded by Abernathy in a game the Ponies won on paper, travel to Floydada Friday night to take on a tough, fast bunch of Whirlwinds.

The non-conference game is set for 8 p.m. at the Floydada field.

While Olton was losing an 8-7 battle to Abernathy last Friday night, Floydada stormed past Spur, 33-14.

Olton's scouts came back with nothing but praise for the "Winds."

Floydada copped the win easily, leading 27-0 at the half. Reserves played much of the second half.

Tommy Watts, a 10-flat speedster, led the Whirlwinds with a sparkling 85-yard run for one touchdown and a 14-yard gallop for another.

He had plenty of help from QB Vernie Moore, HB Butch Gilliland and FB Jimmy Stewart, who scored a touchdown apiece.

Floydada picked up 258 yards total, compared with Spur's 115.

Olton had its troubles with Abernathy, despite the fact that the Mustangs led in first downs, yards gained and most every thing else but the score.

George Jones, Joe Priest,

Ronnie Parsons and Johnny Moses all gained well for the Ponies, but Olton bogged down near pay dirt several times.

Floydada boasts one of the area's toughest defenses, led by tackles Joe Dunn and Bruce Julian. Both weigh about 200.

The Floydada forward will will average 185, compared to Olton's 170.

Olton's starting line probably will be George Phillips and Charlie Burrus at end, Daniel Rey and Jimmy Bennett at tackles, Dennis Givens and Robert Struve at guards, and Leon Kendall at center.

New Church Going Up

Trinity Baptist Mission, Latin mission of the First Baptist Church, started construction on a new church building this week.

The 36 by 80 foot cement block building is expected to be completed by the first of November.

The building will be complete with baptistry. Pastor of the Mission is Glenn Smith.

CITY COUNCIL deliberates on city equipment situation here.

Area's First Cotton, Grain Of Year Roll In

Olton's first cotton and grain of the year rolled in Saturday afternoon, kicking off what is expected to be a banner year for both crops.

First cotton came in Saturday afternoon to Jack Straw Gin Co. It was delivered by Frank Adams, who told by-standers: "My cotton this year is the best I've ever had."

First grain load was reported Saturday afternoon by M-C Grain Co. at its location north of Circle, Vernon Britton, who farms north of Circle, harvested 17,500 pounds from three acres.

As always, the man with the first bale of cotton had dozens of prizes waiting for him. The Chamber of Commerce and Agriculture annually presents the first-bale farmer with a list of prizes from local merchants as a token of recognition for the area's No. 1 crop.

This year, the cash and prizes from local merchants came to a total of \$265.50.

Jack Straw Gin paid Adams 50 cents a pound for the 585-pound bale, plus \$100 a ton for the 900 pounds of seed. The gin also threw in free ginning and bagging.

The bale was ginned from 2,300 pounds of raw cotton. Adams planted the Rilecot 90 cotton on April 18 and irrigated three times. He applied soil conditioner before he planted and later sidedressed the crop with it.

"It's the best cotton I've ever had," Adams said. "It should make two bales an acre." The cotton was pulled from

about 6 or 7 acres, Adams said, by a crew of 27 braceros. It took them three hours.

First grain delivered by Britton was DeKalb E-56A. He planted April 25, after pre-watering once. He later irrigated three times. He put down Sol-U-Phos prior to planting. Moisture content of the grain

Ties Make It Tough On Contest Entries

Lady Luck jilted most of Olton's football guessers last weekend. Only five persons in the contest were able to guess right on 10 of the 14 games played last weekend.

Out of that scramble came these three winners: Melvin McReynolds, first; Bobby Turner, second; and Bettye Jordan, third.

They will receive checks for \$10, \$6, and \$4, respectively. Two others just missed the money: Billy Jordan and Douglas Nickerson.

McReynolds nabbed the top prize by guessing closest on the tie-breaker. He picked Abernathy to beat Olton, 13-7, and was just five points off.

Turner was only six points off and Mrs. Jordan missed by only 11. Billy Jordan missed the tie-breaker by 14 points and Nickerson was off by 31 points.

Thirteen other contestants missed on five games. And there were many, many more who fared worse. One game was not counted--Hart vs. New Home was canceled--and that cut the list to 14. Of the 14 games, three were ties and everybody missed those. So the top five contestants missed only one other game each.

There's still time for contestants to enter the game for this week. All you need to do is pick up a copy of the Sept. 6 Enterprise, pick your winners and turn in your entry to one of the sponsoring merchants. Deadline for entering the contest for this week is Friday at 4 p.m.

EDITORIAL Big Opportunity

Olton and the area will have a rare opportunity this weekend.

With practically no effort and no discomfort involved, people of this area will have a chance to take a big step towards completely eliminating polio.

Since the introduction of the Salk vaccine in 1955, the incidence of polio has been cut back sharply. But even one case of a crippled child or of a stricken parent is one case too many.

When the effects of this dread disease are considered, it is hard to understand how any man, woman or child would not take advantage of the approximately one minute that it takes to get the vaccine.

The Olton Chamber of Commerce and Agriculture, conducting the clinics, has gone all out to make this as 'easy' for everyone as possible.

They have set two clinics, one on Saturday and another on Sunday, so that people can come at their convenience.

The time factor, as we have stated, is almost negligible.

The location, the school cafeteria, is one familiar to all residents of the school district, and has plenty of parking space.

There actually is no money factor. Although donations will be accepted, the vaccine will be given completely free to any who cannot afford to donate.

As for the vaccine itself, it is completely tasteless and has no aftereffects.

Only one step remains. . . . and that is up to each individual.

We would hope that no person would neglect this opportunity to do something for ourselves, for our families and for our neighbors.

In this instance, the price of apathy is far too high.

PTA's Grow — Children Benefit

It happens every fall.

As children the country over start back to school, the grown-ups most concerned with their welfare get together in activities that protect those children and enhance their learning and their lives.

Usually they do it in the PTA, through one of the more than 47,000 parent-teacher associations that constitute the National Congress of Parents and Teachers.

AGAIN THIS fall, the millions of Americans who are PTA members will seek new colleagues to help advance "the welfare of children in home, school, church and community."

Under the leadership of Mrs. Clifford N. Jenkins, of Roslyn Heights, L.I., N.Y., they will look for answers to the needs most pressing in their own communities.

PTA offers a challenge to parents of children of all ages, even of children not yet ready for school. Throughout its 65-year history, the National Congress has led in establishing kindergartens, needed today especially in the hundreds of new communities that must build schools first, begin preschool training later.

SCHOOL-AGE children get all kinds of help from PTA activity, notably from its long-standing programs for promoting their health—throughout their school years—and their safety. Parents and teachers have worked together to improve the quality of education offered in their communities and, through the National Congress, to upgrade education nationally.

Whether they contribute books to a school library or

National Congress leaders as meriting special attention from PTA's.

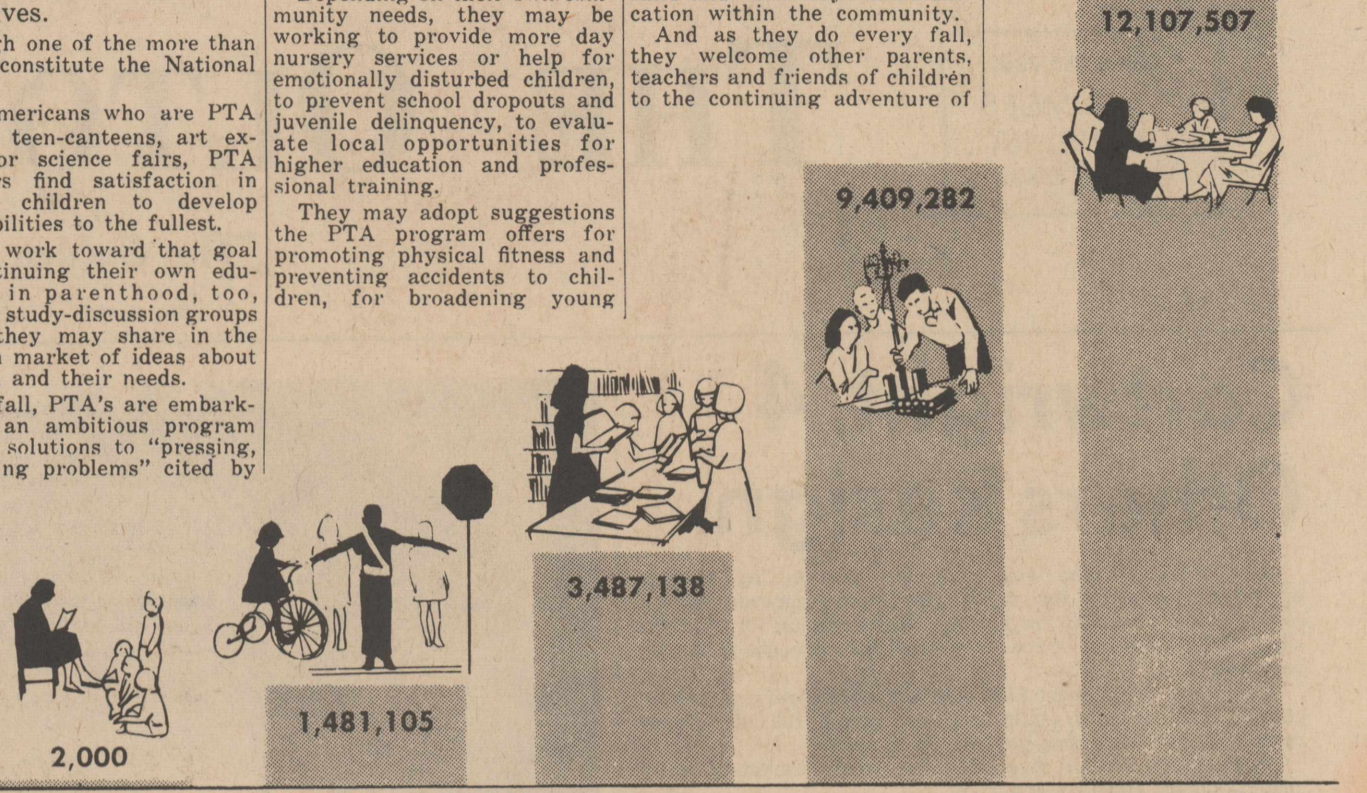

Depending on their own community needs, they may be working to provide more day nursery services or help for emotionally disturbed children, to prevent school dropouts and juvenile delinquency, to evaluate local opportunities for higher education and professional training.

They may adopt suggestions the PTA program offers for promoting physical fitness and preventing accidents to children, for broadening young

people's vistas in the field of cultural arts, for encouraging fuller participation in civic affairs and "two-way" communication within the community.

And as they do every fall, they welcome other parents, teachers and friends of children to the continuing adventure of

the PTA, urging "join it, serve it, grow with it."

Since its founding in 1897, the National Congress of Parents and Teachers has grown to a membership of more than 12,000,000, in PTA's throughout the United States and in American communities overseas. Its activities range from those of preschool groups to high school PTA's.

Junior High Cheerleaders Are Named

Valda Jones, daughter of Mr. and Mrs. Owen Jones, was selected head cheerleader in Junior High Friday afternoon.

Others include Donna Smith, daughter of Mrs. Cleo Smith, from the eighth grade. Seventh grade leaders are Sandie Gregory, daughter of Mr. and Mrs. Dan Gregory, and Robbie Langford, daughter of Mr. and Mrs. Bill Langford, Francine Offield, daughter of Mr. and Mrs. Denver Offield, and Kathline Carson, daughter of Mr. and Mrs. Wayne Carson were chosen from the sixth grade.

Teachers Reception Held Here

Mamas, papas and teachers got together to discuss little Johnny and the great big world of education at the annual teachers reception here last Thursday night.

PTA officers commented on the large turnout at this first meeting and expressed hopes that attendance would continue as high.

The brief program at the meeting was conducted by George Cadel, program chairman, who introduced Johnny Clark, superintendent. Clark

then introduced the principals, who introduced the teachers in their schools.

The usual hospitality hour followed the program.

MRS. DAVID CARLISLE

Nicholson-Carlisle Wed In Home Ceremony Here

Standing before an archway of yellow gladioli flanked by two baskets of the flowers, Miss Carroll Gayle Nicholson and Rodger David Carlisle exchanged wedding vows Sept. 1 in the home of Mr. and Mrs. T.B. Hankins.

Minister Herbert E. Setliff of Plainview performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. G.A. Nicholson and the bridegroom's parents are Mr. and Mrs. V.J. Carl-

isle Jr. The bride, given in marriage by her father, wore a princess style dress of imported brocade in shell white.

Her shoulder-length veil fell from a headpiece of shell white leaves inset with pearls. She wore white shoes and carried a bridal bouquet of a white orchid surrounded with white carnations.

Miss Barbara Nicholson, sister of the bride was maid of honor. She wore an orange silk dress and carried a bouquet of white carnations.

Buddy Nicholson, brother of the bride, served as best man. Mother of the bride wore, for her daughter's wedding, a

beige silk dress with brown accessories. The bridegroom's mother wore a dark brown jersey dress with brown accessories.

A reception was held following the wedding ceremony. Appointments of crystal and silver, and a three tiered wedding cake adorned the serving table, which was covered in lace over yellow.

After a wedding trip in New Mexico the bride and groom are at home in Olton.

For going away, the bride chose a burnt orange dress with gold accessories and a corsage from her bridal bouquet.

The bride attended Olton High School and the groom is a graduate of Olton High School.

Out of town guests were Mrs. V.H. Worley, Paducah, grandmother of the groom; Mrs. H. Nicholson of Konaw, Okla., grandmother of the bride; and Mrs. Frank Morrow, also of Konaw, Okla., aunt of the bride.

Mr. and Mrs. Kirk McAdams

Benkula-McAdams Marry In Colorado Ceremony

The St. Mark's Lutheran Church in Aurora, Colo., was the scene Sept. 2 for the wedding of Miss Sharity L. Benkula, daughter of Mr. and Mrs. H.C. Benkula of Ness City, Kansas, and Kirk A. McAdams, son of Mr. and Mrs. L.H. McAdams of Olton.

Minister Norlan L. Hansen officiated at the service.

The bride, given in marriage by her father, wore a dress with an all lace bodice, tapered sleeves and white satin bell-shaped street-length skirt. Streamers, attached to a large lace bow in back, fell to the hem of the skirt. She wore shoes covered in white lace with silver trimming. Her veil fell from a cluster of white roses. She carried a bridal bouquet of white roses with baby pink roses.

Mrs. Freda Linder soloist, was accompanied by organist Dean Landers.

Maid of honor was Janeen L. Benkula. Bridesmaid was Dorothy J. Arpin. They were dressed in rose-colored satin dresses with bell shaped skirts accented with a large satin bow in back. They wore matching pillbox hats with small bows in front and shoes dyed to match their dresses and hats. Their bouquets were of light pink carnations.

Eldon Boyd served as best man.

Ushers were Harold Schneider and Joseph Edlebrack. Groomsman was Ralph Cozmez.

The altar of the church was decorated with candles and two large bouquets of pink gladioli with white carnations.

A reception was held following the wedding ceremony at

Sonja Henie once attended a party in the Lone Star State wearing more than a million dollars' worth of diamonds. However, a Texan pointed her out to his colleagues by saying: "Miss Henie is the one with the deep sun-tan."

Olivares-Alcorta Vows Said At Breckenridge

Miss Liandra Olivares, daughter of Mr. and Mrs. Miguel Olivares of Breckenridge, and Joe H. Alcorta, son of Mr. and Mrs. Richard Alcorta of Merkel, formerly of Olton, were united in marriage Aug. 19 at the First Christian Church at Breckenridge. The Rev. Milton Martinez Jr. performed the double ring ceremony.

The bride, given in marriage by her father, wore a bridal gown in the grand tradition created of imported Chantilly lace and peau de soie, fashioned with scalloped sabrina neckline bejeweled with pearls and sequins and accented with long tapered sleeves. Discreet rows of oversized lace tiers played an admiring duet around the skirt completing the lace design cascading down the center back of the skirt, which fell into a full chapel train. An overskirt draped the front with lace insets lavished around the edge. Her fingertip veil of pure silk imported illusion fell from a coronet. Her bridal bouquet consisted of white camellias and gladioli.

Robert Poer provided the traditional wedding music on the organ. He accompanied Owen Guy of Breckenridge as he sang "Whither Thou Goest", "The Lord's Prayer", and "The Precious Love".

Two baskets of gladioli placed on either side of the altar decorated the church.

Maid of honor was Miss Benita Olivares, sister of the bride. She was attired in a blue silk dress with lace bodice, bracelet-length sleeves and scooped neckline. The bouffant skirt with an oversized hem was worn over taffeta. A horse hair crown, heavily accented with pearls and aurore boralis, held the short veil which matched the dress.

She carried a bouquet consisting of 12 white carnations and blue streamers.

Bridesmaids were Miss Priscilla Rojas of El Paso and Misses Luisa and Martha Alcorta of Merkel, sisters of the groom. They wore identical dresses and hats of blue and carried a bouquet of white carnations with flowing blue ribbons to match the dresses.

Best man was Frank Castillo of Abilene. Ushers were Gene Sanchez of Abilene, Danny Ramiroz of Abilene, Richard and Charles Zapata of Breckenridge and Paul Hernandez of Olton.

A reception followed the wedding ceremony. Assisting with the houseparty were Mmes.

B.H. Frammeel, Glen Shaw, C.E. Hood, Homer Weatherford, Barney Tyson, Ovis Hittson and G.R. Whitney.

For a wedding trip to Carlsbad, N.M., the bride chose a pink embroidered cotton sheath and carried a corsage from her bridal bouquet.

The couple will be at home at 1530 Farramore, Abilene.

The bride is a graduate of Breckenridge High School and Hendrick Memorial Hospital School of Nursing, Abilene.

The groom is a graduate of Olton High School and is a junior at Hardin-Simmons University. He is a part time employee at Russey's Printing in Abilene.

POLIO PIONEER: Dr. Albert B. Sabin of the University of Cincinnati School of Medicine developed the anti-polio vaccines that can be taken by mouth. Dr. Sabin's vaccines -- one against each of the three types of poliovirus -- may prove to be the final weapon in the fight to eradicate polio.

businessmen will hear his presentation of the place the United States holds as the leading agricultural producing nation of the world.

The field day is expected to surpass previous observances at Halfway in the large number of events scheduled for the afternoon. Members of the board of trustees, including Bill Yates and I.E. Holt of Olton, will guide visitors through the new office building, laboratory, greenhouse and lawn grass demonstration plots. They will also show visitors the new 20-saw laboratory gin and the plant science laboratory.

Olton Chamber of Commerce and Agriculture will furnish greeters for the afternoon program.

In the area around the Halfway Community building trustees will welcome the visitors to the farm equipment display. The latest in farm machinery, irrigation, aerial, flame cultivators and fertilizer equipment will be available for inspection. Agricultural services will have displays at the large headquarters tent in front of the Killgore Memorial Building.

The tours of the 310 acre farm will start at 1:30 p.m. and continue until 5 p.m. There will be six stops on the field

Your Future Ginner

FIRST IN HART CAMP AREA—First farmer to deliver grain in the Hart Camp area was Don Muller, pictured here with his son, Brian, 3. Don brought in a 14,660-pound load Saturday afternoon to Hart Camp Grain Co. The grain was planted May 5.

MUSTANG QUARTERBACK Joe Priest is racked up by a pair of Abernathy tacklers at the end of a 19-yard run late in the game here Friday night.

TRAGEDIES: DO THEY MAKE US THINK? Tragedies, tragedies, how many they are! Too numerous to mention, too cruel they are. Radio, television, and newspapers too, Are filled with tragedies all the way through.

Tragedies are awful things because they bring Heartaches, sorrow, misery and pain.

Wars, famine and pestilence have had their part in tragedies too. Down through the years they have been with us it seems. In Pharaoh's time and other great kings. They are for a purpose, there is no doubt. Because man in his thinking has left God out. God in his wisdom permits these things To open mens eyes to spiritual things.

God is the ruler of this universe And will always be throughout the ages of eternity.

Noah was an example of men who think. He built an Ark that would not sink. Though mocked at, scoffed at, and laughed at too, By people that were indifferent and careless too.

He told them of a flood that was coming one day In the future not so far away. They cried aloud, "Why do you lie?" It is impossible that all are to die."

Storms clouds gathered, and, Oh! What then? Tragedy was coming because of their sin.

Too late! Too late! was the cry, Too late to pray, . . . but not to die.

Lot was an example of many today, Too busy to think and no time to pray. He pitched his tent toward Sodom one day, Because the path was easy that led astray. Material possessions and worldly gain, He thought would bring honor to his name. But to his surprise, God sent an angel With a message on this wise: "I am going to burn up the things you love, With fire and brimstone from above." Sodom, with all its pomp and pride, Was burned to ashes; the people all died.

Tragedy? Yes, how sad it was, But God in his judgement sent it down from above. Tragedies happen, many of them today, In very peculiar sort of ways. Some through carelessness, I suppose, Others happen, Why? Only God knows, Good folks die and bad ones too, All the day long, and all the night through.

There was a tragedy that happened one day, Though the world has forgotten, it is sad to day. The greatest tragedy of them all there is no doubt, It caused many people to cry and to shout, "Crucify, Crucify Him and hang Him on a tree, Let Him die there in HIS pain and agony." He was God's Son, sent from above, To redeem the world by His wonderful love.

So, if tragedy comes our way, Let us think of Jesus and kneel and pray, . . . By Frank Adams

DeKalb hybrid grain sorghum varieties, which produced the area's first loads in 1961, have done it again.

This time it is DeKalb E-56A, one of several early maturing varieties offered by DeKalb.

Vernon Britton, who farms three miles north of Circle, planted this field of E-56A on April 25 and harvested it on September 8. He harvested 17,500 pounds off three acres for his first load.

The crop had one pre-plant irrigation and was irrigated three other times. He fertilized once before planting.

WITH THE GREATEST OF EASE---Olton Halfback George Jones sails through the air as he climaxes a run to the

TOUCHDOWN---Olton Fullback Johnny Moses cracked over from the two for a Mustang six-pointer in the third quarter.

Laying a key block on the play is Olton's George Jones. In background is quarterback Joe Priest.

Mustangs Lose Squeaker To Abernathy

Olton's Mustangs dominated play here Friday night, carrying the fight to a heavier, speedier Abernathy eleven, and "won" everything except where it counts--the final score.

Abernathy eked out an 8-7 victory over the Ponies before about 2,000 attending the first game of the season at Olton Memorial Stadium.

It was a tough one to lose for the Mustangs, who kept the ball in possession on 76 plays during the game. Abernathy ran only 34 plays from scrimmage.

To top that, Olton gained 14 first downs while the Antelopes were getting five.

But when they tallied up the touchdowns and extra points, the Antelopes walked away with a one-point victory.

All the scoring came in a five minute period during the third quarter.

The Mustangs took the second half kick-off and drove 63 yards for their score, with Fullback Johnny Moses counting on a two-yard plunge. End

Charlie Burrus kicked an extra point and Olton had a 7-0 lead with 6:45 left in the period.

Abernathy came back on the ensuing kick-off to drive 70 yards to score.

Tom Ritchey clinched it with a fourth-down five-yard pass to Halfback Pat O'Neil with 2:13 left in the quarter.

Ritchey then sailed across for the two extra points that eventually won the game.

Both teams had a touchdown called back in the tight ball game. The Olton chance came in the second period when George Jones drove in from two yards out.

Abernathy almost racked up its second touchdown on the first play of the fourth quarter, when Ritchey returned a punt 60 yards for an apparent score.

An official noted that the Antelope had clipped Olton's Jones, however, and the play was rubbed out.

Olton completely dominated play in the first half, the Mus-

tangs controlling the ball on 38 of 51 plays run from scrimmage.

The Ponies made their first sustained drive after Burrus covered an Abernathy fumble at the Olton 23.

From there they drove 60 yards to the Abernathy 8 in 19 plays, with Moses and Jones making most of the yards.

There, Abernathy rose up and whacked Jones for a six-yard loss and a five-yard delay penalty moved the Ponies back to the 19. Olton was unable to overcome those breaks and Abernathy took over.

However, the Antelopes fumbled on the first play and

Guard Billy Carson recovered at the Antelope 23.

Two plays later, Olton fumbled and Abernathy's Don Hughes nabbed the loose ball at the 19.

The Antelopes drove out to their 27 and gambled on fourth down. Olton's Dennis Givens and Jimmy Bennet put the stopper on that gamble and the Mustangs took over at the Abernathy 28.

From there Olton drove in for the touchdown that was called back.

Halfback Ronnie Parsons contributed two nice gains on the first series of downs, picking up six and then three.

Then Moses and Jones alter-

nated for four carries, knocking off about three yards each time to move the ball to the two-yard line.

Jones went in for the TD, but a backfield-in-motion penalty rubbed it out.

The Ponies still had a chance to score, though, and Moses gained three to the Abernathy 4-yard-line. But the Antelopes put an end to the threat when Jones was nabbed for an eight-yard loss on fourth down. A play later, the half ended.

On the touchdown drive by the Mustangs in the third quarter, freshman quarterback Joe Priest played a key role, gaining one first down with a sev-

en-yard run to the Abernathy 46.

A personal foul by the Antelopes helped move the ball down to the 28 and then Priest came through with an eight-yard carry to the 15.

He fumbled at that point and the alert Jones grabbed the ball at the Antelope 8.

Jones gained down to the two and then Moses cracked the Antelope line for the score.

Abernathy wasted little time matching that touchdown. A key play at the start was Bob Pettit's pass to Ritchey which gained 28 yards to the Olton 41.

A couple of plays later, a 15-yard penalty against Olton

moved the ball down to the Mustang 20.

Ritchey, Pettit and Joe Ybarra alternated to carry the ball down to the five, but the Antelopes faced fourth down at that point.

Ritchey came through with his pass to O'Neil and Abernathy went into the lead.

In the fourth quarter, Olton reached the Antelope 41 on one occasion and the Abernathy 31 as the game ended.

With 2:19 left in the game, the Ponies took to the air, with Priest passing to Burrus twice for a total of 12 yards.

Less than a minute remained when Priest ripped off 19 yards to the Abernathy 31. But as time ran out the fresh quarterback was thrown for a loss as the Antelopes stiffened their defenses.

Individually, Moses was Olton's top ground gainer with 68 yards in 28 carries. Jones added 40 in 19 runs. Priest got 48 in 11 carries and Parsons picked up 22 in six tries. Joe Costello picked up five yards

in three carries. Jones punted twice for a 35 yard average and Priest hit on two of five passing tries. Standing out defensively for the Mustangs were Jones, Burrus, Givens, Bennett, Moses, Carson, Leon Kendall, Daniel Rey, and George Phillips.

Pamphlet Is Guide To Physical Fitness Program

With increasing emphasis on physical fitness, not only for our youth, but for persons of all ages, thousands of words have been written and hundreds of illustrations displayed showing what we can do about it.

One of the best illustrated guides to overall fitness has been prepared by the American Medical Association's Department of Health Education, entitled "Seven Paths to Fitness". It is a fold-out pamphlet skirting burdensome detail, leaving the actual decisions up to the individual.

First of seven paths to fitness is proper medical care with the individual asking him-

self three questions: what kinds of medical care does he need; how are such services best obtained; and how can he get the best possible medical services? The questions are answered in essence, but allowing personal choice.

Nutrition was number two on the list. What are your daily food needs in relation to type and how much food do you need? The four basic food groups—meat, milk, bread-cereal, fruits and vegetables—plus extras based on caloric needs are listed.

Dental services and all that it implies was third, stressing dental care and regular visits to the dentist.

The fourth path to fitness was exercise, once again answering three questions: what is right exercise; how much exercise do you need; and what does exercise do for you?

The importance of satisfying work was next, pointing out guideposts of how to know when one's work is satisfactory and listing some values of satisfying work.

Healthy play and recreation came in for a big share of fitness. Everyone should play to have fun and relaxation, meet and mix with people, take one's mind off his troubles; and to improve physical and mental health.

Some recreational activities suiting all types are listed.

What is meant by rest and relaxation described the seventh path to fitness. Some ways to rest were counted including lying down in a quiet place and relaxing, sleeping, changing activities and participating in a hobby.

Sleep—never defined, but aptly named the great restorer—can never be replaced. Eight hours is a good minimum average for most people, but young children need as much as 12 hours sleep every day.

In third flight, consolation, Copeland was defeated by Charlie Seeds, Hereford, 1-up on 20.

Owens defeated Allcorn, 1-up on 20, in the fourth flight.

In the fifth flight, Sherman defeated Hackler, 2 and 1, and Buchenau defeated Leroy Boyer, Hereford, 2 and 1.

Final action saw Owens take the fourth flight when he downed Buck Hickerson, Floydada, 1 up on 20, and Sherman take the fifth flight by defeating Buchenau, 1 up.

IN PADUCAH
 Mr. and Mrs. Alfred Allen and children visited Alfred's parents last week in Paducah.

THREE-YARD GAIN---Mustang Halfback George Jones picks up three yards to the Abernathy 47 in the fourth period of the 8-7 loss to the Antelope 11.

THIS ONE WAS CALLED BACK---George Jones, center, lowers his head and plows over for an apparent touchdown, but the play was called back because of a backfield in motion penalty.

No question is so difficult to answer as that to which the answer is obvious.
